ARTICLE I – REPRESENTATION

I.B. INTENT

3. It is the intent of the parties signatory hereto that the provisions of this Agreement shall not become binding until adopted or accepted by the Board of Supervisors by appropriate action. Moreover, it is the intent of the Mayor acting on behalf of the City to agree to wages, hours, and other terms and conditions of employment as are within the Mayor's jurisdiction, powers, and authority to act as defined by the Charter, state law, California Constitution and other applicable bodies of the law. The Mayor does not intend nor attempt to bind any board, commission or officer to any provisions of this agreement over which the Mayor has no jurisdiction.

I.C. NO STRIKE PROVISION

4. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union and represented employees will not engage in any work stoppage as defined in Charter Section A8.346.

I.D. OBJECTIVE OF THE CITY

5. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.
6. The Union recognizes the City's right to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees.
7. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures.

I.E. MANAGEMENT RIGHTS

8. The Union agrees that the City has complete authority for the policies and administration of all City departments which it shall exercise under the provisions of law and in fulfilling its responsibilities under this Agreement. Said authority shall include the establishment of work rules and regulations not inconsistent with the terms of this Agreement. Any matter involving the management of governmental operations vested by law in the City and not covered by this Agreement is in the jurisdiction of the City. Nothing herein is intended to abridge the meet and confer obligations of the City pursuant to the Meyer-Milias-Brown Act.

ARTICLE I – REPRESENTATION

I.F. EMPLOYEE REPRESENTATIVES

- 8a. On July 1 of each year, the Union shall furnish to the Department of Human Resources Employee Relations Division an updated written list of Union Representatives with their assigned roles. During the course of the year, the Unions shall amend the list as needed to ensure that the list is accurate and up to date.**
9. The Business Representatives of the Union shall have reasonable access to the job site during working hours for the purpose of conferring with members of the Union regarding the manner in which compliance with the terms of the Agreement are being met. The Union agrees that such contact will in no way interfere with the work of the Department.

I.G. SHOP STEWARDS

10. **On July 1 of each year, the Union shall furnish the City Department of Human Resources Employee Relations Division with an accurate list of shop stewards and alternate stewards. During the course of the year, the Union shall submit amendments to this list at any time to ensure that the list is accurate and up to date.** If a shop steward is not officially designated in writing by the Union, none will be recognized for that area or shift.
11. The Union recognizes that it is the responsibility of the shop steward to assist in the resolution of grievances at the lowest possible level as authorized by the Union.
12. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to present an informal grievance during on-duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission.
13. In emergency situations, where immediate disciplinary action must be taken because of violation of law or a City or departmental rule (intoxication, theft, etc.) the shop steward shall, if possible, be granted immediate permission to leave the steward's post of duty to assist in the grievance procedure as authorized by the Union.
14. Shop stewards shall not interfere with the work of any employee.

I.H. JOINT ADVISORY COMMITTEE

15. U.A. Local 38 and the signatories to the Consolidated Crafts Agreement (collectively "the Unions") may, at their option, cause the establishment of a Joint Advisory Committee (Joint Committee) consisting of one member appointed by U.A. Local 38, one member appointed by the signatories to the Consolidated Crafts Agreement, and two members appointed by the City's Employee Relations Director, which shall review and attempt to resolve grievances and other matters of concern including, but not limited to, the

ARTICLE I – REPRESENTATION

uniformity of interpretation of this Agreement. The Joint Committee may issue unanimous advisory non-binding opinions; however, nothing in this section shall authorize the Joint Committee to take any action that would bind either the Unions or the City. Any unanimous advisory non-binding opinion issued by the Joint Committee shall not be used by either party in any arbitration proceeding conducted under this Agreement or in any other adversary proceeding. No written opinions may be issued by the Joint Committee without the unanimous support of all four members. The Joint Committee shall calendar no less than four meetings per year on a quarterly basis.

I.I. GRIEVANCE PROCEDURE

16. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
 1. Definition
17. A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement or an appeal from a suspension or disciplinary discharge or divisional, departmental or City rules, policies or procedures subject to the scope of bargaining as set forth in this Agreement pursuant to Charter Section A8.409 et seq.
18. A grievance does not include the following:
 19. a. All civil service rules excluded pursuant to Charter Section A8.409-3.
 20. b. Performance evaluations, provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the performance evaluation except by mutual agreement.
 21. c. In the event of an unfavorable performance rating, the employee shall be entitled to a performance review conference with the author and the reviewer of the performance evaluation. The employee shall be entitled to Union representation at said conference.
 22. d. Written reprimands or oral reprimands which are reduced to writing and placed in the employee's personnel file, provided however, that employees shall be entitled to append a written rebuttal to any written reprimand or oral reprimand which is reduced to writing and placed in the employee's

ARTICLE I – REPRESENTATION

personnel file. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the reprimand, unless extended by mutual agreement.

2. Time Limits

23. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing.

24. If the Union fails to file a written grievance appeal within the specified timelines at any step of the appropriate grievance procedure, the grievance shall be considered withdrawn.

25. If the City fails to respond to a grievance within the specified timelines at any step of the appropriate grievance procedure, the Union may move the grievance to the next step. Should the Union fail to advance the grievance to the next step within sixty (60) calendar days of the City's failure to respond within the specified applicable timeline, the grievance shall be considered withdrawn.

3. Grievance Description

26. The Union and City agree that all grievances shall include the following:

27. a. The specific reason or reasons for the grievance, including the date of the incident giving rise to the grievance, an explanation of the harm that occurred, and the name, classification, and department of the affected employees;

28. b. The section(s) of the contract which the Union believes has been violated; and

29. c. The remedy or solution being sought by the Grievant and/or Union.

4. Steps of the Procedure

30. A grievance regarding a dispute over contract interpretation shall be filed at the lowest step in the grievance procedure in which the City's representative would have the authority to make a final and binding resolution of the grievance, provided, however, that a grievance may not be filed at a Step higher than Step 2, except by mutual agreement of the parties. In the event a grievance is filed at a Step in the grievance procedure which the City deems inappropriate, the City's representative with whom the grievance was filed shall remand the grievance to the appropriate Step.

ARTICLE I – REPRESENTATION

31. A grievance, regardless of the step at which initiated, shall be initiated as soon as possible but in no case later than thirty (30) calendar days from the date of the occurrence of the act or the date the grievant or Union might reasonably have been expected to have learned of the alleged violation being grieved.
32. Step 1: An employee shall discuss the grievance informally with the employee’s immediate supervisor. The grievant may have a Union representative present.
33. If the grievance is not resolved within five (5) calendar days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor.
34. The immediate supervisor shall respond in writing within ten (10) calendar days following receipt of the written grievance specifying the reason or reasons for concurring with or denying the grievance.
35. Step 2: A grievant dissatisfied with the immediate supervisor's response at Step 1 may appeal to the Appointing Officer, in writing, within ten (10) calendar days of receipt of the Step 1 answer. The Step 2 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reasons for rejecting the lower step response and advancing the grievance to the next step. The Appointing Officer may convene a meeting within fourteen (14) calendar days of the appeal with the grievant and/or the grievant's Union representative. The Appointing Officer shall respond in writing within twenty-one (21) calendar days of the hearing or receipt of the grievance, whichever is later. The response shall specify the reason or reasons for concurring with or denying the grievance.
36. Step 3: For contract interpretation disputes, if the Union is dissatisfied with the Appointing Officer's response at Step 2, the Union may appeal to the Director, Employee Relations, in writing, within twenty-one (21) calendar days of receipt of the Step 2 answer. The Step 3 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reasons for rejecting the lower step response and advancing the grievance to the next step. The Director may convene a grievance meeting within fourteen (14) calendar days of the appeal with the grievant and/or the grievant's Union. The Director shall respond to the grievance in writing within fourteen (14) calendar days of the meeting or, if none is held, within fourteen (14) calendar days of receipt of the appeal. The response shall specify the reason or reasons for concurring with or denying the grievance.

ARTICLE I – REPRESENTATION

37. A grievance arising from a final disciplinary decision shall be initiated at Step 3 of this grievance procedure. Such grievance may only be filed by the Union. The Director, ERD, shall review the appeal and respond no later than twenty-one (21) calendar days following receipt of the appeal. If the response of the Director, ERD, is unsatisfactory only the Union may file a written appeal to arbitration with the ERD no later twenty-one (21) calendar days following issuance of ERD’s response.
38. Step 4: Arbitration: If the Union is dissatisfied with the Step 3 answer it may appeal by notifying the Director, Employee Relations, in writing, within thirty (30) calendar days of the 3rd Step decision that arbitration is being invoked.
39. If the Union advances a grievance to arbitration and seeks to raise facts or issues at arbitration that were not identified in a previous step of the grievance procedure, or add new grievants, the City retains the right to object to the arbitrator considering those new facts, issues or grievants. If the City objects, the arbitrator must determine whether to allow the union to pursue those new facts or issue, or add any new grievants, at the arbitration.
5. Expedited Arbitration
40. Grievances of disciplinary suspensions of not greater than fifteen (15) days, and grievances of contract interpretation where the remedy requested would not require approval by the Board of Supervisors shall be resolved through an expedited arbitration process; however, by mutual agreement, the parties may move such matters out of the expedited process to regular arbitration procedures provided herein.
41. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove the arbitrator or for twelve months, whichever comes first. A standing quarterly expedited arbitration schedule will be established for this process. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.
42. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne and paid in full and shared equally by the parties.
43. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall

ARTICLE I – REPRESENTATION

bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.

6. Non-Expedited Arbitration

44. The parties share a desire to create an appeals process that offers timely resolution of appeals of suspensions of more than 15 days and terminations. The parties agree to use their best efforts to arbitrate grievances appealing terminations and suspensions of greater than fifteen (15) days within ninety (90) calendar days of the Union’s written request to arbitrate.

45. Except for the expedited procedure described above, hearings shall be scheduled within thirty (30) calendar days of selection of an arbitrator.

Selection of the Arbitrator

46. When a matter is appealed to arbitration, the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within five (5) working days, the arbitrator shall be selected from a panel obtained through the State Mediation and Conciliation Services.

47. The parties shall make every effort to select a mutually agreeable arbitrator and schedule a hearing date within twenty (20) working days. In the event the parties fail to agree, the arbitrator will be selected by alternate striking from the list supplied by the State Mediation and Conciliation Service.

48. The decision of the arbitrator shall be final and binding on all parties; however, the arbitrator shall have no authority to add to, subtract from, or modify the terms of this agreement.

49. The costs of the arbitrator and any court reporter and arbitration transcript, shall be split between the parties, costs of the parties transcripts and representation shall be borne by each party.

7. Authority of the Arbitrator

50. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

51. Any claim for monetary relief shall not extend more than thirty (30) calendar days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.

8. Fees and Expenses of the Arbitrator

ARTICLE I – REPRESENTATION

52. Except as noted below, the fees and expenses of the Arbitrator shall be shared equally by the parties.
53. In the event that an arbitration hearing is cancelled, resulting in a cancellation fee, the party requesting or causing the cancellation shall bear the full cost of the fee imposed by the arbitrator, unless a mutually agreed upon alternative is established.
54. The parties shall use a court reporter for non-expedited arbitrations, unless they mutually agree otherwise. The parties shall share all fees and expenses for the court reporter’s services and transcripts. If a court reporter is utilized for the hearing, the parties can agree in advance to require that the reporter submit the hearing transcript to the parties and arbitrator within fourteen (14) calendar days of the close of the hearing.
9. Hearing Dates and Date of Award
55. If either party fails to appear for a scheduled arbitration hearing that has not been cancelled, the other party will present their case and the arbitrator will issue a decision based on the information presented at the hearing.
56. Closing briefs will be due to the arbitrator within thirty (30) calendar days of the close of the hearing or receipt of transcript, whichever is later. Either party may choose to make a closing oral argument in lieu of a written brief.
57. Any written decision from the arbitrator will be due within forty-five (45) calendar days of receipt of the parties’ briefs or the close of oral argument, whichever is later. As a condition of appointment to the permanent panel, arbitrators shall be advised of this requirement and shall confirm their willingness to abide by these time limits.
58. By the parties’ mutual agreement, the arbitrator may issue a bench decision on the record stating the arbitrator’s award and the reasons therefore.

I.XX. DISCIPLINE AND “SKELLY” RIGHTS

- 58.a As used herein "discipline" shall be defined as temporary reduction in pay, suspensions, disciplinary demotions, or discharges.**

ARTICLE I – REPRESENTATION

58.e c. A copy of the charges and the materials upon which the action is based, and

58.f d. The right to respond either orally or in writing, to the authority initially imposing the discipline.

I.J. UNION SECURITY

1. Authorization for Payroll Deductions

59. a. The Union shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees’ pay according to the Controller’s “Union Deductions Procedure” (“Procedure”), which the Controller may amend from time to time with reasonable notice to the Union. “Contributions” as used in this Section I.J. means Union membership dues, initiation fees, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Union.
60. b. The City shall deduct Contributions from a represented employee’s pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.
61. c. The Procedure is the exclusive method for the Union to request the City to initiate, change, or cancel deductions for Contributions.
62. d. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon on the last Friday of a pay period. If the Controller’s Office receives the request after that time, the City will implement the changes in two following pay periods.
63. e. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Union to obtain the Union authorization form. ARTICLE I – REPRESENTATION

will send the Union a copy of any authorization form that it receives directly from a represented employee.

- 64. f. Except as otherwise provided in this subsection 1, each pay period, the City shall remit Contributions to the Union, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the City will make available to the Union a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work, home, and personal cellular telephone number; personal email address if on file with the City; home address; and any Contributions amount deducted.
- 65. g. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedure, or it receives an order from a court or administrative body directing the City to change or cancel the deductions for one or more employees.
- 66. h. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee’s revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The City shall not resolve disputes between the Union and represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The Union shall respond to such employee inquiries within no less than 10 business days.

2. Indemnification

- 67. The Union shall indemnify, hold harmless, and defend the City against any claim, including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorney’s fees, legal costs, settlements, or judgments, arising from or related to the City’s compliance with this Section I.J. The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Union; (ii) the City shall provide any assistance that the Union may reasonably request for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may

ARTICLE I – REPRESENTATION

not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section I.J. brought by the Union against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

I.K. APPRENTICESHIP PROGRAM

LEAVES OF ABSENCE

Employees who are absent from their duties because of illness or disability are eligible for sick leave. In addition to normal use sick leave, employees shall be entitled to the following:

A. Sick Leave – Bereavement

1. Absence because of the death of the employee's spouse or domestic partner, parents, step parents, grandparents, parents-in-law or parents of a domestic partner, sibling, child, step child, adopted child, a child for whom the employee has parenting responsibilities, aunt or uncle, legal guardian or any person who is permanently residing in the household of the employee. Such leave shall not exceed three (3) working days and shall be taken within thirty (30) calendar days after the date of death; however, two (2) additional working days shall be granted in conjunction with the bereavement leave if travel outside the State of California is required as a result of the death.

Leave shall be for not more than one (1) working day; however, two (2) additional working days shall be granted if travel outside the State of California is required as a result of the person's death.

APPENDIX A
SUBSTANCE ABUSE PREVENTION POLICY

1. MISSION STATEMENT

- a. Employees are the most valuable resource in the City's effective and efficient delivery of services to the public. The parties have a commitment to prevent drug or alcohol impairment in the workplace and to foster and maintain a drug and alcohol free work environment. The parties also have a mutual interest in preventing accidents and injuries on the job and, by doing so, protecting the health and safety of employees, co-workers, and the public.
- b. In agreeing to implement this Substance Abuse Prevention Policy (SAPP), the parties affirm their belief that substance abuse is a treatable condition. The City is committed to identifying needed resources, both in and outside of the City, for employees who voluntarily seek assistance in getting well. Those employees who voluntarily seek treatment prior to any testing shall not be subject to any repercussions or any potential adverse action for doing so. However, seeking treatment will not excuse prior conduct for which an investigation or disciplinary proceedings have been initiated.
- c. The City is committed to preventing drug or alcohol impairment in the workplace, and to fostering and maintaining a safe work environment free from alcohol and prohibited drugs at all of its work sites and facilities. In addition, the City maintains a drug and alcohol free workplace policy in its Employee Handbook.

2. POLICY

- a. To ensure the safety of the City's employees, co-workers and the public, no employee may sell, purchase, transfer, possess, furnish, manufacture, use or be under the influence of alcohol or Illegal Drugs at any City jobsite, while on City business, or in City facilities.
- b. Any employee, regardless of how the employee's position is funded, who has been convicted of any drug/alcohol-related crime that occurred while on City business or in City facilities, must notify the employee's department head or designee within five (5) days after such conviction. Failure to report within the time limitation shall subject the employee to disciplinary action, up to and including termination.

APPENDIX A

4. COVERED CLASSIFICATIONS

All employees shall be subject to post-Accident testing under this Agreement. All employees who perform Safety-Sensitive Functions, as defined in this Policy, shall be subject to reasonable suspicion testing. This policy shall not apply to employees who are required to be tested under the regulations of the United States Department of Transportation.

5. SUBSTANCES TO BE TESTED

a. The City shall test, at its own expense, for alcohol and/or the following drugs:

- (1.) Amphetamines
- (2.) Barbiturates
- (3.) Benzodiazepines
- (4.) Cocaine
- (5.) Methadone
- (6.) Opiates
- (7.) PCP
- (8.) THC (Cannabis)

b. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing the employee's job functions.

- (1) Upon receipt of a signed release from the Covered Employee's licensed healthcare provider, the department representative may consult with Covered Employee's healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination whether the employee may perform the employee's job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing the employee's job functions.
- (2) If a Covered Employee is temporarily unable to perform the employee's job because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This temporary modified duty reassignment shall last for a period of no more than thirty (30) working

APPENDIX A

days. If, after thirty (30) working days, the employee is still on said medication and/or has not been cleared by a licensed healthcare provider to return to work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.
- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.

APPENDIX A

- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if the employee fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.
- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

7. TESTING PROCEDURES

I. Collection Site

A-7

APPENDIX A

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee appearing at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until the employee has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.
 - (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for

APPENDIX A

such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform the employee of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or the employee's treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO

APPENDIX A

within three (3) days, the MRO may deem the Covered Employee's result as a positive result.

- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

- a. Substance Abuse Prevention and Detection Threshold Levels.
For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the

APPENDIX A

established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

CONTROLLED SUBSTANCE *	SCREENING LEVEL	CONFIRMATION LEVEL
Amphetamines	50 ng/ml	5 ng/ml
Barbiturates	20 ng/ml	20 ng/ml
Benzodiazepines	1 ng/ml	0.5 ng/ml
Cocaine	5 ng/ml	8 ng/ml
Methadone	5 ng/ml	10 ng/ml
Opiates	10 ng/ml	10 ng/ml
PCP (Phencyclidine)	1 ng/ml	5 ng/ml
THC (Cannabis)	1 ng/ml	2 ng/ml
* All controlled substances including their metabolite components.		

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing the employee’s job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

- 1. Is confirmed to have tested positive for alcohol or drugs;
 - 2. Refuses to Submit to testing; or
 - 3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties’ MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
 - c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall

APPENDIX A

contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that the employee has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, the employee shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. ADOPTION PERIOD

This Policy shall go into effect on June 30, 2014.

13. JOINT CITY/UNION COMMITTEE

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part of this policy will not invalidate the

APPENDIX A

remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

**APPENDIX B
UNION ACCESS TO NEW EMPLOYEES PROGRAM**

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A.** The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B.** Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. **Single Point of Contact:** The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. **Notice of Schedule:** For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Citywide and Departmental NEOs:** New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E. Access and Presentation:** At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.
- F. Alternate Procedures:** In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time

APPENDIX B

slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.

- G.** Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

- H.** Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

APPENDIX B

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.

TA – Supervisor II

The parties mutually agree to incorporate the following language in the next Memorandum of Understanding ("MOU"), effective July 1, 2022, subject to approval by the San Francisco Board of Supervisors: By signing below, the parties agree to recommend approval of this tentative agreement.

SIDE LETTER AGREEMENT

RE: SUPERVISOR II POSITIONS

The parties are entering into this side letter to identify and set in motion, to the extent permissible under the San Francisco City Charter and Civil Service Rules, a process to collaborate on identifying staffing and resource gaps in the Supervisory II classifications as represented by Plumbers Local 38.

The Department of Human Resources is committing to creating a Joint Labor Management Committee, over the course of two years from July 1, 2022 – June 30, 2024, to examine the current status of Supervisor II classifications, assess the operational and staffing needs to sufficiently manage City construction crews, and to help identify a direct path to promotive opportunities for our City's trades workers. The City recognizes the current and historical role of the Supervisors IIs as key management staff overseeing crafts and trades shops across departments. Some of the options for this path include:

- Identifying existing positions where Supervisor I positions can be upgraded to Supervisor II positions;
- Identifying vacant positions where Supervisor I and II positions previously existing can be restored.

The City and the Union agree to meet as soon as practicable to further outline the composition of the Committee, identify key City departments as Committee partners, and move forward in mutually-agreed upon ways to address the Supervisor II classification and related issues. The Committee shall meet no less frequently than quarterly over the course of the two years, and the first meeting shall be no later than Labor Day 2022. The Committee shall include a representative from Plumbers Local 38, Carpenters Local 22, and Sheet Metal Local 104.

SIDE LETTER 3

Side Letter – Pilot Project – Temporary Exempt Positions Hire

Subject to all applicable requirements of the Civil Service Rules, the Administrative Code, and the Charter, the City agrees to interview up to three (3) referrals from the United Association of Plumbers and Pipefitters, Local 38 when hiring class 7347 Plumbers for Temporary Exempt Positions. Referrals must meet the following criteria:

- a. The parties acknowledge and agree that all referrals shall be subject to the skilled and trained workforce requirement in accordance with California Public Contract Code § 2600.**
- b. The parties acknowledge and agree that all referrals must meet the Minimum Qualifications of the class 7347 Plumber as defined by the City.**

The Parties mutually agree to add covered classifications as needed.

SIDE LETTER 4

Side Letter on Hiring Hall

The parties are mutually interested in exploring the opportunity to use Union hiring halls to provide temporary workers to the City. The parties also recognize that there are many complexities involved in using hiring hall employees in the City, including working within civil service rules and the Charter.

At the Union's request, the parties will convene a working group with the goal of providing a joint recommendation to the City no later than October 31, 2025, regarding the use of temporary employees from hiring halls. A final report shall be provided to the Human Resources Director.

The working group shall be comprised of at least three (3) appointees from the Building Trades Council and at least 3 appointees from the City. The Building Trades Council and the City shall each appoint a co-chair, who shall be responsible for facilitating and planning meetings. If by June 30, 2025, the working group has not reached a unanimous recommendation, it shall be empowered to engage the California State Mediation and Conciliation Service. After conclusion of mediation, should the group still be unable to reach a unanimous recommendation, the group's report shall reflect the views of all parties. It is understood that the recommendations of this committee shall be subject to approval processes by the City and affected Unions.

The City's decision to accept or reject the recommendations of the working group are not subject to the grievance provisions of this Agreement.
