LEGISLATIVE DIGEST

[Zoning Map Amendment - Treasure Island/Yerba Buena Island Development Project]

Ordinance amending the Zoning Map of the City and County of San Francisco by adding new Sectional Map ZN14 to show the zoning designations of Treasure Island and Yerba Buena Island; adding new Sectional Map HT14 to establish the Height and Bulk District for Treasure Island/Yerba Buena Island; adding new Sectional Map SU14 to establish the Treasure Island/Yerba Buena Island Special Use District; adopting findings, including environmental findings, and findings of consistency with the General Plan and the Priority Policies of Planning Code Section 101.1.

Existing Law

The City's Zoning Map, part of the Planning Code, assigns zoning districts and height and bulk districts to property. The Zoning Map also contains Special Use Districts which include specific controls in the identified Special Use District area.

Amendments to Current Law

This legislation would add a new Sectional Map ZN14 to the Zoning Map of the City and County of San Francisco, and assign 9 new zoning districts to different parts of Treasure Island and Yerba Buena Island. The Ordinance would reflect these new zoning districts in the Zoning Map and would include Treasure Island Residential (TI-R), Treasure Island Mixed Use (TI-MU), Treasure Island Open Space (TI-OS), Treasure Island Public/Civic/Institutional (TI-PCI); Yerba Buena Island Residential (YBI-R), Yerba Buena Island Mixed Use (YBI-MU), Yerba Buena Island Open Space (YBI-OS), Yerba Buena Island Public Services/Civic/Institutional (YBI-PCI), and Public (P).

The legislation would also add a new Sectional Map HT 14 to Zoning Map of the City and County of San Francisco. It would change the current 40-X height and bulk designation, and assign new height and bulk districts throughout Treasure Island and Yerba Buena Island, ranging from 25-TI to 125-TI and providing for "Flex Height Zones" ranging from 240 feet to 450 feet. On Yerba Buena Island the height districts would include 35-Low-rise, Mid-rise, and 35-2Y-YBI. Bulk Districts would be those established in the Planning Code Section 249.52.

Finally, the legislation would also add Sectional Map SU14 to the Zoning Map of the City and County of San Francisco, to include a new Special Use District for the development of the islands, as set forth in Planning Code Section 249.52.

The Ordinance would adopt environmental findings and findings of consistency with the General Plan and priority policies of Planning Code Section 101.1.

RESOLUTION TO APPROVING AMENDMENTS TO THE SAN FRANCISCO ZONING MAPS BY ADDING NEW SECTIONAL MAP ZN14 TO SHOW THE ZONING DESIGNATIONS OF TREASURE ISLAND AND YERBA BUENA ISLAND; ADDING NEW SECTIONAL MAP HT14 TO ESTABLISH THE HEIGHT AND BULK DISTRICT FOR TREASURE ISLAND AND YERBA BUENA ISLAND; AND ADDING NEW SECTIONAL MAP SU14 TO ESTABLISH THE TREASURE ISLAND/YERBA BUENA ISLAND SPECIAL USE DISTRICT.

RECITALS

WHEREAS, Section 4.105 of the Charter provides that the Planning Commission ("Commission") may propose for consideration by the Board of Supervisors ("Board") ordinances regulating or controlling the height, area, bulk, set-back, location, use or related aspects of any building, structure or land; and,

WHEREAS, One of the purposes of the Planning Code is to guide, control, and regulate future growth and development in accordance with the General Plan of the City and County of San Francisco; and,

WHEREAS, The proposed reclassification of the existing P (Public) District and the 40-X Height and Bulk District is necessary in order to facilitate the development of Treasure Island and Yerba Buena Island as envisioned in the Treasure Island/Yerba Buena Island Area Plan. Specifically, the proposed amendment would amend the Zoning Map to show the zoning designations of Treasure Island and Yerba Buena Island, establish the "TI" Height and Bulk District for Treasure Island and Yerba Buena Island, and establish the Treasure Island/Yerba Buena Island Special Use District which would include the following Assessor's Blocks and Lots: Block 1939, Lots 001 and 002. These new Districts would refer to the Treasure Island/Yerba Buena Island Special Use District, as set forth in Planning Code Section 249.52, as a regulatory framework for land use and design controls governing the proposed Treasure Island/Yerba Buena Island Project ("the Project"); and,

WHEREAS, A primary objective of the Project is to create sustainable economic development, affordable housing, public parks and open space and other community benefits by development of the under-used lands within the project area; and,

WHEREAS, Originally constructed in 1937 as a possible site for the San Francisco Airport, Treasure Island was first used to host the Golden Gate International Exposition from 1939-1940. Shortly thereafter in World War II, the United States Department of Defense converted the island into a naval station, which operated for more than five decades. Naval Station Treasure Island was subsequently closed in 1993 and ceased operations in 1997. Since the closure of the base, the City and the community have been planning for the reuse of former Naval Station Treasure Island and adjacent Yerba Buena Island; and,

WHEREAS, Former Naval Station Treasure Island consists of approximately 550 acres including Yerba Buena Island. Today the site is characterized by aging infrastructure, environmental contamination from former naval operations, deteriorated and vacant buildings, and asphalt and other impervious surfaces which cover approximately 65% of the site. The site has few public amenities for the approximately 1,820 residents who currently reside on the site. This legislation creating the Treasure Island/Yerba Buena Island Special Use District, the Treasure Island/Yerba Buena Island Height and Bulk District, and the related zoning and General Plan amendments will implement the Project; and,

WHEREAS, The Project will include (a) approximately 8,000 new residential units, of which at least 25 percent (2,000 units) will be made affordable to a broad range of very-low to moderate income households, (b) adaptive reuse of 311,000 square feet of historic structures, (c) 140,000 square feet of new retail uses and 100,000 square feet of commercial office space, (d) 300 acres of parks and open space, (e) new and or upgraded public facilities, including a joint police/fire station, a school, facilities for the Treasure Island Sailing Center and other community facilities, (f) 400-500 room hotel, and (g) transportation infrastructure, including a ferry/quay intermodal transit center; and,

WHEREAS, In 2003, the Treasure Island Development Authority ("TIDA") selected through a competitive three year long process, Treasure Island Community Development, LLC ("TICD") to serve as the master developer for the Project; and,

WHEREAS, In 2006, the Board endorsed a Term Sheet and Development Plan for the Project, which set forth the terms of the Project including a provision for a Transition Plan for Existing Units on the site. In May of 2010 the Board endorsed a package of legislation that includes and update to the Development Plan and Terms Sheet, terms of an Economic Development Conveyance Memorandum of Agreement for the conveyance of the site from the Navy to the City, and a Term Sheet between TIDA and the Treasure Island Homeless Development Initiative ("TIHDI"); and,

WHEREAS, On March 3, 2011, pursuant to Planning Code Sections 302(b) the Commission initiated Planning Code Map amendments by Resolution No. 18293, that would amend the San Francisco Zoning Maps by amending Section Map ZN14 and adding Sectional Maps HT14 and SU14 to establish the Treasure Island/Yerba Buena Island Special Use District; amending Sectional Map HT14 to establish the Treasure Island/Yerba Buena Island Height and Bulk District; and,

WHEREAS, On April 21, 2011, by Motion No. 18325, the Commission certified the Final Environmental Impact Report ("FEIR") for the Project as accurate, complete and in compliance with the California Environmental Quality Act ("CEQA"); and,

WHEREAS, On April 21, 2011, by Motion No. 18326, the Commission adopted findings under CEQA, the State CEQA Guidelines and Chapter 31 of the San Francisco Administrative Code and made certain findings in connection therewith, which findings are hereby incorporated herein by this reference as fully set forth; and,

WHEREAS, A draft ordinance, substantially in the form attached hereto as Exhibit A, approved as to form, would amend the Planning Code Zoning Maps as described above.

NOW, THEREFORE, BE IT RESOLVED, That the Commission hereby finds that the Planning Code Map amendments promote the public welfare, convenience and necessity for the following reasons:

1. The Zoning Map amendments would enable development that would eliminate blight in the at the Project site including both Treasure Island and Yerba Buena Island. The Zoning Map amendments include a new Treasure Island/Yerba Buena Island Special Use District which will promote vibrant high-density, mixed-use, multi-modal and transit friendly development as a means to fully realize its shoreline location and to help Treasure Island and Yerba Buena Island
2. The Zoning Map amendments support development that will provide a wide range of employment opportunities in wide range of fields and employment levels.
3. The Zoning Map amendments promote the possibility of new emerging industries including space for office and related uses.
4. The General Plan amendments promote development that will provide affordable housing units at a range of income levels.
5. Development enabled by the Zoning Map amendments would strengthen the economic base of the Project site and the City as a whole by strengthening retail and other commercial functions in the Project site community through the addition of 140,000 square feet of neighborhood serving retail, 100,000 square feet of office space and other community facilities. Development enabled by the Zoning Map amendments includes the opportunity for substantial new and renovated publicly accessible open space.
6. The Zoning Map amendments include objectives and policies that promote multi-modal transportation including ferry service, an on-island shuttle service, transportation demand management strategies including the implementation of a congestion pricing program. Objectives and policies also emphasize the need to accommodate and prioritize travel by bicycle and by foot.
7. The Zoning Map amendments will facilitate development that will utilize sustainable design strategies, including strategies to address sea level rise and construct sustainable green infrastructure; and, be it

FURTHER RESOLVED, That the Commission finds the Zoning Map amendments are in general conformity with the General Plan, and Planning Code Section 101.1(b) pursuant to Planning Commission Motion No. 18328. The findings attached to Resolution No. 18328 as Exhibit B, are hereby incorporated herein by this reference as if fully set forth; and, be it

FURTHER RESOLVED, That pursuant to Planning Code Section 302, the Commission recommends to the Board of Supervisors approval of the Zoning Map amendments.

I hereby certify that the foregoing Resolution was ADOPTED by the San Francisco Planning Commission on April 21, 2011.
