I was a part of the organizing Coalition when we won Free City, a pilot project. I have been honored to serve on the oversight committee during these past several years, being on the Annual Report sub committee and helping to secure the mon with the City's commitment to support the Free City College program for the next 10 years.

I am proud to have been asked by AF+2121 to serve again on this committee.

Business and/or professional experience:

I love City College. I attended City College as did both of my children. I have lived in the City for over 4 decades, working as a union organizer. Supporting public institutions is in my DNA. If chosen, I will continue to work hard to ensure that City College remains the fine institution that serves the needs of all San Franciscans.

Civic Activities:

I also serve on the Home Stabilization Committee. I play an active part in the public schools that my children attended, and now that my grand children attend. And finally, after my day of work is completed, I participate in the running + maintaining of my 300 unit Cooperative living home.

As a current graduate student that has suffered with bouts of common mental issues among students, including depression, anxiety, and an eating disorder, I would bring a highly relevant perspective to the committee. I can speak both as a recent graduate of an undergraduate institution as well as a current graduate student - two perspectives that can inform the programming that is most important to helping current students thrive and reach their academic and career goals.
