Grant No. DI1527

Chief Administrative & Financial Officer
San Francisco District Attorney's Office
850 Bryant Street, Room 322

Dear Mr. Clendinen:

Congratulations! Through a competitive process, the Office of Traffic Safety (OTS) has tentatively approved your funding request for the proposal titled "Alcohol and Drug Impaired Vertical Prosecution Program" in the amount of approximately \$287,624.00.

Your OTS Coordinator will contact you, to discuss your proposal and explain the Grant Agreement process. It is our goal to have all new grants start no later than October 1, 2014. If approval from a City Council or the Board of Supervisors is required, you should begin that process now. Do not incur grant reimbursable costs prior to the receipt of your official approval packet from OTS or before your grant start date.

OTS will initiate a statewide media news release regarding 2015 proposals selected for funding. Your agency *should not* publically announce this tentative award until the grant agreement is fully negotiated and signed by OTS.

Again, congratulations on the success of your proposal. If you have any questions, please contact Ron Miller, Operations Coordinator, at (916) 509-3020 or e-mail at ron.miller@ots.ca.gov.

Sincerely,

Dear Mr. Clendinen:

Thank you for submitting your traffic safety proposal titled "Public Awareness, Education & Change: A Campaign to Reduce Pedestrian & Bicyclist Fatalities." Through a competitive process, the Office of Traffic Safety (OTS) evaluated and prioritized more than 389 proposals. Unfortunately, upon completion of the proposal review process, your proposal was not selected for funding during this funding cycle.

OTS reviews proposals against several criteria including potential traffic safety impact, collision statistics and rankings, the seriousness of identified traffic safety problems, and the amount of funding available for new grants. Please view our website, www.ots.ca.gov, for information on future funding opportunities. OTS plans to solicit proposals again in November for the next funding cycle.

Thank you for your patience and interest in traffic safety. If you have questions, contact Mark Talan, Regional Coordinator, at (916) 509-3029 or e-mail at mark.talan@ots.ca.gov.

Sincerely,
