

1 [Calling on SFMTA to calm traffic on Addison Street]

2

3 **Resolution calling on the San Francisco Municipal Transportation Agency (SFMTA) to**  
4 **install speed humps or speed cushions on Addison Street.**

5

6 WHEREAS, Excessive vehicle speed is dangerous to drivers, pedestrians and  
7 property and especially dangerous to the young people who use nearby Haas Playground,  
8 and dangerous to the elderly residents of Addison Street, and

9 WHEREAS, Excessive vehicle speed is a recurring danger on Addison Street and has  
10 been for many years, and

11 WHEREAS, It is not possible for an officer of the San Francisco Police Department to  
12 always be present on Addison to enforce the speed limit, and

13 WHEREAS, Speed humps or speed cushions are designed to slow vehicles without  
14 creating noise or safety issues, now, therefore, be it

15 RESOLVED, That the City and County of San Francisco calls on SFMTA to slow the  
16 traffic on Addison Street by installing speed humps or speed cushions.
