## Instructions

When opening this file, a yellow banner at the top may appear with a button that says, "Enable Editing", and/or "Enable Macros". It is essential that you click this box(es) so that the macros are enabled. Enabling macros is necessary for full workbook/application functionality.

WARNING: Partial functionality of this application/workbook WILL BE LOST when using <u>Apple Mac Computers</u>. The Department highly recommends using PC Computers and Microsoft Office 2013 or newer to complete the application.

	ials must be submitted electronically via HCD portal system. Requirements for uploading the Application Workbook and required supporting cluding naming conventions, are described in the application instructions available at <u>https://www.hcd.ca.gov/grants-and-funding/programs-active/affordable-housing-and-sustainable-communities</u>
Sponsor/Applican	t must upload all application materials to HCD portal no later than 4:00 p.m. Pacific Daylight Time on 4/4/2023
Application must	be on the Department's forms and cannot be altered or modified by the Sponsor/Applicant. Excel Application must be in Excel format, not a PDF document.
If the Sponsor/Ap	plicant discover any errors within application, use the Application Support tab and email the entire workbook to <u>AppSupport@hcd.ca.gov</u>
It is recommended	ed that Applicant(s) start from left to right and top to bottom for a better understanding and functionality of this application.
	ions and guidance are given throughout the Application in "red" text and in <u>cell comments</u> . Cell Notes/Comments are very important to read as some of directions for completing your application.
"Yellow" cells	are for Applicant input. It is very important that you answer ALL yellow cells, failure to provide all information may disqualify your application from consideration or may negatively impact your point score.
"Orange" cells	are <b>required</b> attachments. Failure to provide the required attachments and documentation may disqualify your application from consideration or may negatively impact your point score. Electronically attached files must use the naming convention in the Application.

"Blue" cells are self-score points awarded in the "Scoring" worksheet. These are automated calculations based on the inputs provided by the Sponsor/Applicant. "Red" cells indicate the Applicant(s) has failed to meet a requirement of the program, threshold, scoring, upload, or certification.

Disclosure of Application: Information provided in the application will become a public record available for review by the public, pursuant to the California Public Records Act (Government Code Sections 6250-6276.48). As such, any materials provided are subject to disclosure to any person making a request under this Act. The Department cautions Applicants to use discretion in providing information not specifically requested, including but not limited to, bank account numbers, social security numbers, personal phone numbers, and home addresses. By providing this information to the Department, the Applicant is waiving any claim of confidentiality and consents to the disclosure of submitted material upon request.

#### §105 Eligible Applicants

(a) Applicant(s) acknowledges and understand the requirement of "Eligible Applicants"

Yes

- (1) Eligible applicant entities shall include any of the following:
  - A Locality, public housing authority, redevelopment successor agency, transit agency or transit operator, Regional Transportation Planning Agency (RTPA),
     (A) local Transportation Commission, Congestion Management Agency, Joint Powers Authority (JPA), school district, facilities district, University or Community College District.
    - (i) For STI or TRA components only, an applicant may provide an executed agreement with a specific Locality or transportation agency non-applicant for the completion of the STI or TRA components of the AHSC Project for which funding is sought.
  - (B) A Developer or Program Operator.
  - (C) A Tribal Entity whose Project meets requirements listed in detail in Appendix B.
    - Is Project being proposed by a Tribal Entity and meets requirements listed in detail in Appendix B?

No

- A special purpose entity formed and controlled by the Developer, and which will serve as the ultimate borrower of AHSC loan funds, is not an eligible Applicant. A (2) special purpose entity ultimate borrower meeting the requirements of UMR §8313.2 may be listed on the AHSC Program application in the appropriate, designated fields for listing such a borrower entity.
  - Single purpose entities not meeting the requirements of a special purpose entity pursuant to UMR §8313.2, whether serving as an intermediate entity within
     (A) the ultimate borrower structure or not, are not Eligible Applicants. Such single purpose entities will not be included as a separate party on any AHSC Program legal documents, including but not limited to, Standard Agreements, nor are they eligible to be Recipients or payees of AHSC Program funds.
- (3) Where a Public Agency has a real property interest in the proposed Project, the application must include the Public Agency as a joint Applicant or otherwise include a commitment to enter into a contractual agreement to develop the Project, if it is awarded.

- (4) All eligible Applicants appearing on the application for the Project will be held jointly and severally liable for the completion of the Project and as such, will each sign all Standard Agreements to the award of AHSC funds.
  - A Recipient of Department funds must remain liable for performing all requirements of the award of funds as set forth in the Standard Agreement. Where there are multiple Recipients, all such Recipients must remain jointly and severally liable to the Department for that performance. Notwithstanding the foregoing,
  - (A) Recipients may indemnify each other by entering into agreements with one another as to individual Capital Projects. In no event will any such agreement alter, amend, or revoke each individual Recipient's obligations to the Department, including the joint and several liability.

"Developer" means the entity that the Department and the Council rely upon for experience, site control, and capacity, and which controls (1) the Affordable Housing Development during development and through occupancy or the Housing Related Infrastructure during development and through completion, (2) the Sustainable Transportation Infrastructure during development and through operation, or (3) the Transit-Related Amenities during development and through Operation.

If Reserve amounts are different than the required amount, enter Reserve amounts and how they are calculated below:

Cell AB16 is incorrectly pulling from AH7 rather than AJ10, once that is corrected the reserve amount should line up except for a 5198 difference which represents 3 months of the AHSC .42 Fee with a 1.15 underwriting cushion which is what an investor would require.

#### §106 Threshold Requirements

Application Threshold Requirements: In addition to requirements detailed in Sections 102 through 105, to be eligible for AHSC Program funding, an application shall demonstrate to the Department all the following:

Applicant(s) certifies that the proposed Project will achieve a reduction in GHG emissions through fewer vehicle miles travelled (VMT), pursuant to the most recent AHSC
 Program Quantification Methodology, available on the California Air Resources Board's Climate Change Investments (CCI) Quantification, Benefits and Reporting
 Materials webpage. This must be evidenced by a completed GHG Benefits Calculator tool, described in the AHSC Application, displaying VMT and GHG reductions for each Project component.

(3) Applicant(s) certifies that the proposed Project must be consistent with the State Planning Priorities established pursuant to Section 65041.1 of the Government Code.

Applicant(s) certifies that all proposed Affordable Housing Developments located in a jurisdiction that has fare-based transit must provide at least one (1) transit pass or (4) card to each Restricted Unit for at least 3 years. If the transit agency does not provide passes with unlimited rides, the card or pass should have a minimum value of 40 average commute length rides a month as determined by the transit agency. These passes or cards may be paid for with AHSC funding pursuant to \$103(b)(2).

Each of the restricted units will be provided with one (1) free transit pass for three years. Each card or pass will have a minimum value of 40 average commute length rides a month as determined by the transit agency.

Applicant(s) certifies that the Eligible Applicant or Locality serving as the Developer of a particular component of the Project must demonstrate site control of the property (11) on which that Project component will be located as set forth at UMR §8303 and §8316 with the additional requirement that the Applicant shall maintain site control through the award date.

(A) The following shall apply to Capital Projects:

Where site control is in the name of another entity, the Applicant shall provide documentation, in form and substance reasonably satisfactory to the Department (e.g., a purchase and sale agreement, an option, a leasehold interest/option, a disposition and development agreement, an exclusive right to

(i) negotiate with a public agency for the acquisition of the site), which clearly demonstrates that the Applicant has some form of right to acquire or lease the Project property.

Where site control will be satisfied by a long-term ground lease, the Department will require the execution and recordation of the Department's form lease rider

- (ii) at the time of closing, which shall be entered into by and among the ground lessor, the ground lessee, the Department, and any other applicable parties. In all cases, the lease rider shall be recorded against the fee interest in the Project property.
- (B) For Capital Projects developed in Indian country, the following exceptions apply:
  - (i) Where site control is a ground lease, the lease agreement between the Tribal Entity and the Project owner is for a period not less than 50 years; and
  - (ii) An attorney's opinion regarding chain of title and current title status is acceptable in lieu of a title report

Applicant(s) certifies to demonstrate experience by providing evidence of at least two projects that are similar to each proposed AHSC Capital Project (AHD, HRI, STI, and TRA) in scope and size, which have been completed by the Applicant serving as the Developer of that Project component, during the ten years preceding the application due date. If an Applicant relies upon the experience of its Principal to meet the Applicant experience requirements, documentation of the Principal's experience is required as set forth in the application, in addition to recent project evidence described in the previous sentence.

For **STI** or **TRA** components only, an Applicant may demonstrate the requisite experience (as detailed above) by using the past experience of work completed of a Locality or transportation agency non-applicant so long as the Applicant can provide an executed agreement with that specific Locality or transportation agency non-applicant for the completion of the STI or TRA components of the AHSC Project for which funding is sought, thereby demonstrating that the Locality or

transportation agency will be serving as the STI or TRA Developer for that Capital Project.

Note: AHD/HRI Developer has to be the entity with experience per the Guidelines.

Describe the prior experience of the Program Operator with operating similar successful programs.							

For 27 years, EDC has been the only agency in San Francisco (SF) solely dedicated to eviction prevention, processing 99% of all the eviction notices filed in the city. EDC's service model includes free legal services for eviction defense, rapid emergency rental assistance and subsidies for those at risk of eviction and displacement, and advocacy for unhoused San Franciscans facing eviction from City shelters. Since 2019, EDC has served as the lead partner with the City of San Francisco for the implementation of SF Tenant Right to Counsel (TRC), which guarantees all San Francisco tenants full scope legal representation in an eviction matter. In this role, EDC coordinates and oversees the work of 9 legal service organizations comprising the city-wide TRC system.

Applicant(s) certifies that as of the date of application, the Applicant(s), the Project, or the real property on which the Project is proposed may not be party to or the (13) subject of any claim or action in the state or federal courts that affects or potentially affects the feasibility of the Project. Further, the Applicant(s) shall disclose and describe any claim or action undertaken by or against the Applicant(s), the Project or the Property which affects or potentially affects the feasibility of the Project.

Applicant(s) certifies that construction of the Project has not commenced as of the application deadline set forth in the NOFA. Any demolition operation conducted under (14) a written order issued by a state or local governmental agency because a facility is structurally unsound and in danger of imminent collapse is exempt from this requirement.

Applicant(s) certifies that for TOD and ICP projects, the High Quality Transit or Qualifying Transit, respectively, must be serving the Transit Station/Stop at the time of application submittal. For RIPA projects, the Qualifying Transit must be serving the Transit Station/Stop by the time a certificate of occupancy is provided. For all Project (15) Area Types, the AHD and Qualifying Transit's Transit Station/Stop must be connected by a pedestrian access route no greater than 0.50 miles at the time of certificate of occupancy. Improvements to complete the pedestrian access route between the AHD and the Transit Station/Stop may be included as part of the project STI/TRA components so long as they are completed by the time a certificate of occupancy is provided.

(16) Applicant(s) certifies to demonstrate consistency with State Relocation Assistance Law (CA Gov Code Sec. 7260-7277).

Does Project trigger State Relocation Assistance Law (Title 1, GC, Division 7, Chapter 16, commencing at Section 7260, and Title 25 CCR, Subchapter 1, Chapter 6, commencing at Section 6000.)?

Provide a narrative explanation, in the box below, supporting why relocation is not required. "N/A" or "Vacant Land" is not sufficient.

The AHD project is being built on a parking lot owned by the SFPUC for decades before being sold to the Applicant. The site was operated as overflow parking for many years and there were no commercial or residential tenants historically.

(17)	Applicant(s) certifies that the Housing Element for the jurisdiction in which the Project is located must be in substantial compliance by the date of award recommendation. Housing Element in substantial compliance means the local public entity's adopted housing element is in substantial compliance as demonstrated by a letter from the Department which sets forth findings that the housing element adopted within the time frames required by Section 65588 of the Government Code includes that substance essential to every requirement of Article 10.6, commencing with Section 65580, of Chapter 3 of Division I of Title VII of the Government Code. A jurisdiction's current housing element compliance status can be obtained by referencing the Department's website. Projects located on Trust Land, as defined under Indian country, are exempt from this requirement.	Yes
	For the purposes of this section alone, jurisdictions that are undergoing Department review of their housing element at the time of award and jurisdictions which are receiving Department technical assistance to bring their housing element into compliance at the time of award, shall both be deemed to be in a presumptive state of substantial compliance by the Department. All awards premised on presumptive substantial compliance shall include conditions in their respective standard agreements requiring that prior to funds disbursement the subject jurisdiction must have received a final housing element certification letter from the Department.	

Is the Project located within a jurisdiction which currently has an adopted housing element in substantial compliance with Art.10.6 (§65580) Ch. 3 Div. 1 of Title 7 (Gov. Code §65585)? Yes A jurisdiction's current housing element compliance status is obtainable thru HCD's website.

Applications requesting AHSC Program funding for Affordable Housing Developments and Housing Related Infrastructure Capital Projects must also demonstrate to the satisfaction of the Department all the following:

- (A) Applicant(s) certifies that the Rental Affordable Housing Developments must meet the underwriting standards in the UMRs and MHP Guidelines Section 7312.
- (B) Applicant(s) certifies the Affordable Housing Development, Housing Related Infrastructure, or both are infeasible without AHSC Program funds, and other committed funds are not and will not be supplanted by AHSC Program funds.

Proposed Projects involving new construction or Substantial Rehabilitation and requiring the demolition of existing residential units are eligible only if the number of (C) bedrooms in the new Project is at least equal to the number of bedrooms in the demolished structures, with equal or greater affordability. The new Affordable Units may exist on separate parcels provided all parcels are part of the same Project meeting the requirements of the UMRs Section 8303 (b).

The Department may approve Projects involving new construction or Substantial Rehabilitation and requiring the demolition of existing residential units that result in a number of bedrooms less than the number in the demolished structures where it determines that such approvals will substantially improve the

() livability of the remaining units, or serve some other compelling public policy objective, as long as the reduction does not result in more than 25 percent fewer units upon Project completion.

Will the proposed Project involve new construction or Substantial Rehabilitation and requiring the demolition of existing residential units?

Will the proposed Project involve new construction or Substantial Rehabilitation and requiring the demolition of existing residential units that result in a number of bedrooms less than the number in the demolished structures?

If the Affordable Housing Development, Housing Related Infrastructure, or both Capital Project(s) involves the demolition of existing units that are affordable to lower-income (D) households, the application must demonstrate the replacement of demolished units, comparable in size, of equal or greater affordability and equal to or greater than the number of the demolished Affordable Units located within comparable access to transit and include first right of return to displaced residents.

(25) Applicant(s) acknowledges that all proposed AHSC Project components are subject to all applicable codes, including the California Building Standards Code (CCR, Title 24).

(26) Applicant(s) certifies to demonstrate that outreach and education on reducing potential health impacts of air pollution will be provided to residents of Affordable Housing Developments.

BRIDGE Property Management Company (BPMC) will distribute informational fliers to all new residents of 440 Arden Way as part of a welcome packet provided at move-in. These fliers will be modeled on informational materials provided by the American Lung Association and include information on the health impacts of exposure to air pollutants as well as methods to decrease harmful exposure. BPMC will also work with the on-site 3rd party service provider, Lutheran Social Services of Northern California, to provide information and guidance to residents on air quality, health and safety during operations.

Applicant(s) certifies to comply with the Americans with Disabilities Act (ADA), fair housing, nondiscrimination, Pet Friendly Housing Act, physical accessibility, and Violence Against Women Act (VAWA), requirements pursuant to MHP Guidelines Section 7314 (a)-(d). Projects must also provide a preference for accessible units to (27) persons with disabilities requiring the features of the accessible units in accordance with TCAC regulations (California Code of Regulations (CCR), Title 4, Section 10337(b)(2), as may be amended and renumbered from time to time). The Applicant or Developer of the Project must ensure that any other applicable federal, state, and local accessibility requirements are met.

Affordable Housing Development and Housing Related Infrastructure components involving new construction, acquisition and Substantial Rehabilitation, or conversion of (28) nonresidential structures to residential, dwelling units must be capable of accommodating broadband internet service with at least a speed of 100 megabits (50 megabits for rural) per second for uploading.

(A) Affordable Housing Development and Housing Related Infrastructure components must provide a conduit from the public right of way or property line and provide pathways, wiring, cables, and other necessary infrastructure extended to each unit and public common space to provide a broadband internet connection.

(B) For some rural areas, other technologies like fixed wireless, might offer the highest caliber connection. All Applicants should consult with their local jurisdictions about their broadband internet infrastructure planning, as well as existing broadband internet service providers in the area.

(C) Applicant(s) certifies to comply with high speed broadband internet service, with speeds listed above must be made available to each Restricted Unit for a minimum of 5 years, free of charge to the tenants, and available within 6 months of the AHD's placed-in-service date.

### Balboa Building A (Balboa Gateway) Narrative-Based Scoring §107(a)(b)(c)(d) - 18 Points Maximum App AHSC0001030

### The narrative-based policy scoring section of the application will be scored only for projects that meet threshold requirements listed in Section 106.

For Narrative-Based Policy Scoring, applicants must provide responses to the questions and prompts outlined in the Narrative Prompts document. Please reference the Narrative Prompts document and rubric at the SGC AHSC Program Website for instructions, the specific questions to answer, and necessary application materials.

File Name	Narrative	Provide a response to each prompt as outlined in the <u>Narrative Prompts document</u> . The responses must be uploaded as a PDF and must follow the stated word counts. See Narrative Scoring Rubric document for guidance in completing Narratives.	Uploaded to HCD?	Yes

V1 1/30/23

The following is a summary of each section:

### (a) Community Benefits & Engagement §107(a) - 6 Points Maximum

Community involvement and leadership are crucial to ensuring that both the principal objectives and co-benefits of the project respond to the true needs of the community. Taken together, the responses to the prompts will explain how local residents and community-based organizations were meaningfully engaged in developing the Project, especially those from Disadvantaged and Low-income Communities, and how the project addresses community-detailed and promotes community health and well-being. The prompts will ask applicants to address two main components: (1) Community Engagement and Leadership and (2) how the AHSC Project addresses community needs.

File Name	Community Tracker	Provide a completed AHSC Round 7 Community Engagement Tracker.	Uploaded to HCD?	Yes
File Name		Letter of support from local community-based, grassroots organization describing the community engagement process and how feedback from local residents was incorporated into the Project.	Uploaded to HCD?	Yes

### (b) Climate Adaptation & Community Resiliency §107(b) - 5 Points Maximum

Communities will continue to experience effects of climate change in many ways, including increased likelihood of droughts, flooding, heatwaves, sea level rise, severe weather, and wildfires. Due to these effects, climate resiliency is a key part of planning and project implementation. The prompts will ask applicants to address how the risks posed from climate change and other environmental exposures will be reduced by strategies listed in the Climate Adaptation Assessment Matrix. The prompts will also ask how the Project will reduce the health risks of climate change and other environmental exposures including extreme heat, wildfires and smoke, air pollution from vehicle emissions, and more. Under this section applicants will fill out the Climate Adaptation Assessment Matrix.

Note: If available, use localized climate impact projections.

For tools to help assess general climate impacts, please visit	Cal-Adapt's Local Climate Snapshot tool.
For adaptation tools, resources, strategies and case studies visit	State's Adaptation Clearinghouse.

File Name	Climate Matrix	AHSC Round 7 Climate Adaptation Assessment Matrix.	Uploaded to HCD?	Yes

### (c) Collaboration & Planning §107(c) - 4 Points Maximum

Collaboration between local governments and housing and transportation providers is critical to create a project that ensures connectivity and responds to the day to day needs of the community. Taken together, the responses to the prompts of this section should outline how the proposed project brings together the efforts of local government, including housing and transportation agencies to achieve projects that improve efforts related to climate adaptation, health, housing, mobility, and safety. The prompts will ask applicants to address two components of this: (1) Local Planning Efforts and (2) Housing and Transportation Collaboration.

File Name	Local Planning Efforts	Please provide a single PDF with the cover page of the plan and relevant pages of the plans referenced in the Local Planning Efforts Section. Please only include pages referenced in the narrative.	Uploaded to HCD?	Yes
File Name	Site Plan	Provide the most current site plan.	Uploaded to HCD?	Yes
File Name	Future Engagement	Optional: Submit supporting documentation to demonstrate future engagement with either a CBO or residents (i.e. any engagement plans, agreements, etc.). Can be included as part of the Community Needs upload if it is the same CBO.	Uploaded to HCD?	N/A

### (d) Equity & Transformation §107(d) – 3 Points Maximum

As stated in the AHSC Program Overview, SGC is committed to achieving racial equity in its operations, investments, and policy initiatives and to achieving its vision that: All people in California live in healthy, thriving, and resilient communities regardless of race (read more in the SGC Racial Equity Action Plan). The AHSC Program encourages a holistic approach to community development and broader investments in neighborhoods. Under this section, the prompts will ask applicants to describe how the Project: 1) advances equity and 2) is either piloting new or innovative approaches or policies, leveraging existing resources in a new way, or shaping future projects in the nearby communities.
