**Application for Boards / Commissions / Committees / Task Forces  
INSTRUCTIONS AND APPLICATION**

San Francisco is a diverse City and County with a wide range of people and issues affecting it. In order to take advantage of the extensive experience and knowledge available throughout our communities, various Boards/Commissions/Committees/Task Forces have been established to bring that knowledge together. These groups and their membership requirements are established by legislation approved through the local, state, and/or federal government.

In addition to setting up the purpose and goals of the various groups, the governing legislation outlines the type of person - in terms of desirable skills and/or knowledge - who can contribute their knowledge and perspective. In this manner, a group of San Franciscans, who are representative of the City and County, can be active participants in addressing issues affecting the entire City and County.

If you are interested in serving the City and County of San Francisco, the following procedures are provided:

1. A list of vacancies and expected vacancies, with their qualifications, can be found at the Office of the Clerk of the Board of Supervisors, at the San Francisco Main Public Library, and online on the Board of Supervisors' website (<http://www.sfbos.org/vacancy>). Please review this list for positions of interest.
2. Submit an application ([http://www.sfbos.org/vacancy application](http://www.sfbos.org/vacancy_application))  
*(List all of the appropriate seat number(s) and/or category/categories for which you qualify. We request applications be received ten (10) days before the scheduled hearing.)*

Applicants may also need to submit a Form 700, Statement of Economic Interests (<https://www.fppc.ca.gov/Form700.html>), along with their application for all bodies listed in [Campaign and Governmental Conduct Code, Section 3.1-103\(a\)\(1\)](#).

3. If the seat(s) you are applying for is vacant and requires the Board of Supervisors' confirmation, the Rules Committee may schedule your application for review. Applicants should expect to appear before the Rules Committee to speak on their qualifications and answer questions during a public hearing.  
*(There are no set instructions on what you are expected to present to the Rules Committee; however, a brief description of how your qualifications distinguish you from other applicants, reasons for your interest in the subject, and/or a short summarization on why you would make a good candidate is appropriate.)*
4. The Rules Committee may or may not make a recommendation for appointment. If a recommendation is made by the Rules Committee, the recommendation is forwarded to the Board of Supervisors for approval. It generally takes approximately 15 days from the date the Rules Committee makes their recommendation, for the individual to become officially appointed.
5. Depending on the type of organization, a new appointee may need to take an Oath of Office.

If there are no vacancies, your application will be retained for one year. If any openings occur during this time, your application will be submitted to the Rules Committee for review.

If you have any further questions, please contact the Rules Committee Clerk at (415) 554-5184. If you require detailed information concerning the operations of a particular Board/Commission/Committee/Task Force, please contact the administering department directly.

**(Applications must be submitted to [BOS-Appointments@sfgov.org](mailto:BOS-Appointments@sfgov.org) or to the mailing address listed above.)**

I have over 16 years of experience in the nonprofit early childhood field. I have held several positions, from helping families find child care to administering child care subsidies, designing an online child care search tool, and supporting advocacy efforts in the ECE field, among other responsibilities. Most recently, I helped launch a department focused on resource, data, and evaluation to support the evaluation of programs in the ECE field. My team supported the most recent CPAC needs assessment as we hold most of the data that influenced the assessment.

I will bring to the table the perspective of a child care consumer, a mother of a child with special needs, as well as a professional lens to support strategic thinking for the continued development of ECE.
