8
9 WHEREAS, The Tenderloin is a unique neighborhood with diverse cultures, the highest
10 density of children in San Francisco, and high concentrations of communities of color, seniors,
11 people with disabilities, artists, immigrants, LGBTQ+ individuals, and community-based
12 organizations and merchants; and

13 WHEREAS, The Tenderloin has long faced systemic challenges including poverty,
14 drug-related harm, and housing insecurity conditions exacerbated by historic underinvestment
15 and the COVID-19 pandemic; and

16 WHEREAS, For over a decade, the Planning Department has partnered with
17 Tenderloin residents and community organizations to advance grassroots solutions and a
18 shared vision for neighborhood revitalization; and

19 WHEREAS, In response to community advocacy following the 2021 assault of a
20 Tenderloin student, then Mayor London Breed approved \$4,000,000 in June 2022, for
21 community-driven projects to improve neighborhood safety and vibrancy; and

22 WHEREAS, The Planning Department launched a first-of-its-kind participatory
23 budgeting process, resulting in 1,400 residents and workers voting to fund 21 projects in
24 Community Wellness, Public Space Activation, Youth Investments, Small Business Support,
25 and more; and

1 WHEREAS, These efforts culminated in the TCAP Investment Blueprint, developed by
2 Planning in partnership with community-based organizations, including GLIDE, Tenderloin
3 Community Benefit District, Tenderloin Neighborhood Development Corporation, and St.
4 Anthony's Foundation; and

5 WHEREAS, The Blueprint reflects extensive community input from neighborhood
6 organizations, service providers, and residents through surveys, town halls, focus groups, and
7 organized group meetings; and

8 WHEREAS, The TCAP Investment Blueprint establishes community-informed priorities
9 across seven thematic areas: Street Stewardship and Cleanliness, Elimination of Open-Air
10 Drug Trade and Use, Public Space Improvements and Activation, Youth Investment, Services
11 for Community Wellness, Small Business Support, and Housing Stability; and

12 WHEREAS, The Planning Commission heard the TCAP Impact Report and Investment
13 Blueprint on November 14, 2024, and expressed strong support for its findings, emphasizing
14 the importance of youth investment, safe public spaces, and sustained funding for
15 neighborhood recovery; and

16 WHEREAS, The TCAP Investment Blueprint serves as a comprehensive, equity-
17 centered roadmap to align City action with the lived experiences and priorities of Tenderloin
18 residents and community stakeholders; now, therefore, be it

19 RESOLVED, That the Board of Supervisors of the City and County of San Francisco
20 hereby endorses the Tenderloin Community Action Plan Investment Blueprint as the
21 community-led strategy to support equitable recovery and revitalization in the Tenderloin; and,
22 be it

23 FURTHER RESOLVED, That the Board urges all City departments and partner
24 agencies to align their policies, investments, and implementation strategies with the
25 Blueprint's priorities; and, be it

1 FURTHER RESOLVED, That the Board encourages our City Departments,
2 philanthropic, and private sector partners to use the TCAP Investment Blueprint as a guiding
3 framework to coordinate future investments in the Tenderloin; and, be it

4 FURTHER RESOLVED, That the City commits to engaging Tenderloin residents and
5 stakeholders in all phases of the Blueprint's implementation, evaluation, and refinement to
6 ensure accountability and continued community leadership.
