Re: Grant agreement amendment with WuYee Children's Services for the provision to provide the City's implementation of the San Francisco Citywide plan for Early Care and Education

Enclosed for the Board of Supervisors' consideration and approval, please find a resolution, which will authorize extending the grant term by 12 months for a term of July 1, 2024 through June 30, 2025; increasing the agreement amount through June 30, 2025, by \$71,917,278 for an amount of \$216,467,950.

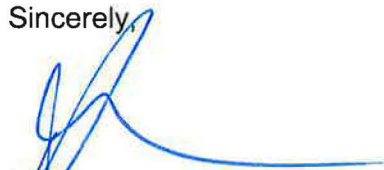

The purpose of this grant agreement is to continue providing the City's implementation of the San Francisco Citywide plan for Early Care and Education. This grant will continue providing Early Care and Education integrated Services to ensure school readiness for all birth-to-5 children living in San Francisco.

Previously, the Board of Supervisors' approved the original grant because the amount exceeded \$10 million, and now Board of Supervisors' approval is required again because the proposed amendment seeks to increase the contract amount by more than \$500k.

Attached please find a copy of the proposed resolution. Please calendar this item for the earliest meeting possible, as this is a time sensitive matter. Please notify Ingrid Mezquita (415-437-4649 or ingrid.mezquita@sfgov.org), with the date of introduction and reach out with any further information.

Thank you for your assistance.

Sincerely,

Ingrid X. Mezquita
