RE: Notice of Award for Climate Protection Grant Program

Dear Ms. Bryan,

Congratulations! I am pleased to inform you that the Bay Area Air Quality Management District (Air District) is awarding the San Francisco Department of the Environment's proposed *Keep It Tuned* project \$166,175 in funding from the Air District's 2018 Climate Protection Grant Program.

Over the next few weeks, Air District staff will work with you to develop a scope of work for your project and begin the contracting process. Please note that no work funded under this grant award may commence until a contract has been fully executed. In the meantime, if you have any questions regarding your grant award or the grant implementation process, please contact Geraldina Grunbaum at ggrunbaum@baaqmd.gov or (415)749-4956.

On behalf of the Air District, congratulations on a successful proposal. We are looking forward to working with you as a partner in the Air District's climate protection efforts.

Sincerely,

Jack P. Broadbent
