1 [Municipal Elections Code - Supporters and Opponents in Ballot Questions for Local
Measures]

2
3 **Ordinance amending the Municipal Elections Code to opt out of state law that would**
4 **require the names of supporters and opponents of a local ballot measure to be listed in**
5 **the ballot statement or question for the measure.**

6 NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.
7 **Additions to Codes** are in *single-underline italics Times New Roman font*.
8 **Deletions to Codes** are in *strikethrough italics Times New Roman font*.
9 **Board amendment additions** are in double-underlined Arial font.
10 **Board amendment deletions** are in ~~strikethrough Arial font~~.
11 **Asterisks (* * * *)** indicate the omission of unchanged Code
12 subsections or parts of tables.

13 Be it ordained by the People of the City and County of San Francisco:

14 Section 1. Findings

15 (a) The Municipal Elections Code requires the City Attorney to prepare a general
16 statement or question to appear on the ballot for each local ballot measure submitted to the
17 voters. Such statements are limited to 30 words, except for unusually complex measures or
18 bond measures, where the general statement or question may be up to 100 words long.

19 (b) In 2022, the State enacted new requirements for ballot questions for state and local
20 ballot measures. Assembly Bill 1416 (AB-1416) requires the ballot statement or question for
21 both statewide measures and local measures to include a list of supporters and opponents of
22 each measure. The list of supporters and the list opponents may each be up to 125
23 characters in length. The names of the supporters and opponents must be drawn from the
24 proponents of the measure or from the arguments in favor and against the measure included
25 in the voter information pamphlet. AB-1416 became operative on January 1, 2023.

1 (c) In enacting AB-1416, the Legislature stated that it intended the new requirements
2 to apply to charter cities like San Francisco.

3 (d) With respect to local ballot measures, AB-1416 gives counties the authority to opt
4 out of the new requirements: “a county board of supervisors may elect not to list supporters
5 and opponents for county, city, district and school measures on the county ballot and future
6 county ballots.” Cal. Elections Code Sec. 9170(d).

7 (e) The Director of Elections has determined that including a list of supporters and
8 opponents in the ballot statement or question will significantly increase the length of the ballot
9 and therefore increase the number of ballot cards required for each ballot. Increasing the
10 number of cards will cause the Department of Elections to incur additional expenses for each
11 election due to the material costs of the ballot cards and postage as well as staff time required
12 to process additional cards. The Director of Elections estimates that the cost of complying
13 with AB-1416 for local ballot measures in the 2024 elections will potentially exceed
14 \$1,000,000. The proponents and opponents of each local ballot measure already appear in
15 the voter information pamphlet sent to each voter prior to an election.

16 (f) Given the projected increase in costs of administering elections associated with
17 including a list of supporters and opponents in the ballot statement or question for each local
18 measure, and the minimal added benefit to voters in light of the information the Department of
19 Elections already provides in the voter information pamphlet, San Francisco elects to opt out
20 of the requirements of AB-1416 for local measures, as provided by Section 9170(d) of the
21 legislation.

22
23 Section 2. Article V of the Municipal Elections Code is hereby amended by revising
24 Section 510, to read as follows:

1 **SEC. 510. CITY ATTORNEY STATEMENT OR QUESTION.**

2 (a) **Format.** Except as provided in Subsection (c) of this Section, the City
3 Attorney shall prepare a general statement of any ballot measure to be submitted to the
4 voters, followed by the words "yes" and "no," so arranged that voters may indicate a choice
5 upon the ballot. The general statement or question shall not exceed 30 words, except where
6 the subject measure is unusually complex, in which case the general statement or question
7 shall not exceed 100 words.

8 (b) **Deadline.** The general question or statement for any measure shall be
9 transmitted to the Director of Elections no fewer than 85 days prior to the election to which it
10 relates, for printing and inclusion in the voter information pamphlet.

11 (c) **Bond Measures.** The City Attorney shall not prepare the general
12 statement of a bond measure where the Board of Supervisors approves a general statement
13 of the measure by ordinance or resolution. The general statement of a bond measure shall not
14 exceed 100 words.

15 (d) *List of Supporters and Opponents of Measure. Notwithstanding Section*
16 *9170(a) of the California Elections Code, and as authorized by Section 9170(d) of the California*
17 *Elections Code, the general statement or question of any ballot measure to be submitted to voters shall*
18 *not list the supporters or the opponents of the measure.*

19
20 Section 3. Effective Date. This ordinance shall become effective 30 days after
21 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
22 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
23 of Supervisors overrides the Mayor's veto of the ordinance.

LEGISLATIVE DIGEST

[Municipal Elections Code - Supporters and Opponents in Ballot Questions for Local Measures]

Ordinance amending the Municipal Elections Code to opt out of state law that would require the names of supporters and opponents of a local ballot measure to be listed in the ballot statement or question for the measure.

Existing Law

Existing local law does not require the general statement or ballot question for local ballot measures to include a list of the names of the supporters and opponents of the measure. In 2022, the State enacted Assembly Bill 1416, which requires a list of the supporters and opponents of statewide and local ballot measures to appear on the ballot with the general statement or ballot question. With respect to local ballot measures, Assembly Bill 1416 authorizes counties to opt out of the new requirement.

Amendments to Current Law

The proposed ordinance would opt the City out of the requirements of Assembly Bill 1416 by amending the Municipal Elections Code to provide that the general statement or ballot question for local ballot measures shall not include a list of the names of the supporters and opponents of the measure.

Dear Members of the Board of Supervisors:

I'm writing in regard to File No. 230663, the proposed ordinance to permanently opt San Francisco out of AB 1416's requirement to show on the ballot a short list of the supporters and opponents of each local ballot measure.

I have been serving as the Board's appointee to the Elections Commission for the past nine years, though I'm writing this email as an individual.

I encourage you to at least consider limiting the opt-out in the ordinance to the elections covered by the proposed budget, which are the 2024 elections. This way, greater voter transparency can remain the City's baseline requirement, and San Francisco can look for ways to bridge any budgetary or technical gaps for the next time. This would also let the City see how the new requirement works for state measures before making any decision on local measures.

For comparison, an April 19 Mercury News article reported that Santa Clara County, Los Angeles County, and Orange County have said they plan to remain opted in.

AB 1416 (2021-22) was supported by a long list of good-government groups, including California Common Cause, the Western Center on Law & Poverty, the League of Women Voters of California, California Environmental Voters, CALPIRG, and California Clean Money Campaign, as well as by our own state legislators.

AB 1416's author Assemblymember Santiago acknowledged in the bill analyses that while the voter guide contains detailed information about the measures, this information isn't necessarily easy to access:

Although voters can look to the voter information guide to decipher the facts on ballot measures, this document can be long and confusing for voters to navigate.

For example, in the case of the November 8, 2022 election, the supporters and opponents of San Francisco's 14 local measures were spread and interspersed across 130 pages of San Francisco's 256-page booklet (pp. 63 - 192).

For your convenience, I'm attaching a 1-page mock-up that Director Arntz included in his slide presentation to the Board's Budget and Appropriations Committee on June 14, as I don't think this slide was posted online. It illustrates how ballot measures might look on the ballot with and without opting out.

Thank you.

Sincerely,
Chris Jerdonek

■ **CITY AND COUNTY PROPOSITIONS / MGA PROPOSISYON NG LUNGSOD AT COUNTY**

■ **A** Shall the City amend the Charter to allow City employees who retired before November 6, 1996, to receive a supplemental cost of living adjustment to their pensions even if the retirement system is not fully funded and allow the Retirement Board to have an individual employment contract with its executive director?

■ Dapat bang amayendahan ng Lungsod ang Tsarter upang mapahintulutan ang mga empleyado ng Lungsod, na nagretiro bago ang Nobyembre 6, 1996, na makatanggap ng karagdagang pera sa kanilang pensiyon at nang makaayon sa halaga ng pamumuhay, kahit na hindi lubusang napopondohan ang sistema para sa pagreretiro, at pahintulutan ang Retirement Board na magkaroon ng pang-indibidwal na kontrata sa pag-eepleyo sa ehekutibong direktor nito?
