20 **Board amendment additions** are in double-underlined Arial font.
21 **Board amendment deletions** are in ~~strikethrough Arial font~~.
22 **Asterisks (* * * *)** indicate the omission of unchanged Code
23 subsections or parts of tables.

24 Be it ordained by the People of the City and County of San Francisco:

25 Section 1. Definitions. All capitalized terms in this ordinance relating to Mission Bay
have the definitions ascribed to them under the Mission Bay South Redevelopment Plan and

1 Plan Documents described therein, which the City approved in 1998 in Ordinance No. 335-98,
2 a copy of which is on file with the Clerk of the Board of Supervisors in File No. 981441.

3
4 Section 2. Findings for Mission Bay Parks P22 and P19.

5 (a) Mission Bay South Park P22 (also referred to as Bayfront Park at Mission Bay) is
6 located east of the Chase Event Center, between Terry Francois Boulevard and edge of San
7 Francisco Bay and between Warriors Way and 16th Street (Assessor Parcel Block Numbers
8 8721-007, 8722-005, and 8722-006). Park P22 also contains two linear parcels on the
9 eastern edge of the park adjacent to Terry Francois Boulevard. The two parcels, Assessor
10 Parcel Block Numbers 8721-014 (“Lot 14”) and 8722-020 (“Parcel C”), are the subject of
11 separate Offers of Dedication, including grant deeds (collectively, the “Acquisition Parcels”).
12 The Board of Supervisors, in Ordinance No. 231-15 and as part of a series of actions related
13 to Chase Event Center, delegated to the Real Estate Director the authority to accept Parcel C
14 upon completion of the improvements on this parcel. The Acquisition Parcels are included in
15 the Park design and upon acceptance will be absorbed into the Park. The scope of the Park
16 P22 Infrastructure Improvements (the “Park P22 Improvements”), and its boundaries,
17 including the Acquisition Parcels that are described in the Offers of Dedication (collectively
18 “Offers of Dedication”), are shown on a draft plat (the “Park P22 Plat”) on file with the Clerk of
19 the Board of Supervisors in File No. 240635 and incorporated herein by reference. Parcel C,
20 as referenced in the Offer of Dedication for Bayfront Park, also is addressed in Ordinance
21 No. 231-15, which is on file with the Clerk of the Board of Supervisors in File No. 150996 and
22 incorporated herein by reference.

23 (b) The Mission Bay South Park P19 Infrastructure Improvements (the “Park P19
24 Improvements”) are located on the west side of Terry Francois Boulevard between Mission
25 Rock and China Basin Streets (Assessor Parcel Block Number 8720-009). The Park P19

1 boundaries and the scope of the Park P19 Improvements are shown on a draft plat (the “Park
2 P19 Plat”) on file with the Clerk of the Board of Supervisors in File No. 240635 and
3 incorporated herein by reference. The Park P22 Improvements and the Park P19
4 Improvements and any structures thereon are collectively referred to herein as the “Park
5 Improvements.”

6 (c) The Successor Agency to the San Francisco Redevelopment Agency, the Office of
7 Community Infrastructure and Investment (“OCII”), in a letter dated May 6, 2024 (the “Parks
8 P22 and P19 OCII Letter”), determined that the acceptance of the Park P22 Improvements
9 and the Park P19 Improvements is consistent with the Mission Bay South Redevelopment
10 Plan (the “Plan”) and Plan Documents. The Parks P22 and P19 OCII Letter also
11 recommended that the Board of Supervisors accept the Parks P22 and P19 OCII Letter as set
12 forth in this Ordinance. A copy of the Parks P22 and P19 OCII Letter is on file with the Clerk
13 of the Board of Supervisors in File No. 240635 and is incorporated herein by reference.

14 (d) The Planning Department, in a letter dated June 3, 2024 (the “Parks P22 and P19
15 Planning Department Letter”), determined that the acceptance of the Acquisition Parcels, Park
16 P22 Improvements, and Park P19 Improvements are, on balance, consistent with the General
17 Plan and the eight priority policies of Planning Code Section 101.1. The Planning Department
18 also found that the contemplated actions do not trigger the need for subsequent
19 environmental review pursuant to the California Environmental Quality Act (“CEQA”)
20 (California Public Resources Code Sections 21000 et seq.). A copy of the Parks P22 and P19
21 Planning Department Letter and environmental determination are on file with the Clerk of the
22 Board of Supervisors in File No. 240635 and are incorporated herein by reference.

23 (e) On June 11, 2024, at a duly noticed public hearing, the San Francisco Port
24 Commission (“Port Commission”) in Resolution No. 24-30 (the “Port Commission Resolution”),
25 recommended that the Board of Supervisors acknowledge that the Port Commission will (1)

1 accept ownership of the Park Improvements as acquisition facilities on behalf of the City when
2 Public Works (“PW”) determines that such improvements have been constructed in
3 accordance with the approved plans and specifications under the applicable permits and all
4 applicable City codes, regulations, and standards, and such improvements are ready for their
5 intended use; (2) dedicate the Park Improvements to public use; (3) designate the property on
6 which the Park Improvements are located for park and/or open space purposes; and (4) upon
7 their completion, accept Park Improvements for Port Commission maintenance and liability.
8 The Port Commission also agrees to accept the Acquisition Parcels as part of Park P22 after
9 the Board of Supervisors approves the Offer of Dedication for Lot 14 and associated grant
10 deed, and designates the Port as the owner on behalf of the City. In addition, the Port
11 Commission recommended that the Board of Supervisors delegate to the Commission for a
12 period of three years the Board’s power to: (1) accept ownership of the Park Improvements
13 as acquisition facilities on behalf of the City; (2) dedicate such Park Improvements to public
14 use; (3) designate the property on which the Park Improvements are located for park and/or
15 open space purposes; and (4) take all other official acts necessary for, or related to,
16 acceptance of the Park Improvements, including without limitation, accepting the Park
17 Improvements for Port Commission maintenance and liability and accepting conditional
18 assignment of all warranties and guaranties related to the construction of Park Improvements.
19 A copy of the Port Commission Resolution is on file with the Clerk of the Board of Supervisors
20 in File No. 240635 and is incorporated herein by reference.

21 (f) In PW Order No. 210669 (the “PW Order”), dated July 3, 2024, the City Engineer
22 certified and the PW Director determined that: (1) Mission Bay South Park P22 is currently on
23 a portion of property under Port jurisdiction and located on a portion of State Trust Parcel 5
24 and on the Acquisition Parcels; (2) FOCIL-MB, LLC (“FOCIL”) ~~has~~will irrevocably offered the
25 Park P22 Improvements to the City as set forth in the draft FOCIL Irrevocable Offer of the

1 Mission Bay Park P22 Improvements, ~~dated~~ _____ (the “P22 FOCIL Offer”); (3)
2 the Acquisition Parcels are comprised of an Offer of Dedication, including a grant deed, for
3 Parcel 14 by FOCIL, and an Offer of Dedication, including a grant deed, for Parcel C by GSW
4 Arena, LLC; (4) Mission Bay South Park P19 is currently on a portion of property under that
5 will be Port jurisdiction and is located on a portion of State Trust Parcel 5; and (5) FOCIL
6 ~~has~~will irrevocably offered the Park P19 Improvements to the City as set forth in the draft
7 FOCIL Irrevocable Offer of the Mission Bay Park P19 Improvements, ~~dated~~
8 _____ (the “P19 FOCIL Offer”). In addition, the PW Order states that PW issued
9 Street Improvement Permit No. 19IE-00483, dated July 2, 2020 for the Park P22
10 Improvements and Street Improvement Permit No. 13E-0473, dated November 1, 2013 for the
11 Park P19 Improvements.

12 (g) In the PW Order, the PW Director recommended that the Board of Supervisors
13 accept the Acquisition Parcels identified in the Offers of Dedication subject to acceptance of
14 the respective park and designate the Port as the property owner on behalf of the City.

15 (h) In addition, the PW Director recommended to the Board of Supervisors that for a
16 three-year period it delegate to the Port Commission, in consultation with the PW Director, the
17 authority to take various actions related to acceptance of Park P22 and P19 upon FOCIL’s
18 completion of all respective requirements related to the Park Improvements and Public Works
19 issuance of a Determination of Completion for each park certifying that each park upon
20 completion has been constructed in accordance with the Plans and Specifications and all City
21 codes, regulations, and standards, and the Mission Bay South Redevelopment Plan and Plan
22 Documents governing the Park Improvements and determining that they are ready for their
23 intended use. The following separate acceptance actions shall include for each park: (1)
24 accepting the final P22 FOCIL Offer of Improvements and the final P19 FOCIL Offer of
25 Improvements; (2) dedicating the Park Improvements to public use; (3) designating the

1 properties on which the Park Improvements are located for public park and open space
2 purposes; and (4) accepting these Improvements for Port maintenance and liability. A
3 ~~copy~~Copies of the PW Order and the draft P22 and P19 FOCIL Offers are on file with the
4 Clerk of the Board of Supervisors in File No. 240635 and are incorporated herein by
5 reference.

6 (i) The Public Works Order also identifies that Park P22 Improvements contain certain
7 San Francisco Public Utilities Commission (“SFPUC”) electrical assets and green
8 infrastructure and Park P19 includes green infrastructure (collectively “PUC Assets”). The PW
9 Director recommended to the Board of Supervisors that for a three-year period it delegate to
10 the Public Works Director, in consultation with the SFPUC General Manager and upon the
11 City Engineer’s issuance of Determinations of Completion for the PUC Assets in the
12 respective parks, the authority to (1) accept the SFPUC Assets that are part of the final P22
13 and P19 FOCIL Offers of Improvements when each are completed; (2) dedicate the PUC
14 Assets to public use; and (3) accept the PUC Assets for SFPUC maintenance and liability
15 purposes.

16 (j) In addition, the PW Order recommends that the Board of Supervisors acknowledge
17 that although Public Works reviewed and issued permits for the Parks under its public right-of-
18 way permitting jurisdiction, the City should not accept the Parks as public right-of-way under
19 California Streets and Highways Code Section 1806 and San Francisco Administrative
20 Code 1.52, and should instead address dedication and acceptance solely as parkland under
21 Port Commission jurisdiction in accordance with California Government Code Section 66477.1
22 and San Francisco Subdivision Code Section 1438. This will expedite the opening of Parks
23 P22 and P19 to the public and allow for the efficient and orderly transfer of jurisdictional
24 responsibility over the Park Improvements from PW permitting authority to Port Commission
25

1 property and management jurisdiction in contrast to what would have been required if the
2 improvements were designated as public right-of-way.

3
4 Section 3. Adoption of Findings and Recommendations for Mission Bay South Parks
5 P22 and P19.

6 (a) The Board of Supervisors adopts as its own the CEQA findings, the General Plan
7 consistency findings, and the eight priority findings of Planning Code Section 101.1 in the
8 Parks P22 and P19 Planning Department Letter, all of which findings are referenced in
9 Section 2 of this ordinance, in connection with the acceptance of the Mission Bay Parks P22
10 and P19.

11 (b) The Board of Supervisors adopts as its own the Mission Bay South Redevelopment
12 Plan consistency findings in the Parks P22 and P19 OCII Letter, which findings are referenced
13 in Section 2 of this ordinance, in connection with the acceptance of the Mission Bay Parks
14 P22 and P19.

15 (c) The Board of Supervisors adopts PW Order No. 210669, including the City
16 Engineer’s certification and PW Director’s recommendations concerning the acceptance of the
17 P22 and P19 FOCIL Offers, the Offer of Dedication for Lot 14, delegation of various actions
18 related to the dedication and acceptance of the Park Improvements to the Port Commission
19 for Port maintenance and liability subject to the requirements identified below in Section 5 of
20 this ordinance. The Board of Supervisors also adopts this PW Order in regard to the
21 delegation of various actions related to the dedication and acceptance of the PUC Assets to
22 Public Works Director for SFPUC maintenance and liability subject to the requirements
23 identified below in Section 6 of this ordinance. The Board of Supervisors adopts said
24 recommendation as its own.

1 Section 4. Accepting a Grant Deed for Lot 14 That Is Included in Park P22.

2 The Board of Supervisors hereby conditionally accepts the Offer of Dedication and
3 grant deed for Lot 14 that is included in Park P22. The Real Estate Director, in consultation
4 with the City Attorney, is authorized to sign the final grant deed in substantially the same form
5 as that on file with the Clerk of the Board of Supervisors and record the grant deed, but only
6 after the Port Commission accepts Park P22 under the terms set forth in this ordinance.
7

8 Section 5. Delegation to the Port Commission of the Authority to Accept New
9 Acquisition Facilities and Assume Maintenance and Liability Responsibilities; Other Official
10 Acts Regarding the Park Improvements.

11 (a) Pursuant to the Acquisition Agreement dated June 1, 2001, by and between the
12 San Francisco Redevelopment Agency and Catellus Development Corporation, and PW
13 Order No. 210669, the Board of Supervisors delegates to the Port Commission the authority
14 to accept the final Parks P22 and P19 FOCIL Offers, with the exception of the PUC Assets, on
15 behalf of the City and dedicate the Park Improvements ~~to~~for public use after the City Engineer
16 issues a Determination of Completion for each Park.

17 (b) As to Mission Bay Parks P22 and P19, the Board of Supervisors delegates to the
18 Port Commission the authority to approve the final Park P22 and Park P19 Plats and
19 designate the property shown thereon for park and open space purposes only. The Board
20 acknowledges that the Port Commission also will separately designate the properties shown
21 on the above referenced Plats for park and open space purposes only.

22 (c) In accordance with California Government Code Section 66477.1 and San
23 Francisco Subdivision Code Section 1438, the Board of Supervisors delegates the authority to
24 the Port Commission to take all other actions related to acceptance of the Park
25 Improvements, including acceptance of such Improvements for Port Commission

1 maintenance and liability, subject to the conditions listed in Sections 2, 3, and 5 of this
2 ordinance.

3 (d) The Board's delegation to the Port Commission regarding the acceptance of the
4 Park Improvements is for Mission Bay Parks P22 and P19 only. The Port Commission's
5 acceptance action shall exclude the PUC Assets and any encroachments that are permitted,
6 not permitted, or both.

7 (e) The Board of Supervisors also conditions its delegation of the acceptance on the
8 Port Commission obtaining FOCIL's conditional assignment of all warranties and guaranties
9 related to the construction of the above listed Park Improvements.

10 (f) The Board of Supervisors assigns all future jurisdiction over Parks P22 and P19 to
11 the Port Commission on the effective date of the Port Commission's acceptance of the Park
12 Improvements and directs the Director of the Real Estate Division to place Parks P22 and P19
13 under the jurisdiction of the Port of San Francisco on such effective date or at a later date as
14 deemed appropriate by the Port General Manager and Director of Real Estate.

15 (g) The delegation in this Section 5 will expire three years from the effective date of
16 this ordinance.

17

18 Section 6. Delegation to the Public Works Director of the Authority to Accept PUC
19 Assets; Other Official Acts Regarding the PUC Assets.

20 (a) Pursuant to the Acquisition Agreement dated June 1, 2001, by and between the
21 San Francisco Redevelopment Agency and Catellus Development Corporation, and PW
22 Order No. 210669, the Board of Supervisors delegates to the Public Works Director, in
23 consultation with the SFPUC General Manager, the authority to accept the PUC Assets ~~to~~for
24 public use after the City Engineer issues Determinations of Completion for such Assets in
25 each park.

1 (b) In accordance with California Government Code Section 66477.1 and San
2 Francisco Subdivision Code Section 1438, the Board of Supervisors delegates the authority to
3 the Public Works Director, in consultation with the SFPUC General Manager, to take all other
4 actions related to acceptance of the PUC Assets, including acceptance of such Improvements
5 for SFPUC maintenance and liability, subject to the conditions listed in Sections 2, 3, and 6 of
6 this ordinance.

7 (c) The Board’s delegation to the Public Works Director regarding the acceptance of
8 the PUC Assets is for Mission Bay Parks P22 and P19 only.

9 (d) The Board of Supervisors also conditions its delegation of the acceptance of the
10 PUC Assets on the Public Works Director obtaining FOCIL’s conditional assignment of all
11 warranties and guaranties related to the construction of the PUC Assets.

12 (e) The delegation in this Section 6 will expire three years from the effective date of
13 this ordinance.

14
15 Section 7. Authorization for Implementation. The Mayor, Clerk of the Board of
16 Supervisors, Port Executive Director, SFPUC General Manager, Real Estate Director, and
17 PW Director are hereby authorized and directed to take any and all actions which they or the
18 City Attorney may deem necessary or advisable to effectuate the purpose and intent of this
19 ordinance, including, but not limited to, the filing of the Parks P22 and P19 Plats in the Official
20 Records of the City and County of San Francisco.

21 ///
22 ///
23 ///
24 ///
25 ///

1 Section 8. Effective Date. This ordinance shall become effective 30 days after
2 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
3 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
4 of Supervisors overrides the Mayor's veto of the ordinance.

REVISED LEGISLATIVE DIGEST
(Amended in Committee – July 8, 2024)

[Mission Bay South - Parks P22 and P19 Acceptance]

Ordinance conditionally accepting a grant deed for property associated with Mission Bay South Park P22; delegating for a three-year period to the San Francisco Port Commission the authority to dedicate Mission Bay South Parks P22 and P19 (bordering Terry François Boulevard) to public use, accept an irrevocable offer for the acquisition facilities that comprise the park improvements, designate said facilities for public park and open space purposes only, and accept these Parks for Port of San Francisco maintenance and liability purposes, subject to specified limitations; delegating for a three-year period to the Public Works Director similar authority for certain Public Utilities Commission assets in Parks P22 and P19; adopting findings under the California Environmental Quality Act; making findings of consistency with the General Plan, the eight priority policies of Planning Code, Section 101.1, and the Mission Bay South Redevelopment Plan; adopting a Public Works Order that recommends delegation of Parks P22 and P19 acceptance and related actions; and authorizing official acts, as defined, in connection with this Ordinance.

Existing Law

The Board of Supervisors adopted the Redevelopment Plan for the Mission Bay South Project Area in Ordinance No. 335-98 on November 2, 1998. This Ordinance and related Mission Bay legislation established a process by which the project developer (FOCIL - MB, LLC) would construct specified public improvements, including parks and open space, and the City would dedicate the completed improvements for public use, accept such improvements for City or Port of San Francisco maintenance and liability purposes, and take other related actions. The City accepts most public improvements associated with large development projects as part of the public right-of-way under CA Streets and Highways Code Section 1806 and San Francisco Administrative Code Section 1.52; however, the City can accept parkland in accordance with California Government Code Section 66477.1 and San Francisco Subdivision Code Section 1438. Mission Bay South Park P22, also known as Bayfront Park, is on the east side of Terry François Boulevard across from Chase Center. Park P19 is on the west side of Terry François Boulevard near Mission Rock Street.

Amendments to Current Law

Under this Ordinance, the Board of Supervisors would delegate to the San Francisco Port Commission the authority to (1) accept ownership of the park improvements at Mission Bay South Parks P22 and P19 and (2) accept these improvements for Port maintenance and liability, subject to certain conditions. The Board of Supervisors also would delegate to the

Port Commission the power to dedicate the improvements to public use; designate them for park and/or open space purposes as appropriate; and take all other official acts necessary for or related to acceptance of these parks. The Ordinance also would delegate to the Public Works Director, in consultation with the Public Utilities Commission General Manager, similar authority related to green infrastructure and electrical facilities in these parks that will be Public Utility Commission assets. The legislation would accept an Offer of Dedication and grant deed for a piece of property that is included as part of Park P22. This Ordinance would make certain findings, including environmental findings and findings that the legislation is consistent with the Mission Bay South Redevelopment Plan, the General Plan, and the eight priority policies of Planning Code Section 101.1. The delegations granted in this legislation would sunset three years from its effective date.

Mission Bay Park P22 & P19

1) Infrastructure Acceptance Ordinance - File #240635

Board of Supervisors Land Use and Transportation Committee

July 8th 2024

Mission Bay Parks P22 & P19

Mission Bay Front Park – Park P22

Approx 5.4 –acre Park

- Parks P22 & P19 within SFPort jurisdiction, thus they will own and maintain these parks upon Acceptance.

Mission Bay Park P19

Approx 0.5-acre Park

Mission Bay South – Park P22 & P19

Infrastructure Acceptance Ordinance – Scope of work

Landscaping, bioretention, pavers, electrical infrastructure, park lighting, trees, wet well pumps, park signage, benches, trash receptacles, BBQ pits

City request:

- Adopt OCII Mission Bay South Redevelopment Plan consistency findings
- Accept Offer of Dedication and Grant Deed subject to Port Comm acceptance
- Designate Port as property owner on behalf of the City sometime after acceptance.

Delegation –

Public Works Director

- In consultation with SFPUC, Accept Offer of Improvements of Green and Electrical Power Infrastructure.

SFPort Commission

- SFPort Commission Approved Resolution No. 24-30 requesting
 - Delegation to Accept Offer of Improvement to SFPort Commission for Parks P22 & P19
 - Assume maintenance of public infrastructure improvements
- Delegation expires after 3 years

Mission Bay Bayfront Park – Park P22

Mission Bay Bayfront Park – Park P22

Thank you! City staff are available to answer any questions.

San Francisco Public Works
General – Director’s Office
49 South Van Ness Ave., Suite 1600
San Francisco, CA 94103
(628) 271-3160 www.SFPublicWorks.org

Public Works Order No: 210669

Recommending the conditional acceptance of the grant deed for property associated with Mission Bay South Park P22, delegating to the San Francisco Port Commission for a 3-year period the authority to dedicate Mission Bay South Parks P22 and P19 (bordering Terry François Boulevard) to public use; accept an irrevocable offer for the acquisition facilities that comprise the park improvements; designate said facilities for public park and open space purposes only; and accept these Parks for Port of San Francisco maintenance and liability purposes, subject to specified limitations; delegating to the Public Works Director for a 3-year period similar authority for certain Public Utilities Commission assets in Park P22 and Park P19

Background and Findings

The Public Works Director (“Director”) acknowledges the following facts and makes the findings set forth below in support of the decisions and recommendations in this Order:

1. Mission Bay South Park P22 (also referred to as Bayfront Park at Mission Bay) is located east of the Chase Event Center, between Terry Francois Boulevard and edge of San Francisco Bay and between Warriors Way and 16th Street (Assessor Parcel Block Number 8721-007, 8722-005, 8722-006). Park P22 also contains two linear parcels on the eastern edge of the park adjacent to Terry Francois Boulevard. The two parcels, Lot 14 (APN 8721-014) and Lot C (Portion of APN 8722-020), are the subject of separate Offers of Dedication, including grant deeds (collectively, the “Acquisition Parcels”). The Acquisition Parcels are included in the Park P22 design and upon acceptance will be absorbed into the Park. The Board of Supervisors, in Ordinance No. 231-15 and as part of a series of actions related to Chase Event Center, delegated to the Real Estate Director the authority to accept Lot C upon completion of the improvements on this parcel. The Offers of Dedication, the scope of the Park P22 Infrastructure Improvements (the “Park P22 Improvements”), and its boundaries, including the Acquisition Parcels, are shown on a plat (the “Park P22 Plat”) attached hereto.
2. The Mission Bay South Park P19 Infrastructure Improvements (the “Park P19 Improvements”) are located on the west side of Terry Francois Boulevard between China Basin Street and Mission Rock Street (Assessor Parcel Block Number 8720-009). The Park P19 boundaries and the scope of the Park P19 Improvements are shown on a plat (the “Park P19 Plat”) attached hereto. The Park P22 Improvements and the Park P19 Improvements and any structures thereon are collectively referred to herein as the “Park Improvements”.
3. The Successor Agency to the San Francisco Redevelopment Agency, the Office of Community Infrastructure and Investment (“OCII”), in a letter dated May 6, 2024 (the “Parks P22 and P19 OCII Letter”), determined that the acceptance of the Park P22 Improvements and the Park P19 Improvements

is consistent with the Mission Bay South Redevelopment Plan (the “Plan”) and Plan Documents. The Parks P22 and P19 OCII Letter also recommended that the Board of Supervisors accept the Parks P22 and P19 OCII Letter as set forth in this Ordinance. A copy of the Parks P22 and P19 OCII Letter is attached to this Order.

4. The Planning Department, in a letter dated June 3, 2024 (the “Parks P22 and P19 Planning Department Letter”), determined that the acceptance of the Acquisition Parcels, Park P22 Improvements, and the Park P19 Improvements are, on balance, consistent with the General Plan and the eight priority policies of Planning Code Section 101.1. The Planning Department also found that the contemplated actions do not trigger the need for subsequent environmental review pursuant to the California Environmental Quality Act (“CEQA”) (California Public Resources Code Sections 21000 et seq.). A copy of the Parks P22 and P19 Planning Department Letter and environmental determination are attached to this Order.
5. On June 11, 2024, the San Francisco Port Commission (“Port Commission”) held a public hearing, and approved Resolution No. 24-30 that recommended the Board of Supervisors acknowledge the Port Commission will (1) accept ownership of the Park Improvements as acquisition facilities on behalf of the City when Public Works (“PW”) or the San Francisco Building Official has determined that such improvements or structures, respectively, have been constructed in accordance with the approved plans and specifications under the applicable permits and all applicable City codes, regulations, and standards, and such improvements are ready for their intended use; (2) dedicate the Park Improvements to public use; (3) designate the property on which the Park Improvements are located for park and/or open space purposes; and (4) upon, their completion, accept Park Improvements for Port Commission maintenance and liability. The Port Commission also agreed to accept the Acquisition Parcels as part of Park P22 after the Board of Supervisors approves the Offer of Dedication for Lot 14 and associated grant deed or at a later date as determined by the Port Executive Director and Real Estate Director, and designates the Port as the owner on behalf of the City. In addition, the Port Commission recommended that the Board of Supervisors delegate to the Commission the Board’s power to: (1) accept ownership of the Park Improvements as acquisition facilities on behalf of the City; (2) dedicate such Park Improvements to public use; (3) designate the property on which the Park Improvements are located for park and/or open space purposes; and (4) take all other official acts necessary for, or related to, acceptance of the Park Improvements, including without limitation, accepting the Park Improvements for Port Commission maintenance and liability and accepting conditional assignment of all warranties and guaranties related to the construction of Park Improvements. A copy of the Port Commission Resolution is attached.
6. In this Order, the City Engineer certifies and the PW Director determines that: (1) Mission Bay South Park P22 is currently on a portion of property under Port jurisdiction and located on a portion of State Trust Parcel 5 and on the Acquisition Parcels; (2) FOCIL-MB, LLC (“FOCIL”) will irrevocably offer the Park P22 Improvements to the City as set forth in the draft FOCIL Irrevocable Offer of the Mission Bay Park P22 Improvements, (the “P22 FOCIL Offer”); (3) the Acquisition Parcels are comprised of an Offer of Dedication, including a grant deed, for Lot 14 (APN 8721-009) by FOCIL and an Offer of Dedication, including a grant deed, for Lot C (Portion of APN 8722-020) by GSW Arena, LLC (collectively, the “Offers of Dedication”); (4) Mission Bay South Park P19 is currently on a portion of property under Port jurisdiction and located on a portion of State Trust Parcel 5; and (5) FOCIL will irrevocably offered the Park P19 Improvements to the City as set forth in the draft FOCIL Irrevocable Offer of the Mission Bay Park P19 Improvements (the “P19 FOCIL Offer”). In addition, Public Works issued Street Improvement Permit No.

19IE-00483, dated 7/02/2020 for the Park P22 Improvements and Street Improvement Permit No. 13E-0473, dated November 1, 2013, for the Park P19 Improvements.

A. Street and City Utility Acceptance and Delegation Findings

1. The PW Director recommends the Board of Supervisors conditionally accept the Acquisition Parcel referred to as Parcel 14 identified in the Offer of Dedication subject acceptance of Park P22 and designate the Port as the property owner on behalf of the City at a time as determined by the Port Executive Director and the Real Estate Director. The condition of acceptance for this grant deed is the Port Commission's acceptance Park P22.
2. In addition, the Director recommends to the Board that for a 3-year period it delegate to the Port Commission, in consultation with the Director, the authority to take various actions related to acceptance of Park P22 and P19 upon FOCIL's completion of all respective requirements related to the Park Improvements and Public Works issuance of a Determination of Completion for each park certifying that each park upon completion has been constructed in accordance with the Plans and Specifications and all City codes, regulations, and standards, and the Mission Bay South Redevelopment Plan and Plan Documents governing the Park Improvements and determining that they are ready for their intended use. The following separate acceptance actions for each park would include: (1) accepting the P22 FOCIL Offer of Improvements and the P19 FOCIL Offer of Improvements; (2) dedicating the Park Improvements to public use; (3) designating the properties on which the Park Improvements are located for public park and open space purpose; and (4) accepting these Improvements for Port maintenance and liability.
3. This Public Works Order also identifies that Park P22 Improvements contain certain San Francisco Public Utilities Commission ("SFPUC") electrical assets and green infrastructure and the Park P19 Improvements include green infrastructure (collectively "PUC Assets"). The Park P22 green infrastructure includes bioretention slotted underdrain pipes, storm drains and related appurtenances. The Park P19 green infrastructure includes bioretention slotted underdrain pipes, storm drains, wet well pump and related appurtenances. The Director recommends to the Board that for a 3-year period it delegate to the Director, in consultation with the SFPUC General Manager and upon the City Engineers issuance of a Determination of Completion for the PUC Assets, the authority to (1) accept the SFPUC Assets that are part of the P22 FOCIL Offer of Improvements; (2) dedicate the PUC Assets to public use; and (3) accept the PUC Assets for SFPUC maintenance and liability purposes.
4. In addition, this PW Order recommends that the Board of Supervisors acknowledge that although Public Works reviewed and issued permits for the Parks under its public right-of-way permitting jurisdiction, the City should not accept the Parks as public right-of-way under California Streets and Highways Code Section 1806 and San Francisco Administrative Code 1.52, and should instead address dedication and acceptance solely as parkland under Port Commission jurisdiction in accordance with California Government Code Section 66477.1 and San Francisco Subdivision Code Section 1438. This will expedite the opening of Parks P22 and P19 to the public and allow for the efficient and orderly transfer of jurisdictional responsibility over the Park Improvements from PW permitting authority to Port Commission property and management

jurisdiction in contrast to what would have been required if the improvements were designated as public right-of-way.

NOW THEREFORE BE IT ORDERED THAT,

Acceptance of the Infrastructure

1. The Director recommends that the Board of Supervisors conditionally approve the legislation to accept the Offer of Dedication and Grant Deed for Lot 14 at Park P22 subject to the Port Commission accepting Park P22.

Delegation of Acceptance of Infrastructure to Port Commission and Public Works Director

1. The Director recommends delegation to the Port Commission of the authority to accept new acquisition facilities and assume maintenance and liability responsibilities and other Official Acts regarding the Park P22 and P19 Improvements as follows:
 - a. Pursuant to the Acquisition Agreement dated June 1, 2001, by and between the San Francisco Redevelopment Agency and Catellus Development Corporation and with the exception of the PUC Assets, the Public Works recommends that the Board of Supervisors delegate to the Port Commission the authority to accept the Parks P22 and P19 FOCIL Offers on behalf of the City and dedicate the Park Improvements to public use after the City Engineer issues a Notice of Completion for each Park.
 - b. As to Mission Bay Park P22 and P19, Public Works recommends that the Board of Supervisors delegate to the Port Commission the authority to approve the final Park P22 and Park P19 Plats and designate the property shown thereon for park and open space purposes only. The Director also recommends that the Board acknowledge that the Port Commission also will separately designate the properties shown on the above referenced Plats for park and open space purposes only.
 - c. In accordance with California Government Code Section 66477.1 and San Francisco Subdivision Code Section 1438, Public Works recommends that the Board of Supervisors delegate the authority to the Port Commission to take all other actions related to acceptance of the Park Improvements, including acceptance such Improvements for Port Commission maintenance and liability subject to the conditions listed below in Subsections(d)-(g).
 - d. The Board's delegation to the Port Commission regarding the acceptance of the Park Improvements should be for Mission Bay Park P22 and P19 only. The Port Commission's acceptance action shall exclude any encroachments that are permitted, not permitted, or both.
 - e. The Board of Supervisors also should condition its delegation of the acceptance on the Port Commission obtaining FOCIL's conditional assignment of all warranties and guaranties related to the construction of the above listed Park Improvements.
 - f. The Board of Supervisors should assign all future jurisdiction over Parks P22 and P19 to the Port Commission on the effective date of the Port Commission's acceptance of the Park

Improvements and directs the Real Estate Division to show Parks P22 and P19 under the jurisdiction of the Port of San Francisco on such effective date.

- g. The delegation should expire three years from the effective date of the Board of Supervisors ordinance.
2. Delegation to the Public Works Director the authority to accept PUC assets; and other Official Acts regarding the PUC Assets as follows:
- a. Pursuant to the Acquisition Agreement dated June 1, 2001, by and between the San Francisco Redevelopment Agency and Catellus Development Corporation, Public Works recommends that the Board of Supervisors delegate to the Public Works Director, in consultation with the SFPUC General Manager, the authority to accept the PUC Assets to public use after the City Engineer issues a Determination of Completion for such Assets.
 - b. In accordance with California Government Code Section 66477.1 and San Francisco Subdivision Code Section 1438, Public Works recommends that the Board of Supervisors delegate the authority to the Public Works Director, in consultation with the SFPUC General Manager, to take all other actions related to acceptance of the PUC Assets, including acceptance such Improvements for SFPUC maintenance and liability, subject to the conditions listed in Subsections (c)-(e)
 - c. The Board's delegation to the Public Works Director regarding the acceptance of the PUC Assets should be for Mission Bay Park P22 and P19 only.
 - d. The Board of Supervisors also should condition its delegation of the acceptance of the PUC Assets on the Public Works Director obtaining FOCIL's conditional assignment of all warranties and guaranties related to the construction of the PUC Assets.
 - e. The delegation should expire three years from the effective date of the Board's ordinance.

Cost: \$673.22

Block: Lot: Zip:

Pursuant to Article 2.4 of the Public Works Code in conjunction to DPW Order 187,005, permission, revocable at the will of the Director of Public Works, to excavate and restore the public right-of-way

Major events in San Francisco the week of November 12, 2023, may necessitate street closures and traffic rerouting. As a result, Public Works-issued permits allowing work in the public right of way may be suspended temporarily per Public Works Code section 2.4.54 and section 724(f), starting as early as November 1, 2023. Once we have more details on the potential impacts, Public Works will contact you if your permit will be affected. Thank you for your understanding.

Permittee

Name: FOCIL - MB, LLC

Conditions

Scope of work:	Install utility infrastructure per plans Blocks 8, 9 & 9A and P-19 - Phase 2 Public Improvements - GHD Inc.
Start Date:	11/01/2013
End Date:	06/30/2025
Street Space Linear Footage	800
Dimensions of trench:	various
USA Number	TBD
Contact247	Refer to Agent
Inspection	This permit is invalid until the permittee contacts DPW at 554-7149 to activate the permit and schedule an inspection at least 72 hours prior to work. Failure to comply with the stated conditions will render this permit null and void.

The undersigned Permittee hereby agrees to comply with all requirements and conditions noted on this permit

Approved Date : 05/22/2024

****When drilling/excavating in the sidewalk area, entire sidewalk flag(s) must be replaced to adjacent score lines.****
The permittee shall obtain all necessary permits from the Department of Public Health's Environmental Health Section, 1390 Market Street, Suite 210, telephone (415) 252-3800.

STREET EXCAVATION REQUIREMENTS

1. The permittee shall call Underground Service Alert (U.S.A.), telephone number 811, 48 hours prior to any excavation.
2. All work including sidewalk and pavement cutting and removal, lagging, excavation, backfill, and sidewalk and pavement restoration shall be done by a licensed contractor and in accordance with the requirements of the Standard Specifications.
 - a. Concrete Bus pads shall be constructed in accordance with the most current revision of San Francisco Public Works Standard Plan, File No.96,607.
 - b. Reinforced concrete sidewalk shall be constructed in accordance with the most current revision of San Francisco Public Works Standard Plan File No. 96,608.
3. Sidewalk and pavement restoration shall include the replacement of traffic lane and crosswalk striping, parking stall markings, and curb painting that might have been obliterated during street excavation.
 - a. Temporary markings – current striping records can be found at <https://www.sfmta.com/reports/striping-drawings>. If the project has changed roadway configuration such that the original striping cannot be restored as shown on the drawings the contractor shall work with SFMTA Traffic Engineering to develop interim condition/design.
 - b. For permanent pavement marking restoration due to utility projects, new building construction, or major sidewalk construction, the permit holder shall visit San Francisco Municipal Transportation Agency (SFMTA) website at <https://www.sfmta.com/services/business-services/construction-regulations>. Go to the upper right of the page under Related Content and click on the restoration request (for utility excavation or building construction) to submit a restoration request along with photos of the work area. SFMTA will prepare a cost estimate for the work after contractor submits striping restoration form and related documents. SFMTA will schedule work after payment is received. Contractor shall maintain temporary markings, in accordance with SFPW requirements, until MTA completes restoration.
4. The permittee shall submit a non-refundable fee to Bureau of Street-Use and Mapping to pay for City Inspection of the backfill and pavement restoration. At least 72 hours in advance, the permittee shall contact the Street Improvement Section Inspectors at (628) 271-2000 or by email dpw-bsminspect@sfdpw.org, for an inspection schedule.
5. The permittee shall activate the tow-away signs with San Francisco Municipal Transportation (SFMTA) online at www.sfmta.com/permits/construction-tow-away-zones.
6. The permittee shall file and maintain an excavation bond in the sum of \$25,000.00 with the Department of Public Works, to guarantee the maintenance of the pavement in the excavation area for a period of 3 years following the completion of the backfill and pavement restoration pursuant to Article 2.4.40 of the Public Works Code.
7. The permittee shall conduct construction operations in accordance with the requirements of Article 900 Section 903(a) and (b) of the Traffic Code. The permittee shall contact the SFMTA 7th Floor 1 South Van Ness Ave telephone 701-4500, for specific restrictions before starting work.
8. The permittee shall obtain the required permits, if any, from regulating agencies of the State of California.
9. The permittee shall verify the locations of any City or public service utility company facilities that may be affected by the work authorized by this permit and shall assume all responsibility for any damage to such facilities. The permittee shall make satisfactory arrangements and payments for any necessary temporary relocation of City or public utility company facilities.
10. The permittee shall obtain a tree permit from Urban Forestry before planting/removing any tree or shrub. Contact at (628)652-8733.
11. Permittee shall contact Public Work (BSES) 415-695-2134 to schedule and coordinate removal or relocation of city receptable prior starting:
12. Permittee shall contact Public Work BSM newsrack.inspector@sfdpw.org to schedule and coordinate removal or relocation of news rack from PROW prior starting:
13. In consideration of this Permit being issued for the work described in the application, Permittee on its behalf and that of any successor or assign, and on behalf of any lessee, promises and agrees to perform all the terms of this Permit and to comply with all applicable laws, ordinances and regulations.
14. Per DPW Order 201,954, the recycling of Cobble Stones and Granite Curb shall follow as:
 - a. Cobblestones shall be clean of dirt prior to transporting. Extreme care shall be taken during the transporting the cobblestones to minimize damage before delivery to City. The cobblestones shall be neatly and securely placed on pallets so they can be moved about safely after the delivery, The Minimum size of cobblestone shall be 4 inches square (16 square inches). The cobblestones shall be delivered, including off loading, to 701 14th Street on Treasure Island or at alternative location directed by the Department within the City of San Francisco. Contact the Department forty-eight hours (48 hours) prior to delivery. The Department can be reached at (415) 641-2627.
 - b. Granite Curb shall be neatly and securely placed on pallets so they can be moved about safely after delivery. The Contractor shall exercise care in transporting the granite curb to minimize damage. The length limit of recyclable granite curbs shall be no less than four feet. The granite curb shall be delivered, including off loading, to 701 14th Street on Treasure Island or at an alternative location directed by the Department within the City of San Francisco. Contact Bureau of Street and Sewer Repair (BSSR) at least forty-eight hours (48 hours) prior to delivery. BSSR can be reached at (415) 695-2087.
15. Permittee agrees on its behalf and that of any successor or assign to hold harmless, defend, and indemnify the City and County of San Francisco, including, without limitation, each of its commissions, departments, officers, agents and employees (hereinafter collectively referred to as the "City") from and against any and all losses, liabilities, expenses, claims, demands, injuries, damages, fines, penalties, costs or judgments including, without limitation, attorneys' fees and costs (collectively, "claims") of any kind allegedly arising directly or indirectly from (i) any act by, omission by, or negligence of, Permittee or its subcontractors, or the officers, agents, or employees of either, while engaged in the performance of the work authorized by this Permit, or while in or about the property subject to this Permit for any reason connected in any way whatsoever with the performance of the work authorized by this Permit, or allegedly resulting directly or indirectly from the maintenance or installation of any equipment, facilities or structures authorized under this Permit, (ii) any accident or injury to any contractor or subcontractor, or any officer, agent, or employee of either of them, while engaged in the performance of the work authorized by this Permit, or while in or about the property, for any reason connected with the performance of the work authorized by this Permit, or arising from liens or claims for services rendered or labor or materials furnished in or for the performance of the work authorized by this Permit, (iii) injuries or damages to real

Approved Date : 05/20/2024

Excavation and grading of subject area for street reconstruction shall be in accordance with approved plans and City specifications. Damaged areas adjacent to this construction shall be properly patched per City Inspector. Also, the permittee shall be responsible for any ponding due to the permitted work.

Applicant/Permittee Date

STREET EXCAVATION REQUIREMENTS

1. The permittee shall call Underground Service Alert (U.S.A.), telephone number 811, 48 hours prior to any excavation.
2. All work including sidewalk and pavement cutting and removal, lagging, excavation, backfill, and sidewalk and pavement restoration shall be done by a licensed paving contractor and in accordance with the requirements of the Current Standard Specifications of Public Works.
3. All work including sidewalk and pavement cutting and removal, lagging, excavation, backfill, and sidewalk and pavement restoration shall be done by a licensed contractor and in accordance with the requirements of the latest edition of Standard Specifications and Plans of San Francisco Public Works, and Department of Public Works Order Nos. 187,005.
4. Sidewalk and pavement restoration shall include the replacement of traffic lane and crosswalk striping, parking stall markings, and curb painting that might have been obliterated during street excavation. The permittee shall perform their work under on the following options:
 - a. Have the City forces do the striping and painting work at the permittees expense. The permittee shall make a deposit with the Department of Parking & Traffic for this purpose in an amount estimated by the Municipal Transportation Agency (MTA) 7th Floor 1 South Van Ness Ave telephone 701-4500, and notify the MTA at least 48 hours in advance of the time the work is to be done.
 - b. Perform the work themselves following instructions available at the Department of Parking & Traffic and MTA.
5. The permittee shall submit a non-refundable fee to Bureau of Street-Use and Mapping to pay for City Inspection of the backfill and pavement restoration. At least 48 hours in advance, the permittee shall make arrangements with the Street Improvement Section Inspectors, (628) 271-2000, for an inspection schedule.
6. The permittee shall file and maintain an excavation bond in the sum of \$25,000.00 with the Department of Public Works, to guarantee the maintenance of the pavement in the excavation area for a period of 3 years following the completion of the backfill and pavement restoration pursuant to Article 2.4.40 of the Public Works Code.
7. The permittee shall conduct construction operations in accordance with the requirements of Article 900 Section 903(a) and (b) of the Traffic Code. The permittee shall contact the MTA 7th Floor 1 South Van Ness Ave telephone 701-4500, for specific restrictions before starting work.
8. The permittee shall obtain the required permits, if any, from regulating agencies of the State of California.
9. The permittee shall verify the locations of any City or public service utility company facilities that may be affected by the work authorized by this permit and shall assume all responsibility for any damage to such facilities. The permittee shall make satisfactory arrangements and payments for any necessary temporary relocation of City or public utility company facilities.
10. The permittee shall pay the required fee for sewer installation permit at the Plumbing Inspection Division, Department of Building Inspection, 1660 Mission Street and arrange for inspection of this work, telephone 558-6054.
11. Planting of trees and performance of any work in the right-of-way which may affect a tree and/or landscaping shall not be performed prior to obtaining a permit and/or another form of approval from Bureau of Urban Forestry (BUF), telephone: (628) 652-8733.
12. Per DPW Order 201,954, the recycling of Cobble Stones and Granit Curb shall follow as:
 - a. Cobblestones shall be clean of dirt prior to transporting. Extreme care shall be taken during the transporting the cobblestones to minimize damage before delivery to City. The cobblestones shall be neatly and securely placed on pallets so they can be moved about safely after the delivery. The Minimum size of cobblestone shall be 4 inches square (16 square inches). The cobblestones shall be delivered, including off loading, to 701 14th Street on Treasure Island or at alternative location directed by the Department within the City of San Francisco. Contact the Department forty-eight hours (48 hours) prior to delivery. The Department can be reached at (415) 641-2627.
 - b. Granite Curb shall be neatly and securely placed on pallets so they can be moved about safely after delivery. The Contractor shall exercise care in transporting the granite curb to minimize damage. The length limit of recyclable granite curbs shall be no less than four feet. The granite curb shall be delivered, including off loading, to 701 14th Street on Treasure Island or at an alternative location directed by the Department within the City of San Francisco. Contact Bureau of Street and Sewer Repair (BSSR) at least forty-eight hours (48 hours) prior to delivery. BSSR can be reached at (415) 695-2087.
13. In consideration of this Permit being issued for the work described in the application, Permittee on its behalf and that of any successor or assign, and on behalf of any lessee, promises and agrees to perform all the terms of this Permit and to comply with all applicable laws, ordinances and regulations.
14. Permittee agrees on its behalf and that of any successor or assign to hold harmless, defend, and indemnify the City and County of San Francisco, including, without limitation, each of its commissions, departments, officers, agents and employees (hereinafter collectively referred to as the "City") from and against any and all losses, liabilities, expenses, claims, demands, injuries, damages, fines, penalties, costs or judgments including, without limitation, attorneys' fees and costs (collectively, "claims") of any kind allegedly arising directly or indirectly from (i) any act by, omission by, or negligence of, Permittee or its subcontractors, or the officers, agents, or employees of either, while engaged in the performance of the work authorized by this Permit, or while in or about the property subject to this Permit for any reason connected in any way whatsoever with the performance of the work authorized by this Permit, or allegedly resulting directly or indirectly from the maintenance or installation of any equipment, facilities or structures authorized under this Permit, (ii) any accident or injury to any contractor or subcontractor, or any officer, agent, or employee of either of them, while engaged in the performance of the work authorized by this Permit, or while in or about the property, for any reason connected with the performance of the work authorized by this Permit, or arising from liens or claims for services rendered or labor or materials furnished in or for the performance of the work authorized by this Permit, (iii) injuries or damages to real or personal property, good will, and persons in, upon or in any way allegedly connected with the work authorized by this Permit from any cause or claims arising at any time, and (iv) any release or discharge, or threatened release or discharge, of any hazardous material caused or allowed by Permittee in, under, on or about the property subject to this Permit or into the environment. As used herein, "hazardous material" means any substance, waste or material which, because of its quantity, concentration of physical or chemical characteristics is deemed by any federal, state, or local governmental authority to pose a present or potential hazard to human health or safety or to the environment.
15. Permittee must hold harmless, indemnify and defend the City regardless of the alleged negligence of the City or any other party, except only for claims resulting directly from the sole negligence or willful misconduct of the City. Permittee specifically acknowledges and agrees that it has an immediate and independent obligation to defend the City from any claim which actually or potentially falls within this indemnity provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Permittee by the City and continues at all times thereafter. Permittee agrees that the indemnification obligations assumed under this Permit shall survive expiration of the Permit or completion of work.
16. Permittee shall obtain and maintain through the terms of this Permit general liability, automobile liability or workers' compensation insurance as the City deems necessary to protect the City against claims for damages for personal injury, accidental death and property damage allegedly arising from any work done under this Permit. Such insurance shall in no way limit Permittee's indemnity hereunder. Certificates of insurance, in form and with insurers satisfactory to the City, evidencing all coverages above shall be furnished to the City before commencing any operations under this Permit, with complete copies of policies furnished promptly upon City request.
17. The permittee and any permitted successor or assign recognize and understand that this permit may create a possessory interest.
18. Separate permit is required for excavation of side sewers. Installation authorized only by Class "A" or "C-42" Licensed Contractor or "C-12" with "C-36" Licensed Contractor. Authorization requires the filing of a \$25,000 excavation bond to cover the cost of City inspection and having obtained authorization to excavate in the roadway. The contractor shall obtain the proper permits and arrange for an inspection, for the section of pipe from the trap to the property, with the Plumbing Inspection Division at 1660 Mission Street, telephone 558-6054.
19. Pursuant to state law, all survey monuments must be preserved. No work (including saw cutting) may commence within 20' of a survey monument until an application for Monument Referencing has been approved and notification of monument referencing has occurred. Prior to construction, all CCSF survey monuments shall be referenced by a licensed Land Surveyor on a Corner Record or Record of Survey if any construction will take place within 20 ft. of a monument. For any questions please email Monument.Preservation@sfdpw.org or call 415-554-5827. Note, all survey monuments shall be preserved per state law and disturbance of a survey monument is a crime.

Not all survey monuments are visible.

20. If sidewalk finish grade is to be altered, permittee shall replace, relocate and reset pull boxes as necessary to ensure pull boxes are flush with sidewalk, not damaged and not covered, filled or sprayed with concrete and debris, etc. Permittee shall also raise or lower street light, signal poles and other city poles/infrastructure as necessary to ensure anchor bolts and hand holes are not buried or that base of pole is elevated above sidewalk surface. For additional guidance street light and signal poles matters, consult Transportation Engineer Norman Wong at norman.wong@sfmta.com.

OFFER OF IMPROVEMENTS

(Mission Bay Park P22 Phase 1 and Phase 2 Infrastructure Improvements)

FOCIL-MB, LLC, a Delaware limited liability company ("FOCIL") does hereby irrevocably offer to the City and County of San Francisco, a municipal corporation ("City"), and its successors and assigns, all of the right-of-way improvements and underground public utility facilities constructed or installed by or on behalf of FOCIL pursuant to Street Improvement Permit #19IE-00483 (Mission Bay), dated May 17, 2019, issued thereunder, for Mission Bay Park P22 Phase 1 and Phase 2 Infrastructure Improvements, and the improvement plans and specifications described therein, but excepting therefrom those portions of the facilities which are identified on the "as-built" drawings delivered to and on file with the City as PG&E service conduits and vaults, and Comcast service conduits, and AT&T service conduits.

The property where the improvements are located is shown on Exhibit A hereto, constituting City property located in the City.

It is understood and agreed that: (i) upon acceptance of this offer of public improvements the City shall own and be responsible for maintenance of the offered public facilities and improvements, and (ii) the City and its successors or assigns shall incur no liability or obligation whatsoever hereunder with respect to such offer of public improvements, and, except as may be provided by separate instrument, shall not assume any responsibility for the offered improvements, unless and until such offer has been accepted by appropriate action of the Board of Supervisors.

The provisions hereof shall inure to the benefit of and be binding upon the heirs, successors, assigns and personal representatives of the respective parties hereto.

OFFER OF IMPROVEMENTS

(Mission Bay Park P19 Phase 1 and Phase 2 Infrastructure Improvements)

FOCIL-MB, LLC, a Delaware limited liability company ("FOCIL") does hereby irrevocably offer to the City and County of San Francisco, a municipal corporation ("City"), and its successors and assigns, all of the right-of-way improvements and underground public utility facilities constructed or installed by or on behalf of FOCIL pursuant to Street Improvement Permit #14IE-0747 (Mission Bay), dated July 31, 2014, issued thereunder, for Mission Bay Park P19 Phase 1 and Phase 2 Infrastructure Improvements, and the improvement plans and specifications described therein, but excepting therefrom those portions of the facilities which are identified on the "as-built" drawings delivered to and on file with the City as PG&E service conduits and vaults, and Comcast service conduits, and AT&T service conduits.

The property where the improvements are located is shown on Exhibit A hereto, constituting City property located in the City.

It is understood and agreed that: (i) upon acceptance of this offer of public improvements the City shall own and be responsible for maintenance of the offered public facilities and improvements, and (ii) the City and its successors or assigns shall incur no liability or obligation whatsoever hereunder with respect to such offer of public improvements, and, except as may be provided by separate instrument, shall not assume any responsibility for the offered improvements, unless and until such offer has been accepted by appropriate action of the Board of Supervisors.

The provisions hereof shall inure to the benefit of and be binding upon the heirs, successors, assigns and personal representatives of the respective parties hereto.

IN WITNESS WHEREOF, the undersigned has executed this instrument this ____ day of _____, 2024.

SHEET 1 OF 1

CONDITIONAL ASSIGNMENT OF WARRANTIES AND GUARANTIES

FOR VALUE RECEIVED, FOCIL-MB, LLC, a Delaware limited liability company ("**FOCIL**"), does hereby conditionally assign to the Successor Agency to the Redevelopment Agency of the City and County of San Francisco, commonly known as the Office of Community Investment and Infrastructure (the "**Agency**"), to the extent permissible, all of its right, title and interest in and to any and all warranties and guaranties (individually a "**Warranty**", and collectively, "**Warranties**") applicable to the Acquisition Facilities set forth on "Exhibit A" attached hereto and incorporated herein by this reference (the "**Acquisition Facilities**").

This Conditional Assignment of Warranties and Guaranties (the "**Assignment**") is being made in connection with Section 4.3(c) of that certain Acquisition Agreement dated as of June 1, 2001, by and between Catellus Development Corporation and the Redevelopment Agency of the City and County of San Francisco, as supplemented by that certain Supplement No. 1 to Acquisition Agreement dated as of October 1, 2002, as assigned to FOCIL pursuant to that certain Assignment, Assumption and Release Agreement (Mission Bay South) dated November 22, 2004, applicable to the Redevelopment Agency of the City and County of San Francisco Community Facilities District No. 6 (Mission Bay South Public Improvements) (as may be further supplemented or amended from time to time, the "**Acquisition Agreement**").

The parties hereto agree that if the Agency or any of its successors and/or assigns exercise any right of repair, warranty, guaranty, or other right against FOCIL, if any, with respect to an Acquisition Facility which is also the subject of a Warranty, FOCIL, at its option, without any requirement that it do so, may enforce the Warranty. If FOCIL elects to enforce the Warranty, FOCIL shall provide notice to the Agency within ten (10) business days of receipt of notice that the Agency or any of its respective successors and/or assigns is exercising a right of repair, warranty, guaranty, and/or similar right with respect to the Acquisition Facility. If FOCIL fails to provide such notice to the Agency within ten (10) business days, or otherwise fails to diligently pursue the Warranty thereafter, the Agency shall have the sole right and privilege to enforce the Warranty.

This Assignment shall be binding upon and inure to the benefit of the successors and assigns of FOCIL and the Agency.

A notice or communication under this Assignment by any party to any other party shall be sufficiently given or delivered if dispatched by hand or by registered or certified mail, postage prepaid, addressed as follows:

In the case of a notice or communication to the Agency:

Any mailing address or telefacsimile number may be changed at any time by giving written notice of such change in the manner provided above at least ten (10) days prior to the effective date of the change. All notices under this Assignment shall be deemed given, received, made or communicated on the date personal receipt actually occurs or, if mailed, on the delivery date or attempted delivery date shown on the return receipt. For the convenience of the parties, copies of notices may also be given by telefacsimile. The effective time of a notice shall not be affected by the receipt, prior to receipt of the original, of a telefacsimile copy of the notice.

This Assignment may be executed in one or more counterparts, each of which shall constitute an original and all of which shall constitute one instrument.

The terms of this Assignment may not be modified or amended except by an instrument in writing executed by each of the parties hereto.

The waiver or failure to enforce any provision of this Assignment shall not operate as a waiver of any future breach of any such provision or any other provision hereof.

This Assignment shall be governed by and construed and enforced in accordance with the laws of the State of California.

Nothing in this Assignment shall be construed in any way to alter, amend or otherwise relieve FOCIL of its warranty or guaranty responsibilities, with respect to any improvements, under the Mission Bay Plan and Plan Documents or subsequent Permits.

IN WITNESS WHEREOF, the parties have caused this Assignment to be executed as of the ___ day of _____, 2024.

- 8101.08 Offhaul Class 1 Haz Mat Soil from site (Ph 2)
- 8102.01 10" HDPE SDR17 (Complete)
- 8102.02 6" HDPE SDR 17 including cleanout (Complete)
- 8102.03 4" HDPE SDR 17 (Complete)
- 8102.04 Sandtrap (Complete)
- 8102.05 Drop Inlet (Complete)
- 8102.06 4" Area Drains (Complete)

- 8102.07 6" Perforated Pipe, including fittings and cleanouts (Complete)
- 8102.08 HDPE Liner, S.C.D. for Bioswale incl. accommodations for all foundations, drainage penetrations, and splices (Complete)
- 8102.09 Connection to Storm Drain System (Complete)
- 8102.10 Testing and Video Inspection of Storm Drain System (Complete)
- 8103.01 New 3 inch pump furnished and installed in existing wet well. Includes Control Panel, lifting cable, pump power and control cables, SS cable hanger, cable strain relief, ultrasonic level sensor, backup float control, float switches, VFD, CAS/MiniCAS and any other items required for the pump operation. (Complete)
- 8103.02 Discharge pipe from pump to headwalls. Includes guide bar brackets, couplers, fittings, valve vault, valves, cleanout, header pipe, plug valves with valve boxes, discharge piping through headwalls, cathodic protection, testing. (Complete)
- 8103.03 Reinforced Concrete Discharge Headwalls (Complete)
- 8103.04 4 inch Discharge Cobbles at each headwall (Complete)
- 8103.05 BMP Pump Station Pedestal including conduit to PG&E pull box and green tag (Complete)
- 8103.06 Type 1 11"x21"x12" Electrical Pull Box for SFPUC
- 8103.07 30" x 48" AT&T Vault
- 8103.08 Control and Power Conduits Between Wet Well, SFPUC Elec Box and Pedestal
- 8103.09 4 inch AT&T Conduit, includes trenching and backfill
- 8103.10 Furnish spare pump with appropriate lengths of power, control and lifting cables
- 8103.11 Functional Testing for Pump Station
- 8103.12 Training for SFPUC for Pump Station
- 8104.01 Fine Grade
- 8104.02 Furnish & Install Class 2 AB (4")
- 8104.03 PCC Sidewalk
- 8104.04 Furnish and install L-2457 Cast Iron AVC
- 8104.05 Furnish and Install L-2458 Cast Iron AVC "SFPUC ELECTRICAL"
- 8105.01 Fine Grading for Pavers
- 8105.02 Furnish & Install Class 2 AB (4")
- 8105.03 Precast Pavers, Type I and Type II (Ph 1)
- 8105.04 Precast Pavers, Type I and Type II
- 8106.01 Benches - 12' Long Benches, Incl. Concrete Footings
- 8106.02 Driven-post Chain Link Fence along west side of P19
- 8107.01 Fine Grading - All Landscaping
- 8107.02 24" Thick Landscaping Soil
- 8107.03 Bark Mulch 2" Depth
- 8107.04 Bioretention Soil Section with Class 2 permeable and Bio Retention Soil Media
- 8107.05 Gravel Mulch
- 8107.06 Irrigation Main Line
- 8107.07 Lateral Lines
- 8107.08 Gate Valve with valve box
- 8107.09 Drip Zone Control Assemblies - Griswold 2000 RCV, Senninger Pressure Regulator, Amiad Filter with boxes
- 8107.10 Quick Coupler Valves with box
- 8107.11 Subsurface Drip Irrigation System

- 8107.12 Connect main line to existing
- 8107.13 Connect RCVs to existing irrigation controller
- 8107.14 Connect to existing street tree irrigation
- 8107.15 5 Gallon Shrubs
- 8107.16 1 Gallon Shrubs
- 8107.17 90 Day Plant Establishment Period
- 8107.18 Landscape Maintenance Period
- 8108.01 Owner Supplied Materials: City/Agency-Performed Work

CONDITIONAL ASSIGNMENT OF WARRANTIES AND GUARANTIES

FOR VALUE RECEIVED, FOCIL-MB, LLC, a Delaware limited liability company ("**FOCIL**"), does hereby conditionally assign to the Successor Agency to the Redevelopment Agency of the City and County of San Francisco, commonly known as the Office of Community Investment and Infrastructure (the "**Agency**"), to the extent permissible, all of its right, title and interest in and to any and all warranties and guaranties (individually a "**Warranty**", and collectively, "**Warranties**") applicable to the Acquisition Facilities set forth on "Exhibit A" attached hereto and incorporated herein by this reference (the "**Acquisition Facilities**").

This Conditional Assignment of Warranties and Guaranties (the "**Assignment**") is being made in connection with Section 4.3(c) of that certain Acquisition Agreement dated as of June 1, 2001, by and between Catellus Development Corporation and the Redevelopment Agency of the City and County of San Francisco, as supplemented by that certain Supplement No. 1 to Acquisition Agreement dated as of October 1, 2002, as assigned to FOCIL pursuant to that certain Assignment, Assumption and Release Agreement (Mission Bay South) dated November 22, 2004, applicable to the Redevelopment Agency of the City and County of San Francisco Community Facilities District No. 6 (Mission Bay South Public Improvements) (as may be further supplemented or amended from time to time, the "**Acquisition Agreement**").

The parties hereto agree that if the Agency or any of its successors and/or assigns exercise any right of repair, warranty, guaranty, or other right against FOCIL, if any, with respect to an Acquisition Facility which is also the subject of a Warranty, FOCIL, at its option, without any requirement that it do so, may enforce the Warranty. If FOCIL elects to enforce the Warranty, FOCIL shall provide notice to the Agency within ten (10) business days of receipt of notice that the Agency or any of its respective successors and/or assigns is exercising a right of repair, warranty, guaranty, and/or similar right with respect to the Acquisition Facility. If FOCIL fails to provide such notice to the Agency within ten (10) business days, or otherwise fails to diligently pursue the Warranty thereafter, the Agency shall have the sole right and privilege to enforce the Warranty.

This Assignment shall be binding upon and inure to the benefit of the successors and assigns of FOCIL and the Agency.

A notice or communication under this Assignment by any party to any other party shall be sufficiently given or delivered if dispatched by hand or by registered or certified mail, postage prepaid, addressed as follows:

List of Acquisition Facilities

The facilities include the Mission Bay Park P22 Phase 1 and Phase 2 improvements and ancillary facilities constructed or installed by or on behalf of FOCIL pursuant to Street Improvement Permit #19IE-00483 dated May 17, 2019 for said improvements, and the improvement plans and specifications described therein (the “**Improvements**”), but excepting therefrom those portions of the Improvements which are identified on the as-built drawings as PG&E service conduits and vaults, AT&T service conduits and Comcast service conduits, which are facilities to be transferred to “private” joint trench participants. The list of facilities delivered to and on file with the City is as follows:

Phase 1

- 7570.00 Site Prep and Demo
- 7571.00 Grading/Subgrade Improvements
- 7572.00 Storm Drainage
- 7573.00 Sewer
- 7574.00 Low Pressure Water
- 7575.00 Electrical Systems
- 7576.00 Hardscape and Surface Treatments
- 7577.00 Site Furnishings
- 7578.00 Landscape
- 7579.00 Owner Supplied Materials

Phase 2

- 7580.01 Mobilization/Demobilization
- 7580.02 SWPPP Improvements
- 7580.03 Monthly Maintenance of SWPPP Improvements
- 7580.04 Maintain existing security fencing
- 7580.05 Install/Maintain Pedestrian detour signs around the Project perimeter
- 7580.06 Minor demolition to include, but not limited to, existing temporary AC sidewalk and AC/Concrete to the East of PS-1.
- 7580.07 Survey and Layout, (All Survey shall be Performed by F3)
- 7580.08 Dust Control including but not limited to water truck, Hydrant meter rental, water costs, etc.

GENERAL PLAN CONSISTENCY DETERMINATION AND CEQA FINDINGS

June 3, 2024

Ms. Carla Short
Director
San Francisco Public Works
49 South Van Ness Avenue, Suite 1600
San Francisco, CA 94103

Project Title:	Mission Bay South Parks P22 and P19 – Acceptance and Permitting of Public Improvements and Related Actions
Assessor’s Blocks(s)/Lot(s):	8721-007, 8722-005, and 8722-006
Design Review Approval No.(s):	96.771 EMTZR
Zoning District(s):	Public (P) and Mission Bay Redevelopment (MB-RA) Zoning Districts; 40-Mission Rock, 90/120-Mission Rock, MB-RA Height/Bulk District
Staff Contact:	Elizabeth Purl, 628.652.7529, elizabeth.purl@sfgov.org

Dear Ms. Short:

This letter addresses the proposed acceptance of public improvements and related actions by the Board of Supervisors and various City departments associated with the Mission Bay South Parks P22 (“Bayfront Park”) and P19, located on the following Assessor’s Parcel Blocks/Lots: 8721-007, 8722-005, and 8722-006. The public improvements are shown in the plans (“Plans”) for Public improvements that the Port of San Francisco (“Port”) will own and maintain constructed under Street Improvement Permits (SIP) #19IE-00483, approved by Public Works Street Use and Mapping on May 17, 2019 for Bayfront Park and SIP # 13E-0473, approved on November 1, 2013 for Park P19. Work performed under these SIPs consisted of park improvements, including paving, and curbs; SFPUC green infrastructure improvements, including stormwater, domestic water, and electrical service;; and SFPort park improvements including landscaping, park lighting, and furnishings. In addition, this letter addresses the Board of Supervisors acceptance of an Offer of Dedication, including a grant deed, for APN 8721-014 from FOCIL-MB, LLC (“Lot 14”) that will be absorbed into Bayfront Park.

On September 17, 1998, the San Francisco Planning Commission and the Redevelopment Agency Commission issued a series of approvals for the Mission Bay Project, consisting of the Mission Bay North Redevelopment Plan and the Mission Bay South Redevelopment Plan, which includes Bayfront Park (Planning Department Record 96.771E; San Francisco Redevelopment Agency Case ER 919-97). These approval actions included certification of the Final Subsequent Environmental Impact Report (“FSEIR”) through Redevelopment Agency Commission Resolution No. 182-98 and Planning Commission Motion No. 14696; adoption of California Environmental Quality Act (“CEQA”) findings through Planning Commission Motion No. 14697; adoption of General Plan and Planning Code Section 101.1 consistency findings through Planning Commission Resolution No. 14702; and approval of the Mission Bay North Redevelopment Plan through Redevelopment Agency Commission Resolution No. 191-98 and the Mission Bay South Redevelopment Plan through

Redevelopment Agency Commission Resolution No. 188-98. The Plan approvals included the Mission Bay North Owner Participation Agreement (as subsequently amended, the “North OPA”) and Mission Bay South Owner Participation Agreement (as subsequently amended, the “South OPA”). The North and South OPAs incorporated into the Plan the mitigation measures identified in the Mission Bay FSEIR and adopted by the former Redevelopment Agency Commission at the time of Plan approval.

The San Francisco Board of Supervisors adopted the Mission Bay South Plan on November 2, 1998 through Ordinance No. 335-98, and adopted the CEQA Findings (incorporating by reference the General Plan consistency findings) through Ordinance No. 330-98 on October 30, 1998.

Planning Department Staff has reviewed the Plans and considered the Board of Supervisors legislation and related actions including acceptance of a grant deed for Lot 14, and finds them consistent with the Planning Commission’s approvals for the Project. Therefore, the Planning Department finds that these actions are within the scope of the FSEIR and the CEQA findings under Planning Commission Motion Nos. 14696 and 14697, and there is no need for subsequent environmental review. In addition, the Planning Department finds that these actions are, on balance, consistent with and covered within the scope of the General Plan and Planning Code Section 101.1 Consistency Findings contained in Planning Commission Resolution No. 14702. For purposes of the actions identified in this letter, the Planning Department relies on and incorporates by reference these Planning Commission Motions and their associated findings, copies of which are attached to this letter.

Sincerely,

Elizabeth Purl
Senior Planner

SAN FRANCISCO

CITY PLANNING COMMISSION

MOTION NO. 14696

ADOPTING FINDINGS RELATED TO THE CERTIFICATION OF A FINAL SUBSEQUENT ENVIRONMENTAL IMPACT REPORT FOR MISSION BAY NORTH AND MISSION BAY SOUTH REDEVELOPMENT PLANS AND VARIOUS OTHER ACTIONS NECESSARY TO IMPLEMENT SUCH PLANS.

MOVED, That the San Francisco City Planning Commission (hereinafter "Commission") hereby CERTIFIES the Final Subsequent Environmental Impact Report identified as case file No. 96.771E, for the Mission Bay North and Mission Bay South Redevelopment Plans and various other related implementing actions (hereinafter "Project") based upon the following findings:

1) The City and County of San Francisco, acting through the Department of City Planning (hereinafter "Department") fulfilled all procedural requirements of the California Environmental Quality Act (Cal. Pub. Res. Code Section 21000 et seq., hereinafter "CEQA"), the State CEQA Guidelines (Cal. Admin. Code Title 14, Section 15000 et seq., (hereinafter "CEQA Guidelines") and Chapter 31 of the San Francisco Administrative Code (hereinafter "Chapter 31").

a. The Department determined that an EIR was required and provided public notice of that determination by publication in a newspaper of general circulation on September 20, 1997.

b. On April 11, 1998, the Department published the Draft Subsequent Environmental Impact Report (hereinafter "DSEIR") and provided public notice in a newspaper of general circulation of the availability of the DSEIR for public review and comment and of the date and time of the City Planning Commission public hearing on the DSEIR; this notice was mailed to the Department's list of persons requesting such notice.

c. On April 11, 1998 copies of the DSEIR were mailed or otherwise delivered to a list of persons requesting it, to those noted on the distribution list in the DSEIR, to adjacent property owners, and to government agencies, the latter both directly and through the State Clearinghouse.

d. Notice of Completion was filed with the State Secretary of Resources via the State Clearinghouse on April 9, 1998.

- 2) The Commission held a duly advertised public hearing on said Draft Subsequent Environmental Impact Report on May 12, 1998 at which opportunity for public comment was given, and public comment was received on the DSEIR. The period for acceptance of written comments ended on June 9, 1998.
- 3) The Department prepared responses to comments on environmental issues received at the public hearing and in writing during the 59-day public review period for the DSEIR, prepared revisions to the text of the DSEIR in response to comments received or based on additional information that became available during the public review period, and corrected errors in the DSEIR. This material was presented in a "Draft Summary of Comments and Responses," published on September 3, 1998, was distributed to the Commission and to all parties who commented on the DSEIR, and was available to others upon request at Department offices.
- 4) A Final Subsequent Environmental Impact Report ("FSEIR") has been prepared by the Department, consisting of the Draft Environmental Impact Report, any consultations and comments received during the review process, any additional information that became available, and the Summary of Comments and Responses all as required by law.
- 5) Project Environmental Impact Report files have been made available for review by the Commission and the public. These files are available for public review at the Department offices at 1660 Mission Street, and are part of the record before the Commission.
- 6) On September 17, 1998, the Commission reviewed and considered the FSEIR and finds that the contents of said report and the procedures through which the FSEIR was prepared, publicized and reviewed comply with the provisions of CEQA, the CEQA Guidelines and Chapter 31.
- 7) The City Planning Commission hereby does find that the FSEIR concerning File No. 96.771E: Mission Bay Redevelopment Plans reflects the independent judgment and analysis of the City and County of San Francisco, is adequate, accurate and objective, and that the Summary of Comments and Responses contains no significant revisions to the DSEIR, and hereby does CERTIFY THE COMPLETION of said Final Subsequent Environmental Impact Report in compliance with CEQA and the CEQA Guidelines.
- 8) The Commission, in certifying the completion of said Final Subsequent Environmental Impact Report, hereby does find that the project described in the FSEIR, and the project proposed for adoption, consisting of the project described in the Project Description plus Variants 1, 2, 3A and 5, as described in the Project Description and Combination of Variants Chapters of the FSEIR, would have the following unavoidable significant environmental impacts, which could not be mitigated to a level of nonsignificance:
 - a. project and cumulative traffic intersection impacts, primarily affecting intersections at or near I-280 and I-80 in the South of Market area;

- b. contribution to cumulative bridge and bridge on-ramp impacts (lengthening of peak congestion);
- c. project and cumulative regional air quality impacts from increased vehicular emissions (exceedance of BAAQMD significance thresholds for reactive organic gases and oxides of nitrogen, which are ozone precursors, and for particulate matter);
- d. unknown, but potentially significant risks from toxic air contaminants from mobile sources, from individual stationary sources, from the combined risk due to emissions from multiple facilities, and from cumulative risks;
- e. contribution to cumulative hazardous waste generation and disposal impacts.
- f. cumulative water quality impacts (although the project's contribution to cumulative water quality impacts could be reduced to less than significant levels if mitigation measures are imposed).

I hereby certify that the foregoing Motion was ADOPTED by the City Planning Commission at its regular meeting of September 17, 1998.

Linda Avery
Commission Secretary

SAN FRANCISCO
CITY PLANNING COMMISSION
RESOLUTION NO. 14697

WHEREAS, the proposed Mission Bay North and South Redevelopment Areas are generally bounded by Townsend Street, Seventh Street and Interstate 280, Mariposa Street, Terry A. Francois Boulevard and Third Street (“Plan Areas”); and

WHEREAS, the Plan Areas comprise approximately 303 acres of an underutilized and underdeveloped industrial area characterized by deteriorated, obsolete or dysfunctional buildings and a lack of infrastructure in the Mission Bay South Project Area; and

WHEREAS, the Planning Department (“Department”) and the Redevelopment Agency (“Agency”) have undertaken a planning and environmental review process for the proposed Plan Areas and other uses in the Plan Areas and provided for appropriate public hearings before the Planning Commission and the Redevelopment Agency Commission; and

WHEREAS, the actions listed in Attachment A hereto (the “Actions”) are part of a series of considerations in connection with adoption of the Redevelopment Plans and various implementation actions (the “Project”), as more particularly defined in Attachment A hereto; and

WHEREAS, on April 11, 1998, the Department and the Agency released for public review and comment the Draft Subsequent Environmental Impact Report for the Project; and

WHEREAS, the Planning Commission and the Redevelopment Agency Commission held a joint public hearing on the Draft Environmental Impact Report on May 12, 1998 and further written public comments were received until 5:00 p.m. on June 9, 1998; and

WHEREAS, a Final Subsequent Environmental Impact Report (“FSEIR”) for the Project has been prepared by the Department and Agency consisting of the Draft Environmental Impact Report, the comments received during the review period, any additional information that became available and the Draft Summary of Comments and Responses, all as required by law; and

WHEREAS, the FSEIR files and other Project-related Department and Agency files have been available for review by this Planning Commission and the public, and those files are part of the record before this Planning Commission; and

WHEREAS, on September 17, 1998, the Planning Commission and the Redevelopment Agency Commission reviewed and considered the FSEIR and, by Motion No. 14696 and Resolution No. 182-98, respectively, found that the contents of said report and the procedures through which the FEIR was prepared, publicized and reviewed complied with the provisions of the California Environmental Quality Act ("CEQA") and the CEQA Guidelines and Chapter 31 of the San Francisco Administrative Code; and

WHEREAS, by Motion No. 14696 and Resolution No. 182-98, the Planning Commission and the Redevelopment Agency Commission, respectively, found that the Final Environmental Impact Report was adequate, accurate and objective, reflected the independent judgment of each Commission and that the summary of Comments and Responses contained no significant revisions to the draft Subsequent Environmental Impact Report, adopted findings of significant impacts associated with the Project and certified the completion of the Final Subsequent Environmental Impact Report for the Project in compliance with CEQA and the CEQA Guidelines; and

WHEREAS, the Department and Agency prepared proposed Findings, as required by CEQA, regarding the alternatives and variants, mitigation measures and significant environmental impacts analyzed in the FSEIR, overriding considerations for approving the Project including all of the actions listed in Attachment A hereto, and a proposed mitigation monitoring program, attached as Exhibit 1 to Attachment A, which material was made available to the public and this Planning Commission for the Planning Commission's review, consideration and actions; now, therefore, be it

RESOLVED, that the Planning Commission certified the FSEIR and found the FSEIR adequate, accurate and objective, and reflecting the independent judgment of the Planning Commission in Motion No.14696; and be it

FURTHER RESOLVED, that the Planning Commission has reviewed and considered the FSEIR and hereby adopts the Project Findings attached hereto as Attachment A, including its Exhibits 1 and 2, and incorporates the same herein by this reference.

Case No. 96.771EMTZR
Adoption of CEQA Findings for
Mission Bay North and Mission
Bay South Redevelopment Plans
and various other actions
Resolution No. 14697

I hereby certify that the foregoing Resolution was ADOPTED by the Planning Commission at a special joint hearing with the Redevelopment Agency Commission on September 17, 1998.

MEMORANDUM

June 7, 2024

TO: MEMBERS, PORT COMMISSION
Hon. Kimberly Brandon, President
Hon. Gail Gilman, Vice President
Hon. Willie Adams
Hon. Ed Harrington
Hon. Steven Lee

FROM: Elaine Forbes
Executive Director 

SUBJECT: Request authorization for the Port Commission to receive a delegation of authority from the Board of Supervisors for the Port Commission to accept Mission Bay Parks improvements for Parks P19 and P22 (Bayfront Park) along Terry Francois Boulevard into the Port's Park system. Port Commission acceptance for maintenance and liability would be contingent upon the issuance of a Notice of Completion by the San Francisco Department of Public Works for the improvements, among other findings and prerequisites and approval of delegation for certain authority related to acceptance by the Board of Supervisors.

DIRECTOR'S RECOMMENDATION: Approve the Attached Resolution No. 24-30

EXECUTIVE SUMMARY

On October 10, 2023, the Port Commission authorized an agreement between the Office of Community Investment and Infrastructure (OCII) and the Recreation and Parks Department (RPD) to transfer the operations and maintenance of certain parks on Port lands within the Mission Bay South Redevelopment Plan Area¹. Within the Mission Bay South Redevelopment Plan Area ("Mission Bay") there are two remaining parks currently being constructed entirely on Port lands (P19 and P22). Parks within Mission Bay are

¹ [Port OCII RPD Mission Bay Parks \(sfport.com\)](https://sfport.com)

constructed by the master developer of Mission Bay, FOCIL-MB, and eventually accepted by the City into the City's (and Port's) parks open space system.

The acceptance process for park improvements is an action by the City or Port that: 1) accepts ownership of assets that are constructed consistent with approved plans; 2) dedicates the land for use as a park and 3) accepts maintenance and liabilities for the City or Port. The Board of Supervisors acceptance of previously completed parks was subject to OCII maintenance and operations of the facilities under a ground lease and acceptance was required for the facilities to be opened for public use. Now that the Port will be the party operating and maintaining Mission Bay Parks on Port lands, acceptance of Port parks can be authorized by the Port Commission subject to compliance with required steps under the Mission Bay South Owner Participation Agreement, in a manner similar to other recent parks completed on Port property such as China Basin Park.

The Port Commission's acceptance of Mission Bay Parks (P19 and P22) is dependent on the Board of Supervisors' delegation of authority to the Port Commission to accept the improvements to satisfy the Mission Bay Owner Participation Agreement procedures.

STRATEGIC OBJECTIVE

Acceptance of Mission Bay Parks on Port lands supports the Port's Strategic Plan goals:

Sustainability:

Advance environmental stewardship to limit climate change and protect the Bay.

Equity:

Create a diverse, equitable, and inclusive organization and waterfront, and empower Black, Indigenous, and other People of Color (BIPOC) in Port operations and opportunities through equitable policies and practices.

Evolution:

Evolve the waterfront to respond to changing public and Port needs.

Engagement:

Engage constituents and the public on Port functions and activities.

BACKGROUND

In 1998, the Port Commission and Board of Supervisors approved the Redevelopment Plans for Mission Bay North and South² which provide for, among other things, the development of parks on City lands, including both Port and non-Port lands. The parks were constructed on City and Port lands under the direction of the former San Francisco Redevelopment Agency ("Former Agency"), which has been dissolved, and the lands are now managed by OCII. Parklands are leased to the master developer during construction until they are completed and accepted by the City or the Port, or as the case may be, the

² See Board of Supervisors Ordinance No. 327-98 (Oct. 26, 1998) and Ordinance No. 335-98 (Nov. 2, 1998); as well as Port Commission Resolutions 98-86 through 98-98.

ground lease with the master developer is terminated.

State Assembly Bills x1 26, 1484, 471, and Senate Bill 107 (collectively, “California Redevelopment Dissolution Law”) require OCII to dispose of the Former Agency’s real property interests. The California Department of Finance has approved a long-range property management plan for OCII that requires, among other things, OCII to terminate its leasehold interests in the Mission Bay Parks but acknowledges OCII’s continuing administration of CFD #5 maintenance funds, which are authorized under state authority (Mello-Roos Community Facilities Act of 1982, Gov’t Code § 53311 et seq.) separate from the Redevelopment Dissolution Law to be used for Mission Bay park maintenance and operations, which OCII will work order to the Port for use through the life of CFD #5.

PARK ACCEPTANCE PROCESS

The Plans for each of the Mission Bay Parks on Port lands were developed in close coordination with the Port, the Department of Public Works (SFPW), OCII, and the San Francisco Public Utilities Commission (SFPUC). SFPW reviewed and approved the actual park construction permits making certain that the park improvement plans met the necessary specifications required by each City agency. During construction, SFPW managed the oversight of improvements with each agency providing oversight for respective details unique to each agency. Ultimately SFPW will issue a Notice of Completion that is the authority to recognize the park improvements were completed in accordance with the approved permits and have met City agencies’ specifications. The Port Commission will not take action to accept a park until the SFPW has issued the Notice of Completion. Park P22 also contains two linear parcels along the eastern side of Terry Francois Boulevard that the City will approve for ownership at the time the Park P22 acceptance occurs. The Port Commission’s action to recommend that the Board of Supervisors delegate certain authority to the Port Commission related to park acceptance for a three year period and to accept Mission Bay Parks P19 or P22 relies on findings under the California Environmental Quality Act, and findings of consistency with the General Plan, the eight priority policies of the Planning Code, Section 101.1, and the Mission Bay South Redevelopment Plan.

NEXT STEPS

The Port is working with OCII, and SFPW to seek the Board of Supervisors authority to delegate Mission Bay Parks P19 and P22 Acceptance to the Port Commission later in June 2024. Upon approval of the Port Commission of the Resolution and the Board of Supervisors delegation of authority, it is anticipated that acceptance of Mission Bay Park P22 could occur in late summer or early fall later this year and that acceptance of P19 will occur in either 2025 or 2026. Port staff intend to return to the Commission to provide a further informational update as the park openings approach.

**PORT COMMISSION
CITY AND COUNTY OF SAN FRANCISCO**

RESOLUTION NO. 24-30

WHEREAS, Charter Section B3.581 empowers the Port Commission with the power and duty to use, conduct, operate, maintain, manage, regulate, and control the Port area of the City and County of San Francisco; and

WHEREAS, The San Francisco Office of Community Investment and Infrastructure (OCII) is required to divest its assets and management of public assets including parks within the Mission Bay South Redevelopment Area ("Mission Bay") consistent with the State of California's requirement of redevelopment dissolution; and

WHEREAS, In 1998 the San Francisco Board of Supervisors, and many other agencies including the Port, approved the Mission Bay Redevelopment Plans North and South, which included agreements between the San Francisco Redevelopment Agency and certain City agencies; and

WHEREAS, The Mission Bay South Redevelopment Plan Area and associated agreements, required that certain lands within Mission Bay South under the jurisdiction of the Port be improved and maintained by OCII using Tax Increment and Mello Roos funds and maintenance funds through a Community Facilities District (CFD #5); and

WHEREAS, The Mission Bay Redevelopment Plans anticipated that the parks on Port lands would return to the Port for maintenance and operations; and

WHEREAS, Now that OCII no longer manages parks within Mission Bay, acceptance of park improvements on Port lands may be undertaken by the Port Commission; and

WHEREAS, The Port and San Francisco Department of Public Works ("SFPW") is seeking authority from the San Francisco Board of Supervisors to delegate to the Port Commission certain acceptance authority related to Mission Bay Parks P19 and P22; and

WHEREAS, The acceptance process for park improvements is an action by the Port that: 1) accepts ownership of assets that are constructed consistent with approved plans; 2) dedicates the land for use as a park and 3) accepts Port maintenance and liability for the parks; and

WHEREAS, Park P22 also contains two linear parcels on the eastern edge of the park adjacent to Terry Francois Boulevard, which are identified as Assessor Parcel Block Numbers 8721-014 ("Lot 14") and 8722-020 ("Parcel C"); and

WHEREAS, The City will acquire these parcels at the time Park P22 is accepted and eventually these parcels will be merged into the park and be subject to Port jurisdiction; and

WHEREAS, OCII, in a letter dated May 6, 2024, found that the City actions related to acceptance of Parks P22 and P19 are consistent with the Mission Bay South Redevelopment Plan; and

WHEREAS, The Planning Department, in a letter dated June 3, 2024, found that the City actions related to acceptance of Parks P22 and P19 are within the scope of the CEQA analysis for the Mission Bay South Redevelopment Plan and, on balance, consistent with the City General Plan and the eight priority policies of Planning Code Section 101.1; and

WHEREAS, The Port Commission will not take action to accept a park until which time the SFPW has issued the Notice of Completion; now therefore be it

RESOLVED, The Port Commission relies on the Planning Department letter for CEQA purposes and adopts the environmental findings as its own; and be it further

RESOLVED, The Port Commission recommends that the Board of Supervisors acknowledge that the Port Commission will (1) accept ownership of the Park Improvements as acquisition facilities on behalf of the City when Public Works determines that such improvements have been constructed in accordance with the approved plans and specifications under the applicable permits and all applicable City codes, regulations, and standards, and such improvements are ready for their intended use; (2) dedicate the Park Improvements to public use; (3) designate the property on which the Park Improvements are located for park and/or open space purposes; and (4) upon their completion, accept Park Improvements for Port Commission maintenance and liability; and be it further

RESOLVED, The Port Commission recommends that the Board of Supervisors delegate to the Port Commission for a period of three years the Board's power to: (1) accept ownership of the Park Improvements as acquisition facilities on behalf of the City; (2) dedicate such Park Improvements to public use; (3) designate the property on which the Park Improvements are located for park and/or open space purposes; and (4) take all other official acts necessary for, or related to, acceptance of the Park Improvements, including without limitation, accepting the Park Improvements for Port Commission maintenance and liability and accepting conditional assignment of all warranties and guaranties related to the construction of Park Improvements; and be it further

RESOLVED, The Port Commission acceptance actions for Parks P22 and P19 shall specifically exclude assets in those parks that the San Francisco Public Utilities Commission will own and maintain; and be it further

RESOLVED, That upon completion of the steps as described in this Resolution and Board of Supervisors delegation to the Port Commission of certain authority related to park acceptance, the Port Commission will take necessary actions to accept Mission Bay Parks P19 and P22, including the assumption of maintenance and liability; and be it further

RESOLVED, The Port Commission agrees to accept Lot 14 and Parcel C as part of Park P22 and under Port jurisdiction after the Board of Supervisors approves grant deed for Lot 14 and the City's Real Estate Director approves the grant deed for Parcel C after the Port Commission accepts Park P22; and be it further

RESOLVED, The Port Commission directs the Executive Director to work with the San Francisco Public Works Director to ensure that all findings, decisions, and procedures associated with acceptance of parks in Mission Bay that would be followed as part of the Board of Supervisors acceptance action are taken in regard to the Port Commission's acceptance of Parks P22 and P19; and be it further

RESOLVED, The Port will continue to receive CFD #5 funds from OCII to pay for the park maintenance and operations until its expiration in fiscal year 2043-44.

I hereby certify that the foregoing resolution was adopted by the Port Commission at its meeting of June 11, 2024.

RE: Mission Bay South-Park P22 and P19 Public Infrastructure Improvements
Consistency Determination

Dear Mr. Hennessy:

OCII has received your request regarding the Park P22 and P19 public infrastructure improvements and their consistency with the Mission Bay South Redevelopment Plan and Plan Documents.

OCII has reviewed the documents and related materials concerning the acceptance of the Park P22 and Park P19 public infrastructure improvements and other related actions thereto and finds them consistent with the Mission Bay South Redevelopment Plan and Plan Documents, and recommends that the Board of Supervisors or its designee accept the facilities on behalf of the City.

Subject: Support of File No. 240635, Mission Bay South – Parks P22 and P19 Acceptance

Chair Melgar:

On behalf of the Golden State Warriors and Chase Center, I am writing to support File No. 240635, which would delegate the acceptance of Mission Bay South Parks P22 and P19 from the Board of Supervisors to the San Francisco Port Commission. This ordinance is a crucial part of the opening of Bayfront Park (P22), a 5.4-acre open space located between Chase Center and San Francisco Bay.

Mission Bay has emerged as a thriving employment center, as well as a growing neighborhood with blossoming residential areas. Bayfront Park will be the waterfront centerpiece of Mission Bay and will include open lawns, a section of the Bay Trail, and multiple plazas, integrating with and improving access to adjacent open spaces.

As we mapped out the vision of Chase Center and Thrive City, the park was a critical piece of the overall project. Bayfront Park will be a beacon to neighbors and visitors alike, offering unparalleled views of the bay in a safe, clean and accessible location. The Warriors are thrilled that our investment in the Mission Bay neighborhood will complement this phenomenal community asset.

We are proud to lend our support towards this exciting project and urge the Committee and Board of Supervisors to move this ordinance forward.

Sincerely,

A handwritten signature in black ink, appearing to read "Brandon Schneider". The signature is stylized and somewhat abstract, with a large loop at the beginning.
