The Developer, Port, and Vertical Developer shall notify the Administrator each time a Vertical DDA is executed in order for the Administrator to keep track of VDDA Execution Dates for each Vertical DDA.

In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created Parcels into the then current tax roll), (ii) because of the date the map or plan was recorded, the Assessor does not yet recognize the newly-created Parcels, and (iii) one or more of the newly-created Parcels meets the definition of Developed Property, the Administrator shall calculate the Special Taxes for the property affected by recordation of the map or plan by determining the Special Taxes that applies separately to each newly-created Parcel, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map or condominium plan.

C. MAXIMUM SPECIAL TAXES

In calculating Maximum Special Taxes pursuant to this Section C, in any Fiscal Year in which the boundaries of the Planning Parcels are not identical to the boundaries of the then-current Assessor's Parcels, the Administrator shall review the Expected Land Uses for each Planning Parcel and assign the Maximum Special Taxes to the then-current Assessor's Parcels. The Maximum Special Tax Revenues after such allocation shall not be less than the Maximum Special Tax Revenues prior to the allocation.

1. *Undeveloped Property*

1a. *Facilities Special Tax*

The Maximum Facilities Special Tax for Undeveloped Property in all Tax Zones shall be the Expected Maximum Facilities Special Tax Revenues shown in Attachment 3 of this RMA, as it may be amended as set forth herein.

1b. *Arts Building Special Tax and Services Special Tax*

No Arts Building Special Tax or Services Special Tax shall be levied on Parcels of Undeveloped Property in any Tax Zone within the STD.

2. *Developed Property*

2a. *Facilities Special Tax*

When a Taxable Parcel (or multiple Taxable Parcels within a building) becomes Developed Property, the Administrator shall use the Base Facilities Special Taxes shown in Table 1 below and apply the steps set forth in this Section 2a to determine the Maximum Facilities Special Tax for the Parcel(s):

Step 1. The Administrator shall review the Building Permit, Certificate of Occupancy, Vertical DDA, condominium plan, architectural drawings, Development Approval Documents, information provided by the Developer, or Vertical Developer, and any other documents or data that estimate or identify the Residential Square Footage or Non-Residential Square Footage anticipated on the Taxable Parcel(s).

Step 2. Using the information from Step 1:

- Based on the Tax Zone in which the Taxable Parcel(s) is located, multiply the applicable Base Facilities Special Tax from Table 1 for Residential Square Footage by the total Residential Square Footage expected within each building on the Taxable Parcel(s).
- Based on the Tax Zone in which the Taxable Parcel(s) is located, multiply the applicable Base Facilities Special Tax from Table 1 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected within each building on the Taxable Parcel(s).
- If, based on the Expected Land Uses, the Administrator determines that there is Expected Taxable Property within any building, multiply the applicable Base Facilities Special Tax from Table 1 based on what had been anticipated on the Expected Taxable Property by the Square Footage of the Expected Land Uses for that Expected Taxable Property.

Prior to the First Bond Sale, the Maximum Facilities Special Tax for the Taxable Parcel(s) shall be the sum of the amounts calculated above, and Steps 3 and 4 below shall not apply.

After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to determine the Maximum Facilities Special Tax for the Taxable Parcel(s).

Step 3. Sum the amounts calculated in Step 2 to determine the Estimated Base Facilities Special Tax Revenues for the Taxable Parcel(s).

Step 4. Compare the Estimated Base Facilities Special Tax Revenues from Step 3 to the Expected Maximum Facilities Special Tax Revenues, and apply one of the following, as applicable:

- *If the Estimated Base Facilities Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Facilities Special Tax Revenues or (ii) less than the Expected Maximum Facilities Special Tax Revenues, but the Maximum Facilities Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Facilities Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Facilities Special Tax for the Taxable Parcel(s) shall*

be determined by multiplying the applicable Base Facilities Special Taxes by the Square Footage of each Square Footage Category expected within the building(s) on the Taxable Parcel(s). The Administrator shall update Attachment 3 to reflect the adjusted Expected Maximum Facilities Special Tax Revenues and the new Maximum Facilities Special Tax Revenues.

- *If the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues, and the Maximum Facilities Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Facilities Special Tax Revenues, are insufficient to provide Required Coverage, then the Base Facilities Special Taxes that were applied in Step 4 shall be increased proportionately until the amount that can be levied on the Taxable Parcel(s), combined with the Expected Maximum Facilities Special Tax Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such increase cannot exceed, in the aggregate, the amount by which Expected Maximum Facilities Special Tax Revenues from the Taxable Parcel exceeds the Estimated Base Facilities Special Tax Revenues from the Taxable Parcel(s).*

After proportionately increasing the Base Facilities Special Taxes to an amount that will maintain Required Coverage, the Administrator shall use the adjusted per-square foot rates to calculate the Maximum Facilities Special Tax for each Taxable Parcel for which the increased Base Facilities Special Tax was determined to be necessary pursuant to this Step 4. The Administrator shall also revise Attachment 3 to reflect the new Expected Maximum Facilities Special Tax Revenues.

Table 1 Base Facilities Special Tax		
Square Footage Category	Base Facilities Special Tax in Tax Zone 1 (FY 2017-18) *	Base Facilities Special Tax in Tax Zone 2 (FY 2017-18) *
Residential Square Footage	\$5.02 per Residential Square Foot	\$4.70 per Residential Square Foot
Taxable Non-Residential Square Footage	\$5.02 per Non-Residential Square Foot	\$4.70 per Non-Residential Square Foot

* The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.

Unless and until individual Assessor's Parcels are created for Non-Residential Square Footage and Residential Square Footage within a building, the Administrator shall sum the Facilities Special Tax that, pursuant to Section F below, would be levied on all land

uses on a Taxable Parcel and levy this aggregate Facilities Special Tax amount on the Taxable Parcel.

If, in any Fiscal Year, the Maximum Facilities Special Tax is determined for any Parcels of Developed Property for which a Building Permit had not yet been issued and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Facilities Special Tax, then the Administrator shall once again apply Steps 1 through 4 in this Section C.2a to recalculate the Maximum Facilities Special Tax for the Parcel based on the Residential Square Footage or Non-Residential Square Footage that was determined when the Building Permit was issued. The Administrator shall do a final check of the Residential Square Footage and Non-Residential Square Footage for the Parcel when a Certificate of Occupancy is issued. Once again, if the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Facilities Special Tax after the Building Permit was issued, then the Administrator shall apply Steps 1 through 4 in this Section C.2a to recalculate the Maximum Facilities Special Tax for the Parcel.

2b. Arts Building Special Tax

Prior to the Transition Year, when a Taxable Parcel (or multiple Taxable Parcels within a building) in Tax Zone 2 becomes Developed Property, the Administrator shall use the Base Arts Building Special Taxes shown in Table 2 below and apply the steps set forth in this Section 2b to determine the Maximum Arts Building Special Tax for the Taxable Parcel(s). No Arts Building Special Tax shall be levied on Parcels in Tax Zone 1.

Table 2 Base Arts Building Special Tax in Tax Zone 2		
Square Footage Category	Base Arts Building Special Tax in Tax Zone 2 Before the Transition Year (FY 2017-18) *	Base Arts Building Special Tax in Tax Zone 2 in and After the Transition Year (FY 2017-18) *
Residential Square Footage	\$0.64 per Residential Square Foot	\$0.00 per Residential Square Foot
Taxable Non-Residential Square Footage	\$0.64 per Non-Residential Square Foot	\$0.00 per Non-Residential Square Foot

* The Base Arts Building Special Taxes shown above shall be escalated as set forth in Section D.1.

Step 1. The Administrator shall review the Building Permit, Certificate of Occupancy, Vertical DDA, condominium plan, architectural drawings, Development Approval Documents, information provided by the Port, Developer or Vertical Developer, and any other documents or data that estimate or identify the Square Footage within each Square Footage Category to determine Residential Square Footage or Non-Residential Square Footage anticipated within each building on the Taxable Parcel(s).

Step 2. Using the information from Step 1:

- For Tax Zone 2 only, multiply the applicable Base Arts Building Special Tax from Table 2 for Residential Square Footage by the total Residential Square Footage expected within each building on the Taxable Parcel(s).
- For Tax Zone 2 only, multiply the applicable Base Arts Building Special Tax from Table 2 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected on the Taxable Parcel(s).
- If, based on the Expected Land Uses, the Administrator determines that there is Expected Taxable Property within the building(s) in Tax Zone 2, multiply the applicable Base Arts Building Special Tax from Table 2 based on what had been anticipated on the Expected Taxable Property by the Square Footage of the Expected Land Uses within each building.

Prior to the First Bond Sale, the Maximum Arts Building Special Tax for the Taxable Parcel(s) shall be the sum of the amounts calculated above, and Steps 3 and 4 below shall not apply.

After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to determine the Maximum Arts Building Special Tax for the Taxable Parcel(s).

Step 3. Sum the amounts calculated in Step 2 to determine the Estimated Base Arts Building Special Tax Revenues for the Taxable Parcel(s).

Step 4. Compare the Estimated Base Arts Building Special Tax Revenues from Step 3 to the Expected Maximum Arts Building Special Tax Revenues, and apply one of the following, as applicable:

- *If the Estimated Base Arts Building Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Arts Building Special Tax Revenues or (ii) less than the Expected Maximum Arts Building Special Tax Revenues, but the Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Arts Building Special Tax for each Taxable Parcel shall be determined by multiplying the applicable Base Arts Building Special Taxes by the Square Footage of each Square Footage Category expected within the building(s) on the Taxable Parcel(s). The Administrator shall update Attachment 3 to reflect the adjusted Expected Maximum Arts Building Special Tax Revenues and the new Maximum Arts Building Special Tax Revenues.*
- *If the Estimated Base Arts Building Special Tax Revenues are less than the Expected Maximum Arts Building Special Tax Revenues, and the*

Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are insufficient to provide Required Coverage, then the Base Arts Building Special Taxes that were applied in Step 4 shall be increased proportionately until the amount that can be levied on the Taxable Parcel(s), combined with the Expected Maximum Arts Building Special Tax Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such increase cannot exceed, in the aggregate, the amount by which Expected Maximum Arts Building Special Tax Revenues from the Taxable Parcel exceeds the Estimated Base Arts Building Special Tax Revenues from the Taxable Parcel(s).

After proportionately increasing the Base Arts Building Special Taxes to an amount that will maintain Required Coverage, the Administrator shall use the adjusted per-square foot rates to calculate the Maximum Arts Building Special Tax for each Taxable Parcel for which the increased Base Arts Building Special Tax was determined to be necessary pursuant to this Step 4. The Administrator shall also revise Attachment 3 to reflect the new Expected Maximum Arts Building Special Tax Revenues.

Unless and until individual Assessor's Parcels are created for Non-Residential Square Footage and Residential Square Footage within a building, the Administrator shall sum the Arts Building Special Tax that, pursuant to Section F below, would be levied on all land uses on a Parcel and levy this aggregate Arts Building Special Tax amount on the Parcel.

If, in any Fiscal Year, the Maximum Arts Building Special Tax is determined for any Parcels of Developed Property for which a Building Permit had not yet been issued and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Arts Building Special Tax, then the Administrator shall once again apply Steps 1 through 4 in this Section C.2b to recalculate the Maximum Arts Building Special Tax for the Parcel(s) based on the Residential Square Footage or Non-Residential Square Footage that was determined when the Building Permit was issued. The Administrator shall do a final check of the Residential Square Footage and Non-Residential Square Footage within the building when a Certificate of Occupancy is issued. Once again, if the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Arts Building Special Tax after the Building Permit was issued, then the Administrator shall apply Steps 1 through 4 in this Section C.2b to recalculate the Maximum Arts Building Special Tax for the Parcel.

If one or more Building Permits have been issued for development of structures on a Taxable Parcel, and additional structures are anticipated to be built on the Taxable Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize the buildings for which Building Permits

have been issued as Developed Property and, if the 36-month anniversary of the VDDA Execution Date has not occurred in a previous Fiscal Year, any remaining buildings for which Building Permits have not yet been issued shall not be subject to a Arts Building Special Tax until either: (i) a Building Permit is issued for such remaining buildings, or (ii) the Fiscal Year in which the 36-month anniversary of the VDDA Execution Date. To determine the Arts Building Special Tax for any such Parcel, the Administrator shall take the sum of the Arts Building Special Taxes determined for each building.

2c. Services Special Tax

Upon issuance of the first Certificate of Occupancy for a building on a Taxable Parcel, the Administrator shall reference Table 3 and apply the steps below to determine the Maximum Services Special Tax for the Parcel:

Table 3 Base Services Special Tax			
Square Footage Category	Base Services Special Tax in Tax Zone 1 (FY 2017-18)*	Base Services Special Tax in Tax Zone 2 Before the Transition Year (FY 2017-18) *	Base Services Special Tax in Tax Zone 2 In and After the Transition Year (FY 2017-18) *
Residential Square Footage	\$1.57 per Residential Square Foot	\$1.25 per Residential Square Foot	\$1.89 per Residential Square Foot
Taxable Non-Residential Square Footage	\$1.57 per Non-Residential Square Foot	\$1.25 per Non-Residential Square Foot	\$1.89 per Non-Residential Square Foot

* The Base Services Special Tax for each Tax Zone shown above shall be escalated as set forth in Section D.2.

Step 1. Review the Certificate of Occupancy, Building Permit, Vertical DDA, condominium plan, Development Approval Documents, architectural drawings, information provided by the Port, Developer or Vertical Developer, and coordinate with the Review Authority to determine the Residential Square Footage and Non-Residential Square Footage anticipated within each building.

Step 2. Using the information from Step 1:

- After consideration of the Tax Zone for the building and the Transition Year, multiply the applicable Base Services Special Tax from Table 3 for Residential Square Footage by the total Residential Square Footage within each building.
- Based on the Tax Zone in which the building is located and the Transition Year, multiply the applicable Base Services Special Tax from Table 3 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected in the building.

The Maximum Services Special Tax for the Parcel shall be the sum of the amounts calculated pursuant to this Step 2.

If additional structures are anticipated to be built on the Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize each building for which a Certificate of Occupancy has been issued as Developed Property, and any remaining buildings for which Certificates of Occupancy have not yet been issued shall not be subject to a Services Special Tax until a Certificate of Occupancy is issued for such remaining buildings. To determine the Services Special Tax for any such Parcel, the Administrator shall take the sum of the Services Special Taxes determined for each building.

3. *Expected Taxable Property*

Depending on the Tax Zone in which a Parcel of Expected Taxable Property is located, the Maximum Facilities Special Tax and, if applicable, Maximum Arts Building Special Tax assigned to the Parcel shall be the Expected Maximum Facilities Special Tax Revenues and, if applicable, Expected Maximum Arts Building Special Tax Revenues that were assigned to the Parcel (as determined by the Administrator) based on the Expected Land Uses prior to the Administrator determining that such Parcel had become Expected Taxable Property. In the Transition Year and each Fiscal Year thereafter, no Arts Building Special Tax shall be levied on Expected Taxable Property.

D. CHANGES TO THE MAXIMUM SPECIAL TAXES

1. *Annual Escalation of Facilities Special Tax and Arts Building Special Tax*

Beginning July 1, 2018 and each July 1 thereafter, each of the following amounts shall be increased by 2% of the amount in effect in the prior Fiscal Year: the Base Facilities Special Tax for each Tax Zone in Table 1; the Base Arts Building Special Tax for Tax Zone 2 in Table 2; the Expected Maximum Facilities Special Tax Revenues in Attachment 3, the Expected Maximum Arts Building Special Tax Revenues in Attachment 3, and the Maximum Facilities Special Tax and Maximum Arts Building Special Tax assigned to each Taxable Parcel.

2. *Annual Escalation of Services Special Tax*

Beginning July 1, 2018 and each July 1 thereafter, the Base Services Special Tax for each Tax Zone in Table 3 and the Maximum Services Special Tax assigned to each Taxable Parcel shall be adjusted by the Escalator.

3. *Changes in Square Footage Category on a Parcel of Developed Property*

If any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise has a Land Use Change, the Administrator shall, separately for each of the Special Taxes, multiply the applicable Base Special Tax by the total Residential Square Footage and Taxable Non-Residential Square Footage on the Parcel after the Land Use Change; if the First Bond Sale has not yet occurred, the combined amount of the applicable Special Taxes shall be the Maximum Special Tax for the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.3.

If the Maximum Special Tax that would apply to the Parcel after the Land Use Change is greater than the Maximum Special Tax that applied to the Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Special Tax for the Parcel to the amount calculated based on the Land Use Change. If the Maximum Special Tax after the Land Use Change is less than the Maximum Special Tax that applied prior to the Land Use Change, there shall be no change to the Maximum Special Tax for the Parcel. Under no circumstances shall the Maximum Special Tax on any Parcel of Developed Property be reduced, regardless of changes in Square Footage Category or Square Footage on the Parcel, including reductions in Square Footage that may occur due to demolition, fire, water damage, or acts of God.

4. *Changes to Planning Parcels and Expected Land Uses*

If, at any time prior to the First Bond Sale, the Developer or a Vertical Developer makes changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, the Administrator shall update the Expected Land Uses and Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues, which will be reflected on an updated Attachment 3. In addition, the Administrator will request updated Attachments 1 and 2 from the Developer.

If, after the First Bond Sale, the Developer or a Vertical Developer proposes to make changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, the Administrator shall meet with the Port, Developer, and any affected Vertical Developers to review the proposed changes and evaluate the impact on the Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues. If the Administrator determines that such changes will not reduce Required Coverage on Bonds that have been issued, the Port will decide whether to allow the proposed changes and corresponding redistribution of the Maximum Facilities Special Tax Revenues and Maximum Arts Building Special Tax Revenues. If such changes are permitted, the Administrator will update Attachment 3 and request updated Attachments 1 and 2 from the Developer. If the Administrator determines that the proposed changes will reduce Required Coverage on Bonds that have been issued, the Port will not permit the changes.

5. *Reduction in Maximum Facilities Special Taxes Prior to First Bond Sale*

Prior to the First Bond Sale, as set forth in the Financing Plan, the Port, Developer, and any affected Vertical Developer in Tax Zone 1 may agree to a proportional or disproportional reduction in the Base Facilities Special Tax. If the parties agree to such a reduction, the Port will direct the Administrator to use the reduced Base Facilities Special Tax for purposes of levying the taxes pursuant to this RMA, and such reduction shall be codified by recordation of an amended Notice of Special Tax Lien against all Taxable Parcels within the STD. The reduction shall be made without a vote of the qualified STD electors.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into the STD, the Administrator shall apply the following steps as part of the annexation proceedings:

- Step 1.* Working with Port staff, the Administrator shall determine the Expected Land Uses for the area to be annexed and the Tax Zone into which the property will be placed.
- Step 2.* The Administrator shall prepare or have prepared updated Attachments 1, 2, and 3 to reflect the annexed property and identify the revised Expected Land Uses, Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues. After the annexation is complete, the application of this RMA shall be based on the adjusted Expected Land Uses and Maximum Facilities Special Tax Revenues and Maximum Arts Building Special Tax Revenues, as applicable, including the newly annexed property.
- Step 3.* The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to the STD.

F. METHOD OF LEVY OF THE SPECIAL TAXES

1. *Facilities Special Tax*

Each Fiscal Year, the Administrator shall determine the Facilities Special Tax Requirement for the Fiscal Year, and the Facilities Special Tax shall be levied according to the steps outlined below:

a. In Any Fiscal Year in Which There is No Developer Private Agreement or Developer Public Agreement in Place

- Step 1.* In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Indenture and the Financing Plan.
- Step 2.* After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Expected Taxable Property.

b. In Any Fiscal Year in Which There is Either or Both a Developer Private Agreement and/or a Developer Public Agreement in Place

- Step 1.* In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Indenture and the Financing Plan.

- Step 2.* After the First Bond Sale, but only if a Developer Private Agreement is in place, if additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property that is not a Port-Owned Development Parcel, up to 100% of the Maximum Facilities Special Tax for each Parcel of Undeveloped Property that is not a Port-Owned Development Parcel for such Fiscal Year.
- Step 3.* After the First Bond Sale, but only if a Developer Public Agreement is in place, if additional revenue is needed after Step 2 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Port-Owned Development Parcel, up to 100% of the Maximum Facilities Special Tax for each Port-Owned Development Parcel for such Fiscal Year.
- Step 4:* After the First Bond Sale, if additional revenue is needed after Step 3 in order to meet the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Expected Taxable Property.

2. *Arts Building Special Tax*

- Step 1.* Each Fiscal Year the Maximum Arts Building Special Tax shall be levied on each Taxable Parcel of Developed Property. Any Remainder Special Taxes collected shall be applied as set forth in the Financing Plan. The Arts Building Special Tax may not be levied on Undeveloped Property.
- Step 2.* After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Arts Building Special Tax Requirement, the Arts Building Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Arts Building Special Tax for each Parcel of Expected Taxable Property.

3. *Services Special Tax*

Each Fiscal Year, the Administrator shall coordinate with the City and the Port to determine the Services Special Tax Requirement for the Fiscal Year. The Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, up to 100% of the Maximum Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement. The Services Special Tax may not be levied on Undeveloped Property or Expected Taxable Property.

G. COLLECTION OF SPECIAL TAXES

Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes on the regular tax roll, provided, however, that the City may directly bill Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods as authorized by the CFD Law. The Board of Supervisors has ordered any Special Taxes to be levied on leasehold interests to be levied on the secured roll. The Special Tax bill for any Parcel subject to a leasehold interest will be sent to the same party that receives the possessory interest tax bill associated with the leasehold.

The Facilities Special Tax shall be levied and collected on a Taxable Parcel until the Fiscal Year that is the 120th Fiscal Year in which the Facilities Special Tax has been levied on the Taxable Parcel.

The Arts Building Special Tax shall be levied and collected until the earlier of: (i) the Transition Year, and (ii) the 120th Fiscal Year in which the Arts Building Special Tax has been levied on the Taxable Parcel.

The Services Special Tax shall be levied and collected in perpetuity.

H. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on Affordable Housing Projects or Tax-Exempt Port Parcels unless such parcels are Expected Taxable Property.

Notwithstanding any other provision of this RMA, no Facilities Special Taxes or Arts Building Special Taxes shall be levied on Public Property unless all of the following conditions apply: (i) the First Bond Sale has occurred; (ii) based on reference to Attachment 3 (as may be updated as set forth herein), a Parcel was assigned Expected Land Uses; and (iii) if the Parcel were to be exempt from the Facilities Special Tax or Arts Building Special Tax, the Expected Maximum Facilities Special Tax Revenues or Expected Maximum Arts Building Special Tax Revenues would be reduced to a point at which the applicable Required Coverage on Bonds (if any) could not be maintained. If all of the above conditions apply, the Administrator can levy the Facilities Special Tax or Arts Building Special Tax on Public Property as needed to maintain Required Coverage.

Parcels of Public Property shall only be exempt from Facilities Special Taxes or Arts Building Special Taxes if: (a) the First Bond Sale has not occurred and the Port determines that it is in the best interest of the parties to exempt the Parcel(s); or (b) the First Bond Sale has occurred, the Port determines that it is in the best interest of the parties to exempt the Parcel(s), and such exemption will not reduce the Expected Maximum Facilities Special Tax Revenues or Expected Maximum Arts Building Special Tax Revenues to the point at which the applicable Required Coverage cannot be maintained. Unless an exemption is provided pursuant to (a) or (b) above, Parcels of Public Property shall be taxed as Developed Property, Undeveloped Property, or

Expected Taxable Property, as determined by the Port. Services Special Taxes will not be levied on Public Property.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of the Special Taxes and any security for any Bonds.

J. SPECIAL TAX APPEALS

Any taxpayer who wishes to challenge the accuracy of computation of the Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the taxpayer's application. If the Administrator concludes that the computation of the Special Taxes was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Taxes was correct, then such determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board from the decision of the Administrator.

The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay the Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the CFD Law or elsewhere in applicable law.

“Maximum Services Special Tax” means the greatest amount of Services Special Tax that can be levied on a Taxable Parcel in any Fiscal Year determined in accordance with Sections C, D, and E of the Rate and Method. Table 3 in the Rate and Method identifies the Base Services Special Tax, which will be used to determine the Maximum Services Special Tax upon issuance of the first Certificate of Occupancy on a Taxable Parcel. Adjustments to the Maximum Special Taxes

Section D of the Rate and Method describes the circumstances in which the Maximum Facilities Special Tax and the Maximum Services Special Taxes may be adjusted, including annual escalation, rezoning or other Land Use Changes, changes in Expected Land Uses and changes in the boundaries of the Planning Parcels.
