

1 [Supporting the resource efficient building conference and expo, West Coast Green]

2

3 **Resolution supporting the conference and expo West Coast Green, held in**
4 **San Francisco at the Bill Graham Civic Auditorium.**

5

6

7 WHEREAS, The City and County of San Francisco is a leader in resource efficient
8 building and requires a high level of environmental performance of municipal buildings as
9 outlined in Chapter Seven of the Environment Code, Resource Efficiency Requirements; and,

10 WHEREAS, These standards include the requirement that new municipal buildings and
11 construction attain the US Green Building Council "LEED Silver" standard; and

12 WHEREAS, The City and County of San Francisco provides priority permitting for
13 private sector building projects that meet or exceed LEED Gold certification, and

14 WHEREAS, West Coast Green, an annual conference, is a vehicle to promote green
15 building techniques to the private sector, featuring over 250 exhibitors showcasing the latest
16 in resource-efficiency among a stunning array of green and healthy building products, and
17 bringing together over 100 leaders in the green building industry who will present the latest
18 developments and insights in the field; and,

19 WHEREAS, West Coast Green is conducting a special Homeowner Day, open to the
20 public, allowing full access to the tradeshow and special presentations to provide direct
21 access to the information, products, and professionals needed to put green building and
22 remodeling plans into action; and

23 RESOLVED, That the Board of Supervisors supports the activities of West Coast
24 Green and the advancement of residential green building in San Francisco; and, be it

25

1 FURTHER RESOLVED, That the week including West Coast Green will be called West
2 Coast Green Week in the City and County San Francisco.
