Dear Members of the Rules Committee,

I would like to take this opportunity to convey my support for Mr. Richard Rothman's request to continue serving in seat 3 of the Pedestrian Safety Advisory Committee.

Mr. Rothman has been an instrumental member of the committee over the past several years and had an integral part of bringing the recent PSAC Annual Report before the City Operations and Neighborhood Services Committee on Monday April 11th. As chair, I hope to continue working with Mr. Rothman on the committee as he has demonstrated continued passion for pedestrian safety and improving conditions in our City for his district and fellow citizens. As a volunteer committee, we are fortunate to have individuals like Mr. Rothman and hope to keep his energy and spirit as part of the group.

Thank you for taking this letter of support into consideration. Please do not hesitate to contact me if you have any further questions.

Best regards,
Paul

Mr. Lowell has been an outspoken member of the group who has made numerous accomplishments over his tenure on PSAC for the benefit of his fellow pedestrians. Dear Members of the Rules Committee,

I would like to take this opportunity to convey my support for Mr. Jay Lee's request to continue serving in seat 9 of the Pedestrian Safety Advisory Committee.

Mr. Lee joined the committee a little more than one year ago and has brought a new stroke of energy and perspective to the group. As a younger member of the committee and coming with a law background, Mr. Lee has provided the group a needed balance of perspective and intuition in our interactions with city agencies as well as members of the public.

Since he joined the committee, he has gradually increased his roles and responsibilities. Mr. Lee was a key author in the recent PSAC Annual Report and now serves as PSAC's representative on the Pedestrian Safety Task Force - a roundtable of city agencies representatives intended to develop a plan to implement the Mayor's Directive on Pedestrian Safety. Mr. Lee has just begun his responsibilities in this capacity - and for the benefit of PSAC - it will be important for him to continue serving in this role.

As chair, I hope to continue working with Mr. Lee on the committee and hope he will be given the opportunity to continue with the great work that he has done already in his short time.

Thank you for taking this letter of support into consideration. Please do not hesitate to contact me if you have any further questions.

Paul
