Hi, my name is Phillip Kobernick. I'm a renter in district 5 and passionate about sustainable streets and using civic participation to make our city a more sustainable and equitable place to live. I sold my car several years ago to be better for the environment and enjoy living a car-free life, but often San Francisco makes it difficult. Inadequate clean transportation infrastructure, especially for pedestrians, contributes to people using personal vehicles. Too much of our urban space is devoted to vehicles and not enough is being done to make pedestrian travel safer and more enjoyable. A catalyst for my participation on PSAC was two recent tragic deaths on Oak and Fell near where I live, both pedestrians crossing unsafe streets. We can do better and I hope to be an advocate for calmer, greener, more pedestrian-scaled and complete streets across the city through this committee. I am not a member of a protected class as described in the question description.

Business and/or professional experience:

I've worked in sustainable transportation for 6 years for Alameda County, mainly for green vehicle and clean commute projects. As the employee transportation coordinator, I help employees transition from drive-alone commuting to various clean commute modes to help meet County Climate Action Plan goals. My main office is in Oakland and I usually bike on Page street to get to BART as part of my own commute.

Civic Activities:

I'm an active member of the following community organizations:
- Haight Ashbury Neighbors for Density (HAND), co-founder
- Yimby Action and Yimby Mobility
- SF Transit Riders
- San Francisco Bicycle Coalition
- Young Professionals in Transportation

Hi Supervisor Brown,

I'm writing on behalf of the San Francisco Bicycle Coalition to express our strong support for the appointment of Phillip Kobernick to the Pedestrian Safety Advisory Committee. Specifically, to the vacant seat 4 which is represented by someone from a bike or non-motor transportation organization.

In my work with Phillip on bike projects, he has been a great advocate who wants to see the City's streets become welcome and comfortable for all users, always including pedestrian experiences into the projects. He has shown great leadership in District 5, specifically in Haight Ashbury to see the neighborhood become a more pleasant place to walk and bike.

In particular, I have admired Phillip's continuous support and advocacy to see more daylighting along the Panhandle to create a neighborhood park that is safe for pedestrians to access. As we know, the Panhandle is part of the City's High-Injury Network and has seen two pedestrian fatalities in the past two years. Phillip has continued to advocate to City leaders repeatedly to implement daylighting and more robust measures along the park to make sure all who want to access the park can do so safely. I am positive he can bring this same caliber of work to PSAC if appointed.

I have full confidence given Phillip's enthusiasm and advocacy that he will be the perfect candidate to represent the vacant seat.

Best regards,

Kristen Leckie

Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I moved to SF in 1989 and to the Richmond in 1990. I have owned a car for only 10 of those years, and my main forms of transportation, in descending order of use, are 1) bicycle, 2) walking, 3) public transportation, 4) ride share (Lyft), and car share (Zipcar). I am a longtime and sustaining member of the SF Bicycle Coalition, and more recently joined WalkSF. As a 58 yo female urban cyclist, I appreciate the improvements made to the bicycle infrastructure which have enhanced safety and the perception of safety, and which have resulted from the collaboration and communication among city and citizen entities. I now have the time and flexibility to attend select meetings.

Business and/or professional experience:

Retired from >30 year VA nursing career: 16 years caring for veterans in the ICU, where observation, analysis, and experience are keys for anticipating, preventing, and intervening in problems. Then obtained MSN and became a Clinical Nurse Specialist (CNS). In general, a CNS develops expertise about a population, and examines gaps in care for patients/people who share a similar problem; s/he then works on a systems level, across disciplines and services, to improve care. I also precepted many UCSF and SFU graduate students, provided guidance for second year nursing students in the clinical setting, provided education for staff and patients, and served on the Bioethics Advisory Committee

Civic Activities:

I served as the st-large member of the Cozy Bus Rapid Transit Citizens Advisory Committee 2015-2016, and learned a lot about the effort that SF government makes to inform and obtain input from citizens regarding shorree projects. I have participated in local meetings and walk-throughs for traffic calming and ped/cyclist safety planning projects for Arguello Blvd., and more recently for the 8th Avenue neighborhood.
