### RECITALS

A. The State of California (the “**State**”), through the Department of Health Care Services (“**DHCS**”), has entered into an agreement with AHP, a private consulting and research firm focused on improving health and human services systems, to manage the BHCIP funds and administer the State of California Behavioral Health Continuum Infrastructure Program (“**Program**”). The agreement between DHCS and AHP shall hereinafter be referred to as the “**Prime Contract**”.

B. Pursuant to the requirements of the Program and DHCS guidelines, qualified grantees or entities shall use program fund awards to expand the community capacity for serving persons with behavioral health disorders by the acquisition, construction, renovation or other physical improvement of real property, infrastructure, or facilities;

C. DHCS established the BHCIP Round 5 Crisis and Behavioral Health Continuum grants to award competitive grants to qualified entities to construct, acquire, and rehabilitate real estate assets to address significant crisis care gaps in California’s behavioral health (mental health and substance use disorder) infrastructure;

D. In response to that certain Request for Applications for the Round 5 Crisis and Behavioral Health Continuum issued by AHP on behalf of DHCS on or about October 20, 2022 (the “**RFA**”), for the Program, Sponsor submitted an application (“**Application**”) to construct the project described in the Statement of Work, **Attachment D** (“**SOW**”), located at 1660 Mission Street, San Francisco, California, 94103 (the “**Project**”); and Sponsor has been awarded program funds for the Project in an amount not to exceed Ten Million Dollars (\$10,000,000.00) (“**Program Funds**”); and

E. This Agreement sets forth the terms and conditions of AHP’s administration and management of the Program Funds and the Sponsor’s duties and obligations related to its receipt of Program Funds. Capitalized terms not defined herein shall have the meanings ascribed thereto in the California Welfare and Institutions Code sections 5960–5960.45.

**NOW, THEREFORE**, based upon the foregoing, and in consideration of the mutual covenants and agreements herein set forth, the Parties agree as follows:

**ARTICLE 1.**  
**AUTHORITY**

California Assembly Bill 133 (Chapter 143, Statutes of 2021) (“**AB 133**”) added sections 5960–5960.45 to the Welfare and Institutions Code, providing the statutory basis for the Program. DHCS, as part of the California Health and Human Services Agency, issued the RFA for the Program Funds, and AHP provides pre-application consultation, individual agency/county technical assistance, general training, and support on individual BHCIP projects, as well as administration and fund management.

This Agreement is entered under the authority of and in furtherance of the Program. This Agreement is the result of the Application by the Sponsor for funding under the Program.

This Agreement hereby incorporates by reference the Sponsor’s approved Application, as well as any report prepared by AHP in reliance on the representations and descriptions included in that Application. This Agreement is governed by the following (collectively, the “**Program Requirements**”), and each of the following, as amended and in effect from time to time, is hereby incorporated by this reference as if set forth herein in full:

- 1.1 AB 133, including any subsequent amendments to the statutes contained therein;
- 1.2 The RFA, in the form attached to this Agreement as **Attachment J**;
- 1.3 California Welfare and Institutions Code sections 5960–5960.45;
- 1.4 Guidance issued by DHCS regarding the Program;
- 1.5 Program Guidelines, or Program Manuals, as adopted by DHCS, and as may be amended from time to time;
- 1.6 The Notice of Conditional Grant Award letter dated June 23, 2023 issued by DHCS to the Sponsor (the “**Award Letter**”) attached to this Agreement as **Attachment K**; and
- 1.7 All other applicable law, including, but not limited to, California Labor Code statutes applicable to public works projects.

The Sponsor is solely responsible and liable for the Sponsor and the Sponsor’s subcontractors’ performance and compliance with this Agreement, the above-referenced Program Requirements, and all other local, state, and federal laws applicable to the Project.

**ARTICLE 2.**  
**TERM**

2.1 This Agreement shall commence on the Effective Date and shall automatically expire concurrently with the expiration of the Prime Contract, on June 30, 2027 (the “**Expiration Date**”); unless, prior to the date of expiration of the Prime Contract, AHP shall assign, and DHCS shall accept, an assignment of AHP’s duties and obligations pursuant to this Agreement (the period from the Effective Date through the Expiration Date shall be referred to herein as the “**Term**”), unless earlier terminated by AHP or DHCS.

2.2 Upon the expiration of the Term, there shall be no extension or renewal of the Term of this Agreement, unless the Parties and DHCS otherwise agree in writing.

2.3 Notwithstanding the foregoing or anything to the contrary contained herein, AHP and/or DHCS shall have the termination rights as set forth in Article 9 and Article 10 of this Agreement.

### **ARTICLE 3.** **PROGRAM FUNDS**

The Sponsor has been awarded the Program Funds in the amount set forth in this Agreement to be used solely for the purposes set forth in this Agreement and as detailed in the SOW and for no other purposes. The Sponsor shall be responsible for any costs to complete the Project in excess of the Program Funds award amount. The Sponsor shall return any excess or remaining Program Funds to the State of California upon completion of the Project.

### **ARTICLE 4.** **CONDITIONS OF DISBURSEMENT**

AHP shall disburse the Program Funds to the Sponsor for the amount of any reasonable, actual, and documented Project specific fees and expenses incurred by the Sponsor on or after June 23, 2023, the date of the Notice of Conditional Award, issued by DHCS to the Sponsor, upon satisfaction of the requirements described in Section 4.1 below. Program Funds disbursed for real property acquisition shall be disbursed only upon satisfaction of the requirements in Section 4.1 and the additional requirements of Section 4.2 below. Program Funds to be disbursed for construction costs shall be disbursed only upon satisfaction of the requirements of Section 4.1 and the additional requirements described in Section 4.3 below. Thereafter, Program Funds shall be disbursed to the Sponsor for costs incurred for the Project within thirty (30) days of receipt of a complete request for Program Funds, provided such request for Program Funds is approved by AHP or its designee.

4.1 Requirements for Disbursement of Program Funds. No Program Funds shall be released to the Sponsor for any Project costs until the Sponsor submits, and AHP approves, the documents described below, and any additional supporting information, as may be required:

- 4.1.1 a fully executed copy of this Agreement, including all Attachments;
- 4.1.2 the Sponsor's request for Program Funds, with all required supporting documents appended thereto;
- 4.1.3 an executed copy of Certification No. 2, "Related Party & Related Party Transaction Disclosure";

- 4.1.6 evidence in the form of account statements that the Sponsor has established a single-purpose individual development bank account ("**IDBA**") for the

purposes of receiving Program Funds and paying expenses directly related to the Project, as detailed in the Project budget attached as Schedule 1 to the SOW. The IDBA shall be a joint bank account in the name of the Sponsor and AHP, allowing AHP the ability to deposit funds and monitor fund disbursement. The joint account shall only allow withdrawals by the authorized Sponsor agent. Withdrawals shall not be authorized by AHP or its designee;

- 4.1.7 evidence in the form of account statements that any funds required to match the Program Funds pursuant to the RFA (“**Match Funds**”) have been deposited into the AHP-designated Match Funds bank account; or, in the event the Match Funds are an in-kind contribution, in lieu of cash, including real property upon which the Project is to be constructed or operated and/or Project expenses incurred prior to the Effective Date (“**Sunk Costs**”), the value of such in-kind contribution has been approved by AHP or DHCS, as may be required, and that all Match Funds have been expended for eligible Project costs prior to requesting or expending Program Funds;
- 4.1.8 unless the Sponsor is acquiring real property for the construction or operation of the Project, in which event the Sponsor shall be subject to the requirements as described in Section 4.2.5.1, a copy of a recorded Regulatory Agreement and Declaration of Restrictions (“**Declaration of Restrictions**”) in the form attached to this Agreement as **Attachment H** that demonstrates that the Sponsor has recorded the Declaration of Restrictions against the real property upon which the Project is to be constructed or operated; provided that, in the event that the Project is being constructed or operated on a leasehold interest, which lease must be for a term of not less than thirty (30) years, the Sponsor shall record the Declaration of Restrictions against the leasehold and the fee interest to the real property upon which the Project is to be constructed or operated;
- 4.1.9 intentionally omitted;
- 4.1.10 Evidence of insurance or self-insurance in the amounts and types sufficient to satisfy the requirements of Article 11 of this Agreement, subject to AHP approval, in its sole discretion;

- 4.1.12 a current title report reflecting all existing liens, encumbrances, taxes owed, easements, covenants, or any other restrictions for the real property upon which the Project is to be constructed or operated. If the Sponsor’s interest in the real property upon which the Project is to be constructed or operated is a leasehold, then the Sponsor shall provide a current title report for the leasehold interest and the fee interest. For tribal trust land, the Sponsor shall provide a certified Title Status Report (“**TSR**”) from the U.S. Department of the Interior Bureau of Indian Affairs (“**BIA**”) or an attorney’s opinion regarding chain of title and current title status;

4.1.13 a signed opinion letter from Sponsor’s legal counsel certifying that this Agreement, the Declaration of Restrictions, and the Program Requirements do not conflict with any existing contract, agreement, or other requirement applicable to Sponsor, the property upon which the Project is to be constructed or operated, or the Project, and are otherwise enforceable against Sponsor; and such opinion letter shall be in the form and substance acceptable to AHP, and DHCS, in their sole discretion; or a written confirmation letter certifying that Sponsor has reviewed a current title report reflecting all existing liens, encumbrances, taxes owed, easements, covenants, or any other restrictions for the real property upon which the Project is to be constructed or operated; has received delegated authority from the Board of Supervisors for the County of San Francisco to the Department(s) of Public Health to accept Program Funds; comply with Program Requirements; and has determined there are no other deed restrictions, including restrictions of use of the Project; and such confirmation letter shall be in the form and substance acceptable to AHP, subject to DHCS’s approval in its sole discretion; and

4.1.14 Sponsor and DHCS have executed a Facility Access Agreement substantially in the form attached as **Attachment L** and the Facility Access Certification.

4.2 Requirements for Disbursement of Program Funds for Acquisition Costs. No Program Funds shall be released to the Sponsor for any Project costs related to the acquisition of real property until the Sponsor satisfies the requirements described in Section 4.1 above and the Sponsor submits, and AHP approves, all documents described in this Section 4.2 and any additional information as may be required. Program Funds disbursed for acquisition of real property will be deposited directly into an escrow account opened by the Sponsor for the transfer of title of the real property with Old Republic Title Company, unless another title company is approved by AHP:

4.2.1 a fully executed purchase and sale agreement or other agreement evidencing the Sponsor’s right to acquire the property upon which the Project is to be constructed or operated;

4.2.2 a written appraisal report setting forth an opinion of fair market value of the real property upon which the Project is to be constructed or operated prepared by a certified general appraiser licensed in the State of California (“**Certified Appraisal Report**”), which shall be in the form and substance acceptable to AHP;

4.2.3 intentionally omitted;

4.2.4 evidence of any additional funds necessary for the Sponsor to acquire the property upon which the Project is to be constructed if the Program Funds are not providing the full amount of the acquisition costs;

4.2.5 signed escrow instructions, approved by AHP, providing for the following:

4.2.5.1 a Declaration of Restrictions in the form attached to this Agreement as **Attachment H** shall be recorded at the close of

escrow against the real property upon which the Project is to be constructed or operated; and

4.2.5.2 intentionally omitted.

4.2.6 completion of Certification No. 8 included as part of Attachment F shall be submitted to evidence Sponsor's performance of required due diligence; and

4.2.7 certifications in the form of Attachment F, required for the disbursements of Program Funds.

4.3 Requirements for Disbursement of Program Funds for Construction Costs. No Program Funds shall be released to the Sponsor for Project costs related to construction on the Project until the Sponsor satisfies the requirements described in Section 4.1 above and the Sponsor submits, and AHP approves, all documents described below, and any additional information, as may be required.

4.3.1 the Sponsor Certification No. 1, in the form attached as Attachment F, and the Sponsor's General Contractor's Certification No. 12, certifying compliance with requirements related to public works projects pursuant to California Labor Code section 1720 *et seq.*, as well as all applicable federal labor and wage laws;

4.3.2 plans and specifications for the construction work approved by AHP, as identified by the completion of Certifications Nos. 9 and 10 no later than six (6) months from the Effective Date;

4.3.3 a construction contract, as identified by the completion of Certification No. 11, based on a permitted set of construction plans with a licensed general contractor for an amount consistent with the construction costs in the approved Project budget incorporated into the SOW as Schedule 1 that incorporates the requirements of this Agreement, including, but not limited to, the prevailing wage requirements, and contains the Construction Contract Addendum in the form attached as **Attachment I**;

4.3.4 copies of labor and material bonds and performance bonds for the construction work in an amount equal to one hundred percent (100%) of the cost of construction, naming AHP and DHCS as co-obligees on the bonds;

4.3.5 a written request for Program Funds on a form approved by AHP, providing sufficient detail and with sufficient supporting documentation to permit AHP or its designee to confirm that the request is consistent with the terms of this Agreement and the Project budget;

4.3.6 when a disbursement is requested to pay any contractor in connection with the construction work, the written request must be accompanied by (a) certification by the Sponsor's architect or project manager that the work for which disbursement is requested has been completed (although AHP reserves the right to inspect or have its designee inspect the Project and

make an independent evaluation) and (b) lien releases and/or mechanics lien title insurance endorsements reasonably acceptable to AHP; and

4.3.7 certifications in the form of Attachment F required for the disbursements of Program Funds.

4.4 Disbursements for Pre-construction Expenses. Notwithstanding anything to the contrary stated in this Article 4, or otherwise in this Agreement, Program Funds may be released to Sponsor for certain pre-construction Project costs, subject to approval by AHP, its designee, or DHCS in its sole discretion; provided that Sponsor has: (i) satisfied the requirements set forth in subsections 4.1.1, 4.1.2, 4.1.3, 4.1.4, 4.1.5, 4.1.6, 4.1.7, 4.1.10, 4.1.11, 4.1.13, and 4.1.14; (ii) the Project budget includes pre-construction expenses; and (iii) the planning and pre-construction phase of Project development shall be completed within ninety (90) days of the Effective Date.

#### **ARTICLE 5.** **CONSTRUCTION PROJECTS/NOTICE TO PROCEED**

In the event that Program Funds are used for the performance of construction on the Project, the Sponsor shall submit an updated budget and schedule to AHP for its approval prior to the Sponsor's issuance of a notice to proceed to its general contractor. The updated budget and schedule shall be consistent with the final plans and specifications for the Project. The Sponsor shall not issue a notice to proceed to its general contractor until AHP has approved the updated budget and schedule.

#### **ARTICLE 6.** **PERFORMANCE**

The Sponsor shall comply with the schedule set forth in the Performance Milestones in Attachment G and shall provide each Certification contained in Attachment F when requested. The Sponsor shall provide regular progress reports to AHP but in all events at least once every thirty (30) days, including its progress toward meeting the Performance Milestones. The Project shall not be considered complete until the submission of either Certification No. 16 or Certification No. 17, as applicable, and Certification No. 18. The Sponsor may apply to AHP for an extension of any Performance Milestones or an extension to submit any required Certification, which AHP may approve, based on a showing of good cause and acceptable assurances from the Sponsor for timely completion of the remaining Performance Milestones as determined by AHP. Any extension granted by AHP shall not be effective unless granted in writing, and such writing shall be considered an amendment to this Agreement and incorporated herein. In all events, all Program Funds must be obligated and expended by June 30, 2027.

FAILURE TO SATISFY ANY ONE OF THE CERTIFICATIONS AND/OR PERFORMANCE MILESTONES (UNLESS SUCH PERFORMANCE MILESTONE IS EXTENDED) SHALL CONSTITUTE A BREACH OF THIS AGREEMENT AND ENTITLE AHP TO MANDATE THE SPONSOR TO RETURN TO THE STATE OF CALIFORNIA ANY PROGRAM FUNDS DISBURSED; IN ANY SUCH INSTANCE, AHP MAY, WITH DHCS APPROVAL, ALSO CANCEL THIS AGREEMENT WITHOUT OWING ANY DAMAGES OR OTHER PAYMENT TO THE SPONSOR.

**ARTICLE 7.**  
**FISCAL ADMINISTRATION**

7.1 Disbursements of Program Funds to the Sponsor by AHP shall be deposited in the Sponsor's IDBA account unless such funds are to be used for acquisition of the property upon which the Project is to be constructed or operated, in which event the Program Funds shall be deposited directly into an escrow account established with a title company for the purposes of acquisition of the property upon which the Project is to be constructed or operated. All interest earned from the deposit of Program Funds shall be used by the Sponsor for eligible Program administrative activities; however, any such use shall not exceed Five Hundred Dollars (\$500.00) per year. Program Funds shall be segregated from the Sponsor's other funds and shall only be disbursed from the IDBA account for eligible Program Funds costs.

7.2 AHP has approved the Sponsor's budget for the Project incorporated in the SOW at Attachment D, as such budget may be updated prior to issuance of a notice to proceed to the general contractor in accordance with Article 5. Sponsor may adjust line items in the budget, including drawing upon any contingency amounts listed in the budget, without the prior approval of AHP, provided that such adjustments do not increase the overall budget amount and provided further that Sponsor provides notice to AHP of the budget changes. If, upon completion of a particular phase or segment of the Project, the Program Funds allocated to that segment or phase have not been fully expended, the Program Funds allocated to Sponsor for such segment of the Project shall remain available to Sponsor for disbursement for subsequent segments of the Project; provided, however, in no event shall the total amount of the Program Funds available to Sponsor exceed the amount set forth in this Agreement without a written amendment to this Agreement approved by AHP and DHCS.

7.3 Sponsor shall notify AHP in a timely manner of any changes in the work required to be performed under this Agreement, including any additions, changes, or deletions to the plans and specifications approved by AHP. The Sponsor shall provide prior notice to AHP of any written change order before any of the following changes, additions, or deletions in work for the Project may be performed: (1) any change in the work the cost of which exceeds Twenty-Five Thousand Dollars (\$25,000); or (2) any set of changes in the work the cost of which cumulatively exceeds One Hundred Thousand Dollars (\$100,000); or (3) any material change in building materials or equipment, specifications, or the structural or architectural design or appearance of the Project as provided for in the plans and specifications approved by AHP; or (4) any changes in the schedule that will extend the completion date. Notice of any additions, changes, or deletions to the work shall not relieve or release the Sponsor from any other obligations under this Agreement or relieve or release the Sponsor or its surety from any surety bond.

7.4 The Sponsor shall provide AHP with an updated budget and schedule for the Project when 50% completion of construction work is achieved that shows all changes in costs and schedule from the budget and schedule provided to AHP prior to issuance of the Notice to Proceed.

7.5 Any Program Funds that have not been expended by the expiration of the Period of Performance set forth in the Summary Cover Sheet and the Attached Performance Milestones must be returned to DHCS with any accrued interest in excess of Five Hundred Dollars (\$500.00) per year, which may be used pursuant to Section 7.1 for administrative activities. Returned Program Funds shall be paid as directed by AHP or DHCS, no later than thirty (30) calendar days after the expiration of the applicable Period of Performance.

**ARTICLE 8.**  
**CHANGES TO STATEMENT OF WORK**

8.1 The Sponsor shall not, without the prior approval of DHCS, change either of the following: (i) the behavioral health purpose of the Project; or (ii) the population to be served by the Project, the foregoing, each, as described in (x) the Sponsor's Application, and (y) the SOW. DHCS's decision to disapprove a request to change the Sponsor's SOW is fact-specific, and the decision shall be final and not subject to further review. The Sponsor shall submit to DHCS, and provide a copy to AHP, a written request to change the behavioral health purpose of the Project described in the Application and the SOW, which shall include a detailed description of the following criteria:

- 8.1.1 the changes to the services or the Project that the Sponsor is requesting to make;
- 8.1.2 a detailed explanation of why the change is necessary and justification for how the change in the Project meets the changing behavioral health needs of the county or geographic area that the Project serves;
- 8.1.3 the behavioral health population, services, and needs that the Sponsor's change will meet;
- 8.1.4 an attestation that the Sponsor will serve the same percentage (or more) of Medi-Cal beneficiaries as originally stated in Sponsor's Application;
- 8.1.5 anticipated additional costs of changes to the Project, including a financial plan for meeting additional costs; and
- 8.1.6 any other information requested by AHP or DHCS to evaluate the Sponsor's request.

Any changes to the SOW approved by DHCS shall be provided to AHP and considered an amendment to this Agreement and incorporated herein.

8.2 The Sponsor is solely liable and responsible for any increases in costs that exceed the Program Funds. In no event shall AHP or DHCS be responsible for any costs that exceed the Program Funds for the Project. In the event that Project costs exceed the funds that Sponsor has available to pay such costs, the Sponsor shall within thirty (30) days of such occurrence provide for AHP's approval a financial plan for meeting such additional costs, which additionally may be approved or disapproved by DHCS, in its sole discretion. A financial plan for meeting additional costs may include the Sponsor providing additional funds for the Project or the Sponsor incurring additional debt. The Sponsor shall not incur any additional debt without the prior written approval of AHP and DHCS.

**ARTICLE 9.**  
**DEFAULT AND REMEDIES**

9.1 Event of Default. Any of the following shall, after written notice by AHP or DHCS and expiration of any applicable cure period, constitute an "**Event of Default**" under this Agreement:

- 9.1.1 The Sponsor's failure to satisfy the conditions precedent to disbursement of Program Funds, as set forth in Article 4 above, or to expend Program Funds pursuant to the terms of this Agreement;
- 9.1.2 The Sponsor's failure to timely satisfy each or any of the conditions set forth in this Agreement or the Award Letter;
- 9.1.3 The Sponsor's violation of any of the Program Requirements; and
- 9.1.4 AHP's or DHCS's determination of the following:
  - 9.1.4.1 the Sponsor has concealed any material fact from AHP or DHCS related to the Sponsor, the Application, the property upon which the Project is to be constructed or operated, or the Project; or
  - 9.1.4.2 any material fact or representation, made or furnished to AHP or DHCS by the Sponsor in connection with the Application, the Award Letter, or this Agreement which shall have been untrue or misleading at the time that such fact or representation was made known to AHP, or subsequently becomes untrue or misleading; or
  - 9.1.4.3 any Certification provided by the Sponsor is determined to be untrue or misleading; or
  - 9.1.4.4 any objectives or requirements of the Program cannot be met in accordance with this Agreement or within applicable timeframes, as memorialized by this Agreement.

9.2 Right to Cure. If the breach, violation, or default pursuant to Section 9.1 is not cured to AHP's and DHCS's satisfaction, as determined by AHP and DHCS, in its sole and absolute discretion, within **thirty (30) days** of notice to Sponsor, provided in accordance with the notice requirements of this Agreement, then AHP, with DHCS's approval, may declare an Event of Default under this Agreement.

- 9.2.1 Notwithstanding the foregoing, the Sponsor may request additional time to cure any Event of Default. AHP may, but shall not be required to, grant any such request, which request shall be subject to DHCS's approval. AHP's approval of the Sponsor's request for additional time to cure shall be subject to the Sponsor's continuing and diligent efforts to cure, and any additional cure period provided to the Sponsor shall be reasonable, as determined by AHP, subject to DHCS's approval in its sole discretion. In no event shall any extension of the cure period exceed thirty (30) days. For the avoidance of doubt, any extension of the cure period shall be granted in writing by AHP, subject to DHCS's approval in its sole discretion.

9.3 AHP/State/DHCS Remedies. Upon the occurrence of an Event of Default, AHP and/or DHCS may take any and all actions or remedies that are available under this Agreement, at law, or in equity, including, but not limited to, the following:

- 9.3.1 temporarily withhold disbursement of Program Funds pending correction of the noncompliance, breach, violation, or default;

- 9.3.2 disallow use of Program Funds for all or part of the costs resulting from the noncompliance, breach, violation, or default;
- 9.3.3 wholly or partly suspend or terminate this Agreement and the Sponsor's award of Program Funds, or disbursements thereof (any such suspension or termination of this Agreement or the Sponsor's award of Program Funds shall be effective upon the Sponsor's receipt of AHP or DHCS notice of termination or suspension);
- 9.3.4 withhold or deny further Program Funds or awards to the Sponsor;
- 9.3.5 require the Sponsor to return all or part of any Program Funds, including any interest;
- 9.3.6 intentionally omitted;
- 9.3.7 any and all remedies under the Declaration of Restrictions;
- 9.3.8 specific performance;
- 9.3.9 injunctive relief;
- 9.3.10 recovery and completion of the Project pursuant to the payment and performance bonds; and
- 9.3.11 any and all remedies allowed by law or equity.

**ARTICLE 10.**  
**TERMINATION**

10.1 AHP and/or DHCS shall have the right, each in its sole discretion and without prejudice to any other rights and remedies it may have under applicable law, to terminate this Agreement immediately upon notice of such termination to the Sponsor if (i) an Event of Default is declared by AHP or DHCS; (ii) three (3) breaches, violations, or defaults by the Sponsor of the terms and conditions of this Agreement (whether the same or different) occur within any twelve-month period, regardless of whether any or all such breaches, violations, or defaults are timely corrected; (iii) the Sponsor files a petition in bankruptcy or is adjudicated by a court of competent jurisdiction to be bankrupt or insolvent, or makes an assignment for the benefit of creditors or an arrangement pursuant to any bankruptcy law, or the Sponsor discontinues or dissolves its business, or a receiver is appointed for the Sponsor or the Sponsor's business; (iv) any lender to the Sponsor declares a default under its loan agreement, or funds available to the Sponsor from any lender become unavailable such that the Sponsor is unable to timely satisfy obligations under this Agreement; or (v) the Sponsor's failure to provide AHP or DHCS with adequate assurances within a reasonable time that Sponsor is financially solvent, or AHP or DHCS determines that the Sponsor is financially insecure.

10.2 Notwithstanding the foregoing, or anything to the contrary stated herein, AHP may terminate this Agreement upon thirty (30) days' notice if the Prime Contract is terminated by DHCS, or if AHP is directed by DHCS to terminate this Agreement.

10.3 Upon termination of this Agreement for any reason, neither AHP nor DHCS shall be liable for any work that is not performed in accordance with the Agreement. Upon any

termination, neither AHP nor DHCS shall be responsible for any additional disbursements of Program Funds after the termination date or for any damages to the Sponsor as a result of such termination.

## ARTICLE 11. INSURANCE

11.1 Insurance Requirements. The Sponsor shall continuously maintain for the duration of this Agreement, and so long as the Declaration of Restrictions is in place, the following insurance or self-insurance at, or in excess of, the limits detailed below:

- 11.1.1 A Builder's Risk policy, including a permission to occupy endorsement during the course of construction, and upon completion of construction, if the Project is new construction, property insurance, covering all risks of loss, excluding earthquake, flood, or other risks customarily excluded from "All-Risks" coverage, in an amount equal to full replacement cost of the Project, including all improvements, fixtures, furnishings, and equipment thereon at the time of loss.
- 11.1.2 If the Project is rehabilitation of an existing facility, property insurance covering all risks of loss, excluding earthquake, flood, or other risks customarily excluded from "All-Risks" coverage, in an amount equal to the full replacement costs of all improvements located on the property upon which the Project is to be constructed, including all improvements, fixtures, furnishings, and equipment thereon at the time of loss. Upon completion of the rehabilitation, any property insurance policy shall be updated to reflect the increased replacement costs resulting from the rehabilitation.
- 11.1.3 Workers' compensation insurance as required by the State.
- 11.1.4 Comprehensive automobile and vehicle liability insurance covering claims for injuries to members of the public and/or damages to property of others arising from use of motor vehicles, including on-site and off-site operations and owned, non-owned, or hired vehicles, with One Million Dollars (\$1,000,000.00) combined single limits.
- 11.1.5 Commercial general liability insurance of not less than One Million Dollars (\$1,000,000.00) per occurrence with an annual aggregate limit of Five Million Dollars (\$5,000,000.00) for bodily injury and property damage liability combined. The Sponsor's required limits may be satisfied through a combination of general liability and umbrella policies of coverage. The commercial general liability insurance policy shall cover liabilities arising out of premises, operations, independent contractors, products, completed operations, personal and advertising injury, and liability assumed under an insured agreement. The commercial general liability insurance shall apply to each insured against whom claim is made or suit is brought subject to the Sponsor's limit of liability. If the scope of services involves one on one activities with minors, such policy shall include or not exclude sexual assault and misconduct coverage.

- 11.2 Third-Party Insurance Policy Requirements. If the Sponsor elects to obtain third-party insurance, all policies, except Workers' Compensation, shall be endorsed to name AHP and endorsed to name the "State Department of Health Care Services on behalf of the State (Agreement No.: 21-10368)" as an Additional Insured with respect to the work to be performed by the Sponsor. The endorsements and policies will provide that the insurer waives its rights of subrogation, and the insurer will provide notice to AHP in writing at least thirty (30) days prior to any cancellation, material change in coverage, or intent not to renew such insurance coverage. All such insurance must be primary and non-contributory and required to respond and pay prior to any other insurance or self-insurance available.
- 11.3 Contractor Insurance Requirements. The Sponsor shall require its general contractor and its subcontractors to provide insurance in the amounts and form set forth above during the course of construction (except the general contractor shall not be required to maintain Builder's Risk insurance or property insurance) and to name AHP and the "State Department of Health Care Services on behalf of the State (Agreement No.: 21-10368)" as additional insureds on all such insurance during the course of construction.
- 11.4 Evidence of Self-Insurance. If the Sponsor elects to maintain self-insurance, the Sponsor shall immediately deposit with AHP a letter, signed by an authorized Sponsor representative, certifying that the Sponsor maintains self-insurance consistent with the above requirements. The Sponsor shall certify its self-insurance maximum coverage amounts for each of the items above and whether they have individually self-insured or if they pooled self-insurance with other public entities through a joint powers agreement. Self-insurance maximum coverage amounts shall meet or exceed the minimum coverage amounts listed for each item above. The Sponsor shall also provide to AHP the Department of Industrial Relations' certificate of consent for the county to self-insure against workers' compensation claims. The Sponsor shall maintain self-insurance consistent with the requirements set forth above at all times during the term of the Agreement and the term of the Declaration of Restrictions. Notwithstanding the expiration of this Agreement, the Sponsor shall provide to DHCS a new certificate of insurance evidencing its third-party insurance, or a new letter certifying its compliance with the self-insurance coverage, as provided herein, for a period not less than thirty (30) years from the date of either of the following: (i) the date of issuance of a Certificate of Occupancy, or (ii) the date of recordation of a Notice of Completion, in the official records of the county where the Project is located.
- 11.5 Insurance Indemnification. The Sponsor shall indemnify, defend, and hold harmless AHP and DHCS against any and all liabilities to third persons and other losses (not compensated by insurance or otherwise) and for any other costs and expenses incurred, including reasonable attorneys' fees, judgments, settlements, or penalties, as a result of any claim or liability resulting from the failure of the Sponsor (or its lower-tier subcontractors or consultants) to maintain the insurance policies required by this Section.
- 11.6 Insurance Premiums. Neither AHP nor DHCS shall be responsible for any premiums, deductibles, or assessments on any insurance policy referred to in this Agreement.

11.7 Survival. The requirements to provide insurance in this Article 11 shall survive termination of this Agreement.

## ARTICLE 12. OPERATIONS

Sponsor agrees that, in consideration of the receipt of Program Funds pursuant to the terms of this Agreement, Sponsor shall enter into, as required by this Agreement, the Declaration of Restrictions, to be recorded against the property upon which the Project is to be constructed or operated, in a form substantially similar as attached hereto and incorporated herein by this reference as Attachment H. The Declaration of Restrictions shall by its terms restrict the development, use, and occupancy of the Project for the term of thirty (30) years, from either the date of the issuance of a Certificate of Occupancy or the recordation of a Notice of Completion in the official records of the county in which the Project is located. In addition to any requirements in the Declaration of Restrictions, Sponsor shall comply with all applicable State, federal, and local health and safety laws and ordinances with respect to the operation and maintenance of the Project. The facility or facilities financed pursuant to this Agreement shall accept and provide services to Medi-Cal beneficiaries as patients. If the Sponsor transfers title to the Project, the Sponsor shall ensure and guarantee that the requirements of this provision transfer and bind the Sponsor's successor in title. These rights and obligations shall survive the expiration or early termination of this Agreement and are covenants running with the Project pursuant to the Declaration of Restrictions in the form of Attachment H to be recorded against the Project. During the Term of this Agreement and the term of the Declaration of Restrictions, the Sponsor shall execute such other documents as required by DHCS to comply with the Program Requirements, including deed restrictions, covenants, and conditions recorded against the Project.

## ARTICLE 13. POLICIES AND LEGAL AUTHORITIES

13.1 The Sponsor shall comply with all California and federal law, regulations, and published guidelines, to the extent that these authorities contain requirements applicable to the Sponsor's performance under this Agreement, including any licensing and health and safety requirements.

13.2 The Sponsor shall comply with California Welfare and Institutions Code sections 5960–5960.45 *et seq.*, including any related DHCS guidance, regulations, and/or subsequent additions or amendments thereto.

13.3 In the event the Sponsor does not comply with the terms of this Article 13, AHP shall give notice in accordance with Section 20.7 and shall have all rights set forth in Article 9 and Article 10.

## ARTICLE 14. INDEMNIFICATION

14.1 The Sponsor shall indemnify, defend, and hold harmless AHP, its officers, employees, and agents and DHCS, its officers, employees, and agents against liabilities to third persons and other losses (not compensated by insurance or otherwise) and for any costs and expenses incurred by AHP and DHCS, including reasonable attorneys' fees, judgments, settlements, or penalties, against all liabilities, claims, suits, demands, or liens for damages to persons or property ("**Claims**") (unless such Claims arise from the gross negligence or willful

misconduct of AHP or DHCS) arising out of, resulting from, or relating to, the Sponsor's performance under this Agreement, and including, but not limited to, the following:

- 14.1.1 any act, omission, or statement of the Sponsor, or any person employed by or engaged under contract with the Sponsor, that results in injury (including death), loss, or damage to any person or property;
- 14.1.2 any failure on the part of the Sponsor to comply with applicable Program Requirements and requirements of law;
- 14.1.3 any failure to maintain the insurance policies required by this Agreement or the work performed, inclusive of intellectual property infringement, if applicable, under this Agreement. Insurance coverage that may be required shall in no way lessen or limit the liability of the Sponsor under the terms of this obligation;
- 14.1.4 any failure on the part of the Sponsor to satisfy all claims for labor, equipment, materials, and other obligations relating to the performance of the work hereunder;
- 14.1.5 any injury to property or person occurring on or about the Project or the property of the Sponsor; or
- 14.1.6 any claims related to the use, generation, storage, release, threatened release, discharge, disposal, or presence of hazardous materials on, under, or about the property upon which the Project is to be constructed or located.

14.2 The Sponsor shall indemnify AHP and DHCS under this clause for any of the above acts attributable to its employees, consultants, agents, and/or lower-tiered subcontractors engaged in performance of the work under this Agreement. AHP or DHCS shall provide timely notice of any Claim, describing in reasonable detail such facts and circumstances with respect to such Claim. The Sponsor shall defend AHP and DHCS with counsel reasonably acceptable to AHP and DHCS. AHP and DHCS, each, may, at its option and own expense, engage separate counsel to advise them regarding the Claim and its defense. Such counsel may attend all proceedings and meetings. The Sponsor shall not settle any Claim without the consent of AHP and DHCS, as applicable.

14.3 The Sponsor agrees to indemnify, defend and save harmless AHP and its officers, agents, and employees and DHCS and its officers, agents, and employees from any and all claims, costs (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against any such claim, action, or proceeding, commenced or threatened), and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by the Sponsor in the performance of this Agreement.

14.4 This indemnification shall survive the expiration or termination of the Agreement.

**ARTICLE 15.**  
**PREVAILING WAGE**

Any construction work that is part of the Project is subject to state and federal prevailing wage law, including California Labor Code section 1720 *et seq.* The Sponsor is urged to seek professional legal advice about prevailing wage law requirements and the Sponsor's obligations thereunder. Prior to disbursing the Program Funds, Sponsor must sign Certification No. 1 and the Sponsor's general contractor must sign Certification No. 12, certifying compliance with California's prevailing wage law and all applicable wage and hours laws. Sponsor shall also comply with any other labor requirements applicable to the Project as a result of other funding sources or regulatory requirements.

**ARTICLE 16.**  
**ENVIRONMENTAL CONDITIONS**

The Sponsor shall provide a Phase I Environmental Site Assessment ("ESA") for the Project, in conformance with ASTM Standard Practice E 1527, evaluating whether the Project is affected by any recognized environmental conditions. If the Phase I ESA discloses evidence of recognized environmental conditions and the Sponsor desires to proceed with the Project, the Sponsor shall provide AHP with a Phase II report and any additional reports as required by AHP and in a form acceptable to AHP. The Sponsor shall also provide an asbestos assessment and a lead-based paint report for AHP's approval if the Project involves rehabilitation or demolition of existing improvements. Prior to disbursement of Program Funds for real property acquisition, AHP shall require the Sponsor to sign Certification No. 8, certifying that all recommendations of the Phase I or Phase II ESA have been complied with or shall be complied with prior to commencement of construction. Prior to disbursement of Program Funds for any rehabilitation work, AHP shall require the Sponsor to sign Certification No. 8, certifying that all asbestos and/or lead-based paint has been abated or shall be abated prior to or during the performance of any such rehabilitation work.

**ARTICLE 17.**  
**RELOCATION**

The Sponsor must comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. section 4601 *et seq.*), the California Relocation Assistance Law (California Government Code section 7260 *et seq.*), and their implementing regulations ("**Relocation Laws**") if the Project will result in the displacement, as that term is defined in the Relocation Laws, of any persons, businesses, or farm operations. Pursuant to the Relocation Laws, the Sponsor must have a relocation plan prior to proceeding with any phase of a Project or other activity that will result in the displacement of persons, businesses, or farm operations. The Sponsor shall provide any required notices and relocation benefits in accordance with the Relocation Laws. The Sponsor shall provide AHP with Certification No. 8, certifying that all applicable Relocation Laws have been complied with.

**ARTICLE 18.**  
**INSPECTIONS, AUDITS, AND RECORD RETENTION**

18.1 AHP or any of its authorized representatives shall have the right to access any documents, papers, or other records of the Sponsor which are pertinent to the Program Funds, for the purpose of performing audits, examinations, and/or review regarding compliance with the provisions of this Agreement and the Program Requirements. Such monitoring activities shall

include, but are not limited to, inspection of the Sponsor's books and records, in addition to site inspections, as AHP deems appropriate.

18.2 AHP may perform compliance reviews, review procedures and documents pertaining to the SOW and other elements of this Agreement, perform on-site visits, and desk reviews in order to ensure the Sponsor's compliance with this Agreement, as well as to protect against fraud, waste, and abuse.

18.3 The right to access records also includes timely and reasonable access to the Sponsor's personnel for the purpose of interview and discussion related to the requested documents and/or information.

18.4 The right to access records is not limited to the required retention period but lasts as long as the records are retained by the Sponsor.

18.5 The Sponsor shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Project and the Program Funds.

18.6 The Parties recognize and acknowledge that DHCS and the Sponsor are public entities subject to the Public Records Act and information exchanged may be subject to public disclosure and the Parties have no right to assume that such information shall be kept confidential.

18.7 Any review or inspection undertaken by AHP or its designee with reference to the Project is solely for the purpose of determining whether the Sponsor is properly discharging its obligations to DHCS and should not be relied upon by the Sponsor or by any third parties as a warranty or representation by AHP or DHCS as to the quality of the design or construction of the Project.

18.8 The Sponsor agrees that claims based upon an audit finding, and/or an audit finding that is appealed and upheld, shall be recovered by AHP by one of the following options:

18.8.1 the Sponsor's remittance to AHP of the full amount of the audit exception within thirty (30) days following AHP's request for payment; or

18.8.2 a repayment schedule which is agreeable to both AHP and the Sponsor.

AHP reserves the right to select which option described above shall be employed, and AHP shall notify the Sponsor in writing of the claim procedure to be utilized. Interest on the unpaid balance of the audit finding or debt shall accrue at a rate equal to the maximum allowed by applicable law.

18.9 Sponsor shall provide to AHP an executed Facility Access Certification, "Execution of Facility Access Agreement with State of California, Department of Health Care Services," in connection with DHCS's right to inspect, audit, and review Sponsor's compliance with this Agreement and the Program Requirements within forty-five (45) days of Sponsor's receipt of the Agreement with DHCS.

### **ARTICLE 19.** **THIRD-PARTY BENEFICIARIES**

The State, represented by DHCS in this Agreement, is a third-party beneficiary of this Agreement. The Agreement shall not be construed so as to give any other person or entity, other than the Parties and DHCS, any legal or equitable claim or right. DHCS or another authorized

department or agency representing the State may enforce any provision of this Agreement to the full extent permitted in law or equity as a third-party beneficiary of this Agreement. The State may take any and all remedies available in law and equity. In the event of litigation, the State may choose to seek any type of damages available in law or equity, up to the full amount of Program Funds awarded to the Sponsor.

**ARTICLE 20.**  
**MISCELLANEOUS**

20.1 Dispute Resolution.

20.1.1 In the event of a dispute, the Parties shall first try to resolve the dispute by escalating it to higher levels of management to negotiate in good faith. If negotiations are unsuccessful, any controversy, dispute, or disagreement arising out of or relating to this Agreement, its breach, or its subject matter shall be conducted in a court of competent jurisdiction in San Francisco County, California. Any Party bringing an action must comply with all applicable laws relating to claims against public entities, including the time limitations and manner of claim presentation prescribed by Chapter 2, commencing with section 910 of Part 3 (Claims Against Public Entities) of Division 3.6 of Title 1 of the California Government Claims Act.

20.1.2 The Sponsor shall be obligated to continue to perform pursuant to this Agreement while any dispute is pending.

20.1.3 Dispute Resolution provisions do not apply to the State.

20.2 Attorneys' Fees. If a dispute arising out of this Agreement is finally adjudicated, the non-prevailing party shall pay the prevailing party's reasonable expenses incurred in connection therewith, including reasonable arbitration costs and reasonable attorneys' fees. If multiple items are disputed and the final decision is split, then the Parties shall allocate such expenses pro rata as to each item. This Section 20.2 Attorney's Fees provision does not apply to the State.

20.3 Waiver. AHP's failure to notify the Sponsor of a breach or to insist on strict performance of any provision of this Agreement shall not constitute waiver of such breach or provision.

20.4 Remedies. No remedy in this Agreement is exclusive of any other remedy available under this Agreement, at law or in equity. AHP or DHCS may seek equitable relief, including an injunction, against the Sponsor in connection with any breach or threatened breach of this Agreement.

20.5 Limitation of Liability. Except as otherwise provided in this Agreement, or by applicable law, the Sponsor waives any right to seek, and AHP and DHCS shall not be liable for, any special, consequential, or punitive damages; indirect or incidental damages; or for any loss of goodwill, profits, data, or loss of use arising out of, resulting from, or in any way connected with the performance or breach of this Agreement, even if the Sponsor advises AHP or DHCS of the possibility of any such damages.

20.6 Relationship. The Sponsor is an independent contractor with respect to AHP. This Agreement is not intended to create a partnership, joint venture, employment, or fiduciary relationship between the Parties or between any Party hereto and DHCS.

20.7 Notices. Notices under this Agreement must be (i) in writing, (ii) addressed to the receiving Party at the address described in the Summary Cover Sheet (unless notice of a different address is given), and (iii) (A) if personally delivered to the recipient, notice is effective upon delivery, (B) if sent by a nationally recognized overnight courier service, notice is effective on the first business day following its timely deposit with such courier service, delivery fees for next business day delivery prepaid; no signature affirming receipt by the receiving Party is required, the internal records of the courier service shall be accepted as sufficient evidence of the date of the deposit of the notice with the courier service, or (C) if sent by certified U.S. mail, notice is effective three (3) days after deposit thereof in the U.S. mail, postage prepaid, certified, return receipt requested. Counsel for a Party may send notice on behalf of its client.

20.7.1 Notwithstanding the foregoing, the Parties may deliver any approval, disapproval, or request therefor via email. Such email notices and deliveries shall be valid and binding on the Parties, subject to the following:

20.7.1.1 Such email must be properly addressed to the other Party's Designated Representatives. For purposes of this Agreement, "**Designated Representative**" means initially (i) for AHP, Nichole Rupp, Deputy Program Director, at [REDACTED] and Steve Thronson, Senior Program Director, at [REDACTED] and (ii) for the Sponsor, Kelly Kirkpatrick, Director of New Beds & Facilities, Department of Public Health, City and County of San Francisco, at [REDACTED] and Hillary Kunins, MD, Director of Behavioral Health Services, San Francisco County Department of Public Health, at [REDACTED]. A Party may change a Designated Representative only upon notice to the other Party pursuant to the requirements of Section 20.7(iii) (A), (B) or (C).

20.7.1.2 If the sender receives a bounce-back, out-of-office, or other automated response indicating non-receipt, the sender shall (i) re-attempt delivery until the other Party confirms receipt or (ii) deliver the item in accordance with Section 20.7(iii) (A), (B), or (C).

20.8 Governing Law. The place of performance of this Agreement is California and the laws of the State of California shall govern the validity, performance, enforcement, and interpretation of this Agreement. Any litigation or enforcement of an award must be brought in the appropriate federal or state court in the State of California, County of Sacramento. Each Party consents to personal and subject matter jurisdiction and venue in such courts and waives the right to change venue with respect to any such proceeding. The Parties acknowledge that all directions issued by the forum court, including injunctions and other decrees, shall be binding and enforceable in all jurisdictions and countries.

20.9 Assignment. The Sponsor shall not assign, delegate, or otherwise transfer this Agreement or its duties or obligations in connection therewith, in whole or in part, without the prior approval of AHP and DHCS. AHP's obligations under this Agreement shall be assignable

to DHCS or DHCS's designee upon DHCS's request without the Sponsor's consent. In the event that AHP assigns its obligations under this Agreement to DHCS, AHP shall make commercially reasonable efforts to transition any reasonably necessary documentation related to this Agreement to DHCS or its designee; provided, however, that AHP shall have no obligation to incur any liability nor pay fees, charges, or reimbursement in connection with any assignment, wind-down, or transition services.

20.10 Entire Agreement; Amendments. This Agreement constitutes the entire agreement of the Parties with respect to its subject matter. It supersedes all oral or written agreements or communications between the Parties. No understanding, agreement, modification, change order, or other matter affecting this Agreement shall be binding, unless in writing, signed by both Parties. No handwritten changes shall be effective unless initialed by each Party.

20.11 Independent Legal and Tax Advice. AHP and the Sponsor, each, have reviewed and negotiated this Agreement using such independent legal and tax counsel as each has deemed appropriate. The Sponsor further acknowledges that it has been afforded the opportunity to obtain legal and tax advice concerning its legal and financial duties and obligations, including its state and federal tax liabilities related to its receipt of Program Funds, and hereby confirms by the execution and delivery of this Agreement that it has either done so or waived its right to do so in connection with entering into this Agreement. For the avoidance of doubt, the Sponsor shall be solely responsible for its tax liabilities related to its receipt of Program Funds.

20.12 Exhibits. The Attachments, Schedules, and Addenda attached to this Agreement are a part of this Agreement and incorporated into this Agreement by reference.

20.13 Partial Invalidity. If any part of this Agreement is unenforceable, the remainder of this Agreement and, if applicable, the application of the affected provision to any other circumstance, shall be fully enforceable.

20.14 Captions. The headings contained herein are for convenience only and are not intended to define, limit, or describe the scope or intent of any provision of this Agreement.

20.15 Force Majeure. Neither Party shall be liable to the other for loss or damages due to failure or delay in rendering performance caused by circumstances beyond its reasonable control, if such failure could not have been overcome by the exercise of due diligence, due care, or foresight. Such circumstances may include, but are not limited to, acts of God or a public enemy; wars; acts of terrorism; riots; fires; floods; epidemics; quarantine restrictions; labor disputes; strikes; defaults of subcontractors/vendors; failure/delays in transportation; unforeseen freight embargoes; unusually severe weather; or any law/order/regulation/request of a state or local government entity, the U.S. Government, or any agency, court, commission, or other instrumentality of any such governments. Times of performance under this Agreement may be appropriately extended for excused delays if the Party whose performance is affected promptly notifies the other of the existence and nature of such delay.

20.16 Publicity. Without prior written approval of the other, neither Party shall use the other's name or make reference to the other Party or any of its employees in publications, news releases, advertising, speeches, technical papers, photographs, sales promotions, or publicity purposes of any form related to this work or data developed hereunder, unless disclosure of such materials is required by legal, accounting, or regulatory requirements beyond the disclosing Party's reasonable control. Use of either Party's name may be made in internal documents, annual reports, and proposals. This Section shall survive expiration/termination of this Agreement.

Notwithstanding the foregoing, the Sponsor agrees that the State may use and refer to the Sponsor and the Project in any publication, news release, advertising, speech, technical paper, or for any other purposes.

20.17 Notice of Litigation. Promptly, and in any event within five (5) business days after an officer or other authorized representative of the Sponsor obtains knowledge thereof, the Sponsor shall provide written notice to AHP of (i) any litigation or governmental proceeding pending against the Sponsor which could materially adversely affect the business, operations, property, assets, condition (financial or otherwise), or prospects of the Sponsor and (ii) any other event which is likely to materially adversely affect the business, operations, property, assets, condition (financial or otherwise), or prospects of the Sponsor.

20.18 Survival. Except as otherwise stated, sections that by their terms impose continuing obligations or establish continuing rights shall be deemed to survive the expiration or termination of this Agreement.

20.19 Successors. This Agreement shall be binding upon the Parties, their successors, and assigns.

20.20 Approvals. Whenever this Agreement calls for approval by either (i) a Party or (ii) DHCS, approval shall mean prior written approval (including via email), not to be unreasonably conditioned, delayed, or withheld, unless sole discretion is expressly noted.

20.21 Timeliness. Time is of the essence in this Agreement.

20.22 Counterparts; Electronic Signatures. The Parties may sign this Agreement in several counterparts, each of which constitutes an original, but all of which together constitute one instrument. Electronic signatures are valid and shall bind the Party delivering such signature.

**STATE REQUIREMENTS**

**Only the State Requirements applicable to the Sponsor's Program Funding are included in this Attachment and inapplicable provisions have been intentionally omitted.**

**1. Federal Equal Opportunity Requirements.**

- a. The Sponsor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. The Sponsor will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. The Sponsor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or AHP, setting forth the provisions of the Equal Opportunity clause, section 503 of the Rehabilitation Act of 1973 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212). Such notices shall state the Sponsor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.
- b. The Sponsor will, in all solicitations or advancements for employees placed by or on behalf of the Sponsor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era.
- c. The Sponsor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Sponsor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The Sponsor will comply with all provisions of and furnish all information and reports required by section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212) and

of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and of the rules, regulations, and relevant orders of the Secretary of Labor.

- e. The Sponsor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of the Sponsor's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled, terminated, or suspended in whole or in part and the Sponsor may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- g. The Sponsor will include the provisions of Paragraphs a through g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or section 503 of the Rehabilitation Act of 1973 or (38 U.S.C. 4212) of the Vietnam Era Veteran's Readjustment Assistance Act, so that such provisions will be binding upon each Sponsor or vendor. The Sponsor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or AHP may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Sponsor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by AHP, the Sponsor may request in writing to

AHP, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

## **2. Travel and Per Diem Reimbursement.**

(Applicable if travel and/or per diem expenses are authorized to be reimbursed with Agreement funds.)

Reimbursement for travel and/or per diem expenses from AHP under this Agreement shall, unless otherwise specified in this Agreement, be at the rates currently in effect, as established by the California Department of Human Resources (CalHR), for nonrepresented state employees as stipulated in DHCS's Travel Reimbursement Information Exhibit in Attachment A-State Requirements. If the CalHR rates change during the term of the Agreement, the new rates shall apply upon their effective date and no amendment to this Agreement shall be necessary. <b>D: PROJECT NARRATIVE</b>	
<p><b>Organizational Profile Narrative:</b>                  The entity receiving this BHCIP Round 5 grant is the City and County of San Francisco through its Behavioral Health Services (BHS) agency within its Department of Public Health. BHS oversees the provision of all public behavioral health services to the county’s Medi-Cal, indigent, SSI, low-income, undocumented, and uninsured client populations (including provision of urgent, crisis, emergency, and acute behavioral health services to all in San Francisco) who have moderate to severe mental health and/or substance use disorders. BHS's priority client population often present with co-occurring physical health and social service needs, including homelessness, high use of acute and emergency services, and justice involvement.</p>	

**Project Narrative:**

The 1660 Mission Street site will serve as a comprehensive “one-stop” site for accessing SFPDPH’s behavioral health services and beginning treatment. As key components, the facility will feature three BHCIP-eligible service types: #1) Behavioral Health Urgent Care, #2) Narcotic Treatment Program (NTP) Medication Unit, and #3) Office-Based Opioid Treatment. These programs will relocate to 1660 Mission from an existing site that is outdated and cannot be expanded to meet the need for these behavioral health services in San Francisco.

Staff at 1660 Mission will provide behavioral health assessment, initiation of medication treatment, and make referrals to ongoing behavioral health treatment at BHS’s outpatient, intensive, and residential treatment sites. The site will also include new space for Office of Coordinated Care outreach and case management teams to meet with clients to provide wraparound services, including CalAIM Enhanced Care Management. This co-location of services will improve care for priority populations, including people who are experiencing homelessness and/or transitioning from hospitalization or jail.

**Construction Narrative:**

In the county’s BHCIP 5 application, SFPDPH originally identified a site at 1019 Market Street in San Francisco as the location for the BHCIP 5 programs. However, the county was unable to complete the acquisition of that building due to challenges negotiating the necessary seismic upgrades with the building owner. After considering several alternative sites, the county identified a new location at 1660 Mission Street and signed a Letter of Intent to acquire the property in May 2025. Negotiations to finalize the Purchase and Sale Agreement (PSA) are underway. The PSA is expected to be introduced for approval by the San Francisco Board of Supervisors by the end of July 2025.

The building at 1660 Mission Street contains six floors and one level of below-grade parking, with approximately 72,000 square feet of floor space and 23,000 square feet of parking (95,000 square feet in total). Originally constructed in 1990, it was owned by the City and County of San Francisco until 2017, used as offices for the Department of Building Inspection. Based on initial assessments by SFPDPH’s Facilities team, the building is in good structural condition but will require a gut renovation of interiors and replacement of key building systems to be adapted for a public health clinical use.

Due to the size of the building at 1660 Mission Street, SFPDPH plans to co-locate the BHCIP 5 behavioral health programs with two other public health uses: San Francisco City Clinic – a longstanding sexual health clinic operated by SFPDPH’s Population Health division – and a new drop-in/drop-off center to support people who are intoxicated and/or experiencing a behavioral health crisis. In compliance with the program rules, the county’s BHCIP 5 award will only be used to develop the BHCIP-eligible programs.

Based on the preliminary test-fit developed for 1660 Mission Street, the second, third, and fifth floors are planned to house the BHCIP 5 behavioral health programs. The BHS Pharmacy and the Office-Based Buprenorphine Induction Clinic (OBIC) will occupy the second floor, the Behavioral Health Access Center (BHAC) will be located on the third floor, and the fifth floor will have space for Office of Coordinated Care staff. Clients and staff will access the

behavioral health programs via a dedicated first-floor lobby, entering from Mission Street. The overall BHCIP square footage is estimated at approximately 35,000 square feet.

- First floor: Drop-in/drop-off center and program lobbies
- Second floor: Behavioral Health Services Pharmacy (NTP Medication Unit) and Office-Based Buprenorphine Induction Clinic (Office-Based Opioid Treatment)
- Third floor: Behavioral Health Access Center (Behavioral Health Urgent Care) and administrative offices
- Fourth floor: San Francisco City Clinic
- Fifth floor: Office of Coordinated Care (Behavioral Health Urgent Care)
- Sixth floor: Administrative offices

Since 1660 Mission Street was previously used as an office building, substantial alterations are required on the first, second, third, and fourth floors to accommodate the proposed clinical uses. These alterations include building a convenience stair to connect the first, second, and third floors, adding new dedicated elevators for the behavioral health programs and City Clinic, and building the exam and office rooms required to support these programs. Alterations are also needed to update the fifth and sixth floors as office space. Minimal seismic reinforcement is required.

Most building systems are original to the building's construction, approaching their end of life, and will be replaced. The building will be required to meet LEED v4.1 Gold with an all-electric energy source, in accordance with San Francisco Environmental Code sections 704.

Once the 1660 Mission property is acquired by the county and the BHCIP Declaration of Restrictions is applied (by October 2025), DPH will bring on a project team, including architectural and engineering services, to develop detailed design documents and submit them for permitting. The current project timeline anticipates that the design phase will begin in early 2026, construction will break ground in early 2027, and the site will open for services in late 2028.

In alignment with the original grant application, the \$10 million BHCIP 5 award will solely be used for acquisition of the 1660 Mission site, with all BHCIP 5 funds being expended by fall 2025. The total acquisition price is \$18.5 million: the remaining \$8.5 million (including the required match) will come from county funds. SFDPH will employ local funding sources, including voter-approved general obligation bonds and Homelessness Gross Receipts Tax funds, to finance the building renovations, which are currently estimated at \$56.5 million.

I am providing this information in connection with an application for funding from the State of California (the "**State**") pursuant to the Behavioral Health Continuum Infrastructure Program for the Health, Recovery, and Connection Center ("**Project**") and acknowledge that the State and its contract manager, Advocates for Human Potential, Inc. ("**AHP**"), are relying on this information in awarding and disbursing Program Funds.
3. As part of the application, the Sponsor has submitted a construction budget for the Project. The construction budget was prepared with the assistance and/or consultation of a licensed contractor, architect, or experienced construction manager; the licensed contractor, architect, or construction manager was informed that the Project is a Public Works project as that term is defined in the California Labor Code section 1720 et. seq.; and was prepared using the applicable prevailing wages for all construction work to be performed as part of the Project in accordance with California Labor Code section 1720 *et seq.*
4. Sponsor (i) has been provided with copies of California Labor Code sections 1771, 1775, 1776, 1777.5, 1813 and 1815, attached hereto as Schedule 1; (ii) has included, or shall include, those California Labor Code provisions in the construction contract with the licensed contractor; and (iii) has notified, or shall notify, the licensed contractor that such Labor Code provisions must be included in any subcontracts.
5. Sponsor acknowledges and agrees to periodically review the licensed contractors' payroll records to monitor compliance with California prevailing wage requirements and to take diligent action if Sponsor discovers any failure by the licensed contractor or any of its subcontractors to pay prevailing wages or to otherwise comply with the requirements of the California Labor Code.
6. Sponsor agrees, in accordance with California Labor Code section 1773.3, to provide notice to the California Department of Industrial Relations ("**DIR**") of the construction contract within thirty (30) days of the award of such construction contract.

**STATE PREVAILING WAGES STATUTES**

The provisions of California Labor Code sections 1771, 1775, 1776, 1777.5, 1813, and 1815, as set out below and as may be amended, must be incorporated into all construction contracts. All references to sections are to sections of the California Labor Code.

(i) Section 1771:

“Except for public works projects of one thousand dollars (\$1,000) or less, not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work fixed as provided in this chapter, shall be paid to all workers employed on public works.

This section is applicable only to work performed under contract, and is not applicable to work carried out by a public agency with its own forces. This section is applicable to contracts let for maintenance work.”

(ii) Section 1775:

“(a) (1) The contractor and any subcontractor under the contractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit not more than two hundred dollars (\$200) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rates as determined by the director for the work or craft in which the worker is employed for any public work done under the contract by the contractor or, except as provided in subdivision (b), by any subcontractor under the contractor.

(2) (A) The amount of the penalty shall be determined by the Labor Commissioner based on consideration of both of the following:

(i) Whether the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) Whether the contractor or subcontractor has a prior record of failing to meet its prevailing wage obligations.

(B) (i) The penalty may not be less than forty dollars (\$40) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, unless the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) The penalty may not be less than eighty dollars (\$80) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the contractor or

subcontractor has been assessed penalties within the previous three years for failing to meet its prevailing wage obligations on a separate contract, unless those penalties were subsequently withdrawn or overturned.

(iii) The penalty may not be less than one hundred twenty dollars (\$120) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the Labor Commissioner determines that the violation was willful, as defined in subdivision (c) of Section 1777.1.

(C) If the amount due under this section is collected from the contractor or subcontractor, any outstanding wage claim under Chapter 1 (commencing with Section 1720) of Part 7 of Division 2 against that contractor or subcontractor shall be satisfied before applying that amount to the penalty imposed on that contractor or subcontractor pursuant to this section.

(D) The determination of the Labor Commissioner as to the amount of the penalty shall be reviewable only for abuse of discretion.

(E) The difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the contractor or subcontractor, and the body awarding the contract shall cause to be inserted in the contract a stipulation that this section will be complied with.

(b) If a worker employed by a subcontractor on a public works project is not paid the general prevailing rate of per diem wages by the subcontractor, the prime contractor of the project is not liable for any penalties under subdivision (a) unless the prime contractor had knowledge of that failure of the subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime contractor fails to comply with all of the following requirements:

(1) The contract executed between the contractor and the subcontractor for the performance of work on the public works project shall include a copy of the provisions of this section and Sections 1771, 1776, 1777.5, 1813, and 1815.

(2) The contractor shall monitor the payment of the specified general prevailing rate of per diem wages by the subcontractor to the employees, by periodic review of the certified payroll records of the subcontractor.

(3) Upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages, the contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited to, retaining sufficient funds due the subcontractor for work performed on the public works project.

(4) Prior to making final payment to the subcontractor for work performed on the public works project, the contractor shall obtain an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has paid the specified general prevailing rate of per diem wages to his or her employees on the public works project and any amounts due pursuant to Section 1813.

(c) The Division of Labor Standards Enforcement shall notify the contractor on a public works project within 15 days of the receipt by the Division of Labor Standards Enforcement of a complaint of the failure of a subcontractor on that public works project to pay workers the general prevailing rate of per diem wages.”

(iii) Section 1776:

“(a) Each contractor and subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the contractor or subcontractor in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

(1) The information contained in the payroll record is true and correct.

(2) The employer has complied with the requirements of Sections 1771, 1811, and 1815 for any work performed by that person on the public works project.

(b) The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of the contractor on the following basis:

(1) A certified copy of an employee’s payroll record shall be made available for inspection or furnished to the employee or the employee’s authorized representative on request.

(2) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished upon request to a representative of the body awarding the contract and the Division of Labor Standards Enforcement of the Department of Industrial Relations.

(3) A certified copy of all payroll records enumerated in subdivision (a) shall be made available upon request by the public for inspection or for copies thereof. However, a request by the public shall be made through either the body awarding the contract or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to paragraph (2), the requesting party shall, prior to being provided the records, reimburse the costs of preparation by the contractor, subcontractors, and the entity through which the request was made. The public may not be given access to the records at the principal office of the contractor.

(c) Unless required to be furnished directly to the Labor Commissioner in accordance with paragraph (3) of subdivision (a) of Section 1771.4, the certified payroll records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as the forms provided by the division. The payroll records may consist of printouts of payroll data that are maintained as computer records, if the printouts contain the same information as the forms provided by the division and the printouts are verified in the manner specified in subdivision (a).

(d) A contractor or subcontractor shall file a certified copy of the records enumerated in subdivision (a) with the entity that requested the records within 10 days after receipt of a written request.

(e) Except as provided in subdivision (f), any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the awarding body or the Division of Labor Standards Enforcement shall be marked or obliterated to prevent disclosure of an individual's name, address, and social security number. The name and address of the contractor awarded the contract or the subcontractor performing the contract shall not be marked or obliterated. Any copy of records made available for inspection by, or furnished to, a multiemployer Taft-Hartley trust fund (29 U.S.C. Sec. 186(c)(5)) that requests the records for the purposes of allocating contributions to participants shall be marked or obliterated only to prevent disclosure of an individual's full social security number, but shall provide the last four digits of the social security number. Any copy of records made available for inspection by, or furnished to, a joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a) shall be marked or obliterated only to prevent disclosure of an individual's social security number.

(f) (1) Notwithstanding any other provision of law, agencies that are included in the Joint Enforcement Strike Force on the Underground Economy established pursuant to Section 329 of the Unemployment Insurance Code and other law enforcement agencies investigating violations of law shall, upon request, be provided nonredacted copies of certified payroll records. Any copies of records or certified payroll made available for inspection and furnished upon request to the public by an agency included in the Joint Enforcement Strike Force on the Underground Economy or to a law enforcement agency investigating a violation of law shall be marked or redacted to prevent disclosure of an individual's name, address, and social security number.

(2) An employer shall not be liable for damages in a civil action for any reasonable act or omission taken in good faith in compliance with this subdivision.

(g) The contractor shall inform the body awarding the contract of the location of the records enumerated under subdivision (a), including the street address, city, and county, and shall, within five working days, provide a notice of a change of location and address.

(h) The contractor or subcontractor has 10 days in which to comply subsequent to receipt of a written notice requesting the records enumerated in subdivision (a). In the event that the contractor or subcontractor fails to comply within the 10-day period, the contractor or subcontractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit one hundred dollars (\$100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due. A contractor is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

(i) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section.

(j) The director shall adopt rules consistent with the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1 of the Government Code) and the Information Practices Act of 1977 (Title 1.8 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code) governing the release of these records, including the establishment of reasonable fees to be charged for reproducing copies of records required by this section.”

(iv) Section 1777.5:

“(a) (1) This chapter does not prevent the employment upon public works of properly registered apprentices who are active participants in an approved apprenticeship program.

(2) For purposes of this chapter, “apprenticeship program” means a program under the jurisdiction of the California Apprenticeship Council established pursuant to Section 3070.

(b) (1) Every apprentice employed upon public works shall be paid the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered and shall be employed only at the work of the craft or trade to which he or she is registered.

(2) Unless otherwise provided by a collective bargaining agreement, when a contractor requests the dispatch of an apprentice pursuant to this section to perform work on a public works project and requires the apprentice to fill out an application or undergo testing, training, an examination, or other preemployment process as a condition of employment, the apprentice shall be paid for the time spent on the required preemployment activity, including travel time to and from the required activity, if any, at the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered. Unless otherwise provided by a collective bargaining agreement, a contractor is not required to compensate an apprentice for the time spent on preemployment activities if the apprentice is required to take a preemployment drug or alcohol test and he or she fails to pass that test.

(c) Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards that have been approved by the Chief of the Division of Apprenticeship Standards and who are parties to written apprentice agreements under Chapter 4 (commencing with Section 3070) of Division 3 are eligible to be employed at the apprentice wage rate on public works. The employment and training of each apprentice shall be in accordance with either of the following:

(1) The apprenticeship standards and apprentice agreements under which he or she is training.

(2) The rules and regulations of the California Apprenticeship Council.

(d) If the contractor to whom the contract is awarded by the state or any political subdivision, in performing any of the work under the contract, employs workers in any apprenticeable craft or trade, the contractor shall employ apprentices in at least the ratio set forth in this section and may apply to any apprenticeship program in the craft or trade that can provide apprentices to the site of the public work for a certificate approving the contractor under the apprenticeship standards for the employment and training of apprentices in the area or industry affected. However, the decision of the apprenticeship program to approve or deny a certificate shall be subject to review by the Administrator of

Apprenticeship. The apprenticeship program or programs, upon approving the contractor, shall arrange for the dispatch of apprentices to the contractor. A contractor covered by an apprenticeship program's standards shall not be required to submit any additional application in order to include additional public works contracts under that program. "Apprenticeable craft or trade," as used in this section, means a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the California Apprenticeship Council. As used in this section, "contractor" includes any subcontractor under a contractor who performs any public works not excluded by subdivision (o).

(e) Before commencing work on a contract for public works, every contractor shall submit contract award information to an applicable apprenticeship program that can supply apprentices to the site of the public work. The information submitted shall include an estimate of journeyman hours to be performed under the contract, the number of apprentices proposed to be employed, and the approximate dates the apprentices would be employed. A copy of this information shall also be submitted to the awarding body, if requested by the awarding body. Within 60 days after concluding work on the contract, each contractor and subcontractor shall submit to the awarding body, if requested, and to the apprenticeship program a verified statement of the journeyman and apprentice hours performed on the contract. The information under this subdivision shall be public. The apprenticeship programs shall retain this information for 12 months.

(f) The apprenticeship program supplying apprentices to the area of the site of the public work shall ensure equal employment and affirmative action in apprenticeship for women and minorities.

(g) The ratio of work performed by apprentices to journeymen employed in a particular craft or trade on the public work may be no higher than the ratio stipulated in the apprenticeship standards under which the apprenticeship program operates if the contractor agrees to be bound by those standards. However, except as otherwise provided in this section, in no case shall the ratio be less than one hour of apprentice work for every five hours of journeyman work.

(h) This ratio of apprentice work to journeyman work shall apply during any day or portion of a day when any journeyman is employed at the jobsite and shall be computed on the basis of the hours worked during the day by journeymen so employed. Any work performed by a journeyman in excess of eight hours per day or 40 hours per week shall not be used to calculate the ratio. The contractor shall employ apprentices for the number of hours computed as above before the end of the contract or, in the case of a subcontractor, before the end of the subcontract. However, the contractor shall endeavor, to the greatest extent possible, to employ apprentices during the same time period that the journeymen in the same craft or trade are employed at the jobsite. When an hourly apprenticeship ratio is not feasible for a particular craft or trade, the Administrator of Apprenticeship, upon application of an apprenticeship program, may order a minimum ratio of not less than one apprentice for each five journeymen in a craft or trade classification.

(i) A contractor covered by this section who has agreed to be covered by an apprenticeship program's standards upon the issuance of the approval certificate, or who has been previously approved for an apprenticeship program in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeymen stipulated in the applicable

apprenticeship standards, but in no event less than the 1-to-5 ratio required by subdivision (g).

(j) Upon proper showing by a contractor that he or she employs apprentices in a particular craft or trade in the state on all of his or her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by journeymen, the Administrator of Apprenticeship may grant a certificate exempting the contractor from the 1-to-5 hourly ratio, as set forth in this section for that craft or trade.

(k) An apprenticeship program has the discretion to grant to a participating contractor or contractor association a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the contractor from the 1-to-5 ratio set forth in this section when it finds that any one of the following conditions is met:

(1) Unemployment for the previous three-month period in the area exceeds an average of 15 percent.

(2) The number of apprentices in training in the area exceeds a ratio of 1 to 5.

(3) There is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis.

(4) Assignment of an apprentice to any work performed under a public works contract would create a condition that would jeopardize his or her life or the life, safety, or property of fellow employees or the public at large, or the specific task to which the apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

(l) If an exemption is granted pursuant to subdivision (k) to an organization that represents contractors in a specific trade from the 1-to-5 ratio on a local or statewide basis, the member contractors shall not be required to submit individual applications for approval to local joint apprenticeship committees, if they are already covered by the local apprenticeship standards.

(m) (1) A contractor to whom a contract is awarded, who, in performing any of the work under the contract, employs journeymen or apprentices in any apprenticeable craft or trade shall contribute to the California Apprenticeship Council the same amount that the director determines is the prevailing amount of apprenticeship training contributions in the area of the public works site. A contractor may take as a credit for payments to the council any amounts paid by the contractor to an approved apprenticeship program that can supply apprentices to the site of the public works project. The contractor may add the amount of the contributions in computing his or her bid for the contract.

(2) (A) At the conclusion of the 2002–03 fiscal year and each fiscal year thereafter, the California Apprenticeship Council shall distribute training contributions received by the council under this subdivision, less the expenses of the Department of Industrial Relations for administering this subdivision, by making grants to approved apprenticeship programs for the purpose of training apprentices. The grant funds shall be distributed as follows:

(i) If there is an approved multiemployer apprenticeship program serving the same craft or trade and geographic area for which the training contributions were made to the council, a grant to that program shall be made.

(ii) If there are two or more approved multiemployer apprenticeship programs serving the same craft or trade and county for which the training contributions were made to the council, the grant shall be divided among those programs based on the number of apprentices from that county registered in each program.

(iii) All training contributions not distributed under clauses (i) and (ii) shall be used to defray the future expenses of the Department of Industrial Relations for the administration and enforcement of apprenticeship and preapprenticeship standards and requirements under this code.

(B) An apprenticeship program shall only be eligible to receive grant funds pursuant to this subdivision if the apprenticeship program agrees, prior to the receipt of any grant funds, to keep adequate records that document the expenditure of grant funds and to make all records available to the Department of Industrial Relations so that the Department of Industrial Relations is able to verify that grant funds were used solely for training apprentices. For purposes of this subparagraph, adequate records include, but are not limited to, invoices, receipts, and canceled checks that account for the expenditure of grant funds. This subparagraph shall not be deemed to require an apprenticeship program to provide the Department of Industrial Relations with more documentation than is necessary to verify the appropriate expenditure of grant funds made pursuant to this subdivision.

(C) The Department of Industrial Relations shall verify that grants made pursuant to this subdivision are used solely to fund training apprentices. If an apprenticeship program is unable to demonstrate how grant funds are expended or if an apprenticeship program is found to be using grant funds for purposes other than training apprentices, then the apprenticeship program shall not be eligible to receive any future grant pursuant to this subdivision and the Department of Industrial Relations may initiate the process to rescind the registration of the apprenticeship program.

(3) All training contributions received pursuant to this subdivision shall be deposited in the Apprenticeship Training Contribution Fund, which is hereby created in the State Treasury. Upon appropriation by the Legislature, all moneys in the Apprenticeship Training Contribution Fund shall be used for the purpose of carrying out this subdivision and to pay the expenses of the Department of Industrial Relations.

(n) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section. The stipulations shall fix the responsibility of compliance with this section for all apprenticeable occupations with the prime contractor.

(o) This section does not apply to contracts of general contractors or to contracts of specialty contractors not bidding for work through a general or prime contractor when the contracts of general contractors or those specialty contractors involve less than thirty thousand dollars (\$30,000).

(p) An awarding body that implements an approved labor compliance program in accordance with subdivision (b) of Section 1771.5 may, with the approval of the director,

assist in the enforcement of this section under the terms and conditions prescribed by the director.”

(v) Section 1813:

“The contractor or subcontractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit twenty-five dollars (\$25) for each worker employed in the execution of the contract by the respective contractor or subcontractor for each calendar day during which the worker is required or permitted to work more than 8 hours in any one calendar day and 40 hours in any one calendar week in violation of the provisions of this article. In awarding any contract for public work, the awarding body shall cause to be inserted in the contract a stipulation to this effect. The awarding body shall take cognizance of all violations of this article committed in the course of the execution of the contract, and shall report them to the Division of Labor Standards Enforcement.”

(vi) Section 1815:

“Notwithstanding the provisions of Sections 1810 to 1814, inclusive, of this code, and notwithstanding any stipulation inserted in any contract pursuant to the requirements of said sections, work performed by employees of contractors in excess of 8 hours per day, and 40 hours during any one week, shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 ½ times the basic rate of pay.”

**REGULATORY AGREEMENT AND  
DECLARATION OF RESTRICTIONS**

This Regulatory Agreement and Declaration of Restrictions (the "**Declaration**"), dated \_\_\_\_\_ for reference purposes, is by and between **CITY AND COUNTY OF SAN FRANCISCO**, a California municipal corporation, acting through its Department of Public Health (the "**Owner**") and the State of California (the "**State**"), represented by the **DEPARTMENT OF HEALTH CARE SERVICES**, a public agency of the State of California ("**DHCS**").

**RECITALS**

A. DHCS oversees the Behavioral Health Continuum Infrastructure Program ("**BHCIP**"), which was established by California Assembly Bill No. 133 (Chapter 143, Statutes of 2021), and which is governed by Welfare and Institutions Code section 5960-5960.45. Under BHCIP, DHCS awards competitive grants to qualified entities to construct, acquire, and rehabilitate real estate assets to build new capacity or expand existing capacity for facilities that will operate for a minimum of thirty (30) years to provide short-term crisis stabilization, acute and subacute care, crisis residential, community-based mental health residential, substance use disorder residential, peer respite, community and outpatient behavioral health services, and other clinically enriched longer term treatment and rehabilitation options for persons with behavioral health disorders in the least restrictive and least costly settings;

B. On October 20, 2022, DHCS issued a Request for Applications ("**RFA**") for BHCIP grant awards and selected Owner's Project (as defined below) as a recipient of a BHCIP grant award. Advocates for Human Potential, Inc., a Massachusetts corporation ("**AHP**"), acting as the initial program administrator for the initial five (5)-year building phase of BHCIP, entered into a Program Funding Agreement with an effective date of \_\_\_\_\_, 20\_\_ (the "**Program Funding Agreement**"), with Owner for the distribution of BHCIP funds in an amount not to exceed Ten Million Dollars (\$10,000,000.00) (the "**Program Funds**") over the above-mentioned five (5)-year building phase for Owner to acquire, expand, or construct certain improvements more particularly described in the RFA ("**Owner's Project**") on that certain real property commonly known as 1660 Mission Street, located in the City of San Francisco ("**City**"),

County of San Francisco (“**County**”), State of California, and the improvements thereon (the “**Property**”), as more particularly described and shown on **Exhibit A**, attached hereto and incorporated herein by this reference;

C. As an award recipient, in consideration for the Program Funds, and in order to comply with the policies, programs, and applicable legislation, including the RFA, the Program Funding Agreement, the Facility Access Agreement between DHCS and the Owner, and the Behavioral Health Continuum Infrastructure Program, authorized under Welfare and Institutions Code section 5960-5960.45, established by California Assembly Bill No. 133 (Chapter 143, Statutes of 2021), the Property and the owner thereof are subject to certain requirements and restrictions, including, without limitation, the obligation to ensure that the Property shall be used for outpatient services in the portion of the Property depicted in the Floor Plan, as set forth in **Schedule 1**, attached hereto and incorporated herein by this reference (the “**Permitted Use**”) for the Restriction Period (defined below), subject to change or modification to another use set forth in **Exhibit B**, attached hereto, and incorporated herein by this reference, with DHCS approval, which must accept and provide services to Medi-Cal beneficiaries as patients;

D. The Property shall be owned, held, used, maintained, and transferred pursuant to the covenants, conditions, restrictions, and limitations as further described herein; and

E. Owner and DHCS have agreed to enter into this Declaration to memorialize some of the aforementioned requirements and restrictions in the public record that will survive the expiration of the Program Funding Agreement to ensure compliance with the same.

**NOW, THEREFORE**, in consideration of the Program Funds paid to the Owner under the Program Funding Agreement and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Owner hereby enters into this Declaration and hereby covenants, agrees, and declares the following:

#### **AGREEMENT**

1. **Use of Property.** Owner, for itself and for its successors and assigns, hereby declares and covenants that, for the Restriction Period, the use of the Property, or in the event only a portion thereof has been improved with the use of Program Funds, then only that portion that has been so improved shall be restricted to the Permitted Use. Any change to another use described in Exhibit B, attached hereto and incorporated herein by this reference, shall require the express prior written approval of DHCS in its sole and absolute discretion, which modification and consent may be recorded in the official records of the County.

2. **Use, Maintenance, Repair, and Improvement of the Property.** Owner agrees:

2.1 To use the Property, or that portion of the Property constructed or improved with Program Funds, continuously for the Permitted Use;

2.2 To maintain the Property in conformity with the habitability and fire codes of the City or County where the Property is located in decent, safe, and sanitary condition and repair, and to permit no waste thereof;

2.3 Not to commit or suffer to be done or exist on or about the Property any condition causing the Property to become less valuable, except in accordance with this Declaration;

2.4 Not to apply for any permits or construct any buildings or improvements on the Property, other than the permits, buildings, and improvements contemplated as part of this Declaration, that would detrimentally affect the Property, including, without limitation, the value of the Property, the structural integrity of the Property, or the contemplated uses of the Property set forth in Exhibit B, attached hereto and incorporated herein by this reference; or add to, remove, demolish, or structurally alter any buildings or improvements included as part of the Property purchased or improved with Program Funds, without DHCS's consent;

2.5 To comply with all applicable laws affecting the Property, including, but not limited to, Behavioral Health Continuum Infrastructure Program, authorized under Welfare and Institutions Code section 5960-5960.45, and not to suffer or permit any violations of any such applicable law, nor of any covenant, condition, or restriction affecting the Property. To the extent an amendment to the foregoing imposes requirements upon the ownership or operation of the Project more restrictive than those imposed by this Declaration, this Declaration shall be deemed automatically amended, without consent or approval of any other person, to impose such additional or more restrictive requirements; however, Owner hereby agrees to execute such amendment upon request by DHCS;

2.6 To construct and maintain the deliverables developed and produced pursuant to the Program Funding Agreement in compliance with the accessibility requirements of sections 7405 and 11135 of the California Government Code, section 508 of the Rehabilitation Act of 1973 as amended (29 U.S.C. § 794d), regulations implementing the Rehabilitation Act of 1973 as set forth in Part 1194 of Title 36 of the Code of Federal Regulations, and the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 *et seq.*);

2.7 Not to initiate or acquiesce in any change in any zoning or other land use or legal classification which affects any of the Property without DHCS's prior written consent, which may be granted or withheld at DHCS's sole discretion;

2.8 Not to alter the use of all or any part of the Property constructed or improved with Program Funds without DHCS's prior written consent;

2.9 To maintain all licenses, certifications, or designations required to continue operating for the use specified in the Program Funding Agreement, or other use approved in writing by DHCS;

2.10 To pay to DHCS its then-current fees in connection with any consent, approval, transfer, amendment, or waiver requested by Owner, together with any expenses incurred by DHCS in connection therewith;

2.11 To submit to DHCS such periodic reports, updates, and information deemed necessary by DHCS to monitor compliance and/or perform program evaluation. Any requested data or information shall be submitted in electronic format in a manner specified by DHCS;

2.12 To pay all taxes, assessments, and other charges, liens, fines, and impositions attributable to or encumbering the Property, by making payment, prior to delinquency, directly to the payee thereof. Owner shall, upon request by DHCS or its agent, promptly furnish to DHCS or its agent all notices of amounts due under this subsection and receipts evidencing such payments. Owner shall have the right to contest in good faith any claim or lien, or payment due thereunder, so long as Owner does so diligently, without prejudice to DHCS, and provided that Owner has established on Owner's books adequate reserves with respect to such contested assessment, tax, charge, lien, or claim; and

2.13 To defend (with counsel satisfactory to DHCS), indemnify, and hold harmless DHCS and its respective officers, members, supervisors, directors, officials, and employees, counsel, attorneys, and agents, past, present, and future of each of them (collectively, the "**Indemnified Parties**") against all loss, costs, damages, expenses, suits, judgments, actions, and liabilities of whatever nature (including, without limitation, reasonable attorneys' fees, litigation and court costs, and amounts paid in settlement) directly or indirectly resulting from or arising out of or related to (a) the operation, use, occupancy, maintenance, financing, or ownership of the Owner's Project, and (b) any breach of the foregoing obligations. Owner shall pay, upon demand, all of the reasonable fees and expenses paid or incurred by DHCS in enforcing the provisions hereof against Owner.

### **3. Restrictions On Sale, Encumbrance, And Other Acts.**

3.1 Owner shall not voluntarily (which term shall not be interpreted to include a foreclosure of any security for a loan or deed-in lieu) sell, encumber (including recordation of deeds of trust), hypothecate, assign, pledge, convey, or transfer the Property, or any portion thereof, or any of its interests therein, equity interest in Owner, or any general partner interest in the Owner without obtaining DHCS's prior written consent, which shall not be unreasonably withheld by DHCS if (a) the Owner is not in default hereunder or under the Program Funding Agreement and delivers a certificate to DHCS certifying to the same; (b) the purchaser or assignee is not in default under any obligations it may have to DHCS and is not the subject of any legal or enforcement actions by DHCS; (c) evidence reasonably satisfactory to DHCS is presented to establish that the purchaser or assignee has prior experience in the successful development, ownership, and/or operation of a facility described in Exhibit B, attached hereto and incorporated herein by this reference, for individuals who qualify as members of the target population, or has a partner with said relevant experience; (d) DHCS shall have received reasonable evidence satisfactory to DHCS that the Owner's purchaser or transferee has assumed, in writing, the restrictions on the Property and Owner's duties and obligations under this Declaration and the Program Funding Agreement; (e) evidence satisfactory to DHCS that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by any department of DHCS; and (f) such other conditions as the State may reasonably impose to ensure compliance by the assignee or purchaser and Property with the requirements of this Declaration and Program Funding Agreement. It is expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by DHCS in a separate writing, any sale, transfer, or other disposition of the Property in violation of this Section 3 shall be null and void and shall not relieve the Owner of its obligations under this Declaration. Upon any sale or transfer which complies with this Declaration, the Owner shall be fully released from any obligations arising after said sale or transfer, but only to the extent such obligations have been assumed by the

transferee of the Property. Any transfer of the Property to any entity, whether or not affiliated with the Owner, shall be subject to the provisions of this Section 3.

3.2 If DHCS determines, in its reasonable discretion, to grant its prior written consent for a sale, transfer, or conveyance of the Property, such consent may impose additional terms and conditions, as necessary, to preserve or establish the fiscal integrity of the Property or to ensure compliance with this Declaration.

3.3 If a trustee under a loan acquires title to the Property by foreclosure or deed in lieu of foreclosure, no consent of the State shall be required to such transfer under this Declaration; however, the consent of DHCS and delivery of items (a) through (f) above shall be required for any transfer of the Property subsequent to the trustee's acquisition of the Property by foreclosure or deed in lieu of foreclosure.

#### **4. Insurance, Casualty, and Condemnation.**

4.1 During the Restriction Period, Owner shall obtain and maintain (i) property insurance insuring against, among other things, loss of the Property, or any portion thereof, and Owner's personal property and fixtures by fire and such other hazards and casualties; (ii) commercial liability insurance insuring against liabilities arising out of the ownership, use, occupancy, condition, or maintenance of or the operations, use, and activities in, on, or about the Property; and (iii) other such insurance required by DHCS, and in such amounts as required by DHCS, which policies shall include DHCS as an additional insured upon request by DHCS. All insurance policies and renewals thereof shall be issued by a carrier and in a form acceptable to DHCS. Owner may choose to self-insure to comply with these requirements and agrees to provide written evidence of such insurance coverage within three (3) days of such request by DHCS or AHP.

4.2 In the event of any fire or other casualty to the Property or any part thereof, Owner shall immediately notify DHCS and seek direction from DHCS on how to proceed. DHCS, in its sole and absolute discretion, shall determine whether to instruct the Owner to apply the insurance proceeds to the repair and restoration of the Property to a condition equal to or better than the Property was in immediately prior to such casualty. DHCS has the right but not the obligation to approve the plans and specifications for any repair and restoration, as well as the right but not the obligation to approve disbursements of insurance proceeds for repair and restoration under a construction escrow or similar arrangement.

**5. Covenants Run with the Land.** The Property is held and hereafter shall be held, conveyed, hypothecated, encumbered, leased, rented, used, and occupied subject to this Declaration. Notwithstanding section 1460, *et seq.*, of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any State agency. DHCS and Owner hereby declare their express intent that the covenants, reservations, and restrictions contained herein shall be deemed both equitable servitudes and covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Property; provided, however, that upon the expiration of the Restriction Period said covenants, reservations and restrictions shall expire. Owner expressly acknowledges and agrees that the Declaration is a reasonable restraint on Owner's right to own, use, maintain, and transfer the Property and any

estate or interest therein and is not and shall not be construed to be an unreasonable restraint on alienation. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Property, or any portion thereof, shall be held conclusively to have been executed, delivered, and accepted subject to this Declaration, regardless of whether this Declaration is set forth in such contract, deed, or other instrument.

6. **Term of Declaration.** The covenants in this Declaration shall be binding, effective, and enforceable commencing upon the recordation of this Declaration on the fee estate in land in the official records of the County, and they shall continue in full force and effect for a period of at least thirty (30) years after the date of either of the following: (i) the date of issuance of a Certificate of Occupancy, if the Owner's Project is for construction of a new facility, or (ii) the date of recordation of a Notice of Completion, in the official records of the County, if the Project is for the rehabilitation or expansion of an existing facility on the Property (the "**Restriction Period**"), regardless of any sale, assignment, transfer, or conveyance (including, without limitation, by foreclosure sale) of the Property or any portion thereof to any other person or entity.

7. **Default, Remedies.** If Owner defaults in the performance or observance of any covenant, agreement, restriction, or obligation of Owner set forth in this Declaration, and if such default remains uncured for a period of thirty (30) days after notice therefore shall have been given by DHCS to the Owner, then DHCS shall declare an "**Event of Default**" to have occurred hereunder. An Event of Default under this Declaration shall entitle DHCS to any rights, remedies, or damages available at law or in equity, including, but not limited to, those that are specified in Section 7.1-7.4 below. DHCS's failure to exercise any specific right or remedy shall not be construed as a waiver of that or any other right or remedy. An Event of Default under this Declaration shall also constitute a default under the Program Funding Agreement, in the event the same has not expired by its terms.

7.1 **Specific Performance.** The use, repair, and maintenance of the Property is of a special and unique kind and character, so that a breach of any material provision of this Declaration by Owner would not have an adequate remedy at law. Therefore, DHCS's rights may be enforced by an action for specific performance and such other equitable relief as is provided by the laws of the State of California.

7.2 **Injunctive Relief.** In pursuing specific performance of the Declaration, DHCS shall be entitled to petition the court for injunctive relief to enjoin any acts or things which may be in violation of this Declaration or the Program Funding Agreement. Such injunctive relief may include a court order restraining any development of the Property that is inconsistent with the foregoing Declaration.

7.3 **Appointment of Receiver.** In addition to or in conjunction with any other remedy available at law or in equity, DHCS may apply to a court of competent jurisdiction for the appointment of a receiver to take over and operate the Property in accordance with the requirements of the Program Funding Agreement and this Declaration. The receiver shall have all powers which shall be necessary or are usual in such cases for the protection, possession, control, management, and operation of the Property.

7.4 Right to Cure Defaults. Upon the occurrence and during the continuance of any Event of Default, the State may, but without any obligation to do so and without notice to or demand on Owner and without releasing Owner from any obligation hereunder, take such actions to cure the event of default in such manner and to such extent as the State may deem necessary to protect the security hereof. The cost and expense of any cure hereunder (including reasonable attorneys' fees to the extent permitted by law) shall be due and payable to the State upon demand, plus an administration fee of ten percent (10%).

7.5 Intentionally omitted.

**8. DHCS Review and Inspection.**

8.1 At any time during the term of this Declaration and upon reasonable notice, DHCS or its designee may, but is not obligated to, enter and inspect the Property and inspect all records pertaining to the operation, repair, and maintenance of the Property. Upon request by DHCS, Owner shall notify occupants of upcoming inspections in accordance with state law.

8.2 DHCS or its designee may, but is not obligated to, request any other information that it deems necessary to confirm compliance with this Declaration. Owner shall provide such requested information within fourteen (14) calendar days of DHCS's or its designee's written request for the information.

8.3 DHCS or its designee shall not, by the fact of making or not making any entries or inspections, or by taking or failing to take any action in response thereto: (i) incur or undertake, or be deemed to incur or undertake, any obligation, duty, or liability whatsoever, whether to Owner or to any other person or entity; (ii) be deemed as approving or disapproving any matter, action, incident, or condition related to the Property; or (iii) be deemed as approving or disapproving any matter related to the compliance of the Property with this Declaration or other applicable laws. In no event or circumstance shall DHCS's or its designee's exercise or non-exercise of its discretion under this subsection constitute, or be deemed or interpreted as constituting, any termination, limitation, alteration, or waiver by DHCS or its designee of any right, benefit, or remedies under or with respect to this Declaration.

**9. Owner Representations.** Owner represents and warrants to DHCS that: (1) Owner has sufficient interest in the Property to support the operation of the Property in accordance with this Declaration; (2) to Owner's actual knowledge and belief, there are no agreements, contracts, covenants, conditions, or exclusions to which Owner (or its predecessor in interest) is a party which would, if enforced, prohibit or restrict the use of the Property in accordance with the terms of this Declaration; (3) Owner has the full right and authority to enter into this Declaration; (4) this Declaration constitutes a valid and legally binding obligation on Owner, enforceable in accordance with its terms; and (5) Owner is duly organized and authorized to do business in the State of California.

**10. Amendment, Modification.** This Declaration shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the official records of the County.

11. **Severability.** Every provision of this Declaration is intended to be severable. If any provision of this Declaration is held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be affected or impaired.

12. **Governing Law.** This Declaration shall be governed by and interpreted under the laws of the State of California and applicable federal laws.

13. **Recordation of Agreement.** This Declaration shall be recorded on the fee estate in land in the official records of the County no later than December 31, 2025. The Declaration shall be recorded, and shall remain, as a lien against the Property.

**CONSTRUCTION CONTRACT ADDENDUM**

This Construction Contract Addendum (this “**Addendum**”) is made this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, by and between City and County of San Francisco, a California municipal corporation, acting through its Department of Public Health (“**Owner**”) and \_\_\_\_\_ (“**Contractor**”).

**RECITALS**

A. The Owner and Advocates for Human Potential, Inc., a Massachusetts corporation (“**AHP**”), acting as program administrator for the California Department of Health Care Services, a public agency of the State of California (“**DHCS**”), have entered into that certain Program Funding Agreement with an effective date of \_\_\_\_\_ (“**Agreement**”), pursuant to which Owner was allocated funds pursuant to the Behavioral Health Continuum Infrastructure Program (“**Program Funds**”) for the purposes of developing the project located at 1660 Mission Street, San Francisco, CA 94103 (the “**Project**”).

B. Owner and Contractor have entered into a Construction Agreement dated \_\_\_\_\_, under which Contractor has agreed to undertake construction work on the Project (the “**Contract**”).

C. Owner and Contractor wish to modify and add to the terms of the Contract as set forth in this Addendum, and Contractor agrees to be bound by the following provisions in the construction of said Project, in order to provide for certain terms required by AHP as a condition of providing the Program Funds for the Project. It is a condition to AHP providing the Program Funds that the Contractor agrees to be bound by the terms hereof.

NOW, THEREFORE, Owner and Contractor hereby agree as follows:

**1. OWNER’S OBLIGATIONS.** Owner agrees that any obligation imposed on Contractor by this Addendum does not waive, diminish, or alter any of Owner’s obligations to AHP under the Agreement, and that the obligations of Contractor to AHP contained herein are in addition to those obligations of Owner to AHP or DHCS contained in the Agreement. Owner shall be solely responsible for satisfying its obligations to Contractor under the Contract.

**2. CONSENT TO ASSIGNMENT OF DEVELOPMENT RIGHTS.** Contractor consents to the assignment of its Contract with Owner to AHP, upon demand by AHP, and to any subsequent assignment of the Contract by AHP at the election of AHP. Contractor agrees that if there is a breach of the Agreement or any other Event of Default (as the term may be defined in the Agreement), AHP may elect to enforce the assignment and take over the Contract. Contractor agrees to continue to perform its obligations under the Contract and this Addendum for the benefit and account of AHP in the same manner as if performed for the benefit and account of Owner in the absence of the assignment at no additional cost to AHP, as long as Contractor continues to receive the compensation called for under the Contract. Contractor agrees that AHP shall not have any obligation under the Contract until AHP notifies it in writing of AHP’s election to accept the assignment.

**3. ASSIGNMENT OF SUBCONTRACTS.** Contractor hereby consents to the assignment to AHP of all its interest in all subcontracts and agreements now or hereafter entered into by Contractor for performance of any part of the construction work required to be performed under the Contract. The assignment will be effective upon acceptance by AHP in writing and only as to those subcontracts and agreements which AHP designates in writing. AHP may accept said assignment at any time during the course of the construction work required to be performed under the Contract and prior to final completion of construction work required to be performed under the Contract in the event of a suspension or termination of Contractor's rights under the Contract. Such assignment is part of the consideration to Owner for entering into the Contract with Contractor and may not be withdrawn prior to final completion of construction work required to be performed under the Contract. Contractor agrees that any subcontract entered by and between Contractor and a subcontractor in connection with the Contract or performance of the construction work required to be performed under the Contract shall expressly provide that such subcontract shall be assignable to AHP and that AHP subsequently may assign such subcontract.

**4. COMMENCEMENT AND COMPLETION OF CONSTRUCTION.** Contractor must begin construction of the Project by the date set for the commencement of construction in the Contract. Contractor must diligently prosecute construction of the Project to completion and must complete construction of the Project by the completion date set forth in the Agreement. Incorporated herein are the Scope of Work, Performance Milestones, and Payment Schedule from the Agreement.

**5. CONSTRUCTION BONDS.** Upon execution of the Contract and prior to commencement of construction, unless otherwise approved by AHP or DHCS each in their sole discretion, Contractor must obtain a labor and material (payment) bond and a performance bond, or a dual bond which covers both payment and performance obligations, with respect to the construction of the Project in a penal sum each of not less than one hundred percent (100%) of the scheduled cost of construction. Such bonds must be issued by a company which is authorized to transact surety insurance in California and which has assets exceeding its liabilities in an amount equal to or in excess of the bond amount. The bonds must name AHP and DHCS as obligees. Owner shall provide to AHP a copy of any and all such payment and performance bonds prior to commencement of construction of the construction work required to be performed under the Contract.

**6. CONTRACT WORK.** Contractor warrants and represents that it is licensed or otherwise authorized to perform the construction work specified in the Contract in the State of California. All construction work must be performed by persons or entities licensed or otherwise authorized to perform the applicable construction work in the State of California. Contractor shall insert similar provisions in all subcontracts for work for the Project.

**7. QUALITY OF WORK.** Contractor must construct the Project in conformance with the plans and specifications and any modifications thereto approved by AHP. Contractor must construct the Project according to general industry standards and shall employ building materials of a quality suitable for the requirements of the Project and conforming to general industry standards. Contractor must construct the Project in full conformance with applicable local, state, and federal statutes, regulations, and building and housing codes.

The parties acknowledge that AHP and DHCS are under no duty to review the Plans and Specifications or to inspect construction of the Project. Any review or inspection undertaken by AHP or DHCS of the Project is solely for the purpose of determining whether Owner and Contractor are properly

discharging their obligations, and should not be relied upon by Owner, Contractor, or any third parties as a warranty or representation by AHP or DHCS as to the quality of the design or construction of the Project.

**8. ADDITIONS OR CHANGES IN WORK.** AHP must be notified, no later than thirty (30) days after the execution of a change order by and between Owner and Contractor, of any changes in the work required to be performed under the Contract or this Addendum, including any substantial additions, changes, or deletions to the approved plans and specifications, which exceeds Twenty-Five Thousand Dollars (\$25,000.00). Contractor shall not allow subcontractors to mark-up any change order by more than fifteen percent (15%). Contractor shall provide AHP and Owner with an updated budget and schedule prior to the commencement of construction at the Project and at fifty percent (50%) completion of the Project showing all changes from the budget and schedule prepared prior to the issuance of the notice to proceed to Contractor.

**9. SITE INSPECTIONS.** Contractor shall permit and facilitate in person and remote observation and inspection of work at the job site by AHP and DHCS and their agents and by public authorities during reasonable business hours.

**10. AUDITS.** Contractor must make available for examination at reasonable intervals and during normal business hours to AHP and DHCS's representatives all books, accounts, reports, files, and other papers or property with respect to all matters covered by the Contract and this Addendum, and must permit these representatives to audit, examine, and make copies, excerpts, or transcripts from such records.

**11. NONDISCRIMINATION.** Contractor may not discriminate against any employee or applicant for employment on the basis of race, color, religion, sex, sexual preference, national origin, AIDS or AIDS-related conditions, or disability in any phase of employment during construction. Contractor agrees to post in conspicuous places, available to all employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

**12. PREVAILING WAGES.** All workers performing construction work for the Project employed by Contractor and by any of its subcontractors must be compensated in an amount no less than the general prevailing rate of per diem wages as determined by the California Department of Industrial Relations under California Labor Code sections 1770 *et seq.* and implementing rules and regulations. Contractor must comply with, and must ensure that its subcontractors comply with, all reporting and recordkeeping requirements of the applicable prevailing wage statutes and regulations.

In the event of underpayment of wages by Contractor or by any subcontractor employed on the Project, AHP, in addition to other rights and remedies afforded by this Agreement, may: (1) demand that any underpaying employer comply with these requirements; (2) demand that the underpaying employer pay the difference between the prevailing wage rate and the amount actually paid to workers; (3) withhold and/or pay any Program Funds as necessary to compensate workers the full wages required under this Agreement; and/or (4) pursue any lawful administrative or court remedy to enforce these requirements against the underpaying employer. Any underpaying employer shall comply with a demand to pay any amounts due under this section within ten (10) calendar days of the demand.

Contractor must include the prevailing wage requirement in all subcontracts for work on this Project and must specify that AHP and DHCS are intended third-party beneficiaries of such provisions. Contractor must take reasonable measures to monitor and enforce the prevailing wage requirements imposed on its subcontractors, including withholding payments to those subcontractors who violate these

requirements. In the event that Contractor fails to take the above measures, Contractor shall be liable for the full amount of any underpayment of wages, plus costs and attorneys' fees, as if Contractor was the actual employer.

**13. INSURANCE COVERAGE.** Contractor must have in full force and effect during the complete course of construction of the Project, insurance, providing coverage in the types and amounts set forth below:

**13.1** Workers' compensation insurance as required by the State of California.

**13.2** Comprehensive automobile and vehicle liability insurance covering claims for injuries to members of the public and/or damages to property of others arising from use of motor vehicles, including on-site and off-site operations, and owned, non-owned, or hired vehicles, with One Million Dollars (\$1,000,000.00) combined single limits.

**13.3** Commercial general liability insurance of not less than One Million Dollars (\$1,000,000.00) per occurrence with an annual aggregate limit of Five Million Dollars (\$5,000,000.00) for bodily injury and property damage liability combined. Such insurance can be provided pursuant to an umbrella policy. The commercial general liability insurance policy shall cover liabilities arising out of premises, operations, independent contractors, products, completed operations, personal and advertising injury, and liability assumed under an insured agreement. The commercial general liability insurance shall apply to each insured against whom claim is made or suit is brought subject to the Sponsor's limit of liability.

**14. NON-LIABILITY OF OFFICIALS, EMPLOYEES, AND AGENTS.** No member, official, employee, or agent of AHP or DHCS shall be personally liable to Contractor for any obligation created under the terms of the Contract or this Addendum except in the case of actual fraud or willful misconduct by such person.

**15. INDEMNITY.** Notwithstanding the insurance requirements herein, Contractor hereby indemnifies, defends, and holds AHP and DHCS and their respective members, officers, officials, employees, and agents (collectively, the "Indemnified Parties"), harmless against any losses, damages, liabilities, claims, demands, judgments, actions, court costs, and legal or other expenses (including attorneys' fees) which an Indemnified Party may incur as a consequence of Contractor's failure to perform any obligations as and when required by the Contract or this Addendum, any act or omission by Contractor or its subcontractors with respect to the Project, or any failure of any of Contractor's representations or warranties to be true and complete, except to the extent such losses are caused by the negligence or willful misconduct of the Indemnified Party. Contractor shall pay immediately upon the Indemnified Party's demand any amounts owing under this indemnity. The duty of Contractor to indemnify includes the duty to defend the Indemnified Party in any court action, administrative action, or other proceeding brought by any third party arising from the Project. Contractor's duty to indemnify the Indemnified Party shall survive the term of the Contract.

**16. HAZARDOUS MATERIALS.** Neither Contractor nor any of its subcontractors may use the real property upon which the Project is to be constructed (the "Project Property") or allow the Project Property to be used for the generation, manufacture, storage, disposal, or release of Hazardous Materials. Contractor shall immediately notify AHP and Owner in writing of: (a) the discovery of any concentration

or amount of Hazardous Materials on or under the Project Property requiring notice to be given to any governmental agency under Hazardous Materials Laws; (b) any knowledge by Contractor that the Project Property does not comply with any Hazardous Materials Laws; (c) the receipt by Contractor of written notice of any Hazardous Materials claims; and (d) the discovery by Contractor of any occurrence or condition on the Project Property or on any real property located within 2,000 feet of the Project Property that could cause the Project Property to be designated as a "hazardous waste property".

**17. NOTICES; NOTICE OF DEFAULT TO AHP.** If at any time after the execution of the Contract it shall become necessary or convenient for Contractor to serve any notice, demand, or communication upon AHP, such notice, demand or communication shall be in writing provided in accordance with the notice requirements of the Agreement. Contractor shall give AHP prior or concurrent written notice of any default or breach claimed by Contractor against Owner or any other party under the Contract. The notice shall describe the default and give AHP the option to cure said default within thirty (30) calendar days. No termination of the Contract by Contractor shall be binding unless AHP has been given the required notice and has not cured the default within thirty (30) calendar days.

**18. REMEDIES.** The parties hereto agree that AHP, while not a party to the Contract, is an intended third-party beneficiary of the obligations imposed on Contractor in this Addendum. In the event of any breach or violation of any agreement or obligation of Contractor under the Contract or this Addendum, AHP may proceed with any of the following remedies:

**18.1** Bring an action in equitable relief seeking the specific performance by Contractor of the terms and conditions of the Contract or this Addendum and/or enjoining, abating, or preventing any violation of said terms and conditions;

**18.2** Order immediate stoppage of construction and demand that any condition leading to the default be corrected before construction may continue;

**18.3** Enter the Project Property and take any actions necessary in its judgment to complete construction of the Project as permitted under the assignment of development rights;

**18.4** Suspend disbursement of Program Funds for the Project until the breach or violation is corrected, or, if Owner had any concurrent obligation to perform on or ensure performance on the breached obligation, cancel the Program Funds commitment made to Owner and terminate AHP's obligation to disburse Program Funds to Owner;

**18.5** Terminate the Contract; or

**18.6** Pursue any other remedy allowed at law or in equity.

**19. GOVERNING LAW.** This Addendum shall be interpreted under and be governed by the laws of the State of California, except for those provisions relating to choice of law and those provisions preempted by federal law.

**20. DEFINITIONS.** Capitalized terms not defined in this Addendum shall have the same meaning as defined in the Agreement.

21. **ATTORNEYS' FEES AND COSTS.** In the event any legal action is commenced to interpret or to enforce the terms of this Addendum, the prevailing party in any such action shall be entitled to recover all reasonable attorneys' fees and costs incurred in such action.

22. **TIME.** Time is of the essence in the performance of this Addendum by Contractor.

23. **CONSENTS AND APPROVALS.** Any consent or approval required under this Addendum shall not be unreasonably withheld, delayed, or conditioned.

24. **BINDING UPON SUCCESSORS.** All provisions of this Addendum shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors-in-interest, transferees, and assigns of each of the parties; provided, however, that this section does not waive the prohibition on assignment of this Addendum by Contractor without AHP's consent.

25. **RELATIONSHIP OF CONTRACTOR AND AHP.** Contractor understands that neither AHP nor DHCS undertakes or assumes any responsibility or duty to Contractor or to any third party. The relationship of Contractor and AHP/DHCS for this Project shall not be construed as a joint venture, equity venture, or partnership. AHP shall have no obligation to any party under the Contract but is an intended third-party beneficiary of the obligations under this Addendum. Contractor shall have no authority to act as an agent of AHP or DHCS or to bind AHP or DHCS to any obligation.

26. **ASSIGNMENT.** Contractor may not assign any of its interests under the Contract or the Addendum to any other party, except with the prior written consent of AHP. Any unauthorized assignment shall be void.

27. **AMENDMENTS AND MODIFICATIONS.** Any amendments or modifications to this **Addendum** must be in writing and shall be made only if executed by Owner and Contractor and consented to in writing by AHP.

28. **SEVERABILITY.** Every provision of this Addendum is intended to be severable. If any provision of this Addendum is held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be affected or impaired.

29. **ADDENDUM CONTROLS.** In the event that any provisions of this Addendum and the Contract conflict, the terms of this Addendum shall control.

## Part One: Overview

### 1.1. INTRODUCTION TO THE GRANT OPPORTUNITY AND STATE PRIORITIES

The California Department of Health Care Services (DHCS) has launched the Behavioral Health Continuum Infrastructure Program (BHCIP) to address historic gaps in the state’s behavioral health and long-term care continuum and meet the growing demand for services and supports across the life span. DHCS was authorized through 2021 legislation to establish BHCIP and award approximately \$2.1 billion to construct, acquire, and expand properties and to invest in mobile crisis infrastructure related to behavioral health.

BHCIP is designed to address the following State Priorities:

- Invest in behavioral health and community care options that advance racial equity;
- Seek geographic equity of behavioral health and community care options;
- Address urgent gaps in the care continuum for people with behavioral health conditions, including seniors, adults with disabilities, and children and youth;
- Increase options across the life span that serve as an alternative to incarceration, hospitalization, homelessness, and institutionalization;
- Meet the needs of vulnerable populations with the greatest barriers to access, including people experiencing homelessness and justice involvement;
- Ensure care can be provided in the least restrictive settings to support community integration, choice, and autonomy;
- Leverage county and Medi-Cal investments to support ongoing sustainability; and
- Leverage the historic state investments in housing and homelessness.

### 1.2. PURPOSE

DHCS is releasing BHCIP funds through six grant rounds targeting various gaps in the state’s behavioral health facility infrastructure.

BHCIP Rounds 1 through 4 were released in 2021 and 2022:

- Round 1: Crisis Care Mobile Units, \$205M (including \$55M Substance Abuse and Mental Health Services Administration grant funding)
- Round 2: County and Tribal Planning, \$16M
- Round 3: Launch Ready, \$518.5M
- Round 4: Children and Youth, \$480.5M

The remaining BHCIP rounds will be released in late 2022 and 2023:

- Round 5: Crisis and Behavioral Health Continuum, \$480M (current round)
- Round 6: Outstanding Needs Remaining After Rounds 3 Through 5, \$480M

The purpose of Round 5: Crisis and Behavioral Health Continuum is to address significant crisis care gaps in California’s behavioral health (mental health and substance use disorder [SUD]) infrastructure, with consideration for funding priority to those that provide crisis services to individuals in need. The crisis

can be due to mental health issues and/or SUDs. According to the 2021 statewide needs assessment, "Assessing the Continuum of Care for Behavioral Health Services in California,"<sup>1</sup> significant gaps in crisis services availability across the state have resulted in inconsistent resources to address the critical need for crisis services. The assessment suggests a focus on the most distinct needs in addressing psychiatric emergencies and acute crisis needs. Furthermore, the assessment emphasizes the importance of an organized continuum of crisis services to reduce avoidable emergency department visits, hospitalizations, and incarceration.

The RAND Corporation's "Adult Psychiatric Bed Capacity, Need, and Shortage Estimates in California—2021," report<sup>2</sup> found that psychiatric bed capacity is severely strained in California, as it is in much of the United States. Today, hundreds of Californians in need of psychiatric beds are held in hospital emergency departments or county jails while awaiting openings in inpatient care settings. The RAND study estimated that California currently has a shortfall of 1,971 acute psychiatric beds and 2,796 subacute psychiatric beds (4,767 total inpatient)—if state hospital beds are excluded. For community residential treatment facilities, the shortfall in beds was estimated to be 2,963.

BHCIP Round 5: Crisis and Behavioral Health Continuum will provide much-needed funding for crisis and behavioral health infrastructure to serve vulnerable Californians of all ages, including those who are Medi-Cal beneficiaries. Applications will be accepted only from applicants whose projects will use infrastructure funds to expand service capacity in the identified eligible facilities (Section 3.3). Awarded grant funds for Round 5: Crisis and Behavioral Health Continuum must be fully expended by June 2027.

## Part Two: Application Process and Submission

### 2.1. TOTAL GRANT AMOUNTS

**Round 5: Crisis and Behavioral Health Continuum:** \$480,000,000 is available to construct, acquire, and rehabilitate real estate assets to expand the existing range of crisis and behavioral health services in the continuum of behavioral health treatment and service resources for Californians. Round 5: Crisis and Behavioral Health Continuum funds are not intended to preserve existing service capacity. Round 5: Crisis and Behavioral Health Continuum grantees must commit to serving Medi-Cal beneficiaries.

### 2.2. APPLICATION PROCESS

Applications will be accepted electronically. Applications may not be hand delivered or mailed. The application and attachments, along with instructions for submission of the online application, can be found on the [Improving California's Infrastructure website](#). No modified formats will be accepted. The deadline for applications will be **February 13, 2023, at 11:59 p.m. PT**. It is the applicant's responsibility to ensure that the submitted application is complete and accurate and includes all required supporting forms. Reviewers may request additional clarifying information from the applicant. An application will not be reviewed if:

- The applicant does not request a pre-application consultation by the specified deadline (referenced in Section 1.4);
- The application is received after the application submission deadline;
- The application is incomplete or missing required information or forms;
- The facility type is ineligible; and/or
- The project fails to meet minimum threshold requirements (referenced in Section 3.2).

#### Reasonable Accommodations for BHCIP Grant Application

For individuals with disabilities, DHCS will provide assistive services such as reading or writing assistance and conversion of the RFA, questions/answers, RFA addenda, or other Administrative Notices in Braille, large print, audiocassette, or computer disk. To request copies of written materials in an alternate format, please send an email to [BHCIP@dhcs.ca.gov](mailto:BHCIP@dhcs.ca.gov) or call (323) 545-6202.

#### Regional Funding Reserve Methodology

DHCS will prioritize completed applications by geographic distribution for the equitable and fair distribution of funds (see Table 2). BHCIP Round 5: Crisis and Behavioral Health Continuum will adopt a regional funding approach, similar to models used in other state-funded capital programs (for example, BHCIP Round 3: Launch Ready, BHCIP Round 4: Children and Youth, and the Department of Housing and Community Development's Homekey). Counties are assigned to one of seven geographic regions, each with a specific funding amount reserved. The funding amounts for each region, along with the tribal set-aside and discretionary reserves, are listed below. Applicants within each region will compete against other applicants in that same region, thereby supporting geographic equity and funding disbursement

across the state. If an insufficient number of competitive applications is submitted from within a region, the remaining funding will be awarded at the discretion of DHCS.

DHCS will reserve up to 20 percent of the BHCIP Round 5: Crisis and Behavioral Health Continuum funds to ensure funding is effectively used to address and support the needs of vulnerable populations and gaps within the care continuum, consistent with the State Priorities. For example, this discretionary set-aside may be used to fund additional high-scoring projects in regions that have met their funding reserve.

Funding reserves were calculated using a ratio of available Crisis and Behavioral Health Continuum funding to the Behavioral Health Subaccount county allocations, with five percent set aside for tribal entities.

### 2.3. PRE-APPLICATION CONSULTATIONS AND TECHNICAL ASSISTANCE

Advocates for Human Potential, Inc. (AHP), a consulting and research firm focused on improving health and human services systems, is serving as the administrative entity for BHCIP. AHP assists state and local organizations to implement and evaluate a wide range of services focusing on mental health treatment and recovery, substance use disorder treatment and prevention, workforce development, homelessness, housing, long-term services and supports, and criminal justice.

By October 2022, and as part of the RFA process, AHP will provide pre-application consultations and individual agency/county technical assistance (TA) to prospective Round 5: Crisis and Behavioral Health Continuum applicants and will offer ongoing general training and TA throughout the life of the project. Applicants are required to submit a request for a pre-application consultation and complete a survey to determine their understanding of the RFA requirements and will not be able to submit a completed application until AHP has received their survey. The deadline to request a pre-application consultation is January 13, 2023. If a pre-application consultation is not requested by this date, the applicant will not be eligible to apply.

In addition, applicants will be required to discuss how the proposed project meets local and/or regional gaps identified in "Assessing the Continuum of Care for Behavioral Health Services," as well as how it addresses the State Priorities. AHP implementation specialists will work with applicants to support them in these areas by connecting them with subject matter experts in real estate, financing, and programmatic best practices serving individuals in need of crisis and behavioral health services. Additional information related to pre-application consultations and TA throughout the grant period can be found on AHP's [TA webpage](#).

## Part Three: Project Requirements

### 3.1. ELIGIBILITY REQUIREMENTS

Round 5: Crisis and Behavioral Health Continuum aims to expand crisis and behavioral health infrastructure, with funding priority given to expanding capacity to provide crisis services. Every applicant must demonstrate how their infrastructure project will expand services for this population. Applicants can provide services for any of the subpopulations or age groups. Eligible facility types will provide services and supports that are culturally and linguistically appropriate. Regional models or collaborative partnerships to construct, renovate, or expand behavioral health facilities are encouraged to apply.

Eligible applicants for Round 5: Crisis and Behavioral Health Continuum funds include counties, cities, tribal entities ("tribal entity" shall mean a federally recognized Indian tribe, tribal organization, or urban Indian organization, as defined in Section 1603 of Title 25 of the United States Code), nonprofit organizations, and for-profit organizations whose projects implement and expand the State Priorities. Eligible entities may apply independently or may submit applications with partners or co-applicants to encourage innovative, comprehensive local and regional approaches.

For joint applications, the co-applicant(s) must be named in the grant application and must submit a letter(s) of commitment with the application. For purposes of this RFA, upon receiving an award, the

eligible applicant and any co-applicant(s) will be referred to as the “grantee,” both individually and collectively.

For-profit organizations with no prior behavioral health experience must apply with a partner, such as a nonprofit organization, tribal entity, city, or county, with the requirement that the partner organization has relevant prior experience with the target population reflected in the successful development, ownership, or operation of a comparable project. A memorandum of understanding (MOU) or other agreement with the nonprofit organization, tribal entity, city, or county to confirm the organization’s role in the project, including that they are working on behalf of the service provider, is also required.

Applicants must describe the payor mix that will pay for and sustain behavioral health services once project construction is complete. Examples of payors include private health insurance, Medi-Cal, private pay, grants, and county funds. Applicants must provide a description of their contingency plan for funding any potential cost coverage beyond the grant award.

Applicants must also indicate the applicable behavioral health licensing, certifications, and accreditations required to operate their program by the state and/or at the local level. Applicants with facilities that do not require licenses or certifications, such as community wellness centers, need to indicate this in their application. Tribal entities that are exempt from state licensing and/or requirements must describe the basis for their exemption and their plan for meeting programmatic requirements. As part of the TA that will be made available, applicants may receive information and guidance about the licensure and certification process.

A commitment to the provision of behavioral health services and building use restriction for a 30-year period through a deed restriction placed on the property title is required. Approval of this encumbrance period by the applicant’s board must be demonstrated through the submission of board meeting minutes or other attestation.

All applicants must describe the local needs based on the “Assessing the Continuum of Care for Behavioral Health Services in California” report and any local needs assessment used to justify the proposed expansion. All applicants will be required to demonstrate how the proposed project will advance racial equity. Projects will be required to certify that they will not exclude certain populations, such as those who are justice-involved or children and youth in foster care.

Awarded applicants that offer Medi-Cal behavioral health services will be expected to have a contract in place with their county to ensure the provision of Medi-Cal services once the funded facility’s expansion or construction is complete. Community wellness centers and youth behavioral health prevention centers do not provide Medi-Cal reimbursable behavioral health treatment services and thus are not required to have a contract to provide Medi-Cal behavioral health services; however, they must provide services to Medi-Cal beneficiaries and describe how their services will be sustainably funded.

Organizational support and community engagement, including the active involvement of applicable stakeholders and/or youth in the design of the project, are required. Insights from the community and/or youth voices must be included in project planning, design, implementation, and evaluation. All applicants must complete application Form 7: Community Engagement Tracking and provide any corresponding letters of support for the project.

City, nonprofit, or for-profit applicants must also include a letter of support from their county behavioral health agency, or if a tribal entity, the tribal board at the time of application. The letter must indicate that grantees providing Medi-Cal behavioral health services will have in place a contract with their county to ensure the provision of Medi-Cal services once the financed facility's expansion or construction is complete. BHCIP grant awards do not guarantee county contracts.

A letter of support from the applicant's CEO and/or board is required for all applicants that are overseen by one.

### 3.2. PROJECT PHASES AND ALLOWABLE COSTS

For Round 5: Crisis and Behavioral Health Continuum funding, three phases of project development leading up to the final phase of construction will be considered during the evaluation of each application. Applicants must be in one of the three phases; applications for projects in later phases of development will be scored higher. All projects must meet the minimum threshold of project readiness to be awarded grant funds. Applicant projects are considered to be in a given phase of development only after they have met all the requirements of the previous phase. Required documentation will be reviewed with each applicant during the pre-application consultation process and must be submitted as part of the application.

To be eligible for Round 5: Crisis and Behavioral Health Continuum funding, a project must demonstrate "project readiness." The minimum threshold requirements for "project readiness" are:

- Site control, defined as ownership with clear title, an executed Purchase and Sale Agreement (PSA), an executed Letter of Intent (LOI), or an executed Exclusive Negotiation Agreement (ENA);
- A sustainable business plan with (pro forma) projections of future objectives and strategies for achieving them;
- A conceptual site plan with a forecast of the developmental potential of the property;
- Stakeholder support as demonstrated by letters of support from internal boards of directors and professional/community partners;
- Demonstration of county and Medi-Cal investments to support ongoing sustainability of the behavioral health program;
- An identified match amount; and
- An initial budget—one for each phase and a total budget for acquisition and construction.

These phases below are made up of the pre-construction activities and are allowable costs. Applicants must submit documentation demonstrating the completion of each phase in order to move ahead to the subsequent phase.

- *Phase 1: Planning and pre-development*
  - Development team established; includes attorney, architect, and/or design-build team;
  - Site control, defined as ownership, an executed PSA, an executed LOI, or an executed ENA;
  - Basis of design outlined, includes architectural and engineering narratives;
  - Property-specific site investigation report and due diligence done; and
  - Budget with cost estimates based on site plan/drawings completed.

- *Phase 2: Design development*
  - Site control established with deed, PSA, option contract, LOI, or leasehold;
  - Site plan established with a schematic plan with architectural and engineering specifications;
  - Stakeholder support established as demonstrated by a letter from city/county/board of directors/tribal entity;
  - Able to gain building permits within 6 months of funding;
  - Able to close on land, after gaining building permits, within 6 months of funding; and
  - Able to start construction within 6 months of funding.
  
- *Phase 3: Shovel ready*
  - Ownership with clear title of real estate site;
  - Preliminary plan review completed, with comments received;
  - Construction drawings complete or near completion;
  - General contractor (builder) selected and ready for hire;
  - Ninety-five percent of construction drawings ready for submission for building permit;
  - Building permit issued; and
  - Able to start construction within no more than 60 days.
  
- *Final Phase: Construction*

Full funding of a proposed development project will be contingent on completion of all three phases (1–3) of development planning. The planning and pre-development phase must be completed in 90 days. Grantees must submit construction documents for building permit review within six months of grant award.

Projects that rehabilitate or renovate an existing structure or facility are allowable as long as they result in an expansion of behavioral health services for the target population. Furniture and equipment are not allowable costs. BHCIP funding cannot be used for the purchase of an existing behavioral health facility.

### 3.3. ELIGIBLE FACILITIES

Facility expansion can include building or renovating a separate wing or center that serves the target population. Regional models and collaborative partnerships are strongly encouraged to apply. Consideration will be given to entities that propose facilities with new or expanded service capacity in underserved counties and regions based on the needs assessment.

Applicants will be expected to define the types of facilities they will operate and explain how they will expand service capacity exclusively for community-based and crisis and/or behavioral health facilities.

The following facility types (Table 3) may be considered for project funding only if they are expanding crisis and/or behavioral health services. See glossary for descriptions of eligible facility types.

Table 3: Round 5: Crisis and Behavioral Health Continuum Eligible Facilities

<b>Crisis Continuum Eligible Facility Types</b>

Social Rehabilitation Facility (SRF) with Transitional or Long-Term Social Rehabilitation Program (SRP)

For purposes of this funding, a Behavioral Health Urgent Care (BHUC) facility, also known as Mental Health Urgent Care (MHUC), is a walk-in center with voluntary stabilization-oriented services specific to individuals experiencing behavioral health or mental crisis for less than 24 hours. This community-based option is typically designed to provide an alternative to emergency department visits for urgent medical

needs. BHUC/MHUCs must focus on serving individuals in need of crisis services, commit to serving Medi-Cal beneficiaries, and offer some or all of the following:

- Multidisciplinary health assessment;
- Psychiatric evaluation, diagnosis, and treatment;
- Crisis stabilization and intervention, mental health counseling, and medication evaluation;
- Direct referrals for treatment of care;
- Linkage to community-based solutions; and/or
- Peer support.

Facility types that are not eligible for funding:

- Correctional settings
- Schools

### 3.4. MATCH

Applicants will be required to provide matching funds as part of the project. Match requirements are set according to applicant type. Cash match will be required to be deposited into the project bank account and used as first in, first out funds.

- Tribal entities = 5 percent match
- Counties, cities, and nonprofit providers = 10 percent match
- For-profit providers and/or private organizations = 25 percent match

The required match will be determined by the type(s) of applicants. For example, if a for-profit organization has a collaboration with a county, the project qualifies for the county match (10 percent), as long as supporting documentation is submitted. Match is equal to the Total Project Costs minus Contingencies multiplied by the required Match Percentage.

Match in the form of cash and real property—such as equity in land or existing structures—to the real costs previously incurred by the project will be allowed. Cash is the strongest form of match. DHCS must approve the match source.

Cash match may come from:

- American Rescue Plan Act (ARPA) funds granted to counties and cities;
- Local funding;
- Mental Health Services Act (MHSA) funds in the 3-year plan (considered “other local”);
- Foundation/philanthropic support;
- Opioid settlement funds for SUD facilities;
- Loans or investments;
- Cash on hand;
- Incentive payments from managed care plans; or
- Another source.

Real property appraised value for development is acceptable as match if that real property is the actual project-sited property and the entire Assessor’s Parcel Number (APN) of land is dedicated to the new

development project. Only the APN used for the project that will be encumbered with a deed restriction post-award can be used as the match in-kind amount. The certified appraisal must only give a value for the specific APN to be encumbered. If an applicant has purchased the property outright and has clear title in hand and plans to construct or develop on it, the appraised value of the property as match to the grant request may be used. Examples include:

- Unused government and tribal buildings;
- Buildings originally intended for another purpose;
- Surplus land;
- Government and tribal property; and
- Land trust.

The match may also be in the form of property ownership equity at the specific grant project site. Property equity match value is determined by a recent certified appraisal value (within 6 months of application) minus the outstanding loan amount (bank loan information documents required). Use the following equation to calculate equity for match:

$$\text{Certified Appraisal Value} - \text{Outstanding Loan Amount} = \text{Equity Value}$$

Sunk costs directly related to the development project, with documentation of paid invoices for professional services related to pre-development of the specific grant application, may also be approved as match by DHCS on a case-by-case basis.

All match amounts must be well documented and notarized and will be thoroughly reviewed by DHCS and AHP. Property valuations may or may not be approved by the State. Therefore, cash is the preferred form of match. *Only the APNs that are encumbered by the 30-year service restriction can count as match and must be validated by a certified appraisal of that specific APN.*

Services, Behavioral Health Subaccount funding, and State general funds will not be allowed as match. All match sources will be reviewed by DHCS and AHP prior to the awarding of funds.

### 3.5. BUDGET DEVELOPMENT

Applicants are required to submit a budget (see application attachment Form 2: Budget Template) with their Round 5: Crisis and Behavioral Health Continuum applications. All budgets must contain requested amounts for each phase of funding. If an applicant has a current Negotiated Indirect Cost Rate Agreement (NICRA) established with a federal cognizant agency responsible for reviewing, negotiating, and approving cost allocation plans or indirect cost proposals, then the applicant may use its current NICRA as the basis for indirect costs. Alternatively, if the applicant does not have a NICRA, the applicant may elect to use a rate of 10 percent of the modified total direct costs pursuant to 2 CFR 200.414(f).

Grantees are responsible for ensuring that their project is on schedule and on budget. Grantees who are awarded BHCIP funds shall be solely responsible for any costs to complete the project in excess of the program funds award amount. Neither DHCS nor AHP will be responsible for any cost overruns.

Applicants must provide a description of their contingency plan for funding any potential cost overage beyond the grant award.

### 3.6. ACCESSIBILITY AND NONDISCRIMINATION

All developments shall adhere to the accessibility requirements set forth in California Building Code Chapters 11A and 11B and the Americans with Disabilities Act, Title II. In addition, developments shall adhere to either the Uniform Federal Accessibility Standards (UFAS), 24 CFR Part 8, or the U.S. Department of Housing and Urban Development's (HUD) modified version of the 2010 ADA Standards for Accessible Design (Alternative 2010 ADAS), HUD-2014-0042-0001, 79 FR 29671 (5/27/14) (commonly referred to as "the Alternative Standards" or "HUD Deeming Memo"). Accessible units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout the project and be available in a sufficient range of sizes and amenities consistent with 24 CFR Part 8.26.

Grantees shall adopt a written nondiscrimination policy requiring that no person shall, on the grounds of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, age, medical condition, genetic information, citizenship, primary language, immigration status (except where explicitly prohibited by federal law), justice system involvement (except where explicitly required by law), or arbitrary characteristics, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any project or activity funded in whole or in part with funds made available pursuant to this RFA. Nor shall all other classes of individuals protected from discrimination under federal or state fair housing laws, individuals perceived to be a member of any of the preceding classes, or any individual or person associated with any of the preceding classes be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any project or activity funded in whole or in part with funds made available pursuant to this RFA.

Grantees shall comply with the requirements of the Americans with Disabilities Act of 1990, the Fair Housing Amendments Act, the California Fair Employment and Housing Act, the Unruh Civil Rights Act, Government Code Section 11135, Section 504 of the Rehabilitation Act of 1973, and all regulations promulgated pursuant to those statutes, including 24 CFR Part 100, 24 CFR Part 8, and 28 CFR Part 35.

### 3.7. STATE AND FEDERAL PREVAILING WAGE

A project funded by a BHCIP grant is a "public works" project if the applicant intends to use the BHCIP funds for the "[c]onstruction, alteration, demolition, installation, or repair" of a building or structure (Cal. Lab. Code Section 1720(a); Cal. Lab. Code Section 1750(b)(1)). Applicants using BHCIP grants to fund public works are subject to California's prevailing wage and working hours laws (Division 2, Part 7, Chapter 1 of the California Labor Code) and the applicant's project is subject to compliance monitoring and enforcement by the Department of Industrial Relations (Cal. Lab. Code Section 1771.4(a)(1)).

Applicants must complete Form 5: Applicant's Certification of Prevailing Wage as a part of the application process. If DHCS selects an applicant to receive a BHCIP grant and the applicant is using the grant to fund a public works project, then the applicant shall submit a Certification of Compliance that includes an attestation from the general contractor certifying that the general contractor will comply with California's prevailing wage and working hours laws (including posting job notices, as required by Labor Code Section 1771(a)(2)). The Certification of Compliance shall also state that the general contractor will maintain its labor records in compliance with all applicable state laws (Cal. Lab. Code

Section 1776) and shall make all labor records available to the Department of Industrial Relations and any other applicable enforcement agencies upon request (Cal. Lab. Code Section 1771.4(a)(3)). The Certification of Compliance shall be signed by the general contractor(s) and the applicant.

If DHCS selects an applicant to receive a BHCIP grant and the applicant is not using the grant to fund a public work, then the applicant shall submit a Certification of Inapplicability to DHCS explaining why the project is not a public work as defined by California Labor Code Section 1720. The Certification of Inapplicability shall be signed by the general contractor(s) and the applicant.

### 3.8. EXEMPTIONS

In accordance with California Welfare and Institutions Code Section 5960.3, projects funded by a BHCIP grant are:

1. Deemed to be consistent with and in conformity with any applicable local plan, standard, or requirement;
2. Deemed to be allowed as a permitted use within the zone in which the structure is located; and
3. Not subject to a conditional use permit, discretionary permit, or any other discretionary reviews or approvals.

### 3.9. CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) EXEMPTION

CEQA shall not apply to a project funded by BHCIP if that project meets the requirements outlined in California Welfare and Institutions Code Section 5960.3(b). Applicants shall determine if they meet the requirements outlined in Section 5960.3(b) to qualify for the exemption from CEQA. And, in accordance with Section 5960.3(c), if an applicant determines that it qualifies for the exemption from CEQA, then the applicant shall file a Notice of Exemption with the Office of Planning and Research and the clerk of the county in which the project is located in the manner specified in subdivisions (b) and (c) of Section 21152 of the Public Resources Code, and the applicant shall provide DHCS with a copy of the filed Notice of Exemption. If the applicant determines that CEQA applies to its project, the applicant shall provide DHCS with copies of all appropriate documentation demonstrating the project's compliance with CEQA once the applicant has received project approval.

DHCS is not responsible for determining if applicants meet the CEQA exemption requirements set forth in Section 5960.3(b). Furthermore, DHCS is not responsible for filing a Section 5960.3(c) Notice of Exemption on behalf of an applicant.

### 3.10. LOW-RENT HOUSING PROJECT EXEMPTION

In accordance with California Welfare and Institutions Code Section 5960.35(b)(1), a project funded with a BHCIP grant shall not be considered a "low-rent housing project," as defined in Section 1 of Article XXXIV of the California Constitution, if the project meets any one of the following criteria:

1. The project is privately owned housing, receiving no ad valorem property tax exemption, other than exemptions granted pursuant to subdivision (f) or (g) of Section 214 of the Revenue and Taxation Code, not fully reimbursed to all taxing entities, and not more than 49 percent of the

dwellings, apartments, or other living accommodations of the project may be occupied by persons of low income;

2. The project is privately owned housing, is not exempt from ad valorem taxation by reason of any public ownership, and is not financed with direct long-term financing from a public body;
3. The project is intended for owner-occupancy, which may include a limited-equity housing cooperative as defined in Section 50076.5 of the Health and Safety Code, or cooperative or condominium ownership, rather than for rental-occupancy;
4. The project consists of newly constructed, privately owned, one- to four-family dwellings not located on adjoining sites;
5. The project consists of existing dwelling units leased by the state public body from the private owner of these dwelling units;
6. The project consists of the rehabilitation, reconstruction, improvement or addition to, or replacement of, dwelling units of a previously existing low-rent housing project, or a project previously or currently occupied by lower-income households, as defined in Section 50079.5 of the Health and Safety Code; or
7. The project consists of the acquisition, rehabilitation, reconstruction, improvement, or any combination thereof, of a project which, prior to the date of the transaction to acquire, rehabilitate, reconstruct, improve, or any combination thereof, was subject to a contract for federal or state public body assistance for the purpose of providing affordable housing for low-income households and maintains, or enters into, a contract for federal or state public body assistance for the purpose of providing affordable housing for low-income households.

If a project funded with a BHCIP grant is a "low-income housing project" as defined by Section 1 of Article XXXIV of the California Constitution but does not meet any of the criteria listed above, then the applicant shall comply with the requirements set forth in that section of the California Constitution.

## Part Four: Award Scoring and Process

### 4.1. APPLICATION SCORING CRITERIA

Eligible BHCIP grant applications undergo a competitive review process. DHCS will only fund projects from applicants that are in good standing with all local, county, state, and federal laws and requirements. Funding priority will be given to facilities that expand access to behavioral health services across the crisis continuum. For proposed facilities that are not providing crisis services, applications will need to demonstrate how they are providing step-down services and/or transition of care out of acute crisis care or stabilization services. Additional funding decisions will be based on a variety of factors, including the phase of development at the time of application, and the degree to which the project addresses gaps in services for the population. Applicants who are in later phases of development (see Section 3.2) at the time of application and/or provide expansion to crisis facilities will be scored higher. At a minimum, applicants must provide a full and complete application and meet the following criteria to be considered for award:

- Demonstrate expansion of services for individuals in need of crisis and/or behavioral health services;
- Demonstrate match;
- Request a pre-application consultation by the deadline of December 27, 2022;

- Attest that the project will meet federal, state, and local laws;
- Demonstrate the capacity to complete project development and expend funds on time and on budget;
- Align with the State Priorities described in Section 1.1, above;
- Align with needs and gaps described in the statewide assessment, "Assessing the Continuum of Care for Behavioral Health Services in California";
- Budget reasonable proposed costs for the facility type and scope of rehabilitation or renovations proposed;
- Demonstrate long-term sustainability for the proposed project; and
- Propose an increase in the number of persons to be served by the expansion.

#### 4.2. AWARD PROCESS

Awarded applicants will receive a conditional award email with a Program Funding Agreement from AHP. The agreement must be signed, returned, and fully executed with AHP before initial funding will be awarded. Depending on the applications received, their project locations, allowable expenditures, amounts of funds requested, and funding available, DHCS may choose to fund only part of an application. In that case, DHCS would reach out to the potential awardee to determine their interest in receiving a smaller amount than originally requested.

Funds awarded pursuant to the project must be used to supplement, and not supplant, other funding available from existing local, state, or federal programs or from grants with similar purposes. Funding may not be used for "reimbursement." Only those costs that can be associated with completing the project would be eligible costs as noted in Section 3.2.

Applicants that are not funded during Round 5: Crisis and Behavioral Health Continuum may be eligible to apply for subsequent BHCIP funding if available. BHCIP TA will be available on an ongoing basis.

#### 4.3. APPEALS

California law does not provide a protest or appeal process against award decisions made through an informal selection method. Applicants submitting a response to this RFA may not protest or appeal the award. All award decisions made by DHCS shall be final.

### Part Five: Project Operations

#### 5.1. PROJECT OVERSIGHT AND REPORTING

As specified by DHCS and upon request, grantees shall provide progress reports in connection with the approved timeline, statement of work (SOW), and budget and any updates to the timeline for completion of the project. The progress reports should include the project's completion milestones and any updates or substantial changes. Grantees shall promptly notify DHCS of any changes in grantee organization, authorization, or capacity. This information will be outlined in the Program Funding Agreement.

Grantees are required to meet state financial and administrative reporting requirements and submit data through an online grantee portal. Reporting requirements will include quarterly reports and a final report. The annual report will be due no later than January 31 for the prior calendar year of January 1 to December 31. Funding will be contingent upon provision of timely submission of data and reporting. These requirements will be fully detailed upon award.

In addition to the foregoing, each grantee shall submit to DHCS periodic reports, updates, and information as deemed necessary by DHCS to monitor compliance and/or perform project evaluation. Any requested data or information shall be submitted electronically in a format provided by DHCS.

Additional reporting requirements may be required by DHCS for up to 30 years after completion of project construction.

## 5.2. DISBURSEMENT OF GRANT FUNDS

The Program Funding Agreement will set forth the general conditions for disbursement. Once the Program Funding Agreement between the grantee and AHP is fully executed, grantees can authorize work to begin on their project. Disbursement of funds will follow a standard 30-day draw period and 45-day payment cycle for work completed. The grantee will submit to the draw authority invoices for work completed over the previous 30 days. The draw authority will review the draw request, approve the invoices for work completed, and issue approval for disbursement of funds to the grantee. The grantee will then be responsible for paying invoices in a timely manner, and within 45 days of initial submission of invoices to the draw authority. Subsequent funding for construction will be released following site inspections and once draw requests for work completed and invoices have been submitted for the previous 30-day period.

AHP will closely monitor progress on construction and will track and review all schedules, change orders, and contingency expenses. Grantees will be responsible for submitting invoices, revised budgets, and schedules to AHP for approval. Grantees must ensure that expenses are allowable under the contract and will be expected to provide sufficient backup documentation. Grantees are responsible for ensuring that their project is on schedule and on budget. Grantees who are awarded BHCIP funds shall be solely responsible for any costs to complete the project in excess of the program funds award amount. Neither DHCS nor AHP will be responsible for any cost overruns. Additional details regarding the funding and disbursement process will be provided upon award.

AWARD

Dear Hillary Kunins, MD:

Congratulations! The Department of Health Care Services (DHCS) is pleased to announce that the City and County of San Francisco has been conditionally selected to receive \$10,000,000.00 in BHCIP funding for the 1019 Market Street SF project. Please carefully review the information in this letter for details on getting the funding and contracting process underway.

DHCS received a total of 118 applications requesting over \$2 billion in funding, which far exceeded the total amount of funding available for this round. Information from your application will serve as the basis of the project data, payment schedule, and Statement of Work (SOW) that will be included in your Program Funding Agreement (PFA), also referred to as contract, with Advocates for Human Potential, Inc. (AHP), the BHCIP administrative entity. In anticipation of beginning the BHCIP contracting process, you will receive a link to the SOW Data Confirmation Form by email in the coming week. Please complete and submit it within the time frame allotted in order to get the contracting process underway as quickly as possible. You are also encouraged to review the sample PFA on the BHCIP website.

In addition, you will receive an email from AHP [REDACTED] with instructions on how to whitelist safe email addresses later today. All future communications from AHP will be sent from [REDACTED]

A mandatory informational webinar will be held on June 29, 2023, from 2:00 to 3:00 p.m. Pacific Standard Time (PST). Topics will include developing the SOW and beginning the contracting process. Please [register here](#). Your project lead and all development team members are invited. A link to the recording will be sent to all conditional awardees for reference after the webinar.

The project funding will become available upon final execution of your BHCIP Round 5: Crisis and Behavioral Health Continuum PFA with AHP, at which point, you may begin submitting invoices.

As noted in the request for applications (RFA), awardees will be responsible for any cost overruns and DHCS will not allow increases in project budgets. If, for any reason, you are no longer interested in receiving BHCIP Round 5: Crisis and Behavioral Health Continuum grant funding or would like to withdraw your grant application, please contact DHCS immediately at [REDACTED]
