To the San Francisco Board of Supervisors, Clerk of the Board:

The purpose of this letter is to respectfully request to be placed on the Board's PSNS Subcommittee calendar for Public Convenience and Necessity review for our Type 90 ABC license.

Endgames Improv has operated in San Francisco for more than thirteen years; we are a training center and live entertainment venue. With the recent closure of The Exit Theater, Stage Werx, PianoFight, Amado's, and almost every other small theater requiring donations to stay open, theaters need every lifeline we can get.

Endgames stands out as one of the few arts organizations focused on permanent spaces without needing donations or catering to a wealthy clientele. We also have 100% financial aid for classes and to my knowledge have not turned anyone down who sincerely requested.

The premise is underutilized at the moment, as we are not a competitive venue for talent to perform without the option of alcohol in the evening. We are uniquely set up to develop new talent based right here in San Francisco, but we need a proper nightlife environment to be able to keep them as they become more polished.
