Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am Latina. I grew up low income-blue collar and am a first generation university graduate. I have hidden disabilities (learning disabilities, a speech impediment, and persistent depression disorder). I am also a renter in the Richmond District, which is surrounded by natural borders made up of parks and open space. I grew up living in rental housing until I was 15 years old, often without child-friendly open space. My parents both often worked overtime or second jobs. I was a "latch-key kid", and at as young as 8 years old, I was responsible for caring for my younger sister after school. This included taking her to the library and the closest public park, which was located about a mile from our home. I believe that it is necessary to have advocates for open space that understand equity from the perspective of lived experience serving on PROSAC and advocating for marginalized communities.

Business and/or professional experience:

My professional background is in commercial and residential construction. I currently work for a local start-up specializing in residential remodels. In my role as the Permitting Operations Lead, I ensure that our company is obtaining building permits and inspections.

I have a Bachelors Degree in Urban Studies and American Studies from San Francisco State University. I am currently pursuing an Associates Degree in Spanish from City College of San Francisco. I am bilingual in English and Spanish.

Civic Activities:

I currently hold Seat 13 on PROSAC where I am known for being outspoken about economic disparity, environmental justice, and accessible services for low income residents and communities of color. I previously held the District 1 seat on the SFPUC Citizens Advisory Committee where I served as chair from 2014-2018 where I was committed to ensuring that we look at water, power, and wastewater with an equity lens so that low income rate-payers and communities which have been most impacted by the SFPUC's operations and policies have a level of advocacy within

San Francisco Board of Supervisors

RE: Parks, Recreation, and Open Space Advisory Committee Dear

Dear Supervisors Peskin, Mandelman, and Chan:

PODER (People Organizing to Demand Environmental & Economic Rights) respectfully re-nominates Wendy Aragon to the Parks, Recreation, Open Space Advisory Committee (PRO-SAC).

PODER advocates to raise the voices and needs of low-income communities of color in decision-making processes that affect their lives. The PROSAC is one such space that impacts low-income communities' ability to meaningfully access open and recreational spaces in our City.

We have worked with Ms. Aragon and recognize her commitment to ensuring that communities that we serve are included in policy and decision-making processes that affect them both directly and indirectly. Previously, as chair of the San Francisco Public Utilities Commission Citizens Advisory Committee, she was an active partner during our campaign for affordable housing at the Balboa Reservoir. We know that she brings that same level of commitment to the PROSAC and will work hard to ensure that all San Franciscans are entitled to equal access to safe, well-maintained, and inviting parks and open spaces, regardless of their economic status.

PODER fully supports Ms. Aragon's nomination and we ask you to move forward with her appointment per the recommendation of Supervisor Chan.

Please feel free to contact me if you have any questions. I can be reached at 415-431-4210 or at adiaz@podersf.org.

Sincerely,

Antonio Díaz
Organizational Director
