SECOND AMENDMENT TO LEASE NO. L-14414

This Second Amendment to Lease No. L-14414 (the "Second Amendment"), dated for reference purposes only as of February 25, 2009, is by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation (the "City"), operating through the SAN FRANCISCO PORT COMMISSION (the "Port"), as landlord, and Pilara Family Foundation, a Nevada Non-Profit Corporation, as tenant (the "Tenant").

RECITALS

A. Port and Tenant entered into Port Lease No. L-14414, dated June 21, 2007 for reference purposes only (the "Original Lease"), for that certain real property located at Pier 24 Annex consisting of approximately 27,311 square feet of pier shed space in the City and County of San Francisco, State of California, more particularly described in the Original Lease. The term of the Original Lease expires on May 31, 2015. The First Amendment, effective June 6, 2008, made certain revisions to the Original Lease ("First Amendment").

B. Pursuant to the Original Lease and First Amendment, Tenant is required to construct approximately \$6 Million of Initial Tenant Improvements, including improvements to the core and shell of the building (estimated cost \$3.2 million) and interior improvements. The Original Lease requires fair market rent and allowed no rent credits for the improvements.

On June 6, 2008, pursuant to the First Amendment, Andrew Pilara and Mary Pilara, husband and wife jointly and severally as "Guarantor" executed a Personal Guaranty in favor of the City and Port to guarantee the construction of the Initial Tenant Improvements and other defined Lease terms ("Original Guaranty").

C. During construction, Tenant has encountered unforeseen conditions, including extensive dry rot and termite damage. The Port agrees that such conditions could not have been known prior to execution of the Original Lease. Tenant now estimates the total project cost at \$11 million of which approximately \$7.5 million is for core and shell improvements, including substructure repairs.

D. Due to the unexpected increase in costs and the benefits to the Port that the Tenant is willing to offer, the parties have agreed to amend certain terms of the Lease to: (i) increase the amount of Base Rent, (ii) extend the initial term by two and a half years for a total ten year term; and (iii) provide rent credits to Tenant for certain improvements to the core and shell of the building that benefit the Port in an amount not to exceed \$3 million. Guarantor will execute a personal guaranty covering the increased costs.

This Second Amendment supersedes any prior correspondence, memoranda, agreements, warranties, or written or oral representations relating to the subject matter of the Second Amendment in their entirety. THIS AMENDED AND RESTATED PERSONAL GUARANTY ("**Guaranty**" or "**Agreement**") is made as of June 6, 2008 by Andrew Pilara and Mary Pilara, husband and wife jointly and severally (collectively "**Guarantor**"), in favor of the City and County of San Francisco, acting by and through the San Francisco Port Commission ("**Port**").

RECITALS:

A. Pilara Family Foundation, a Nevada non-profit corporation ("**Tenant**"), entered into Lease No. L-14414, dated as of October 26, 2007, and amended by that certain First Amendment, dated for June 1, 2008 for reference purposes ("**First Amendment**") and that certain Second Amendment, dated December 1, 2008 for reference purposes ("**Second Amendment**") (collectively, the "**Lease**").

B. Under the Lease, Tenant agreed to (a) acquire by lease certain real property located in the City and County of San Francisco at the Pier 24 Annex within Port's jurisdiction and more particularly described in Exhibit A attached to the Lease (the "**Premises**"); and (b) construct certain improvements on the Premises. The improvements to be constructed by Tenant are referred to in the Lease and herein as the "**Initial Tenant Improvements**" as defined in Section 2.26 of the Lease and as generally described in Exhibit F, Attachment 1 of the Lease and detailed in Port Building Permit number B-2007-0095. Port and Tenant also plan to enter into an Encroachment Permit and License to Use Property License No. L-14527 (the "**License**") for use of sidewalk and pier space adjacent to the Premises upon which Tenant will construct and maintain the Access Improvements (as defined in the License) for improved access to the Premises.

C. As a condition to allowing Tenant to construct the Initial Tenant Improvements, Guarantor executed a Personal Guaranty dated June 6, 2008, ("**Original Guaranty**") guaranteeing the performance by Tenant of its obligations to complete the Initial Tenant Improvements as required in the Lease, including without limitation, as such Tenant Improvements are required pursuant to Sections 13, 14, 16 and 19 and Exhibit F and the Access Improvements as described in the License and all other responsibilities and claims, losses or liabilities associated with Tenant's performance of such obligations or non-performance whenever discovered (collectively, the "**Obligations**").

D. During construction, Tenant encountered unforeseen conditions, including extensive dry rot and termite damage and now estimates the total project cost is eleven million dollars (\$11,000,000). This Guaranty amends and restates the Original Guaranty in its entirety as of the date of the Original Guaranty and covers the entire cost of the Obligations, regardless of whether such costs exceed the current estimate.

E. Upon execution of this Amended and Restated Guaranty Port shall release all obligations of guarantor under the Original Guaranty.

F. Guarantors are officers of Tenant and acknowledge that they have derived or expect to derive material financial advantages and other benefits commensurate in value to the obligations and liabilities being undertaken by them under the terms of this Guaranty including without limitation, rent credits to be provided under the Lease.

4. OBLIGATIONS OF GUARANTOR UPON TENANT DEFAULT. In the event that an Event of Default by Tenant under the Lease occurs with respect to the Obligations guaranteed hereby, Guarantor, and each of them, at Guarantor's expense, shall diligently proceed to cure such default and procure complete performance of all of the Obligations on same time schedule as provided for Tenant in the Lease. Port shall accept such performance by or at the insistence of Guarantor as if the same had been timely made by Tenant.

5. REMEDIES. If Guarantor fails to perform as herein provided or fails to faithfully perform its obligations hereunder (a "Default"), Port has the following remedies:

(a) at its option and without any obligation so to do, proceed to perform on behalf of Guarantor any and all of the Obligations to the extent Port deems necessary in its sole discretion, and Guarantor shall pay to Port within ten (10) days after written demand all reasonable sums expended by Port in such performance on behalf of Guarantor and all costs associated with the failure of the Obligations to be fully satisfied by Tenant and Guarantor; and

7. NO WAIVER. Guarantor, and each of them, authorizes Port, without notice or demand and without affecting Guarantor's obligations or liabilities under this Guaranty, to: (a) amend, compromise, release or otherwise alter any term, covenant or condition of the Lease; (b) assign or sublet the Lease; (c) exercise, not exercise, impair, modify, limit, destroy or suspend any right or remedy under the Lease and Guarantor guarantees and promises to perform the Obligations as so amended; (d) take and hold security for any payment provided for in the Lease or the performance of any covenant, term, or condition of the Lease or exchange, waive, or release any security; and (e) apply such security as Port may determine. (iii) This Agreement, when executed and delivered to Port, will constitute a legal, valid and binding obligation enforceable against Guarantor in accordance with its terms to the fullest extent allowed by law;

(iv) All financial statements and data that have been given or shown to Port or its representatives or that will be given or shown to Port by Guarantor (A) are complete and correct in all material respects as of the date given, and (B) accurately present the financial condition of Guarantor on each date as of which, and the results of Guarantor's operations for the periods for which, the same have been furnished.

(c) If this Guaranty is signed or proposed to be signed by more than one person, nevertheless it shall be effective and shall be deemed to be fully delivered as to each of the signers immediately upon his or her signing the Guaranty. In the event it is proposed that more than one person shall sign this Guaranty, the failure of such additional person or persons to sign the Guaranty shall not affect the liability of any person or persons whose signatures are fixed or subscribed to this Guaranty but such liability shall be absolute, fixed and unconditional upon the signing of this Guaranty, it being the intention of the undersigned person or persons that concurrently with the signing of this Guaranty with such person or respective persons, this Guaranty shall instantly be absolutely and unconditionally in full force and effect as to all of its terms without any oral or other reservations, modifications or collateral agreement or understanding whatsoever.

9. GUARANTY INDEPENDENT; WAIVERS.

(a) Guarantor agrees that the obligations hereunder are independent of, may exceed and are in addition to the undertakings of Tenant pursuant to the Lease, any deed of trust or security agreement given to secure the same, any other guaranties given in connection with the Lease. A separate action may, at Port's option, be brought and prosecuted against Guarantor, or any of them whether or not any action is first or subsequently brought against Tenant, or whether

or not Tenant is joined in any action, and Guarantor may be joined in any action or proceeding commenced by Port against Tenant arising out of, in connection with, or based upon the Lease.

(b) Guarantor waives any right to (i) require Port to proceed against Tenant or any other person or entity or pursue any other remedy in Port's power, (ii) complain of delay in the enforcement of Port's rights under the Lease; and (iii) require Port to proceed against or exhaust any security held from Tenant or Guarantor. Guarantor waives any defense arising by reason of any disability or other defense of Tenant or by reason of the cessation from any cause whatsoever of the liability of Tenant. If this Guaranty is signed by more than one Guarantor, a release of any one or more of Guarantor or any limitation of this Guaranty in favor of or for the benefit of one or more Guarantor shall not in any way be deemed a release of or for the benefits of any other Guarantor.

(c) Guarantor shall not, without the prior written consent of Port, commence, or join with any other person in commencing, any bankruptcy, reorganization, or insolvency proceeding against Tenant. The obligations of Guarantor under this Guaranty shall not be altered, limited, or affected by any proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation, or arrangement of Tenant, or by any defense that Tenant may have by reason of any order, decree, or decision or any court or administrative body resulting from any such proceeding. Guarantor shall file in any bankruptcy or other proceeding in which the filing of claims is required or permitted by law all claims that Guarantor may have against Tenant relating to any indebtedness of Tenant to Guarantor, and shall assign to Port all rights of Guarantor under these claims. Port shall have the sole right to accept or reject any plan proposed in such proceeding and to take any other action that a party filing a claim is entitled to take. In all such cases, whether in administration, bankruptcy, or otherwise, the person or persons authorized to pay such claim shall pay to Port the amount payable on such claim and, to the full extent necessary for that purpose, Guarantor assigns to Port all of Guarantor's rights to any such payments or distributions to which Guarantor would otherwise be entitled; provided, however, that Guarantor's obligations under this Guaranty shall not be satisfied except to the extent that Port receives cash by reason of any such payment or distribution. If Port receives anything other than cash, the same shall be held as collateral for amounts due under this Guaranty.

(d) Guarantor, and each of them, is acting as a primary obligor. Without limiting the generality of the waivers contained in this Guaranty, Guarantor waives, to the fullest extent permitted by law, all rights, defenses, and other benefits under California Civil Code Sections 2787 through 2856, 2899, and 3433, and any similar or analogous statutes of California or any other jurisdiction and judicial decisions applying these statutes and any defense based on any statutory or other limitation of the amount of any deficiency judgment available to Port after foreclosure or other proceedings to realize upon any such collateral security or guaranty, shall not relieve Guarantor of any liability, and shall not impair or affect the rights and remedies of Port against Guarantor. Guarantor acknowledges that Port is relying on all of the waivers contained throughout this Guaranty in accepting this Guaranty.

10. FINANCIAL COVENANTS. Guarantor covenants and agrees that during the term of this Agreement:

(a) **Liquidity.** Guarantor shall maintain at all times, in the aggregate, Liquid Assets (as defined below) that are totally unencumbered by liens or pledges and as to which there are no restrictions upon the use thereof imposed by any agreement as to which Guarantor's property may be bound, with a market value of not less than sixteen million five hundred thousand dollars (\$16,500,000). As used herein "Liquid Assets" means the sum of the following unencumbered community and separate assets of Guarantor: (i) all cash, (ii) any demand deposits, (iii) marketable securities consisting of short-term (maturity of one year or less) obligations issued or guaranteed as to principal and interest by the United States of America, (iv) short-term certificates of deposit, with a maturity of one year or less, issued by any bank

Guarantor shall advise Port promptly in writing of any transaction providing for the sale, transfer, encumbrance, pledge, mortgage or other disposition of any Liquid Assets (or the future income therefrom), or other disposition of property (whether by assignment, gift or creation of a trust or otherwise) affecting Two Million Dollars (\$2,000,000) or more.

13. SUCCESSORS AND ASSIGNS. This Guaranty shall be binding upon Guarantor and each of their estate, heirs, devisees, legatees, executors, administrators, personal and legal representatives, successors and assigns, and shall inure to the benefit of Port and Port's successors and assigns. Port may, without notice, assign this Guaranty in whole or in part in connection with an assignment of the Port's interests in the Lease.

14. NO RELEASE. Guarantor agrees that a sale, transfer or assignment by only Tenant of all or any portion of its interest in the Lease, the Premises and/or the Improvements shall not cause a release or reduction of, or otherwise impair the obligations of Guarantor under this Agreement.

15. INTEREST, ATTORNEYS' FEES AND COSTS.

(a) Any sum required to be paid by Guarantor to Port pursuant to the terms hereof shall bear annual interest at a rate of twelve percent (12%). If any party commences legal action to enforce the terms of the Lease as to the Obligations or of this Guaranty or in connection with any dispute arising out of or related to this Guaranty, the prevailing party shall be entitled to its attorneys' fees and costs, including costs incurred on appeal, in connection with the bankruptcy of any party, and in enforcing any judgment and interest. For the purposes of this provision, any attorneys' fees of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney. The term "attorneys' fees" shall also include, without limitation, all such fees incurred with respect to appeals, mediations, arbitrations, and bankruptcy proceedings, and whether or not any action is brought with respect to the matter for which such fees were incurred. The term "costs" shall mean the costs and expenses of counsel to the parties, which may include printing, duplicating and other expenses, air freight charges,

hiring of experts, and fees billed for law clerks, paralegals, and others not admitted to the bar but performing services under the supervision of an attorney.

16. RIGHTS ARE CUMULATIVE. The liability of Guarantor, and each of them, and all rights, powers, and remedies of Port under this Guaranty and under any other agreement now or at any time hereafter in force between Port and Guarantor relating to the Lease shall be cumulative and not alternative, and such rights, powers, and remedies given to Port by law or in equity.

17. NOTICES. Any notice, request, demand, instruction, or other communication to be given to any party under this Guaranty shall be in writing and shall be delivered in the manner provided in the Lease for delivery of notices (and be deemed delivered in accordance with the time periods set forth in the Lease) and addressed to the party to be notified at the address set forth in the Basic Lease Information in the Lease.

18. MISCELLANEOUS.

(a) This Agreement shall be governed by and construed in accordance with the laws of the State of California and the City's Charter, and Port and Guarantor hereby irrevocably consent to the jurisdiction and proper venue of the State and the City and County of San Francisco. Further, Guarantor irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any right that it might have to a trial by jury in connection with any suit, action, or proceeding arising out of or relating to the Lease or this Guaranty, all to the fullest extent permissible under applicable law.

(b) Except as provided to the contrary herein, Guarantor waives all presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor and notices of acceptance of this Agreement and of the existence, creation or incurring of all or any part of the obligations now existing or hereafter arising.

(c) Time is of the essence in the performance and enforcement of the terms and conditions of this Agreement.

(d) If any term, provision, covenant or condition hereof or any application thereof should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all terms, provisions, covenants and conditions hereof, and all applications thereof not held invalid, void or unenforceable shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

(e) Guarantor, and each of them assumes full responsibility for keeping fully informed of the financial condition of Tenant and of all other circumstances bearing upon the risk of nonperformance by Tenant of its Obligations under the Lease and agrees that Port shall have no duty to advise or report to Guarantor any information that Port receives about Tenant's financial condition or any condition or circumstances, whether or not material, bearing on Tenant's ability to perform the Obligations.

(f) Entire Agreement. This Guaranty embodies the entire agreement and understanding between the parties hereto relating to the guaranty of the Obligations. All prior or contemporaneous negotiations, agreements, and understandings, oral or written, are hereby revoked, cancelled, and rescinded, and are all merged herein and superseded hereby. The provisions of this Guaranty may be altered, amended, modified, or repealed, in whole or in part, only upon the written agreement of Port and Guarantor.

(g) This Guaranty and Guarantor's liability hereunder shall not be altered, limited, or otherwise affected by Port's failure to enforce, or delay in enforcing, any of its rights or remedies under the Lease or hereunder, and no such failure or delay shall be construed as a waiver of any such rights or remedies.

IN WITNESS WHEREOF, the undersigned has executed this Agreement as of the day and year first above written.

EXHIBIT E

PERSONAL GUARANTY

THIS PERSONAL GUARANTY ("Guaranty" or "Agreement") is made as of June 6, 2008 by Andrew Pilara and Mary Pilara, husband and wife jointly and severally (collectively "Guarantor"), in favor of the City and County of San Francisco, acting by and through the San Francisco Port Commission ("Port").

RECITALS:

A. Pilara Family Foundation, a Nevada non-profit corporation ("Tenant"), entered into Lease No. L-14414, dated as of October 26, 2007, and amended by that certain First Amendment, dated for June 1, 2008 for reference purposes ("First Amendment") (collectively, the "Lease").

B. Under the Lease, Tenant agreed to (a) acquire by lease certain real property located in the City and County of San Francisco at the Pier 24 Annex within Port's jurisdiction and more particularly described in Exhibit A attached to the Lease (the "Premises"); and (b) construct certain improvements on the Premises. The improvements to be constructed by Tenant are referred to in the Lease and herein as the "Initial Tenant Improvements" as defined in Section 2.26 of the Lease and as generally described in Exhibit F, Attachment 1 of the Lease and detailed in Port Building Permit number B-2007-0095. Port and Tenant also plan to enter into an Encroachment Permit and License to Use Property License No. L-14527 (the "License") for use of sidewalk and pier space adjacent to the Premises upon which Tenant will construct and maintain the Access Improvements (as defined in the License) for improved access to the Premises .

C. As a condition to allowing Tenant to construct the Initial Tenant Improvements, Port required that Tenant provide, prior to commencement of the construction of the Initial Tenant Improvements, a payment and performance bond in a form acceptable to Port in a principal amount equal to 150% of the estimated costs of such Initial Tenant Improvements to ensure Port against any liability for mechanics' and materialmens' liens and stop notices and to ensure completion of the work. Tenant has requested and Port agrees to amend the Lease by the First Amendment to allow Tenant to substitute this Guaranty instead of the payment and performance bond.

D. Guarantors are officers of Tenant and acknowledge that they have derived or expect to derive material financial advantages and other benefits commensurate in value to the obligations and liabilities being undertaken by them under the terms of this Guaranty.

E. Guarantor executes this Agreement guaranteeing the performance by Tenant of its obligations to complete the Initial Tenant Improvements as required in the Lease, including without limitation, Sections 13, 14, 16 and 19 and Exhibit F and the Access Improvements as described in the License and all other responsibilities and claims, losses or liabilities associated with Tenant's performance of such obligations or non-performance whenever discovered (collectively, the "Obligations").

F. The current estimated cost of the Initial Tenant Improvements is six million dollars (\$6,000,000). This Guaranty covers the entire cost of the Obligations, regardless of whether such costs exceed the current estimate.

NOW, THEREFORE, in consideration to Port for amending the Lease, Guarantor covenants and agrees as follows:

1. **RECITALS.** The foregoing recitals are true and correct and are incorporated herein by this reference.

2. **DEFINED TERMS.** All defined terms used herein and not defined herein, have the meanings ascribed to them in the Lease. If there is more than one Guarantor, then all words used herein in the singular shall be deemed to have been used in the plural when the context and construction so require; and when this Guaranty is executed by more than one Guarantor, the word "Guarantor" respectively shall mean all and any one or more of them.

3. **GUARANTY.** Guarantor and each of them, jointly and severally irrevocably and unconditionally guarantees to Port the full, faithful and timely performance of the Obligations by Tenant. The provisions of the Lease which provide for the Obligations are hereby incorporated into this Guaranty, including, without limitation, Sections 13, 14, 16 and 19 and Exhibit F of the Lease.

4. **OBLIGATIONS OF GUARANTOR UPON TENANT DEFAULT.** In the event that an Event of Default by Tenant under the Lease occurs with respect to the Obligations guaranteed hereby, Guarantor, and each of them, at Guarantor's expense, shall diligently proceed to cure such default and procure complete performance of all of the Obligations on same time schedule as provided for Tenant in the Lease. Port shall accept such performance by or at the insistence of Guarantor as if the same had been timely made by Tenant.

5. **REMEDIES.** If Guarantor fails to perform as herein provided or fails to faithfully perform its obligations hereunder (a "Default"), Port has the following remedies:

(a) at its option and without any obligation so to do, proceed to perform on behalf of Guarantor any and all of the Obligations to the extent Port deems necessary in its sole discretion, and Guarantor shall pay to Port within ten (10) days after written demand all reasonable sums expended by Port in such performance on behalf of Guarantor and all costs associated with the failure of the Obligations to be fully satisfied by Tenant and Guarantor; and

(b) from time to time and without requiring performance on the part of Tenant and without being required to exhaust any or all security held by Port to require performance by Tenant or Guarantor of any obligation on the part of Guarantor to be performed pursuant to the terms hereof, file an action at law or in equity or both to secure performance and further to collect in any such action compensation for all loss, damage and injury and expense sustained or incurred by Port as a consequence of such breach, as well as to collect any reasonable expenses incurred in such action.

(c) immediately require a letter of credit or a payment and performance bond from Tenant or Guarantor in the amount of 150% of the outstanding costs for the Initial Tenant Improvements.

6. **ACKNOWLEDGMENTS BY GUARANTOR.** Guarantor acknowledges, confirms, and agrees that (i) it has received fair and adequate consideration for its execution and delivery of this Guaranty, (ii) it will derive material financial benefit from Port's acceptance of this Guaranty, (iii) Port's agreement to allow the Initial Tenant Improvements is in consideration of, and in material reliance upon, Guarantor's execution and delivery of this Guaranty, and (iv) there are no conditions to the full effectiveness of this Guaranty.

7. **NO WAIVER.** Guarantor, and each of them, authorizes Port, without notice or demand and without affecting Guarantor's obligations or liabilities under this Guaranty, to: (a) amend, compromise, release or otherwise alter any term, covenant or condition of the Lease; (b) assign or sublet the Lease; (c) exercise, not exercise, impair, modify, limit, destroy or suspend any right or remedy under the Lease and Guarantor guarantees and promises to perform the Obligations as so amended; (d) take and hold security for any payment provided for in the Lease or the performance of any covenant, term, or condition of the Lease or exchange, waive, or release any security; and (e) apply such security as Port may determine. Notwithstanding any termination, renewal, extension or holding over of the Lease, this Guaranty shall continue until all of the Obligations have been fully and completely performed by Tenant or Guarantor, and Guarantor shall not be released of any obligation or liability under this Guaranty as long as there is any

claim against Tenant arising out of the Lease regarding the Obligations that have not been settled or discharge in full.

8. COVENANTS, REPRESENTATIONS AND WARRANTIES OF GUARANTOR.

(a) Guarantor shall advise Port promptly in writing of (i) all actions, suits or proceedings against or involving Guarantor, pending or to his or her knowledge threatened in writing, at law or in equity, before any federal, state, municipal or other court or governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, involving the possibility of judgments, penalties or liabilities against Guarantor, is reasonably likely to, in the aggregate exceed Five Hundred Thousand Dollars (\$500,000) and which are not reasonably anticipated to be covered by insurance or (ii) adverse changes in the value of their community and separate assets, resulting in Guarantor's failure to meet the net worth requirements in Section 10;

(b) Guarantor, and each of them, represents, covenants and warrants to Port as follows:

(i) Guarantor is a married couple whose community and separate assets shall be available to satisfy their obligations under this Guaranty;

(ii) The execution, delivery and performance by Guarantor of this Agreement will not violate any provision of law, any order of any court or agency of government, or any indenture, agreement or any other instrument to which Guarantor is a party or by which Guarantor or its property is bound, or be in conflict with, result in a breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets; and

(iii) This Agreement, when executed and delivered to Port, will constitute a legal, valid and binding obligation enforceable against Guarantor in accordance with its terms to the fullest extent allowed by law;

(iv) All financial statements and data that have been given or shown to Port or its representatives or that will be given or shown to Port by Guarantor (A) are complete and correct in all material respects as of the date given, and (B) accurately present the financial condition of Guarantor on each date as of which, and the results of Guarantor's operations for the periods for which, the same have been furnished.

(c) If this Guaranty is signed or proposed to be signed by more than one person, nevertheless it shall be effective and shall be deemed to be fully delivered as to each of the signers immediately upon his or her signing the Guaranty. In the event it is proposed that more than one person shall sign this Guaranty, the failure of such additional person or persons to sign the Guaranty shall not affect the liability of any person or persons whose signatures are fixed or subscribed to this Guaranty but such liability shall be absolute, fixed and unconditional upon the signing of this Guaranty, it being the intention of the undersigned person or persons that concurrently with the signing of this Guaranty with such person or respective persons, this Guaranty shall instantly be absolutely and unconditionally in full force and effect as to all of its terms without any oral or other reservations, modifications or collateral agreement or understanding whatsoever.

9. GUARANTY INDEPENDENT; WAIVERS.

(a) Guarantor agrees that the obligations hereunder are independent of, may exceed and are in addition to the undertakings of Tenant pursuant to the Lease, any deed of trust or security agreement given to secure the same, any other guaranties given in connection with the Lease. A separate action may, at Port's option, be brought and prosecuted against Guarantor, or any of them whether or not any action is first or subsequently brought against Tenant, or whether

or not Tenant is joined in any action, and Guarantor may be joined in any action or proceeding commenced by Port against Tenant arising out of, in connection with, or based upon the Lease.

(b) Guarantor waives any right to (i) require Port to proceed against Tenant or any other person or entity or pursue any other remedy in Port's power, (ii) complain of delay in the enforcement of Port's rights under the Lease; and (iii) require Port to proceed against or exhaust any security held from Tenant or Guarantor. Guarantor waives any defense arising by reason of any disability or other defense of Tenant or by reason of the cessation from any cause whatsoever of the liability of Tenant. If this Guaranty is signed by more than one Guarantor, a release of any one or more of Guarantor or any limitation of this Guaranty in favor of or for the benefit of one or more Guarantor shall not in any way be deemed a release of or for the benefits of any other Guarantor.

(c) Guarantor shall not, without the prior written consent of Port, commence, or join with any other person in commencing, any bankruptcy, reorganization, or insolvency proceeding against Tenant. The obligations of Guarantor under this Guaranty shall not be altered, limited, or affected by any proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation, or arrangement of Tenant, or by any defense that Tenant may have by reason of any order, decree, or decision or any court or administrative body resulting from any such proceeding. Guarantor shall file in any bankruptcy or other proceeding in which the filing of claims is required or permitted by law all claims that Guarantor may have against Tenant relating to any indebtedness of Tenant to Guarantor, and shall assign to Port all rights of Guarantor under these claims. Port shall have the sole right to accept or reject any plan proposed in such proceeding and to take any other action that a party filing a claim is entitled to take. In all such cases, whether in administration, bankruptcy, or otherwise, the person or persons authorized to pay such claim shall pay to Port the amount payable on such claim and, to the full extent necessary for that purpose, Guarantor assigns to Port all of Guarantor's rights to any such payments or distributions to which Guarantor would otherwise be entitled; provided, however, that Guarantor's obligations under this Guaranty shall not be satisfied except to the extent that Port receives cash by reason of any such payment or distribution. If Port receives anything other than cash, the same shall be held as collateral for amounts due under this Guaranty.

(d) Guarantor, and each of them, is acting as a primary obligor and not as a surety. Without limiting the generality of the waivers contained in this Guaranty, Guarantor waives, to the fullest extent permitted by law, all rights, defenses, and other benefits under California Civil Code Sections 2787 through 2856, 2899, and 3433, and any similar or analogous statutes of California or any other jurisdiction and judicial decisions applying these statutes and any defense based on any statutory or other limitation of the amount of any deficiency judgment available to Port after foreclosure or other proceedings to realize upon any such collateral security or guaranty, shall not relieve Guarantor of any liability, and shall not impair or affect the rights and remedies of Port against Guarantor. 15. INTEREST, ATTORNEYS' FEES AND COSTS.

(a) Any sum required to be paid by Guarantor to Port pursuant to the terms hereof shall bear annual interest at a rate of twelve percent (12%). If any party commences legal action to enforce the terms of the Lease as to the Obligations or of this Guaranty or in connection with any dispute arising out of or related to this Guaranty, the prevailing party shall be entitled to its attorneys' fees and costs, including costs incurred on appeal, in connection with the bankruptcy of any party, and in enforcing any judgment and interest. For the purposes of this provision, any attorneys' fees of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney. The term "attorneys' fees" shall also include, without limitation, all such fees incurred with respect to appeals, mediations, arbitrations, and bankruptcy proceedings, and whether or not any action is brought with respect to the matter for which such fees were incurred. The term "costs" shall mean the costs and expenses of counsel to the parties, which may include printing, duplicating and other expenses, air freight charges, hiring of experts, and fees billed for law clerks, paralegals, and others not admitted to the bar but performing services under the supervision of an attorney.

16. RIGHTS ARE CUMULATIVE. The liability of Guarantor, and each of them, and all rights, powers, and remedies of Port under this Guaranty and under any other agreement now or at any time hereafter in force between Port and Guarantor relating to the Lease shall be cumulative and not alternative, and such rights, powers, and remedies given to Port by law or in equity.

17. NOTICES. Any notice, request, demand, instruction, or other communication to be given to any party under this Guaranty shall be in writing and shall be delivered in the manner provided in the Lease for delivery of notices (and be deemed delivered in accordance with the time periods set forth in the Lease) and addressed to the party to be notified at the address set forth in the Basic Lease Information in the Lease.

18. MISCELLANEOUS.

(a) This Agreement shall be governed by and construed in accordance with the laws of the State of California and the City's Charter, and Port and Guarantor hereby irrevocably consent to the jurisdiction and proper venue of the State and the City and County of San Francisco. Further, Guarantor irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any right that it might have to a trial by jury in connection with any suit, action, or proceeding arising out of or relating to the Lease or this Guaranty, all to the fullest extent permissible under applicable law.

(b) Except as provided to the contrary herein, Guarantor waives all presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor and notices of acceptance of this Agreement and of the existence, creation or incurring of all or any part of the obligations now existing or hereafter arising.

(c) Time is of the essence in the performance and enforcement of the terms and conditions of this Agreement.

(d) If any term, provision, covenant or condition hereof or any application thereof should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all terms, provisions, covenants and conditions hereof, and all applications thereof not held invalid, void or unenforceable shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

(e) Guarantor, and each of them assumes full responsibility for keeping fully informed of the financial condition of Tenant and of all other circumstances bearing upon the risk of nonperformance by Tenant of its Obligations under the Lease and agrees that Port shall have no duty to advise or report to Guarantor any information that Port receives about Tenant's financial condition or any condition or circumstances, whether or not material, bearing on Tenant's ability to perform the Obligations.

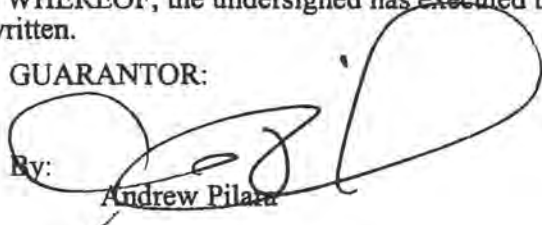

(f) Entire Agreement. This Guaranty embodies the entire agreement and understanding between the parties hereto relating to the guaranty of the Obligations. All prior or contemporaneous negotiations, agreements, and understandings, oral or written, are hereby revoked, cancelled, and rescinded, and are all merged herein and superseded hereby. The provisions of this Guaranty may be altered, amended, modified, or repealed, in whole or in part, only upon the written agreement of Port and Guarantor.

(g) This Guaranty and Guarantor's liability hereunder shall not be altered, limited, or otherwise affected by Port's failure to enforce, or delay in enforcing, any of its rights or remedies under the Lease or hereunder, and no such failure or delay shall be construed as a waiver of any such rights or remedies.

IN WITNESS WHEREOF, the undersigned has executed this Agreement as of the day and year first above written.

3. PREMISES; AS-IS CONDITION.

3.1. Premises.

Subject to the provisions of this Lease, Port hereby leases to Tenant, and Tenant hereby leases from Port, the Premises in the Facility identified in the Basic Lease Information. The Premises has the address and contains the square footage specified in the Basic Lease Information. The location and dimensions of the Premises are depicted on *Exhibit A* attached hereto and incorporated herein by reference (the "Premises"). Port and Tenant agree and acknowledge that any statement of rentable or usable (if applicable) square footage set forth in this Lease is an approximation which Port and Tenant agree is reasonable and that the usable square footage of the Premises may be less than the rentable square footage of the Premises. Port and Tenant further agree and acknowledge that the rentable square footage of the Premises shall be used at all times to calculate the Base Rent due and payable by Tenant under this Lease

and neither the Base Rent nor any other economic term based on rentable square footage shall be subject to revision whether or not the actual rentable or usable square footage is more or less.

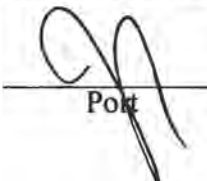

In the event Tenant (including, its Agents, Invitees, successors and assigns) uses or occupies space outside the Premises without the prior written consent of Port (the "Encroachment Area"), then upon written notice from Port ("Notice to Vacate"), Tenant shall immediately vacate such Encroachment Area and pay as Additional Rent for each day Tenant used, occupied, uses or occupies such Encroachment Area, an amount equal to the rentable square footage of the Encroachment Area, multiplied by the higher of the (a) highest rental rate then approved by the San Francisco Port Commission for the Premises or the Facility, or (b) then current fair market rent for such Encroachment Area, as reasonably determined by Port (the "Encroachment Area Charge"). If Tenant uses or occupies such Encroachment Area for a fractional month, then the Encroachment Area Charge for such period shall be prorated based on a thirty (30) day month. In no event shall acceptance by Port of the Encroachment Area Charge be deemed a consent by Port to the use or occupancy of the Encroachment Area by Tenant, its Agents, Invitees, successors or assigns, or a waiver (or be deemed as waiver) by Port of any and all other rights and remedies of Port under this Lease (including Tenant's obligation to indemnify, defend and hold Port harmless as set forth in the last paragraph of this Section 3.1), at law or in equity.

In addition to the foregoing amount, Tenant shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00) upon delivery of the initial Notice to Vacate plus the actual cost associated with a survey of the Encroachment Area. In the event Port determines during subsequent inspection(s) that Tenant has failed to vacate the Encroachment Area, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300.00) for each additional Notice to Vacate, if applicable, delivered by Port to Tenant following each inspection. The parties agree that the charges associated with each inspection of the Encroachment Area, delivery of each Notice to Vacate and survey of the Encroachment Area represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection of the Premises, issuance of each Notice to Vacate and survey of the Encroachment Area. Tenant's failure to comply with the applicable Notice to Vacate and Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights and remedies of Port under this Lease, at law or in equity. The amounts set forth in this Section 3.1 shall be due within three (3) business days following the applicable Notice to Vacate and/or separate invoice relating to the actual cost associated with a survey of the Encroachment Area.

In addition to the rights and remedies of Port as set forth in the immediately foregoing two paragraphs of this Section 3.1, the terms and conditions of the indemnity and exculpation provision set forth in Section 19 below shall also apply to Tenant's (including, its Agents, Invitees, successors and assigns) use and occupancy of the Encroachment Area as if the Premises originally included the Encroachment Area, and Tenant shall additionally indemnify, defend and hold Port harmless from and against any and all loss or liability resulting from delay by Tenant in so surrendering the Encroachment Area including, without limitation, any loss or liability resulting from any Claims against Port made by any tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Encroachment Area to any such tenant or prospective tenant, together with, in each case, actual attorneys' fees and costs.

By placing their initials below, each party specifically confirms the accuracy of the statements made in this Section 3.1 and the reasonableness of the amount of the charges described in this Section 3.1.

3.2. *As Is Condition.*

TENANT ACKNOWLEDGES AND AGREES THAT TENANT IS FAMILIAR WITH THE PREMISES, THE PREMISES ARE BEING LEASED AND ACCEPTED IN THEIR "AS IS" CONDITION, WITHOUT ANY IMPROVEMENTS OR ALTERATIONS BY PORT, WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND, AND SUBJECT TO ALL APPLICABLE LAWS GOVERNING THEIR USE, OCCUPANCY AND POSSESSION. TENANT REPRESENTS AND WARRANTS TO PORT THAT TENANT HAS RECEIVED AND REVIEWED A COPY OF THE REPORT(S), IF ANY, RELATING TO THE SUBSTRUCTURE AND/OR STRUCTURE OF THE FACILITY, AS FURTHER DESCRIBED IN *SCHEDULE 2* ATTACHED HERETO. TENANT FURTHER REPRESENTS AND WARRANTS TO PORT THAT TENANT HAS INVESTIGATED AND INSPECTED, EITHER INDEPENDENTLY OR THROUGH AGENTS OF TENANT'S OWN CHOOSING, THE CONDITION OF THE PREMISES AND THE SUITABILITY OF THE PREMISES FOR TENANT'S BUSINESS AND INTENDED USE. TENANT ACKNOWLEDGES AND AGREES THAT NEITHER PORT NOR ANY OF ITS AGENTS HAVE MADE, AND PORT HEREBY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE RENTABLE AREA OF THE PREMISES, THE PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PREMISES OR THE FACILITY (INCLUDING, BUT LIMITED TO THE SUBSTRUCTURE), THE PRESENT OR FUTURE SUITABILITY OF THE PREMISES FOR TENANT'S BUSINESS, OR ANY OTHER MATTER WHATSOEVER RELATING TO THE PREMISES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

TENANT ACKNOWLEDGES AND AGREES THAT THE PORT AND CITY SHALL NOT BE RESPONSIBLE FOR PROVIDING ANY SECURITY TO PROTECT THE ART WORKS (AS DEFINED IN SECTION 16.1(h)) OR THE PREMISES AND THAT THE PREMISES MAY NOT BE SUITABLE FOR THE STORAGE OR CURATION OF THE ART WORKS. TENANT ASSUMES ALL RISKS ASSOCIATED WITH STORING OR DISPLAYING THE ART WORKS IN THE PREMISES.

4. **TERM OF LEASE; TERMINATION BY PORT.**

4.1. *Term*

The term of this Lease (the "**Term**") shall be for the period of months specified in the Basic Lease Information commencing on the earlier of: (i) December 1, 2007 or (ii) the date that the Port issues a Building Permit for the Core Improvements, provided that Tenant use its best efforts to diligently and expeditiously complete and submit all documents and information necessary for the Port to issue such Building Permit ("**Commencement Date**") and expiring on the Expiration Date. If the Commencement Date and Expiration Date occur on a date other than the Commencement Date and the Expiration Date set forth in the Basic Lease Information, then promptly following the actual Commencement Date, Port and Tenant shall execute a Commencement Date and Expiration Date Memorandum substantially in the form attached hereto as *Exhibit B*, confirming the actual Commencement Date and Expiration Date, but either party's failure to do so shall not affect the commencement or expiration of the Term.

If Port is unable to deliver possession of the Premises to Tenant on or before the Commencement Date, then the validity of this Lease shall not be affected thereby and Port shall not be liable to Tenant for any Claims resulting therefrom, and Tenant waives all provisions of any Laws to the contrary. In such case, the Term shall not commence until Port delivers possession of the Premises and the Rent Commencement Date shall not commence until one hundred and eighty (180) days thereafter. Notwithstanding anything to the contrary above, if Port's inability to deliver possession of the Premises on the estimated Commencement Date results from Tenant's or its Agents' acts or omissions, then Base Rent and Additional Rent

payable by Tenant hereunder shall commence on the date when Port would have delivered possession of the Premises but for such acts or omissions.

4.2. Waiver of Relocation.

Tenant hereby waives any and all rights, benefits or privileges of the California Relocation Assistance Law, California Government Code §7260 et seq., and the Uniform Relocation Assistance and Real Property Acquisition Policies Act, 42 U.S.C. §4601 et seq. or under any similar law, statute or ordinance now or hereafter in effect except as may be provided this Section 4.2.

5. RENT.

Tenant shall pay to Port, in the manner herein described, the following Rent:

5.1. Base Rent. Throughout the Term, Tenant shall pay to Port the Base Rent set forth in the Basic Lease Information. Tenant shall make the first payment of Base Rent on the Rent Commencement Date, and shall pay the Base Rent, in advance, on or before the first day of each calendar month throughout the Term. If the Rent Commencement Date is other than the first day of the month, or the Expiration Date is other than the last day of the month, the Base Rent for those months shall be apportioned based on a thirty (30) day month.

5.2. Left Blank by Agreement of the Parties.

5.3. Manner of Payment.

All payments due from Tenant to Port under this Lease shall be made to Port without abatement, deduction, setoff, prior notice or demand, in lawful money of the United States of America at Port's address for notices as set forth in the Basic Lease Information, or to such other person or at such other place as Port may from time to time designate in writing to Tenant.

5.4. Late Charges. Tenant acknowledges that late payment by Tenant to Port of Rent or other sums due under this Lease will cause Port increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Accordingly, a Late Charge will be paid by Tenant for any Rent that remains due and unpaid, plus any attorneys' fees incurred by Port by reason of Tenant's failure to pay Rent when due under this Lease. The Late Charge shall be computed from the date on which Rent first became due. Additionally, in the event Tenant is notified by Port that Tenant is considered to be a Habitual Late Payer, Tenant shall pay, as Additional Rent, an amount equal to Fifty Dollars (\$50.00) (as such amount may be adjusted from time to time by the Port Commission) upon written notification from Port of Tenant's Habitual Late Payer status. The parties agree that the charges set forth in this Section 5.4 represent a fair and reasonable estimate of the cost that Port will incur by reason of any late payment. Such charges may be assessed without notice and cure periods and regardless of whether such late payment results in an Event of Default. Amounts due under this Section are in addition to, not in lieu of, amounts due under Section 5.5 below.

5.5. Default Interest. Any Rent, if not paid within five (5) days following the due date, shall bear interest from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate an individual is permitted to charge under Law (the "Interest Rate"). However, interest shall not be payable on Late Charges incurred by Tenant nor on any amounts on which Late Charges are paid by Tenant to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Tenant.

5.6. Net Lease.

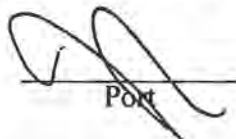

It is the purpose of this Lease and intent of Port and Tenant that all Rent shall be absolutely net to Port, so that this Lease shall yield to Port the full amount of the Rent at all times during the Term, without deduction, abatement or offset. Except as otherwise expressly set forth in this Lease, under no circumstances, whether now existing or hereafter arising, and whether or not beyond the present contemplation of the Parties shall Port be expected or required to incur any expense or make any payment of any kind with respect to this Lease or Tenant's use or occupancy of the Premises, including any Improvements. Without limiting the foregoing, but except as expressly provided to the contrary in this Lease, Tenant shall be solely responsible for paying each item of cost or expense of every kind and nature whatsoever, the payment of which Port would otherwise be or become liable by reason of Port's estate or interests in the Premises and any Improvements, any rights or interests of Port in or under this Lease, or the ownership, leasing, operation, management, maintenance, repair, rebuilding, remodeling, renovation, use or occupancy of the Premises, any Improvements, or any portion thereof. No occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant from its liability to pay all of the sums required by any of the provisions of this Lease, or shall otherwise relieve Tenant from any of its obligations under this Lease, or shall give Tenant any right to terminate this Lease in whole or in part, except as otherwise expressly provided in this Lease. Tenant waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease or to receive any abatement, diminution, reduction or suspension of payment of such sums, on account of any such occurrence or situation, provided that such waiver shall not affect or impair any right or remedy expressly provided Tenant under this Lease.

5.7. Additional Charges.

Without limiting Port's other rights and remedies set forth in this Lease, at law or in equity, in the event Tenant fails to submit to the appropriate party, on a timely basis, the items identified in Sections 15.4(a), 15.9, 28.1(d), and 34 below, or to provide evidence of the required insurance coverage described in Section 16 below, then upon written notice of such failure, Tenant shall pay, as Additional Rent, an amount equaling One Hundred Dollars (\$100.00). In the event Tenant fails to provide the necessary document within the time period set forth in the initial notice and Port delivers to Tenant additional written notice requesting such document, then Tenant shall pay to Port, as Additional Rent, an amount equaling One Hundred Fifty Dollars (\$150.00) for each additional written notice Port or Tenant requests such document. The parties agree that the charges set forth in this Section 5.7 represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Tenant's failure to provide the documents identified in this Section 5.7 and that Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights under this Lease, at law or in equity.

By placing their initials below, each party specifically confirms the accuracy of the statements made in this Section 5.7 and the reasonableness of the amount of the charges described in this Section 5.7.

6. TAXES AND ASSESSMENTS.

6.1. *Payment of Taxes.* During the Term of this Lease, Tenant agrees to pay, when due, to the proper authority any and all real property and personal taxes, general and special assessments, license fees, permit fees and all other governmental charges of any kind or nature whatsoever, including without limitation all penalties and interest thereon, levied or assessed on the Premises, on Tenant's Property, the leasehold or subleasehold estate or Tenant's use of the Premises, whether in effect at the time this Lease is entered into or which become effective thereafter, and all taxes levied or assessed on the possession, use or occupancy, as distinguished from the ownership, of the Premises. Tenant shall not permit any such taxes, assessments or other charges to become a defaulted lien on the Premises or the Improvements thereon; provided, however, that in the event any such tax, assessment or similar charge is payable in installments, Tenant may make, or cause to be made, payment in installments; and provided, further, that Tenant may, through such proceeding as Tenant considers necessary or appropriate, contest the legal validity or the amount of any tax, assessment or similar charge so long as such assessment or charge does not become a defaulted lien. In the event of any such dispute, Tenant shall indemnify and hold Port, City, and their Agents harmless from and against all losses, damages, costs, or expenses, including attorneys' fees, resulting therefrom.

6.2. *Possessory Interest Tax.* Tenant recognizes and understands that this Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the payment of property taxes levied on such interest. Tenant further recognizes and understands that any sublease or assignment permitted under this Lease and any exercise of any option to renew or other extension of this Lease may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Tenant agrees to pay taxes of any kind, including, but not limited to, possessory interest taxes, that may be lawfully assessed on the leasehold interest hereby created and to pay all other taxes, excises, licenses, permit charges and assessments based on Tenant's usage of the Premises that may be imposed upon Tenant by Law, all of which shall be paid when the same become due and payable and before delinquency. Tenant agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Tenant, if so desiring, may have reasonable opportunity to contest the validity of the same. San Francisco Administrative Code Sections 23.38 and 23.39 require that the City and County of San Francisco report certain information relating to this Lease, and any renewals thereof, to the County Assessor within sixty (60) days after any such transaction and that Tenant report certain information relating to any assignment of or sublease under this Lease to the County Assessor within sixty (60) days after such assignment or sublease transaction. Tenant agrees to provide such information as may be requested by the City or Port to enable the Port to comply with this requirement within thirty (30) days of a request in writing by Port to do so.

7. SECURITY DEPOSIT.

Tenant shall pay to Port upon execution of this Lease, in addition to the advance payment of the first month's Base Rent, the Security Deposit, in cash, in the sum specified in the Basic Lease Information, as security for the faithful performance by Tenant of all terms, covenants and conditions of this Lease. If Base Rent is increased beyond the amount set forth in the Basic Lease Information for the last year of the Term, then from and after such increase, Tenant shall increase the amount of the Security Deposit to maintain the same ratio of the Security Deposit to Base Rent as existed on the date immediately prior to such Base Rent increase. Any increase in the Security Deposit shall be delivered to Port on the same date that such increase in Base Rent is first due.

Tenant agrees that Port may (but shall not be required to) apply the Security Deposit in whole or in part to (a) pay any sum due to Port under this Lease; (b) compensate Port for any expense incurred or damage caused by Tenant, its Agents or Invitees; (c) cure any default by

Tenant; or (d) cure, or attempt to cure, any failure of Tenant to perform any other covenant, term or condition contained herein. Tenant shall immediately upon demand pay Port a sum equal to the portion of the Security Deposit expended or applied by Port. Port shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to any interest on the Security Deposit. Nothing contained in this Section 7 shall in any way diminish or be construed as waiving any of Port's other remedies set forth in this Lease or provided by law or equity.

Tenant hereby waives the provisions of California Civil Code Section 1950.7 and/or any successor statute, it being expressly agreed that Port may apply all or any portion of the Security Deposit in payment of any and all sums reasonably necessary to compensate Port for any other loss or damage, foreseeable or unforeseeable, caused by the act or omission of Tenant or any Agent or Invitee of Tenant, and that following a default by Tenant, all or any portion of the Security Deposit may be retained by Port following a termination of this Lease and applied to future damages, including damages for future Rent, pending determination of the same.

8. USE OF THE PREMISES.

8.1. Permitted Use. The Premises shall be used and occupied only for the Permitted Use specified in the Basic Lease Information and for no other purpose.

8.2. Prohibited Use.

Tenant agrees that the following activities, by way of example only and without limitation, and any other use that is not a Permitted Use (in each instance, a "Prohibited Use" and collectively, "Prohibited Uses"), are inconsistent with this Lease, are strictly prohibited and are considered Prohibited Uses:

- (a) any activity, or the maintaining of any object, which is not within the Permitted Use;
- (b) any activity, or the maintaining of any object, which will in any way increase the existing rate of, affect or cause a cancellation of, any fire or other insurance policy covering the Premises, any part thereof or any of its contents;
- (c) any activity or object which will overload or cause damage to the Premises;
- (d) any activity which constitutes waste or nuisance, including, but not limited to, the preparation, manufacture or mixing of anything that might emit any objectionable odors, noises or lights onto adjacent properties, or the use of loudspeakers or sound or light apparatus which can be heard or seen outside the Premises;
- (e) any activity which will in any way injure, obstruct or interfere with the rights of other tenants in the Facility or of owners or occupants of adjacent properties, including, but not limited to, rights of ingress and egress;
- (f) use of the Premises for residential, sleeping or personal living quarters and/or "Live/Work" space;
- (g) any auction, distress, fire, bankruptcy or going out of business sale on the Premises without the prior written consent of Port, which consent may be granted, conditioned, or withheld in the sole and absolute discretion of Port;
- (h) the operation, use, or berthing of any vessels, watercraft or floating barges owned or operated by Tenant;
- (i) Tenant's employment of any maritime workers within the Premises for loading, unloading, building, repairing, dismantling, or longshoring of any vessel;

(j) any vehicle and equipment maintenance, including but not limited to fueling, changing oil, transmission or other automotive fluids;

(k) the storage of any and all excavated materials, including but not limited to dirt, concrete, sand, asphalt, and pipes;

(l) except during construction of the Initial Tenant Improvements and in connection with such Initial Tenant Improvements, the storage of any and all aggregate material, or bulk storage, such as wood or of other loose materials;

(m) the washing of any vehicles or equipment;

(n) the placement of any object, machinery or equipment on any portion of the Premises that exceeds the Load Restrictions, if any, described in the Basic Lease Information; or

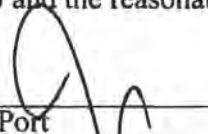

(o) any other Prohibited Uses identified in the Basic Lease Information, if any.

8.3. *Notice of Prohibited Use Charge.*

In the event Port determines after inspection of the Premises that Prohibited Uses are occurring on the Premises, then Tenant shall immediately cease the Prohibited Use and shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00) upon delivery of written notice to Tenant to cease the Prohibited Use ("Notice to Cease Prohibited Use"). In the event Port determines in subsequent inspection(s) of the Premises that Tenant has not ceased the Prohibited Use, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300.00) for each additional Notice to Cease Prohibited Use delivered to Tenant. The parties agree that the charges associated with each inspection of the Premises and delivery of the Notice to Cease Prohibited Use, if applicable, represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection of the Premises and Tenant's failure to comply with the applicable Notice to Cease Prohibited Use and that Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights under this Lease, at law or in equity.

By placing their initials below, each party specifically confirms the accuracy of the statements made in this Section 8.3 and the reasonableness of the amount of the charges described in this Section 8.3.

9. COMPLIANCE WITH LAWS AND REGULATIONS.

Tenant, at Tenant's sole cost and expense, promptly shall comply with all Laws relating to or affecting the condition, use or occupancy of the Premises and shall comply with all Laws relating to Tenant's specific use of the Facility and all Rules and Regulations, if any, in effect either at the time of execution of this Lease or which may hereafter be in effect at any time during the Term, whether or not the same are now contemplated by the parties. Tenant further understands and agrees that it is Tenant's obligation, at Tenant's sole cost and expense, to cause the Premises and Tenant's activities and operations conducted thereon, to be in compliance with the ADA. Tenant shall be solely responsible for conducting its own independent investigation of this matter and for ensuring that the design of all Initial Tenant Improvements and Subsequent Alterations and Improvements strictly comply with all requirements of the ADA

The parties acknowledge and agree that Tenant's obligation to comply with all Laws as provided herein is a material part of the bargained for consideration under this Lease. Tenant's obligation under this Section 9 shall include, without limitation, the responsibility of Tenant to make substantial or structural repairs and Alterations to the Premises, regardless of, among other factors, the relationship of the cost of curative action to the Rent under this Lease, the length of

the then remaining Term hereof, the relative benefit of the repairs to Tenant or Port, the degree to which the curative action may interfere with Tenant's use or enjoyment of the Premises, the likelihood that the parties contemplated the particular Laws involved, and whether the Laws involved is related to Tenant's particular use of the Premises. Any Alteration or Improvements made by or on behalf of Tenant pursuant to the provisions of this Section 9 shall comply with the provisions of Section 13 below. Except as otherwise expressly set forth in this Lease, no occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant of its obligations hereunder, nor give Tenant any right to terminate this Lease in whole or in part or to seek redress against Port, except to the extent Tenant may have remedies against Port pursuant to this Lease or applicable Law. Tenant waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel Port to make any repairs to comply with any such Laws, on account of any such occurrence or situation.

10. PORT ACTING AS OWNER OF PROPERTY; REGULATORY APPROVALS; COMPLIANCE WITH CITY'S RISK MANAGER'S REQUIREMENTS.

10.1. *Port Acting as Owner of Property.* Tenant understands and agrees that Port is entering into this Lease in its capacity as a landowner with a proprietary interest in the Premises and not as a regulatory agency of the City with certain police powers. Port's legal status as an agency of City shall in no way limit the obligation of Tenant to obtain any required approvals from City or State departments, boards or commissions or any other regulatory body which have jurisdiction over the Premises, including Port. By entering into this Lease, Port is in no way modifying or limiting the obligation of Tenant to cause the Premises to be used and occupied in accordance with all Laws and required Regulatory Approvals.

10.2. *Regulatory Approvals.*

Tenant understands that Tenant's operations on the Premises, changes in use, the Initial Tenant Improvements and Subsequent Alterations to the Premises may require Regulatory Approval (individually and collectively, "**Changes**"). Tenant shall be solely responsible for obtaining any such Regulatory Approval, and Tenant shall not seek any Regulatory Approval without first obtaining the prior written approval of Port. All costs associated with applying for and obtaining any necessary Regulatory Approval shall be borne solely and exclusively by Tenant. Tenant shall be solely responsible for complying with any and all conditions imposed by regulatory agencies as part of a Regulatory Approval; provided, however, Tenant shall not agree to the imposition of conditions or restrictions in connection with its efforts to obtain a permit or other entitlement from any regulatory agency (other than Port), if the Port is required to be a co-permittee under such permit, or if the conditions or restrictions it would impose on the project could affect use or occupancy of the Facility or Port's interest therein or would create obligations on the part of the Port (whether on or off of the Premises) to perform or observe, unless in each instance the Port has previously approved such conditions in writing, in Port's sole and absolute discretion.

Any fines or penalties imposed as a result of the failure of Tenant to comply with the terms and conditions of any Regulatory Approval shall be promptly paid and discharged by Tenant, and Port shall have no liability, monetary or otherwise, for said fines and penalties. To the fullest extent permitted by Law, Tenant agrees to indemnify and hold City, Port and their Agents harmless from and against any loss, expense, cost, damage, attorneys' fees, penalties, claims or liabilities which City or Port may incur as a result of Tenant's failure to obtain or comply with the terms and conditions of any Regulatory Approval.

Without limiting the terms and conditions of Sections 10.1 and 10.2, by initialing below, Tenant agrees and acknowledges that (i) Port has made no representation or warranty that Regulatory Approvals to allow for the Changes, if any, can be obtained, (ii) although Port is an agency of the City, Port has no authority or influence over City or State officials, departments,

boards, commissions or agencies or any other regulatory body, including, but not limited to BCDC (individually defined as "Regulatory Agency" and collectively as "Regulatory Agencies") responsible for the issuance of such required Regulatory Approvals, (iii) Port is entering into this Lease in its capacity as a landowner with a proprietary interest in the Facility and not as a regulatory agency of the City with certain police powers, and (iv) Tenant is solely responsible for obtaining any and all required Regulatory Approvals in connection with any Changes. Accordingly, Tenant understands that there is no guarantee, nor a presumption, that any required Regulatory Approvals will be issued by the appropriate Regulatory Agency and Port's status as an agency of the City shall in no way limit the obligation of Tenant to obtain approvals from any Regulatory Agencies (including Port) that have jurisdiction over the Facility. Tenant hereby releases and discharges Port from any liability relating to the failure of any Regulatory Agency (including Port) from issuing any required Regulatory Approval.

10.3. Compliance with City's Risk Manager's Requirements. Tenant shall not do anything, or permit anything to be done, in or about the Premises that would be prohibited by or increase rates under a standard form fire insurance policy or subject Port to potential premises liability. Tenant shall faithfully observe, at no cost to Port, any and all requirements of City's Risk Manager with respect to Tenant's use and occupancy of the Premises, so long as such requirements do not unreasonably interfere with Tenant's use of the Premises or are otherwise connected with standard prudent commercial practices of other landlords.

11. MAINTENANCE AND REPAIRS.

11.1. Maintenance and Repair Obligations.

Tenant shall at all times during the Term, and at its sole cost and expense, maintain and repair in good and working order, condition and repair the Premises, the Improvements, the Initial Tenant Improvements and Subsequent Alterations thereon all in a condition as good as, or better than, their condition on the date the Initial Tenant Improvements are completed, excepting ordinary wear and tear and in compliance with all applicable Laws and the requirements of this Lease. Except as otherwise provided in Section 11.2, Tenant shall promptly make (or cause others to make) all necessary or appropriate repairs whether structural or non-structural, interior or exterior, ordinary or extraordinary, foreseen or unforeseen. Tenant shall make such repairs with materials, apparatus and facilities as originally installed by Tenant and approved by Port under this Lease as part of the Initial Tenant Improvements, or Subsequent Alterations, if applicable, or, if not originally subject to Port approval or not commercially available, with materials, apparatus and facilities at least equal in quality, appearance and durability to the materials, apparatus and facilities repaired, replaced or maintained. All such repairs made by Tenant shall be at least equivalent in quality, appearance, public safety, and durability to and in all respects consistent with the Initial Tenant Improvements and Subsequent Alterations, if any. Tenant shall not make, nor cause or suffer to be made any repairs or other work for which a permit is required by the San Francisco Building Code, the Port Facility Code, or of any rule or regulation of Port without first obtaining Port's prior written consent and a permit therefore.

11.2. Pier Substructure. Notwithstanding the foregoing, except as to the Initial Tenant Improvements related to the Pier Substructure for which Tenant has maintenance, repair and replacement responsibility, neither Port nor Tenant shall have the obligation to repair or maintain the Pier Substructure underlying the Premises. "Pier Substructure" as used herein shall mean the wooden substructure, consisting of the wooden piles, the cap of the wooden portion of the Pier Substructure, the wooden stringers and the wooden deck, and the concrete substructure consisting of the concrete deck, the concrete pilings of the concrete portion of the Pier Substructure and the seawall. Tenant shall, at its sole cost and expense, annually inspect the Pier Substructure and submit to Port a report detailing its findings. In the event that the Pier

Substructure requires maintenance repair or replacement such that Tenant cannot reasonably use the Premises for the Permitted Uses absent such maintenance repair or replacement, then either Party may terminate this Lease upon not less than thirty (30) days written notice to the other Party. If Port elects to terminate, Tenant may elect to conduct such maintenance and repairs upon written notice to Port prior to the effective date of Port's written notice to terminate. If Tenant elects to conduct such maintenance and repairs, Tenant shall not be entitled to any rent abatement or credit. Upon termination pursuant to this Section 11.2, the Parties shall be released thereby without further obligations to the other Party as of the effective date of such termination subject to payment to Port of accrued and unpaid Rent, up to the effective date of such termination and all insurance proceeds; provided, however, that the indemnification provisions hereof and any other provisions that expressly survive the earlier termination or expiration of this Lease shall survive any such termination. At Port's request following any termination, Tenant shall deliver to Port a duly executed and acknowledged quitclaim deed suitable for recordation and in form and content satisfactory to Port.

11.3. No Obligations of Port.

Port shall have no obligation to make repairs, renewals, or replacements of any kind, nature or description, or maintain the Premises, or any other of the Improvements or any portion thereof. Tenant waives the benefit of any existing or future Law that would permit Tenant to make repairs or replacements at Port's expense, or abate or reduce any of Tenant's obligations under, or terminate, this Lease, on account of the need for any repairs or replacements. Without limiting the foregoing, Tenant hereby waives any right to make repairs at Port's expense as may be provided by Sections 1932(1), 1941 and 1942 of the California Civil Code, as any such provisions may from time to time be amended, replaced, or restated.

11.4. Port's Right to Inspect. In the event that damage or deterioration to the Premises or any portion thereof which is Tenant's obligation to maintain results in the same not meeting the standard of maintenance required by Port for such uses as Tenant is making of the Premises, then Tenant shall have the independent responsibility for, and shall promptly undertake, maintenance or repair of the Premises and complete the same with due diligence. Without limiting Section 24 below, Port may make periodic inspections of the Premises and may advise Tenant when maintenance or repair of the Premises is required, but such right of inspection shall not relieve Tenant of its independent responsibility to maintain such Premises and Improvements in a condition as good as, or better than, their condition on the date the Initial Tenant Improvements are completed, excepting ordinary wear and tear.

11.5. Port's Right to Repair.

In the event Tenant fails to maintain the Premises in accordance with Sections 11.1 and 11.4 above, or Tenant fails to promptly repair any damage to the Facility caused by Tenant or its Agents, Port may repair the same at Tenant's sole cost and expense and Tenant shall immediately reimburse Port therefore. If the cost (including, but not limited to, salaries of Port staff and attorneys' fees) of any such repairs or replacements made at Tenant's expense is in excess of Two Thousand Dollars (\$2,000), then Tenant shall pay to Port an administrative fee equal to ten percent (10%) of the total "hard" costs of the work. "Hard" costs shall include the cost of materials and installation, but shall exclude any costs associated with design, such as architectural fees.

With respect to any work where the total hard costs of such work are less than Two Thousand Dollars (\$2,000), Tenant shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00) upon delivery of the initial notice relating to Tenant's failure to maintain the Premises in accordance with Section 11 ("Maintenance Notice"). In the event Port determines during subsequent inspection(s) that Tenant has failed to maintain the Premises in accordance with Section 11, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300.00) for each additional Maintenance Notice, if applicable, delivered by Port to Tenant following each inspection. Parties agree that the charges associated

with each inspection of the Premises and delivery of each Maintenance Notice represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection of the Premises and issuance of each Maintenance Notice. Tenant's failure to comply with the applicable Maintenance Notice and Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights and remedies of Port under this Lease, at law or in equity. The amounts set forth in this Section 11.5 shall be due within three (3) business days following delivery of the applicable Maintenance Notice.

Tenant

For purposes of this Lease, the term "**ordinary wear and tear**" shall not include any deterioration in the condition or diminution of the value of any portion of the Premises and/or the Facility in any manner whatsoever related to directly, or indirectly, to Tenant's failure to comply with the terms and conditions of this Lease.

11.6. Acts of God. Nothing contained herein shall require Port to repair or replace the Premises or the Improvements thereon as a result of damage caused by acts of war, earthquake, tidal wave or other acts of God, except that this provision shall not affect any obligation to make repairs to the Premises pursuant to Section 17 in the event of any damage or destruction of the Premises.

12. UTILITIES AND SERVICES.

12.1. Utilities.

Tenant shall make arrangements and shall pay all charges for all Utilities to be furnished on, in or to the Premises or to be used by Tenant.

Tenant shall be obligated, at its sole cost and expense, to repair and maintain in good operating condition all utilities located within the Premises and all utilities installed by Tenant (whether within or outside the Premises). If Tenant requests Port to perform such maintenance or repair, whether emergency or routine, Port shall charge Tenant for the cost of the work performed at the then prevailing standard rates, and Tenant agrees to pay said charges to Port promptly upon billing. Tenant shall pay for repair of utilities located outside the Premises (regardless of who installed the same) which are damaged by or adversely affected by Tenant's use of such utility and shall be responsible for all damages, liabilities and claims arising therefrom.

Tenant will not, without the written consent of Port, which consent may be granted or withheld in Port's sole and absolute discretion, use any apparatus or device in the Premises, including without limitation, electronic data processing machines and machines using current in excess of 110 volts or which will in any way increase the amount of electricity usually furnished or supplied for use of the Premises. If Tenant shall require electric current in excess of that usually furnished or supplied for the Premises, Tenant shall first procure the written consent of Port, which Port may refuse, in its sole and absolute discretion, to the use thereof, and Port may cause an electric current meter to be installed in the Premises so as to measure the amount of electric current consumed for any such other use. The cost of any such meter and of installation, maintenance, and repair thereof shall be paid for solely by Tenant and Tenant agrees to pay to Port promptly upon demand therefor by Port for all such electric current consumed, as shown by said meter, at the rates charged for such service by the City and County of San Francisco or the local public utility, as the case may be, furnishing the same, plus any additional expense incurred in keeping account of the electric current so consumed.

The parties agree that any and all utility improvements shall become part of the realty and are not trade fixtures or Tenant's Property. Port makes no representation or warranty that utility services, including telecommunications services, will not be interrupted. Port shall not be liable in damages or otherwise for any failure or interruption of any utility services, including telecommunications services, furnished to the Premises. No such failure or interruption shall constitute a basis for constructive eviction, nor entitle Tenant to terminate this Lease or abate Rent. Tenant hereby waives the provisions of California Civil Code Section 1932(1) 1941, and 1942, or any other applicable existing or future Laws permitting the termination of this Lease due to such interruption, failure or inability.

In the event any Law imposes mandatory or voluntary controls on Port, the Facility, or the property or any part thereof, relating to the use or conservation of energy, water, gas, light or electricity or the reduction of automobile or other emissions, or the provision of any other utility or service provided with respect to this Lease, or in the event Port is required or elects to make alterations to any part of the Facility in order to comply with such mandatory or voluntary controls or guidelines, such compliance and the making of such alterations shall in no event entitle Tenant to any damages, relieve Tenant of the obligation to pay the full Base Rent and Additional Rent reserved hereunder or to perform each of its other covenants hereunder or constitute or be construed as a constructive or other eviction of Tenant except to the extent that such alterations materially and adversely interfere with Tenant's ability to use the Premises for its intended purposes or reduces the rentable square footage of the Premises. Port shall have the right at any time to install a water meter in the Premises or otherwise to measure the amount of water consumed on the Premises, and the cost of such meter or other corrective measures and the installation and maintenance thereof shall be paid for by Tenant.

Without Port's prior written consent, which Port may give or refuse in its sole and absolute discretion, Tenant shall not place or install in the Premises any equipment that weighs in excess of the normal load-bearing capacity of the floors of the Facility or the pier, as applicable, and as may be further described in the Basic Lease Information. If Port consents to the placement or installation of any such machine or equipment in the Premises, Tenant, at no cost to the Port, shall reinforce the floor of the Premises, pursuant to plans and specifications approved by Port and otherwise in compliance with Section 13 below, to the extent necessary to assure that no damage to the Premises or the Facility or weakening of any structural or substructural supports, as the case may be, will be occasioned thereby.

12.2. Services.

Tenant shall make arrangements and shall pay all charges for all services to be furnished on, in or to the Premises or to be used by Tenant, including, without limitation, garbage and trash collection, janitorial service and extermination service.

12.3. Antennae and Telecommunications Dishes. No antennae or telecommunications dish or other similar facilities on the exterior of the Premises may be installed on the Premises without the prior written approval of Port, which may be given or withheld in its sole and absolute discretion. Any wireless telecommunications systems installed on the exterior of the Premises shall be subject to Port's approval pursuant to the Port Commission's adopted policy on the siting and requirements for wireless telecommunications, as the same may be amended or modified from time to time. No such antennae shall interfere with the City's emergency and non-emergency communications facilities or the transmission facilities of Port.

13. IMPROVEMENTS AND ALTERATIONS.

13.1. Port Consent Required. Tenant shall not make nor cause or suffer to be made, any Alterations or Improvements to the Premises (i) without the prior written consent of Port, which consent shall not be unreasonably withheld; provided, however, that Port shall have the right in its sole and absolute discretion to consent or to withhold its consent to any Alterations or Improvements which affects the structural portions of the Premises, the Facility, the Facility or

the Facility Systems, and (ii) until Tenant shall have procured and paid for all Port, municipal and other governmental permits and authorizations of the various municipal departments and governmental agencies having jurisdiction over the Premises, including, but not limited to, any building or similar permits required by Port or its Chief Harbor Engineer in the exercise of its jurisdiction with respect to the Premises. As a further condition to giving consent, with respect to Alterations or Improvements having an estimated hard cost in excess of One Hundred Thousand Dollars (\$100,000), Port may require Tenant to provide Port, at Tenant's sole cost and expense, a payment and performance bond in form acceptable to Port, in a principal amount no more than one and one-half (1.5) times the estimated costs of such Subsequent Alterations, to ensure Port against any liability for mechanics' and materialmen's liens, stop notices and to ensure completion of work.

At least thirty (30) days before commencing any Subsequent Alterations to the Premises, Tenant shall notify Port of such planned Subsequent Alterations. Such notice shall be accompanied by Final Construction Documents for such Subsequent Alterations, if applicable. Within sixty (60) days after receipt of such notice from Tenant, Port shall have the right to object to any such Subsequent Alterations. Port's failure to notify Tenant of its objection within such sixty (60) day period shall be deemed Port's disapproval of such Subsequent Alterations.

13.2. Tenant's Obligation to Construct the Initial Tenant Improvements. Tenant shall construct the Initial Tenant Improvements in accordance with, and subject to all the terms, covenants, conditions and restrictions in the Work Letter. Any Subsequent Alterations shall be performed in accordance with this Section.

(a) Construction Requirements.

All Subsequent Alterations to the Premises made by or on behalf of Tenant shall be subject to the following conditions, which Tenant covenants faithfully to perform:

(i) All Subsequent Alterations shall be performed in a good and workmanlike manner in accordance with plans and specifications previously approved by Port in writing and in compliance with the applicable building, zoning and other applicable Laws, including, but not limited to, compliance with the ADA, and in compliance with the terms of and conditions imposed in any Regulatory Approval or any permit or authorization for the Premises.

(ii) All Subsequent Alterations shall be performed at the sole cost and expense of Tenant, with reasonable dispatch and prosecuted to completion, and only by duly licensed and bonded contractors or mechanics approved by Port, and subject to any conditions that Port may reasonably impose.

(iii) Tenant, while performing any Subsequent Alterations or maintenance or repair of the Improvements (for purposes of this Section only, "Work"), shall undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or damage to adjoining portions of the Premises and Improvements and the surrounding property, or the risk of injury to members of the public, caused by or resulting from the performance of its Work. Tenant shall undertake commercially reasonable measures to minimize damage, disruption or inconvenience caused by the Work and make adequate provision for the safety and convenience of all persons affected by the Work. Dust, noise and other effects of the Work shall be controlled using commercially-accepted methods customarily used to control deleterious effects associated with construction projects in populated or developed urban areas. Tenant shall erect appropriate construction barricades substantially enclosing the area of such construction and maintain them until the Work has been substantially completed, to the extent reasonably necessary to minimize the risk of hazardous construction conditions.

(iv) At the completion of any work described in this Section, Tenant shall furnish to Port one reproducible "as built" drawing of all Subsequent Alterations made in the Premises.

(b) Historic Resources. Tenant expressly acknowledges that the Facility is a Contributing resource to the Embarcadero National Register Historic District. Accordingly, all interior and exterior alterations (including but not limited to any repair, alteration, improvement, or construction to the interior or exterior of the facility) are subject to review by Port for consistency with the design polices and criteria set forth in the Waterfront Land Use Plan, Design and Access Element, the Secretary of the Interior's Standards for the Treatment of Historic Properties, and the Port of San Francisco Historic Preservation Review Guidelines for Pier and Bulkhead Wharf Substructures attached hereto as *Exhibits D and E*. Tenant expressly agrees to comply with the Secretary of the Interior's Standards for the Treatment of Historic Properties for all current and future interior and exterior repair, alteration improvement or construction. Additionally, Tenant expressly agrees to comply with and the Port of San Francisco Historic Preservation Review Guidelines for Pier and Bulkhead Wharf Substructures as applicable.

(c) Asbestos – Containing Materials ("ACM"). Without limiting Section 15 below (Hazardous Materials), Tenant shall ensure that all Initial Tenant Improvements and Subsequent Alterations and any asbestos related work, as further defined in California Health & Safety Code Section 25914.1(b), is performed in compliance with all laws relating to asbestos, including but not limited to California Occupational Safety and Health (OSHA) regulations found in Title 8 of the California Code of Regulations, Sections 1502 and 1529. Additionally, Tenant shall distribute notifications to all employees and contractors as required pursuant to California Health & Safety Code Section 25915 et seq. informing them of the existence of ACM and that moving, drilling, boring, or otherwise disturbing ACM may present a health risk and should not be attempted by an unqualified employee. No Initial Tenant Improvements or Subsequent Alterations affecting ACM-containing areas or any asbestos related work shall be performed without Port's prior written consent in each instance.

(d) Without limiting Section 15 (Hazardous Materials) below, Tenant, on behalf of itself and its Agents or Invitees, shall comply with all requirements of the San Francisco Building Code, Section 3407, and all other applicable Laws, including, without limitation, the California and United States Occupational Health and Safety Acts and their implementing regulations, when the Initial Tenant Improvements or Subsequent Alterations disturbs or removes exterior lead-based or "presumed" lead-based paint (as defined below). Tenant and its Agents or Invitees shall give to Port three (3) business days prior written notice of any disturbance or removal of exterior lead-based or presumed lead-based paint. Further, Tenant and its Agents or Invitees, when disturbing or removing exterior lead-based or presumed lead-based paint, shall not use or cause to be used any of the following methods: (a) acetylene or propane burning and torching; (b) scraping, sanding or grinding without containment barriers or a High Efficiency Particulate Air filter ("HEPA") local vacuum exhaust tool; (c) hydroblasting or high-pressure wash without containment barriers; (d) abrasive blasting or sandblasting without containment barriers or a HEPA vacuum exhaust tool; and (e) heat guns operating above 1,100 degrees Fahrenheit. Paint on the exterior of buildings built before December 31, 1978, is presumed to be lead-based paint unless lead-based paint testing, as defined in Section 3407 of the San Francisco Facility Code, demonstrates an absence of lead-based paint on the exterior surfaces of such buildings. Under this Section 13.2(d), lead-based paint is "disturbed or removed" if the work of Alterations or Improvements involves any action that creates friction, pressure, heat or a chemical reaction upon any lead-based or presumed lead-based paint on an exterior surface so as to abrade, loosen, penetrate, cut through or eliminate paint from that surface.

13.3. *Improvements Part of Realty.* Other than Tenant's Property and as set forth in Section 13.4 below, the Initial Tenant Improvements or any other Subsequent Alterations on the Premises shall immediately upon construction or installation become part of the realty, shall be owned by Port and shall, at the end of the Term hereof, remain on the Premises without compensation to Tenant.

13.4. *Removal of Improvements.* At Port's election made in accordance with this Section, Tenant shall be obligated at its own expense to remove any or all Subsequent Alterations which Tenant has made to the Premises, including without limitation all telephone wiring and equipment installed by Tenant. Tenant shall promptly repair, at its own expense, in good and workmanlike fashion any damage occasioned thereby. Prior to the Expiration Date or earlier termination of this Lease, Port shall give written notice to Tenant (herein "**Notice of Removal**") specifying the Subsequent Alterations or portions thereof which Tenant shall be required to remove and relocate or demolish and remove from the Premises. If termination of this Lease is the result of loss or destruction of the Premises or any Improvements thereon, Port shall deliver said Notice of Removal to Tenant within a reasonable time after the loss or destruction. If Tenant fails to complete such demolition or removal on or before the termination of this Lease, Port may perform such removal or demolition at Tenant's expense, and Tenant shall reimburse Port within three (3) business days after upon demand therefor.

13.5. *Removal of Non-Permitted Improvements.* If Tenant constructs any Subsequent Alterations to the Premises without Port's prior written consent or without complying with Section 13.2(a) above, then, in addition to any other remedy available to Port, Port may require Tenant to remove, at Tenant's expense, any or all such Subsequent Alterations and to promptly repair, at Tenant's expense and in good workmanlike fashion, any damage occasioned thereby. Tenant shall pay to Port all special inspection fees as set forth in the San Francisco Building Code for inspection of work performed without required permits. The foregoing obligation of Tenant to reimburse Port for all cost and expenses incurred by Port in connection with Tenant's failure to comply with the provisions of Section 13 shall survive the expiration or earlier termination of this Lease.

13.6. *Port's Alterations.* Port reserves the right at any time to make alterations, additions, repairs, deletions or improvements to any part of the Facility, or the Facility Systems, provided that any such alterations or additions shall not materially adversely affect the functional utilization of the Premises for the Permitted Use. Port shall use its commercially reasonable efforts to conduct any of the foregoing activities in a manner that, to the extent reasonably practicable, will minimize inconvenience or disturbance to Tenant.

14. LIENS.

Tenant shall keep the Premises free from any liens arising out of any work performed, materials furnished or obligations incurred by Tenant or its Agents. In the event that Tenant shall not, within twenty (20) days following the imposition of any such lien, cause the same to be released of record, Port shall have, in addition to all other remedies provided by this Lease or by Law, the right but not the obligation to cause the same to be released by such means as it shall deem proper, including without limitation, payment of the claim giving rise to such lien. All sums paid by Port for such purpose, plus interest at the Interest Rate, and all reasonable expenses incurred by Port in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to Port by Tenant upon demand. Port shall have the right to post on the Premises any notices that Port may deem proper for the protection of Port, the Premises, and the Facility, from mechanics' and materialmen's liens. Tenant shall give to Port at least fifteen (15) days' prior written notice of commencement of any Subsequent Alteration, repair or construction on the Premises. Tenant agrees to indemnify, defend and hold Port, City and their respective Agents harmless from and against any claims for mechanic's, materialmen's or other liens in connection with the Initial Tenant Improvements, Subsequent Alterations, repairs or construction on the Premises, or materials furnished or obligations incurred by or for Tenant.

Without limiting the foregoing, Tenant shall not create, permit or suffer any liens or encumbrances affecting any portion of the Premises, the Facility or Port's interest therein or under this Lease.

15. HAZARDOUS MATERIALS.

15.1. Requirements for Handling. Neither Tenant nor its Agents or Invitees, shall Handle in, on or about the Premises any Hazardous Material. Notwithstanding the foregoing, Tenant may Handle on the Premises janitorial or office supplies or similar materials in such limited amounts as are customarily used for general office purposes so long as such Handling is at all times in full compliance with all Environmental Laws.

15.2. Tenant Responsibility.

Tenant agrees that during its use and occupancy of the Premises it will: (i) not (A) permit Hazardous Materials to be present on or about the Premises (other than as may be permitted in Section 15.1 above) or (B) Release any Hazardous Materials on, in, at, under, or emanating from, the Premises or the Facility; (ii) comply with all Environmental Laws relating to the Premises and the use of Hazardous Materials on or about the Premises and not engage in or permit others to engage in any activity at the Premises in violation of any Environmental Laws; and (iii) subject to the restrictions set forth in Section 15.1 above, Tenant shall Handle all Hazardous Materials discovered, introduced, or Released on the Premises during Tenant's occupancy of the Premises in compliance with all Environmental Laws. Notwithstanding the foregoing, Tenant shall not be responsible for the safe Handling of Hazardous Materials introduced on the Premises during Tenant's occupancy of the Premises solely by City, Port or their Agents or introduced onto the Premises prior to the Commencement Date or the date of Tenant's first use of the Premises, whichever is earlier, except to the extent Tenant exacerbates or Releases such Hazardous Materials. Tenant shall protect its employees and the general public in accordance with all Environmental Laws. Port may from time to time request, and Tenant shall be obligated to provide, information reasonably adequate for Port to determine that any and all Hazardous Materials are being Handled in a manner which complies with all Environmental Laws. Port shall have the right, but not the obligation, to inspect and audit the Premises for Hazardous Materials including the right to obtain environmental samples and perform equipment and facility testing, such as testing the integrity of secondary containment and above and underground tanks at reasonable times, pursuant to Section 24 below (Entry). Port's failure to inspect or obtain samples or to detect conditions attributable to Tenant's operation if an inspection is conducted shall not be deemed to be a release of any liability for environmental conditions subsequently determined to be Tenant's responsibility under this Lease.

Tenant shall immediately notify Port in writing of and when Tenant learns or has reason to believe that there has been any Release of any quantity of a Hazardous Materials in, on or about the Premises, the Facility or the environment. After notifying Port, and in compliance with all Laws and this Lease, the Tenant must promptly perform whatever removal or remedial action is necessary to clean up the Release to Port's satisfaction. If Tenant fails to comply with this provision, Port may perform the removal or remedial action at Tenant's expense, and Tenant shall immediately reimburse Port therefor. Tenant shall not be responsible for the removal of Hazardous Materials introduced on the Premises during Tenant's occupancy of the Premises solely by City, Port or their respective Agents.

15.3. Requirement to Remove.

Prior to the expiration or earlier termination of this Lease, Tenant, at its sole cost and expense, shall remove to the Port's satisfaction any and all Hazardous Materials introduced in, on, under or about the Premises during Tenant's occupancy of the Premises. Further, Tenant, at its sole cost and expense, shall remove any Hazardous Materials discovered on the Premises during Tenant's occupancy which is required to be removed by any governmental agency, including Port, which removal would not have been required except for Tenant's use of the

Premises or Tenant's alteration to the Premises. Notwithstanding the foregoing, Tenant shall not be obligated to remove any Hazardous Materials introduced on the Premises during Tenant's occupancy of the Premises solely by City, Port, or their Agents, except to the extent Tenant exacerbates such Hazardous Materials conditions. Except as otherwise provided in this Section 15, Tenant shall not be obligated to remove any Hazardous Materials introduced onto the Premises prior to the Commencement Date or the date of Tenant's first use of the Premises, whichever is earlier. Prior to the expiration or earlier termination of this Lease, Port shall have the right but not the obligation to conduct an inspection and audit at Tenant's cost, of the Premises for the purpose of identifying Hazardous Materials existing on or under the Premises that Tenant is required to remove. Port's failure to conduct an audit or to detect conditions of any audit is conducted shall not be deemed to be a release of any liability for environmental conditions subsequently determined to be Tenant's responsibility under this Lease. If Tenant fails to comply with this provision, Port may perform the removal or remedial action at Tenant's expense, and Tenant shall immediately reimburse Port therefor.

Tenant shall surrender the Premises to Port upon the expiration or earlier termination of this Lease free of debris, waste or Hazardous Materials placed on, about or near the Premises by Tenant, its Agents or Invitees, and in a condition which complies with all Environmental Laws and any additional requirements of Port that are reasonably necessary to protect the value of the Premises or the Facility, including, without limitation, the obtaining of any closure permits or other governmental permits or approvals related to Tenant's use of Hazardous Materials in or about the Premises. If it is determined by Port that the condition of all or any portion of the Premises and/or the Facility is not in compliance with the provisions of this Lease with respect to Hazardous Materials, including, without limitation, all Environmental Laws, at the expiration or earlier termination of this Lease, then at Port's sole option, Port may require Tenant to hold over possession of the Premises until Tenant can surrender the Premises to Port in the condition in which the Premises existed as of the Commencement Date or the date of Tenant's first use of the Premises, whichever is earlier, and prior to the appearance of such Hazardous Materials except for normal wear and tear, including, without limitation, the conduct or performance of any closures as required by any Environmental Laws. The burden of proof hereunder shall be upon Tenant. For purposes hereof, the term "**normal wear and tear**" shall not include any deterioration in the condition or diminution of the value of any portion of the Premises and/or the Facility in any manner whatsoever related to directly, or indirectly, Hazardous Materials. Any such holdover by Tenant will be with Port's consent, will not be terminable by Tenant in any event or circumstance and will otherwise be subject to the provisions of Section 26.2 below (Holdover).

15.4. *Tenant's Environmental Condition Notification Requirements.*

(a) Tenant shall notify Port upon the issuance of any environmental permit, approval or license issued by any of the following: the U.S. Environmental Protection Agency; any California Environmental Protection Agency board, department or office, including, but not limited to, the Department of Toxic Substances Control and the San Francisco Bay Regional Water Quality Control Board, the Bay Area Air Quality Management District, the SF Department of Public Health, SF Public Utilities Commission, the SF Fire Department, any other governmental or quasi-governmental agency as requested from Port from time to time, and any hazardous waste generator identification numbers issued by the U.S. Environmental Protection Agency or the California Environmental Protection Agency, to itself, its subtenants or any other occupant of the Premises. Tenant shall provide notice to Port by providing a list of the issuing entity, the permit, approval or license number and the date of issuance and expiration of the permit, approval or license and the generator identification number(s). In addition, Tenant shall provide to Port a list of any plan or procedure required to be prepared and/or filed with an environmental regulatory agency, including a Spill Pollution Control and Countermeasure plan, that is required for its operations, its subtenants' operations or other occupants' operations. Tenant may use a form provided by Port to submit the information required under this

subsection. Tenant shall provide Port with copies of any of the documents listed in this subsection upon request.

(b) Tenant shall immediately notify Port in writing of any release or discharge of any Hazardous Materials, whether or not the release is in quantities that would be required under Laws to be reported to a governmental or regulatory agency.

(c) Tenant shall immediately notify Port in writing of, and shall contemporaneously provide Port with a copy of:

(i) Any written notice of Release of Hazardous Materials in or on the Premises that is provided by Tenant or any subtenant or other occupant of the Premises to a governmental or regulatory agency including any City agency other than the Port;

(ii) Any notice of a violation, or a potential or alleged violation, of any Environmental Law that is received by Tenant or any subtenant or other occupant of the Premises from any governmental or regulatory agency including any City agency other than the Port;

(iii) Any inquiry, investigation, enforcement, cleanup, removal, or other action that is instituted or threatened by a governmental or regulatory agency, including any City agency other than the Port, against Tenant or any subtenant or other occupant of the Premises and that relates to the Release or discharge of Hazardous Material on or from the Premises;

(iv) Any claim that is instituted or threatened by any third party against Tenant or any subtenant or other occupant of the Premises and that relates to any Release or discharge of Hazardous Materials on or from the Premises; and

(v) Any notice of the termination, expiration or substantial amendment of any environmental operating permit or license needed by Tenant or any subtenant or other occupant of the Premises.

15.5. Notification of Asbestos.

Port hereby notifies Tenant, in accordance with the United States Occupational Safety and Health Administration (OSHA) Asbestos Rule (1995), 59 Fed. Reg. 40964, 29 CFR §§ 1910.1001, 1926.1101, clarification 60 Fed. Reg. 33974 (OSHA Asbestos Rule); Chapter 10.4 of Division 20 of the California Health and Safety Code and the California Occupational Safety and Health Administration (Cal-OSHA) General Industry Safety Order for Asbestos, 8 CCR § 5208, of the presence of asbestos-containing materials (ACMs) and/or presumed asbestos-containing materials (PACMs) (as such terms are defined in the Cal-OSHA General Industry Safety Order for Asbestos – 8 CCR § 5208(b)), in the locations identified in the summary/table, if any, set forth in *Schedules 1 and 3* attached hereto.

This notification by Port is made pursuant to a building inspection survey(s), if any, performed by the Port or its contractors qualified to perform an asbestos building survey identified in the summary/table, if any, set forth in *Schedules 1 and 3* attached hereto. Such survey(s), monitoring data and other information are kept at Port of San Francisco, Pier 1, San Francisco, California, 94111 and are available for inspection upon request.

Tenant hereby acknowledges receipt of the notification specified in the first paragraph of this Section 15.5 hereof and the "Notice To Employees, Owners, Lessees, Sublessees, Agents And Contractors" set forth in *Schedules 1 and 3* attached hereto and understands, after having consulted its legal counsel, that it must make its agents, employees, and contractors aware of the presence of ACMs and/or PACMs in or about the Premises in order to avoid or minimize any damage to or disturbance of such ACMs and/or PACMs. Tenant further acknowledges its obligations under the Cal-OSHA General Industry Safety Order for Asbestos to provide information to its employees and contractors regarding the presence of ACMs and PACMs at the

Premises and to provide a training program for its employees that conforms with 8 CCR § 5208(j)(7)(C).

Tenant agrees that its waiver of Claims set forth in Section 19 below (Indemnity and Exculpation) is given with full knowledge of the presence, or possibility, of asbestos in or about the Premises and/or the Facility and the potential consequences of such fact. Tenant is aware that the presence, or possibility, of asbestos in or about the Premises may limit Tenant's ability to construct the Initial Tenant Improvements and any Subsequent Alterations to the Premises without Tenant first performing abatement of such asbestos. The presence of asbestos in the Premises and/or the Facility and the removal or non-removal by Port of all or a portion of the asbestos in the Facility, whether in the Premises or elsewhere in the Facility, shall not, however, (i) entitle Tenant to any claim for damages, (ii) relieve Tenant of any of its obligations hereunder, including without limitation the obligation to pay Rent, (iii) constitute or be construed as a constructive or other eviction of Tenant, or (iv) constitute or be construed as a breach of Port's covenant assuring Tenant's quiet enjoyment of the Premises.

Notwithstanding any other provisions of this Lease, Tenant agrees to defend and indemnify Port for its acts or omissions that result in (1) asbestos-related enforcement actions, including both administrative or judicial proceedings, and (2) any Claims for damages arising from an alleged violation of Cal-OSHA General Industry Safety Order for Asbestos and/or exposures to asbestos.

15.6. Notification of Lead

Port hereby notifies Tenant of the presence of lead-containing materials and/or presumed materials in the locations identified in *Schedule 3* attached hereto. Disturbance or removal of lead is regulated by 29 CFR §§ 1910.1025, 1926.62; Chapter 10.4 of Division 20 of the California Health and Safety Code; the California Occupational Safety and Health Administration (Cal-OSHA) Construction Safety Order for Lead, 8 CCR § 1532.1, and the San Francisco Building Code, Chapter 36, Section 3407.2.3. This notification by Port is made pursuant to a building inspection survey(s).

Tenant hereby acknowledges receipt of the notification specified in this Section and *Schedule 3* attached hereto and understands, after having consulted its legal counsel, that it must make its agents, employees, and contractors aware of the presence of lead in or about the Premises in order to avoid or minimize any lead hazards.

Tenant agrees that its waiver of Claims set forth in Section 19 below (Indemnity and Exculpation) is given with full knowledge of the presence, or possibility, of lead in or about the Premises and/or the Facility and the potential consequences of such fact. Tenant is aware that the presence, or possibility, of lead in or about the Premises may limit Tenant's ability to construct the Initial Tenant Improvements and any Subsequent Alterations to the Premises without Tenant first performing abatement of such lead. The presence of lead in the Premises and/or the Facility and the removal or non-removal by Port of all or a portion of the lead in the Facility, whether in the Premises or elsewhere in the Facility, shall not, however, (i) entitle Tenant to any claim for damages, (ii) relieve Tenant of any of its obligations hereunder, including without limitation the obligation to pay Rent, (iii) constitute or be construed as a constructive or other eviction of Tenant, or (iv) constitute or be construed as a breach of Port's covenant assuring Tenant's quiet enjoyment of the Premises. Notwithstanding any other provisions of this Lease, Tenant agrees to defend and indemnify Port for its acts or omissions that result in (1) lead-related enforcement actions, including both administrative or judicial

proceedings, and (2) any Claims for damages arising from an alleged violation of Cal-OSHA Construction Safety Order for lead and/or exposures to lead.

15.7. Failure to Comply. Failure to comply with this Section 15 shall constitute a material default under the Lease. In the event of such default, Port shall have all rights available under the Lease and at law or equity including, without limitation, the right to either:

(a) Terminate this Lease and collect damages Port incurs as a result of such default, including, without limitation, cleanup costs incurred by Port resulting from the cleanup of any Hazardous Materials present in or on the Premises, soil, or groundwater; or

(b) Continue this Lease and require Tenant to clean up such Hazardous Materials at the Tenant's sole cost and expense.

15.8. Survival. Tenant's obligations under Section 15 shall survive the expiration or earlier termination of the Lease.

15.9. Storm Water Pollution Prevention.

(a) Tenant shall comply with the applicable provisions of the Statewide General Permit for Discharge of Industrial Storm Water issued by the State Water Resources Control Board, including filing a Notice of Intent to be covered, developing and implementing a site-specific Storm Water Pollution Prevention Plan ("SWPPP"), and conducting storm water monitoring and reporting. As applicable, Tenant's SWPPP and a copy of a Notice of Intent for Tenant's Premises shall be submitted to Port's Environmental Health and Safety section prior to beginning on-site construction or operations.

(b) In addition to requiring compliance with the permit requirements under Section 15.9(a) above, Port requires that tenants leasing areas between Pier 70 and India Basin comply with provisions of a recently completed area-wide storm water planning effort for the Southern Waterfront area between Pier 70 and India Basin (the "Study"). The Study establishes specific standards, storm water management practices, and control technologies that apply to existing and proposed facilities in the Southern Waterfront area. Tenant's SWPPP will be reviewed for consistency with the storm water management objectives established in the Study. Based on that review, Port may require Tenant to institute additional storm water management practices or controls.

15.10. Presence of Hazardous Materials.

California law requires landlords to disclose to tenants the presence or potential presence of certain Hazardous Materials. Accordingly, Tenant is hereby advised that Hazardous Materials (as herein defined) may be present on or near the Premises, including, but not limited to vehicle fluids, janitorial products, tobacco smoke, and building materials containing chemicals, such as formaldehyde. Further, the following known Hazardous Materials are present on the property: asbestos and lead-based paint in the building, as defined in *Schedules 1 and 3* and the Asbestos and Lead-Based Paint Survey Report Pier 24 Annex San Francisco, California prepared by RGA Environmental, February 11, 1998 copies of which have been delivered to or made available to Tenant. By execution of this Lease, Tenant acknowledges that the notice set forth in this section satisfies the requirements of California Health and Safety Code Section 25359.7 and related statutes. Tenant also acknowledges its own obligations pursuant to California Health and Safety Code Section 25359.7 as well as the penalties that apply for failure to meet such obligations.

16. INSURANCE

16.1. Required Insurance Coverage.

Tenant, at its sole cost and expense, shall maintain, or cause to be maintained, throughout the Term of this Lease, the following insurance:

(a) **Builders Risk Insurance.** At all times prior to Completion of the Initial Tenant Improvements and during any period of Subsequent Alterations having an estimated hard cost of in excess of One Hundred Thousand Dollars (\$100,000), Tenant shall maintain, on a form reasonably approved by Port, builders' risk insurance in the amount of one hundred percent (100%) of the completed value of all new construction, insuring all new construction, including all materials and equipment incorporated in, on or about the Premises, and in transit or storage off-site, that are or will be part of the permanent Improvements, against "all risk" and "special form" hazards, water damage (including groundwater damage and water damage resulting from backed up sewers and drains) and flood insurance (subject to the provisions of Section 16.6(c) below).

(b) **Property Insurance; Earthquake and Flood Insurance.** Tenant shall maintain property insurance policies with coverage at least as broad as Insurance Services Office ("ISO") form CP 10 30 06 95 ("Causes of Loss – Special Form", or its replacement), including earthquake, subject to provisions of Section 16.6(b) below, and flood, subject to the provisions of Section 16.6(c) below, in an amount not less than one hundred percent (100%) of the then-current full replacement cost of the Improvements and other property being insured pursuant thereto (including building code upgrade coverage).

(c) **Commercial General Liability Insurance.** Comprehensive or commercial general liability insurance, with limits not less than Five Million Dollars (\$5,000,000.00) each occurrence combined single limit for bodily injury and property damage, including coverages for contractual liability, independent contractors, broad form property damage, personal injury, products and completed operations, fire damage and legal liability with limits not less than Two Hundred Fifty Thousand Dollars (\$250,000.00), explosion, collapse and underground (XCU).

(d) **Automobile Liability Insurance.** Comprehensive or business automobile liability insurance with limits not less than One Million Dollars (\$1,000,000.00) each occurrence combined single limit for bodily injury and property damage, including coverages for owned and hired vehicles and for employer's non-ownership liability, which insurance shall be required if any automobiles or any other motor vehicles are operated in connection with Tenant's activity on the Premises or the Permitted Use.

(e) **Worker's Compensation; Employer's Liability;** Worker's Compensation Insurance, with Employer's Liability limit not less than One Million Dollars (\$1,000,000.00) for each accident, injury or illness, on employees eligible for each. In the event Tenant is self-insured for the insurance required pursuant to this Section 16.1(e), it shall furnish to Port a current Certificate of Permission to Self-Insure signed by the Department of Industrial Relations, Administration of Self-Insurance, Sacramento, California. Notwithstanding the foregoing, so long as Tenant complies with Sections 8.2(h) and 8.2(i) above, Tenant shall not be required to maintain insurance for claims under the Jones Act or U.S. Longshore and Harborworker's Act, respectively.

(f) **Boiler and Machinery Insurance.** Unless same is not included within Tenant's property insurance, Tenant shall maintain boiler and machinery insurance covering damage to or loss or destruction of machinery and equipment located on the Premises or in the Improvements that is used by Tenant for heating, ventilating, air-conditioning, power generation and similar purposes, in an amount not less than one hundred percent (100%) of the actual replacement value of such machinery and equipment.

(g) **Personal Property Insurance.** Tenant, at its sole cost and expense, shall procure and maintain on all of its personal property and Alterations, in, on, or about the Premises, property insurance on an all risk form, excluding earthquake and flood, to the extent of full replacement value. The proceeds from any such policy shall be used by Tenant for the replacement of Tenant's personal property.

(h) **Fine Arts Insurance.** Tenant shall maintain commercial fine arts insurance for all artwork, photographs, historical or cultural artifacts or similar objects ("Art Works") in the Premises, including any Art Works that it owns as well as Art Works that it may borrow from third parties. Such insurance shall provide coverage against all risks of physical loss or damage from any external cause except wear and tear, gradual deterioration, and other standard exclusions contained in fine arts insurance policies. Tenant shall assume all costs associated with any losses not fully covered by such insurance and agrees that in the event that any of the Art Works are lost or damaged, recovery, if any, will be limited to such amount as may be paid by the Tenant's insurer.

(i) **Other Coverage.** Such other insurance or different coverage amounts as is required by Law or as is generally required by commercial owners of buildings similar in size, character, age and location as the Facility, as may change from time to time, or as may be required by the City's Risk Manager.

16.2. Claims-Made Policies. If any of the insurance required in Section 16.1 above is provided under a claims-made form of policy, Tenant shall maintain such coverage continuously throughout the Term and without lapse for a period of three (3) years beyond the termination of this Lease, to the effect that should occurrences during the Term give rise to claims made after termination of this Lease, such claims shall be covered by such claims-made policies.

16.3. Annual Aggregate Limits. If any of the insurance required in Section 16.1 above is provided under a form of coverage which includes an annual aggregate limit or provides that claims investigation or legal defense costs be included in such annual aggregate limit, such annual aggregate limit shall be double the occurrence limits specified herein.

16.4. Payment of Premiums. Tenant shall pay the premiums for maintaining all required insurance.

16.5. Waiver of Subrogation Rights. Notwithstanding anything to the contrary contained herein, Port and Tenant (each a "Waiving Party") each hereby waives any right of recovery against the other party for any loss or damage sustained by such other party with respect to the Facility or the Premises or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party, to the extent such loss or damage is covered by insurance which is required to be purchased by the Waiving Party under this Lease or is actually covered by insurance obtained by the Waiving Party. Each Waiving Party agrees to cause its insurers to issue appropriate waiver of subrogation rights endorsements to all policies relating to the Facility or the Premises; provided, the failure to obtain any such endorsement shall not affect the above waiver.

16.6. General Insurance Matters.

(a) All liability insurance policies required to be maintained by Tenant hereunder shall contain a cross-liability clause, shall name as additional insureds the "CITY AND COUNTY OF SAN FRANCISCO AND THE SAN FRANCISCO PORT COMMISSION AND THEIR OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS", shall be primary to any other insurance available to the additional insureds with respect to claims arising under this Lease, and shall provide that such insurance applies separately to each insured against whom complaint is made or suit is brought except with respect to the limits of the company's liability.

(b) As to earthquake insurance:

(i) during construction of the Initial Tenant Improvements, such insurance shall be in an amount at least equal to the maximum amount as is available at rates that are commercially reasonable for owners or operators of comparable businesses located in the City and County of San Francisco, from recognized carriers (with a deductible of up to but not to exceed five percent (5%) of the then-current, full replacement cost of the Improvements or other

property being insured pursuant thereto (including building code upgrade coverage and without any deduction being made for depreciation).

(ii) from and after Completion of the Initial Tenant Improvements, such insurance shall be in an amount at least equal to One Hundred percent (100%) of the maximum probable loss that would be sustained by the Premises as a result of an earthquake measuring 8.0 on the Richter Scale, as determined not less frequently than every 5 years by the City's Risk Manager, to the extent that such insurance is available at rates that are commercially reasonable for owners or operators of comparable businesses located in the City and County of San Francisco.

(c) As to flood insurance only: if the City purchases flood insurance, then Tenant shall purchase same as provided below

(i) During construction of the Initial Tenant Improvements, such insurance shall be in an amount at least equal to the maximum amount as is available at rates that are commercially reasonable for owners or operators of comparable businesses located in the City and County of San Francisco, from recognized insurance carriers (with a deductible up to, but not to exceed fifteen percent (15%) of the then-current, full replacement cost of the Improvements or other property being insured pursuant thereto (including building code upgrade coverage and without any deduction being made for depreciation);

(ii) from and after Completion of the Improvements, such insurance shall be in an amount at least equal to the amount available at rates that are commercially reasonable for owners or operators of comparable businesses located in the City and County of San Francisco, from recognized insurance carriers, and at rates that are commercially reasonable for owners or operators of comparable businesses located in the City and County of San Francisco.

(d) All insurance policies required to be maintained by Tenant hereunder shall be issued by an insurance company or companies reasonably acceptable to Port with an AM Best rating of not less than A-VIII and authorized to do business in the State of California. Tenant's compliance with this Section shall in no way relieve or decrease Tenant's liability under this Lease.

(e) All insurance policies required to be maintained by Tenant hereunder shall provide for thirty (30) days prior written notice of cancellation for any reason, intended non-renewal, or reduction in coverage to Tenant and Port. Such notice shall be given in accordance with the notice provisions of Section 29 below.

(f) Tenant shall deliver to Port certificates of insurance and additional insured policy endorsements in a form satisfactory to Port evidencing the coverages required herein, together with evidence of payment of premiums, on or before the Commencement Date, and upon renewal of each policy not less than thirty (30) days before expiration of the term of the policy. Tenant shall, upon Port's request, promptly furnish Port with a complete copy of any insurance policy required hereunder.

(g) Not more often than every year and upon not less than sixty (60) days prior written notice, Port may require Tenant to increase the insurance limits set forth in Section 16.1 above if Port finds in its reasonable judgment that it is the general commercial practice in San Francisco to carry insurance in amounts substantially greater than those amounts carried by Tenant with respect to risks comparable to those associated with the use of the Premises.

17. DAMAGE AND DESTRUCTION.

17.1. *Damage and Destruction.*

Except with respect to the Pier Substructure as discussed in Section 17.2, if the Premises or the Facility is damaged by fire or other casualty, then Port shall repair the same provided that funds for such repairs are appropriated by Port, in its sole discretion, for such purpose and that such repairs can be made within two hundred ten (210) days after the date of such damage (the "Repair Period"). In the event such conditions are satisfied, this Lease shall remain in full force and effect except that so long as such damage or casualty is not attributable to Tenant, its Agents or Invitees, Tenant shall be entitled to a proportionate reduction of Base Rent during the Repair Period based upon the extent to which such damage and the making of such repairs materially interferes with Tenant's use or occupancy of the Premises less any insurance proceeds Tenant receives, or would have received if Tenant complied with the requirements set forth in Section 16 above, which proceeds are to be applied against the payment of Rent during any Repair Period.

Port shall use its commercially reasonable efforts to notify Tenant within ninety (90) days after the date of such damage whether or not such repairs can be made within the Repair Period, and Port's determination thereof shall be binding on Tenant. If such repairs cannot be made within the Repair Period, Port shall have the option to notify Tenant of: (a) Port's intention to repair such damage and diligently prosecute such repairs to completion within a reasonable period after the Repair Period, subject to appropriation of funds, in which event this Lease shall continue in full force and effect and the monthly Base Rent shall be reduced as provided herein; or (b) Port's election to terminate this Lease as of the date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given by Port. In case of termination, the monthly Base Rent shall be reduced as provided above, and Tenant shall pay such reduced monthly Base Rent up to the date of termination.

If Port elects not to appropriate funds for such repair, Port shall give written notice to Tenant within sixty (60) days after the date Port elects not to appropriate funds of its election to terminate this Lease as of the date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given by Port. In case of termination, the monthly Base Rent shall be reduced as provided above, and Tenant shall pay such reduced monthly Base Rent up to the date of termination.

If at any time during the last six (6) months of the Term of this Lease, the Premises or the Facility is damaged or destroyed, then either Port or Tenant may terminate this Lease by giving written notice to the other party of its election to do so within thirty (30) days after the date of the occurrence of such damage; provided, however, Tenant may terminate only if such damage or destruction substantially impairs its use or occupancy of the Premises for the Permitted Use. The effective date of termination shall be specified in the notice of termination, which date shall not be more than thirty (30) days from the date of the notice. Notwithstanding anything to the contrary in this Lease, (i) Port shall have no obligation to repair the Premises or the Facility, (ii) Tenant shall not be entitled to any abatement of Rent, and (iii) Tenant shall not be entitled to terminate this Lease, in the event the damage or destruction is attributable to any act or omission of Tenant, its Agents, or Invitees. In no event shall Port be required to repair any damage to Tenant's Property or any paneling, decorations, railings, floor coverings, or any Improvements or other Alterations installed or made on the Premises by or at the expense of Tenant. In the event the Premises or the Facility is substantially damaged or destroyed and Port intends to rebuild for public purposes inconsistent with this Lease, Port may terminate this Lease upon written notice to Tenant.

17.2. *Pier Substructure.* In the event that any time during the Term of this Lease, Port in its sole and absolute discretion, determines that due to the condition of the Pier Substructure beneath the Premises or the Pier Substructure affecting any areas adjacent to or surrounding the Premises, all or any portion of the Premises cannot be safely used for the Permitted Uses, or it

becomes necessary to block or "red tag" all or any portion of the Premises to protect the health, welfare, and safety of the users of the Premises and/or the general public due to the condition of the Pier Substructure, Port shall give written notice to Tenant ("Substructure Notice") of Port's intent to either (a) redefine the Premises to exclude the area which, in Port's sole and absolute discretion, needs to be removed from the Premises to protect the health, welfare, and safety of the users of the Premises and/or the general public ("Affected Area"), or (ii) terminate this Lease upon no less than thirty (30) days from the date of the Substructure Notice. Upon receipt of the Substructure Notice, Tenant shall promptly vacate the Affected Area, or the entire Premises, as the case may be, but in no event more than sixty (60) days from receipt of the Substructure Notice.

Upon receipt of the Substructure Notice, Tenant shall have the following three (3) options:

(a) In the event Port elects to remove the Affected Area from the Premises and Tenant, in its reasonable judgment, determines that the removal of the Affected Area renders the Premises unusable to Tenant for the Permitted Uses, then Tenant may terminate this Lease upon thirty (30) days prior written notice to Port (which shall be exercised, if at all, at any time within forty-five (45) days after receipt of the Substructure Notice by Tenant by delivering written notice of termination to Port).

(b) In the event Port elects to remove the Affected Area from the Premises, Tenant may elect to remain on the remaining portion of the Premises and from and after the date Tenant vacates the Affected Area and the Affected Area is so removed from the Premises, Base Rent shall be reduced in proportion to the Affected Area so removed from the Premises.

(c) Tenant may, within thirty (30) days after receipt of the Substructure Notice by Tenant, notify Port of Tenant's election to repair, at its sole cost and expense, the Pier Substructure ("Notice of Election to Repair"). Upon receipt by Port of the Notice of Election to Repair, it shall be deemed as if Port had never delivered the Substructure Notice to Tenant. Promptly following delivery of the Notice of Election to Repair, Tenant shall commence and diligently pursue to completion, the repair to or replacement of the Pier Substructure in accordance with the provisions of Section 13. During the period of repair to or replacement of the Pier Substructure ("Substructure Repair Period"), Base Rent shall be reduced in proportion to the area of the Premises that is untenable. Other than the abatement of Base Rent during the Substructure Repair Period set forth in the immediately foregoing sentence, Tenant shall not be entitled to, nor shall Port be liable for the payment of, any other rent credit, allowance, abatement, or any other monetary consideration arising from Tenant's repair to or replacement of the Pier Substructure. If the Base Rent was reduced as apart of Tenant's repair to or replacement of the Pier Substructure due to the untenability of all or a portion of the Premises, following the completion of any such repairs or replacement, the Base Rent will be adjusted to reflect such area's reincorporation into the Premises.

In the event this Lease terminates in accordance with this Section, neither party shall be deemed at fault and Port shall have no further obligations to Tenant, including without limitation, any obligation to reimburse Tenant for any costs related to the required alterations, any alterations and any other improvements Tenant may have made to the Premises. In no event shall the Port be liable to Tenant for any loss of business to Tenant or any other costs or losses of any kind or nature whatsoever incurred by Tenant as a result of a removal of a portion of the Premises pursuant to this Section 17.8 or any termination of this Lease resulting therefrom.

Tenant Initials: _____

17.3 Waiver. Port and Tenant intend that the provisions of Section 17 govern fully in the event of any damage or destruction and accordingly, Port and Tenant each hereby waives the provisions of Section 1932, subdivision 2, Section 1933, subdivision 4, Sections 1941 and 1942 of the Civil Code of California or under any similar Law now or hereafter in effect.

18. EMINENT DOMAIN.

18.1. General. If all or part of the Premises shall be taken by any public or quasi-public authority under the power of eminent domain or conveyance in lieu thereof, this Lease shall terminate as to any portion of the Premises so taken or conveyed on the date when title or the right to possession vests in the condemnor ("**Date of Taking**").

18.2. Partial Takings. If (a) a part of the Premises shall be taken by any public or quasi-public authority under the power of eminent domain or conveyance in lieu thereof, and (b) Tenant is reasonably able to continue the operation of Tenant's business in that portion of the Premises remaining, and (c) Port elects to restore the Premises to an architectural whole, then this Lease shall remain in effect as to said portion of the Premises remaining, and the Base Rent payable from the Date of Taking shall be reduced by an amount that is in the same ratio to the Base Rent as the value of the area so taken bears to the total value of the Premises immediately before the Date of Taking. If, after a partial taking, Tenant is not reasonably able to continue the operation of its business in the Premises or Port elects not to restore the Premises to an architectural whole, this Lease may be terminated by either Port or Tenant by giving written notice to the other party no earlier than thirty (30) days prior to the Date of Taking and no later than thirty (30) days after the Date of Taking. Such notice shall specify the date of termination which shall be not less than thirty (30) or more than sixty (60) days after the date of said notice.

18.3. Taking of the Facility. If any substantial portion of the Facility is taken under the power of eminent domain or conveyance in lieu thereof, whether any portion of the Premises is taken or not, Port shall have the right to terminate this Lease by written notice to Tenant within thirty (30) days of the Date of Taking.

18.4. Temporary Takings. Notwithstanding anything to the contrary contained in Section 18, if a taking occurs with respect to all or any part of the Premises for a limited period of time, this Lease shall remain unaffected thereby and Tenant shall continue to pay Rent and to perform all of the terms, conditions and covenants of this Lease. Tenant shall be entitled to receive that portion of any award representing compensation for the use or occupancy of the Premises during the Term up to the total Rent owing by Tenant for the period of the taking, and Port shall be entitled to receive the balance of any award.

18.5. Award; Waiver. Port shall be entitled to any and all payment, income, rent, award, or any interest therein whatsoever which may be paid or made in connection with any taking or conveyance hereunder, and Tenant shall have no claim against Port or otherwise for the value of any unexpired term of this Lease. Notwithstanding the foregoing, to the extent that the same shall not diminish Port's recovery for such taking, Tenant shall have the right to make a claim, and to receive any award specifically made to Tenant, for moving expenses and for loss or damage to Tenant's trade fixtures, equipment and movable furniture. Port and Tenant intend that the provisions of Section 18 shall govern fully in the event of condemnation and accordingly, Port and Tenant each hereby waive any right to terminate this Lease in whole or in part under Sections 1265.110, 1265.120, 1265.130, and 1265.140 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

19. INDEMNITY AND EXCULPATION.

19.1. Indemnity. Tenant shall indemnify and hold Port, City, including, but not limited to, all of their respective boards, commissions, departments, agencies, and other subdivisions and their respective Agents (collectively, "**Indemnified Parties**") harmless from, and, if requested, shall defend them against any and all Claims, direct or vicarious liability, damage, injury or loss arising directly or indirectly out of: (a) any accident, injury to or death of any person, including

any Agents and/or Invitees of Tenant, or loss or damage to or destruction of any property occurring in, on or about the Premises, or any part thereof, from any cause whatsoever, or (b) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease, or (c) the use, occupancy, manner of use or occupancy, or condition of the Premises or the activities therein by Tenant, its Agents, or Invitees, or (d) any construction or other work undertaken by Tenant on the Premises whether before or during the Term of this Lease, or (e) any acts, omissions or negligence of Tenant, its Agents or Invitees, in, on or about the Premises or the Facility.

19.2. Hazardous Materials Indemnity.

Tenant shall indemnify, defend and hold the Indemnified Parties harmless from any and all Claims which arise during or after the Term of this Lease as a result of the presence, Handling, Release, or threatened Release of Hazardous Materials on the Premises during Tenant's occupancy of the Premises, except where such presence is caused by the sole negligence or willful misconduct of the Indemnified Parties and Tenant has not exacerbated the Hazardous Material condition. Tenant's obligation to indemnify, defend and hold the Indemnified Parties harmless shall include without limitation, all costs of investigating and remediating the same, damages for diminution in the value of the Premises, damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises, damages arising from any adverse impact on marketing of any such space and sums paid in settlement of Claims, attorneys' fees, consultant fees and expert fees.

This indemnification of the Indemnified Parties by Tenant includes, but is not limited to, costs incurred in connection with any investigation of site conditions or any clean-up, remediation, removal or restoration work requested by Port or required by any federal, state or local governmental agency or political subdivision because of Hazardous Materials present in the soil or groundwater in, on, under or about the Premises or in any portion of the Facility or Improvements, which Hazardous Materials were introduced or Released in, on, under or about the Premises during Tenant's occupancy, except where such presence is caused by the sole negligence or willful misconduct of the Indemnified Parties. Tenant's obligation to indemnify, defend and hold the Indemnified Parties harmless shall include without limitation, any and all causes other than the sole negligence or willful misconduct of the Indemnified Parties. Tenant's obligations hereunder shall survive the expiration or earlier termination of this Lease.

19.3. General Indemnity Provision.

The indemnification obligations of Tenant set forth in this Lease shall be enforceable regardless of the active or passive negligence of the Indemnified Parties, and regardless of whether liability without fault is imposed or sought to be imposed on the Indemnified Parties. The indemnification obligations of Tenant set forth in this Lease shall be enforceable except to the extent that such indemnity is void or otherwise unenforceable under applicable law in effect on, or validly retroactive to, the date of this Lease. The indemnification obligations of Tenant set forth in this Lease includes all such loss, damage, injury, liability or claims as described above, loss predicated in whole or in part, upon the active or passive negligence of the Indemnified Parties. The indemnification obligations of Tenant set forth in this Lease shall exclude claims, liability, damage or loss resulting solely and exclusively from the willful misconduct of the Indemnified Parties which is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on, Tenant, its Agents or Invitees.

In addition to Tenant's obligation to indemnify the Indemnified Parties, Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend the Indemnified Parties from any Claim which actually or potentially falls within the indemnification obligations of Tenant set forth in this Lease, even if the allegations are or may be groundless, false or fraudulent. Tenant's obligation to defend shall arise at the time such claim is tendered to Tenant by the Indemnified Parties and shall continue at all times thereafter.

The indemnification obligations of Tenant set forth in this Lease shall include without limitation, indemnification from all loss and liability, including attorneys' fees, court costs and all other litigation expenses. This indemnification by Tenant shall begin from the first notice that any claim or demand is or may be made. The provisions of Section 19 shall survive the expiration or earlier termination of this Lease.

19.4. Exculpation.

Tenant, as a material part of the consideration to be rendered to Port, hereby waives any and all Claims against the Indemnified Parties, and agrees to hold the Indemnified Parties harmless from any Claims for damages to Art Works, goods, wares, goodwill, merchandise, equipment or business opportunities and by persons in, upon or about said Premises for any cause arising at any time, including without limitation all Claims arising from the joint or concurrent, active or passive, negligence of the Indemnified Parties, but excluding any intentionally harmful acts committed solely by the Indemnified Parties.

The Indemnified Parties shall not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and releases the Indemnified Parties from all Claims for, any injury, loss or damage to any person or property including any Art Works, in or about the Premises by or from any cause whatsoever including, without limitation, (i) any act or omission of persons occupying adjoining premises or any part of the Facility adjacent to or connected with the Premises, (ii) theft, (iii) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (iv) stopped, leaking or defective Facility Systems, (v) Facility defects, and (vi) any other acts, omissions or causes. Nothing in this Section 19.4 shall relieve the Indemnified Parties from liability caused solely and directly by the gross negligence or willful misconduct of the Indemnified Parties, but the Indemnified Parties shall not be liable under any circumstances for any consequential, incidental or punitive damages.

20. ASSIGNMENT AND SUBLETTING.

20.1. Definition of Transfer.

The occurrence of any of the following (whether voluntarily, involuntarily or by operation of Law) shall constitute a "Transfer" of this Lease:

(a) any direct or indirect assignment, conveyance, mortgage, encumbrance, hypothecation, alienation, pledge, sale, sublease, or other transfer of Tenant's interest in this Lease or in the Premises, or any part thereof or interest therein; or

(b) the use of all or part of the Premises by any person or entity other than Tenant, except Tenant's authorized Agents or Invitees; or

(c) if Tenant is a privately-held corporation, the dissolution, merger, consolidation or other reorganization of Tenant, or any cumulative or aggregate sale, transfer, assignment or hypothecation of fifty percent (50%) or more of the total capital stock of Tenant or any sale or cumulative sales of fifty percent (50%) or more of the value of the assets of Tenant; or

(d) if Tenant is a partnership or an unincorporated association, (1) the withdrawal or substitution (whether voluntarily, involuntarily or by operation of Law and whether occurring at one time or over a period of time) of any partner(s) owning fifty percent (50%) or more of said partnership or association, or (2) the cumulative or aggregate sale, transfer, assignment or hypothecation of fifty percent (50%) or more of any interest in the capital or profits of such partnership or association, or (3) the dissolution of the partnership or association.

As used herein, the term "Transfer" includes a transfer of any interest in this Lease held by any subtenant, assignee, or transferee. As used herein, a "Tenant Affiliate" shall mean (A) an entity that controls, is controlled by or is under common control with, Tenant, (B) an entity that

acquires all or substantially all of the business and assets of Tenant or a division thereof or results from a merger with Tenant or such a division, or (C) if Tenant is an individual, any designated beneficiary to Tenant's interest in this Lease in connection with the probate of Tenant's will. A party shall be deemed to "control" another party for purposes of the aforesaid definition only if the first party owns more than fifty percent (50%) of the stock or other beneficial interests of the second party. For purposes of Section 20, the term "Invitees" shall not include Tenant's licensees, assignees or subtenants and all agreements between Tenant and any of its licensees, assignees or subtenants are subject to Port's prior written approval as set forth in this Section 20.

20.2. Port's Consent Required. Tenant shall not, without the prior written consent of Port (which consent may not be unreasonably withheld), Transfer this Lease or the Premises. Any of the foregoing acts without consent shall be void. Notwithstanding the foregoing, Tenant shall have no Transfer right in the event (A) Tenant is in default under this Lease or there is an event then occurring which with the giving of notice or the passage of time, or both, would constitute a default hereunder, and (B) the proposed Transfer is an assignment or a sublease under a previous assignment or an existing sublease. All Transfers must be in full compliance with all of the terms and provisions of Section 20. Any Transfer of this Lease occurring without full compliance with all of the terms and conditions hereof shall constitute an incurable breach by Tenant and shall be voidable at the option of Port. Notwithstanding the foregoing, Tenant may Transfer this Lease or sublet any or all portions of the Premises to a Tenant Affiliate without obtaining the consent of Port by giving Port written notice of its intent thereof at least fifteen (15) business days before the proposed effective date of such transfer and copies of all documentation evidencing such Transfer within five (5) days after such Transfer to a Tenant Affiliate. For purposes of Section 20, Port shall not be deemed to have unreasonably withheld its consent in the event Port elects to recapture the space subject to the Transfer pursuant to Section 20.4(c) below.

20.3. Request for Transfer. Tenant shall give Port at least forty-five (45) days prior written notice of any desired Transfer (herein "Notice of Request to Transfer") and shall provide Port with the following information in writing: (a) the name, address, legal composition and ownership of the proposed transferee, (b) the current balance sheet and profit and loss statements (herein "financial statements") for the proposed transferee and for any other entity or person who is to be liable for Tenant's obligations under this Lease, such financial statements to be certified in writing to be true and correct and to be prepared in accordance with generally accepted accounting principles and to cover a period of three years prior to the proposed effective date of the Transfer (or for such shorter period as the proposed transferee or other person may have been in existence), (c) a full description of the terms and conditions of the proposed Transfer, including copies of any and all proposed sublease or assignment agreements or other documents and instruments concerning the proposed Transfer, (d) a description of the proposed use of the Premises by the proposed transferee, including any required or desired Alterations or Improvements to the Premises that may be undertaken by such transferee in order to facilitate its proposed use, (e) complete information regarding all payments to be made or other consideration to be given in connection with the Transfer; (f) a list of personal, business and credit references of the proposed transferee, (g) a current financial statement of Tenant, (h) a Pre-screening and Leasing Application, or other similar document, completed by the proposed transferee and delivered to Port, and (i) any other information, documentation or evidence as may be requested by Port, all in sufficient detail to enable Port to evaluate the proposed Transfer and the prospective transferee. Tenant's Notice of Request to Transfer shall not be deemed to have been served or given until such time as Tenant has provided Port with all information set forth hereinabove. Tenant shall immediately notify Port of any modifications to the proposed terms of the Transfer.

20.4. *Port's Options.*

Upon receiving a Notice of Request to Transfer, Port shall have the right to do any of the following:

(a) Port may consent to the proposed Transfer, subject to any reasonable conditions upon such Transfer, which conditions may include, without limitation: (1) that the proposed transferee expressly assume all obligations of Tenant under this Lease without, however, Port releasing Tenant therefrom; (2) that in the event this Lease is terminated prior to the expiration of any sublease, at the election of Port, such termination shall operate to terminate all existing subleases entered into by Tenant without further notice from Port; and (3) that the sublease or other Transfer agreement contain: (a) an indemnification clause and waiver of claims provisions in favor of Port and City identical to those contained in Section 19 above; (b) a clause requiring the proposed transferee to name "THE CITY AND COUNTY OF SAN FRANCISCO, THE SAN FRANCISCO PORT COMMISSION AND THEIR OFFICERS, AGENTS EMPLOYEES AND REPRESENTATIVES" as additional insureds under all liability and other insurance policies; (c) a clause requiring the proposed transferee to acknowledge Port's right to demand increased insurance coverage to normal amounts consistent with the proposed transferee's business activities on the Premises; and (d) any other clause or provision specified in Section 20.5 below.

(b) Port may deny its consent to the proposed Transfer on any reasonable ground. Reasonable grounds shall include, without limitation, any one or more of the following: (i) that the proposed transferee's financial condition is or may become insufficient to support all of the financial and other obligations of this Lease; (ii) that the use to which the Premises will be put by the proposed transferee is inconsistent with the terms of this Lease or otherwise will materially and adversely affect any interest of Port; (iii) that the nature of the proposed transferee's intended or likely use of the Premises would involve an increased risk of the use, Release or mishandling of Hazardous Materials or otherwise increase the risk of fire or other casualty; (iv) that the business reputation or character of the proposed transferee or any of its affiliates is not reasonably acceptable to Port; (v) that the proposed transferee is not likely to conduct on the property a business of a quality substantially equal to that conducted by Tenant; or (vi) that Port has not received assurances acceptable to Port in its sole discretion that all past due amounts owing from Tenant to Port (if any) will be paid and all other defaults on the part of Tenant (if any) will be cured prior to the effectiveness of the proposed Transfer.

(c) Port may, to be exercised within thirty (30) days of receipt of all of the information and documents set forth in Section 20.3 above, to (i) terminate this Lease as of the commencement date stated in the proposed sublease or assignment, or (ii) sublease or take an assignment, as the case may be, from Tenant of the interest, or any portion thereof, in this Lease and/or the Premises that Tenant proposes to assign or sublease, on the same terms and conditions as stated in the proposed assignment or sublease agreement. In the event Port elects to exercise any of the options provided in this Section 20.4(c), then Port shall have the additional right to negotiate directly with Tenant's proposed assignee or subtenant and to enter into a direct lease or occupancy agreement with such party on such terms as shall be acceptable to Port in its sole and absolute discretion, and Tenant hereby waives any Claims against Port related thereto, including, without limitation, any Claims for any compensation or profit related to such lease or occupancy agreement.

Tenant shall have ninety (90) days from the date Port consents to the proposed Transfer to enter into an actual assignment or sublease agreement with the proposed transferee on the same terms and conditions presented to Port in the Notice of Request to Transfer. In the event Tenant and the proposed transferee fail to enter into an actual assignment or sublease agreement within such ninety (90) day period or Tenant desires to enter into such assignment or sublease agreement on terms and conditions materially more favorable to Tenant than those contained in the original Notice of Request to Transfer, then Tenant shall give Port a new Notice of Request to Transfer, which notice shall state the terms and conditions of such assignment or sublease

agreement and identify the proposed transferee, and Port shall again be entitled to elect any of the options set forth in Section 20.4(c) at any time within thirty (30) days after Port's receipt of such new Notice of Request to Transfer. Any rent or other consideration realized by Tenant under any such assignment or sublease agreement in excess of the Base Rent payable hereunder, shall be paid to Port in accordance with Section 20.6 below.

20.5. Required Provisions in Every Transfer Agreement. Each and every Transfer agreement shall contain the following provisions:

(a) An indemnification clause and waiver of claims provision identical to that set forth in Section 19 above. Each assignee or sublessee shall assume all obligations of Tenant under this Lease and shall be jointly and severally liable with Tenant for payment of Rent and performance of all terms, covenants and conditions to be performed by Tenant hereunder.

(b) A clause naming as additional insureds under all liability and other insurance policies "THE CITY AND COUNTY OF SAN FRANCISCO, THE SAN FRANCISCO PORT COMMISSION AND THEIR OFFICERS, AGENTS EMPLOYEES AND REPRESENTATIVES" and acknowledging Port's rights to demand increased coverage to normal amounts consistent with the subtenant's business activities on the Premises.

(c) A provision stating that if for any reason whatsoever this Lease and the leasehold of Tenant under this Lease are terminated, such termination shall operate to terminate all the existing subleases entered into by Tenant.

(d) A provision directing the subtenant to pay the Rent and other sums due under the Transfer agreement directly to Port upon receiving written notice from Port that Tenant is in default under this Lease with respect to the payment of Rent.

(e) A provision whereby each transferee expressly waives entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify Port for any and all Claims arising out of any relocation assistance or benefits payable by Port to any transferee.

(f) A provision identical to Section 20.10 below.

20.6. Excess Rent.

Tenant shall pay to Port immediately upon receipt thereof by Tenant, as Additional Rent, one hundred percent (100%) of all sums paid or payable to Tenant by the transferee in excess of the then existing Rent payable by Tenant attributable to the portion of the Premises being transferred, including without limitation, any rent and all other sums or other consideration received by Tenant as a result of the Transfer, in whatever form, less expenses (collectively, the "Subletting Expenses") for verifiable, reasonable and customary brokerage commissions incurred in connection with the Transfer and new tenant improvements to be made and/or paid by Tenant solely in connection with such Transfer, which Subletting Expenses shall be amortized on a straight-line basis without interest, over the term of such Transfer.

By way of example, if the term of the sublease equals five (5) years, the sublease rent equals \$5,000 per month, the current rent payable for such sublease space by Tenant equals \$3,000 per month, the total brokerage commission paid by Tenant equals \$15,000 and the cost of the new tenant improvements for the sublease space equals \$15,000, then the total amount of Additional Rent payable by Tenant to Port in connection with the sublease equals \$1,500 per month.

Total months during term of sublease:

$$5 \text{ years} \times 12 \text{ months} = 60 \text{ months}$$

Total Subletting Expenses:

$$\$15,000 + \$15,000 = \$30,000$$

Amortized cost of Subletting Expenses:

$$\$30,000/60 = \$500$$

Difference between rent paid by subtenant and rent paid by Tenant ("**Excess Rent**"):

$$\$5,000 - \$3,000 = \$2,000$$

Difference between Excess Rent and amortized cost of Subletting Expenses:

$$\$2,000 - \$500 = \$1,500$$

Notwithstanding the foregoing, in the event this Lease is assigned in connection with a sale of Tenant's business, including the sale of Tenant's Property at the Premises and Tenant's goodwill, and the assignee will continue to operate the same business that Tenant operated at the Premises, then the sums payable by Tenant to Port pursuant to this Section 20.6 shall be limited to those amounts attributable to the value of Tenant's leasehold interest, but in no event less than the then current Rent, and shall not include amounts attributable to the value of Tenant's goodwill, as such amounts are determined by Port in Port's reasonable discretion.

20.7. Transfer Audit. Tenant agrees to make its books and records available to Port, or to any City auditor, or to any auditor or representative designated by Port (hereinafter collectively referred to as "**Port representative**"), for the purpose of examining said books and records to determine the accuracy of Tenant's reporting of the Subletting Expenses. Tenant shall cooperate with the Port representative during the course of any audit. Tenant shall keep such books and records for a period of no less than one (1) year after the Expiration Date and maintain them and/or make them available in San Francisco to Port's representative. If an audit reveals that Tenant has overstated the Subletting Expenses for the applicable assignment or sublease agreement, Tenant shall pay Port, promptly upon demand, the difference between the amount Tenant deducted for Subletting Expenses and the amount it should have deducted plus interest on such difference at the Interest Rate from the date such amount was due and payable to Port until the date Port is reimbursed by Tenant. Any under deductions revealed by an audit shall be credited towards the Base Rent payments due subsequent to the audit until credited in full.

20.8. No Further Amendment of Transfer Agreement; No Further Consent Implied. The assignment or sublease agreement, as the case may be, after approval by Port, shall not be amended without Port's prior written consent. A consent to one assignment, subletting, occupation or use by one person shall not be construed as a consent to a subsequent assignment, subletting, occupation or use by another. No interest in this Lease shall be assignable as to Tenant's interest by operation of Law without Port's written consent.

20.9. Fees for Review. Tenant shall reimburse Port for all costs, including without limitation attorney's fees, which are incurred by Port in connection with the review, investigation, processing, documentation and/or approval of any proposed Transfer.

20.10. No Release of Tenant. The acceptance by Port of Rent or other payment from any other person shall not be deemed to be a waiver by Port of any provision of this Lease or to be a consent to any subsequent Transfer or to be a release of Tenant from any obligation under this Lease. No Transfer of this Lease shall in any way diminish, impair or release any of the liabilities and obligations of Tenant, any guarantor or any other person liable for all or any portion of Tenant's obligations under this Lease. The joint and several liability of Tenant and Tenant's successors or transferees and the obligations of Tenant under this Lease shall not be discharged, released or impaired by any agreement by Port modifying any provision of this Lease or extending time for performance hereunder or by any waiver or failure of Port to enforce any obligations hereunder.

20.11. Assignment of Sublease Rents. Tenant immediately and irrevocably assigns to Port, as security for Tenant's obligations under this Lease, all of Tenant's interest in any rent from any Transfer of all or any part of the Premises; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to receive, collect and enjoy such rents. The assignee or subtenant shall pay the rent and other sums due under any Transfer agreement directly to Port upon receiving written notice from Port that Tenant is in default under this Lease with respect to the payment of Rent. In the event that, notwithstanding the giving of such notice, Tenant collects any rent or other sums from the assignee or subtenant, then Tenant shall hold such sums in trust for the benefit of Port and shall immediately forward the same to Port. Port's collection of such rent and other sums shall not constitute an acceptance by Port of attornment by such assignee or subtenant.

20.12. Acknowledgement. Tenant acknowledges and agrees that each of the rights of Port set forth in Section 20 is a reasonable limitation on Tenant's right to assign or sublet for purposes of California Civil Code Section 1951.4.

21. DEFAULT BY TENANT.

Any of the following shall constitute an event of default (the "Event of Default") by Tenant hereunder:

(a) failure to pay to Port any Rent or other sum payable hereunder when due, and such default continues for a period of three (3) days following written notice from Port. Notwithstanding the foregoing, Port shall not be required to provide such notice more than twice during any twelve (12)-month period, and any such failure by Tenant after Tenant has received two (2) such notices in such twelve (12)-month period shall constitute an Event of Default by Tenant hereunder without any further action by Port or opportunity of Tenant to cure except as may be required by Section 1161 of the California Code of Civil Procedure; or

(b) abandonment or vacation of the Premises by Tenant; or

(c) failure to use the Premises solely for the Permitted Use, as determined by Port in its sole and absolute discretion and such failure continues for a period of twenty-four (24) hours following written notice from Port; provided, however, that notwithstanding the foregoing, failure to use the Premises solely for the Permitted Use shall, at Port's sole and absolute discretion, be deemed an incurable breach of this Lease, allowing Port to immediately terminate this Lease without notice or demand to Tenant; or

(d) failure by Tenant to execute and deliver to Port the estoppel certificate within the time period and in the manner required by Section 34 below, and Tenant's failure to cure the foregoing default within five (5) days following written notice from Port; or

(e) a Transfer, or attempted Transfer, of this Lease or the Premises by Tenant contrary to the provision of Section 20 above; or

(f) failure to provide evidence of insurance coverage complying with the provisions of Section 16 above, failure to maintain any insurance required to be maintained by Tenant pursuant to this Lease, or if any such insurance shall be canceled or terminated or shall expire or be reduced or materially changed, except as permitted in this Lease and Tenant's failure to deliver evidence of such coverage or failure to reinstate such coverage, all within three (3) business days following written notice from Port; or

(g) failure by Tenant to comply with the provisions of Section 15 above and Tenant's failure to cure the foregoing default within twenty-four (24) hours following written notice from Port. If such default cannot reasonably be cured within such twenty-four (24) hour period, Tenant shall not be in default of this Lease if Tenant commences to cure the default within such twenty-four (24) hour period and diligently and in good faith continues to cure the default, provided, however, in no event shall Tenant have more than thirty (30) days to cure such default; or

(h) failure by Tenant to discharge any lien or encumbrance placed on the Facility or any part thereof in violation of this Lease within ten (10) days after the date such lien or encumbrance is filed or recorded against the Facility or any part thereof, or if Tenant has no knowledge of such lien, then Tenant shall discharge such lien or encumbrance within fifteen (15) days following Tenant's knowledge of such lien or encumbrance; or

(i) delivery to Tenant of three (3) or more notices of default, irrespective of whether Tenant actually cures such default within the specified time period, may, at the sole and absolute discretion of Port, be deemed an incurable breach of this Lease allowing Port to immediately terminate this Lease without further notice or demand to Tenant; or

(j) failure by Tenant to observe, keep or perform any of the other terms, covenants, agreements or conditions contained in this Lease and required to be observed or performed by Tenant, and such failure continues for a period of fifteen (15) days after written notice by Port, provided that if such default is not capable of cure within such fifteen (15) day period, Tenant shall have a reasonable period to complete such cure if Tenant promptly undertakes action to cure such default within such fifteen (15) day period and thereafter diligently prosecutes the same to completion within sixty (60) days after the receipt of notice of default from Port. Port shall not be required to provide such notice more than twice in any twelve (12) month period with respect to any material non-monetary defaults and after the second notice in any calendar year, any subsequent failure by Tenant during such twelve (12) month period shall automatically constitute an Event of Default hereunder; or

(k) Tenant shall become bankrupt or insolvent or make a transfer in fraud of creditors, or make an assignment for the benefit of creditors, or bring or have brought against Tenant any action or proceedings of any kind under any provision of the Federal Bankruptcy Act or under any other insolvency, bankruptcy or reorganization act and, in the event such proceedings are involuntary, Tenant is not discharged from the same within sixty (60) days thereafter; or

(l) a receiver is appointed for a substantial part of the assets of Tenant and such receiver is not discharged within sixty (60) days; or

(m) this Lease or any estate of Tenant under this Lease shall be levied upon by any attachment or execution and such attachment is not stayed or lifted within sixty (60) days; or

(n) Tenant has been notified by Port that Tenant is considered a Habitual Late Payer.

22. PORT'S REMEDIES.

Upon default by Tenant, Port shall, without further notice or demand of any kind to Tenant or to any other person, have the following remedies:

22.1. *Tenant's Right to Possession Not Terminated.*

Port has the remedy described in Section 1951.4 of the California Civil Code (a landlord may continue the lease in effect after a tenant's breach and abandonment and recover rent as it becomes due, if the tenant has the right to sublet and assign subject only to reasonable limitations) under which it may continue this Lease in full force and effect and Port may enforce all of its rights and remedies under this Lease, including the right to collect Rent when due. During the period Tenant is in default, Port may enter the Premises without terminating this Lease and relet them, or any part of them, to third parties for Tenant's account. Tenant shall be liable immediately to Port for all reasonable costs Port incurs in reletting the Premises, including, but not limited to, broker's commissions, expenses of remodeling the Premises required by the reletting and like costs. Reletting can be for a period shorter or longer than the remaining Term of this Lease, at such rents and on such other terms and conditions as City deems advisable. Tenant shall pay to Port the Rent due under this Lease on the dates the Rent is due, less the Rent Port receives from any reletting. In the event that Port shall elect to so relet, then rentals

received by Port from such reletting shall be applied in the following order: (i) to reasonable attorneys' fees incurred by Port as a result of a default and costs in the event suit is filed by Port to enforce such remedies; (ii) to the payment of any indebtedness other than Rent due hereunder from Tenant to Port; (iii) to the payment of any costs of maintaining, preserving, altering and preparing the Premises for subletting, the other costs of subletting, including but not limited to brokers' commissions, attorneys' fees and expenses of removal of Tenant's Personal Property, trade fixtures and Alterations; (iv) to the payment of Rent due and unpaid hereunder; (v) to the payment of future Rent and other sums payable by Tenant hereunder as the same may become due and payable hereunder; and (vi) the balance, if any, shall be paid to Tenant upon (but not before) expiration of the Term. Should that portion of such rentals received from such reletting during any month, which is applied to the payment of Rent hereunder, be less than the Rent payable during the month by Tenant hereunder, then Tenant shall pay such deficiency to Port. Such deficiency shall be calculated and paid monthly. Tenant shall also pay to Port, as soon as ascertained, any costs and expenses incurred by Port in such reletting or in making such alterations and repairs not covered by the rentals received from such reletting. No act by Port allowed by this Section 22.1 shall terminate this Lease unless Port notifies Tenant that Port elects to terminate this Lease. After Tenant's default and for as long as Port does not terminate Tenant's right to possession of the Premises, if Tenant obtains Port's consent Tenant shall have the right to assign or sublet its interest in this Lease, but Tenant shall not be released from liability.

22.2. Termination of Tenant's Right to Possession.

Port may terminate Tenant's right to possession of the Premises at any time. No act by Port other than giving notice of termination to Tenant shall terminate this Lease. Acts of maintenance, efforts to relet the Premises, or the appointment of a receiver on Port's initiative to protect Port's interest under this Lease shall not constitute a termination of Tenant's right to possession. If Port elects to terminate this Lease, Port has the rights and remedies provided by California Civil Code Section 1951.2, including the right to recover from Tenant the following.

(a) The worth at the time of award of the unpaid Rent which had been earned at the time of termination; plus

(b) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus

(c) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of the loss of Rent that Tenant proves could be reasonably avoided; plus

(d) Any other amounts necessary to compensate Port for the detriment proximately caused by Tenant's default, or which, in the ordinary course of events, would likely result, including, but not limited to, attorneys' fees and court costs, the costs of carrying the Premises such as repairs, maintenance, taxes and insurance premiums, utilities, security precautions and the reasonable costs and expenses incurred by Port in (i) retaking possession of the Premises; (ii) cleaning and making repairs and alterations necessary to return the Premises to good condition and preparing the Premises for reletting; (iii) removing, transporting and storing any of Tenant's property left at the Premises (although Port shall have no obligation so to do); and (iv) reletting the Premises, including, without limitation, brokerage commissions, advertising costs and attorneys' fees. Efforts by Port to mitigate the damages caused by Tenant's breach of the Lease do not waive Port's rights to recover damages upon termination.

The "worth at the time of award" of the amounts referred to in Sections 22.2(a) and 22.2(b) above shall be computed by allowing interest at an annual rate equal to the lesser of the Interest Rate or the maximum non-usurious rate Port is permitted by Law to charge. The "worth at the time of award" of the amount referred to in Section 22.2(c) above shall be computed by

discounting the amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award, plus one percent (1%).

22.3. Appointment of Receiver. If Tenant is in default of this Lease, Port shall have the right to have a receiver appointed to collect Rent and conduct Tenant's business. Neither the filing of a petition for the appointment of a receiver nor the appointment itself shall constitute an election by Port to terminate this Lease.

22.4. Port's Right to Cure Tenant's Default. Port, at any time after Tenant commits a default, may, at Port's sole option, cure the default at Tenant's cost. If Port at any time, by reason of Tenant's default, undertakes any act to cure or attempt to cure such default that requires the payment of any sums, or otherwise incurs any costs, damages, or liabilities, (including without limitation, attorneys' fees), all such sums, costs, damages or liabilities paid by Port shall be due immediately from Tenant to Port at the time the sum is paid, and if paid by Tenant at a later date shall bear interest at the lesser of the Interest Rate or the maximum non-usurious rate Port is permitted by Law to charge from the date such sum is paid by Port until Port is reimbursed by Tenant.

22.5. No Accord and Satisfaction. No payment by Tenant or receipt by Port of an amount less than the Rent due under this Lease shall be deemed to be other than "on account" of the earliest Rent due; nor shall any endorsement or statement on any check or payment, or letter accompanying such check or payment, be deemed an accord and satisfaction. Port may accept any such partial payment or tender without prejudice to its right to recover the balance of any amount due and to pursue any other remedy herein provided at Law or in equity.

22.6. Waiver of Redemption. Tenant hereby waives, for itself and all persons claiming by and under Tenant, redemption or relief from forfeiture under California Code of Civil Procedure Sections 1174 and 1179, or under any other pertinent present or future Law, in the event Tenant is evicted or Port takes possession of the Premises by reason of any default of Tenant hereunder.

22.7. Habitual Late Payer. In the event Tenant is deemed to be a Habitual Late Payer, in addition to any other remedies available to Port, Port may require that Tenant enter into direct electronic payment arrangements and/or Port may require payments of Rent be made in advance on a quarterly basis.

22.8. Remedies Not Exclusive. The remedies set forth in Section 21 are not exclusive; they are cumulative and in addition to any and all other rights or remedies of Port now or later allowed by Law. Tenant's obligations hereunder shall survive any termination of this Lease.

23. LITIGATION EXPENSES; ATTORNEYS' FEES.

23.1. Litigation Expenses. If either party hereto brings an action or proceeding (including any cross complaint or counterclaim) against the other party by reason of a default, or otherwise arising out of this Lease, the prevailing party in such action or proceeding shall be entitled to recover from the other party its costs and expenses of suit, including but not limited to reasonable attorneys' fees, which shall be payable whether or not such action is prosecuted to judgment. "Prevailing party" within the meaning of this Section 23 shall include, without limitation, a party who substantially obtains or defeats, as the case may be, the relief sought in the action, whether by compromise, settlement, judgment or the abandonment by the other party of its claim or defense.

23.2. Appeals. Attorneys' fees under this Section 23 shall include attorneys' fees and all other reasonable costs and expenses incurred in connection with any appeal.

23.3. City Attorney. For purposes of this Lease, reasonable fees of attorneys of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with an equivalent number of years of professional experience (calculated by reference to earliest year of admission to the Bar of any State) who practice in San Francisco in law firms

with approximately the same number of attorneys as employed by the Office of the City Attorney.

24. PORT'S ENTRY ON PREMISES.

24.1. Entry for Inspection. Port and its authorized Agents shall have the right to enter the Premises without notice at any time during normal business hours of generally recognized business days, provided that Tenant or Tenant's Agents are present on the Premises (except in the event of an emergency), for the purpose of inspecting the Premises to determine whether the Premises are in good condition and whether Tenant is complying with its obligations under this Lease.

24.2. General Entry.

In addition to its rights pursuant to Section 24.1 above, Port and its authorized Agents shall have the right to enter the Premises at all reasonable times and upon reasonable notice for any of the following purposes:

(a) To perform any necessary maintenance, repairs or restoration to the Premises, or to perform any services which Port has the right or obligation to perform;

(b) To serve, post, or keep posted any notices required or allowed under the provisions of this Lease;

(c) To post "For Lease" signs during the last six (6) months of the Term or during any period in which Tenant is in default;

(d) To show the Premises to prospective real estate brokers, agents, buyers, or persons interested in an exchange, at any time during the Term; to show the Premises to prospective tenants during the last six (6) months of the Term, or during any period in which Tenant is in default;

(e) If any excavation or other construction is undertaken or is about to be undertaken on any property or street adjacent to the Premises, to shore the foundations, footings or walls of the Premises and to erect scaffolding and protective barricades around and about the Premises as reasonably necessary in connection with such activities (but not so as to prevent or unreasonably restrict entry to the Premises), and to do any other act or thing necessary for the safety or preservation of the Premises during such excavation or other construction.

(f) To obtain environmental samples and perform equipment and facility testing.

24.3. Emergency Entry. Port may enter the Premises at any time, without notice, in the event of an emergency. Port shall have the right to use any and all means which Port may deem proper in such an emergency in order to obtain entry to the Premises. Entry to the Premises by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of the Premises, or an eviction of Tenant from the Premises or any portion of them.

24.4. No Liability. Port shall not be liable in any manner, and Tenant hereby waives any Claim for damages, for any inconvenience, disturbance, loss of business, nuisance, or other damage, including without limitation any abatement or reduction in Rent, arising out of Port's entry onto the Premises as provided in Section 24 or performance of any necessary or required work on the Premises, or on account of bringing necessary materials, supplies and equipment into or through the Premises during the course thereof, except damage resulting solely from the willful misconduct of Port or its authorized representatives.

24.5. Non-Disturbance. Port shall use its commercially reasonable efforts to conduct its activities on the Premises as allowed in Section 24 in a manner which, to the extent reasonably practicable, will minimize annoyance or disturbance to Tenant.

25. SURRENDER AND QUITCLAIM.

25.1. Surrender.

Upon expiration or earlier termination of this Lease, Tenant shall surrender to Port the Premises, the Initial Tenant Improvements and any Subsequent Alterations thereon in as good an order, condition, and repair as exists on the date of completion of the Initial Tenant Improvements (except for ordinary wear and tear occurring after the last necessary maintenance made by Tenant and except for destruction or condemnation as described in Sections 17 and 18 hereof). The Premises shall be surrendered free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Lease and any other encumbrances created by Port. On or before the expiration or earlier termination of this Lease, Tenant shall remove (i) all of Tenant's Property, including any signage from the Premises, and repair any damage caused by such removal, and (ii) all Subsequent Alterations constructed by Tenant (unless Tenant was notified in writing by Port that such Subsequent Alterations may remain on the Premises upon Tenant's surrender of the Premises) and repair any damage caused by such removal. Any of Tenant's Property not so removed by Tenant as required herein shall be deemed abandoned and may be stored, removed, and disposed of by Port at Tenant's sole cost and expense, and Tenant waives all Claims against Port for any damages resulting from Port's retention, removal and disposition of such property; provided, however, that Tenant shall remain liable to Port for all costs incurred in storing, removing and disposing of such abandoned property of Tenant. Tenant shall promptly remove such items and shall repair, at no cost to Port, any damage to the Premises or the Facility resulting from such removal, or if Tenant fails to repair, Port may do so, at Tenant's expense. All Subsequent Alterations except those which Port requires Tenant to remove shall remain in the Premises as the property of Port. Ordinary wear and tear shall not include any damage or deterioration that would have been prevented by maintenance by Tenant, or Tenant otherwise performing all of its obligations under this Lease.

If the Premises are not surrendered at the end of the Term or Lease, and in accordance with the provisions of this Section 25.1, Tenant shall continue to be responsible for the payment of Rent (as defined in Section 26.2 below (Holdover) until the Premises are so surrendered in accordance with said Sections, and Tenant shall indemnify, defend and hold Port harmless from and against any and all loss or liability resulting from delay by Tenant in so surrendering the Premises, without limitation, any loss or liability resulting from any Claim against Port by any succeeding tenant or prospective tenant founded on or resulting from the loss of the Premises to Port due to lost opportunities to lease any portion of the Premises to any succeeding tenant or prospective tenant, together with, in each case, reasonable attorneys' fees and costs.

No act or conduct of Port, including, but not limited to, the acceptance of the keys to the Premises, shall constitute an acceptance of the surrender of the Premises by Tenant before the expiration of the Term. Only a written notice from Port to Tenant conditioning termination of this Lease and surrender of the Premises by Tenant shall constitute acceptance of the surrender of the Premises and accomplish a termination of this Lease.

Tenant's obligation under this Section 25.1 shall survive the expiration or earlier termination of this Lease.

25.2. Quitclaim. Upon the expiration or earlier termination of this Lease, the Premises shall automatically, and without further act or conveyance on the part of Tenant or Port, become the property of Port, free and clear of all liens and without payment therefore by Port and shall be surrendered to Port upon such date. Upon or at any time after the expiration or earlier termination of this Lease, if requested by Port, Tenant shall promptly deliver to Port, without charge, a quitclaim deed to the Premises and any other instrument reasonably requested by Port to evidence or otherwise effect the termination of Tenant's leasehold estate hereunder and to effect such transfer or vesting of title to the Premises or any that Port agrees are to remain part of the Premises.

26. HOLDING OVER.

26.1. *With Consent.*

Any holding over after the expiration of the Term with the prior written consent of Port shall not constitute a renewal hereof but shall be deemed a month-to-month tenancy and shall be upon each and every one of the terms, conditions and covenants of this Lease, except that the monthly Base Rent shall be equal to one hundred fifty percent (150%) of the monthly Base Rent payable in the month immediately preceding the expiration of this Lease. Either party may cancel said month-to-month tenancy upon thirty (30) days written notice to the other party. Notwithstanding the foregoing, in the event both Tenant and Port desire to enter into a new lease or extend the existing term of this Lease but have not yet executed such new lease or extension solely due to Port's delay to produce such document, then the monthly Base Rent during any such holdover period shall be equal to the higher of the: (a) Base Rent payable in the month immediately preceding the expiration of this Lease, or (b) the then current rate for the Facility approved by the Port Commission, together with any monthly charge of Additional Rent payable under this Lease.

Tenant shall indemnify, defend and hold Port harmless from and against any and all loss or liability resulting from delay by Tenant in so surrendering the Premises including, without limitation, any loss or liability resulting from any claim against Port made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Premises to any such succeeding tenant or prospective tenant, together with, in each case, actual attorneys' fees and costs.

26.2. *Without Consent.*

Any holding over after the expiration of the Term without the prior written consent of Port shall not constitute a renewal hereof, but shall be deemed a month-to-month tenancy and upon each and every one of the terms, conditions and covenants of this Lease, except that the monthly Base Rent shall equal two hundred percent (200%) of the monthly Base Rent payable in the month immediately preceding the expiration of this Lease. Either party may cancel said month-to-month tenancy upon thirty (30) days written notice to the other party.

Tenant shall indemnify, defend and hold Port harmless from and against any and all loss or liability resulting from delay by Tenant in so surrendering the Premises including, without limitation, any loss or liability resulting from any claim against Port made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Premises to any such succeeding tenant or prospective tenant, together with, in each case, actual attorneys' fees and costs.

27. MINERAL RESERVATION.

The State of California, pursuant to Section 2 of Chapter 1333 of the Statutes of 1968, as amended, has reserved all subsurface mineral deposits, including oil and gas deposits, on or underlying the Premises. In accordance with the provisions of said Statutes, Port and Tenant shall and hereby do grant to the State of California the right to explore, drill for and extract said subsurface minerals, including oil and gas deposits, from such area.

In no event shall Port be liable to Tenant for any Claims arising from such exploration or drilling, nor shall such exploration or drilling constitute an actual or constructive eviction of Tenant, or entitle Tenant to any abatement or diminution of Rent or otherwise relieve Tenant from any of its obligations under this Lease.

28. CITY REQUIREMENTS.

28.1. *Non Discrimination.*

(a) **Covenant Not to Discriminate.** In the performance of this Lease, Tenant covenants and agrees not to discriminate on the basis of the fact or perception of a person's race,

color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), weight, height, association with members of classes protected under this chapter or in retaliation for opposition to any practices forbidden under Chapter 12 of the San Francisco Administrative Code against any employee of Tenant, any City and County employee working with Tenant, any applicant for employment with Tenant, or any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant in the City and County of San Francisco.

(b) **Subleases and Other Contracts.** Tenant shall include in all subleases and other contracts relating to the Premises a non-discrimination clause applicable to such subtenant or other contractor in substantially the form of Section 28.1(a) above. In addition, Tenant shall incorporate by reference in all subleases and other contracts the provisions of Sections 12B.2 (a), 12B.2 (c)-(k) and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other contractors to comply such provisions. Tenant's failure to comply with the obligations in this Section 28.1(b) shall constitute a material breach of this Lease.

(c) **Non-Discrimination in Benefits.** Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or where the work is being performed for the City, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits (collectively "**Core Benefits**") as well as any benefits other than the Core Benefits between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local Law authorizing such registration, subject to the conditions set forth in Section 12B.2 of the San Francisco Administrative Code.

(d) **HRC Form.** On or prior to the Lease Commencement Date, Tenant shall execute and deliver to Port the "**Nondiscrimination in Contracts and Benefits**" form approved by the San Francisco Human Rights Commission.

(e) **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50.00 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

28.2. Requiring Health Benefits for Covered Employees.

Unless exempt, Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q (Chapter 12Q), including the implementing regulations as the same may be amended or updated from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this Lease as though fully set forth herein. The text of the HCAO is currently available on the web at www.sfgov.org. Capitalized terms used in this Section and not defined in this Lease shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO.

(b) Notwithstanding the above, if Tenant meets the requirements of a "small business" by the City pursuant to Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with Section 28.2(a) above.

(c) Tenant understands and agrees that the failure to comply with the requirements of the HCAO shall constitute a material breach by Tenant of this Lease.

(d) If, within 30 days after receiving written notice of a breach of this Lease for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such 30-day period, Tenant fails to commence efforts to cure within such period, or thereafter fails to diligently pursue such cure to completion, the City shall have the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(e) Any Sublease or Contract regarding services to be performed on the Premises entered into by Tenant shall require the Subtenant or Contractor and Subcontractors, as applicable, to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in Chapter 12Q of the Administrative Code. Tenant shall notify the Purchasing Department when it enters into such a Sublease or Contract and shall certify to the Purchasing Department that it has notified the Subtenant or Contractor of the obligations under the HCAO and has imposed the requirements of the HCAO on the Subtenant or Contractor through written agreement with such Subtenant or Contractor. Tenant shall be responsible for ensuring compliance with the HCAO for each Subtenant, Contractor and Subcontractor performing services on the Premises. If any Subtenant, Contractor or Subcontractor fails to comply, the City may pursue the remedies set forth in Section 12Q.5 of the Administrative Code against Tenant based on the Subtenant's, Contractor's, or Subcontractor's failure to comply, provided that the Contracting Department has first provided Tenant with notice and an opportunity to cure the violation.

(f) Tenant shall not discharge, reprimand, penalize, reduce the compensation of, or otherwise discriminate against, any employee for notifying the City of any issue relating to the HCAO, for opposing any practice proscribed by the HCAO, for participating in any proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(g) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the requirements of the HCAO.

(h) Tenant shall keep itself informed of the requirements of the HCAO, as they may change from time to time.

(i) Upon request, Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subtenants, Contractors, and Subcontractors.

(j) Within five (5) business days of any request, Tenant shall provide the City with access to pertinent records relating to any Tenant's compliance with the HCAO. In addition, the City and its agents may conduct random audits of Tenant at any time during the Term. Tenant agrees to cooperate with City in connection with any such audit.

(k) If a Contractor or Subcontractor is exempt from the HCAO because the amount payable to such Contractor or Subcontractor under all of its contracts with the City or relating to City-owned property is less than \$25,000.00 (or \$50,000.00 for nonprofits) in that fiscal year, but such Contractor or Subcontractor later enters into one or more agreements with the City or relating to City-owned property that cause the payments to such Contractor or Subcontractor to equal or exceed \$75,000.00 in that fiscal year, then all of the Contractor's or Subcontractor's contracts with the City and relating to City-owned property shall be thereafter

subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements to equal or exceed \$75,000.00 in the fiscal year.

28.3. First Source Hiring.

The City has adopted a First Source Hiring Program (San Francisco Administrative Code Section 83.1 et. seq.) which establishes specific requirements, procedures and monitoring for first source hiring of qualified economically disadvantaged individuals for entry-level positions. Pursuant to Section 83.7(b) of the First Source Hiring Ordinance, the Port Commission has adopted a First Source Hiring Implementation and Monitoring Plan ("**Port Plan**") subject to approval by the First Source Hiring Administration. Tenant acknowledges receiving and reviewing the First Source Hiring Program. Under Section 83.9(d) of the First Source Hiring Program, compliance by an employer with the Port Plan is deemed to be compliance with the provisions of the First Source Hiring Ordinance.

Based on the foregoing Tenant agrees to comply with the Port Plan through compliance with all of the following measures:

(a) Tenant shall notify the City and County of San Francisco's Workforce Development System, Department of Human Services of all projected Entry Level Positions and the approximate date such positions will be available, by using the Job Survey Form provided by the Port of San Francisco. The Port will also provide the Tenant with a detailed instruction sheet summarizing the procedure prior to the commencement of this Lease. Tenant shall return the fully completed Job Survey Form to the Port within thirty (30) days after execution of this Lease by the Port and Tenant.

For purposes of this Lease the terms "Entry Level Position", "San Francisco Workforce Development System", "Qualified Economically Disadvantaged Individual", and "First Source Hiring Agreement" shall have the meaning provided in Section 83.4 of the San Francisco Administrative Code.

(b) Tenant shall notify the San Francisco Workforce Development System of all vacancies for existing or new Entry Level Positions on the Premises, during the Term, and shall offer the San Francisco Workforce Development System the first opportunity to provide Qualified Economically Disadvantaged Individuals for employment in these positions.

(c) Tenant shall not publicize or otherwise post such vacancies until the San Francisco Workforce Development System refers Qualified Economically Disadvantaged Individuals for employment in these positions or notifies Tenant that no Qualified Economically Disadvantaged Individuals are available for the particular vacancies. The San Francisco Workforce Development System shall respond to Tenant within ten (10) business days. After ten (10) business days, if the San Francisco Workforce Development System does not refer applicants, Tenant can advertise and fill Entry Level Positions outside of the City referral system.

(d) Tenant shall interview qualified applicants and use good faith in hiring applicants. Tenant shall maintain good records of recruitment and hiring process, and shall permit Port or City to audit such records upon request.

Pursuant to Section 83.10 of the Ordinance, if upon administrative review, it is determined that Entry Level Positions were not made available to the San Francisco Workforce Development system for referral of Qualified Economically Disadvantaged Individuals, and Tenant does not remedy the violations, the Tenant shall be assessed a penalty in the amount of \$2,070.00 (or any other amount set forth in any subsequent amendment or update to the First Source Hiring Program) for every new hire for an Entry Level Position improperly withheld from the First Source Hiring process.

28.4. Resource-Efficient Facilities and Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Sections 700 to 710 relating to resource-efficient buildings and green building design

requirements. Tenant hereby agrees that it shall comply with all applicable provisions of such code sections.

28.5. Tobacco Products Advertising Ban. Tenant acknowledges and agrees that no advertising of cigarettes or tobacco products is allowed on any real property owned by or under the control of the City, including the property which is the subject of this Lease. This prohibition includes the placement of the name of a company producing, selling or distributing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product. This prohibition does not apply to any advertisement sponsored by a state, local or nonprofit entity designed to communicate the health hazards of cigarettes and tobacco products or to encourage people not to smoke or to stop smoking.

28.6. Pesticide Prohibition.

Tenant shall comply with the provisions of Section 308 of Chapter 3 of the San Francisco Environment Code (the "Pesticide Ordinance") which (i) prohibit the use of certain pesticides on City property, (ii) require the posting of certain notices and the maintenance of certain records regarding pesticide usage and (iii) require Tenant to submit to Port an integrated pest management (IPM) plan that (A) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term of this Lease, (B) describes the steps Tenant will take to meet the City's IPM Policy described in Section 300 of the Pesticide Ordinance and (C) identifies, by name, title, address and telephone number, an individual to act as the Tenant's primary IPM contact person with the City. In addition, Tenant shall comply with the requirements of Sections 303(a) and 303(b) of the Pesticide Ordinance.

Through Port, Tenant may seek a determination from the City's Commission on the Environment that Tenant is exempt from complying with certain portions of the Pesticide Ordinance with respect to this Lease, as provided in Section 307 of the Pesticide Ordinance. Port shall reasonably cooperate with Tenant, at Tenant's sole cost and expense, if Tenant seeks in good faith an exemption under the Pesticide Ordinance.

28.7. MacBride Principles Northern Ireland. Port and the City urge companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. Port and the City urge San Francisco companies to do business with corporations that abide by the MacBride Principles.

28.8. Tropical Hardwood and Virgin Redwood Ban. Port and the City urge Tenant not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environment Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environment Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to the contractor's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

28.9. Preservative-Treated Wood Containing Arsenic. Tenant may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Tenant may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the

Department of Environment. This provision does not preclude Tenant from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

28.10. Notification of Limitations on Contributions.

Through its execution of this Lease, Tenant acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code (the "Conduct Code") which prohibits any person who contracts with the City for the selling or leasing any land or building to or from the City whenever such transaction would require the approval by a City elective officer or the board on which that City elective officer serves, from making a contribution to such an officer, or candidate for such an office, or committee controlled by such officer or candidate at any time from the commencement of negotiations for such contract until the termination of negotiations for such contract or three (3) months has elapsed from the date the contract is approved by the City elective officer, or the board on which that City elective officer serves.

San Francisco Ethics Commission Regulation 1.126-I provides that negotiations are commenced when a prospective contractor first communicates with a City officer or employee about the possibility of obtaining a specific contract. This communication may occur in person, by telephone or in writing, and may be initiated by the prospective contractor or a City officer or employee. Negotiations are completed when a contract is finalized and signed by the City and the contractor. Negotiations are terminated when the City and/or the prospective contractor end the negotiation process before a final decision is made to award the contract.

28.11. Sunshine Ordinance. In accordance with Section 67.24(e) of the San Francisco Administrative Code, contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between Port and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

28.12. Conflicts of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of said provisions, and agrees that if Tenant becomes aware of any such fact during the Term Tenant shall immediately notify the Port.

28.13. Charter Provisions. This Lease is governed by and subject to the provisions of the Charter of the City and County of San Francisco.

28.14. Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City or Port premises. Tenant agrees that any violation of this prohibition by Tenant, its Agents or assigns shall be deemed a material breach of this Lease.

28.15. Wages and Working Conditions. Tenant agrees that any person performing labor in the construction of any Alterations or Improvements to the Premises, which Tenant provides under this Lease, shall be paid not less than the highest prevailing rate of wages as required by Section 6.22(E) of the San Francisco Administrative Code, shall be subject to the same hours and working conditions, and shall receive the same benefits as in each case are provided for similar work performed in San Francisco, California. Tenant shall include in any contract for

construction of such Alterations or Improvements a requirement that all persons performing labor under such contract shall be paid not less than the highest prevailing rate of wages for the labor so performed. Tenant shall require any contractor to provide, and shall deliver to City upon request, certified payroll reports with respect to all persons performing labor in the construction of such Alterations or Improvements to the Premises.

28.16. Public Transit Information. Tenant shall establish and carry on during the Term a program to encourage maximum use of public transportation by personnel of Tenant employed on the Premises, including, without limitation, the distribution to such employees of written materials explaining the convenience and availability of public transportation facilities adjacent or proximate to the Facility and encouraging use of such facilities, all at Tenant's sole expense.

28.17. Food Service Waste Reduction Ordinance. Tenant agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Lease as though fully set forth herein. This provision is a material term of this Lease. By entering into this Lease, Tenant agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Tenant agrees that the sum of one hundred dollars (\$100.00) liquidated damages for the first breach, two hundred dollars (\$200.00) liquidated damages for the second breach in the same year, and five hundred dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Lease was made. Such amounts shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Tenant's failure to comply with this provision.

29. NOTICES.

Except as otherwise expressly provided in this Lease or by Law, any and all notices or communications required or permitted by this Lease or by Law to be served on, given to or delivered to either party by the other party shall be in writing and shall be given by one of the following methods: (a) delivering the notice in person, (b) sending the notice by United States Mail, first class, postage prepaid, or (c) sending the notice by nationally recognized overnight courier or mail, with postage prepaid, to the mailing address set forth in the Basic Lease Information. Subject to the restrictions set forth below and only for the convenience of the parties, copies of notices also may be given by telefacsimile to the telefacsimile number set forth in the Basic Lease Information. Service of process at Tenant's address set forth in the Basic Lease Information or other address, notice of which is given in accordance with the terms of this Section, shall be valid and binding upon such party.

30. SIGNS. Tenant shall not have the right to place, construct or maintain any sign, decoration, video display, advertisement, awning, banner or other exterior decoration or notices on the Premises without Port's prior written consent. Any sign that Tenant is permitted to place, construct or maintain on the Premises shall comply with all Laws relating thereto, including but not limited to Port's Tenant Sign Guidelines and building permit requirements, and Tenant shall obtain all Regulatory Approvals required by such Laws. Port makes no representation with respect to Tenant's ability to obtain such Regulatory Approval. Tenant, at its sole cost and

expense, shall remove all signs placed by it on the Premises at the expiration or earlier termination of this Lease.

31. NO LIGHT, AIR OR VIEW EASEMENT. Any diminution or shutting off of light, air or view by any structure which may be erected on lands adjacent to the Facility shall in no way affect this Lease or impose any liability on Port, entitle Tenant to any reduction of Base Rent or Additional Rent, or affect this Lease in any way or Tenant's obligations hereunder.

32. MISCELLANEOUS PROVISIONS.

32.1. California Law. This Lease shall be construed and interpreted in accordance with the Laws of the State of California and City's Charter and Port and Tenant hereby irrevocably consent to the jurisdiction and proper venue of such State and the City and County of San Francisco.

32.2. Entire Agreement. This Lease contains all of the representations and the entire agreement between the parties with respect to the subject matter of this Lease. Any prior correspondence, memoranda, agreements, warranties, or representations, whether written or oral, relating to such subject matter are superseded in total by this Lease. No prior drafts of this Lease or changes from those drafts to the executed version of this Lease shall be introduced as evidence in any litigation or other dispute resolution proceeding by any party or other person, and no court or other body should consider those drafts in interpreting this Lease.

32.4. Severability. If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the fullest extent permitted by law.

32.5. No Party Drafter; Captions. The provisions of this Lease shall be construed as a whole according to their common meaning and not strictly for or against any party in order to achieve the objectives and purposes of the parties. Any caption preceding the text of any section, paragraph or subsection or in the table of contents is included only for convenience of reference and shall be disregarded in the construction and interpretation of this Lease.

32.9. Counterparts. For convenience, the signatures of the parties to this Lease may be executed and acknowledged on separate pages which, when attached to this Lease, shall constitute as one complete Lease. This Lease may be executed in any number of counterparts each of which shall be deemed to be an original and all of which shall constitute one and the same Lease.

32.10. Authority. If Tenant signs as a corporation or a partnership, each of the persons executing this Lease on behalf of Tenant does hereby covenant and warrant that Tenant is a duly

authorized and existing entity, that Tenant has and is qualified to do business in California, that Tenant has full right and authority to enter into this Lease, and that each and all of the persons signing on behalf of Tenant are authorized to do so. Upon Port's request, Tenant shall provide Port with evidence reasonably satisfactory to Port confirming the foregoing representations and warranties.

32.11. No Implied Waiver. No failure by Port to insist upon the strict performance of any obligation of Tenant under this Lease or to exercise any right, power or remedy arising out of a breach thereof, irrespective of the length of time for which such failure continues, and no acceptance of full or partial Rent during the continuance of any such breach shall constitute a waiver of such breach or of Port's rights to demand strict compliance with such term, covenant or condition. Port's consent to or approval of any act by Tenant requiring Port's consent or approval shall not be deemed to waive or render unnecessary Port's consent to or approval of any subsequent act by Tenant. Any waiver by Port of any default must be in writing and shall not be a waiver of any other default (including any future default) concerning the same or any other provision of this Lease.

32.12. Attorneys' Fees. In the event of any action or proceeding in law or equity between Port and Tenant to enforce any provision of this Lease or to protect or establish any right or remedy of either party to this Lease, the prevailing party shall be entitled to recover from the losing party reasonable attorneys' fees and costs of suit and, if such prevailing party shall recover judgment in any such action or proceeding, such costs, expenses and attorneys' fees shall be included in and as a part of such judgment. For purposes of this Lease, reasonable fees of attorneys of City's Office of City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of professional experience who practice in San Francisco in law firms with approximately the same number of attorneys as employed by the Office of City Attorney.

32.13. Time is of Essence. Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

32.14. Cumulative Remedies. All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

32.15. Survival of Indemnities. Termination or expiration of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, the ability to collect any sums due, nor shall it affect any provision of this Lease that expressly states it shall survive termination or expiration hereof.

32.16. Relationship of the Parties. Port is not, and none of the provisions in this Lease shall be deemed to render Port, a partner in Tenant's business, or joint venturer or member in any joint enterprise with Tenant. Neither party shall act as the agent of the other party in any respect hereunder. This Lease is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided.

32.17. No Recording. Tenant shall not record this Lease or any memorandum hereof in the Official Records.

32.18. Non-Liability of City Officials, Employees and Agents. No elective or appointive board, commission, member, officer, employee or other Agent of City and/or Port shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by City and/or Port or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of City and/or Port under this Lease.

32.19. Additional Written Agreement Required. Tenant expressly agrees and acknowledges that no officer, director, or employee of Port or City is authorized to offer or promise, nor is Port or the City required to honor, any offered or promised rent credit,

concession, abatement, or any other form of monetary consideration (individually and collectively, "Concession") without a written agreement executed by either the Executive Director of Port or the Deputy Director of Real Estate authorizing such Concession and, if applicable, certification of the Concession from the City's Controller.

33. LIMITATION ON DAMAGES.

33.1. *No Recourse Beyond Value of Premises.* Tenant agrees that Tenant will have no recourse with respect to, and Port shall not be liable for, any obligation of Port under this Lease, or for any claim based upon this Lease, except to the extent of the fair market value of Port's fee interest in the Premises (as encumbered by this Lease). Tenant's execution and delivery hereof and as part of the consideration for Port's obligations hereunder Tenant expressly waives all such liability. Under no circumstances shall Port, City, or their respective Agents be liable under any circumstances for any consequential, incidental or punitive damages.

33.2. *Limitation on Port's Liability Upon Transfer.* In the event of any transfer of Port's interest in and to the Facility, Port (and in case of any subsequent transfers, the then transferor), subject to the provisions hereof, will be automatically relieved from and after the date of such transfer of all liability with regard to the performance of any covenants or obligations contained in this Lease thereafter to be performed on the part of Port, but not from liability incurred by Port (or such transferor, as the case may be) on account of covenants or obligations to be performed by Port (or such transferor, as the case may be) hereunder before the date of such transfer.

34. TENANT ESTOPPEL CERTIFICATES.

Tenant, at any time and from time to time upon not less than ten (10) days' prior notice from Port, shall execute and deliver to Port or to any party designated by Port a certificate in substantially the same form as that attached to this Lease as *Exhibit C*. If Tenant shall fail to provide such certificate within ten (10) days of receipt by Tenant of a written request by Port as herein provided, such failure shall, at Port's election, constitute a default under this Lease, and Tenant shall be deemed to have admitted the accuracy of any information supplied by Port to a prospective purchaser or mortgagee.

35. RELOCATION OPTION.

Port may, at its expense, at any time during the Term, relocate Tenant from the Premises to reasonably comparable space ("**Relocation Space**") within the Facility or upon sixty (60) days' prior written notice to Tenant. From and after the date of the relocation, "**Premises**" shall refer to the Relocation Space into which Tenant has moved and the Base Rent and Tenant's Proportionate Share of Expenses, if any, shall be adjusted based on the rentable square footage of the Relocation Space. Port shall pay Tenant's reasonable costs for moving Tenant's Property and printing and distributing notices to Tenant's customers of Tenant's change of address and three (3) months supply of stationery showing the new address.

Notwithstanding the foregoing, in no event shall Port relocate Tenant to the Relocation Space during the last twelve (12) months of the Term.

36. SOLAR POWER.

At any time during the Term of this Lease, Port shall have the sole and absolute discretion to install, or cause another party to install, solar photovoltaic systems ("**Solar System**") on the roof of the Facility for the purpose of supplying power to the Facility. In the event the Solar System is installed on the roof of the Facility, Tenant shall enter into a power purchase agreement (or any other similar agreement) with the operator of the Solar System ("**Solar Operator**") and from and after the date the Solar System is operational, Tenant shall purchase a portion of its power from the Solar Operator in accordance with such power purchase agreement. The balance of power required by Tenant shall be purchased by Tenant from an energy provider within the general vicinity of the Facility ("**Energy Provider**"). The cost to Tenant on a per

kilowatt basis to purchase its power from the Solar Operator shall not be greater than the cost to Tenant on a per kilowatt basis to purchase energy from the Energy Provider.

37. REPRESENTATIONS AND WARRANTIES OF TENANT

Tenant represents, warrants and covenants to Port as follows, as of the date hereof and as of the Commencement Date:

(a) Valid Existence, Good Standing. Tenant is a non-profit corporation duly formed and validly existing under the laws of the State of California. Tenant has the requisite power and authority to own its property and conduct its business as presently conducted. Tenant is in good standing in the State of California.

(b) Authority. Tenant has the requisite power and authority to execute and deliver this Lease and the agreements contemplated hereby and to carry out and perform all of the terms and covenants of this Lease and the agreements contemplated hereby to be performed by Tenant.

(c) No Limitation on Ability to Perform. Nor applicable Law prohibits Tenant's entry into this Lease or its performance hereunder. No consent, authorization or approval of, and no notice to or filing with, any governmental authority, regulatory body or other Person is required for the due execution and delivery of this Lease by Tenant and Tenant's performance hereunder, except for consents, authorizations and approvals which have already been obtained, notices which have already been given and filings which have already been made. There are no undischarged judgments pending against Tenant, and Tenant has not received notice of the filing of any pending suit or proceedings against Tenant before any court, governmental agency, or arbitrator, which might materially adversely affect the enforceability of this Lease or the business, operations, assets or condition of Tenant.

(d) Valid Execution. The execution and delivery of this Lease and the performance by Tenant hereunder have been duly and validly authorized. When executed and delivered by Port and Tenant, this Lease will be a legal, valid and binding obligation of Tenant.

(e) Defaults. The execution, delivery and performance of this Lease (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default by Tenant under (A) any agreement, document or instrument to which Tenant is a party or by which Tenant is bound, (B) any Law applicable to Tenant or its business, or (C) the articles of organization of Tenant, and (ii) do not result in the creation or imposition of any lien or other encumbrance upon the assets of Tenant, except as contemplated hereby.

(f) Financial Matters. Except to the extent disclosed to Port in writing, (i) Tenant is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money, (ii) Tenant has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code, (iii) to Tenant's knowledge, no involuntary petition naming Tenant as debtor has been filed under any chapter of the U.S. Bankruptcy Code, and (iv) Tenant has not suffered any material adverse change to its financial condition that could reasonably effect its ability to perform its obligations under this Lease.

The representations and warranties herein shall survive any termination of this Lease.

38. TERMINATION OPTION.

Subject to the terms and conditions of this Section 38, Tenant shall have the option to terminate this Lease ("**Termination Option**") upon satisfaction of all the following terms and conditions:

(a) Port approves of the written evidence from a reputable environmental consultant reasonably acceptable to Port that the cost to abate lead-based paint and asbestos identified in *Schedules 1 and 3* or subsequently identified by Tenant or Port exceeds Two Hundred Fifty Thousand Dollars (\$250,000.00);

(b) Any and all damage to the Premises arising in connection with Tenant's abatement of lead-based paint and asbestos has been promptly repaired;

(c) Tenant provides Port written notice ("**Termination Notice**") of its election to terminate no less than thirty (30) days prior to the proposed termination date ("**Proposed Termination Date**"); and

(d) If any Event of Default by Tenant is outstanding hereunder either at the time of Tenant's delivery of the Termination Notice or at any time prior to the Proposed Termination Date (or if any event shall have occurred which with the giving of notice or the passage of time or both would constitute such a default), then Port may elect by notice to Tenant to reject Tenant's exercise of the Termination Option, whereupon the Termination Option shall be null and void.

Upon termination of this Lease in accordance with the terms and conditions of this Section 38, other than the provisions that survive termination of this Lease, this Lease shall be deemed terminated as of the Proposed Termination Date.

39. FEMA DISCLOSURE NOTICE.

The Federal Emergency Management Agency ("FEMA") is revising Flood Insurance Rate Maps ("FIRMs") for San Francisco Bay Area communities. As part of this effort, FEMA plans to prepare a FIRM for the City for the first time. That process may have significant impacts for developing new buildings and reconstructing or repairing existing buildings on certain parts of the San Francisco waterfront.

FIRMs identify areas that are subject to inundation during a flood having a 1% chance of occurrence in a given year (also known as a "base flood" or "100-year flood"). FEMA refers to the flood plain that is at risk from a flood of this magnitude as a special flood hazard area ("SFHA").

Because FEMA has not previously published a FIRM for the City, there are no identified SFHAs within the City's geographic boundaries. By June 2007, FEMA expects to complete a study of the San Francisco Bay that potentially may identify SFHAs affecting City property under the jurisdiction of the Port of San Francisco and other areas of the San Francisco waterfront, including, but not limited to, parts of Mission Bay, Hunter's Point Shipyard, Candlestick Point, and Treasure and Yerba Buena Islands. During the summer of 2007, FEMA expects to issue a preliminary FIRM for review and comment by the City. FEMA anticipates finalizing the FIRM in 2008. If FEMA does identify SFHAs along the City's shoreline in San Francisco Bay, such SFHAs would likely be designated "A zones" (areas subject to inundation by tidal surge) and "V zones" (areas subject to the additional hazards that accompany wave action).

FEMA prepares the FIRMs to support the National Flood Insurance Program ("NFIP"), a Federal program that enables property owners, businesses and residents in participating communities to purchase flood insurance backed by the Federal government. Participation in the NFIP is based on an agreement between the local government and the Federal government, which requires the local government to adopt and enforce a floodplain management ordinance to reduce future flood risks. As part of such a floodplain management ordinance, the local jurisdiction must impose significant restrictions on construction of new or substantially improved structures located in SFHAs and ban construction of certain new structures seaward of the mean high tide line, unless appropriate variances can be granted. Federally backed lenders must require the purchase of flood insurance for residential and commercial structures located in SFHAs. Otherwise, purchase of flood insurance is voluntary.

The City does not currently participate in the NFIP and is evaluating the benefits of future participation in the NFIP once FEMA publishes a FIRM for the City. If the City does not participate in the program, the Federal government would not require the City to enact the building code restrictions and/or prohibitions required by the NFIP, but the Federal government would withhold the following federal benefits from the City: (1) no San Francisco property

owner, business owner or resident, including without limitation, tenants of the Port of San Francisco, would be able to purchase flood insurance backed by the federal government, which is the primary source of reasonably-priced flood insurance (2) Federally backed loans for real property located within SFHAs, which must carry flood insurance, would be limited; (3) Federal grants for acquisition and construction purposes in SFHAs would be limited; and (4) in the event of a flood, property located within SFHAs would not be eligible for certain other federal loan or disaster assistance programs.

If the City does elect to participate in the NFIP, the City would be required to include in its floodplain management ordinance a requirement that any new construction or substantial improvement of structures in A zone or V zone SFHAs be elevated to certain prescribed heights or in some cases floodproofed, as well as a prohibition on any new construction or substantial improvement of structures seaward of mean high tide in V zone SFHAs. The NFIP regulations allow a local jurisdiction to issue variances to its floodplain management ordinance under certain narrow circumstances, without jeopardizing the local jurisdiction's eligibility in the NFIP. However, the particular projects that are granted variances by the local jurisdiction may be deemed ineligible for federally-backed flood insurance by FEMA.

Additional information on this matter can be found on FEMA's website at the following links:

<http://www.fema.gov/plan/prevent/fhm/index.shtm>
<http://www.fema.gov/business/nfip/index.shtm>

The legislation and regulations implementing the NFIP are located at 42 U.S.C. § 4001 et seq; 44 C.F.R. Parts 59-78, §§ 59.1-78.14.

In addition, FEMA publishes "Answers to Questions About the NFIP" and FEMA Publication 184 entitled "Mandatory Purchase of Flood Insurance Guidelines."

This disclosure is provided for information purposes only, and without representation or warranty of any kind by the City, including, without limitation, its Port, with regard to any of the matters discussed in this notice. Tenant is entirely responsible for investigating on its own the consequences of the potential inclusion of the Premises in any future FEMA designated SFHA and the consequences of the City's decision to participate or to not participate in the NFIP.

Tenant acknowledges and agrees that the City's participation or failure to participate in the NFIP shall not give rise to any rights, causes of action, or remedies under this Lease, including, but not limited to any termination or rent abatement right.

PORT OF SAN FRANCISCO HISTORIC PRESERVATION REVIEW GUIDELINES FOR PIER AND BULKHEAD WHARF SUBSTRUCTURES

Approved by San Francisco Port Commission, October 26, 2004, with proposed amendments to respond to comments from California State Office of Historic Preservation.

Background

As part of the preparation of the Port of San Francisco Embarcadero Waterfront National Register Historic District nomination, the Port has developed Historic Preservation Review Guidelines (Guidelines) to define how the Secretary of the Interior's Standards for Rehabilitation (Secretary's Standards) should be interpreted and applied to the historic resources within the District, to ensure its responsible management and stewardship. The set of Guidelines below focuses on Pier and Bulkhead Wharf Substructures, providing an important tool to be used by the Port's historic preservation experts to define parameters for the repair, maintenance or alterations to the pile foundations, substructures and decks of piers and bulkhead wharves upon which pier sheds, bulkhead buildings and other waterfront structures sit.

These Guidelines were developed by the Port's historic preservation expert staff in concert with San Francisco Architectural Heritage and preservation experts familiar with the specific historic resources in the District. The Guidelines were approved by the San Francisco Port Commission in October 2004, and further amended to respond to comments from the California State Office of Historic Preservation. The Guidelines will be used in the review of pier and bulkhead wharf substructure projects that are subject only to approval by the Port. Projects affecting District resources which are subject to review and approval by any of the following entities are not subject to these Guidelines, in recognition of the separate review criteria and practices employed by those agencies to administer the Secretary's Standards:

- 1) Federal Undertakings - Requiring Section 106 consultation
 - Projects receiving federal funding
 - Transfer of federal property
 - Approval of a federal permit, license or similar entitlement (i.e. Army Corps. of Engineers)
- 2) Federal Historic Preservation Tax Credit Projects – Requiring State Office of Historic Preservation and National Park Service approvals
- 3) San Francisco Landmarks Preservation Advisory Board – Subject to Planning Code Article 10 Provisions for City Landmarks and City Historic Districts

Port of San Francisco Review Process – Overview

For projects affecting historic resources within the Embarcadero Historic District that are subject only to the Port's review and approval, the Port conducts its review in conjunction with use of Historic Preservation Guidelines, where applicable, to direct actions that comply with the Secretary's Standards.

All projects undergo case-specific review to determine the appropriate application of the Guidelines and other related Port design reviews. The Port maintains qualified historic preservation expertise on staff and may work with other qualified historic preservation professionals to review projects for consistency with the Secretary's Standards and any applicable Guidelines.

In the case of repairing and managing pier and bulkhead wharf substructures, the Guidelines below are to be used in the Port review process. The process follows the principles of the Secretary's Standards for Rehabilitation and the Port's longstanding practice of repairing existing materials wherever feasible. Replacement of historic materials, if deterioration makes such repair infeasible, is limited to replacement in-kind (use of the same materials) whenever possible. Where replacement in-kind is infeasible, the Port directs use of new substitute materials that are compatible with the character defining features of the subject historic resource to preserve the historic integrity of Contributing resources or, in the case of reviewing Non-Contributing resources, the integrity of the Historic District.

I. Pier and Bulkhead Wharf Substructures

The historic piers and resources in the Embarcadero Historic District are made up of pile-supported platforms upon which pier shed and bulkhead building structures were built to conduct maritime commerce. The substructure of the piers and bulkhead wharf, described in detail in Section 7 of the Embarcadero Historic District nomination, consists of vertically driven piles, topped by stringer and pile cap beams, which create the horizontal structural framework upon which pier decks rest. Beneath these structures, the tides of the San Francisco Bay ebb and flow. Pier substructures are defined to include pier aprons, which are constructed at the perimeter of piers, generally used to provide a pile-supported platform for ship berthing, an outdoor work area, and in more recent times a public access and recreation area. In most instances, pier aprons are constructed of wood and have a shorter life span, historically requiring more maintenance and repair than steel and concrete substructures.

Within this complex, the bulkhead wharf is an important feature. It is comprised of 23 individual sections that extend end to end throughout the historic district, adjacent and connected to the Seawall, which establishes the constructed edge of the waterfront between piers (see Figures 1 and 2). In addition, the bulkhead wharf plays an important role in defining the Embarcadero's urban form, which supports maritime, public access and commercial recreation/retail functions.

SECRETARY OF THE INTERIOR'S STANDARDS FOR THE TREATMENT OF HISTORIC PROPERTIES

1. A property will be used as it was historically or be given a new use that requires minimal change to its distinctive materials, features, spaces, and spatial relationships.
2. The historic character of a property will be retained and preserved. The removal of distinctive materials or alteration of features, spaces, and spatial relationships that characterize a property will be avoided.
3. Each property will be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or elements from other historic properties, will not be undertaken.
4. Changes to a property that have acquired historic significance in their own right will be retained and preserved.
5. Distinctive materials, features, finishes, and construction techniques or examples of craftsmanship that characterize a property will be preserved.
6. Deteriorated historic features will be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature will match the old in design, color, texture, and, where possible, materials. Replacement of missing features will be substantiated by documentary and physical evidence.
7. Chemical or physical treatments, if appropriate, will be undertaken using the gentlest means possible. Treatments that cause damage to historic materials will not be used.
8. Archeological resources will be protected and preserved in place. If such resources must be disturbed, mitigation measures will be undertaken.
9. New additions, exterior alterations, or related new construction will not destroy historic materials, features, and spatial relationships that characterize the property. The new work shall be differentiated from the old and will be compatible with the historic materials, features, size, scale and proportion, and massing to protect the integrity of the property and its environment.
10. New additions and adjacent or related new construction will be undertaken in a such a manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.

EXHIBIT F WORK LETTER

This Work Letter sets forth Tenant's obligation to construct the Initial Tenant Improvements and shall be deemed part of the Lease.

1. GENERAL TERMS

1.1. Definitions. Initially capitalized terms used in this Work Letter have the meanings given them when first defined. Any initially capitalized words or acronyms used but not defined in this Work Letter shall have the same meanings as in the Lease.

1.2. Relationship between Work Letter and the Lease. This Work Letter governs Tenant's obligations to construct the Initial Tenant Improvements during the Core Improvements Construction Period and the Interior Improvements Construction Period or, in the event Tenant fails to complete such improvements by the Construction Period Expiration Dates, to such later date Port issues a Certificate of Completion for either the Core Improvements or Interior Improvements. This Work Letter addresses, among other matters, the scope of Tenant's obligations to design and construct the Initial Tenant Improvements, Tenant's obligations to obtain final approvals for the Initial Tenant Improvements, and the Schedule of Performance. Before the termination of this Work Letter, this Work Letter shall control in the event of any inconsistency between this Work Letter and the Lease. Upon expiry of this Work Letter, the Lease alone will govern the rights and obligations of the parties with respect to use and occupancy of the Premises.

1.3. Term. This Work Letter shall commence and become effective as of the Commencement Date and shall expire on the Interior Improvements Construction Period Expiration Date or such later date that Port issues a Certificate of Completion for the Interior Improvements.

1.4. Lease Provisions. The provisions of the Lease, except where clearly inconsistent or inapplicable to this Work Letter, are incorporated into this Work Letter.

1.5. Extensions by Port Upon the request of Tenant, Port's Executive Director may, by written instrument, extend the time for Tenant's performance of any term, covenant or condition of this Work Letter or permit the curing of any default of this Work Letter upon such terms and conditions as she or he determines appropriate, including but not limited to the time within which Tenant must perform such terms and/or conditions, provided, however, that any such extension or permissive curing of any particular default will not operate to release any of Tenant's obligations nor constitute a waiver of Port's rights with respect to any other term, covenant or condition of this Work Letter or any other default in, or breach of, this Work Letter or otherwise effect the time with respect to the extended date or other dates for performance hereunder.

2. CONSTRUCTION OF THE INITIAL TENANT IMPROVEMENTS

2.1. Tenant's Construction Obligations.

(a) **Project Requirements.** Tenant shall construct or cause to be constructed all of the Initial Tenant Improvements in compliance with the Construction Documents, which shall conform to and be in compliance with applicable requirements of (i) all Laws; (ii) this Work Letter, including the Scope of Development and Schematic Drawings; (iii) the City's Building Code as administered by Port or Port Building Code as applicable; (iv) required Regulatory Approvals; (v) the Waterfront Land Use Plan; (vi) the design approved by the Port Commission and, if required, the Planning Commission, pursuant to Section 240 of the Planning Code; and (vii) the Lease including without limitation Section 16 thereof. All such requirements are sometimes referred to collectively as the "Project Requirements."

(b) **Scope of Development; Schedule of Performance.** Tenant shall use commercially reasonable efforts to construct or cause to be constructed the Initial Tenant Improvements on the Premises within the times and in the manner set forth in this Work Letter and the scope of development comprised of the Schematic Drawings and the scope of development narrative document attached hereto as approved by the Port Commission at its public meeting of August 14, 2007 as *Attachment 1* (collectively, the "**Scope of Development**"). All construction with respect to the Initial Tenant Improvements shall be accomplished expeditiously, diligently and in accordance with good construction and engineering practices and applicable Laws. Tenant shall undertake commercially reasonable measures to minimize damage, disruption or inconvenience caused by such work and make adequate provision for the safety and convenience of all persons affected by such work. Tenant, while performing any construction with respect to the Initial Tenant Improvements, shall undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or damage to adjoining properties and improvements, or the risk of injury to members of the public, caused by or resulting from the performance of such construction.

(c) **Costs; Private Development.** Tenant shall bear all of the cost of construction of all Initial Tenant Improvements. Without limiting the foregoing, Tenant shall be responsible for performing all Premises preparation work necessary for construction of the Initial Tenant Improvements. Such preparation of the Premises shall include, among other things, asbestos and lead abatement investigation required for development or operation of the Initial Tenant Improvements, all structure and substructure work, disabled access improvements and public access improvements and tenant improvements.

2.2. Utilities. Tenant, at its sole expense, shall arrange for the provision and construction of all on-Premises utilities necessary to use the Premises for the Permitted Use. Tenant and Port shall coordinate, if necessary, with respect to installation of any off-Premises utility infrastructure and design of the Initial Tenant Improvements, including providing advance notice of trenching requirements, and coordinate any modification of utilities to any adjacent Port tenants or uses.

2.3. Submittals after Completion. Tenant shall furnish Port both design/permit drawings in their finalized form and "As-Built" Drawings, specifications and surveys with respect to the Premises (core and shell, and tenant improvements) within sixty (60) days after completion of the Core Improvements and the Interior Improvements respectively. If Tenant fails to provide such surveys and as-built plans and specifications to Port within such period of time, Port after giving notice to Tenant shall have the right, but not the obligation, to cause the preparation by an architect of Port's choice of final surveys and as-built plans and specifications, at Tenant's sole cost, to be paid by Tenant to Port within thirty (30) days after Port's request therefor.

2.4. Insurance. At all times during the construction of the Initial Tenant Improvements, in addition to the insurance required to be maintained by Tenant under the Lease, Tenant shall require Tenant's contractor to maintain (a) commercial general liability insurance with limits of not less than Five Million Dollars (\$5,000,000) combined single limit for bodily injury and property damage (including personal injury and death), and contractor's protective liability; and products and completed operations coverage in an amount not less than Five Hundred Thousand Dollars (\$500,000) per incident, One Million Dollars (\$1,000,000) in the aggregate; (b) comprehensive automobile liability insurance with a policy limit of not less than One Million Dollars (\$1,000,000) each accident for bodily injury and property damage, providing coverage at least as broad as the Insurance Services Office (ISO) Business Auto Coverage form covering Automobile Liability, "any auto", and insuring against all loss in connection with the ownership, maintenance and operation of automotive equipment that is owned, hired or non-owned; (c) worker's compensation with statutory limits and employer's liability insurance with limits of not less than One Hundred Thousand Dollars (\$100,000) per accident, Five Hundred Thousand Dollars (\$500,000) aggregate disease coverage and One

Hundred Thousand Dollars (\$100,000) disease coverage per employee. Tenant shall cause Tenant's Agents (other than Tenant's contractor) to carry such insurance as shall be reasonably approved by Port taking into account the nature and scope of the work and industry custom and practice. In addition, Tenant shall carry "**Builder's All Risk**" insurance covering the construction of the Initial Tenant Improvements as set forth in the Lease. The liability insurance shall be written on an "**occurrence**" basis and shall name Port as additional insureds (by endorsement reasonably acceptable to Port). All of the insurance required to be carried by Tenant or Tenant's Agents hereunder shall provide that it is primary insurance, and not excess over or contributory with any other valid, existing, and applicable insurance in force for or on behalf of Port, shall provide that Port shall receive thirty (30) days' written notice from the insurer prior to any cancellation or change of coverage, and shall be placed with companies which are rated A-VIII or better by Best's Insurance Guide and licensed to business in the State of California. All deductibles and self-insured retentions under Tenant's policies are subject to Port's reasonable approval, and all insurance, except workers' compensation, maintained by Tenant's Agents shall preclude subrogation claims by the insurer against anyone insured thereunder. Tenant's compliance with the provisions of this Section 2.4 shall in no way limit Tenant's liability under any of the other provisions of this Work Letter or the Lease.

2.5. Performance Bond. At least five (5) business days prior to commencement of construction of the Initial Tenant Improvements, Tenant shall provide Port, at Tenant's sole cost and expense, a payment and performance bond substantially in the form attached hereto as **Attachment 2**, in a principal amount equal to one hundred fifty percent (150%) of the estimated costs of such Initial Tenant Improvements, to ensure Port against any liability for mechanics' and materialmen's liens, stop notices and to ensure completion of the work.

2.6. Compliance with Laws. At its sole cost and expense, Tenant shall comply (taking into account any variances or other deviations properly approved) with: (i) all Laws; (ii) all Regulatory Approvals which place requirements on the Initial Tenant Improvements; (iii) all requirements of all policies of insurance which may be applicable to the Premises as to the Initial Tenant Improvements or Tenant's Personal Property; and (iv) all other applicable Project Requirements. It is expressly understood and agreed that the performance required of Tenant by the preceding sentence shall include the obligation to make, at Tenant's sole cost and expense, all additions to, modifications of, and installations on the Premises which may be required by any Laws regulating the Premises or any insurance policies covering the Premises as to the Initial Tenant Improvements or Tenant's Personal Property. Tenant shall, promptly upon request, provide Port with reasonable evidence of compliance with Tenant's obligations under this Section.

2.7. Port and Other Governmental Permits. Tenant has the sole responsibility, at its sole cost and expense, for obtaining all necessary permits for the Initial Tenant Improvements and shall make application for such permits directly to the applicable Regulatory Agency; provided, however, that where Port is required to act as a co-permittee for any permit Tenant shall apply for such permit in accordance with Section 10.2 of the Lease.

2.8. Port Rights of Access. Without limiting the rights of Port in its regulatory capacity, Port and its Agents will have the right of access to the Premises to the extent reasonably necessary to carry out the purposes of this Work Letter, including, but not limited to, the inspection of the work being performed in constructing the Initial Tenant Improvements upon reasonable prior written notice to Tenant during regular business hours; provided, however, Port shall take such reasonable action necessary to minimize any interference with Tenant's construction activities. Port will provide Tenant promptly upon request with a copy of any written reports prepared by Port or its Agents with respect to the Initial Tenant Improvements under any such inspection, subject to withholding documents otherwise privileged or confidential. Port disclaims any warranties, representations and statements made in any such reports, will have no liability or responsibility with respect to any such warranties, representations and statements, and will not be estopped from taking any action (including, but

not limited to, later claiming that the construction of the Initial Tenant Improvements is defective, unauthorized or incomplete) nor be required to take any action as a result of any such inspection.

2.9. Construction Signs and Barriers. Tenant shall provide appropriate construction barriers, construction signs and a project sign or banner describing the Initial Tenant Improvements, and shall post the signs on the Premises during the period of construction. The size, design, test and location of such signs and the composition and appearance of any non-moveable construction barriers shall be submitted to Port for approval before installation pursuant to Port's sign policy, which approval may not be withheld unreasonably. Failure by Port to disapprove any such submission within forty-five (45) days after submittal of all documents required or requested by Port, will be deemed to be an approval.

3. PREPARATION AND APPROVAL OF PLANS

3.1. The Construction Documents.

(a) Definition of Construction Documents. The Construction Documents shall be as follows:

(i) "Schematic Drawings" for the Initial Tenant Improvements which shall generally include, without limitation, the following:

(1) Perspective drawings sufficient to illustrate the Initial Tenant Improvements.

(2) A site plan at appropriate scale showing relationships of the Initial Tenant Improvements with their respective uses, designating public access areas, open spaces, walkways, buildings, loading areas, streets, parking, and adjacent uses. Adjacent existing and proposed streets, piers, arcades and structures should also be shown.

(3) Building plans, floor plans and elevations sufficient to describe the development proposal, the general architectural character, and the location and size of uses.

(4) Building sections showing height relationships of those areas noted above.

(ii) "Preliminary Construction Documents" in sufficient detail and completeness to show that the Initial Tenant Improvements and the construction thereof shall comply with the Project Requirements, and which shall generally include, without limitation:

(1) Premises plan(s) at appropriate scale showing the buildings, streets, boat docks, walkways, and other open spaces. All land uses shall be designated. All Premises development details and bounding streets, points of vehicular and pedestrian access shall be shown.

(2) All building plans and elevations at appropriate scale.

(3) Building sections showing all typical cross sections at appropriate scale.

(4) Floor plans.

(5) Preliminary interior improvement plans.

(6) Plans for proposed public access areas showing details including but not limited to, walls, fences, railings, benches, bicycle racks, street furniture, markers, plaques, models, paving, exterior lighting, signs, and trash containers.

(7) Outline specifications for materials, finishes and methods of construction.

- (8) Interior and Exterior Signage Plans.
- (9) Exterior lighting plans.
- (10) Material and color samples.
- (11) Roof plans showing all mechanical and other equipment.
- (12) Designation of each Improvement as either a Core

Improvement or an Interior Improvement.

(iii) "**Final Construction Documents**" which shall include all plans and specifications required under applicable codes to be submitted with an application for a Premises Permit.

(b) **Exclusion.** As used in this Work Letter "**Construction Documents**" do not mean any contracts between Tenant and any contractor, subcontractor, architect, engineer or consultant.

In preparing the Construction Documents, Tenant shall consider including energy conservation and other green building improvement measures including but not limited to solar panels, energy efficient light fixtures, Energy Star appliances and use of recycled materials for Interior Improvements.

3.2. *Scope of Tenant Submissions of Construction Documents.* The following provisions apply to all stages of Tenant's submission of Construction Documents. Each of the Construction Document stages is intended to constitute a further development and refinement from the previous stage. The elements of the Preliminary Construction Documents requiring Port's approval shall be in substantial conformance with the Schematic Drawings and the Scope of Development, and shall incorporate conditions, modifications and changes specified by Port or required as a condition of Regulatory Approvals as approved by Port. Preliminary Construction Documents shall be in sufficient detail and completeness to show that the Initial Tenant Improvements and the construction of the Initial Tenant Improvements will be in compliance with the Project Requirements and matters previously approved. The Final Construction Documents shall be a final development of, and be based upon and conform to, the approved Preliminary Construction Documents. The elements of the Final Construction Documents requiring Port approval shall incorporate conditions, modifications and changes required by Port for the approval of the Preliminary Construction Documents. The Final Construction Documents shall include all drawings, specifications and documents necessary for the Initial Tenant Improvements to be constructed and completed in accordance with this Work Letter.

3.3. *Construction Document Review Procedures.*

(a) **Method of Port Action/Prior Approvals.** Port shall approve, disapprove or approve conditionally the Construction Documents, in writing, in accordance with the Schedule of Performance, but, in any event, within ninety (90) days after submittal, so long as the applicable Construction Documents are properly submitted in accordance with the Schedule of Performance. If Port fails to either approve or disapprove within five (5) business days after Tenant's second written request made to Port after such ninety (90) day period, the applicable Construction Documents shall be deemed disapproved.

(b) **Timing of Port Disapproval/ Conditional Approval and Tenant Resubmission.** If Port disapproves of the Construction Documents in whole or in part, Port in the written disapproval shall state the reason or reasons and may recommend changes and make other recommendations. If Port conditionally approves the Construction Documents in whole or in part, the conditions shall be stated in writing and a time shall be stated for satisfying the conditions. Tenant shall make a resubmittal as expeditiously as possible. Tenant may continue

making resubmissions until the approval of the submissions or the time specified in any conditional approval.

3.4. Changes in Construction Documents.

(a) Approval of Changes in Construction Documents. Tenant shall not make or cause to be made any material changes in any Port-approved Construction Documents without Port's express written approval in its reasonable discretion as provided in Section 3.4(b) below. Prior to making any changes that Tenant considers to be non-material to any Port-approved Construction Documents, including, without limitation, substituting materials which are the architectural equivalent as to aesthetic appearance, quality, color, design and texture, Tenant shall notify Port in writing. If Port in its reasonable discretion determines that such noticed changes are material, then such changes shall be subject to Port's approval under Section 3.4(b). Port's determination of whether such changes are material will be conclusive. Without otherwise limiting the requirements of this Section 3.4(a), any changes that cost Fifty Thousand Dollars (\$50,000.00) or less in the aggregate and that would not otherwise affect the structural elements of the Initial Tenant Improvements shall be presumed to be non-material changes.

(b) Response. Tenant shall request in writing Port's approval in connection with all material changes to the Construction Documents. Port shall respond to Tenant in writing within thirty (30) days after receipt of Tenant's request. If Port fails to respond within five (5) business days after Tenant's second written request made to Port after the thirty (30) day period, such changes will be deemed disapproved.

3.5. Progress Meetings/Consultation. During the preparation of Construction Documents, Port staff and Tenant agree to hold regular progress meetings, as appropriate considering Tenant's Construction Document progress, to coordinate the preparation of, submission to, and review of Construction Documents by Port. Port staff and Tenant (and its applicable consultants) agree to communicate and consult informally as frequently as is reasonably necessary to assure that the formal submittal of any Construction Documents to Port can receive prompt and speedy consideration.

4. NO FORCE MAJEURE

4.1. Completion of Construction. Tenant shall use its best efforts to commence, prosecute and complete construction of the Initial Tenant Improvements by the dates set forth in the Schedule of Performance, and in any event shall Complete construction of the Core Improvements no later than nine (9) months and the Interior Improvements no later than twelve (12) months following the Commencement Date. During the Construction Period, Tenant shall submit written progress reports to City, in form and detail as may be required reasonably by Port, but at least on a monthly basis.

4.2. No Force Majeure. Tenant's obligation to Complete construction of the Initial Tenant Improvements as set forth in Section 4.1 above shall be final and absolute and shall not be subject to Force Majeure, Port delays, Regulatory Approval delays or any other delays.

4.3. Port's Remedy for Tenant's Failure to Timely Complete Construction.

In the event Tenant fails to complete the Core Improvements in a manner sufficient to cause Port to issue a Certificate of Completion for the Core Improvements by the date that is One Hundred Eighty (180) days from the Commencement Date, Tenant shall pay to Port an amount equaling Two Hundred Dollars (\$200.00) amount per day commencing on the date that is One Hundred Eighty (180) days from the Commencement Date and shall continue at such rate until Port has issued a Certificate of Completion for the Core Improvement notwithstanding the Base Rent that would otherwise be payable for such period. In the event Tenant fails to complete the Interior Improvements in a manner sufficient to cause Port to issue a Certificate of Completion Interior Improvements by the date that is Three Hundred Sixty-Five (365) days from the Commencement Date, Tenant shall pay to Port an amount equaling Fifty Dollars (\$50.00) per day commencing

on the date that is Three Hundred Sixty-Five (365) days from the Commencement Date and shall continue at such rate until Port has issued a Certificate of Completion for the Interior Improvements notwithstanding the Base Rent that would otherwise be payable for such period. Under no circumstances shall these deadlines be extended due to Force Majeure, Port delays or other reasons.

THE PARTIES HAVE AGREED THAT PORT'S ACTUAL DAMAGES IN THE EVENT OF TENANT'S FAILURE TO COMPLETE CONSTRUCTION OF THE REQUIRED IMPROVEMENTS BY THE DATES SPECIFIED ABOVE WOULD BE EXTREMELY DIFFICULT OR IMPRACTICABLE TO DETERMINE. THEREFORE, BY PLACING THEIR INITIALS BELOW, THE PARTIES ACKNOWLEDGE THAT THEY HAVE AGREED UPON THE SUM SPECIFIED ABOVE, AFTER NEGOTIATION, AS THEIR REASONABLE ESTIMATE OF PORT'S DAMAGES IN SUCH EVENT.

5. CERTIFICATE OF COMPLETION

5.1. *Certificate of Completion.*

(a) Issuance Process.

(i) Before issuance by Port of a Certificate of Completion for the Core Improvements, Tenant may not occupy the Premises except for construction purposes under this Work Letter or the Lease.

(ii) After Tenant has Completed the construction of the Core Improvements or the Interior Improvements as the case may be in accordance with all the provisions of this Work Letter, including, but not limited to, the Project Requirements, Tenant may request a Certificate of Completion for the Core Improvements or the Interior Improvements in writing. Port shall act on Tenant's request within sixty (60) days of receipt.

(iii) Port's issuance of any Certificate of Completion does not relieve Tenant or any other Person from any obligations to secure or comply with any Regulatory Approval of any agency (including Port) that may be required for the occupancy or operation of the Initial Tenant Improvements.

(b) *Condition to Approval.* If there remain uncompleted (i) finishing details, minor omissions, decorations and mechanical adjustments of the type normally found on an architectural "punch list", (ii) landscaping, (iii) exterior finishes (to the extent Tenant can demonstrate to Port's reasonable satisfaction that such exterior finishes would be damaged during the course of later construction of Interior Improvements), or (iv) any other item that Port approves in writing in its sole and absolute discretion (collectively "Deferred Items"), Port may reasonably condition approval upon provision of security or other assurances in form, substance and amount satisfactory to Port that all the Deferred Items will be completed in a timely fashion. Such security may include a letter of credit (in a form and issued by an institution acceptable to Port) in the amount of one hundred ten percent (110%) of the cost of completion of the Deferred Items as reasonably determined by Port. The obligations set forth in this subsection shall survive a termination of the Lease.

(c) *Definition of Completed.* For purposes of this Work Letter and Port's issuance of a Certificate of Completion in accordance with the provisions of Section 5.1(a), "Completed" means completion by Tenant of all aspects of the Core Improvements or the Interior Improvements as the case may be in accordance with the Project Requirements, and in compliance with all Regulatory Approvals needed for the occupancy and development of the Project or provision of security satisfactory to Port for Deferred Items under Section 5.1(b), and issuance of applicable certificates of occupancy for all of the Initial Tenant Improvements.

6. TERMINATION OF LEASE

6.1. Plans and Data. If the Lease terminates as a result of an Event of Default by Tenant before Completion of the Initial Tenant Improvements, Tenant shall assign and deliver to Port (without cost to Port) any and all copies of reports in its possession regarding the Premises and all Construction Documents in the possession of or prepared for Tenant, for the contracting of the Initial Tenant Improvements within thirty (30) days after written demand from Port. Port may use said reports and Construction Documents for any purpose whatsoever relating to the Premises; provided, however, Port shall release Tenant and Tenant's contractor, architect, engineer, agents, employees and other consultants from any Losses arising out of Port's use of such reports and Construction Documents except to the extent such contractor, architect, engineer, agent, employee or other consultant is retained by Port to complete the Initial Tenant Improvements. Tenant shall include in all contracts and authorizations for services pertaining to the planning and design of the Initial Tenant Improvements an express agreement by the Person performing such services that Port may use such reports or Construction Documents as provided in this Section 6.1 without compensation or payment from Port in the event such reports or Construction Documents are used.

Documents are delivered to Port under the provisions of this Section 6.1, provided that Port agrees (i) not to remove the name of the preparer of such reports or Construction Documents without the preparer's written permission or (ii) to remove it at their written request.

6.2. Return of Premises. If the Lease terminates during the Construction Period due to an Event of Default by Tenant, Tenant shall, at its sole expense and as promptly as practicable, return the Premises to Port in a safe condition, and unless otherwise requested by Port, shall promptly remove all Improvements, loose building materials and debris present at the Premises resulting from Tenant's construction activities. In the event that Tenant is required to return the Premises as aforesaid, Tenant shall obtain those permits customary and necessary to enter upon the Premises in order to complete such work and shall otherwise comply with applicable Law. In such event, Port shall cooperate with Tenant in Tenant's efforts to obtain such permits, provided that Port will not be required to expend any money or undertake any obligations in connection therewith. The provisions of this Section shall survive any termination of the Lease.

**NOTICE TO EMPLOYEES,

ASBESTOS IN BUILDINGS

**FOR: Pier 24 Annex
FOR PERIOD ENDING: March 2005**

It is the responsibility of the master tenant to provide this notice to any subtenant within their leasehold.

In January of 1989, Assembly Bill 3713 was signed into law and added to the California Health and Safety Code. This bill provides for written notice to employees concerning specific matters related to working in a building with asbestos containing construction materials. It applies to building built before 1979 where the owner knows that the building contains asbestos-containing materials; it does not require that a building be surveyed to determine the presence of asbestos.

WHAT IS ASBESTOS?

Asbestos is a naturally occurring group of fibrous minerals which have been used extensively in public buildings, apartment buildings and homes. Asbestos was incorporated into pipe insulation, acoustic plaster, acoustic tile, duct and furnace insulation, floor tiles, textiles and hundreds of other building materials. In most City buildings, asbestos is located in insulation on piping systems, acoustic plaster on ceilings, acoustic ceiling tiles, vinyl asbestos floor tiles, and structural fireproofing.

This notification includes the results of any air monitoring or bulk sampling for asbestos that has been conducted in your building during the previous calendar quarter. (This notice may also include older information of asbestos samples, for your information.)

WHY IS ASBESTOS HAZARDOUS?

Asbestos is a concern because of the potential health risks associated with breathing asbestos fibers. It is important for you to know that most people with asbestos-related diseases were asbestos workers before 1972. These workers were repeatedly exposed to high levels of asbestos each working day with little or no protection. Asbestos workers today are required to follow specific work practices and wear appropriate protection to minimize exposure.

Significant exposure to asbestos fibers can lead to asbestosis and certain forms of cancer. Asbestosis is one of the many dust-related lung diseases. It is associated with chronic exposure to relatively high levels of asbestos and is characterized by the permanent deposition of asbestos fibers in the respiratory tract. The earliest and most prominent clinical finding, breathlessness upon exertion, rarely becomes apparent until at least a decade of exposure.

In addition to asbestosis, the association of asbestos and lung cancer has been well established over the past two decades. Scientists have studied insulation and shipyard workers who were exposed to HIGH AIRBORNE LEVELS of asbestos. These studies indicated that asbestos workers were about five times as likely to get lung cancer as non-asbestos workers who did not smoke. Asbestos workers who also smoke were found to be at much greater risk (about 50 times) of dying of lung cancer than non-smoking non-asbestos workers. Mesothelioma, a rare form of cancer of the chest or abdominal cavity, occurs among occupational groups exposed to certain types of asbestos.

ASBESTOS SAMPLING RESULTS

A summary of the results of recent asbestos bulk sampling or air monitoring is attached to this notice.

A variety of exposure standards and health action levels have been established for various purposes:

The Occupational Safety and Health Administration (OSHA) asbestos standards (Title 29 of the Code of Federal Regulations), which apply to employees who actually work with asbestos, mandate a permissible exposure limit (PEL) of 0.1 fibers per cubic centimeter of air (f/cc) determined as an 8 hour time weighted average (TWA) and an excursion limit of 1 f/cc as a 30 minute TWA. When employees are exposed at these levels, OSHA and Cal/OSHA (Title 8 of the California Code of Regulations) require medical monitoring and other control methods.

The Environmental Protection Agency (EPA) has recommended a "clearance level" for asbestos of 0.01 f/cc, as measured by phase contrast microscopy (PCM). If measured by the transmission electron microscopy (TEM) method described in 40 CFR Part 763, the Asbestos Hazard Emergency Response Act (AHERA), the clearance level is either 0.02 structure/cc or 70 structures per square millimeter of filter (s/mm²). This means that once an operation involving asbestos (such as removal) is complete, the area is "safe" for re-occupancy as long as the asbestos air concentrations are less than or equal to the "clearance level". These same levels have also been adopted in the California Education Code (Section 494200.7) as the school abatement clearance level.

The state of California has an additional requirement relating to disclosure of the presence of asbestos. Proposition 65, which was voted into law by the state citizens, basically requires posting of area where anyone is exposed to a carcinogen at a level where there is a significant risk of cancer. The California Health and Welfare Agency has established this level at 100 fibers of asbestos per day.

GENERAL PROCEDURES AND HANDLING RESTRICTIONS

As you can see, the concern is with asbestos fibers in the air. When asbestos materials are in good condition, it is unlikely that fibers will be released into the air, unless the asbestos materials are damaged or disturbed. Asbestos-containing materials must not be disturbed so that fibers do not get into the air. Do not cut into, drill into, nail, or pin anything onto, sand, move bump, rub against or otherwise disturb any asbestos containing materials. If you should discover any damaged asbestos-containing material, do not touch it; do not attempt to clean it up. Contact your supervisor or property manager immediately and report the situation.

City employees required to enter areas and perform work activities that might involve the disturbance of asbestos materials have been trained in the proper procedures to minimize exposure. Work that requires major disturbances of asbestos materials (such as removal) is performed under specifications which include work practice procedures, removal techniques, clean up and clearance air sampling.

If any construction, maintenance, or remodeling is conducted in an area of the building where there is the potential for employees to come in contact with, or release or disturb asbestos containing building materials, it is required that the area be posted with a clear and conspicuous warning sign. The warning sign must read:

**"CAUTION. ASBESTOS
CANCER AND LUNG DISEASE HAZARD
DO NOT DISTURB WITHOUT PROPER TRAINING AND EQUIPMENT"**

Much of this information may be new to you. If you have questions about asbestos, you may call the Department of Public Health Toxic Substances Control Program at 252-3800 to answer your questions.

This written announcement fulfills the asbestos notification requirement of Division 20, Chapter 10.4, Section 25915 of the California Health and Safety Code (Assembly Bill 3713).

1.0 Executive Summary

This report summarizes the results of a survey for lead-based paint, asbestos-containing construction materials, and associated environmental hazards, at the Pier 24 Annex in San Francisco, CA. The survey was conducted on June 20, 2007.

Asbestos-containing materials identified in the property are summarized below:

Sample ID	Description	Asbestos?
Asbestos Containing Materials (confirmed by testing)		
RFMA S-5-1,2,3	Black/gray roofing mastics along upper and lower roof perimeters	Yes
CAULK-6-1	Yellow painted caulking around window perimeter	
Presumed Asbestos Containing Materials		
LiConc-AAA	Lightweight concrete (topslab) suspected present between roofing and roof deck	Assumed
VAPBAR-AAA	Vapor barrier possibly under concrete slab	

Prior to any renovations or demolition, the National Emission Standard for Hazardous Air Pollutants (NESHAP) mandated by the Environmental Protection Agency (EPA) and locally enforced by the Bay Area Air Quality Management District (BAAQMD) require:

1. Building be inspected for asbestos-containing materials; and
2. Materials subject to damage or which will be made friable should be removed.

Most of representative paint samples collected in the Property were found to be above the HUD definition for lead-based paints (5000 ppm) and dust control procedures are required throughout the demolition/renovation of painted elements to comply with the Cal/OSHA regulations under 8 CCR 1532.1.

2.0 Introduction

This report summarizes the results of a pre-renovation survey conducted at the Pier 24 Annex in San Francisco, California, on June 20, 2007. The purpose of the survey was to determine the presence of regulated and/or potentially hazardous building materials in the building, which will be converted into an art storage facility. Materials addressed in the survey include:

- Asbestos-containing materials (ACM);
- Lead in paints;
- Polychlorinated biphenyls (PCB); and
- Fluorescent light bulbs containing mercury.

Individuals involved in the project, and their technical certifications, included:

SCA Staff	Role	Certifications
Chuck Siu, PE, CIH, CAC	Principal	<ul style="list-style-type: none">▪ Certified Asbestos Consultant (CAC #92-0098);▪ Certified Lead Inspector/Assessor, Project Designer & Project Monitor (DHS #I/D/M-851);▪ Professional (Civil) Engineer (PE #C59672), since 1979; and▪ Certified Industrial Hygienist (CIH #CP2697).

The property is a single story building with approximately 23,000 SF of usable space. The exterior walls are stucco (the side facing Embarcadero) and wood panels (the other three sides). Interior finishes include painted concrete floors, wood walls and ceiling.

The property has operable windows. No heating, cooling and domestic hot water systems were observed in the property.

3.0 Methodology

3.1 Asbestos-Containing Materials

Asbestos sampling was performed in a fashion designed to minimize exposure of the surveyor or Subject Property occupants to airborne asbestos fibers. Samples were typically removed from the substrate utilizing a knife, the sample material was then placed into an airtight plastic vial. The vial's exterior was labeled with a unique sample I.D. The vial was then stored in a plastic bag.

Samples of suspect materials were collected using triplicate sampling procedures. Under these procedures, the first sample is analyzed. If it tests positive for asbestos (>1%), the analysis is suspended for further samples of that material. If the first sample tests only trace positive (between 0.1 to 1%), or negative, then the second and third samples are analyzed sequentially, in order to determine the possible presence of asbestos. If all three samples test negative, the material is considered as non-asbestos. If one or more samples test "trace" positive (<1%), the material is considered to be trace positive. If one or more samples are positive for asbestos, the material is considered positive.

Certain materials, such as gypsum board systems, are frequently non-homogeneous in content. For such materials, multiple samples were gathered at various points in the Subject Area, with all samples analyzed to determine the possible presence of asbestos.

All asbestos samples collected were submitted to ALSF Laboratories, Inc., for analysis by polarized light microscopy with dispersion staining (DS/PLM). The Bay Area Air Quality Management District's (BAAQMD), the Federal Environmental Protection Agency's (EPA), and California Environmental Protection Agency's (Cal/EPA) regulations all specify the DS/PLM method.

3.2 Lead-Containing Paints

Lead sampling was performed in a fashion designed to minimize exposure of the surveyor or Subject Property occupants. Samples were typically removed from the substrate utilizing a knife, the sample material was then placed into an airtight plastic vial. The vial's exterior was labeled with a unique sample I.D. The vial was then stored in a plastic bag.

All lead samples collected were submitted to Asbestos TEM Lab, for analysis by Atomic Absorption Spectroscopy per EPA Method 3050A Digestion/7420 Analysis.

Most paints contained measurable amounts of lead. For the purpose of complying with the Cal/OSHA lead in construction regulation (8 CCR 1532.1), SCA recommends that all coated surfaces be considered to contain some lead. The aforementioned regulation contains requirements for lead air monitoring, work practices, respiratory protection, etc., that are triggered by the presence of even very low levels of lead. In addition, based on the California Total Threshold Level Concentration (TTLC) hazardous waste standard, the paints may be classified as hazardous wastes. Additional sampling and analysis for leachable lead content by the Contractor or Consultant during demolition will be required for waste characterization

3.3 Polychlorinated Biphenyls

PCB-containing ballasts in fluorescent light fixtures can be identified by visually examining the ballasts in a representative number of light fixtures. The ballast manufacturing industry has taken the active step of labeling new non-PCB containing ballasts, so that any ballast not labeled as non-PCB can reasonably be assumed to contain PCB.

3.4 Mercury-Containing Items

Fluorescent lamps, which contain mercury, would be visually observed. Mercury is a neurotoxin and a hazardous waste, and Cal/EPA currently regulates its disposal.

4.0 Applicable Standards

4.1 Asbestos-Containing Materials

ACM is defined by EPA regulations as those substances containing greater than 1% asbestos. The BAAQMD and the Cal/EPA provide local enforcement of these regulations. Friable ACM with greater than 1% asbestos needs to be disposed of as asbestos waste.

Prior to renovation of a Building, the BAAQMD requires abatement of friable ACM, as well as non-friable ACM that may become friable during renovation (practically, this means all non-friable ACM).

Federal Occupational Safety and Health Administrations (OSHA) regulations, locally enforced by CAL/OSHA, define ACM as substances that contain greater than 1% asbestos. Cal/OSHA also mandates special training, medical exams, personal protective equipment and record keeping for employees working with ACM. If a material contains less than 1% asbestos but more than 0.1% asbestos, the material may be disposed of as non-ACM, but the Cal/OSHA requirements would still have to be followed regarding workers' protection and Contractor licensing.

"Trace" materials are currently regulated in California and require the following:

- Removal using wet methods;
- Prohibition of removal using abrasive saws or methods which would aerosolize the material;
- Prompt clean-up of the impacted zone, using HEPA-filtered vacuums, as applicable;
- Employer registration by Cal/OSHA for removal quantities exceeding 100 sq. ft. per year; and
- Cal/OSHA Carcinogen Registration by the Demolition or Abatement Contractor impacting such materials.

4.2 Lead-Containing Paints

Since elemental lead is a suspect carcinogen and known teratogen and neurotoxin in high doses, lead-containing materials need to be identified prior to the on-set of demolition activities. Using combinations of engineering controls and personal protective equipment, lead-containing materials can be removed safely. Several sources of applicable standards are listed as follows:

1. Lead exposures in the workplace are regulated by Cal/OSHA, which has certain regulatory requirements for identifying and controlling potential lead exposures. Currently applicable regulations for the construction industry have been adopted by Cal/OSHA (8 CCR 1532.1) from the Federal OSHA regulations. The current OSHA 8-hour Permissible Exposure Level (PEL) for lead is 50 $\mu\text{g}/\text{m}^3$.
2. Current EPA and Cal/EPA regulations do not require LBP to be removed prior to demolition, unless loose and peeling. Provided that the paints are securely adhered to the substrates (i.e., non-flaking or non-peeling), disposal of intact demolition debris can generally be handled in California as non-hazardous and non-RCRA waste.

In California, loose and peeling LBP or other wastes require characterization and testing for leachability. Disposal requirements are as follows:

- a. If the Total Threshold Level Concentration (TTL) is <50 ppm, it is considered non-RCRA, non-hazardous waste since it is impossible to exceed the WET test limit of 5 mg/l using the 10 to 1 ratio.
- b. If the TTL is <350 ppm and the WET test is <5 mg/l then the waste has low leachability and is classified non-RCRA non-hazardous waste.
- c. If the TTL is >350 ppm and the WET test is <5 mg/l then it again has low leachability and is classified as non-RCRA, non-hazardous waste.
- d. If the TTL is >350 ppm and the WET test results are >5 mg/l, then the TCLP must be run. Then if the TCLP is >5 mg/l the waste must be stabilized and if <5-mg/l stabilization is not required. Whether stabilized or not, both conditions are classified as RCRA hazardous waste.

3. The major definitions of LBP or lead-coated surfaces are listed as follows:

- a. HUD defines LBP as paint that contains either $\geq 0.5\%$ by weight of lead, or $\geq 1 \text{ mg/cm}^2$.
- b. Consumer Product Safety Commission (CPSC) prohibits the manufacturing of paint that contains more than 600 ppm (0.06%) of lead.

Given the myriad of confusing definitions and regulations, this report uses the HUD's definition for the purpose of identifications, but compliance to Cal/OSHA's Construction Lead Standard is required for all paints with any measurable lead content.

4. Lead is on the "Proposition 65" list, given its toxic potential in causing reproductive hazards.
5. The California Department of Health Services (DHS) requires the use of Certified Lead Workers and Supervisors for lead abatement projects at public Buildings with a greater than 20 years expected life or whenever work is completed specifically to abate Lead-Based paints as defined by HUD. The DHS certification requirements do not apply to industrial sites; however, dust controls and personnel protection are still required under 17 CCR Section 35001 through 36100.

4.3 PCB Ballasts and Mercury-Containing Items

Cal/EPA regulates disposal of both materials. To reduce liability concerns, many building owners opt to have PCB ballasts incinerated, with a record of destruction generated. A slightly less expensive approach involves recycling of the components (and incineration of the small amount of PCB's separately). However, this method may pose liability concerns for Building Owners.

Mercury lamps are best treated by recycling.

5.0 Results and Conclusions

5.1 Asbestos

The detailed results (including quantities found in each location) of the asbestos survey are shown in the Material Matrix Report in Attachment 1. Asbestos-sample locations are shown on drawings included as Attachment 4.

Asbestos sampling results are summarized below:

Sample ID	Description	Asbestos?
Asbestos Containing Materials (confirmed by testing)		
RFMAS-5-1,2,3	Black/gray roofing mastics along upper and lower roof perimeters	Yes
CAULK-6-1	Yellow painted caulking around window perimeter	
Presumed Asbestos Containing Materials		
LiConc-AAA	Lightweight concrete (topslab) suspected present between roofing and roof deck	Assumed
VAPBAR-AAA	Vapor barrier possibly under concrete slab	
Non-asbestos materials based on testing or visual observation		
FLPANT-1-1,2,3	Paint on concrete floor	No
PUTTY-2-1,2,3	Interior window putty, no putty was observed on the exterior side of the windows	
STUCCO-3-1,2,3	White painted stucco exterior wall	
RFAG-4-1,2,3	Asphalt and gravel roofing materials	
PAINT-7-1,2,3	Paint on exterior wood wall panels	
WOOD-NNN	Wood columns, beams and ceiling panels	

5.2 Lead-Containing Paints

Lead paint sample results are tabulated below:

Sample ID	Description	Location	Lead (ppm)	Condition
BE-1	Beige metal rolled up door	Interior	260000	Peeling (P)
BE-2	Beige metal drain pipe		340000	P
BE-3	Beige wood column ⁽¹⁾		220000	Intact (I)
OW-4	Off white wood column		150000	I
BE-5	Beige wood wall		330000	I
GY-6	Gray concrete floor		5000	P
BE-7	Beige concrete floor		7600	P
YE-8	Yellow concrete floor		5500	P
RF-9	Asphalt and gravel roof	Roof	140	I
RF-10	Asphalt and gravel roof		100	I
YE-11	Yellow metal window		76000	P
OW-12	Off-white stucco wall	Exterior	930	P
GY-13	Gray metal ladder (access to the roof)		42000	P
GY-14	Gray wood wall		310000	P
GY-15	Gray metal rolled up door		350000	P
GY-16	Gray wood wall		200000	P

Most paint sample results were found to be above the HUD definition for lead-based paints (5000 ppm) and dust control procedures are required demolition/renovation of painted elements to comply with the Cal/OSHA regulations under 8 CCR 1532.1. **All paints, glazes, coatings, shall be treated as having a lead content greater than 600 ppm requiring dust control procedures in compliance with 8 CCR 1532.1.**

None of the applicable regulations require removal of lead paint prior to renovation if the paints are securely adhered to the substrates (i.e., non-flaking or non-peeling). Disposal of the demolition debris in this case can be handled as non-hazardous and non-RCRA waste after the loose and flaking paints have been removed, as long as demolition practices do not compromise worker safety.

Conventional demolition techniques should be employed for all painted surfaces with the Contractor complying with applicable OSHA and Cal/OSHA statutes regarding:

- Worker awareness training;
- Exposure monitoring, as needed;
- Medical examinations, which may include blood lead level testing; and
- Establishing a written respiratory protection program.

5.4 Polychlorinated Biphenyls

No lighting ballast was observed in the property.

5.5 Mercury-Containing Items

No fluorescent tube was observed in the property. SCA did not observe mercury-containing thermostats during the survey.

6.0 Limitations and Exclusions

SCA warrants that this survey was performed using due care and state of the art techniques. Beyond this, SCA does not warrant or guarantee the survey. Despite the care exercised, some materials may not have been identified, or may have been incompletely identified. This condition may occur due to renovations or original construction practices that concealed older materials, and/or visually similar materials with different compositions.

This document is not a stand-alone document; abatement of materials is recommended to be completed under the oversight and design of an AHERA-accredited Project Designer and Certified Asbestos Consultant. Although due care is exercised in the course of the survey, concealed materials may be found in the course of performing the abatement or demolition; a contingency budget should be included in any cost estimates by SCA to cover unexpected conditions.

PORT OF SAN FRANCISCO

MEMORANDUM

TO: Port Deputy Directors

DATE: April 26, 2002

FROM: Ed Byrne

SUBJECT: Pier 24 Annex - Rapid Structure Evaluation

cc: Nita Mizushima

Ed Bubnis

U. Prasad

P. Williamson

In accordance with the Port's Facility Assessment Notification Protocol, this message transmits to you the Rapid Structural Assessment for the Pier 24 Annex superstructure and substructure. This site inspection and evaluation were requested by the Real Estate Department for a potential future use of the facility. Unfortunately, this facility needs further detailed evaluation and repair before it can be re-occupied. Following are the Rapid Assessment Forms for the building superstructure and the substructure. Following those forms and photos is a drawing showing the damage to the substructure. The drawing's keynote items 1 through 4 and the rotted building columns would need to be repaired prior to re-occupancy.

Since this facility is not occupied there is no immediate action required by Port Staff. As noted on the rapid evaluation sheets, this facility requires detailed evaluation and repair prior to re-occupancy. The facility should be repaired in the near future to avoid possible collapse due to the deteriorated condition of major structural framing elements.
