## EXECUTIVE SUMMARY

### Legislative Objectives

- **11-0986** - Resolution approving the First Amendment to the lease between the Airport and Pacific Gateway Concessions, LLC to retroactively extend the existing lease on a month to month basis for the newsstand in Terminal 3, Boarding Area E, for one year from March 14, 2011 through March 13, 2012.
- **11-0987** - Resolution approving the Fourth Amendment to the lease between the Airport and Pacific Gateway Concessions, LLC to renew the existing lease for four retail concessions in Terminal 1, Boarding Areas B and C, for two years from June 18, 2012 through June 17, 2014, with two additional one year options to extend, or through June 17, 2016.
- **11-0988** - Resolution approving the Third Amendment to the lease between the Airport and Books, Inc. to extend the North Terminal Bookstore Lease in Terminal 3, adjacent to Security Checkpoint F, for 18 months from March 15, 2012 through September 14, 2013.

### Key Points

- The Airport is requesting short term extension of two leases and renewal of one lease due to the planned remodel of terminal boarding areas and a security checkpoint adjacent to the lease locations. The short term extensions and lease renewal would give the Airport flexibility to terminate the leases at the beginning of needed construction in each of the terminal boarding areas and the security checkpoint.
- The Airport intends to begin seismic remodeling in Terminal 3, Boarding Area E, adjacent to the existing newsstand space leased by Pacific Gateway Concessions, LLC in the Spring of 2012. The proposed one-year extension of the existing lease between the Airport and Pacific Gateway Concessions, LLC, would be retroactive from March 14, 2011 through March 13, 2012 and would terminate at the time that the seismic remodeling is scheduled to begin. Mr. John Reeb, Airport Senior Property Manager, states that the proposed lease extension, which was approved by the Airport Commission on June 30, 2011, is retroactive due to the time required to complete the lease extension negotiations (File 11-0986).
- The Airport intends to begin seismic remodeling in Terminal 1, Boarding Area B, adjacent to four retail concession spaces leased by Pacific Gateway Concessions, LLC, in approximately 2016. The proposed two-year lease renewal, with two one-year options to extend, between the Airport and Pacific Gateway Concessions, LLC, would terminate in approximately June 2016, if the options to extend are exercised, which is the estimated date that the seismic remodeling would begin (File 11-0987).
- The Airport intends to remove Security Checkpoint F in Terminal 3, adjacent to the North Terminal Bookstore, in approximately FY 2013-14. The proposed 18-month lease extension between the Airport and Books, Inc., from March 15, 2012 to September 14, 2013, would terminate at approximately the estimated start date of the construction to remove Security Checkpoint F in 2013 (File 11-0988).

### Fiscal Impacts

- The rental rates in the three leases are based on the higher of percentage rents or the Minimum Annual Guarantee (MAG). Under the proposed resolutions, the rental rates in the two proposed lease extensions and the one proposed lease renewal are the same rental rates as are paid under the existing leases. According to Mr. Reeb, the Airport is not proposing increases in rental rates because the percentage rents are comparable to other Airport concession leases. Mr. Reeb notes that the MAGs are subject to annual Consumer Price Index (CPI) adjustments.

- Mr. Reeb estimates total lease revenues for the three subject leases during the extended lease terms would be \$6,490,985.

### Recommendations

- Amend File 11-0986 to specify that the proposed lease extension is retroactive to March 14, 2011.
- Approve File 11-0986, as amended.
- Approve Files 11-0987 and 11-0988.

## MANDATE STATEMENT / BACKGROUND

### Mandate Statement

In accordance with City Charter Section 9.118(c), any lease exceeding ten years and/or having anticipated revenue of \$1,000,000 or greater is subject to the Board of Supervisors approval.

## DETAILS OF PROPOSED LEGISLATION

The Airport is planning to seismically remodel Terminal 3, Boarding Area E, and Terminal 1, Boarding Area B, and to remove the existing Security Checkpoint F in Terminal 3. The Airport has three existing leases for concessions located adjacent to these locations. The Airport is proposing short term extensions of two leases and renewal of one lease, which were previously awarded through a competitive process, to allow the Airport to reduce or terminate the leases prior to the planned needed seismic remodels and removal of the security checkpoint. According to Mr. John Reeb, Senior Property Manager at the Airport, the Airport typically enters into leases of 5 to 10 years. The Airport is proposing extension or renewal of the three existing concession leases for shorter terms as follows:

File 11-0986. The existing lease between the Airport and Pacific Gateway Concessions LLC, is for two newsstand locations in Terminal 3: Space A in Boarding Area F and Space B in Boarding Area E. Due to the Airport's anticipated closure of Boarding Area E for seismic remodeling, currently scheduled to begin in the Spring of 2012, the Airport and Pacific Gateway Concessions, LLC entered into a 12 month hold-over extension of the existing lease from March 14, 2010 through March 13, 2011. In April 2011, the Airport revised the lease agreement to remove the newsstand located in Space B in Boarding Area E. Because seismic remodeling of Boarding Area E will impact the remaining newsstand located in Space A in Boarding Area F, the Airport proposes extending the existing lease for one year on a month-to-month basis with the expected termination of the lease in March 2012, which is the approximate date that the seismic remodeling is scheduled to begin. The proposed resolution would approve the First Amendment to the existing lease on a month-to-month basis for one year retroactive to March 14, 2011, through March 13, 2012. Mr. Reeb states that the proposed lease extension, which was approved by the Airport Commission on June 30, 2011, is retroactive due to the time required to complete the lease extension negotiations.

File 11-0987. The existing lease between the Airport and Pacific Gateway Concessions, LLC is for four locations in Terminal 1, Boarding Areas B and C, which provide magazines, specialty books, gifts, candy, souvenirs, and other concessions. The future seismic remodel of Terminal 1,

Boarding Area B, tentatively scheduled to begin in 2015 or 2016, will impact the four locations in Boarding Areas B and C. The proposed resolution would approve renewal of a two-year lease from June 18, 2012 through June 17, 2014, with two one-year extensions through June 17, 2016, in order to give the Airport maximum flexibility to adjust the construction schedule for the seismic remodel and terminate the leases prior to the beginning of the needed construction.

File 11-0988. The existing lease between the Airport and Books, Inc. is for the North Terminal Bookstore adjacent to Security Checkpoint F in Terminal 3. The existing lease is currently on a month-to-month holdover through March 15, 2012. The proposed resolution would approve an extension to existing lease for an additional 18 months on a month-to-month basis, from March 15, 2012 through September 14, 2013 due to the future removal of the current Security Checkpoint F, tentatively scheduled to begin in FY 2013-14.

According to Mr. Reeb, the Airport will conduct a new competitive process for the concession locations, currently covered by the three subject leases, once construction is completed at these locations.

**FISCAL IMPACTS**

The rental rates in the three leases are based on the higher of percentage rents or the Minimum Annual Guarantee (MAG). Under the proposed resolutions, the rental rates in the two proposed lease extensions and the one proposed lease renewal are the same rental rates as are paid under the existing leases. According to Mr. Reeb, the Airport is not proposing increases in rental rates because the percentage rents are comparable to other Airport concession leases. Mr. Reeb notes that the MAGs are subject to annual Consumer Price Index (CPI) adjustments. Mr. Reeb estimates total lease revenues for the three subject leases during the extended lease terms would be \$6,490,985, as follows:

File	Vendor	Percentage Rent	MAG	Term	Expected Total Rental Revenue to be Paid to the Airport
11-0986	Pacific Gateway Concessions	12% of gross revenue up to \$500,000 14% of gross revenue \$500,000 to \$1,000,000 16% of gross revenue greater than \$1,000,000	None	12 months	\$90,985
11-0987	Pacific Gateway Concessions	12% of gross revenue up to \$500,000 14% of gross revenue \$500,000 to \$1,000,000 16% of gross revenue greater than \$1,000,000	\$1,450,000	48 months	\$5,800,000
11-0988	Books, Inc.	8% of gross revenues up to \$2,000,000 10% of gross revenues greater than \$2,000,000	\$400,000	18 months	\$600,000
				<b>Total</b>	<b>\$6,490,985</b>

## RECOMMENDATIONS

2. Approve File 11-0986, as amended.
3. Approve Files 11-0987 and 11-0988.
