2) Description of Process to Determine Reported Expenditures

The San Francisco Office of AIDS Administration utilizes a diverse range of expense fields to track and monitor maintenance of effort expenditures, as described in the table above. This includes expenditures for core and non-core Part A services and expenditures that incorporate all three counties of the San Francisco EMA. Utilizing a cross-service approach provides a reliable indicator of continuing support for HIV/AIDS services throughout the region.

3) Waiver

A waiver was not requested for the Maintenance of Effort section in the previous Ryan White Part A fiscal year.
