1) I have had extensive experience with all facets of aging through both social interactions with other seniors and as a long-term care giver for my disabled partner of 27 years.

Thus I have had extensive experience with and continue to be solely responsible for dealing with:

- over-all health management
- medication compliance
- medical care people and facilities
- wheel chair, walker, and cane usage
- significant hearing loss and use of hearing aids
- partial vision loss
- severe short term memory loss
- HIV disease and all its ramifications

2) I have developed and documented the extensive modifications needed to make a home workable for the disabled, which the Shanti Project found helpful.

3) Realizing how important social interaction is for seniors, I have proposed a program Openhouse so that seniors with common interests or who live in the same neighborhoods can meet and stay connected.

4) I gather and distribute all of the personal contact information for each of our neighbors so that we can all be in touch with each other.

5) As a "block captain" for the Laidley - Roanoke Streets area of Glen Park, I attend all local community meetings and distribute pertinent news and any local crime information to my neighbors.

6) I believe that I am a compassionate person and a good listener and communicator.

I STRONGLY BELIEVE I CAN HELP TO MAKE SENIORS' LIVES BETTER!
