LEGISLATIVE DIGEST

[Setting San Francisco's Property Tax Rate and Establishing Pass-Through Rate for Residential Tenants – FY2017-2018]

Ordinance providing revenue and levying property taxes at a combined rate of \$1.1723 on each \$100.00 valuation of taxable property for the City and County of San Francisco, San Francisco Unified School District, San Francisco Community College District, Bay Area Rapid Transit District, and Bay Area Air Quality Management District, and establishing pass-through rate of \$0.0890 per \$100.00 of assessed value for residential tenants pursuant to Chapter 37 of the Administrative Code for the fiscal year ending June 30, 2018.

Existing Law

San Francisco's combined property tax rate and pass-through rate for residential tenants is adopted annually. Article XIII A of the California Constitution and Sections 93 and 100 of the California Revenue and Taxation Code fix the base property tax rate at \$1.0000 on each \$100 valuation of taxable property. The portion of the property tax rate above the fixed amount varies each year based on the anticipated debt service requirements related to voterapproved general obligation bonds.

The Board of Supervisors adopted and the Mayor approved Ordinance Number 184-16 for Fiscal Year 2016-2017. That Ordinance established the 2016-2017 fiscal year's combined property tax rate of \$1.1792 on each \$100 valuation of taxable property within the City and County of San Francisco. Ordinance Number 184-16 also established the property tax pass-through rate of residential tenants of \$0.0840 per \$100 of assessed value based upon the criteria defined in Chapter 37.3(a)(6)(A) and (B) and (C) of the San Francisco Administrative Code.

Amendments to Current Law

This legislation would update the combined property tax rate to \$1.1723 on each \$100 valuation of taxable property within the City and County of San Francisco to reflect the change in anticipated debt service requirements, including a 0.25% administrative allowance to reimburse costs of collection, for Fiscal Year 2017-2018. The legislation also updates the property tax pass-through rate of residential tenants to \$0.0890 per \$100 of assessed value.

Background Information

California Government Code Section 29100 requires the Board of Supervisors to adopt the composite property tax rate for the City and County of San Francisco, San Francisco Unified School District, San Francisco Community College District, Bay Area Rapid Transit District, and Bay Area Air Quality Management District for the fiscal year on or before October 3 of each year. Section 3.3 of the City and County of San Francisco's Administrative Code requires the property tax rate be adopted by the last working day of September. This legislation fulfills both of those requirements.

EXECUTIVE SUMMARY -

Legislative Objective

The proposed ordinance sets the property tax rate for FY 2017-18 for taxing entities within the City and County of San Francisco including (a) the City and County of San Francisco (City); (b) the San Francisco Unified School District (SFUSD); (c) the San Francisco Community College District (SFCCD); (d) the Bay Area Rapid Transit District (BART); and (e) the Bay Area Air Quality Management District (BAAQMD)

Key Points

- The Board of Supervisors annually sets the combined property tax rate that provides revenues for: (1) general operations, (2) specific Charter-required activities such as acquiring open space or constructing, maintaining, and operating the public library; and (3) paying debt service on voter-approved General Obligation bonds that were issued by the City, SFUSD, SFCCD, and BART.
- The proposed ordinance also would set the property tax pass-through rate that landlords can pass-through to tenants in FY 2017-18, as allowed under the City Administrative Code.

Fiscal Impact

- The proposed ordinance would set the combined property tax rate (comprised of the property tax rates levied for all of the taxing jurisdictions within the city) for FY 2017-18 at \$1.1723 per \$100 of assessed value. The FY 2017-18 property tax rate of \$1.1723 is \$0.0069, or 0.59 percent, less than the FY 2016-17 property tax rate of \$1.1792 per \$100 of assessed value.
- The proposed FY 2017-18 property tax rate of \$1.1723 would increase property taxes by \$83.21 on a single-family residence that has an assessed value of \$510,000 in FY 2017-18

Recommendation

Approve the proposed ordinance.

MANDATE STATEMENT

California Revenue and Taxation Code Section 2151 requires the Board of Supervisors to fix the rates of county taxes and to collect the taxes for the City, County, and State.

San Francisco Administrative Code Section 3.3(h) requires the Board of Supervisors to adopt the property tax rate for the City and County of San Francisco before the last working day in September.

City Charter Section 16.107-109 requires that portions of the City's annual property tax levy be set aside for specific uses including: \$0.0250 for the Library Preservation Fund; \$0.0375 for the Children's Fund; and \$0.0250 for the Open Space Acquisition Fund.

San Francisco Administrative Code Section 37.3(a)(6)(A-D), the Residential Rent Stabilization and Arbitration Ordinance, allows landlords to pass through to tenants one-half of property tax increases that result from certain voter-approved General Obligation bonds.

BACKGROUND

The Board of Supervisors annually sets the combined property tax rate that provides revenues for: (1) general operations, (2) specific Charter-required activities such as acquiring open space or constructing, maintaining, and operating the public library; and (3) paying debt service on voter-approved General Obligation bonds that were issued by the City and County of San Francisco (City), the San Francisco Unified School District (SFUSD), the San Francisco Community College District (SFCCD), and the Bay Area Rapid Transit District (BART).

Under the California Revenue and Taxation Code, the base property tax rate that the City can levy on property owners is one percent and can be used for general purposes. Any amount over the base one percent is used to pay for debt service on voter-approved General Obligation bonds.

DETAILS OF THE PROPOSED LEGISLATION

The proposed ordinance sets the property tax rate for FY 2017-18 for taxing entities¹ within the City and County of San Francisco including (a) the City; (b) the San Francisco Unified School District; (c) San Francisco Community College District; (d) BART; and (e) the Bay Area Air Quality Management District (BAAQMD).

The proposed ordinance also would set the property tax pass-through rate that landlords can pass-through to tenants in FY 2017-18, as allowed under the City Administrative Code. The pass through to tenants may only be imposed on a tenant's anniversary date and shall not become part of a tenant's base rent. The allowable tenant pass-through rate is based on the portion of

FISCAL IMPACT

Combined Property Tax Rate

The proposed ordinance would set the combined property tax rate (comprised of the property tax rates levied for all of the taxing jurisdictions within the city) for FY 2017-18 at \$1.1723 per \$100 of assessed value. The FY 2017-18 property tax rate of \$1.1723 is \$0.0069, or 0.59 percent, less than the FY 2016-17 property tax rate of \$1.1792 per \$100 of assessed value. Table 2 below shows the proposed property tax rates for all taxing jurisdictions within the City, as calculated by the Controller.

^{*} Totals may not add due to rounding.

The proposed combined property tax rate shown in Table 2 above includes a 0.25 percent administrative allowance charged on the City's voter-approved General Obligation bonds to reimburse the City for the costs of collecting property taxes. This 0.25 percent administrative allowance is charged to the total property tax collection attributable to the General Obligation bonds, rather than to the assessed value.

Allowable Tenant Pass-Through Property Tax Rate

The proposed ordinance also would set the allowable property tax rate that landlords can pass through to tenants at \$0.0890 per \$100 of assessed value in FY 2017-18. The allowable tenant pass-through rate is \$0.0050 greater than the rate of \$0.0840 in FY 2016-17.

Impacts of the Combined Property Tax Rate and Allowable Pass-Through

Under Proposition 13, the City may annually increase the assessed value of a property by a State-determined inflation factor of up to 2.00 percent. For FY 2016-17, the State Board of Equalization determined that the allowable inflation factor is 2.00 percent. Therefore, a single-

family residence in San Francisco with an assessed value of \$500,000 in FY 2016-17 has an assessed value of 510,000 in FY 2017-18.

Table 3 below shows the impact of the proposed property taxes payable by owners and tenants. As shown in Table 3 below, the proposed FY 2017-18 property tax rate of \$1.1723 would increase property taxes by \$83.21 on a single-family residence that has an assessed value of \$510,000 in FY 2017-18.

Dear Ladies and Gentlemen:

I am submitting herewith an annual ordinance which formally adopts those portions of the property tax rate for fiscal year 2017-2018 which the City and County of San Francisco administers. The Bay Area Rapid Transit District (BART) also adopts a debt service tax rate factor for their combined three county service area. The rate shown below includes the **estimated** rate for BART, which is slated for adoption at BART's August Board meeting. The composite property tax rate for fiscal year 2017-2018 is projected to be \$1.1789 for each \$100 of assessed value, a decrease of \$0.0003 or 0.03 percent from the \$1.1792 rate established for fiscal year 2016-2017. Based on a \$1.1789 rate, the average tax bill for a home previously assessed at \$500,000 in fiscal year 2016-2017 will go from \$5,813.46 last fiscal year to \$5,929.86 in fiscal year 2017-2018, a \$116.40 or 2.00 percent increase. The respective tax rates by accruing entity are as follows:

|---|------------------------------|--------------------------|-----------------------------|
| San Francisco Community College District (includes 0.01135485 debt service) | \$0.02579907 | 0.0400 | \$0.06579907 |

| BART Debt Service (Estimate) | 0.01500000 | | 0.01500000 |
| Total Combined Tax Rate | \$1.17893944 | | <u>\$1.17893944</u> |

The property tax rate reflects anticipated debt service requirements pertaining to voter-approved general obligation bonds, including a 0.25% administrative allowance to reimburse costs of collection. Attachment A is a Property Tax Rate History table for the City and County beginning in fiscal year 1996-1997. Attachment B provides the anticipated fiscal year 2017-2018 general obligation bond debt service schedule (principal and interest) relevant to the property tax rate calculations.

For fiscal year 2017-2018, the pass-through rate for residential tenants is \$0.0890 per \$100 of assessed value, or 8.9 cents per \$100 of assessed value. The pass-through rate is comprised of 3 factors as outlined in Chapter 37.3 of the San Francisco Administrative Code: 1) 100% of the City's general obligation bonds approved by voters between November 1, 1996 and November 30, 1998; 2) 50% of the City's general obligation bonds approved by voters after November 14, 2002; and 3) 50% of the San Francisco Unified School District or San Francisco Community College District's general obligation bonds approved by voters after November 1, 2006.

Except for a consumer price index adjustment which is capped at the lesser of inflation or 2.00% under Proposition 13, individual assessments increase only when property is sold, transferred, or otherwise improved. For fiscal year 2017-2018, the consumer price index adjustment authorized by the State is 2.00%. The median assessed valuation for a single residential dwelling parcel in fiscal year 2016-2017 in San Francisco was about \$500,000. As shown in Attachment C, the combination of a tax rate of \$1.1789 for each \$100 of assessed value and the 2.000% consumer price index adjustment that increases the assessed value of the example residence from \$500,000 in fiscal year 2016-2017 to \$510,000 in fiscal year 2017-2018 results in a \$116.40 property tax increase.

Sincerely,

Ben Rosenfield Controller
