3. The terms and conditions of this Agreement shall also be automatically applicable to any classification that is accreted to the unit covered by this Agreement during its term. This Agreement shall not automatically extend to bargaining units for which the Unions have established a representative status through affiliations or service agreements. Upon request of a Union, the City will meet and confer concerning proposed changes to bargaining units.

I.B. INTENT

4. It is the intent of the parties signatory hereto that the provisions of this Agreement shall not become binding until adopted or accepted by the Board of Supervisors by appropriate action.
5. Moreover, it is the intent of the Mayor acting on behalf of the City to agree to wages, hours, and other terms and conditions of employment as are within the Mayor's jurisdiction, powers, and authority to act as defined by the Charter, state law, California Constitution and other applicable bodies of the law. The Mayor does not intend nor attempt to bind any board, commission or officer to any provisions of this Agreement over which the Mayor has no jurisdiction.
6. It is the intent of the parties that the provisions of the main body of this Agreement apply generally to all classifications of employees covered by this Agreement, except as otherwise limited herein to specific classifications or unions. The Appendix attached applies to employees represented by this union.

I.C. OBJECTIVE OF THE CITY

7. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement

ARTICLE I – REPRESENTATION

within their respective roles and responsibilities.

8. The Union recognizes the City's right to establish and/or revise performance levels, Standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. The City shall meet and confer prior to the implementation of any production quotas.
9. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable Charter provisions and rules and regulations of the Civil Service Commission.

I.D. MANAGEMENT RIGHTS

10. The Union agrees that the City has complete authority for the policies and administration of all City departments which it shall exercise under the provisions of law and in fulfilling its responsibilities under this Agreement. Said authority shall include the establishment of work rules and regulations not inconsistent with the terms of this Agreement. Any matter involving the management of governmental operations vested by law in the City and not covered by this Agreement is in the province of the City.

I.E. NO WORK STOPPAGES

11. During the term of this Agreement, there shall be no strike or lockout nor shall the Union engage in a sympathy strike. The terms strike, lockout or sympathy strike shall be provided in Charter Section A8.346 (a) and A8.346 (b). Charter Sections A8.346 (a) and A8.346 (b) are attached in Appendix A.

I.F. GRIEVANCE PROCEDURE

12. 1. The following procedures are adopted by the parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
13. 2. A grievance is defined as an allegation by an employee, a group of employees or a Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement.

A grievance does not include the following:

ARTICLE I – REPRESENTATION

evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file.

The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within twenty (20) calendar days from the date of the reprimand.

3. **Time Limits**

16. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing. For purposes of calculation of time a "day" is defined as a "calendar day," including weekends and holidays.

17. In the event a grievance is not filed or appealed in a timely manner it shall be dismissed. Failure of the City to timely reply to a grievance shall authorize appeal to the next grievance step.

4. **Steps of the Procedure – Non-Discipline Grievances**

18. a. Except for grievances involving multiple employees or multiple departments, all grievances must be initiated at Step 1 of the grievance procedure.

19. (1) A grievance affecting more than one employee shall be filed with the Appointing Officer or designee at Step 3. 22. If the grievance is not resolved within seven (7) days after contact with

ARTICLE I – REPRESENTATION

the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor on a mutually agreeable grievance form. The grievance will set forth:

1. the facts of the grievance;
2. the terms and conditions of employment claimed to have been violated, misapplied or misinterpreted, and
3. the remedy or solution being sought by the grievant.

23. This form should be attached to any request to move the grievance to each successive step in the grievance procedure.

24. The immediate supervisor shall respond in writing within ten (10) days following receipt of the written grievance.

c. Step 2:

25. A grievant dissatisfied with the immediate supervisor's response at Step 1 may appeal to the Appointing Officer or designee, in writing, within fifteen (15) days of receipt of the Step 1 response. The Appointing Officer or designee may convene a meeting within twenty (20) days with the grievant and/or the grievant's Union representative. The Appointing Officer or designee shall respond in writing within twenty (20) days of the hearing or receipt of the grievance, whichever is later.

d. Step 3:

26. The union, when dissatisfied with the Appointing Officer's response at Step 2 may appeal to the Employee Relations Director at the Employee Relations Division ("ERD"), in writing, within twenty (20) days of receipt of the Step 2 response. ERD may convene a grievance meeting within twenty (20) days with the grievant and/or the grievant's Union. The Director shall respond to the grievance in writing within twenty (20) days of the meeting or, if none is held, within twenty (20) days of receipt of the appeal.

e. Arbitration

5. Selection of the Arbitrator

28. a. When a matter is appealed to arbitration the parties will commence selecting the arbitrator and scheduling the arbitration within thirty (30) calendar days of the Union's receipt of ERD's letter acknowledging the Union's letter moving the matter to arbitration. In

ARTICLE I – REPRESENTATION

doing so, the parties shall first attempt to mutually agree upon an Arbitrator to hear the matter. In the event no agreement is reached within five (5) working days, or any extension of time mutually agreed upon, the parties shall request that the State Mediation and Conciliation Service (“SMCS”) provide the parties with a list of seven (7) potential arbitrators. The parties, by lot, shall alternately strike names from the list, and the name that remains shall be the arbitrator designated to hear the particular matter.

29. b. The parties may, by mutual agreement, agree to an alternate method of arbitrator selection and appointment, including, the expedited appointment of an arbitrator from a list provided by the SMCS.

6. **Steps of the Procedure – Disciplinary Grievances**

30. Permanent non-probationary employees may grieve (appeal) suspensions, disciplinary demotions or discharges.

a. Step 1:

31. The grievant and/or the Union shall submit in writing to the Appointing Officer or designee a grievance appealing the disciplinary action within fifteen (15) days of the mailing date of the written notice imposing discipline. The grievance shall set forth the basis of the appeal. The Appointing Officer or designee shall respond within fifteen (15) days following receipt of the appeal.

b. Step 2:

32. The Union may appeal the Appointing Officer’s response to the Employee Relations Director at the Employee Relations Division (“ERD”), in writing within ten (10) days. ERD may convene a grievance meeting within twenty (20) days with the grievant and the grievant’s union. The Director shall respond to the grievance in writing within twenty (20) days of the meeting, or if none is held within twenty (20) days of receipt of the appeal.

33. c. If the Employee Relations Director’s response is unsatisfactory only the Union may file a written appeal to arbitration. This appeal must be filed with the Employee Relations Director at ERD no later than fifteen (15) days following issuance of the Step 2 response.

d. Selection of the Arbitrator

34. Arbitrators shall be selected in the same manner as in non-disciplinary grievances.

ARTICLE I – REPRESENTATION

e. Expedited Arbitration

35. Grievances of disciplinary suspensions of not greater than fifteen (15) days, and grievances of contract interpretation where the remedy requested would not require approval by the Board of Supervisors shall be resolved through an expedited arbitration process; however, by mutual agreement, the parties may move such matters out of the expedited process to regular arbitration procedures provided herein.

36. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove him/her or for twelve months, whichever comes first. A standing quarterly expedited arbitration schedule will be established for this process. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.

37. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne and paid in full and shared equally by the parties.

38. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.

39. The City agrees to schedule two arbitrators per month available to conduct expedited arbitrations. The City may, at its sole discretion, cancel any expedited arbitration sessions in time to avoid a cancellation fee if there are no expedited arbitrations calendared for that month. Additional arbitrators may be scheduled, if the City and the Union agree that there is sufficient demand to do so.

7. Authority of the Arbitrator

40. The arbitrator shall have no authority to add to, subtract from, modify or amend the terms of this Agreement. The decision of the Arbitrator shall be final and binding on all Parties.

8. Fees and Expenses of Arbitration

41. Each party shall bear its own expenses in connection with the arbitration, including, but not limited to, witness and attorney's fees, and any fees for preparation of the case. Transcripts shall not be required except that either party may request a transcript. The party making such a request shall be solely responsible for the cost. All fees and expenses of the arbitrator and the court reporter, if any, shall be split equally between the parties. Individuals who may have direct knowledge of the circumstances relating to the grievance may be

ARTICLE I – REPRESENTATION

present at the request of either party at the hearing. If such individuals are employees of the City, they shall be compensated at their usual rate of pay for any time spent traveling to or from, and attending the arbitration hearing.

9. Hearing Dates and Date of Award

42. The parties shall make their best efforts to schedule hearings within forty (40) days of selection of an arbitrator. Awards shall be due within forty (40) days following the receipt of closing arguments. As a condition of appointment, arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.

43. 10. Any claim for monetary relief shall not extend more than forty-five (45) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.

11. "Skelly" Rights

44. A permanent non-probationary employee subject to discipline or discharge, shall be entitled, prior to the imposition of that discipline or discharge, to a meeting and to the following:

45. a. A notice of the proposed action;

46. b. The reasons for the proposed discipline;

47. c. A copy of the charges and the materials upon which the action is based, and

48. d. The right to respond, either orally or in writing, to the authority initially imposing the discipline.

49. e. The employee's representative shall receive a copy of the final notice of discipline.

50. 12. During the term of this Agreement, the City's Department of Human Resources (DHR) will keep track of Union grievances as follows. For each grievance at each step of the grievance process, the Union shall be responsible for mailing (or emailing) a copy of the grievance, as well as notification that the grievance is being moved to the next step, to a person designated by the City's Employee Relations Director. The Union shall also be responsible for notifying DHR's designee in writing that the grievance is being moved to arbitration and identifying who the grievance was handed to at Step 1. For each grievance, where the Union has notified DHR as described above, DHR shall record: (a) when the grievance was filed; (b) when the grievance was moved to each

ARTICLE I – REPRESENTATION

successive step; (c) when the arbitration was calendared for arbitration; (d) when the arbitration took place; and (e) when the arbitration decision was issued or, in the alternative, whether the grievance was resolved in another manner; provided, however, that DHR shall only be responsible for recording the cited information if the Union provides it.

I.G. OFFICIAL REPRESENTATIVES AND STEWARDS

1. OFFICIAL REPRESENTATIVES

51. The Union may select up to the number of employees as specified in the Employee Relations Ordinance for purposes of meeting and conferring with the City, during the employee's regular duty or work hours without loss in compensation, on matters within the scope of representation. If a situation should arise where a Union believes that more than a total of two (2) employee members should be present at such meetings, and the City disagrees, the Union shall discuss the matter with the Employee Relations Director and the parties shall attempt to reach agreement as to how many employees shall be authorized to participate in said meetings.
49. a. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
53. b. No selected employee member shall leave the duty or work station, or assignment without specific approval of appropriate Employer representative.
54. In scheduling meetings, due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.

2. STEWARDS

55. a. The Union shall furnish the City with an accurate written list of stewards and alternate stewards. The Union may submit amendments to this list at any time because of the permanent absence of a designated steward. If a steward is not officially designated in writing by a Union, none will be recognized for that area or shift.
56. b. The Union recognize that it is the responsibility of the steward to assist in the resolution of grievances at the lowest possible level.
57. c. Upon notification of a designated management person, stewards or designated officers of the Union subject to management approval which shall not be unreasonably withheld, shall be granted reasonable release time to investigate and process grievances and appeals. Stewards

ARTICLE I – REPRESENTATION

shall advise their supervisors of the area or work location where they will be investigating or processing grievances. The Union will attempt to insure that steward release time will be equitably distributed.

58. Stewards shall be responsible for the performance of their work load, consistent with release time approved pursuant to rules established herein.
59. d. In emergency situations, where immediate disciplinary action is taken because of an alleged violation of law or a City departmental rule (intoxication, theft, etc.) the steward shall not unreasonably be denied the right to leave his/her post or duty if requested by the employee for purposes of representation.
60. e. Stewards shall not interfere with the work of any employee. It shall not constitute interference with the work of an employee for a steward, in the course of investigating or processing a grievance, or a disciplinary action, to interview an employee during the employee's duty time.

I.H. UNION SECURITY

1. AUTHORIZATION FOR DEDUCTIONS

61. The City shall deduct Union dues, initiation fees, premiums for insurance programs and political action fund contributions from an employee's pay upon receipt by the Controller of a form authorizing such deductions by the employee. The City shall pay over to the designated payee all sums so deducted. Upon request of a Union, the Controller agrees to meet with the Union to discuss and attempt to resolve issues pertaining to delivery of services relating to such deductions.

2. DUES DEDUCTIONS

62. Dues deductions, once initiated, shall continue until the authorization is revoked in writing by the employee. For the administrative convenience of the City and the Unions, an employee may only revoke a dues authorization by delivering the notice of revocation to the Controller during the two week period prior to the expiration of this Agreement. Such circumstances include, but are not limited to, the employee's behavior or appearance while on any City jobsite, while on City business or in City facilities, and recognized and accepted symptoms of intoxication or impairment caused by drugs or alcohol, that are not reasonably explained by other causes such as fatigue, lack of sleep, proper use of prescription drugs, or reaction to noxious fumes, smoke or illnesses.
- b. Any individual or employee can report an employee who may be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or illegal drugs on the job, two (2) trained employer representatives will verify and document the basis for the suspicion and request testing. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time (a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

A Covered Employee may be deemed to have refused to submit to substance abuse testing if he/she fails to remain readily available, including failure to notify a supervisor (or designee) of the Accident location or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum

APPENDIX B

of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for a designated representative is on file with DHR. This subsection (e) shall not be grievable.

7. TESTING PROCEDURES

I. Collection Site;

- a. The City shall make best efforts to ensure that a Covered Employee subject to testing is safely transported to and from the collection site.
- b. The staff of the collection facility under contract to the City or the City's drug testing contractor ("Collector") shall collect urine samples from Covered Employees to test for prohibited drugs.
- c. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA) approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer.
- d. A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as “Refusal to Submit.”
- e. Covered Employees, who refuse to test, may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- f. The specific required procedure for urine collection is as follows:

APPENDIX B

- (1.) Urine will be obtained directly in a tamper-resistant urine bottle. Alternatively, the urine specimen may be collected at the employee's option in a wide-mouthed clinic specimen container that must remain in full view of the employee until transferred to, sealed and initialed, in separate tamper-resistant urine bottles.
- (2.) Immediately after the specimen is collected, it will be divided into two (2) urine bottles, which, in the presence of the employee, will be labeled and then initialed by the Covered Employee and witness. If the sample must be collected at a site other than the drug and/or alcohol-testing laboratory, the specimens must then be placed in a transportation container. The container shall be sealed in the employee's presence and the Covered Employee must be asked to initial or sign the container. The container will be sent to the designated testing laboratory on that day or the earliest business day by the fastest available method.
- (3.) A chain of possession form must be completed by the hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
 - g. After being tested for drugs, the Covered Employee will be barred from returning to work until the department is advised of the final testing result from the MRO. During that period, the Covered Employee will be placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Testing procedures, including substances to be tested, specimen collection, chain of custody and threshold and confirmation test levels shall comport with the Mandatory Guidelines For Federal Workplace Testing Programs, established by the U.S. Department of Health and Human Services, as amended and the U.S. Department of Transportation regulations, where applicable. Tests shall be by urine screening and shall consist of two procedures, a screen test (EMIT or equivalent) and if that is positive, a confirmation test (GC/MS).
- c. The initial test of all urine specimens will use immunoassay techniques. All specimens identified as positive in the initial screen must be confirmed using gas chromatography/mass

APPENDIX B

spectrometry (GC/MS) technique that identifies at least three (3) ions. In order to be considered "positive" for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the GC/MS confirmatory test.

- d. In the event of a positive drug or alcohol test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated or positive-Diluted Specimen, or Invalid as defined herein will be reported to a Medical Review Officer (MRO). The MRO shall review the test results and any disclosure made by the Covered Employee and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive Diluted, or Invalid test result, (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's results as a "positive result."
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The parties understand that the MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO.

APPENDIX B

- e. The Covered Employee may request a drug or adulterant re-test within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- f. A drug test result that is positive and is a Diluted Specimens will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (g).
- g. If the final test is confirmed negative, then the Employee shall be made whole, including, if any, the cost of the actual laboratory re-testing. Any employee who is subsequently determined to be the subject of a false positive shall be made whole for any lost wages and benefits and shall have their record expunged.
- h. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- i. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy.. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

IV. On-Site

- a. For post-Accident purposes, the City may conduct "on-site" tests (alcohol breathalyzer testing and "Quicktest" urine testing). If any of those tests are "non-negative" a confirmation test will be performed. This on-site test is to enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. In order to facilitate the on-site urine testing, an individual's sample will be divided into three separate containers. One of the containers will provide a sample for the on-site test that will be read within 5 to 10 minutes of collection. The other two containers will be sealed and sent to the lab, in the event a confirmation is necessary due to a "non-negative" outcome of the on-site test. The laboratory will store the split sample in accordance with SAMHSA guidelines. One of the two samples will be used for a confirmation test. The other sample will be made available to the employee for testing by a certified laboratory selected by the employee at the employee's expense.

APPENDIX B

department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part or portion of this policy will not invalidate the remaining parts or portions. 4. COVERED CLASSIFICATIONS

All classifications listed in Article I.A of this Memorandum of Understanding shall be subject to post-accident reasonable suspicion testing.

5. SUBSTANCES TO BE TESTED

- a. The City shall test, at its own expense, for alcohol and/or the following drugs:

- (1) Amphetamines
- (2) Barbiturates
- (3) Benzodiazepines
- (4) Cocaine
- (5) Methadone
- (6) Opiates
- (7) PCP
- (8) THC (Cannabis)

- b. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing his/her job functions.

- (1) Upon receipt of a signed release from the Covered Employee's licensed healthcare provider, the department representative may consult with Covered Employee's healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination whether the employee may perform his/her job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed

APPENDIX C

the medication clearing the employee to work, then the City shall not restrict that employee from performing his or her job functions.

- (2) If a Covered Employee is temporarily unable to perform his or her job because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This temporary modified duty reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or has not been cleared by a licensed healthcare provider to return to work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the

APPENDIX C

second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.

- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.
- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he or she fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

APPENDIX C

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1) A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3) The Covered Employee being tested must cooperate fully with the testing procedures.

APPENDIX C

- (4) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.

APPENDIX C

- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.

APPENDIX C

- h. All information from a covered employee’s drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

- a. Substance Abuse Prevention and Detection Threshold Levels.
For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

CONTROLLED SUBSTANCE *	SCREENING LEVEL	CONFIRMATION LEVEL
Amphetamines	25 ng/ml **	5 ng/ml**
Barbiturates	50 ng/ml***	20 ng/ml***
Benzodiazepines	20 ng/ml***	0.5 ng/ml***

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing his or her job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

APPENDIX C

1. Is confirmed to have tested positive for alcohol or drugs;
 2. Refuses to Submit to testing; or
 3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
 - c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that he or she has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, he or she shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

APPENDIX C

12. LABOR-MANAGEMENT MEETING

To ensure the success of this Policy, the City shall meet with any union covered by this policy that seeks to meet to address any implementation issues regarding this policy, as follows: between June 1st and June 30th, any Union, covered under this Policy, may request to meet, and said meeting shall be scheduled to occur by July 31st.

13. ADOPTION PERIOD

This Policy shall go into effect on July 1, 2014, or as soon as practicable. (See MOU Article V.I.)

Golden Gate Dispute Resolution

ISSUE

On each issue remaining in dispute, which last offer of settlement most nearly conforms to the factors specified in Section AB.409-4 (d) of the Charter of the City and County of San Francisco?

STATUTORY AND CONTRACTUAL FRAMEWORK AND PROCEDURAL BACKGROUND

Under the Charter of the City and County of San Francisco, Section A8.409-4 Impasse Resolution Procedures, unresolved disputes related to wages, hours, benefits, and other terms and conditions of employment are subject to interest arbitration. The recognized employee organization and the employer each appoint a member to an arbitration board (the board), and a neutral chairperson is selected by mutual agreement of the parties.

The board may hold public hearings and receive evidence from the parties. The board may also meet privately with the parties in an effort to arrive at a mediated settlement of the issues. In the event no settlement is reached prior to the conclusion of the hearing, the board directs the parties to submit a last offer of settlement on each issue remaining in dispute. The board then decides each issue on a majority vote by

selecting whichever last offer of settlement on that issue it finds by a preponderance of the evidence presented during the arbitration most nearly conforms to those factors traditionally taken into consideration in the determination of wages, hours, benefits and terms and conditions of employment, including, but not limited to: changes in the average consumer price index for goods and services; the wages, hours, benefits and terms and conditions of public and private employment, including, but not limited to: changes in the average consumer price index for goods and services; the wages, hours, benefits and terms and conditions of employment of employees performing similar services; the wages, hours, benefits and terms and conditions of employment of other employees in the City and County of San Francisco; health and safety of employees; the financial resources of the City and County of San Francisco, including a joint report to be issued annually on the City's financial condition for the next three fiscal years from the Controller, the Mayor's budget analyst and the budget analyst for the Board of Supervisors; other demands on the City and County's resources including limitations on the amount and use of revenues and expenditures; revenue projections; the power to levy taxes and raise revenue by enhancements or other means; budgetary reserves; and the City's ability to meet the costs of the decision of the arbitration board.

The Charter goes on to spell out the method by which the board must apply the above criteria:

...the Board shall issue written findings on each and every one of the above factors as they may be applicable to each and every issue determined in the award. Compliance with the above provisions shall be mandatory.

In the instant case, the parties have a collective bargaining agreement in place that runs through June 30, 2014. During the first few months of 2014, the parties bargained to impasse, and moved forward into the impasse resolution process. The parties each appointed an arbitration board member and mutually selected the undersigned to serve as the neutral chairperson.

The board convened hearings on April 28, April 29, and May 5, 2014 in San Francisco, California. The parties presented evidence through documentation and testimony. Counsel for each party was afforded full opportunity to examine and cross-examine witnesses. Board members were also given an opportunity to question witnesses. At the mutual request of the parties, the board met privately with each party to attempt to reach a mediated settlement. Those efforts were not successful. The parties were then instructed by the board to submit their final offers of settlement to the board no later than 5:00 PM on May 7, 2014. On May 9, 2014, the parties made oral closing statements to the board and the matter was submitted for decision.

BACKGROUND

The City and County of San Francisco is the fourth largest city in California, with a population of 805,000. It is the second-most densely populated city in the United States. It is also a world-renowned tourist destination, a primary financial and banking center, and home to iconic structures and services such as the Golden Gate Bridge and the cable cars.

San Francisco is unique in the state of California as a governmental entity insofar as it is the only city that is also an entire county. Local government provides all services traditionally provided by a city and a county. The City has core government service and several semi-autonomous governmental entities, including the San Francisco Municipal Transportation Agency (SFMTA), the San Francisco International Airport (SFO), and San Francisco General Hospital.

All painters and painter supervisors who work for the Employer are in a bargaining unit. The unit covers skilled painters who work in the various departments and special entities, including SFMTA and SFO. There are just over one hundred individuals in the bargaining unit, the large majority of whom fall under the classification of Painter Classification # 7346, a journey-level skilled trades classification.

Until 2012, the members of this bargaining unit were represented by the Auto, Marine and Specialty Painters Local 1176 and covered under the Consolidated Crafts MOU. Members of the

bargaining unit went through the process of decertifying Local 1176 as their exclusive representative. They then formed an independent association, naming themselves San Francisco City Workers United (SFCWU). They gained recognition by the Employer as the exclusive representative for the painter bargaining unit. The existing ratified collective bargaining agreement, with a term of July 1, 2012 through June 30, 2014, was amended to reflect the change in exclusive representation. Otherwise, it was not changed. This bargaining cycle is the first one in which the painter classes have been represented by the new organization.

The Employer is also in bargaining with a number of other bargaining units at the time of this award. Some have reached tentative agreements, while others have not and are continuing in the interest mediation / arbitration procedures. All of the City's labor agreements expire on June 30, 2014 except for those covering police officers and firefighters.

APPLICATION OF THE STATUTORY CRITERIA

After three and a half days of hearing and related off-the-record settlement discussions, twelve issues remained in dispute. They fall generally into four categories: 1) wages and benefits, 2) premium pay and differentials, 3) other compensation issues, and 4) rights issues. There was no dispute about the term of agreement. That will be July 1, 2014 through June 30, 2017.

According to the statutory criteria, the arbitration board must "issue written findings on each and every one of the above factors as they may be applicable to each and every issue determined in the award." In its deliberations, the board considered each of the statutory criteria for all disputed issues. Some of the criteria were more relevant for particular issues, and the findings will identify those criteria with respect to each issue.

For the sake of brevity, the statutory criteria will be paraphrased as follows:

- 1) "changes in the average consumer price index for goods and services": **CPI**
- 2) "the wages, hours, benefits and terms and conditions of employment of employees performing similar services": **external comparability**
- 3) "the wages, hours, benefits and terms and conditions of employment of other employees in the City and County of San Francisco": **internal comparability**
- 4) "health and safety of employees": **health and safety**

- 5) “the financial resources of the City and County of San Francisco, including a joint report to be issued annually on the City’s financial condition for the next three fiscal years from the Controller, the Mayor’s budget analyst and the budget analyst for the Board of Supervisors”: **the City’s financial resources**
- 6) “other demands on the City and County’s resources including limitations on the amount and use of revenues and expenditures”: **other demands on City resources**
- 7) “revenue projections”: **revenue projections**
- 8) “the power to levy taxes and raise revenue by enhancements or other means”: **the City’s power to raise revenue**
- 9) “budgetary reserves”: **reserves**
- 10) “the City’s ability to meet the costs of the decision of the arbitration board”: **ability to pay**

It is important to note that the above-cited criteria are prefaced by a general clause that states that the board must select the settlement offer that “most nearly conforms to those factors traditionally taken into consideration in the determination of wages, hours, benefits and terms and conditions of employment, including, but not limited to...” This clause gives the board the leeway to apply criteria that may not fit neatly under the ten enumerated criteria but are generally accepted as traditional in collective bargaining.

One common theme that the reader will note in the findings is that the undersigned holds to the general view that, other things being equal, the moving party on an issue bears a heavier burden. The parties have negotiated the terms of their collective bargaining agreement in past bargaining rounds. Except in those relatively rare circumstances in which an interest arbitrator has dictated the terms of the agreement, the parties have voluntarily created their contract. Needs, means, and circumstances do change, and the parties seek contract modifications accordingly. But, for the most part, longstanding public sector contracts in the state of California change incrementally. The approach of the undersigned neutral chairperson is to honor the past agreements made by the parties to the maximum extent possible while adhering to the statutory criteria.

The board would like to note that the enumerated criteria are not ranked in their order of importance in the statute. It can be argued that the financial factors six through ten should be given little

weight in a bargaining unit of approximately 100 members in a workforce of over 30,000. Given the fact that the parties have agreed on an overall wage package, with the exception of the “me-too” language (analyzed below), these financial factors diminish even further. However, where other factors are not determinative, these financial factors can take on meaning, as noted in a couple of the issues below.

On a final note, both parties in this dispute made claims that certain proposals by the other party were submitted late under the negotiations ground rules agreed to by the parties. The Employer, in particular, has asked the neutral to disallow consideration of late-submitted proposals in this award. The board will not automatically disqualify any proposal from either side due to late admission. If the proposal comes at such a late time as to preclude the other side from adequately researching the issue and responding, then this would be taken into consideration in the board’s findings. None of the proposals detailed below came into the process at such a late date that the other side should have been hampered in its ability to respond.

DISCUSSION AND FINDINGS

The “discussion and findings” section of this decision will be organized as follows. Within the four sub-groups listed above, each issue in dispute will be named. The issue will be followed by the current contract provision (if any) governing that issue, and any other significant factors relative to the status quo. Then the parties’ final offers of settlement on the issue will be summarized. Next, the undersigned will discuss the disputed issue, identify any statutory criteria that particularly apply in the dispute, and decide the issue by supporting either the City’s or the Union’s final offer of settlement on the issue. A summary of all the board’s decisions will be included at the end, under “Award.”

Wages and Benefits

Wages: In the two-year agreement set to expire on June 30, 2014, there were three separate 1% base wage increases. Both parties have submitted the following percentage increases to base wages as their last offer of settlement.

October 11, 2014 – 3%

October 10, 2015 – 3.25%

July 1, 2016 – CPI-based increase with a minimum of 2.25% and a maximum of 3.25%

The only difference between the Employer’s proposal and the Union’s proposal is that the Union has proposed a “me-too” clause. That clause is worded as follows:

In the event that any other bargaining unit(s) receives wage increases which exceed the increases set forth in subsections a, b, or c, above, the same increases shall be applied to the members of this bargaining unit at the same dates such increases are applied to the other bargaining unit(s).

Discussion and findings: The board does not favor “me-too” clauses, in general, unless they are voluntarily negotiated by the parties. They are fraught with peril in their interpretation (what exactly, for example, is a “wage increase?” and how long would such a clause apply?) Such clauses also gloss over the fact that different unions may reach different agreements with the same employer that involve certain trade-offs, economic and/or non-economic. Whether such an agreement might be “better” or “worse” than another agreement negotiated earlier in the bargaining cycle may be impossible to quantify.

Moreover, the Union has not identified any other bargaining unit among the City’s many units that has negotiated such a “me-too” clause in this bargaining round.

Based in particular on the factor of “internal comparability”, the board selects the Employer’s last offer on wages.

Health Benefits: In 2012, the City’s unions (including the predecessor to SFCWU) negotiated for the first time an employee share of employee-only health premiums. That share was 10% for all plans, except for the highest-cost plan (City Plan). Due to a complex interaction between collective bargaining agreements and the City Charter (which establishes a contribution minimum based on a ten-county comparison), unit members with Kaiser single and employee plus one ended up paying only about one percent, rather than ten percent of the premium. Unit members who chose Blue Shield HMO at those coverage levels paid about ten percent. Kaiser and Blue Shield family coverage members paid significantly more than 10% under that 2012 bargaining agreement formula. This year, Blue Shield family premiums climbed to almost \$500 per month, while Kaiser family premiums were around \$250 per month.

In 2013, the City’s health plan system administrators became very concerned about migration out of the Blue Shield HMO plan, and proposed a restructuring of premiums. This new alignment, dubbed the “93/93/83” plan, dictates that the Employer pay 93%, 93% and 83% of employee only, employee plus one, and employee plus two premiums for the two lowest-cost plans. Under this new structure, some unit members would pay less in premiums and some would pay more. The City’s overall premium costs, at least in the short run, would rise.

Many unions, including the crafts coalition that the painters were part of until 2012, agreed to the proposed changes mid-contract. Others, including SFCWU, did not.

The Employer's final offer of settlement on this issue is to adopt this new premium percentage model effective January, 2015. The Union proposes retaining the status quo. The Employer argues that this is a better deal for both sides, that many unit members' premiums would diminish, that a majority of City unions have already agree to the new plan, and that it is important to solve the "out-migration" problem. The Employer does not contend that retaining this bargaining unit under the present system would create an undue administrative hardship on the City.

The Union argues that, while some members will benefit from the change, others will not. The Union finds the Employer's proposal to be somewhat attractive, but is not yet "sold" on its overall benefit to unit members.

Discussion and findings: The burden falls on the City to show why this change to the CBA is necessary. The Employer is not attempting to make the case that this is a concession it needs from this union. It is making the case that, in the long run, what it proposes is a more sustainable premium structure that will reduce overall premium costs. However, the Employer acknowledges that, over the proposed term of this agreement, the change would result in higher Employer costs.

The Union's proposal of "status quo" is one that it may decide to rethink over the next three years. As the City did during the 2012-2014 agreements, perhaps an offer to open this issue during the 2014-2017 term will be forthcoming. A detailed analysis of how the change would impact unit members might lead to a voluntary agreement. However, given the truncated history of the parties' bargaining on this issue, the Union's proposal of "status quo" is the one that best conforms to the statutory criteria.

Based in particular on the factor of "the City's financial resources", the board selects the Union's last offer on health benefits.

Premium Pay and Differentials

Height Work Pay: The current CBA includes a height work premium of \$2 per hour for work requiring personal fall restraints when working fifty feet above ground. The Union has submitted a final offer to lower the height requirement for receipt of the premium pay from fifty feet to fourteen feet above the ground. The Employers' final offer is status quo.

It is not clear from the record exactly how the current language is interpreted. The language appears to require both the wearing of restraints and working above fifty feet in order to receive the premium. There was no evidence presented as to how the fifty feet is measured. For costing purposes, the

Employer assumed that the height is measured to the height a painter can reach. However, the only policy introduced into evidence, as detailed below, measures from the ground or floor to the painter's feet.

Also submitted were Cal-OSHA regulations concerning Fall Protection. While the document entered into evidence does not specify a height, there was un rebutted testimony that the Cal-OSHA regulation requires personal fall restraints for work above seven and a half feet. However, the regulation appears to distinguish between work using scaffolding (where personal fall restraints are not required) and work using lifting devices, where personal restraints are required.

Discussion and findings: The Union submitted extensive documentation and testimony on this issue at hearing. Included were the safety policy and procedures of SFO, where a significant portion of the bargaining unit is assigned. Those procedures require the unit member (as well as all SFO employees) to wear a "full body harness and shock-absorbing lanyard when working at an elevation of six feet or more above the grade, floor, or approved work surface..." The height is to be measured from the grade, floor, or surface to the person's feet.

The contracts between the City and the plumbers union and the City and the sheet metal workers were brought into evidence as internal comparators. Those contracts pay those other crafts a \$2 an hour premium for performing work two floors or fourteen feet (whichever is less) above ground. The City's contract with the IBEW calls for a height premium for electricians working thirty feet or more above the ground. The Northern California Master Painters Agreement (private sector) specifies a "high time" premium for work above fifty feet.

Airport facilities manager William Loeffler testified that plumbing and sheet metal work at heights is inherently more dangerous due to the heavy parts that need to be handled by the craftsperson. He also confirmed the SFO policy outlined above concerning the requirement to use personal fall restraints when working above six feet. He stated that all height work at the airport is performed on scissor lifts that start low to the ground. Lifts come in various sizes, and some can extend above fifty feet. Bargaining unit members performing painting duties from a lift are required to wear harnesses at all times.

The board finds that the Union has met its burden of persuasion on this issue. The board was not sufficiently convinced by management's efforts to draw a distinction between the safety aspects of a plumber or sheet metal worker working at heights and a painter working at heights. Certainly, no such distinction can be found in the Cal-OSHA regulations or in the SFO policy. The current premium applies

to work above fifty feet. There was no evidence on the record to establish why work at fifty feet and above is inherently more dangerous than work at fourteen feet and above.

Since this modified Union proposal came relatively late in the process, there was no costing of the Union's proposal. It should be noted that the Employer's original costing of the Union's proposal, ascribing a cost of over \$400,000, was based on the faulty assumption that everyone in the bargaining unit would receive the premium for all hours worked. Clearly, this was not the case, even with the Union's original proposal of a premium above six feet. It should also be noted that the language, when implemented, requires the premium only when the unit member is working above fourteen feet and wearing personal fall restraints. There appear to be different OSHA standards when scaffolding is being utilized than when lifting devices are in use. The Employer will have an opportunity to control the cost of this premium by its management of high work projects.

Based especially on the "internal comparability" criteria and the "health and safety criteria," the board selects the Union's last offer on height work pay.

Lead Worker Pay: The current CBA reads as follows:

Employees in the covered classes, when designated in writing by their supervisor or foreman as a lead worker, shall be entitled to a ten(\$10.00) per day premium where required to plan, design, sketch, layout, detail, estimate, order materials, and take the lead on any job where at least two mechanics¹ are assigned.

The current practice for payment of lead pay appears to be somewhat more expansive than the language indicates. Testimony was offered (although no document was submitted) that the City budget and legislative analyst performed a citywide audit of lead worker pay practices in 2011. The audit determined that "...managers assigned lead worker pay to employees who are considered to [plan], design, sketch, layout, detail, estimate, or material [sic] even when they have no lead responsibility for another employee." Union witness Doug Bias testified that he is the sole painter at City Hall and has received lead worker pay since 2000.

Evidence was also introduced that building and grounds maintenance superintendents, represented by Stationary Engineers Local 39, supervise painters and other trades craft personnel in locations where there are no Supervising Painters. Their job description includes the sentence "Supervision includes local administrative control and work assignments of craft personnel on extended

¹ The parties agreed that this term is a traditional trades reference that in this context refers to journey-level painters. The Union proposes to modify this to "painters."

or temporary assignments.” The description goes on to read that “Craft general foreman will supervise their respective workmen in those matters pertaining to craft or trade techniques or methods.”

The Union proposes to modify the contract to add the following sentence:

Workers, who are the sole painters in the shop and who plan, design, sketch, layout, detail, estimate order materials, as set forth in the first paragraph, above, and who are unsupervised by classes 7242 Painter Supervisor I or Painter Supervisor II, shall be paid the lead worker premium.

This final offer from the Union was a modification of earlier proposals, but consistent with other proposals they had made that address the issue of lead pay for solo painters under some circumstances. The Union cites as supporting evidence a prior agreement between these two parties from 2003 – 2005 in which a similar provision was included. The Union argues that the language it proposes merely codifies existing practice.

The Employer’s last offer is to maintain the status quo. The Employer argues that the City has no other current labor agreement that contains the provision the Union seeks. Moreover, the City contends that the Union is seeking lead pay for work that is part of the core painter job description. The City is not seeking to modify existing practices on the payment of lead pay.

Discussion and findings: The burden, in this instance, falls on the Union to show the necessity of the language change. Since the Employer has not put the Union on notice through the bargaining process that it intends to take away lead pay in those instances where it is currently being paid, then there is no compelling reason for the additional language. The fact that the Union could point to no other City contract containing a similar provision reinforces this conclusion.

Based in particular on the factor of “internal comparability”, the board selects the Employer’s last offer on lead worker pay.

Taper Premium: The current CBA includes language as follows:

Employees in classification 7346 Painter shall receive an additional seventy-five (\$.75) per hour for each hour assigned as a taper. Effective July 1, 2002, the rate shall be one dollar (\$1.00) per hour.

This is a premium that is unique to the painter craft, and hence has no internal comparators within the City. The Employer costs this proposal at approximately \$4,000 per year. The cost of a 1% increase for this bargaining unit is \$107,000 per year. The painter job description includes preparing surfaces, including tape, for painting. It does not include actual taping.

The Union proposes to increase the premium from \$1.00 per hour to \$1.25 per hour. The Employer's last offer of settlement is to retain the status quo.

Discussion and findings: The union proposes a 25% increase in the taper premium. While this is a large increase, the premium has not been raised since 2002. Arguably, there has been at least a 25% increase in the CPI since 2002. What is also notable is that the parties have a history of increasing this premium, as they last did in 2002. The cost of implementing the Union's proposal would be less than .05% of annual bargaining unit payroll. For those in the unit who perform this work that goes beyond the painter job description, it seems reasonable that they should be paid a premium that keeps up with inflation.

Based especially on the "CPI" criteria, the board selects the Union's last offer on taper premium.

Epoxy & Industrial Coating Premium: The current CBA provides for a \$1 per hour premium to be paid for those hours actually spent in applying epoxy. Other City unions, including the plumbers, receive this same epoxy premium. The painter job description includes the following:

Applies paint and other protective or decorative finishes...

Mixes and prepares paints, lacquers, varnishes, shellacs and other preservatives

The Union seeks to add "or industrial coatings" to the language. And it seeks to add the following language to the agreement:

Industrial coatings shall be those defined as any protective coatings listed under Regulation 8, Organic Compounds Rule 3, Architectural Coatings Index / Bay Area Air Quality Management District, and are applied to any non-residential structure, facility or complex. The City agrees to provide any manufacturer and/or OSHA required training, material and/or (PPE) personal protective equipment.

The cited regulation includes a section entitled "Industrial Maintenance Coating" that Union witnesses identified as being the section they intended to define the applicability of the premium. That section defines "Industrial Maintenance Coating" as:

A high performance architectural coating, including primers, sealers, undercoaters, intermediate coats, and topcoats, formulated for application to substrates, including floors, exposed to one or more of the following extreme environmental conditions...

The definition goes on to delineate those extreme conditions.

The Employer's last offer of settlement was to retain the status quo in this area.

The Union argues that the title of this premium section infers that more than just epoxy should be included under the premium definition. Union witnesses testified to other materials they work with that are as hazardous and difficult to work with as epoxy.

The Employer contends that the proposed list of compounds to be incorporated into the agreement is overly broad, and that the Union has not identified such a definition in any other CBA.

Discussion and findings: The Union has not met its burden that incorporating the proposed definition into the document is appropriate. The undersigned neutral chairperson acknowledges that the title of the section implies that substances other than epoxy were intended to be included under this premium. However, the air quality district citation section identified as relevant by the Union includes substances, such as primers and sealers, which are arguably part of the regular painter duties. The proposal is ambiguous and, if included, would open the parties up to potential endless disputes about what is and what is not covered under this new definition. If in fact the current practice is to pay this epoxy premium for other non-epoxy industrial coatings, the Employer has not proposed to change any of these practices.

Based in particular on the factors of "external comparability" and "internal comparability", the board selects the Employer's last offer on epoxy and industrial coating premium.

Thermo-Plastic Applicators: The current CBA includes the following provision:

Employees in classifications 7242 Painter Supervisor II, 7278 Painters Supervisor I and 7346 Painter who are assigned to operate a thermo-plastic applicator shall be paid a premium of two dollars (\$2.00) per hour for each of those hours that said individual actually operates such an applicator. This premium shall be payable only to the individual who operates said applicator.

This provision applies primarily to unit members who work repairing and modifying city streets in the SFMTA division.

The Union's last offer of settlement on this issue is to increase the premium from \$2 to \$4 per hour. In addition, the Union seeks to pay unit members who support thermo-plastic application \$2 per hour. Finally, the offer adds a list of assignments that are to be included in the \$2 premium, as follows:

bituminous adhesive driver / tender
thermo-plastic driver / tender
traffic hazard premium when on-foot and engaged in the hazard of vehicular traffic

Linex-Scarifier machine operator
any vehicle with a water blaster
methacrylate truck operator
paint removal equipment operator
line lazer

The Union presented evidence of several City CBAs that contained provisions that the Union believes bolster its proposal. Those included the parking control officers, represented by SEIU Local 1021, who receive a 5% premium for “intersection and/or traffic control duty.” The Union asserted that this premium for parking control officers is support for the Union’s “traffic hazard premium.”

Also identified was a provision in the City’s contract with Laborers Local 261 that pays \$1.35 per hour for “pot workers” and “asphalt screed workers.” Union witness James Leonard testified that this work performed by the laborers is equivalent to the “bituminous adhesive” work in the Union’s proposal.

The Union also introduced excerpts from the City’s contract with the Teamsters that provide premiums for driving certain specialized vehicles.

The Union introduced no evidence of internal or external comparability to buttress its \$4 per hour proposal.

Union witness Leonard also testified that certain work assigned unit members at SFMTA that is not thermo-plastic application is currently paid the premium. He testified that the line lazer operator “sometimes” receives the premium when spraying epoxy or industrial coating.

The Employer offers the status quo as its final offer of settlement. The Employer argues that the Union has not met its burden in showing through internal or external comparability that the changes are justified. The Employer is not asserting an intention to change the existing practice.

Discussion and findings: Portions of the Union’s proposal have merit and deserve additional discussion between the parties. It appears that this contract section needs to be updated based on the changing requirements of painter work at SFMTA. The work of the unit’s members at SFMTA sounds difficult and requires many special skills. However, the board is not authorized to pick and choose between various aspects of a partially-meritorious proposal. The Union has not met its burden of justifying the need to double the thermo-plastic premium. Even in those cases where it has linked unit work to work being performed by other City bargaining unit members, the duties and premium amounts diverge substantially. And some of the newly named duties in the proposal were supported by little or no evidence.

Given that the Employer is proposing to retain current language and not suggesting a change in existing pay practices, the Employer’s offer most closely conforms to the statutory factors.

Based in particular on the factors of “external comparability” and “internal comparability”, the board selects the Employer’s last offer on thermo-plastic applicators.

Other Compensation Issues

Paperless Pay: There is currently no provision in the CBA that governs how unit members are paid, administratively. The practice has been to allow unit members, and all City employees, to receive their pay through direct deposit or check.

The Employer proposes to eliminate paper checks and pay advices, effective September 1, 2014. Its last offer of settlement is to add a section to the CBA that governs payment by either direct deposit or “pay card.” The highlights of that proposal are as follows:

- Employees will be able to access their pay advices on City computers or at home
- Pay advices will include additional information about employee leave balances, etc.
- Pay advices will be available on a secure website going back seven years
- Employees may choose to be paid through direct deposit or pay card

The Employer states that it has worked with other employee organizations to address concerns they had about the new system. The Employer has agreed to bargain the issue, although arguably it is outside the mandatory scope of bargaining.

The Union proposes to retain the status quo on this issue, stating that the Employer has provided no evidence to support its proposal.

Discussion and findings: The Employer has gone “the extra mile” on this issue. Given that the current CBA is silent on the issue, it is presumably an issue on which the City could have merely consulted with the union. Instead, they engaged in full-blown bargaining over the issue. While they did not receive counterproposals from this Union, they did from other City unions, and they incorporated many of those counterproposals into their last offer of settlement. They reached agreement with many City unions on this very proposal. There is nothing about this proposal that appears to be a diminishment of unit member working conditions. The City has met its burden of persuasion on this issue.

Based in particular on the factor of “internal comparability”, the board selects the Employer’s last offer on paperless pay.

Airport Employee Transit Program: There is currently no provision in the CBA for subsidizing employees who utilize public transit to commute to work. However, there is a section of the CBA, III.X

“Automobile Use, Allowance and Parking; Muni Passes.” That section currently has no reference to free or subsidized transit options for employees.

The Employer proposes to implement a provision entitled Airport Employee Transit Pilot Program. Under this 12-month pilot, employees who use public transit to commute to their jobs at SFO will be subsidized. The last offer of settlement includes the following:

The Union waives all meet-and-confer on this pilot program. This program is not subject to the grievance procedure.

The Employer contends that this is a pure benefit to Union members, and that further meet and confer is not necessary, since it is only a pilot program.

The Union proposes status quo on this issue. The Union objects to the proposed waiver of meet and confer rights.

Discussion and findings: While the City’s proposal appears harmless, if not beneficial, it is plausible that the Union has legitimate concerns about it. This would be a subsidy only available to a subsection of the Union’s members, and hence could result in some dissension between members. It is an expenditure of City resources on benefits for unit members in such a way as has not been voluntarily bargained by the parties. And the undersigned neutral views this issue somewhat differently than the “paperless pay” issue, in that a section of the agreement already exists on a related topic (Muni Passes). This is an indication that the parties have a history of bargaining over transit subsidies. Accordingly, the board finds that the Employer has not met its burden on why this provision should be included in the CBA.

Based in particular on the factor of “the City’s financial resources”, the board selects the Union’s last offer on Airport Employee Transit Pilot Program.

Rights Issues:

Bargaining Unit Work: The current CBA contains a clause that reads as follows:

The City agrees that it will not assign work currently performed by employees under this Agreement to City employees in other bargaining units.

The unit includes painters and painter supervisors. It is both the performance of painter and painter supervisory duties that concerns the Union. Union witness Doug Bias testified as follows:

...we’ve had a practice where painters [are] being supervised by carpenters, for example, or engineers. And we thought that that was incorrect.

Mr. Bias also testified that public service aides represented by SEIU Local 1021 have been performing painter duties at SFMTA.

When asked how the existing language is inadequate to address the Union's concerns, Mr. Bias responded as follows:

It doesn't define who is doing our work clearly enough.

The Union's last offer of settlement on this issue is to add the following sentence to the existing contract section:

Bargaining unit work includes, but is not necessarily limited to, duties currently specified in the job announcements in classes 7346 Painter, 7242 Painter Supervisor I and 7278 Painter Supervisor II.

The Employer proposes the status quo as its final offer of settlement. The Employer believes that the current language is adequate to address the scenarios that are of concern to the Union. The Employer also contends that the addition of the phrase "not necessarily limited to" is overbroad and ambiguous. It also has concerns that adoption of the Union's proposal could impinge on the rights of other City unions.

Discussion and findings: The Union bears the burden about why this important contract clause needs to be modified. While the Union made reference in the hearing to a grievance that it had filed on this issue, no evidence was introduced about the outcome of that grievance or any other grievances on the issue of bargaining unit work. The existing language appears clear and to the point. The Union has pointed to no other City contract that has similar language.

Grievances under this CBA are subject to final and binding arbitration. Without testing this language in front of a neutral grievance arbitrator and discovering inadequacies through an unfavorable ruling, the Union has a weak case for change. An arbitrator hearing a grievance on a violation of the existing clause would most likely rely heavily on the very documents that the Union wishes to reference in the contract language, even absent the Union's proposed change. The Union has not met its burden of persuasion on this issue.

Based in particular on the factor of "internal comparability", the board selects the Employer's last offer on bargaining unit work.

Grievance Procedure: The current CBA has a grievance procedure that contains several clauses that one party or the other is seeking to modify. The current agreement contains an expedited arbitration clause that was added to the contract in the last round of bargaining. That clause requires that disciplinary suspensions of fifteen days or less are subject to the expedited procedure. It also requires that contract

interpretation grievances “where the remedy requested would not require approval by the Board of Supervisors” be subject to the expedited procedure. The expedited procedure involves no transcripts or post-hearing briefs and it allows the parties to name a permanent arbitrator. The Union is seeking to delete this procedure, and substitute the following language:

Upon mutual agreement between the City and the Union, expedited arbitration may be used to hear appeals of all disciplinary actions short of termination.

The Union cited an expedited grievance arbitration that took place between the parties in September 2013 on a claim that a unit member released on his probation period had actually completed his probation period. The Union asserts that this case was inappropriate for expedited arbitration.

The Employer’s last offer of settlement leaves the expedited arbitration section intact. But it modifies the grievance procedure in two other areas. One – the current language allows an individual unit member to appeal non-discipline grievances to step 3 of the procedure. The Employer proposes to allow only the Union to make such an appeal. And two – the current agreement contains no time limit for the selection of an arbitrator once the Union has notified the Employer that it is invoking arbitration. The Employer’s last offer is to add the following:

[the parties] will commence selecting the arbitrator and scheduling the arbitration within thirty (30) calendar days of the Union’s receipt of ERD’s letter acknowledging the Union’s letter moving the matter to arbitration...

The Employer argues that these provisions are contained in other City labor agreements and that they provide for a more efficient grievance procedure.

Discussion and findings: Each party, in this instance is seeking to modify the status quo in one or more areas of the grievance procedure, and retain the status quo in the other. Both parties have the burden of showing why their change needs to be incorporated into the agreement.

The undersigned neutral chairperson believes that all three of these changes have merit. The current expedited arbitration procedure is utilized for issues (such as complex contract grievances and long suspensions) that generally do not fit well in an expedited format. The case heard in September 2013 appears to be complex enough that it would have been better handled under the regular procedure. (The Union’s proposal would be stronger if it redefined the cases that would go to expedited arbitration, rather than allow the expedited procedure only in cases of mutual agreement. The Union’s proposal also deletes any definition of what an expedited procedure is, leaving it up to the parties to design it on a case by case basis. If adopted, this could create unnecessary disputes.)

The Employer's proposal to allow only the Union to appeal to Step 3 is consistent with industry standards and would generally be viewed favorably by most unions. And the Employer's proposal to set a time limit on commencing selection of an arbitrator serves both parties' interests of moving the issues to completion in a timely manner.

Were it not for the statutory language, the board might select both proposals in this instance. That, however, is not an option. The balance tips toward the Employer's proposal, since it does not have the problematic aspects contained in the Union's proposal, outlined above.

Based in particular on the factor of "internal comparability", the board selects the Employer's last offer on grievance procedure.

Skelly Rights: The current CBA includes a provision for Skelly rights. Each side proposes a single change in this section. The Employer seeks to add the following:

The employee's representative shall receive a copy of the final notice of discipline.

There was no evidence presented in support of this proposed change. The Union did not object to the addition of this clause.

The Union seeks to add the following language:

The authority initially imposing the discipline will provide a reasonable period to respond of not less than seven (7) calendar days before issuing any ruling.

There was no evidence presented in support of this proposed change. The Employer stated that the proposal was unnecessary.

Discussion and findings: Given that neither side presented a case in support of its proposed modification to the status quo, the board faces a dilemma. While both proposals appear reasonable and consistent with industry practice, the Employer objected to the Union's proposal as unnecessary, while the Union did not object to the Employer's proposal. Therefore, the board selects the Employer's proposal.

Based in particular on the factor of "internal comparability", the board selects the Employer's last offer on Skelly rights.

AWARD

The arbitration board selects the following last offers of settlement on the issues in dispute:

1. Wages: The Employer's proposal.
2. Health Benefits: The Union's proposal (status quo).

ARTICLE I – REPRESENTATION

ARTICLE I - REPRESENTATION

1. This Memorandum of Understanding (hereinafter "Agreement") is entered into by the City and County of San Francisco (hereinafter "City") through the designated representatives acting on behalf of the San Francisco City Workers United (hereinafter "Union").

I.A. RECOGNITION

2. The City acknowledges that the Union has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions as set forth in the City's Employee Relations Ordinance for the following classifications:

7242	Painter Supervisor I	Unit 2
7278	Painter Supervisor II	Unit 2
7346	Painter	Unit 2

3. The terms and conditions of this Agreement shall also be automatically applicable to any classification that is accreted to the unit covered by this Agreement during its term. This Agreement shall not automatically extend to bargaining units for which the Unions have established a representative status through affiliations or service agreements. Upon request of a Union, the City will meet and confer concerning proposed changes to bargaining units.

I.B. INTENT

4. It is the intent of the parties signatory hereto that the provisions of this Agreement shall not become binding until adopted or accepted by the Board of Supervisors by appropriate action.

5. Moreover, it is the intent of the Mayor acting on behalf of the City to agree to wages, hours, and other terms and conditions of employment as are within the Mayor's jurisdiction, powers, and authority to act as defined by the Charter, state law, California Constitution and other applicable bodies of the law. The Mayor does not intend nor attempt to bind any board, commission or officer to any provisions of this Agreement over which the Mayor has no jurisdiction.

6. It is the intent of the parties that the provisions of the main body of this Agreement apply generally to all classifications of employees covered by this Agreement, except as otherwise limited herein to specific classifications or unions. The Appendix attached applies to employees represented by this union.

I.C. OBJECTIVE OF THE CITY

7. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

ARTICLE I – REPRESENTATION

8. The Union recognizes the City's right to establish and/or revise performance levels, Standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. The City shall meet and confer prior to the implementation of any production quotas.
9. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable Charter provisions and rules and regulations of the Civil Service Commission.

I.D. MANAGEMENT RIGHTS

10. The Union agrees that the City has complete authority for the policies and administration of all City departments which it shall exercise under the provisions of law and in fulfilling its responsibilities under this Agreement. Said authority shall include the establishment of work rules and regulations not inconsistent with the terms of this Agreement. Any matter involving the management of governmental operations vested by law in the City and not covered by this Agreement is in the province of the City.

I.E. NO WORK STOPPAGES

11. During the term of this Agreement, there shall be no strike or lockout nor shall the Union engage in a sympathy strike. The terms strike, lockout or sympathy strike shall be provided in Charter Section A8.346 (a) and A8.346 (b). Charter Sections A8.346 (a) and A8.346 (b) are attached in Appendix A.

I.F. GRIEVANCE PROCEDURE

12. 1. The following procedures are adopted by the parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
13. 2. A grievance is defined as an allegation by an employee, a group of employees or a Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement.

A grievance does not include the following:

14. a. Performance evaluations, provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file.

ARTICLE I – REPRESENTATION

15. b. Written reprimands, provided however, that employees shall be entitled to append a written rebuttal to any written reprimand. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within twenty (20) calendar days from the date of the reprimand.

3. **Time Limits**

16. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing. For purposes of calculation of time a "day" is defined as a "calendar day," including weekends and holidays.

17. In the event a grievance is not filed or appealed in a timely manner it shall be dismissed. Failure of the City to timely reply to a grievance shall authorize appeal to the next grievance step.

In doing so, the parties shall first attempt to mutually agree upon an Arbitrator to hear the matter. In the event no agreement is reached within five (5) working days, or any extension of time mutually

ARTICLE I – REPRESENTATION

agreed upon, the parties shall request that the State Mediation and Conciliation Service (“SMCS”) provide the parties with a list of seven (7) potential arbitrators. The parties, by lot, shall alternately strike names from the list, and the name that remains shall be the arbitrator designated to hear the particular matter.

29. b. The parties may, by mutual agreement, agree to an alternate method of arbitrator selection and appointment, including, the expedited appointment of an arbitrator from a list provided by the SMCS.

6. **Steps of the Procedure – Disciplinary Grievances**

30. Permanent non-probationary employees may grieve (appeal) suspensions, disciplinary demotions or discharges.

31. a. Step 1:
The grievant and/or the Union shall submit in writing to the Appointing Officer or designee a grievance appealing the disciplinary action within fifteen (15) days of the mailing date of the written notice imposing discipline. The Director shall respond to the grievance in writing within twenty (20) days of the meeting, or if none is held within twenty (20) days of receipt of the appeal.

33. c. If the Employee Relations Director’s response is unsatisfactory only the Union may file a written appeal to arbitration. This appeal must be filed with the Employee Relations Director at ERD no later than fifteen (15) days following issuance of the Step 2 response.

34. d. Selection of the Arbitrator

ARTICLE I – REPRESENTATION

be resolved through an expedited arbitration process; however, by mutual agreement, the parties may move such matters out of the expedited process to regular arbitration procedures provided herein.

36. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove him/her or for twelve months, whichever comes first. A standing quarterly expedited arbitration schedule will be established for this process. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.
37. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne and paid in full and shared equally by the parties.
38. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.
39. ~~For Fiscal Year 2012-2013~~ The City agrees to schedule two arbitrators per month available to conduct expedited arbitrations. The City may, at its sole discretion, cancel any expedited arbitration sessions in time to avoid a cancellation fee if there are no expedited arbitrations calendared for that month. Additional arbitrators may be scheduled ~~for Fiscal Year 2013-2014~~, if the City and the Union agree that there is sufficient demand to do so.

7. Authority of the Arbitrator

40. The arbitrator shall have no authority to add to, subtract from, modify or amend the terms of this Agreement. The decision of the Arbitrator shall be final and binding on all Parties.

8. Fees and Expenses of Arbitration

41. Each party shall bear its own expenses in connection with the arbitration, including, but not limited to, witness and attorney's fees, and any fees for preparation of the case. Transcripts shall not be required except that either party may request a transcript. The party making such a request shall be solely responsible for the cost. All fees and expenses of the arbitrator and the court reporter, if any, shall be split equally between the parties. Individuals who may have direct knowledge of the circumstances relating to the grievance may be present at the request of either party at the hearing. If such individuals are employees of the City, they shall be compensated at their usual rate of pay for any time spent traveling to or from, and attending the arbitration hearing.

ARTICLE I – REPRESENTATION

9. **Hearing Dates and Date of Award**

42. The parties shall make their best efforts to schedule hearings within forty (40) days of selection of an arbitrator. Awards shall be due within forty (40) days following the receipt of closing arguments. As a condition of appointment, arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.

43. 10. Any claim for monetary relief shall not extend more than forty-five (45) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.

11. **"Skelly" Rights**

44. A permanent non-probationary employee subject to discipline or discharge, shall be entitled, prior to the imposition of that discipline or discharge, to a meeting and to the following:

45. a. A notice of the proposed action;

46. b. The reasons for the proposed discipline;

48a. e. The employee's representative shall receive a copy of the final notice of discipline.

49. 12. During the term of this Agreement, the City's Department of Human Resources (DHR) will keep track of Union grievances as follows. The Union shall also be responsible for notifying DHR's designee in writing that the grievance is being moved to arbitration and identifying who the grievance was handed to at Step 1. For each grievance, where the Union has notified DHR as described above, DHR shall record: (a) when the grievance was filed; (b) when the grievance was moved to each successive step; (c) when the arbitration was calendared for arbitration; (d) when the arbitration took place; and (e) when the arbitration decision was issued or, in the alternative, whether the grievance was resolved in another manner; provided, however, that DHR shall only be responsible for recording the cited information if the Union provides it.

ARTICLE I – REPRESENTATION

I.G. OFFICIAL REPRESENTATIVES AND STEWARDS

1. OFFICIAL REPRESENTATIVES

50. The Union may select up to the number of employees as specified in the Employee Relations Ordinance for purposes of meeting and conferring with the City, during the employee's regular duty or work hours without loss in compensation, on matters within the scope of representation. If a situation should arise where a Union believes that more than a total of two (2) employee members should be present at such meetings, and the City disagrees, the Union shall discuss the matter with the Employee Relations Director and the parties shall attempt to reach agreement as to how many employees shall be authorized to participate in said meetings.
51. a. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
52. b. No selected employee member shall leave the duty or work station, or assignment without specific approval of appropriate Employer representative.
53. In scheduling meetings, due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.

2. STEWARDS

54. a. The Union shall furnish the City with an accurate written list of stewards and alternate stewards. The Union may submit amendments to this list at any time because of the permanent absence of a designated steward. If a steward is not officially designated in writing by a Union, none will be recognized for that area or shift.
55. b. The Union recognize that it is the responsibility of the steward to assist in the resolution of grievances at the lowest possible level.
56. c. Upon notification of a designated management person, stewards or designated officers of the Union subject to management approval which shall not be unreasonably withheld, shall be granted reasonable release time to investigate and process grievances and appeals. Stewards shall advise their supervisors of the area or work location where they will be investigating or processing grievances. The Union will attempt to insure that steward release time will be equitably distributed.
57. Stewards shall be responsible for the performance of their work load, consistent with release time approved pursuant to rules established herein.

ARTICLE I – REPRESENTATION

58. d. In emergency situations, where immediate disciplinary action is taken because of an alleged violation of law or a City departmental rule (intoxication, theft, etc.) the steward shall not unreasonably be denied the right to leave his/her post or duty if requested by the employee for purposes of representation.
59. e. Stewards shall not interfere with the work of any employee. It shall not constitute interference with the work of an employee for a steward, in the course of investigating or processing a grievance, or a disciplinary action, to interview an employee during the employee's duty time.

I.H. UNION SECURITY

60. The City shall deduct Union dues, initiation fees, premiums for insurance programs and political action fund contributions from an employee's pay upon receipt by the Controller of a form authorizing such deductions by the employee. Disputes regarding such designations shall be promptly resolved pursuant to Section 16.208 (b) of the Employee Relations Ordinance.

2. IMPLEMENTATION

63. An agency shop shall be implemented within representation units or sub-units when:

65. The Union makes a showing that 2/3 of the employees within the unit or sub-unit are dues paying members of the Union, or

c. New Employees

66. The Union requests, in writing, an agency shop be implemented for all employees hired after a date to be agreed to by the Union and the Employee Relations Division.

3. SERVICE FEE

67. Upon such an event occurring, employees of the City in the particular unit or subunit, except as set forth below, shall, as a condition of continued employment, become and remain a member of the Union, or in lieu thereof, shall pay a service fee to the Union. The fair share service fee payment shall be established annually by the Union, provided that such fair share agency shop service fee will be used by the Union only for the purposes permitted by law.

68. The Union shall comply with the requirements set forth in *Chicago Teachers Union v. Hudson*, 475 U.S. 292 (1986) for the deduction of agency shop fees. Annually, the Unions shall certify in writing to the City that the Unions have complied with the requirements set forth in this section and in *Hudson*, 475 U.S. 292.

4. FINANCIAL REPORTING

The Union will provide a reasonably prompt opportunity to challenge the amount of the fee before an impartial decision maker not chosen by the Union and will make provision for an escrow account to hold amounts reasonably in dispute while challenges are pending.

ARTICLE II - EMPLOYMENT CONDITIONS

All the employees in the classifications listed in Article I.A of the Memorandum of Understanding shall be subject to Reasonable Suspicion and Post Accident testing under this Policy.

5. SUBSTANCES TO BE TESTED

APPENDIX B

- (3.) Benzodiazepines
- (4.) Cocaine
- (5.) Methadone
- (6.) Opiates

The City also recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist or health care professional has informed the employee (orally, on the medication bottle and/or in the literature accompanying the medication) will interfere with job performance, including driving restrictions or restrictions on the use of equipment, the employee is required to immediately notify the designated Department's human resources representative or the Department's representative who is responsible for interacting with employees regarding disability accommodations of those restrictions before performing his/her job functions.

- c. Upon receipt of a signed release from the Covered Employee's licensed healthcare provider, the department's human resources representative or the Department's representative who is responsible for interacting with employees regarding disability accommodations may consult with Covered Employee's healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available or none is given, the department's human resources representative or the Department's representative who is responsible for interacting with employees regarding disability accommodations may consult with any City-licensed healthcare provider before making a final determination as to whether the employee may perform his/her job functions. However, if an employee, during the time of restriction, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing his/her job functions.

- d. If a Covered Employee is temporarily unable to perform Safety-Sensitive Functions because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said

APPENDIX B

medication and/or not cleared by a licensed healthcare provider to perform safety sensitive functions, the City may extend this accommodation for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to resume Safety-Sensitive Functions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodations under state and federal disability laws.

- e. For Covered Employees, nothing in this Appendix shall supersede any disability accommodation requirements under state or federal law.

6. TESTING

I. Reasonable Suspicion

- a. Reasonable suspicion to test a Covered Employees for illegal drugs or alcohol will exist when specific, reliable objective facts and circumstances would create a good faith belief in a prudent person that the employee has used a drug or alcohol. Such circumstances include, but are not limited to, the employee's behavior or appearance while on any City jobsite, while on City business or in City facilities, and recognized and accepted symptoms of intoxication or impairment caused by drugs or alcohol, that are not reasonably explained by other causes such as fatigue, lack of sleep, proper use of prescription drugs, or reaction to noxious fumes, smoke or illnesses.
- b. Any individual or employee can report an employee who may be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or illegal drugs on the job, two (2) trained employer representatives will verify and document the basis for the suspicion and request testing. The first employer representative shall verify and document the employee's appearance and behavior based on the above-stated indicators and, if appropriate, recommend testing to the second employer representative. At work locations within the border of the City and County of San Francisco (including San Francisco International Airport), the second employer representative shall verify and document the appearance and behavior of the employee based on the above-stated indicators and has final authority to require the employee to be tested. At work locations outside the border of the City and County of San Francisco, the second employer representative shall confer with the first employer representative to verify the employee's behavior based on the above-stated indicators, and the second employer representative has the final authority to require the employee to be tested. In the event only one trained employer representative is available on-site, the representative shall confer with any other trained employer representative within the City to verify the employee's behavior. The second trained employer representative shall have the final authority to require the employee to be tested.
- c. If the City requires an employee to be tested under reasonable suspicion, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow

APPENDIX B

a reasonable amount of time (a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

- d. Moreover, if the City has reason to believe or suspect that a prescription medication may have interfered with or may have had a direct impact on an employee's job performance, it may require that employee to be tested unless the City has prior knowledge and approval of a Covered Employee's health condition requiring the use of prescription medication..
- e. The department representative(s) shall be required to accurately document and file the incident and the employee shall be required to complete a consent form prior to any testing. If an employee Refuses to Submit to testing, then the City shall treat the refusal as having tested positive and shall immediately take appropriate disciplinary action pursuant to the attached discipline matrix.
- f. The City shall bear the costs for any required testing for alcohol and/or drugs under this section. Any counseling and rehabilitation services shall be on the employee's time and at the employee's cost, except that employees may use accrued paid time off to attend treatment and may utilize any resources covered by insurance. Employees shall have the right to use any accrued but unused leave balances while enrolled in any counseling or rehabilitation program. Any request by an employee to re-test a specimen shall be at the employee's cost.

II. Post-Accident

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he/she fails to remain readily available, including failure to notify a supervisor (or designee) of the Accident location or leavings the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the

APPENDIX B

City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for a designated representative is on file with DHR. This subsection (e) shall not be grievable.

7. TESTING PROCEDURES

I. Collection Site;

- a. The City shall make best efforts to ensure that a Covered Employee subject to testing is safely transported to and from the collection site.
- b. The staff of the collection facility under contract to the City or the City's drug testing contractor ("Collector") shall collect urine samples from Covered Employees to test for prohibited drugs.
- c. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA) approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer.
- d. A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as “Refusal to Submit.”
- e. Covered Employees, who refuse to test, may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- f. The specific required procedure for urine collection is as follows:
 - (1) Urine will be obtained directly in a tamper-resistant urine bottle. Alternatively, the urine specimen may be collected at the employee’s option in a wide-mouthed clinic

APPENDIX B

specimen container that must remain in full view of the employee until transferred to, sealed and initialed, in separate tamper-resistant urine bottles.

- (2.) Immediately after the specimen is collected, it will be divided into two (2) urine bottles, which, in the presence of the employee, will be labeled and then initialed by the Covered Employee and witness. If the sample must be collected at a site other than the drug and/or alcohol-testing laboratory, the specimens must then be placed in a transportation container. The container shall be sealed in the employee's presence and the Covered Employee must be asked to initial or sign the container. The container will be sent to the designated testing laboratory on that day or the earliest business day by the fastest available method.
- (3.) A chain of possession form must be completed by the hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
 - g. After being tested for drugs, the Covered Employee will be barred from returning to work until the department is advised of the final testing result from the MRO. During that period, the Covered Employee will be placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Testing procedures, including substances to be tested, specimen collection, chain of custody and threshold and confirmation test levels shall comport with the Mandatory Guidelines For Federal Workplace Testing Programs, established by the U.S. Department of Health and Human Services, as amended and the U.S. Department of Transportation regulations, where applicable. Tests shall be by urine screening and shall consist of two procedures, a screen test (EMIT or equivalent) and if that is positive, a confirmation test (GC/MS).
- c. The initial test of all urine specimens will use immunoassay techniques. All specimens identified as positive in the initial screen must be confirmed using gas chromatography/mass spectrometry (GC/MS) technique that identifies at least three (3) ions. In order to be considered "positive" for reporting by the laboratory to the City, both samples must be tested

APPENDIX B

separately in separate batches and must also show positive results on the GC/MS confirmatory test.

- d. In the event of a positive drug or alcohol test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated or positive-Diluted Specimen, or Invalid as defined herein will be reported to a Medical Review Officer (MRO). The MRO shall review the test results and any disclosure made by the Covered Employee and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive Diluted, or Invalid test result, (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's results as a "positive result."
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The parties understand that the MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO.

APPENDIX B

- e. The Covered Employee may request a drug or adulterant re-test within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- f. A drug test result that is positive and is a Diluted Specimens will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (g).
- g. If the final test is confirmed negative, then the Employee shall be made whole, including, if any, the cost of the actual laboratory re-testing. Any employee who is subsequently determined to be the subject of a false positive shall be made whole for any lost wages and benefits and shall have their record expunged.
- h. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- i. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy.. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

IV. On-Site

- a. For post-Accident purposes, the City may conduct "on-site" tests (alcohol breathalyzer testing and "Quicktest" urine testing). If any of those tests are "non-negative" a confirmation test will be performed. This on-site test is to enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. In order to facilitate the on-site urine testing, an individual's sample will be divided into three separate containers. One of the containers will provide a sample for the on-site test that will be read within 5 to 10 minutes of collection. The other two containers will be sealed and sent to the lab, in the event a confirmation is necessary due to a "non-negative" outcome of the on-site test. The laboratory will store the split sample in accordance with SAMHSA guidelines. One of the two samples will be used for a confirmation test. The other sample will be made available to the employee for testing by a certified laboratory selected by the employee at the employee's expense.

disciplinary matrix which applies to the violation of this Policy, the City may impose discipline based on the Covered Employee's conduct, which may include consideration of whether the conduct at issue occurred while the employee was impaired by drugs or alcohol and/or whether the employee refused to test in addition to any discipline imposed under Exhibit A.

- d. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation which the City is relying on to support the proposed discipline.

10. RETURN TO DUTY

The Substance Abuse Prevention Coordinator (SAPC) will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that he or she has a negative test prior to returning to work. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

The Committee may also discuss adding or deleting covered classifications from this policy. The Director of Human Resources shall make a final decision based on the recommendations from the Committee.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing

APPENDIX B

department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part or portion of this policy will not invalidate the remaining parts or portions. In the event of such determination, the parties agree to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law and the intent of the parties hereto. Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

- b. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing his/her job functions.

- (1) Upon receipt of a signed release from the Covered Employee’s licensed healthcare provider, the department representative may consult with Covered Employee’s healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee’s

- t. “Prescription Drug” means a drug or medication currently prescribed by a duly licensed healthcare provider for immediate use by the person possessing it that is lawfully available for retail purchase only with a prescription.
- u. “Refusal to Submit,” “Refusing to Submit,” “Refuse to Test,” or “Refusal to Test” means a refusal to take a drug and/or alcohol test and includes, but is not limited to, the following conduct:
 - i. Failure to appear for any test within a reasonable time.

 - iii. Failure or refusal to take a test that the Collector has directed the employee to take.
 - iv. Providing false information.
 - v. Failure to cooperate with any part of the testing process, including obstructive or abusive behavior or refusal to drink water when directed.
 - vi. Failure to provide adequate oral fluid or breath samples, and subsequent failure to undergo a medical examination as required for inadequate breath or oral fluid samples, or failure to provide adequate breath or oral fluid samples and subsequent failure to obtain a valid medical explanation.

healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination whether the employee may perform his/her job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing his or her job functions.

- (2) If a Covered Employee is temporarily unable to perform his or her job because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This temporary modified duty reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or has not been cleared by a licensed healthcare provider to return to work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior

and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.

- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.
- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he or she fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not

limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1) A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s

recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.

- (3) The Covered Employee being tested must cooperate fully with the testing procedures.
 - (4) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a

normal negative test, except in the case of subsection (f).

- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

- a. Substance Abuse Prevention and Detection Threshold Levels.
For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing his or her job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

1. Is confirmed to have tested positive for alcohol or drugs;
 2. Refuses to Submit to testing; or
 3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
- b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
- c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that he or she has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's

return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, he or she shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. LABOR-MANAGEMENT MEETING

To ensure the success of this Policy, the City shall meet with any union covered by this policy that seeks to meet to address any implementation issues regarding this policy, as follows: between June 1st and June 30th, any Union, covered under this Policy, may request to meet, and said meeting shall be scheduled to occur by July 31st.

13. ADOPTION PERIOD

This Policy shall go into effect on July 1, 2014, or as soon as practicable. (See MOU Article V.I.)
