	The era when San Francisco Supervisors can be "citizen legislators" has passed.	11
	Historically, the Board was made up of wealthy aristocrats who visited city hall once a week to check-in. Now, with a \$5 billion dollar budget to oversee, this arrangement is impossible and only favors those in City government who do not want full-time Supervisors overseeing their work or lack thereof.	13 16 13 10
	Many citizens complain that there isn't enough oversight of the Mayor and City Departments. That is because we hamstringing the Supervisors by not paying them a decent wage and by hardly giving them any staff.	13 12 10
B	While it is true San Francisco has more supervisors than other counties, San	11
B	Francisco is unique in being the only City and County in California. We have no City Council - only a Board of Supervisors. San Jose has ten Council members and Santa Clara County has five Supervisors, for a total of fifteen legislators. San Francisco has eleven.	13 13 12 4
B	The opposition claims that setting wages should not be delegated to the Civil Service Commission but that is who currently sets the salary of every other	13 13
B	elected official in San Francisco. Why should the Board be treated differently?	11
	This measure also provides that if city workers take a pay reduction due to hard economic times that the Supervisors would have to take the same reduction.	15 12
	Workers will not assume a burden that "management" doesn't also accept.	11
