10 Avenue (“Project”): is consistent with the development density established by the zoning,
11 community plan, and general plan policies in the Eastern Neighborhoods Rezoning and Area
12 Plan project area, for which the FEIR was certified; would not result in new significant
13 environmental effects, or effects of greater severity than were already analyzed and disclosed
14 in the FEIR; and is therefore exempt from further environmental review under the California
15 Environmental Quality Act (CEQA), Public Resources Code, Section 21000 et seq., the CEQA
16 Guidelines, and Administrative Code, Chapter 31, in accordance with CEQA, Section 21083.3

5 CEQA, Section 21083.3 and CEQA Guidelines, Section 15183; and

6 WHEREAS, The Planning Department’s Environmental Review Officer, by

12 WHEREAS, In reviewing the appeal of the exemption determination, this Board
13 reviewed and considered the exemption determination, the appeal letter, the responses to the
14 appeal documents that the Planning Department prepared, the other written records before
15 the Board of Supervisors, and all of the public testimony made in support of and opposed to
16 the exemption determination appeal; and

17 WHEREAS, Following the conclusion of the public hearing, the Board of Supervisors
18 affirmed the exemption determination for the project based on the written record before the

25 incorporated in this motion as though set forth in its entirety; now, therefore, be it

1 MOVED, That the Board of Supervisors of the City and County of San Francisco
2 hereby adopts as its own and incorporates by reference in this motion, as though fully set
3 forth, the exemption determination; and, be it

4 FURTHER MOVED, That the Board of Supervisors finds that based on the whole
5 record before it there are no substantial project changes, no substantial changes in project
6 circumstances, and no new information of substantial importance that would change the
7 conclusions set forth in the exemption determination by the Planning Department that the
8 proposed project is exempt from environmental review; and, be it

9 FURTHER MOVED, That after carefully considering the appeal of the exemption
10 determination, including the written information submitted to the Board of Supervisors and the
11 public testimony presented to the Board of Supervisors at the hearing on the exemption
12 determination, this Board concludes that the project is consistent with the development
13 density established by the zoning, community plan, and general plan policies in the Eastern
14 Neighborhoods Rezoning and Area Plan project area, for which the FEIR was certified; would
15 not result in new significant environmental effects, or effects of greater severity than were
16 already analyzed and disclosed in the FEIR; and is therefore exempt from further
17 environmental review in accordance with CEQA, Section 21083.3 and CEQA Guidelines,
