7 WHEREAS, The City and County of San Francisco has embarked on a process of
8 identifying community needs and requirements in order to provide wireless internet access
9 citywide with an emphasis on providing such service to underserved populations; and,
10

11 WHEREAS, Other major cities in the United States have implemented a variety of
12 business models to implement such services; and

13 WHEREAS, San Francisco has pursued the model of a "public - private partnership",
14 conducted a Request for Proposal process, selected the Earthlink - Google proposal and
15 commenced contract negotiations to build and operate the infrastructure to provide such
16 services; and

17 WHEREAS, The City has built, owns and operates a fiber optic network comprised of
18 two rings and 43 linear miles; and

19 WHEREAS, The Board of Supervisors has not been provided with an analysis of the
20 costs and benefits of a City-owned and operated wireless network to fulfill the policy
21 objectives outlined above; now, therefore, be it

22 MOVED, That the Budget Analyst is hereby directed to conduct such an analysis
23 including an analysis of the fiscal feasibility of a City-owned Wireless Network; and, be it

24 FURTHER MOVED, That the analysis by the Budget Analyst is to be conducted on a
25 priority basis.
