1 [Police Code - Tenderloin Retail Hours Restriction Pilot Program]

2  
3 **Ordinance amending the Police Code to create a two-year pilot program, during which**  
4 **retail food and tobacco establishments in a high-crime area of the Tenderloin police**  
5 **district are prohibited from being open to the public from 12:00 a.m. to 5:00 a.m., or**  
6 **from 2:00 a.m. to 5:00 a.m. if subject to regulation by the California Department of**  
7 **Alcoholic Beverage Control; and authorizing the Department of Public Health to impose**  
8 **administrative fines for violation of the hours restrictions; declaring an**  
9 **establishment’s operation in violation of the hours restrictions to be a public**  
10 **nuisance; authorizing enforcement actions by the City Attorney; and creating a**  
11 **private right of action for persons harmed by a violation of the hours restriction.**

19 Be it ordained by the People of the City and County of San Francisco:

20 Section 1. The Police Code is hereby amended by adding Article 58, consisting of  
21 Sections 5800 - 5813, to read as follows:

22 **ARTICLE 58: TENDERLOIN RETAIL ESTABLISHMENT PILOT PROGRAM**

23 **SEC. 5800. FINDINGS AND PURPOSE.**

24 *(a) There is a worsening epidemic of opioid addiction and use in San Francisco, as in other*  
25 *major U.S. cities.*

1           (b) San Francisco’s Tenderloin police district (the “Tenderloin”) has the City’s highest rate of  
2 drug-related crime, including narcotics offenses and gun-related crimes frequently connected with drug  
3 offenses. The Tenderloin is also home to a high density of low- and middle-income families, including  
4 many families with children.

5           (c) The high rate of drug-related crime in the Tenderloin leads individuals and families that  
6 live, work, and attend school in the neighborhood to believe they face health and safety risks, including  
7 exposure to drugs, needles, human waste, uncontained refuse, and other hazardous materials that are  
8 left on sidewalks and streets. People who live, work, and attend school in the neighborhood have also  
9 expressed fear about exposure to drug sales and use, gunshots, physical assault and intimidation by  
10 individuals or groups engaged in illegal activity, and property crimes such as theft and damage to  
11 storefronts and vehicles.

12           (d) The prevalence of drug sales and use in the Tenderloin prompted the City to launch the  
13 Drug Market Agency Coordinated Command, led by the Police Department, to coordinate City, state,  
14 and federal resources to abate drug sales and use, and related criminal conduct, in the Tenderloin.

15           (e) Outdoor, public drug sales and use in the Tenderloin are common and cause particularly  
16 acute public health and safety risks late at night (including in the very early hours of the morning),  
17 when large groups gather in lighted areas adjacent to open retail food and tobacco businesses to  
18 engage in drug sales and use.

19           (f) Large gatherings of people engaged in drug sales and use are particularly prevalent in the  
20 area of the Tenderloin bounded to the north by O’Farrell Street, to the south by McAllister Street, to  
21 the east by Jones Street, and to the west by Polk Street (an area referred to in this Article 58 as the  
22 “Tenderloin Public Safety Area”). The Police Department has analyzed 2023 incident reports for  
23 narcotics crimes and other crimes frequently connected with drug activity in the Tenderloin, and  
24 determined that a relatively high concentration of these incidents between the hours of 12:00 a.m. and  
25 5:00 a.m. were reported in the Tenderloin Public Safety Area. The Police Department has also

1 observed that, as compared with similar-sized areas in the City, including other areas in the  
2 Tenderloin, the Tenderloin Public Safety Area has the highest concentration of large groups engaged in  
3 drug sales and use in public, outdoor spaces during late night (which includes very early morning)  
4 hours.

5 (g) Large groups of people engaged in drug sales and use in the Tenderloin Public Safety Area  
6 generally form and congregate in the vicinity of retail businesses selling food and tobacco products  
7 that are open to the public during those hours. By being open so late, these retail food and tobacco  
8 establishments in effect facilitate the late nighttime drug market by providing a lighted gathering point  
9 for drug users and dealers, by enabling drug user and dealers to take cover indoors to avoid police  
10 patrols, and, in some cases, by selling tobacco, tobacco paraphernalia, and other retail goods used by  
11 people engaged in drug use and sales.

12 (h) The Police Department compared 2023 data regarding narcotics offenses and other  
13 serious crimes often connected with narcotics – including homicide, rape, robbery, assaults, and  
14 shootings – that occurred between 12:00 a.m. and 5:00 a.m. in the Tenderloin Public Safety Area with  
15 the same data from an area around Portsmouth Square in Chinatown. The selected Portsmouth Square  
16 area is equivalent to the Tenderloin Public Safety Area in size and in its combination of commercial  
17 and residential uses, but in contrast to the Tenderloin Public Safety Area, the Portsmouth Square area  
18 has few or no retail food and tobacco businesses open to the public late at night. The Police  
19 Department found that the rate of serious crime between 12:00 a.m. and 5:00 a.m. was significantly  
20 higher in the Tenderloin Public Safety Area than in the Portsmouth Square area: Approximately 190  
21 incidents of serious crime occurred in the Tenderloin Public Safety Area between 12:00 a.m. and 5:00  
22 a.m. during 2023, as compared with approximately 30 such incidents in the targeted Portsmouth  
23 Square area.

24 (i) The gatherings of large groups engaged in drug activity late at night in the Tenderloin  
25 Public Safety Area present particular health and safety risks and give rise to feelings of insecurity and

1 fear on the part of local residents. The large groups contribute to property crimes and violent crime in  
2 the area. They leave large amounts of debris on the streets and sidewalks, creating unsanitary  
3 conditions. Residents living closest to congregation points for these groups, especially seniors and  
4 families with children, have expressed that they are so anxious about the hostile conditions they  
5 encounter on neighborhood sidewalks that they feel fearful to walk outdoors during the nighttime and  
6 early morning hours, when they are likely to encounter these groups engaged in drug-related activity  
7 and the debris generated by the groups. Residents must move past and through these large crowds in  
8 order to access or leave their homes; they describe feeling threatened and unsafe.

9 (j) Large groups engaged in drug use and sales late at night also present serious challenges to  
10 effective law enforcement. Large groups are difficult for the police to control and pose safety risks for  
11 officers, as the people engaged in illegal activity typically outnumber police officers on patrol. It is  
12 more difficult for police officers to observe and document behavior by individuals that would establish  
13 the reasonable suspicion or probable cause required for officers to initiate enforcement actions when  
14 individuals engaged in criminal conduct are embedded in a large crowd. Individuals are easily lost or  
15 concealed in a crowd, particularly when the crowd is comprised of many people engaging in illegal  
16 activity. And proximity to open retail businesses enables individuals engaged in criminal activity to  
17 take cover inside the open retail business when a police patrol appears.

18 (k) The Office of the Mayor and the Police Department assert that Bbarring retail food  
19 and tobacco establishments from being open to the public between 12:00 a.m. and 5:00 a.m. is likely to  
20 yield public safety gains for local residents and visitors. Eliminating the nighttime safety problems is  
21 likely to increase the overall vibrancy of the Tenderloin, which could yield economic benefits to  
22 businesses impacted by the restriction on hours of operation.

23 (l) In spite of the Department of Health's 2022 Overdose Prevention Plan, which  
24 committed to open multiple "Wellness Hubs" across San Francisco in various impacted  
25 neighborhoods to reach people who use drugs, provide overdose prevention services, and

1 ultimately help improve street conditions in San Francisco, the City has not operated any such  
2 sites since the closure of the Tenderloin Center, in December 2022.

3 (m) Some businesses in the Tenderloin Public Safety Area, as of June 2024, have  
4 an active liquor license from the California Department of Alcoholic Beverage Control (ABC),  
5 and are already highly regulated, required to close by 2:00 a.m., and required to adhere to  
6 strict operating standards as a condition of their license.

7 (n) Based on the foregoing, †The Office of the Mayor and the Police Department  
8 assert that the requirements imposed in this Article 58 are likely to improve public safety in the  
9 Tenderloin. This pilot program, prohibiting for two years retail food and tobacco establishments in the  
10 Tenderloin Public Safety Area from being open to the public between 12:00 a.m. and 5:00 a.m., or  
11 between 2:00 a.m. and 5:00 a.m. if they are ABC licensees, will enable the Police Department  
12 and certain other City departments to evaluate the effectiveness of this restriction in improving  
13 public safety in the Tenderloin. This will inform the judgment of the Police Department and  
14 policymakers as to next steps to take to maintain public safety in the Tenderloin.

15 (o) While the restrictions in Article 58 may affect some businesses and may result in  
16 some level of hardship for those businesses, the City, in reliance upon the judgment of the  
17 Police Department, has determined that the potential benefits of these restrictions outweigh  
18 the potential harms, as the restrictions are attempting to address the urgent needs and  
19 conditions that exist in the Tenderloin Public Safety Area.

20 (p) To ensure positive investment in the community during the pilot program, the  
21 City should ensure that community ambassadors, enhanced regular street and sidewalk  
22 cleaning, and trash pickup are prioritized within the Tenderloin Public Safety Area.

23 (q) This Article 58 is not intended to limit the enforcement of other laws and  
24 regulations by City departments, including but not limited to the City Attorney, Department of  
25 Public Health, Police Department, and Sheriff's Office, to address the conditions noted herein.

1 and any state or federal agencies and regulators with jurisdiction to address matters that arise  
2 within the Tenderloin Public Safety Area.

3 (r) The Board of Supervisors urges the Office of the Mayor, the Police Department,  
4 and other City departments, as applicable, to continue to undertake enforcement efforts  
5 during this pilot program against businesses that are engaged in conduct that is already  
6 illegal, including illegal onsite gambling, fraud, and health and safety violations.

7  
8 **SEC. 5801. DEFINITIONS.**

5 **SEC. 5802. ESTABLISHMENT OF TWO-YEAR PILOT PROGRAM TO PROHIBIT**  
6 **OPERATION OF RETAIL ESTABLISHMENTS IN THE TENDERLOIN PUBLIC SAFETY**  
7 **AREA DURING RESTRICTED HOURS.**

8 (a) For a two-year period beginning on the effective date of this Article 58, no Retail  
9 Establishment as defined in section 5801 that is located in the Tenderloin Public Safety Area may  
10 be open to the public during applicable Restricted Hours.

11 (b) At least 15 days prior to the start of the pilot program, DPH and OEWD shall  
12 contact all Retail Establishments (including ABC Licensees) to explain the new restrictions  
13 and restricted hours. Such contact shall be conducted in the appropriate language to ensure  
14 that the operator of the establishment is able to understand the new restrictions. In addition,  
15 OEWD shall create a way for businesses in the Tenderloin Public Safety Area to provide  
16 feedback to the City regarding the pilot program, its enforcement, and its effects.

17  
18 **SEC. 5803. ADMINISTRATIVE ENFORCEMENT – DEPARTMENTS.**

19 (a) Enforcing Department. This Article 58 shall be administered and enforced by the  
20 Department of Public Health (DPH). The Director may adopt rules, regulations, and guidelines to  
21 carry out the provisions and purposes of this Article.

22 (b) Supporting Department. The Police Department shall ensure that its members document  
23 violations of Section 5802 in incident reports or other formats, such as body-worn camera footage,  
24 provided those other formats capture the information typically included in an incident report, and shall  
25 refer documented violations to DPH for enforcement. The Police Department shall assist in DPH’s

1 administrative enforcement as requested by DPH, including by providing incident reports or equivalent  
2 documentation and other evidence when requested by DPH, and by making Police Department  
3 members available to provide declarations and/or testimony at hearings when requested by DPH.

4  
5 **SEC. 5804. ADMINISTRATIVE ENFORCEMENT PROCEDURE – NOTICE OF**  
6 **VIOLATION, HEARING, AND ORDER.**

7 (a) If the Director determines that a Retail Establishment (including an ABC Licensee) has  
8 violated Section 5802, the Director may issue a Notice of Violation to the Retail Establishment, the  
9 owner of real property where the violation occurred, and/or other person(s) the Director deems  
10 responsible for causing the violation (collectively, “Responsible Parties”). The issuance of the Notice  
11 of Violation may be by hand delivery, registered mail, or electronic mail. The Notice of Violation may  
12 be directed at one or more Responsible Parties; use herein of the singular term “Responsible Party” is  
13 merely for ease of reference.

14 (b) The Notice of Violation shall include the following information:

15 (1) That the Director has determined that the Retail Establishment has operated in  
16 violation of this Article 58;

17 (2) The alleged acts or failures to act that constitute the basis for the Director’s  
18 determination;

19 (3) That the Director intends to take enforcement action against the Responsible Party,  
20 and the nature of that action, including the administrative penalty and enforcement costs to be  
21 imposed;

22 (4) That the Responsible Party has the right to request a hearing before the Director  
23 within 15 days after the Notice of Violation is issued, which request must be made in writing.

24 (c) If no request for a hearing is filed with the Director within the appropriate period, the  
25 right to request a hearing shall be deemed waived, and the Director’s determination shall become final

1 and effective 15 days after the Notice of Violation was issued. The Director shall issue an order  
2 imposing the enforcement action, and shall send the order to the Responsible Parties by hand  
3 delivery, registered mail, or electronic mail. In subsequent civil proceedings, such violations shall be  
4 deemed not to have been corrected. The failure of the Responsible Party to request a hearing shall  
5 constitute a failure to exhaust administrative remedies and shall preclude the Responsible Party from  
6 obtaining judicial review of the validity of the enforcement action.

7 (d) Upon a timely request for a hearing, the Director shall, within 15 days of the request,  
8 notify the Responsible Party of the date, time, and place of the hearing. Such notification may be made  
9 by hand delivery, registered mail, or electronic mail. The Director shall make available to the  
10 Responsible Party any evidence obtained in support of the Notice of Violation. Such hearing shall be  
11 held no later than 60 days after the Director receives the request, unless time is extended by mutual  
12 agreement of the Responsible Party and the Director.

13 (e) The Director shall serve as hearing officer and conduct the hearing, or the Director shall  
14 designate another person to serve as hearing officer, who shall have the same authority as the Director  
15 to hear and decide the case and make any orders consistent with this Article 58. The Responsible Party  
16 may present evidence for consideration, subject to any rules adopted by the hearing officer for the  
17 orderly conduct of the hearing. Within 60 days of the conclusion of the hearing, the hearing officer  
18 shall render a decision in the form of a written order, which the Director shall promptly serve on the  
19 Responsible Parties. Service of the written order may be made by hand delivery, registered mail, or  
20 electronic mail. The order shall state whether the Notice of Violation has been upheld (in whole or in  
21 part), and the enforcement action taken against each party.

22 (f) If the order directs the Responsible Party to pay an administrative penalty and/or  
23 enforcement costs, such amount shall be paid within fifteen days from the mailing of the order; the  
24 order shall inform the Responsible Party of such deadline for payment.

1            **SEC. 5805. VIOLATIONS, ADMINISTRATIVE PENALTIES, AND ENFORCEMENT**

2            **COSTS.**

3            (a) Violations Subject to Penalties. For purposes of assessing penalties for violation of  
4            Section 5802, each one-hour period within Restricted Hours during which, at any time, a Retail  
5            Establishment is open to the public in violation of Section 5802 is a separate violation. A Responsible  
6            Party may not be cited or found civilly liable for multiple violations of Section 5802 in a single 12 a.m.-  
7            to-5 a.m. period (or 2 a.m.-to 5-a.m. period in the case of ABC Licensees), unless (1) the  
8            violations are at least one hour apart from one another, and (2) at the time of the preceding violation,  
9            the Responsible Party receives warning of its violation of Section 5802 and continues to operate or  
10           operates again in violation of Section 5802 after such warning has been given.

11           (b) Penalty Amounts. In setting the amount of the administrative penalty, which shall not  
12           exceed \$1,000 per violation, the Director may consider any one or more mitigating or aggravating  
13           circumstances presented, including, but not limited to, the following: the nature and seriousness of the  
14           misconduct giving rise to the violation, the number of violations, the persistence of the misconduct, the  
15           length of time over which the misconduct occurred, the willfulness of the Responsible Party's  
16           misconduct, and the responsible party's assets, liabilities and net worth.

17           (c) Enforcement Costs. In any action where a violation is found, the Director shall assess  
18           DPH's costs of enforcement against the Responsible Party.

19           (d) Payment and Collection of Administrative Penalty and Enforcement Costs. Any  
20           administrative penalty and/or enforcement costs assessed under this Article 58 is a debt to the City and  
21           shall be paid to the Treasurer of the City and County of San Francisco. Any amount paid late shall be  
22           subject to an additional late fine of 10% on the unpaid amount. The sum of the unpaid amount and the  
23           10% late fine shall accrue interest at the rate of 1% per month (or fraction thereof) until fully paid; any  
24           partial payments made shall first be applied to accrued interest. The City may file a civil action or  
25           pursue any other legal remedy to collect such unpaid amount, fine, and interest. In any civil action for

1 collection, the City shall be entitled to obtain a judgment for the unpaid amounts, fine, and interest, and  
2 for the costs and attorneys' fees incurred by the City in bringing such civil action.

3 (e) Lien for Administrative Penalty. Where an activity or condition on San Francisco real  
4 property has caused, contributed to, or been a substantial factor in causing the violation, the Director  
5 may initiate proceedings to make any unpaid administrative penalty, enforcement costs, fine, and  
6 interest, and all additional authorized costs and attorneys' fees, a lien on the property. Such liens shall  
7 be imposed in accordance with Administrative Code Sections 10.230-10.237, or any successor  
8 provisions. Before initiating lien proceedings, the Director shall send a request for payment under  
9 Administrative Code Section 10.230A.

10  
11 **SEC. 5806. PUBLIC NUISANCE.**

12 A Retail Establishment's operation in violation of Section 5802 shall be a public nuisance,  
13 which may be remedied as provided by law, including, but not limited to, the provisions of Article 3  
14 (commencing with Section 11570) of Chapter 10 of Division 10 of the California Health and Safety  
15 Code.

16  
17 **SEC. 5807. ENFORCEMENT BY CITY ATTORNEY.**

18 (a) The City Attorney may at any time institute civil proceedings for injunctive and monetary  
19 relief, including civil penalties, against any Retail Establishment for violation of this Article 58, without  
20 regard to whether the Director has issued a notice of violation, instituted abatement proceedings,  
21 scheduled or held a hearing on a notice of violation, or issued a final decision.

22 (b) At any time, the Director may refer a case to the City Attorney's Office for civil  
23 enforcement, but a referral is not required for the City Attorney to bring a civil action under subsection  
24 (a).

1           (c) Action for Injunction and Civil Penalty. Any Retail Establishment that violates Section  
2 5802 shall be enjoined and shall be subject to a civil penalty in an amount not to exceed \$1,000 per  
3 violation, subject to the limitations set forth in Section 5805(a), above. Such penalty shall be assessed  
4 and recovered in a civil action brought in the name of the people of the City and County of San  
5 Francisco by the City Attorney in any court of competent jurisdiction. In assessing the amount of the  
6 civil penalty, the court shall consider any one or more of the relevant circumstances presented by any  
7 of the parties to the case, including but not limited to, the following: the nature and seriousness of the  
8 misconduct giving rise to the violation, the number of violations, the persistence of the misconduct, the  
9 length of time over which the misconduct occurred, the willfulness of the defendant's misconduct, and  
10 the defendant's assets, liabilities and net worth.

11           (d) Attorneys' Fees. The City Attorney shall recover reasonable attorneys' fees if the City is  
12 the prevailing party in any court case or special proceeding to enforce this Article 58 and if the City  
13 Attorney elects, at the initiation of the action, to seek recovery of attorneys' fees and provides notice of  
14 such intention to the adverse party or parties.

15           (e) Remedies under this Section 5807 are non-exclusive and cumulative to all other remedies  
16 available at law or equity.

17  
18           **SEC. 5808. PRIVATE RIGHT OF ACTION.**

19           (a) Any Retail Establishment that violates Section 5802 may be liable for damages in a civil  
20 action brought by any person that has been harmed by the Retail Establishment's operation in violation  
21 of Section 5802. Such damages shall be in addition to any other rights and remedies that may be  
22 available to the person bringing a civil action under this Section 5808.

23           (b) No person may commence an action under Section 5808(a) without first  
24 providing written notice to the City Attorney of their intent to commence an action against a  
25 Retail Establishment. The person must deliver the written notice to the City Attorney at least

1 60 days prior to commencing the action. Notwithstanding Section 5808(a) and the foregoing  
2 sentences of this Section 5808(b), no person may commence an action against a Retail  
3 Establishment under Section 5808(a) if the City Attorney has already commenced an action  
4 against that Retail Establishment and the City Attorney’s action is ongoing, regardless of  
5 whether at the time of commencing such action there has been delivery of such notice, or, if  
6 there has been delivery of such notice, whether the City Attorney’s action has commenced  
7 before, on, or after the 60th day following delivery of such notice.

8 (bc) This Article 58 shall not create any private right of action against the City.  
9  
10

11 **SEC. 5809. REPORTING REQUIREMENTS**

12 Six months following the start of this pilot program, the Drug Market Agency  
13 Coordination Center (“DMACC”) shall submit a report to the Clerk of the Board of Supervisors,  
14 along with a proposed resolution accepting the report. The report shall outline progress made  
15 to address conditions in the Tenderloin Public Safety Area, including enforcement under  
16 Article 58 and other City-led enforcement actions related to addressing the conditions noted in  
17 Section 5800, including updates from DMACC, the City Attorney, DPH, the Police  
18 Department, the Sheriff and any other entities working with the City. While the report may  
19 include other details as departments see fit to include, the report shall at minimum include  
20 information about how crime patterns and statistics have changed in the Tenderloin Public  
21 Safety Area, number of enforcement actions under Article 58, other related enforcement  
22 actions in the Tenderloin Public Safety Area, and reported calls for service during early  
23 morning hours throughout the duration of the pilot program.  
24  
25

1           The report shall also include updates from OEWD about outreach efforts and any other  
2 programs designed to help businesses within the Tenderloin Public Safety Area and an  
3 overview of feedback from businesses regarding the effects of the pilot program.

4           A hearing shall be held on the matter by the Board of Supervisors or one of its  
5 committees.

6  
7           **SEC. 58105809. NO CONFLICT WITH FEDERAL OR STATE LAW.**

8           *Nothing in this Article 58 shall be interpreted or applied so as to create any requirement,*  
9 *power, or duty in conflict with any federal or state law.*

10  
11           **SEC. 58115810. UNDERTAKING FOR THE GENERAL WELFARE.**

**REVISED LEGISLATIVE DIGEST**  
*(Amended in Committee – July 1, 2024)*

[Police Code - Tenderloin Retail Hours Restriction Pilot Program]

**Ordinance amending the Police Code to create a two-year pilot program, during which retail food and tobacco establishments in a high-crime area of the Tenderloin police district are prohibited from being open to the public from 12:00 a.m. to 5:00 a.m., or from 2:00 a.m. to 5:00 a.m. if subject to regulation by the California Department of Alcoholic Beverage Control; authorizing the Department of Public Health to impose administrative fines for violation of the hours restrictions; declaring an establishment’s operation in violation of the hours restrictions to be a public nuisance; authorizing enforcement actions by the City Attorney; and creating a private right of action for persons harmed by a violation of the hours restriction.**

Amendments to Current Law

This ordinance would establish a two-year pilot program during which food markets and tobacco establishments (“Retail Establishments”) in a section of the Tenderloin bounded to the north by O’Farrell Street, to the south by McAllister Street, to the east by Jones Street, and to the west by Polk Street (the “Tenderloin Public Safety Area”) would be prohibited from being open to the public between 12:00 a.m. and 5:00 a.m. If a Retail Establishment had a license to sell from the California Department of Alcoholic Beverage Control (“ABC”), then the prohibition would apply from 2:00 a.m. to 5:00 a.m.

The Department of Public Health would be responsible for administrative enforcement of the prohibition, with support from the Police Department. A violator could be liable for administrative fines of up to \$1,000 per violation, together with enforcement costs, with a single violation defined on a per-hour basis, though a violator could face multiple citations in a single 12:00 a.m. to 5:00 a.m. period (or in a single 2:00 a.m. to 5:00 a.m. period, in the case of an ABC licensee) only if they received written warning following the first violation and again operated in violation of the hours restriction. A violator could also be liable for civil penalties pursued by the City Attorney in a civil action, and attorneys’ fees and costs. The ordinance also declares a business’s operation in violation of the ordinance to be a public nuisance. the ordinance creates a private right of action for a person able to prove in a civil action that they were harmed by an establishment’s operation in violation of the hours restriction, so long as the person provides 60 days’ notice to the City Attorney prior to commencing an action against a retail establishment, and provided there is not a pending lawsuit brought by the City Attorney against the same retail establishment at the time the person commences an action.

Background Information

The Police Department has documented through crime data, photographs, and patrol officers' observations that large groups of people engaged in illicit drug sales and use congregate close to open food markets and tobacco establishments in the late night and early morning hours in the Tenderloin Public Safety Area. These late-night gatherings contribute to various types of criminal activity, impede law enforcement operations, leave behind significant debris and unsanitary waste, and lead residents of the area to feel unsafe and reluctant to venture outside during nighttime hours.

The Police Department believes that restricting food markets and tobacco establishments in the Tenderloin Public Safety Area from being open to the public between the hours of 12:00 a.m. and 5:00 a.m. will help limit the congregation of large groups engaged in drug activity, and thereby facilitate effective law enforcement in the area, reduce the accumulation of unsafe and unsanitary debris, and reduce residents' fear and insecurity related to these nighttime conditions.

This version of the digests reflects amendments in Committee, to provide that Retail Establishments that have ABC licenses are prohibited from being open to the public only between 2:00 a.m. and 5:00 a.m., and to require that a progress report be submitted to the Board of Supervisors six months following the start of the pilot program.

## **Amendments to Mayor's Tenderloin Business Closure Legislation**

June 17, 2024

This updates our summary of June 14, 2024 to reflect a negotiated compromise with the Mayor's Office and stakeholders.

Our office has spent the past month speaking to residents, merchants, and other community stakeholders about the Mayor's proposal to shut down retail establishments in the Tenderloin after midnight. Through these discussions, one thing has become clear: everyone agrees that nighttime conditions in the Tenderloin need to change, and that the City isn't doing enough to address these conditions. We need to come together to support the residents and small businesses in the difficult environment in the Tenderloin.

Based on the feedback and negotiations with the Mayor's office and stakeholders, we have reached a deal that adds amendments that will protect vulnerable businesses in the neighborhood, including corner stores that serve the community at night. The amendments will allow corner stores (already strictly regulated by ABC) to stay open until 2am; modify the enforcement provisions to protect businesses from frivolous lawsuits; and add provisions to require outreach to businesses in language, enhanced neighborhood services, and a 6-month report on the impact of the pilot on small businesses and the neighborhood. The amendments also call on departments to undertake enforcement against businesses that are engaged in conduct that is already illegal, including illegal onsite gambling, fraud, or other health and safety violations.

We believe that these changes will allow the City to pilot this ordinance and work to address street conditions in the Tenderloin during nighttime hours while also protecting small businesses that are not doing anything wrong from unfair punishment. We want to thank all stakeholders for their collaboration and good faith efforts to come together around these improvements to the Ordinance.

Good afternoon, Madam Chair, Supervisor Peskins and Supervisor Preston.

My name is Gregg Johnson and for the past several years I have worked side by side with many individuals who make up the Tenderloin. Being a 5<sup>th</sup> generation member of a proud family who has not only worked for this city, but my grandmother turned away nobody because of a lack of money. My values are rooted in this history and today is no different. We have heard from members of the community and business owners. It would seem that everyone has a dog in this fight. This is what I know.

It has taken aggressive action and the knowledge of Federal, State, and local officials to bring pressure to bear upon open air drug sales and usage in the Tenderloin. We were told more than a year ago that we cannot expect to see results overnight. But standing here today, I am telling this committee that we can see NOW what did could not then. There is not one person in this room who will publicly admit that they condone the violence we have seen in the Tenderloin. Likewise, there is no law-abiding citizen here who will admit that they feel safe walking the streets of TL from 12midnight to 5am. And if my grandmother were standing here, she would say that it's the devil's time.

I escorted my dad's sister to an old haunt she loves (the Black Cat) a couple weekends ago – she lives in Bayview and retired from Emporiums when it closed. Sunday morning, we went to Glide. This committee has a letter from her. I told her that we are working to change not simply the image or perception of the Tenderloin but to let everyone know that we are not only here, but we are open for business. I'm here today to say that I am aware of the amount of federal and state money that is received into and being spent within this neighborhood. I have been researching it for a long time and while it is not part of this statement today, I will say that I do not believe that any business operating in the TL will go out of business by closing from 12 to 5am. I walk past street vendors because I am not going to support illegal activities. When I walk into a store to make a purchase, the last thing that I am expecting is to purchase a product that was stolen from Walgreens they did not completely remove the tag. The seller of that product to me is among this audience today. This is why I have not been back into your store.

How many of us, did not think we would see a major improvement in open air drug sales? It did not happen overnight, and the plan of the mayor should be allowed to be put in place, tweaked, take hold, while we support, comment, and offer suggestions on ways to improve. This is not an unreasonable request but a way of being a sense of normalcy back to a neighborhood that has gone too far long without it. None of us can turn back the hands of time to 50 years ago but know that the next 50 will rest squarely on the shoulders of those who will not come to grips with reality and stop putting profits over public safety. My grandmother would tell me, if you are not apart of the solution – you must be a part of the problem.

## Madam Chair, and Supervisors Preston and Peskins

My name is Carolyn Duty. I am 79 years young, and I use the pronouns She, Her and Hers. I was employed for thirty-six (36) years by Emporium-Capwell, also known as Weinstock, Capwell, Broadway, Emporium. I retired only because of their closure in 1995. I grew up in the Hunter's Point/Bayview area and spent many nights listening to jazz in either the Fillmore or the Tenderloin. My in-laws were partners in the Black Cat from 1955 to 1963. My brother's son returned here in 2017 after a career with Exxon Oil Company. Between 1996 and 2000, my brothers, sisters, nephews and nieces, cousins and grand children sold their property in San Francisco and moved to Richmond, Vallejo, and Vacaville where they purchased homes in sub-divisions. My oldest brother served this city as a DPW worker for more than 30 years and today several of my nephews work for the city.

This past weekend was the first time in more than 20 years that I visited the Tenderloin with my nephew who talked me into making the excursion and I actually enjoyed myself. I spent a few moments talking to someone I thought had moved on, but she is a fighter and a good soul. The purpose for this letter is to let this commission know that the Tenderloin is worth saving. My nephew assured me that the Tenderloin is much safer today than 3 years ago and I did not believe him. We have lost so much of this city during the past decade and people like my nephew risk it all and I had to ask why. He said, "because it's worth saving for those who will come after me". So, because he showed me a lovely evening Saturday and took me to Sunday services at Glide I stand in support of him, his efforts and those he volunteers with.

Thank you for taking the time to read and consider my letter

Sincerely,  
Ms. Carolyn Duty
