Hello,

Please see attached for the introduction documents for a resolution in support of California State Assembly Bill No. 2479 (Assm. Haney). Attached is a word document of the resolution text and a PDF document of the state legislation's text.

Including [@Carrillo, Lila \(BOS\)](#) from Sup. Safai's office to confirm their co-sponsorship.

The California State Association of Counties and the League of California Cities have not taken a position on the bill. I am confirming that this matter is routine and not contentious in nature.

Please let me know if there are any questions about this resolution introduction.

Best,

Sam Logan | Legislative Aide
