19 may be contingent on the issuance and delivery of the Bonds. The City shall also charge an  
20 annual fee for monitoring compliance with the provisions of the Regulatory Agreement in an  
21 amount not to exceed 0.125% of the outstanding aggregate principal amount of the Bonds,

2 executing the Trust Indenture, the Regulatory Agreement, the Loan Agreement or the Bond  
3 Purchase Agreement (collectively, the "City Agreements"), in consultation with the City  
4 Attorney and Co-Bond Counsel, is hereby authorized to approve and make such  
5 modifications, changes or additions to the City Agreements as may be necessary or  
6 advisable, provided that any such modification does not authorize an aggregate principal

8 than forty (40) years from the date of issuance thereof, or provide for the Bonds to bear  
9 interest at a rate in excess of twelve percent (12%) per annum. The approval of any  
10 modification, addition or change to any of the aforementioned documents shall be evidenced  
11 conclusively by the execution and delivery of the document in question.

12           Section 9. Ratification. All actions heretofore taken by the officers and agents of the  
13 City with respect to the issuance of the Bonds, as consistent with the documents herein and

16 and directed, for and in the name and on behalf of the City, to do any and all things and take  
17 any and all actions and execute and deliver any and all certificates, agreements and other  
18 documents, including but not limited to assignments, subordinations, tax documents and

### REPRESENTATIONS AND WARRANTIES

Section 2.1. Representations and Warranties of the City. The City represents, warrants and covenants that:

(a) The City is a municipal corporation, duly organized and validly existing under its charter and the constitution and laws of the State. Under the provisions of the Act, the City has the power to enter into the transactions on its part contemplated by this Loan Agreement, the Indenture, the Bond Purchase Agreement and the Regulatory Agreement (collectively, the "City Documents") and to carry out its obligations hereunder and thereunder. The financing of the Project constitutes and will constitute a permissible public purpose under the Act. (b) Neither the execution and delivery of the Bonds and the City Documents, nor the City's compliance with the terms, conditions or provisions on the part of the City in the Bonds and the City Documents, to the knowledge of the City without investigation, conflicts in any material respect with or results in a material breach of any of the terms, conditions or provisions of any constitution or statute of the State, or of any agreement, instrument, judgment, order or decree to which the City is now a party or by which it is bound or constitutes a material default by the City under any of the foregoing.

(c) The City has not created and will not create any debt, lien or charge upon the asset and monies explicitly pledged to the repayment of the Bonds under the Indenture, and has not made and will not make any pledge or assignment of or create any encumbrance thereon, other than the pledge and assignment thereof under the Indenture.

(d) The City has complied and will comply with all material provisions of the Act to be complied with by the City applicable to the Bonds and the transactions contemplated by this Loan Agreement and the other City Documents.

(e) The Bonds are being issued under the Indenture, and are secured by the Indenture pursuant to which the City's interest in this Loan Agreement (other than the Reserved Rights) is pledged and assigned to the Trustee. The City covenants that it has not pledged and will not pledge or assign its interest in this Loan Agreement other than to the Trustee under the Indenture.

(f) No litigation or administrative action of any nature has been served on the City and is now pending (i) seeking to restrain or enjoin the execution and delivery of the Indenture, this Loan Agreement or the Regulatory Agreement, or in any manner questioning the proceedings or authority of the City relating thereto or otherwise affecting the validity of the Bonds, or (ii) challenging the existence or authority of the

City or its officers or that of the members of the Board of Supervisors or its officers and, to the knowledge of the City, none of the foregoing are threatened.

(vii) It acknowledges, represents and warrants that it understands the nature and structure of the Project; that it is familiar with the provisions of all of the documents and instruments relating to the financing of the Project to which it is a party; that it understands the risks inherent in such transactions, including without limitation the risk of loss of its interests in the Project; and that it has not relied on the City for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the City in any manner except to issue the Bonds in order to provide funds to make the Loan.

(ix) It covenants that it will not take, or knowingly cause or suffer to be taken by the Trustee, any action with respect to the proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.

(xiv) All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the City or the Bondholder Representative in respect of the Project by or on its behalf, to the best of its knowledge, (A) are accurate and complete in all material respects, (B) accurately represent, in all material respects, the financial condition of the Project as of the date of such reports, and (C) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with the Approved Accounting Method, except as disclosed therein. Other than as discussed in its financial information provided to the Bondholder Representative in writing, it has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in its financial condition, operations or business from that set forth in said financial statements.

(xv) It has not received written notice of any Condemnation or other proceeding that has been commenced and, to its' knowledge, no Condemnation or other proceeding has commenced or is contemplated, threatened or pending with respect to all or part of the Project or for any relocation of any roadways providing access to the Project.

(xx) It is not (A) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; or (B) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended.

(xxi) It has not accepted its interests in the Loan or entered into any Bond Document with the actual intent to hinder, delay or defraud any creditor, and it has received reasonably equivalent value in exchange for its obligations under the Bond Documents. To the best of its' knowledge, the fair saleable value of its assets (which assets shall include any interests it may have in any cash proceeds held in escrow or pursuant to the Investment Agreement in connection with either the Bonds or any subordinate debt of the Project) is and will, immediately following the execution and delivery of the Bond Documents, be greater than its then liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. construction and operation of the Project from applicable local governmental agencies and agencies of the State and the federal government.

(iv) The Borrower shall make no changes to the Project or to the operation thereof which would affect the qualification of the Project under the Act or impair the exclusion from gross income of the owners thereof for federal income tax purposes of the interest on the Bonds (other than the exclusion from gross income of the interest on the Bonds in respect of a "substantial user" of the Project or a "related person," as such terms are used in Section 147(a) of the Code). To the Borrower's knowledge, there are no

delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Bond Documents.

(xii) No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Bond Document.

(xiii) To the Borrower's knowledge, the Project will be served by water, sewer, sanitary sewer and storm drain facilities reasonably adequate to service it for its intended uses. Except as disclosed on the survey for the Project (the "Survey"), to Borrower's knowledge, all public utilities necessary or convenient to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting the Project or through a valid easement, and, except as disclosed on the Survey, to Borrower's knowledge, all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads reasonably necessary for the use of the Project for its contemplated purpose will be completed and, if required, dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, and except as reflected in the Survey, to Borrower's knowledge, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (A) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (B) the parties who benefit from and who are burdened by such easement and/or recreational facilities and amenities must be specified, (C) the Borrower's responsibilities are specified and the manner of calculation of the Borrower's share of expenses is specified, and (D) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

(xv) The building that contains the Project will be used as a multifamily residential rental project and other appurtenant and related uses, as well as certain unrelated uses (including approximately 48,485 square feet of retail space which is not part of the Project, and the construction and equipping of which are not being financed with proceeds of the Loan, as the costs of which are not Project Costs), which uses are

consistent with the zoning classification for the Project. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Project (collectively, the "Licenses") required at this time for the construction, development and equipping of the Project have been or will be obtained. To the Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. To the Borrower's knowledge, no Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Deed of Trust or deed in lieu of foreclosure thereunder. No proceedings that would result in a change of the zoning of the Project not consistent with the presently contemplated uses of the Project described in this paragraph are pending or threatened.

(xvi) As of the Closing Date, except as disclosed on the Survey, to Borrower's knowledge, all no structure within the property subject to the Deed of Trust lies or is located in an identifiable or designated Special Flood Hazard Area. Subsequent to the Closing Date, if any portion of the Project subject to the Deed of Trust is determined to be in a Special Flood Hazard Area, the Borrower will obtain appropriate flood insurance as required under the National Flood Insurance Act of 1968, Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994 as amended or as reasonably required by the Servicer pursuant to its underwriting guidelines (to the extent available at commercially reasonable rates).

(xx) All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Project to the Borrower have been or will be paid on or prior to the Closing Date. All mortgage, mortgage recording, stamp, intangible or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation,

filing, registration, perfection or enforcement of any of the Bond Documents to which the Borrower is a party have been or will be paid.

(xxi) There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than the Subordinate Debt, Permitted Encumbrances and the indebtedness described in Section 6.33, except an unsecured deferred developer fee and construction management fee not to exceed the amount permitted by Bondholder Representative as determined on the Closing Date.

(xxii) The Project, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 ("ADA"), to the extent required (as evidenced by an architect's certificate to such effect).

(xxiii) The Project satisfies (in all material respects) all requirements of the Act and the Code applicable to the Project.

(xxiv) The Project will be, as of the date of issuance of the Bonds, in all material respects, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Act and the Code, and pursuant to leases which comply with all applicable laws.

(c) The Borrower further represents, warrants and covenants that:

(i) It is a limited partnership, duly organized and existing under the laws of the State of Delaware.

(ii) It intends to hold its interests in the Project for its own account, and has no current plans to sell and has not entered into an agreement to sell any of its interests in the Project.

It is hereby acknowledged that, for purposes of this Loan Agreement, the term "knowledge" with regard to any person means known to such person (without any duty of investigation), and if such person is an entity, to any officer, director, general partner or manager of such person.

Section 2.3. Hazardous Waste Covenant. In addition to and without limitation of any other representations, warranties and covenants made by the Borrower under this Loan Agreement and under the other Loan Documents, the Borrower further represents, warrants and covenants that the Borrower will not use or permit Hazardous Materials (as defined hereinafter) on, from, or affecting the Project (a) in any manner which violates federal, state or local laws, ordinances, rules, or regulations governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, or (b) in a manner that would create a material adverse effect on the Project. (e) delivery to the Trustee for deposit in the Costs of Issuance Fund, or into escrow with the title company (or separate escrow company, if applicable), of all

amounts required to be paid in connection with the origination of the Loan and any underlying real estate transfers or transactions (including all Issuance Costs), as specified in written instructions delivered to the title company by counsel to the Bondholder Representative (or such other counsel as may be acceptable to the Bondholder Representative) and/or as specified in a closing memorandum of the Bondholder Representative; and

(f) the Construction Funding Agreement shall have been executed by the parties thereto, and all conditions to the purchase of the Bonds provided therein and in the Bond Purchase Agreement shall have been satisfied as evidenced by the advancement by the Bond Purchaser of the Initial Disbursement.

Section 3.2. Commitment to Execute the Note. The Borrower shall execute and deliver the Note, the Construction Funding Agreement, the Regulatory Agreement, the Tax Certificate and the Deed of Trust simultaneously with the execution by them of this Loan Agreement.

Section 3.3. Making of the Loan. The City hereby makes to the Borrower and agrees to fund, and the Borrower hereby accepts from the City, upon the terms and conditions set forth herein and in the Construction Funding Agreement, the Loan and agree to have the proceeds of the Loan applied and disbursed in accordance with the provisions of this Loan Agreement and the Construction Funding Agreement.

Section 3.4. Disbursement of Loan Proceeds and Other Amounts. (a) The City hereby authorizes and directs the first funding and disbursement of the Loan on the Closing Date in an amount equal to the Initial Disbursement, subject to the conditions set forth in Section 3.1 above and the conditions set forth in the Construction Funding Agreement. Subject to the foregoing, the Borrower hereby authorizes the City to disburse on the date of execution and delivery of the Note, the Initial Disbursement representing the first advance of the principal amount of Loan to be transferred to or for the benefit of the Borrower to be used to pay Qualified Project Costs.

(b) The Trustee shall make disbursements of the remaining principal amount of the Loan directly to or for the benefit of the Borrower subject to Section 3.03 of the Indenture, and on the terms and subject to the conditions set forth in the Construction Funding Agreement, and as follows: the parties express and acknowledge their mutual intent that at least ninety-five percent (95%) of the proceeds of the Loan which are proceeds of the Bonds be used exclusively to pay Qualified Project Costs which are includable in the aggregate basis of any building (the "Allowable Costs"), in order to comply with Section 42(h)(4)(B) of the Internal Revenue Code of 1986, as amended. The City hereby authorizes and requests that the Borrower maintains such accounting and other records as shall be necessary to carry out the mutual intent of the parties with respect to tracing the use of the Bond proceeds, and the City shall have no responsibility whatsoever with respect thereto. To further evidence their mutual intent, each disbursement of proceeds of the Loan shall: (i) identify the respective amounts of proceeds of the Bonds and the other sources of funds comprising each such disbursement, and (ii) be made such that proceeds of the Bonds may be deposited in a specially designated account which can be used only to pay Allowable Costs, and that the proceeds of the other sources of funds may be deposited into another, separate account or that such proceeds may otherwise be traced on the books and records of the Borrower in a manner sufficient to carry out the intent of the parties expressed hereinabove, and the Borrower (and not the City) shall be responsible for all such matters.

(c) Moneys in the Costs of Issuance Fund shall be disbursed by the Trustee in accordance with the instructions received from the City or the Borrowers pursuant to Section 5.05 of the Indenture.

The Borrower hereby acknowledges that the City's sole source of moneys to repay the Bonds will be provided by the payments made by the Borrower pursuant to this Loan Agreement, together with investment income on certain funds and accounts held by the Trustee under the Indenture, and hereby agree that if the payments to be made hereunder shall ever prove insufficient to pay all Bond Obligations as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon written notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such Bond Obligations, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, the Borrower, the City or any third party, subject to any right of reimbursement from the Trustee, the City or any such third party, as the case may be, therefor.

Section 5.1. Loan Repayment. (a) The Borrower shall make Loan Payments in accordance with and subject to the terms of the Note. Each Loan Payment made by the Borrower shall be made in funds immediately available to the Trustee or the Servicer by 2:00 p.m., New York City time, on the Loan Payment Date. Each such payment shall be made to the Trustee or the Servicer by deposit to such account as the Trustee or Servicer, as applicable, may designate by Written Notice to the Borrower. Whenever any Loan Payment shall be stated to

be due on a day that is not a Business Day, such payment shall be due on the first Business Day immediately thereafter. In addition, the Borrower shall make Loan Payments in accordance with the Note in the amounts and at the times necessary to make all payments due and payable on the Bonds. All payments made by the Borrower hereunder or by the Borrower under the other Bond Documents, shall be made irrespective of, and without any deduction for, any set-offs or counterclaims, but such payment shall not constitute a waiver of any such set offs or counterclaims.

(b) Except as otherwise set forth in the Indenture, the Borrower and the City each acknowledge that neither the Borrower nor the City has any interest in any moneys deposited in the funds or accounts established under the Indenture and such funds or accounts shall be in the custody of and (except for monies in the Rebate Fund and monies due the City on deposit in the Expense Fund) held by the Trustee in trust for the benefit of the Bondholders.

(c) Unless there is no Servicer, payments of principal and interest on the Note shall be paid by the Borrower to the Servicer. If there is no Servicer, payments of principal and interest on the Note shall be paid by the Borrower directly to Trustee.

(d) The Borrower shall pay to the Trustee on demand the following amounts; provided, however that the Borrower shall not be responsible for any costs associated with any securitization of the Bonds:

(i) the Rebate Amount then due, if any, to be deposited by the Trustee in the Rebate Fund as specified in Section 5.06 of the Indenture and the costs incurred to calculate such Rebate Amount (to the extent such costs are not included in the Loan Payment);

(ii) all fees, charges, costs, advances, indemnities and expenses, including agent and counsel fees, of the Trustee and the City (above and beyond the Trustee's Fee or the Issuer's Ongoing Fee) incurred under the Indenture, as and when the same become due;

(iii) all Issuance Costs and fees, charges and expenses, including agent and counsel fees incurred in connection with the issuance of the Bonds, as and when the same become due, to the extent not paid from the Costs of Issuance Fund;

(iv) all charges, costs, advances, indemnities and expenses, including agent and counsel fees (other than Issuance Costs paid on the Closing Date), of the City incurred by the City at any time in connection with the Bonds or the Project, including, without limitation, reasonable counsel fees and expenses incurred in connection with the interpretation, performance, or amendment and all counsel fees and expenses relating to the enforcement of the Bond Documents or any other documents relating to the Project or the Bonds or in connection with questions or other matters arising under such documents or in connection with any federal or state tax audit; and

(v) all late charges due and payable under the terms of the Note and Section 5.1(l) herein; provided, however, that all payments made pursuant to this subsection (e) shall be made to the Servicer, if there is no Servicer, such payments shall be made to the Trustee.

(e) The Borrower shall pay to the party entitled thereto as expressly set forth in this Loan Agreement or the other Bond Documents:

(i) all expenses incurred in connection with the enforcement of any rights under this Loan Agreement, the Regulatory Agreement, the Indenture or any other Loan Document or Bond Document by the City, the Servicer, the Bondholder Representative, the Trustee or the Bondholders;

(ii) all other payments of whatever nature that the Borrower has agreed to pay or assume under the provisions of this Loan Agreement, the Indenture and any other Bond Document; and

(iii) all reasonable expenses, costs and fees relating to inspections of the Project required by the Bondholder Representative or the Servicer in accordance with the Bond Documents or to reimburse such parties for such expenses, costs and fees.

(f) The Borrower further agrees to pay, prior to delinquency, all taxes and assessments, general or special, including, without limitation, all ad valorem taxes, concerning or in any way related to the Project, or any part thereof, and any other governmental charges and impositions whatsoever, foreseen or unforeseen, and all utility and other charges and assessments with respect thereto; provided, however, that the Borrower reserves the right to contest in good faith the legality of any tax or governmental charge concerning or in any way related to the Project. In addition, the Borrower agrees to pay any loan fee, processing fee and all title, escrow, recording and closing costs and expenses, any appraisal costs and all other reasonable fees and costs associated with or required in connection with the Bonds, the Regulatory Agreement and Indenture; including but not limited to any such amounts described in Section 8.06 of the Indenture.

(g) The Borrower hereby acknowledges and consents to the assignment by the City to the Trustee of the City's rights under the Note, the Deed of Trust, this Loan Agreement and the other Loan Documents (excepting only the Reserved Rights), and the appointment of the Trustee as agent of the City to collect the payments on the Loan (to the extent made to the Trustee under Section 5.1(c)), all as set forth herein and in the Indenture.

(h) The Borrower hereby agrees to pay the City fees and expenses described in Section 19 of the Regulatory Agreement.

(i) The Borrower agrees to pay to the City within fifteen (15) days after receipt of written request for payment thereof, all fees and out-of-pocket expenses of the City (including salaries and wages of City employees) related to the financing of the Project (and not including matters related solely to the construction of the Project) that are not otherwise required to be paid by the Borrower under the terms of this Loan Agreement (including Section 5.1(d)(iv) above) and are not paid from disbursements of the Loan or from the Expense Fund under the Indenture, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Bonds.

(j) The Borrower agrees to pay to the Trustee, immediately upon demand for payment thereof, its fees and all reasonable out-of-pocket expenses of the Trustee in connection with its serving as Trustee under the Indenture that are not otherwise required to be paid by the Borrower under the terms of this Loan Agreement, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Bonds.

(k) The Borrower shall deposit or cause to be deposited with the Trustee on the Closing Date an amount equal to the Initial Bond Fund Deposit and other deposits as set forth in Section 3.02 of the Indenture, if any. The Borrower shall deposit or cause to be deposited with the Trustee on the date of execution and delivery of this Loan Agreement an amount equal to the Costs of Issuance Deposit.

(l) If any Borrower Payment Obligation is not paid by or on behalf of the Borrower when due, the Borrower shall pay to the Servicer a Late Charge in the amount and to the extent set forth in the Note, if any. Any such Late Charge shall not be deemed to be additional interest or a penalty, but shall be deemed to be liquidated damages because of the difficulty in computing the actual amount of damages in advance. Late Charges shall be secured by the applicable Bond Documents. Any action regarding the collection of a Late Charge will be without prejudice to any other rights, nor act as a waiver of any other rights, that the Servicer, the City, the Trustee or the Bondholder Representative may have as provided herein, at law or in equity.

Section 5.2. Optional Prepayment of Note. The Borrower shall have the option to prepay the Note to the extent and in the manner set forth therein, exercisable by Written Notice to the City and the Trustee given at least 60 days prior to the proposed prepayment date (or such shorter time as agreed to by Bondholder Representative in its sole discretion), for the purpose of redeeming Outstanding Bonds in accordance with Section 4.01(a) of the Indenture on a permitted redemption date of the Bonds or paying the Bonds at maturity.

In connection with any such proposed prepayment, if the Bonds are not credit enhanced by a Credit Facility, the Borrower shall deposit funds with the Trustee by 12:00 p.m. New York City time on the date of prepayment at a prepayment price equal to the principal balance of the Note to be prepaid, plus interest thereon to the date of prepayment and the amount of any Prepayment Premium payable under the Note, plus any Additional Payments due and payable hereunder through the date of prepayment. Such amounts shall be applied to the redemption of Bonds and payment of all amounts due hereunder. The Borrower shall deliver such certifications and shall satisfy such conditions as set forth in Section 4.01(a) of the Indenture with respect to the optional redemption of Bonds. If the Bonds are not then callable, the prepayment price set forth above shall be calculated pursuant to Section 10.02 of the Indenture.

Section 5.3. Mandatory Prepayment of Note. The Borrower shall prepay the Note at the direction of the Bondholder Representative, in whole or in part, at a prepayment price equal to the principal balance of the Note to be prepaid, plus accrued interest plus any other amounts payable under the Note or this Loan Agreement, for the purpose of redeeming the Bonds as provided in Sections 4.01(b) through 4.01(h) of the Indenture, upon the occurrence of any event or condition described below:

(a) in whole or in part, if the Project shall have been damaged or destroyed to the extent that it is not practicable or feasible to rebuild, repair or restore the damaged or destroyed property within the period and under the conditions described in the Deed of Trust following such event of damage or destruction; or

(b) in whole or in part, if title to, or the use of, all or a material portion of the Project shall have been taken under the exercise of the power of eminent domain by any governmental authority and the proceeds of any condemnation award with respect to the Project are not applied to the restoration of the Project but are applied to and result in a prepayment of the Note under the conditions described in the Deed of Trust; or

(c) in whole or in part, to the extent that insurance proceeds or proceeds of any condemnation award with respect to the Project are not applied to restoration of the Project in accordance with the provisions of the Deed of Trust;

(d) in whole, on the date fifteen (15) days prior to (or such other date consented to in writing by the Bondholder Representative) the date on which the Bonds may become subject to mandatory redemption pursuant to Section 4.01(h) of the Indenture;

(e) upon an Determination of Taxability, in whole on any date specified in a Written Notice of the Borrower to the City and the Trustee given at least 20 days prior to the proposed prepayment date, which date shall be no more than 90 days after the date of the Determination of Taxability; and

(f) as otherwise provided in the Note, the Construction Funding Agreement or the Deed of Trust.

Such prepayment shall be due and payable by no later than 12:00 p.m., Trustee local time, on the date fixed by the Trustee for redemption of the Bonds pursuant to Section 4.01(c) or 4.01(h) of the Indenture, which date shall be communicated by the Trustee in writing to the City, the Bondholder Representative, the Bondholders and the Borrower in accordance with the Indenture. To the extent that the Borrower or the Trustee receive any insurance proceeds or condemnation awards that are to be applied to the prepayment of the Note, such amounts shall be applied to the prepayment of the Note and the corresponding redemption of the Bonds.

Section 5.4. Nature of the Borrower's Obligations. The Borrower shall repay the Loan subject to and in accordance with the terms of the Note and the Construction Funding Agreement irrespective of any rights of set-off, recoupment or counterclaim the Borrower might otherwise have against the City or any other person. The Borrower will not suspend, discontinue or reduce any such payment or (except as expressly provided herein) terminate this Loan Agreement for any cause, including, without limiting the generality of the foregoing, (i) any delay or interruption in the construction or operation of the Project; (ii) the failure to obtain any permit, order or action of any kind from any governmental agency relating to the Loan or the Project; (iii) any event constituting force majeure; (iv) any acts or circumstances that may constitute commercial frustration of purpose; (v) any change in the laws of the United States of America, the State or any political subdivision thereof; or (vi) any failure of the City or the Borrower to perform or observe any covenant whether expressed or implied, or to discharge any duty, liability or obligation arising out of or connected with the Note; it being the intention

of the parties that, as long as the Note or any portion thereof remains outstanding and unpaid, the obligation of the Borrower to repay the Loan and provide such moneys shall continue in all events. This Section 5.4 shall not be construed to release the Borrower from any of its obligations hereunder, or, except as provided in this Section 5.4, to prevent or restrict the Borrower from asserting any rights which it may have against the City under the Note or the Deed of Trust or under any provision of law or to prevent or restrict the Borrower, at its own cost and expense, from prosecuting or defending any action or proceeding by or against the City, the Bondholder Representative, the Servicer or the Trustee or taking any other action to protect or secure its rights.

Notwithstanding the foregoing but subject to the provisions of the Construction Funding Agreement and Section 5.6 below, neither the Borrower nor any partner, member, manager, shareholder or employee of the Borrower nor the partners, members, managers, officers, directors, or shareholders of the Borrower, shall be personally liable for the amounts owing under the Note or the Deed of Trust; and the City's remedies in the event of a default under the Loan shall be limited to those remedies set forth in Section 7.2 hereof and the commencement of foreclosure under the Deed of Trust and the exercise of the power of sale or other rights granted thereunder. Notwithstanding the Indenture, no assignment by the City of its rights hereunder shall preclude the City from proceeding directly against the Borrower in connection with the obligation of the Borrower to indemnify the City under Section 6.15 hereof or Section 8 of the Regulatory Agreement, or to make any payment to the City required to be paid by the Borrower pursuant to the provisions of Sections 2.3, 2.4, 5.1(d), 5.1(e), 5.1(h), 5.1(i) or 7.4 hereof.

#### Section 5.5. Security for the Bonds.

(a) As security for the Bonds, the City has pledged and assigned the Trust Estate to the Trustee under and pursuant to the Indenture. The Trust Estate shall immediately be subject to the lien of such pledge without any physical delivery thereof or any further act, except in the case of the Note, which shall be delivered to the Trustee. The Borrower hereby acknowledges and consents to such assignment to the Trustee.

(b) With respect to the Reserved Rights, subject to the limitations set forth in this Section, the City may:

(i) Tax Covenants. Seek specific performance of, and enforce, the tax covenants of the Indenture, the Regulatory Agreement, the Tax Certificate and this Loan Agreement, injunctive relief against acts which may be in violation of any of the tax covenants, and enforce the Borrower's obligation to pay amounts for credit to the Rebate Fund;

(ii) Regulatory Agreement. Seek specific performance of the obligations of the Borrower or any other owner of the Project under the Regulatory Agreement and injunctive relief against acts which may be in violation of the Regulatory Agreement or otherwise in accordance with the provisions of the Regulatory Agreement; provided, however, that the City may enforce any right it may have under the Regulatory Agreement for monetary damages only against Excess Revenues, (as defined in Section

5.5(d) below) if any, of the Borrower, unless Bondholder Representative otherwise specifically consents in writing to the use of other funds; and

(iii) Reserved Rights. Take whatever action at law or in equity which appears necessary or desirable to enforce the other Reserved Rights, provided, however, that the City or any person under its control may only enforce any right it may have for monetary damages against Excess Revenues, if any, of the Borrower, unless Bondholder Representative otherwise specifically consents in writing to the enforcement against other funds of the Borrower.

(c) In no event shall the City:

(i) prosecute its action to a lien on the Project; or

(ii) take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due under, the Loan or of causing the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, rehabilitation, composition, reorganization, conservation or other similar law in effect now or in the future; or

(iii) interfere with the exercise by the Trustee, the Bondholder Representative or the Servicer of any of their rights under the Loan Documents upon the occurrence of an event of default by the Borrower under the Bond Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Loan or the Bonds.

(d) The City shall provide written notice to the Bondholder Representative, the Trustee and the Servicer immediately upon taking any action at law or in equity to exercise any remedy or direct any proceeding under the Bond Documents.

(e) As used in this Section, the term "Excess Revenues" means the Net Cash Flow of the Borrower. For purposes of this Section, the term "Net Cash Flow" means cash available for distribution to the respective shareholders, members or partners (as the case may be) of the Borrower for such period, after the payment of all interest expense, the amortization of all principal of all indebtedness coming due during such period (whether by maturity, mandatory sinking fund payment, acceleration or otherwise) including indebtedness payable to any shareholder, member, or partner, or their affiliates, of the Borrower, the payment of all fees, costs and expenses on an occasional or recurring basis in connection with the Loan or the Bonds, the payment of all operating, overhead, ownership and other expenditures of the Borrower directly or indirectly in connection with the Project or the Market Project, as applicable (whether any such expenditures are current, capital or extraordinary expenditures and including, without limitation, all asset management and other fees payable to the Borrower's limited partners and their affiliates pursuant to the Borrower's organization documents), and the setting aside of all reserves for taxes (including, without limitation, Taxes and Other charges), insurance, water and sewer charges or other similar impositions and other utility payments related to the Project, capital expenditures, repairs and replacements and other

operational costs related to the Project and all other amounts (including reserves) which the Borrower is required to set aside pursuant to agreement, but excluding depreciation and amortization of intangibles.

Section 5.6. Exceptions to Non-Recourse Liability. Notwithstanding Section 5.4 or any other provision of this Agreement, the City (and the Trustee, as assignee of the City) shall have the right to recover from the Borrower and any general partner of the Borrower (each individually, or on a joint and several basis if more than one), the following:

(a) any loss, damage or cost (including but not limited to attorneys' fees) resulting from fraud or intentional misrepresentation by the Borrower, the Borrower's agents (to the extent within the course and scope of such agency) or employees or any general partner of the Borrower in connection with obtaining the Loan evidenced by this Agreement, the Note, or in complying with any of Borrower's obligations under the Bond Documents;

(b) insurance proceeds, condemnation awards, security deposits from tenants received by or on behalf of the Borrower in its capacity as the owner of the Project and not applied in accordance with the provisions of the Deed of Trust and the Construction Funding Agreement;

(c) all rents not applied, first, to the payment of the reasonable operating expenses as such operating expenses become due and payable, and then, to the payment of principal and interest then due and payable under this Loan Agreement, the Note and any other sums due under the Deed of Trust and all other Bond Documents (including but not limited to deposits or reserves payable under any Bond Documents);

(d) transfer fees and charges due under the Deed of Trust;

(e) all rents and profits, and security deposits received by the Borrower after an Event of Default under this Loan Agreement or the Construction Funding Agreement;

(f) any loss, damage or cost (including but not limited to attorneys' fees) resulting from the commission of intentional material waste by the Borrower not due to the Project's failure to generate sufficient net cash flow (or any partner, officer, director or agent of the Borrower or any guarantor or owner of any collateral); provided however, for purposes of this Section 5.6(f) only, it shall not be waste if the Borrower does not repair or restore the Project following any damage, destruction, or partial condemnation notwithstanding the availability of insurance or condemnation proceeds;

(g) any loss, damage or cost (including but not limited to attorneys' fees) resulting from the presence or release of any "Hazardous Materials" (as defined in Section 2.3) on, in or under the Project;

(h) all sums owing by the Borrower under all indemnities contained in this Loan Agreement, the Regulatory Agreement and the Construction Funding Agreement; and

(i) subject to the Borrower's rights of contest under Section 6.2, any loss, damage or cost (including but not limited to reasonable attorneys' fees) resulting from failure by the Borrower to pay taxes that may become a lien on the Project, to pay premiums for insurance required pursuant to this Loan Agreement, the Construction Funding Agreement or the Deed of Trust, or to repay any sums advanced by the City or Trustee for any such purpose but only so long as Borrower holds fee title to the Project and no receiver has been appointed for the Project.

The exceptions to non-recourse liability contained in this Section 5.6 shall not limit any rights of the City (or the Trustee, as assignee of the City) to, upon the occurrence and continuance of a Loan Agreement Default:

(i) name the Borrower or any general partner of the Borrower as a party defendant in any action, proceeding or arbitration, subject to the limitations of this Section 5.6 as to personal liability; or

(ii) assert any unpaid amounts on the Loan as a defense or offset to or against any claim or cause of action made or alleged against the City or Trustee by the Borrower or any of its partners or authorized signatories, or any guarantor or indemnitor with respect to the Loan; or

(iii) exercise self-help remedies such as set-off or non-judicial foreclosure against, or sale of, any real or personal property collateral security; or

(iv) enforce the Borrower's obligations to complete construction of the Project as required by this Loan Agreement and the Construction Funding Agreement, including obligations to repay any sums advanced by the City or Trustee for such purpose.

The limitation of liability set forth in this Section 5.6 will be deemed void and have no force or effect with respect to the Borrower if the Borrower or any partner or authorized signatories, of the Borrower attempts to materially delay any foreclosure of the Deed of Trust or any other collateral security for the Loan, or if the Borrower or any partner or authorized signatories, of the Borrower claims that this Loan Agreement, the Construction Funding Agreement or any of the other instruments or documents executed in connection with the Loan are invalid or unenforceable to any extent that would preclude foreclosure.

No provision of this Section 5.6 shall (i) affect any guaranty or similar agreement executed in connection with the debt evidenced by the Note or this Loan Agreement, (ii) release or reduce the debt evidenced by the Note or this Agreement, (iii) impair the right of the Bondholder Representative or the Trustee to enforce any provisions of the Deed of Trust or any other collateral security for the repayment of the Loan, (iv) impair the lien of the Deed of Trust or any other collateral security for the repayment of the Loan, or (v) except as expressly provided in this Loan Agreement, impair the right of the Bondholder Representative or the Trustee to enforce the provisions of any Loan Document. Nothing herein shall directly or indirectly limit the right of the Bondholder Representative or Trustee to collect or recover any collateral from the Borrower (subject to the limitations on liability set forth in the last paragraph of this Section 5.6, below). Furthermore, subject to the limitations on liability set forth in the last paragraph of this Section 5.6, below, nothing in any other provision of the Note, this Loan

Agreement or the other Bond Documents shall be deemed to limit the rights of the City, the Trustee or the Bondholder Representative to enforce collection from Borrower (or any other person liable therefor) of all reasonable attorneys' fees, costs, expenses, indemnity liabilities and other amounts payable by the Borrower apart from principal or interest owing under the Note.

Nothing in this Section 5.6 shall be interpreted to subordinate any obligation or liability of the Borrower to the City, the Trustee or the Bondholder Representative to any operating expenses.

Notwithstanding anything herein to the contrary, shall any of the constituent limited partners, members or directors (direct or indirect) of Borrower have any personal liability regarding the Note or the Deed of Trust or for any of the Borrower's or any guarantor's obligations herein.

Section 5.7. Calculation of Interest Payments and Deposits to Real Estate Related Reserve Funds. The City and the Borrower acknowledge as follows: (a) calculation of all interest payments shall be made by the Trustee; (b) deposits with respect to the Taxes and Other Charges shall be calculated by the Servicer or if there is no Servicer, the Bondholder Representative in accordance with the Deed of Trust; and (c) deposits with respect to any replacement reserve funds required by the Bondholder Representative shall be calculated by the Servicer in accordance with the Replacement Reserve Agreement. In the event and to the extent that the Servicer or the Bondholder Representative, pursuant to the terms hereof, shall determine at any time that there exists a deficiency in amounts previously owed but not paid with respect to deposits to such replacement reserve fund, such deficiency shall be due and payable hereunder within seven (7) Business Days following written notice to the Borrower.

Section 5.8. Cap Fee Escrow. At any time when the Bonds are in the Daily Interest Rate Mode, the Weekly Interest Rate Mode, the MMD Index Rate Mode or the SIFMA Index Rate Mode, unless such requirement is waived by the Bondholder Representative, the Borrower agrees to use commercially reasonable efforts to purchase 15 days prior to the expiration or early termination of any Swap Agreement and shall use commercially reasonable efforts to maintain at all times thereafter, an interest rate cap agreement fulfilling the Cap Agreement Requirements as reasonably determined by the Bondholder Representative; provided however that the Borrower may, if consented to in writing by the Bondholder Representative, enter into a Swap Agreement prior to the expiration of the Swap Agreement or interest rate cap then in effect in lieu of purchasing an interest rate cap. On each Loan Payment Date commencing five (5) years before the stated termination date of the Swap Agreement, the Borrower shall pay to the Servicer or its designee for deposit to a Cap Fee Escrow, an amount that will result in the accumulation by the expiration or early termination of the Swap Agreement or then existing interest rate cap agreement, as applicable, without regard to earnings in the Cap Fee Escrow, of funds estimated by the Bondholder Representative to be sufficient to provide for the purchase of the interest rate cap agreement fulfilling the Cap Agreement Requirements for an additional five (5) years or for a period beginning on the termination date of the then existing Swap Agreement or interest rate cap agreement, as applicable, and ending on the Maturity Date, whichever is shorter. During the first twelve (12) months after the first payment for each future Cap Agreement, the monthly deposit shall be equal to a fraction, the numerator of which is 125% of the aggregate periodic payments required to be made pursuant to the interest rate cap agreement required hereunder and the denominator of which is the number of months

remaining until the termination of the then existing Swap Agreement or interest rate cap agreement, as applicable. Thereafter, the amount of the monthly deposit shall be recomputed by the Indexing Agent annually based upon the Indexing Agent's estimation of the aggregate periodic payments required to be made pursuant to such subsequent interest rate cap agreement (or extension or renewal thereof) times 125% minus amounts already on deposit in the Cap Fee Escrow, divided by the number of months remaining until the expiration of the then existing interest rate cap agreement. The Borrower shall pay the Indexing Agent's reasonable expenses related to the estimation and analysis of the cost of any renewal or replacement interest rate cap agreement. Amounts on deposit in the Cap Fee Escrow shall be invested and reinvested by the Servicer or its designee in its reasonable discretion. In the event the Borrower enters into a subsequent Swap Agreement in lieu of purchasing an interest rate cap as set forth above, upon receipt of Written Direction from the Bondholder Representative, amounts on deposit in the Cap Fee Escrow held by the Servicer shall be remitted to the Borrower that is party to the Swap Agreement.

Section 5.9. Grant of Security Interest; Application of Funds. The Borrower also grants to the Trustee a continuing security interest in, and agrees to hold for the benefit of the Trustee, all Rents in its possession prior to the payment of Rents or any portion thereof to the Trustee or the Servicer (but only to the extent that the Borrower is expressly required to pay such Rents to the Trustee or the Servicer pursuant to the terms hereof). Except as contemplated by the provisions of Exhibit [ ] attached hereto, the Borrower shall not, without obtaining the prior Written Consent of the Bondholder Representative, further pledge, assign or grant any security interest in the Rents, or permit any Lien to attach thereto, or any levy to be made thereon, or any UCC 1 Financing Statements, except those naming the Trustee as the secured party, to be filed with respect thereto, and except for Permitted Encumbrances. This Loan Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. Upon the occurrence and during the continuance of a Loan Agreement Default hereunder, the Trustee and the Servicer shall apply or cause to be applied any sums held by the Trustee and the Servicer with respect to the Project in accordance with Section 7.04 of the Indenture.

This obligation shall remain valid and in effect notwithstanding repayment of the loan hereunder or termination of this Loan Agreement or the Indenture.

Section 6.3. Repairs; Maintenance and Compliance; Physical Condition. The Borrower shall cause the Project to be maintained in a good, habitable and safe (so as to not threaten the health or safety of the Project's tenants or their invited guests) condition and repair (reasonable wear and tear and casualty and condemnation excepted) as set forth in the Deed of Trust and, following the completion of the Project, shall not remove, demolish or materially alter the Improvements or Equipment (except for removal of aging or obsolete equipment or furnishings in the normal course of business and except for alterations the aggregate cost of which do not exceed \$1,000,000), except as provided in the Deed of Trust:

Section 6.6. Notices. the Project that materially and adversely affects the Borrower's ability to meet its obligations hereunder or under any of the other Bond Document to which it is a party in a timely manner, (c) the occurrence of any Default or Loan Agreement Default of which the Borrower has actual knowledge or (d) the receipt of written notice from the Swap Counterparty under a Swap Agreement or an affiliate or the provider of any cap that the unsecured, unsubordinated long term obligations of the Swap Counterparty under a Swap Agreement or an affiliate or the provider of any cap, as applicable, are at any time rated below "AA-" by S&P or below "Aa3" by Moody's. Section 6.8. Further Assurances. The Borrower shall, at its sole cost and expense (except as provided in Article IX), (a) furnish to the Servicer and the Bondholder Representative all instruments, documents, boundary surveys, footing or foundation surveys (to the extent that Borrower's construction or renovation of the Project alters any existing building foundations or footprints), certificates, plans and specifications, appraisals, title and other insurance reports and agreements, reasonably requested by the Servicer or the Bondholder Representative in writing for the better and more efficient carrying out of the intents and purposes of the Bond Documents; (b) execute and deliver to the Servicer and the Bondholder Representative such reasonable documents, instruments, certificates, assignments and other writings, and do such other acts reasonably necessary to evidence, preserve and/or protect the collateral at any time securing or intended to secure the Bonds, as the Servicer and the Bondholder Representative may reasonably require from time to time; (c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of the Bond Documents, as the Servicer or the Bondholder Representative shall reasonably require from time to time; provided, however, with respect to clauses (a)-(c) above, the Borrower shall not be required to do anything that has the effect of (i) changing the economic terms of the Loan, (ii) imposing upon the Borrower greater personal liability under the Loan Documents, or (iii) imposing any additional obligations upon the Borrower; and (d) upon the Servicer's or the Bondholder Representative's written request therefor given from time to time after the occurrence of any Default or Loan Agreement Default for so long as such Default or Loan Agreement Default, as applicable, is continuing pay for (i) reports of UCC, federal tax lien, state tax lien, judgment and pending litigation searches with respect to the Borrower, and (ii) searches of title to the Project, each such search to be conducted by search firms reasonably designated by the Servicer or the Bondholder Representative in each of the locations reasonably designated by the Servicer or the Bondholder Representative.

Section 6.9. Delivery of Financial Information. After written notice to the Borrower of a Secondary Market Disclosure Document, the Borrower shall, concurrently with any delivery to the Servicer, deliver copies of all financial information required under Article IX.

Section 6.10. Title to the Project. The Borrower will warrant and defend the title to the Project, and the validity and priority of the Lien of the Deed of Trust, subject only to Permitted Encumbrances, against the claims of all Persons.

Section 6.11. City's Annual Fees. The Borrower covenants to pay the annual fee of the City, payable as set forth in Section 19 of the Regulatory Agreement, and the reasonable fees and expenses of the City or any agents, attorneys, accountants, consultants selected by the City to act on its behalf in connection with this Loan Agreement, the Regulatory Agreement and the other Bond Documents, including, without limitation, any and all reasonable expenses incurred in connection with the authorization, issuance, sale and delivery of the Bonds or in connection with any litigation which may at any time be instituted involving the Bonds, this Loan Agreement, the other Bond Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, their properties, assets or operations or otherwise in connection with the administration of the foregoing. This obligation shall remain valid and in effect notwithstanding repayment of the loan hereunder or termination of this Loan Agreement or the Indenture.

Section 6.12. Estoppel Statement. The Borrower shall furnish to the Servicer or the Bondholder Representative for the benefit of the City, the Trustee, the Bondholder Representative and the Servicer within ten (10) Business Days after written request by the Servicer, with a statement, setting forth (a) the date installments of interest and/or principal were last paid, (b) any offsets or defenses (to the Borrower's knowledge) to the payment of the Borrower Payment Obligations, and (c) that the Bond Documents to which the Borrower is a party are valid, legal and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and (d) that, to the Borrower's knowledge, no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. Section 6.13. Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Loan Agreement hereunder or under the Bond Documents, and shall pay, upon written demand of the Bondholder Representative, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which a Bondholder or the Bondholder Representative may appear. If any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Bondholders' or the Bondholder Representative's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Bondholders or the Bondholder Representative may make, upon five (5) Business Days' of prior written notice to the Borrower, such appearances, disburse such sums and take such action as the Bondholders or the Bondholder Representative deems necessary to protect their interests. Such actions include disbursement of attorneys' fees. Neither a Bondholder or the Bondholder Representative shall have any obligation to do any of the above. No such action shall release the Borrower from any obligation under this Loan Agreement or any of the other Bond

Documents. In the event (a) that the Deed of Trust is foreclosed in whole or in part or that any Bond Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (b) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Deed of Trust or any Bond Document in which proceeding the Bondholders or the Bondholder Representative is made a party or (c) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the applicable Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 6.14. Expenses. The Borrower shall pay all reasonable expenses incurred by the City, the Trustee, the Bond Purchaser, the Servicer, the Initial Purchaser and the Bondholder Representative (except as provided in Article IX) in connection with the Bonds, including reasonable fees and expenses of the City's, the Trustee's, the Servicer's, the Bond Purchaser's, the Initial Purchaser's and the Bondholder Representative's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of Bond Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the City, the Trustee, the Rebate Analyst, the Servicer, the Initial Purchaser and the Bondholder Representative (except as provided in Article IX) in connection with the issuance or administration of the Bonds, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, within ten (10) Business Days following written request therefor, reimburse the City, the Trustee, the Servicer, the Initial Purchaser and the Bondholder Representative for all reasonable amounts expended, advanced or incurred by the City, the Trustee, the Servicer, the Initial Purchaser and the Bondholder Representative to collect the Note, or to enforce the rights of the City, the Bond Purchaser, the Trustee, the Servicer, the Initial Purchaser and the Bondholder Representative under this Loan Agreement or any other Loan Document, or to defend or assert the rights and claims of the City, the Bond Purchaser, the Trustee, the Servicer, the Initial Purchaser and the Bondholder Representative under the Bond Documents arising out of a Loan Agreement Default or with respect to the Project (by litigation or other proceedings) arising out of a Loan Agreement Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the City, the Trustee, the Servicer, the Initial Purchaser and the Bondholder Representative in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the date of disbursement until the date of reimbursement to the City, the Trustee, the Servicer, the Initial Purchaser and the Bondholder Representative, all of which shall constitute part of the Loan and shall be secured by the Bond Documents. The obligations and liabilities of the Borrower under this Section 6.14 shall survive the Term of this Loan Agreement and the exercise by the City, the Servicer, the Bondholder Representative, the Initial Purchaser or the Trustee, as the case may be, of any of its rights or remedies under the Bond Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the negligence or willful misconduct of the Trustee, the gross negligence or willful misconduct of the City or the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Section 2.3 hereof or [Section 18(i)] of the Deed of Trust.

The Borrower shall not be responsible for any costs associated with any securitization of the Bonds.

Section 6.15. Indemnity. To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the City, the Bondholder Representative (in such capacity), the Servicer and the Trustee and each of their respective officers, governing members, directors, officials, employees, attorneys and agents (each an "Indemnified Party"), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the "Liabilities") to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(a) The Bond Documents, the Subordinate Debt Documents and the Swap Agreement or the execution or amendment thereof or in connection with transactions contemplated thereby, including the issuance, sale, transfer or resale of the Bonds, except with respect to any Secondary Market Disclosure Document (other than any Borrower's obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a permitted encumbrance) or charge upon payments by the Borrower to the City and the Trustee hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the City or the Trustee in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project;

(e) The enforcement of, or any action taken by the City, the Trustee or the Bondholder Representative related to remedies under, this Loan Agreement, the Indenture and the other Bond Documents;

(f) The defeasance and/or redemption, in whole or in part, of the Bonds;

(g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any offering statement or document for the Bonds or any of the Bond Documents to which the Borrower is a party, or any omission or alleged omission by the Borrower from any offering statement or document for the bonds of any material fact necessary to be stated

therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading;

(h) Any Determination of Taxability; and

(i) The Trustee's acceptance or administration of the trust of the Indenture, or the Trustee's exercise or performance of or failure to exercise or perform any of its powers or duties thereunder or under any of the Bond Documents to which it is a party;

except (i) in the case of the foregoing indemnification of (A) the Bondholder Representative or the Servicer or any related Indemnified Party, to the extent such damages are caused by the negligence or willful misconduct of such Indemnified Party, or (B) in the case of the Trustee or any related Indemnified Party, the negligence or willful misconduct of the Trustee, or any breach by such party of its obligations under any of the Bond Documents or any untrue statement or misleading statement of a material fact by such Indemnified Party contained in any offering statement or document for the Bonds or any of the Bond Documents or any omission or alleged omission from any such offering statement or document of any material fact necessary to be stated therein in order to make the statements made therein by such Indemnified Party not misleading; or (ii) in the case of the foregoing indemnification of the City or any related Indemnified Party, they shall not be indemnified by the Borrower with respect to liabilities arising from their own willful misconduct. Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.5 with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.5 hereof (provided that the City and the Indemnified Parties related to the City shall be entitled to assert their rights under either this Section 6.15 or Section 9.1.5, or both, without limitation). In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in their discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld, conditioned or delayed. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof; provided however the City have the absolute right to employ separate counsel at the expense of the Borrower. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party other than the City may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation, except that the Borrower shall always pay the reasonable fees and expenses of the City's separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the City, the

Trustee and the Bondholder Representative have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder, or the City, Trustee and Bondholder Representative, in such case, shall have executed a full and unconditional release of Borrower.

The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses pursuant to Section 4.1 shall survive the final payment or defeasance of the Bonds and in the case of the Trustee, Servicer or Bondholder Representative, as applicable, any resignation or removal. The provisions of this Section shall survive the termination of this Loan Agreement. Nothing within this Section shall limit the rights of any Indemnified Party to indemnity under the Regulatory Agreement.

Nothing in this Section 6.15 shall in any way limit the Borrower's indemnification and other payment set forth in the Regulatory Agreement.

Nothing set forth in this Section 6.15 shall be deemed to limit, negate, modify, nullify, or change any non-recourse provisions of this Agreement, the Note, or any other agreement, document, instrument, certificate or covenant executed by the Borrower.

Section 6.16. Notices of Certain Events. The Borrower hereby covenants to advise the City and the Bondholder Representative promptly in writing of the occurrence of any Event of Default hereunder or any event which, with the passage of time or service of notice, or both, would constitute an Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto. In addition, the Borrower hereby covenants to advise the City and the Bondholder Representative promptly in writing of the occurrence of any Act of Bankruptcy with respect to either of them.

Section 6.17. Tax Exempt Status of the Bonds.

(a) It is the intention of the City and the Borrower that interest on the Bonds shall be and remain excludable from gross income of the owners thereof for federal income taxation purposes (other than with respect to a Bondowner which is a "substantial user" of the Project or a "related person," as such terms are used in Section 147(a) of the Code), and to that end the covenants and agreements of the Borrower in this Section 6.17 are for the benefit of the Bondowners and the City.

(b) The Borrower covenants and agrees that it will not (i) use or permit the use of any of the funds provided by the City hereunder or any other funds of the Borrower, directly or indirectly, in such manner as would, or (ii) take or omit to take any other action that would, in each case cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(c) In the event that at any time the Borrower is of the opinion or becomes otherwise aware that for purposes of this Section 6.17 it is necessary to restrict or to limit the yield on the investment of any moneys held under the Indenture or under the Construction Funding Agreement, or otherwise by the Bondholder Representative, the Borrower shall determine the limitations and so instruct the Trustee or Bondholder Representative, as applicable, in writing and cause the Trustee or the Bondholder

Representative, as applicable, to comply with those limitations under the Indenture or the Construction Funding Agreement, respectively.

(d) The Borrower will take such action or actions as may be reasonably necessary in the opinion of Bond Counsel, or of which the Borrower otherwise becomes aware, to fully comply with Section 148 of the Code as applicable to the Bonds.

(e) The Borrower further agrees that it shall not discriminate on the basis of race, creed, color, sex, sexual preference, source of income (e.g. AFDC, SSI), physical disability, national origin or marital status in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project, to the extent required by applicable State or federal law.

(f) The Borrower further warrants and covenants that it has not executed and will not execute any other agreement, or any amendment or supplement to any other agreement, with provisions contradictory to, or in opposition to, the provisions, of this Loan Agreement and of the Regulatory Agreement, and that in any event, the requirements of this Loan Agreement and the Regulatory Agreement are paramount and controlling as to the rights and obligations herein set forth and supersede any other requirements in conflict herewith and therewith.

(g) The Borrower will use due diligence to complete the construction of all of the units comprising the Project and reasonably expect to fully expend the entire \$316,800,000 authorized principal amount of the Loan by [November 1, 2020].

(h) The Borrower will take such action or actions as necessary to ensure compliance with Sections 2.2(a)(viii) and (a)(ix), and Sections 2.2(b)(v), (b)(viii) and (b)(ix) hereof.

(i) The Borrower will make timely payment to the Trustee of any rebate amount due to the federal government by reason of Section 148(f) of the Code, as applicable to the Bonds, to be disposed of as provided in Section 5.06 of the Indenture.

Section 6.18. Recordation of Amendments to Regulatory Agreement. The Borrower agrees to cause any amendments to the Regulatory Agreement to be recorded in the appropriate official public records of the City.

Section 6.19. Useful Life. The Borrower hereby represents and warrants that, within the meaning of Section 147(a)(14) of the Code, the average maturity of the Bonds does not exceed one hundred and twenty percent (120%) of the average reasonably expected economic life of the facilities being financed with the proceeds of the Bonds.

Section 6.20. Federal Guarantee Prohibition. The Borrower shall take no action, nor permit nor suffer any action to be taken if the result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

Section 6.21. Prohibited Facilities. The Borrower represents and warrants that no portion of the proceeds of the Loan shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Loan shall be used for an office unless (a) the office is located on the premises of facilities constituting a portion of the Project, and (b) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

Section 6.22. Covenants Under Indenture. The Borrower will fully and faithfully perform all the duties and obligations which the City has covenanted and agreed in the Indenture to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Indenture to perform. The foregoing will not apply to any duty or undertaking of the City which by its nature cannot be delegated or assigned.

Section 6.23. [intentionally omitted].

Section 6.24. Covenant with Bondholders. The City and the Borrower agree that this Loan Agreement is executed and delivered in part to induce the purchase by others of the Bonds and, accordingly, all covenants and agreements of the City and the Borrower contained in this Loan Agreement are hereby declared to be for the benefit of the Trustee, the Bondholder Representative and the Holders of the Bonds from time to time. Notwithstanding the foregoing, the Bondholders' rights to enforce this provision of this Loan Agreement are governed by the terms of the Indenture.

Section 6.25. Continuing Disclosure Agreement. To the extent applicable, the Borrower and the Dissemination Agent (as defined in the Continuing Disclosure Agreement) shall enter into the Continuing Disclosure Agreement to provide for the continuing disclosure of information about the Bonds, the Borrower and other matters as specifically provided for in such agreement. For the purposes of the Continuing Disclosure Agreement only, the Dissemination Agent shall act as the agent of the Borrower and not as the agent of the City. The duties and obligations of the Dissemination Agent under the Continuing Disclosure Agreement shall be as set forth in the Continuing Disclosure Agreement, and the Dissemination Agent shall be responsible only for its express duties and obligations set forth in the Continuing Disclosure Agreement. A default under any Continuing Disclosure Agreement shall not be a default under the Indenture, this Loan Agreement or any of the other Bond Documents.

Section 6.26. Management Agreement. The Bondholder Representative expressly approves the Management Agreement. The Borrower shall not, without the Bondholder Representative's prior Written Consent (which consent shall not be unreasonably withheld, conditioned, or delayed) and subject to the Regulatory Agreement: (a) surrender, terminate or cancel the Management Agreement or otherwise replace the Manager or enter into any other management agreement; (b) reduce or consent to the reduction of the term of the Management Agreement; (c) increase or consent to the increase of the amount of any charges under the Management Agreement; (d) otherwise modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect any of their rights and remedies under the Management Agreement; or (e) suffer or permit the occurrence and continuance of a default beyond any applicable cure period under the Management Agreement (or any

successor management agreement) if such default permits the Manager to terminate the Management Agreement (or such successor management agreement).

Section 6.27. Liens. Without the Bondholder Representative's prior Written Consent, the Borrower shall not create, incur, assume, permit or suffer to exist any mechanic's, materialmen's or other Lien on any portion of the Project, except Permitted Encumbrances, unless such Lien is bonded around, insured over or discharged within 90 days after the Borrower first receive notice of such Lien or unless the Borrower is contesting such Lien in accordance with the Deed of Trust.

Section 6.28. Dissolution. The Borrower shall not dissolve or liquidate, in whole or in part, merge with or consolidate into another Person.

Section 6.29. Change in Business or Operation of Property. The Borrower shall not enter into any line of business other than the ownership and operation of the Project, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business and activities incidental or related thereto or otherwise cease to operate the Project as a multi-family property or terminate such business for any reason whatsoever (other than temporary cessation in connection with rehabilitation, casualty or condemnation of the Project).

Section 6.30. Debt Cancellation. The Borrower shall not cancel or otherwise forgive or release any claim or debt owed to it by a Person, except for adequate consideration or in the ordinary course of its business in its reasonable judgment.

Section 6.31. Assets. The Borrower shall not purchase or own any real property or personal property incidental thereto other than its interests in the Project.

Section 6.32. Transfers. The Borrower shall not make, suffer or permit the occurrence of any Transfer other than a transfer permitted under the Deed of Trust, nor transfer any material License required for the operation of the Project.

Section 6.33. Debt. Other than as expressly approved in writing by the Bondholder Representative, or accepted on the Closing Date, the Borrower shall not create, incur or assume any indebtedness for borrowed money (including subordinate debt) whether unsecured or secured by all or any portion of the Project or their respective interests therein or in the Borrower or any partner thereof (including subordinate debt) other than (a) the Borrower Payment Obligations, (b) secured indebtedness incurred pursuant to or permitted by the Bond Documents, and (c) trade payables incurred in the ordinary course of business (expressly including the operating and equipment leases entered into in the ordinary course of Borrower's business; tenant security deposits; non-delinquent, accrued but unpaid real estate taxes and insurance premiums; other trade payables in respect of operating expenses which, for clarity, shall specifically include trade payables related to capital expenditures, tenant improvement costs and leasing commissions; (d) and obligations of less than \$\_\_\_ in connection with posting of a bond required by a governmental authority in connection with the operation of the Project, and (e) partner loans to the Borrower, to the extent permitted under the Loan Documents.

Section 6.34. Assignment of Rights. Without the Bondholder Representative's prior Written Consent, the Borrower shall not attempt to (a) assign the Borrower's rights or interest under any Bond Document in contravention of any Bond Document or (b) surrender the Borrower's interests in the Project.

Section 6.35. Principal Place of Business. The Borrower shall not change its principal place of business without providing 30 days' prior Written Notice of the change to the Trustee, the Servicer and the Bondholder Representative.

Section 6.36. Organizational Documents. Except as otherwise permitted in the Loan Documents, or without the Bondholder Representative's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed), the Borrower shall not surrender, terminate, cancel, modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect, any of its rights or remedies under its organizational documents.

Section 6.37. ERISA. The Borrower shall not maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of it to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan, or permit the assets of it to become "plan assets," whether by operation of law or under regulations promulgated under ERISA.

Section 6.38. No Hedging Arrangements. Except for hedging arrangements approved by the Bondholder Representative on the Closing Date, written notice of which is given to the City, without the prior written consent of the Bondholder Representative (with written notice to the City), the Borrower will not enter into or guarantee, provide security for or otherwise undertake any form of contractual obligation with respect to any interest rate swap, interest rate cap or other arrangement that has the effect of an interest rate swap or interest rate cap or that otherwise (directly or indirectly, derivatively or synthetically) hedges interest rate risk associated with being a debtor of variable rate debt or any agreement or other arrangement to enter into any of the above on a future date or after the occurrence of one or more events in the future.

Section 6.39. Insurance. The Borrower, at its sole cost, for the mutual benefit of the Borrower and the Trustee, as representative of the Bondholders, shall obtain and maintain during the Term the policies of insurance required by Section 19 of the Deed of Trust. All policies of insurance required pursuant to this Section shall conform to the requirements set forth in the Deed of Trust. The Borrower shall deliver to the Servicer a certified copy of each policy within 30 days after its effective date.

Section 6.40. Casualty. If the Project is damaged or destroyed, in whole or in any material respect, by fire or other casualty (a "Casualty"), the Borrower shall give prompt written notice thereof to the Servicer, the Bondholder Representative, the Trustee and the City.

Section 6.41. Condemnation. The Borrower shall promptly give the Servicer, the City, the Bondholder Representative and the Trustee written notice of Borrower's receipt of written notice of the actual or threatened commencement of any Condemnation proceeding affecting the Project and shall deliver to the Servicer, the City, the Bondholder Representative and the Trustee copies of any and all papers served in connection with such Condemnation.

Section 6.42. No Warranty of Condition or Suitability by the City. The City makes no warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 6.43. Right of Access to the Project. The Borrower agrees that the City, the Trustee, the Servicer and the Bondholder Representative, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice, to enter onto the Project (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations, and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Loan Agreement. The City, the Trustee, the Servicer, the Bondholder Representative, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project. Such entry, inspection, and testing shall be conducted in a manner which does not interfere with any tenant's right of occupancy or disturb any tenant's right of peaceable and quiet enjoyment. The Servicer, the Bondholder Representative and the Trustee shall defend, indemnify and hold harmless the Borrower from any claims, demands, penalties, fines, liabilities, settlements, damages, costs, or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to the entry, inspection, and testing conducted pursuant to this Section 6.43.

[Section 6.44. Election of Applicable Income Limit. The City hereby elects to have the Project meet the requirements of Section 142(d)(1)(A) of the Code in that twenty percent (20%) or more of the residential units comprising the Project shall be occupied by persons or families whose Adjusted Income does not exceed fifty percent (50%) of the Median Income for the Area (as such term is defined in the Regulatory Agreement). The Issuer also elects to have Section 142(d)(4)(B) (deep rent skewing) apply to the Very Low Income Units (as defined in the Regulatory Agreement) in the Project. ]~~delete if covered by Regulatory Agreement~~

Section 6.45. City Contracting Requirements. The Borrower covenants and agrees to comply with the provisions set forth in Exhibit A to this Loan Agreement, which is incorporated in and made a part of this Loan Agreement by this reference.

## ARTICLE VII

### EVENTS OF DEFAULT AND REMEDIES

Section 7.1. Events of Default. The occurrence of any one or more of the following events or conditions shall constitute a "Loan Agreement Default":

(a) failure by the Borrower to pay any Loan Payment on the date such payment is due;

(b) failure by the Borrower to prepay the Note on the date such payment is due as required by Section 5.3;

(c) failure by or on behalf of the Borrower to pay when due any amount (other than as provided in subsections (a) or (b) above) required to be paid by the Borrower under this Loan Agreement; the Note, the Deed of Trust or any of the other Bond Documents, including a failure to pay any Additional Payment, and including a failure to repay any amounts that have been previously paid but are recovered, attached or enjoined pursuant to any insolvency, receivership, liquidation or similar proceedings, which default remains uncured for a period of five (5) Business Days after Written Notice thereof shall have been given to the Borrower;

(d) a Transfer other than a transfer permitted under the Deed of Trust occurs, following twenty (20) days' written notice from the City, the Trustee, the Bondholder Representative or the Servicer (provided that the foregoing twenty (20) days' notice and cure right shall not apply to the Borrower's transfer of the Project to a third party with the City's, the Trustee's or the Servicer's prior written consent;

(e) any representation or warranty made by the Borrower in any Bond Document to which it is a party, or in any report, certificate, financial statement or other instrument, agreement or document furnished by the Borrower in connection with any Bond Document, shall be false or misleading in any material respect as of the Closing Date, and shall not be cured within thirty (30) days' written notice from the City, the Trustee, the Bondholder Representative or the Servicer (as the case may be), to the extent such breach is susceptible of cure within such thirty (30) day period, and provided that there is no material impairment of the collateral for the Loan or the Borrower's ability to repay and that the Borrower diligently and expeditiously proceeds to cure such breach for an additional ninety (90) days or such longer period as may be determined by the Bondholder Representative;

(f) the Borrower shall make a general assignment for the benefit of creditors;

(g) an event of default of the Borrower as defined or provided for in any other Bond Document to which the Borrower is a party occurs and any applicable notice and or cure period has expired; provided, however, that if no expressly stated grace or notice and cure period is provided under the applicable Bond Document (other than payment defaults under Section 7.1(a) for which there is no cure period), then Borrower shall have thirty (30) days after receipt of written notice from the applicable and appropriate party under such Bond Document to cure such event of default; and further provided that if cure cannot be reasonably effected within such 30-day period and if there is no material impairment of the collateral for the Loan or the Borrower's ability to pay, Borrower shall have reasonably necessary additional time to cure such event of default as determined by the Bondholder Representative and such failure shall not be a "Loan Agreement Default" so long as Borrower promptly commences the cure and thereafter diligently and expeditiously prosecutes such cure to completion;

(h) the Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Loan Agreement (other than paragraphs (a)-(g) above) for 30 days after notice from the Trustee, the Bondholder Representative or the Servicer in the case of such other Default; provided, however, that if such other Default under

this paragraph (h) is susceptible of cure but cannot reasonably be cured within such thirty (30) day period, and the Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed 90 days;

(i) the Borrower Controlling Entity shall make a general assignment for the benefit of creditors, or an Act of Bankruptcy with respect to the Borrower Controlling Entity shall occur, unless in all cases the Borrower Controlling Entity is replaced with a substitute Borrower Controlling Entity that satisfies the requirements of Section 21(c) of the Deed of Trust; which, in the case of a non-profit Borrower Controlling Entity, may be replaced within ninety (90) days of such event with another non-profit Borrower Controlling Entity acceptable to the Bondholder Representative in accordance with the Deed of Trust, in which case no Loan Agreement Default shall be deemed to have occurred; provided, however, that if any event described in this clause (i) was involuntary and not consented to by such Borrower Controlling Entity, then such occurrence shall not be a Loan Agreement Default unless the same is not discharged, stayed or dismissed within ninety (90) days after the filing or commencement thereof; and

(j) an event of default or termination event by the Borrower as defined in and pursuant to any Swap Agreement occurs and any applicable notice and cure period has expired; provided, however that if no grace or notice and cure period is provided under said Swap Agreement, then Borrower shall have five (5) days after written notice from the applicable counterparty to cure such event of default.

#### Section 7.2. Remedies on Default.

(a) Upon the occurrence and during the continuance of an Loan Agreement Default (other than a Loan Agreement Default described in paragraphs (f) and (i) of Section 7.1), in addition to any other rights or remedies available to the Trustee pursuant to the Bond Documents or at law or in equity, the Trustee shall, at the Written Direction of the Bondholder Representative, take such action, without notice or demand, as the Bondholder Representative deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Note to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations to the redemption of the Bonds pursuant to Section 4.01(d) of the Indenture; and upon the occurrence and during the continuance of any Loan Agreement Default described in paragraph (f) or (i) of Section 7.1, the Borrower Payment Obligations shall, except as provided to the contrary in Section 7.1(i), become immediately due and payable without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Bond Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Indenture shall be controlled by the Bondholder Representative.

(b) Any amounts collected pursuant to action taken under this Section 7.2 (other than amounts collected by the City pursuant to the Reserved Rights) shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the City, the Trustee, the Bondholder Representative or the Bondowners and their respective counsel, be paid to the Trustee (unless otherwise provided in this Loan Agreement) and applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section 7.2 shall relieve the Borrower from its obligations pursuant to Section 6.17 hereof.

Section 7.3. No Remedy Exclusive; Delay. Upon the occurrence and during the continuance of a Loan Agreement Default, all or any one or more of the rights, powers, privileges and other remedies available to the Trustee against the Borrower under the Bond Documents or at law or in equity may be exercised by the Trustee, at the Written Direction of the Bondholder Representative, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Trustee or the Bondholder Representative shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Bond Documents. Any such actions taken by the Trustee or the Bondholder Representative shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Bondholder Representative may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Trustee or the Bondholder Representative permitted by law, equity or contract or as set forth in the Bond Documents. Without limiting the generality of the foregoing, the Borrower agrees that if a Loan Agreement Default has occurred and is continuing, all Liens and other rights, remedies or privileges provided to the Trustee and Bondholder Representative shall remain in full force and effect until they have exhausted all of its remedies, the Deed of Trust has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations has been paid in full. To the extent permitted by applicable law, nothing contained in any Bond Document shall be construed as requiring the Trustee or Bondholder Representative to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Trustee or Bondholder Representative may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the City, the Trustee and the Bondholder Representative agree that any cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower;

No delay or omission to exercise any remedy, right, power accruing upon a Loan Agreement Default, or the granting of any indulgence or compromise by the Trustee or the Bondholder Representative shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Loan Agreement Default shall not be construed to be a waiver of any subsequent Default or Loan Agreement Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Loan Agreement, the Trustee and the Bondholder Representative reserve

the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Deed of Trust to the extent necessary to foreclose on other part of the Project, the Rents, the funds or any other collateral.

Section 7.4. Attorneys' Fees and Expenses. If an Event of Default occurs and is continuing, and if the City, the Trustee or the Bondholder Representative should employ attorneys or incur expenses for the enforcement of any obligation or agreement of the Borrower contained herein, the Borrower on demand will pay to the City, the Trustee and/or the Bondholder Representative the reasonable fees of such attorneys and the reasonable expenses so incurred, including court appeals.

Section 7.5. Bondholder Representative's Right to Perform the Obligations. If any Loan Agreement Default has occurred and is continuing and such Loan Agreement Default arises out of Borrower's failure to make any payment or perform any act required by the Bond Documents, then without notice to or demand upon the Borrower and without waiving or releasing any other right, remedy or recourse the Trustee or the Bondholder Representative may have because of such Loan Agreement Default, the Bondholder Representative may (but shall not be obligated to) make such payment or perform such act for the account of and at the expense of the Borrower, and shall have the right to enter upon the Project for such purpose and to take all such action thereon and with respect to the Project as it may deem necessary or appropriate. If the Bondholder Representative shall elect to pay any sum due with reference to the Project, the Bondholder Representative may do so in reliance on any bill, statement or assessment procured from the appropriate governmental authority or other issuer thereof without inquiring into the accuracy or validity thereof. Similarly, in making any payments to protect the security intended to be created by the Bond Documents, the Bondholder Representative shall not be bound to inquire into the validity of any apparent or threatened adverse title, lien, encumbrance, claim or charge before making an advance for the purpose of preventing or removing the same. All sums paid by the Bondholder Representative pursuant to this Section 7.5, and all other sums expended by the Bondholder Representative to which it shall be entitled to be indemnified, together with interest thereon at the Default Rate from the date of such payment or expenditure until paid, shall constitute additions to all amounts payable with respect to the Bonds, shall be secured by the Bond Documents and shall be paid by the Borrower to the Bondholder Representative upon written demand.

Section 7.6. Trustee's Exercise of the City's Remedies. Whenever any Loan Agreement Default shall have occurred and be continuing, the Trustee may at the Written Direction of the Bondholder Representative, but shall not be obligated to, exercise any or all of the rights of the City under this Article, upon notice as required of the City unless the City has already given the required notice. In addition, the Trustee shall have available to it all of the remedies prescribed by the Indenture. Notwithstanding anything herein to the contrary, the City may not exercise any remedies available to the City against the Borrower under the Bond Documents or at law or in equity in order to enforce the Reserved Rights, other than as provided in Section 5.5(b).

Section 7.7. Assumption of Obligations. In the event that the Trustee, the Bondholder Representative or the Bondholders or their respective assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall have the right, to be exercised in its sole discretion, to succeed to the rights and the obligations of the Borrower under this Loan Agreement, the Note, the Regulatory Agreement,

and any other Bond Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and during the continuance of a Loan Agreement Default, rights and remedies may be pursued pursuant to the terms of the Bond Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Trustee, the Bondholder Representative or the Bondholders or their respective assignees or designees becomes the owner of the Project and exercises its right, in its sole discretion, to assume the obligations identified above, and the Note, the Bonds and the other Bond Documents remain outstanding.

Section 7.8. Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Bondholder Representative shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Trustee, provided that only the City may enforce the Reserved Rights subject to Section 7.6 and Section 5.5(b). In the event that any of the provisions set forth in this Section 7.8 are inconsistent with the covenants, terms and conditions of the Deed of Trust, the covenants, terms and conditions of the Deed of Trust shall prevail.

## ARTICLE VIII

### MISCELLANEOUS

Section 8.1. Entire Agreement. This Loan Agreement, the Construction Funding Agreement, the Note, the Regulatory Agreement, the Deed of Trust and the other Bond Documents constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, between the City and the Borrower with respect to the subject matter hereof.

Section 8.2. Notices. All notices, consents, approvals and requests required or permitted hereunder or under any Bond Document shall be given in the manner and under the conditions set forth in Section 12.06 of the Indenture, addressed to the appropriate party at the address set forth in Section 12.06 of the Indenture.

Section 8.3. Assignments. To the extent allowable under the Indenture, the Bonds, the Deed of Trust, the Bond Documents and all of the Bondholder Representative's rights, title, obligations and interests therein may be assigned by the Bondholder Representative at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, with prior written notice to the City, the Trustee and the Borrower. Upon such assignment, all references to Bondholder Representative in this Loan Agreement and in any Bond Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Bondholder Representative. The Borrower may not assign its rights, interests or obligations under this Loan Agreement or under any of the Bond Documents, except only as may be expressly permitted hereby and thereby.

Section 8.4. Severability. Wherever possible, each provision of this Loan Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Loan Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Loan Agreement. If any provision of this Loan Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative, or unenforceable to any extent whatever.

Section 8.5. Execution of Counterparts. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 8.6. Amendments, Changes and Modifications. No modification, amendment, extension, discharge, termination or waiver of any provision of this Loan Agreement or of any other Bond Document, nor consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in a writing signed by the party against whom enforcement is sought, and then such waiver or consent shall be effective only in the specific instance, and for the purpose, for which given. Except as otherwise expressly provided herein, no notice to or demand on the Borrower shall entitle the Borrower to any other or future notice or demand in the same, similar or other circumstances.

Section 8.7. Governing Law. This Loan Agreement shall be governed exclusively by and construed in accordance with the laws of the State applicable to contracts made and performed in the State.

Section 8.8. Term of Agreement. This Loan Agreement shall be in full force and effect until no Bonds are Outstanding under the Indenture and all Bond Obligations and other payment obligations of the Borrower hereunder have been paid in full or the payment thereof has been provided for; except that on and after payment in full of the Note, this Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 6.14, 6.15, 6.17, 8.12, 8.26 and Article IX hereof, and as may be expressly provided with respect to other provisions hereof, shall survive the termination of this Loan Agreement.

Section 8.9. Survival of Agreement. This Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the City of the Loan and the execution and delivery to the Trustee of the Note, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the City, the Servicer, the Bondholder Representative or the Trustee on behalf of the Bondholders.

Section 8.10. Conflicts. If any term or condition of this Loan Agreement conflicts with any term or condition of any other Loan Document, the term or condition which imposes any

greater or stricter duties or obligations upon Borrower, or grants or affords City, the Trustee, the Bondholder Representative or Bondowners any greater rights or remedies, shall prevail.

Section 8.11. Binding Effect; Third Party Beneficiaries. This Loan Agreement shall inure to the benefit of and shall be binding upon the City, the Borrower and their respective successors and assigns. The Bondowners, the Bondholder Representative, the Servicer and the Trustee are intended third party beneficiaries of this Loan Agreement.

Section 8.12. Brokers and Financial Advisors. The Borrower hereby represents that it has not dealt with any financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Loan, other than those disclosed to the Bondholder Representative and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Bondholder Representative shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 8.12 shall survive the expiration and termination of this Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 8.13. Delay Not a Waiver. Neither any failure nor any delay on the part of the Servicer, the Trustee or the Bondholder Representative in insisting upon strict performance of any term, condition, covenant or agreement, or exercising any right, power, remedy or privilege hereunder, or under any other Bond Document, shall operate as or constitute a waiver thereof, nor shall a single or partial exercise thereof preclude any other future exercise, or the exercise of any other right, power, remedy or privilege. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under any Bond Document, the Trustee, the Servicer and the Bondholder Representative shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under the Bond Documents, or to declare an Event of Default or a Loan Agreement Default for failure to effect prompt payment of any such other amount.

Section 8.14. Trial by Jury. To the extent permitted by law, the Borrower hereby agrees not to elect a trial by jury of any issue triable of right by jury, and waives any right to trial by jury fully to the extent that any such right shall now or hereafter exist with regard to the Bond Documents, or any claim, counterclaim or other action arising in connection therewith. This waiver of right to trial by jury is given knowingly and voluntarily by the Borrower, and is intended to encompass individually each instance and each issue as to which the right to a trial by jury would otherwise accrue. The Servicer, the Trustee or Bondholder Representative is hereby authorized to file a copy of this paragraph in any proceeding as conclusive evidence of this waiver by the Borrower.

Section 8.15. Preferences. The Trustee shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations. To the extent the Borrower makes a payment to the Servicer or the Trustee, or the Servicer or the Trustee receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received,

the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Servicer or the Trustee.

Section 8.16. Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the City, the Servicer, the Bondholder Representative or the Trustee except with respect to matters for which this Loan Agreement or any other Bond Document specifically and expressly provides for the giving of notice by the City, the Servicer, the Bondholder Representative or the Trustee, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the City, the Servicer, the Bondholder Representative or the Trustee as the case may be with respect to any matter for which no Bond Document specifically and expressly provides for the giving of notice by the City, the Servicer, the Bondholder Representative or the Trustee to the Borrower.

Section 8.17. Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Trustee, the Bondholder Representative or the Servicer with respect to a Loan Payment. Any assignee of Bondholders' interests in and to the Bond Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Bond Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 8.18. Publicity. The Servicer and the Bondholder Representative (and any Affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Servicer or Bondholder Representative's participation in the purchasing of the Bonds or the Bond's inclusion in any Secondary Market Transaction effectuated by the Servicer or Bondholder Representative or one of its Affiliates; provided, however, that if any such press releases, advertisements and other promotional materials directly or indirectly refers to the Borrower, then such press releases, advertisements and other promotional materials shall be subject to the approval of the Borrower, which approval shall not be unreasonably withheld.

Section 8.19. No Usury. The Borrower, the City, the Trustee and the Servicer intend at all times to comply with applicable state law or applicable United States federal law (to the extent that it permits a party to contract for, charge, take, reserve or receive a greater amount of interest than under state law) and that this Section 8.19 shall control every other agreement in the Bond Documents. If the applicable law (state or federal) is ever judicially interpreted so as to render usurious any amount called for under the Note or any other Bond Document, or contracted for, charged, taken, reserved or received with respect to the Borrower Payment Obligations, or if the Trustee's acceleration of the maturity of the Loan or any prepayment by the Borrower or any premium or Late Charge results in the Borrower having paid any interest in excess of that permitted by applicable law, then it is the parties' express intent that all excess

amounts theretofore collected by the Servicer or the Trustee shall be credited against the unpaid Principal and all other elements of the Borrower Payment Obligations (or, if the Borrower Payment Obligations has been or would thereby be paid in full, refunded to the Borrower), and the provisions of the Bond Documents immediately be deemed reformed and the amounts thereafter collectible thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for thereunder. All sums paid or agreed to be paid to the Servicer or the Trustee for the use, forbearance or detention of the Loan shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the maximum lawful rate from time to time in effect and applicable to the Loan for so long as the Loan is outstanding. Notwithstanding anything to the contrary contained in any Bond Document, it is not the intention of the Trustee to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

Section 8.20. Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Bond Documents and that the Bond Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 8.21. Consents. Wherever in this Loan Agreement it is provided that the City, the Servicer, the Bondholder Representative or the Trustee shall, may or must give its approval or consent, or execute supplemental agreements or schedules, the City, the Servicer, the Bondholder Representative or the Trustee may not unreasonably or arbitrarily withhold, condition, delay or refuse such approvals or consents, unless otherwise provided herein or in any of the other Bond Documents.

Section 8.22. City, Trustee, Servicer, Bondholder Representative and Bond Purchaser Not in Control; No Partnership. None of the covenants or other provisions contained in this Loan Agreement shall, or shall be deemed to, give the City, the Trustee, the Servicer, the Bondholder Representative or the Bond Purchaser the right or power to exercise control over the affairs or management of the Borrower, the power of the City, the Trustee, the Servicer, the Bondholder Representative and the Bond Purchaser being limited to the rights to exercise the remedies referred to in the Bond Documents. The relationship between the Borrower and the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser and the Bondholders is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Bond Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser or any Bondholder or to create an equity in the Project in the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser or any Bondholder. None of the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser nor any Bondholder undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Loan, except as expressly provided in the Bond Documents; and notwithstanding any other provision of the Bond Documents: (a) the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser and the Bondholders are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling

person or other business associate or participant of any kind of the Borrower, or its stockholders, members, or partners and the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser and the Bondholders do not intend to ever assume such status; (b) the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser and the Bondholders shall in no event be liable for any the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (c) the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser and the Bondholders shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or their respective stockholders, members, or partners. The City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser, the Bondholders and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser, the Bondholders and the Borrower or either of them, or to create an equity in the Project in the City, the Trustee, the Servicer, the Bondholder Representative, the Bond Purchaser or the Bondholders, or any sharing of liabilities, losses, costs or expenses.

Section 8.23. Time of the Essence. Time is of the essence with respect to this Loan Agreement.

Section 8.24. References to Bondholder Representative. The provisions of Section 12.16 of the Indenture pertaining to the Bondholder Representative are incorporated by reference herein.

Section 8.25. Release. The Borrower hereby acknowledges that it is executing this Loan Agreement and each of the Bond Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 8.26. Reimbursement of Expenses. If, upon the occurrence and during the continuance of any Loan Agreement Default or Default, the City, the Trustee, the Bondholder Representative or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the City, the Trustee, the Bondholder Representative and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid hereunder and under Sections 5.1(e) and 6.14 shall be subordinate to its obligations to make payments under the Note, and the Borrower's obligations to pay the amounts under this Section.

ARTICLE IX  
SPECIAL PROVISIONS

Section 9.1. Sale of Bonds and Secondary Market Transaction.

Section 9.1.1. Cooperation. At the Servicer or Bondholder Representative's written request (to the extent not already required to be provided by the Borrower under this Loan Agreement), the Borrower shall reasonably cooperate (at no cost or expense and at no liability or potential liability to Borrower and any guarantor) with the Servicer or Bondholder Representative in connection with obtaining a rating or with one or more sales or assignments of all or a portion of the Bonds or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Bonds (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that (a) neither the Borrower nor the City shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs including, without limitation, any costs associated with receiving a rating on the Bonds, shall be paid by the Servicer or Bondholder Representative, and (b) in no event shall Borrower or any guarantor be required to execute any documents which would adversely affect any of their respective rights or obligation under this Loan Agreement or the other Loan Documents or Bond Documents or make additional representations (other than reaffirming representations as provided below).

Without limiting the generality of the foregoing, the Borrower shall, so long as the Loan is still Outstanding and at no cost, expense, liability or potential liability to Borrower and any guarantor:

(a) (i) provide such financial and other information (to the extent reasonably available) with respect to the Project, the Bonds, the Borrower, the Manager, the contractor of the Project or any Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii), at the expense of the Servicer or Bondholder Representative, permit such site inspection, appraisals, surveys, market studies, non-invasive environmental reviews and reports, engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Servicer or Bondholder Representative or the Rating Agencies or as may be reasonably necessary in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Servicer or Bondholder Representative pursuant to this paragraph (a) being called the "Provided Information"), together, if customary and reasonable, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Servicer or Bondholder Representative and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower and the Bond Documents reasonably acceptable to the Servicer or Bondholder Representative,

consistent with the facts covered by such representations and warranties as they exist on the date thereof and which are in the knowledge of the Borrower; and

(c) execute such amendments to the Bond Documents as may be reasonably necessary to accommodate such Secondary Market Transaction so long as such amendment does not affect the economic terms of the Bond Documents, does not increase the Borrower's liabilities or obligations under the Bond Documents and does not materially affect the Borrower's rights or remedies under the Bond Documents, in its reasonable discretion.

Section 9.1.2. Use of Information. The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a "Secondary Market Disclosure Document"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall reasonably cooperate, at no cost, expense, liability or potential liability to Borrower and any guarantor, subject to Section 9.1.1(c), with the Servicer and Bondholder Representative in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information (to the extent reasonably available) pertaining to the Borrower and the Project reasonably necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information, provided that the recipient of any such information executes a nondisclosure agreement in form and substance reasonably satisfactory to the Borrower.

Section 9.1.3. Borrower Obligations Regarding Secondary Market Disclosure Documents. In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, shall use commercially reasonable efforts to cause it to provide, (a) information reasonably requested (to the extent reasonably available) by the Bondholder Representative pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Bondholder Representative pertaining to the Borrower, the Project or the third party); and (b) any documents used in connection therewith that in any way mention the City and the Bonds shall indicate that the City's liability is limited as provided in Section 5.01(d) of the Indenture; and that the City has not approved the Secondary Market Transaction. The Borrower shall, if requested by the Servicer and Bondholder Representative, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager), to the best of Borrower's knowledge, do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Bondholder

Representative, the Servicer, the Bond Purchaser, the Trustee and the City for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document.

Section 9.1.4. Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify Bondholder Representative, the Servicer, the Bond Purchaser, the Trustee, the City, its members, and the underwriter group for any securities (the "Underwriter Group") for any Liabilities to which Bondholder Representative, the Servicer, the Bond Purchaser, the Trustee, the City or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Servicer, the Bondholder Representative, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Servicer, the Bondholder Representative or the Underwriter Group in connection with defending or investigating such Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties; and provided further, the Borrower shall have no liability if any member of the Underwriter Group fails to disclose any or all of the Provided Information or modifies or changes any of the Provided Information without the prior written consent of the Borrower.

Section 9.1.5. Indemnification Procedure. Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

Section 9.1.6. Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall

be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Section 9.1.7. Additional Rights of the City. Notwithstanding any other provision of this Section 9.1, Borrower shall provide or cause to be provided to the City the final form of any Secondary Market Disclosure Document at least five (5) Business Days prior to its dissemination in the market. Notwithstanding any other provision of this Section 9.1, Borrower shall not cooperate in providing any information for a Secondary Market Disclosure Document, and shall not consent to the inclusion of any such information in a Secondary Market Disclosure Document, unless it has received written confirmation from the City that any information concerning the City contained in such Secondary Market Disclosure Document or omitted therefrom is acceptable to the City in its sole and absolute discretion.

IN WITNESS WHEREOF, the parties hereto have executed this Loan Agreement, all as of the date first above written.

## EXHIBIT A

### CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to the Loan Agreement as if set forth in the text thereof. Capitalized terms used but not defined in this Appendix shall have the meanings given in the Loan Agreement.

1. Nondiscrimination; Penalties.

(a) *Non Discrimination in Contracts.* The Borrower shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Borrower shall incorporate by reference in any subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require any subcontractors to comply with such provisions. The Borrower is subject to the enforcement and penalty provisions in Chapters 12B and 12C.

(b) *Nondiscrimination in the Provision of Employee Benefits.* San Francisco Administrative Code 12B.2. The Borrower does not as of the date of this Loan Agreement, and will not during the term of this Loan Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.

(c) *Condition to Contract.* As a condition to the Loan Agreement, the Borrower shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

2. MacBride Principles—Northern Ireland. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Loan Agreement. By entering into this Loan Agreement, the Borrower confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

3. Tropical Hardwood and Virgin Redwood Ban. Under San Francisco Environment Code Section 804(b), the City urges the Borrower not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

4. Alcohol and Drug-Free Workplace. The City reserves the right to deny access to, or require the Borrower to remove from, City facilities personnel of the Borrower who the

Commission has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City's ability to maintain safe work facilities or to protect the health and well-being of City employees and the general public. The Commission shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the individual lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

5. Compliance with Americans with Disabilities Act. The Borrower shall provide the services specified in the Loan Agreement in a manner that complies with the Americans with Disabilities Act (ADA), including but not limited to Title II's program access requirements, and all other applicable federal, state and local disability rights legislation.

6. Sunshine Ordinance. The Borrower acknowledges that this Loan Agreement and all records related to its formation, the Borrower's performance of services provided under the Loan Agreement, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.

7. Limitations on Contributions. By executing this Loan Agreement, The Borrower acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The prohibition on contributions applies to each prospective party to the contract; each member of the Borrower's board of directors; the Borrower's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Borrower; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Borrower. The Borrower must inform each such person of the limitation on contributions imposed by Section 1.126 and provide the names of the persons required to be informed to City.

8. Requiring Minimum Compensation for Covered Employees. The Borrower shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P. The Borrower is subject to the enforcement and penalty provisions in Chapter 12P. By entering into this Loan Agreement, the Borrower certifies that it is in compliance with Chapter 12P.

9. Requiring Health Benefits for Covered Employees. The Borrower shall comply with San Francisco Administrative Code Chapter 12Q. The Borrower shall choose and perform one of the Health Care Accountability options set forth in San Francisco Administrative Code Chapter 12Q.3. The Borrower is subject to the enforcement and penalty provisions in Chapter 12Q.

10. Prohibition on Political Activity with City Funds. In performing the services provided under the Loan Agreement, the Borrower shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Loan Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Borrower is subject to the enforcement and penalty provisions in Chapter 12G.

11. Nondisclosure of Private, Proprietary or Confidential Information. If this Loan Agreement requires the City to disclose "Private Information" to the Borrower within the meaning of San Francisco Administrative Code Chapter 12M, the Borrower shall use such information consistent with the restrictions stated in Chapter 12M and in this Loan Agreement and only as necessary in performing the services provided under the Loan Agreement. The Borrower is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under the Loan Agreement, the Borrower may have access to the City's proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Borrower, such information must be held by the Borrower in confidence and used only in performing the Loan Agreement. The Borrower shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

12. Consideration of Criminal History in Hiring and Employment Decisions. The Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Loan Agreement. The text of Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. A partial listing of some of the Borrowers's obligations under Chapter 12T is set forth in this Section. The Borrower is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Loan Agreement shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to an Borrower's operations to the extent those operations are in furtherance of the performance of this Loan Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Loan Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

13. Submitting False Claims; Monetary Penalties. The full text of San Francisco Administrative Code §§ 21.35, including the enforcement and penalty provisions, is incorporated into this Loan Agreement. Under San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

14. Conflict of Interest. By entering into the Loan Agreement, the Borrower certifies that it does not know of any fact which constitutes a violation of Section 15.103 of the City's Charter; Article III, Chapter 2 of City's Campaign and Governmental Conduct Code; Title 9, Chapter 7 of the California Government Code (Section 87100 et seq.), or Title 1, Division 4, Chapter 1, Article 4 of the California Government Code (Section 1090 et seq.), and further agrees promptly to notify the City if it becomes aware of any such fact during the term of this Loan Agreement.

15. Assignment. The services provided under the Loan Agreement to be performed by the Borrower are personal in character and neither this Loan Agreement nor any duties or obligations may be assigned or delegated by the Borrower unless first approved by the City by written instrument executed and approved in the same manner as this Loan Agreement. Any purported assignment made in violation of this provision shall be null and void.

16. Food Service Waste Reduction Requirements. The Borrower shall comply with the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including but not limited to the provided remedies for noncompliance.

17. Cooperative Drafting. This Loan Agreement has been drafted through a cooperative effort of the City and the Borrower, and all parties have had an opportunity to have the Loan Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Loan Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Loan Agreement.

18. Laws Incorporated by Reference. The full text of the laws listed in this Appendix A, including enforcement and penalty provisions, are incorporated into this Loan Agreement by reference. The full text of the San Francisco Municipal Code provisions incorporated by reference in this Appendix A are available at [www.sfgov.org](http://www.sfgov.org) under "Open Gov."

19. Sugar-Sweetened Beverage Prohibition. The Borrower agrees that it will not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Loan Agreement.

(h) The Owner (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take any action if such action or omission would in any way cause the proceeds from the Bonds to be applied in a manner contrary to the requirements of the Loan Documents or this Regulatory Agreement.

(j) The statements made in the various certificates delivered by the Owner to the City on the Closing Date are true and correct.

(l) The Owner will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt status of interest on the Bonds (other than with respect to interest on any portion thereof for a period during which such portion is held by a "substantial user" of any facility financed with the proceeds of the Bonds or a "related person," as such terms are used in Section 147(a) of the Code), and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(m) The Owner will take such action or actions as may be necessary, in the written opinion of Tax Counsel to the City, to comply fully with the Act, the Code and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service to the extent necessary to maintain the Tax-Exempt status of interest on the Bonds (other than with respect to interest on any portion of thereof for a period during which such portion is held by a "substantial user" of any facility financed with the proceeds of the Bonds or a "related person," as such terms are used in Section 147(a) of the Code).

(n) No portion of the proceeds of the Bonds shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. No portion of the proceeds of the Bonds shall be used for an office unless the office is located on the premises of the facilities constituting the Project and unless not more than a *de minimis* amount of the functions to be performed of such office is not related to the day-to-day operations of the Project.

The City hereby elects to have the Project meet the requirements of Section 142(d)(1)(A) of the Code and the Owner hereby elects and covenants that it shall comply with Section 142(d)(1)(A) of the Code. To that end, and for the term of this Regulatory Agreement, the Owner hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Project is being acquired, developed and constructed for the purpose of providing multifamily residential rental property, including certain facilities related thereto, and the Owner shall own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the residential dwelling units in the Project will be similarly constructed units, and, to the extent required by the Code and the Regulations, each residential dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range (which may be a countertop cooking range), refrigerator and sink.

(c) None of the residential dwelling units in the Project will at any time be used on a transient basis (e.g., subject to leases that are less than thirty (30) days duration) (including use as a corporate suite), or be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home, retirement house or trailer court or park.

(d) Except to the extent the Project has already been subdivided into air-rights condominium parcels or other legal subdivisions, no part of the Project will at any time be owned as a condominium or by a cooperative housing corporation, nor shall the Owner take any steps in connection with a conversion to such ownership or uses during the Qualified Project Period. Other than obtaining a final subdivision map on the Project and a Final Subdivision Public Report from the California Bureau of Real Estate, the Owner shall not take any steps in connection with a conversion of the Project to a condominium ownership except with the prior written opinion of Tax Counsel that the interest on the Bonds will not thereby become includable in the gross income of the Holders thereof for federal income tax purposes under Section 103 of the Code during the Qualified Project Period.

(e) All of the residential dwelling units in the Project will be available for rental on a continuous basis to members of the general public and the Owner will not give preference to any particular class or group in renting the residential dwelling units in the Project, except to the extent required by (i) this Regulatory Agreement or the Notice of Special Restrictions, (ii) any regulatory or restrictive use agreement to which the Project is or becomes subject pursuant to Section 42 of the Code, (iii) any additional tenant income and rent restrictions imposed by any other federal, State or local governmental agencies, and (iv) any other legal or contractual requirement not excepted by clauses (i) through (ii) of this paragraph, upon receipt by the Trustee and the City of an opinion of Tax Counsel to the effect that compliance with such other requirement will not adversely affect the Tax-Exempt status of interest on the Bonds.

(f) The Site consists of a parcel or parcels that are contiguous and all of the Facilities will comprise a single geographically and functionally integrated project for residential rental property (including the portions of the common areas allocated to the Project), as evidenced by the ownership, management, accounting and operation of the Project.

(g) No residential dwelling unit in the Project shall be occupied by the Owner. Notwithstanding the foregoing, if the Project contains five (5) or more residential dwelling units, this Section shall not be construed to prohibit occupancy of residential dwelling units by one or more resident managers or maintenance personnel any of whom may be the Owner; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of residential dwelling units in the Project.

(h) The Owner shall not discriminate on the basis of race, creed, religion, color, sex, source of income (e.g., TANF, Section 8 or SSI), physical disability (including HIV/AIDS), age, national origin, ancestry, marital or domestic partner status, sexual preference or gender identity in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the construction, operation and management of the Project, except to the extent required hereby.

(i) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by assignment of the fee interest in the Project in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Code and the Regulations, or condemnation or similar event, the Owner covenants that, within a "reasonable period" determined in accordance with the Regulations, it will either prepay the Loan or, if permitted under the provisions of the Mortgage and the Indenture, as applicable, the Owner will apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

(j) The Owner agrees to maintain the Project, or cause the Project to be maintained, during the term of this Regulatory Agreement (i) in a reasonably safe condition and (ii) in good repair and in good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof such that the Project shall be in substantially the same condition at all times as the condition it is in at the time of the completion of the construction of the Project with the proceeds of the Loan, ordinary wear and tear excepted. Notwithstanding the foregoing, the Owner's obligation to repair or rebuild the Project in the event of casualty or condemnation shall be subject to the terms of the Loan Agreement and the Mortgage.

(k) The Project will have five hundred and fifty (550) residential rental dwelling units, at least one (1) of which will be a manager's unit.

(l) No Very Low Income Units within the Project will be sold during the term of the Regulatory Agreement and no dwelling units within the Project will be sold while parts (a), (b) or (c) of the Qualified Project Period are in effect.

4. Restricted Units. The Owner hereby represents, as of the date hereof, and warrants, covenants and agrees as follows:

(a) Income and Rent Restrictions. In addition to the requirements of Section 5, hereof, the Owner shall comply with the income and rent restrictions of this Section 4(a), and any conflict or overlap between any two or more of such provisions shall be resolved

in favor of the most restrictive of such provisions, that is, in favor of the lowest income and rent.

(i) Very Low Income Units. One hundred ten (110) of the units in the Project shall be rented to and continuously occupied by households who qualify as Very Low Income Tenants. The monthly rent charged for all the Very Low Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the lower of City Median Income or Median Income for the Area.

(ii) [Reserved].

(iii) Income Restrictions Pursuant to the Code. Pursuant to the requirements of Section 142(d) of the Code, for the Qualified Project Period, not less than twenty percent (20%) of the total number of completed units in the Project shall be designated as Restricted Units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed fifty percent (50%) of Median Income for the Area; provided, however, if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code) who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be qualified Tenants pursuant to this sentence.

The Owner hereby elects to have Section 142(d)(4)(B) (deep rent skewing) of the Code apply to the Project. Accordingly, for purposes of the preceding paragraph, at least fifteen percent (15%) of the Restricted Units (the "**DRS Units**") shall be occupied by Tenants (the "**DRS Tenants**") who satisfy the requirements herein for Very Low Income Tenants, except the maximum Adjusted Income shall not exceed forty percent (40%) of Median Income for the Area, rather than fifty percent (50%) of Median Income for the Area.

The gross rent with respect to each Restricted Unit shall not exceed thirty percent (30%) of the applicable income limit, and shall not exceed fifty percent (50%) of the average gross rent with respect to Market Rate Units of comparable size in the Project. For purposes of this Section 4(a)(iii), the term "gross rent" includes any payment under Section 8 of the United States Housing Act of 1937 and any utility allowance as determined by the Secretary of the U.S. Department of Housing and Urban Development after taking into account such determinations under said Section 8. For purposes of this Section 4(a)(iii), the term "applicable income limit" means the applicable income limit for a Tenant described in this Section 4(a)(iii) (i.e. 50% of Median Income for the Area or 40% Median Income for the Area).

(iv) Income and Rent Restrictions Pursuant to the Act. Pursuant to the requirements of Section 52080(a)(1)(A) of the Housing Law, for the Qualified Project Period, not less than twenty percent (20%) of the total number of completed units in the Project or one hundred ten (110) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed fifty percent (50%) of the Median Income for the Area; provided, however, that if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code) who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be qualified Tenants pursuant to this sentence. Pursuant to the requirements

of Section 52080(a)(1)(A) of the Housing Law, the monthly rent charged for such units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the Median Income for the Area. The Owner shall satisfy the requirements of this Section 4(a)(iv) by complying with the requirements of Section 4(a)(i), to the extent such compliance meets the requirements of Section 52080(a)(1)(A) of the Housing Law.

(v) CDLAC Requirements. To the extent the income and rent restrictions contained in the CDLAC Requirements are more restrictive than any of the foregoing requirements, the Owner shall comply with the CDLAC Requirements.

(vi) City Requirements. The parties acknowledge that the City has imposed income and rent restrictions ("affordability restrictions") and other requirements with respect to the Project, as set forth in the Notice of Special Restrictions, which may be different than and are independent of the restrictions and requirements imposed herein. Nothing contained in this Regulatory Agreement is intended to limit the restrictions, requirements or obligations in the Notice of Special Restrictions, and nothing contained in the Notice of Special Restrictions is intended to limit the restrictions, requirements or obligations in this Regulatory Agreement. For avoidance of doubt, it is the City's intention that the affordability restrictions described herein shall continue for no less than the longer of 75 years from the date on which at least fifty percent (50%) of the units in the Project are first occupied or the Life of the Project.

(b) Over-Income Tenants. Notwithstanding the foregoing provisions of Section 4(a), no Tenant who satisfies the applicable income limit for a Restricted Unit upon initial occupancy shall be denied continued occupancy of a Restricted Unit in the Project solely because, after admission, the aggregate Adjusted Income of all Tenants in the Restricted Unit increases to exceed the qualifying limit for such Restricted Unit.

However, should the aggregate Adjusted Income of Tenants in a Very Low Income Unit or a DRS Unit, as of the most recent determination thereof, exceed one hundred seventy percent (170%) of the applicable income limit for such Restricted Unit occupied by the same number of Tenants, the next Available Unit that is a Restricted Unit must be rented to (or held vacant and available for immediate occupancy by) a DRS Tenant. The unit occupied by such Tenants whose aggregate Adjusted Income exceeds such applicable income limit shall continue to be treated as occupied by a Very Low Income Tenant or DRS Tenant for purposes of the requirements of Section 4(a) hereof unless and until an Available Unit that is a Restricted Unit is rented to persons other than a DRS Tenant. Moreover, a unit previously occupied by a Very Low Income Tenant or DRS Tenant and then vacated shall be considered occupied by a Very Low Income Tenant or DRS Tenant, respectively, until reoccupied, other than a reoccupation for a temporary period, at which time the character of the unit shall be re-determined. In no event shall such temporary period exceed thirty-one (31) days.

(c) Income Certifications. The Owner will obtain, complete and maintain on file an income certification, in the form referenced in Exhibit B, for each Tenant in a Restricted Unit (i) immediately prior to the initial occupancy of a Restricted Unit by such Tenant, and (ii) thereafter, annually, by completing the Income Certification Form together with such information, documentation and certifications as are required therein or by the

City, in its discretion, to substantiate the Tenant's income. In addition, the Owner will provide such further information as may be required in the future by the State, CDLAC, the City (on a reasonable basis), the Program Administrator, the Act, Section 142(d) of the Code and/or the Treasury Regulations, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code.

(d) Certificate of Continuing Program Compliance. Upon the commencement of the Qualified Project Period, and on each February 1st thereafter (or such other date as shall be requested in writing by the City or the Program Administrator, if other than the City) during the term of this Regulatory Agreement, the Owner shall advise the Program Administrator of the status of the occupancy of the Project by delivering to the Program Administrator (with a copy to the Trustee and Mortgagee) a Certificate of Continuing Program Compliance (a form of which is attached hereto as Exhibit D). The Owner shall also timely provide to the City such information as is requested by the City to comply with any reporting requirements applicable to it with respect to the Bonds or the Project under any federal or State law or regulation, including without limitation, CDLAC regulations (Division 9.5 of Title 4 of the California Code of Regulations).

(e) Recordkeeping. The Owner will maintain complete and accurate records pertaining to the Restricted Units, and will permit any duly authorized representative of the City, the Program Administrator (if other than the City), the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Owner pertaining to the Project upon reasonable notice during normal business hours, including those records pertaining to the occupancy of the Restricted Units, but specifically excluding any material which may be legally privileged.

(f) Annual Certification to Secretary of Treasury. The Owner shall submit to the Secretary of the Treasury annually on or before March 31 of each year, or such other date as is required by the Secretary of the Treasury, a completed Internal Revenue Service Form 8703, and shall provide a copy of each such form to the Program Administrator and the Trustee. Failure to comply with the provisions of this paragraph will subject the Owner to penalty, as provided in Section 6652(j) of the Code.

(g) Lease Provisions Regarding Income Certification Reliance. All leases pertaining to Restricted Units do and shall contain clauses, among others, wherein each Tenant who occupies a Restricted Unit: (1) certifies the accuracy of the statements made in the Income Certification Form; (2) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such Tenant, that such Tenant will comply promptly with all requests for information with respect thereto from the Owner or the Program Administrator on behalf of the City, and that the failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such Tenant; (3) acknowledges that the Owner has relied on the Income Certification Form and supporting information supplied by the Tenant in determining qualification for occupancy of the Restricted Unit, and that any material misstatement in such certification (whether intentional or otherwise) will be cause for immediate termination of such lease or rental agreement; and (4) agrees that the Tenant's income is subject to annual certification in accordance with Subsection 4(c) hereof and

that failure to cooperate with the annual recertification process reasonably instituted by the Owner pursuant to Subsection 4(c) above may provide grounds for termination of the lease.

(h) Maintenance of Tenant Lists and Applications. All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business which is unrelated to the Project and shall be maintained, as required from time to time by the Program Administrator on behalf of the City or the Trustee, in a reasonable condition for proper audit and subject to examination upon reasonable notice during normal business hours by representatives of the Trustee or the City. Failure to keep such lists and applications or to make them available to the City or the Trustee shall be a default hereunder.

(i) Tenant Lease Subordination. All tenant leases or rental agreements shall be subordinate to this Regulatory Agreement.

(j) No Encumbrance, Demolition or Non-Rental Residential Use. The Owner shall not take, or permit, any of the following actions:

(i) other than the Permitted Encumbrances, encumber any portion of the Project or grant commercial leases of any part thereof (except the Commercial Space), or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases), except (i) pursuant to the provisions of this Regulatory Agreement and on a basis subordinate to the provisions of this Regulatory Agreement, to the extent applicable, (ii) upon receipt by the Owner, the Trustee, the Mortgagee and the City of an opinion of Tax Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Bonds, or (iii) upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement; or

(ii) demolish any part of the Project or substantially subtract from any real or personal property of the Project (other than in the ordinary course of business); or

(iii) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

(k) Compliance with Regulatory Agreement. The Owner shall exercise reasonable diligence to comply or cause compliance with the requirements of this Regulatory Agreement and shall notify the City within fifteen (15) days and correct any noncompliance within sixty (60) days after such noncompliance is first discovered by the Owner or would have been discovered by the exercise of reasonable diligence, unless such noncompliance is not reasonably susceptible to correction within sixty (60) days, in which event the Owner shall have such additional time as may be reasonably necessary to effect such correction provided the Owner has commenced such correction after discovery and is diligently prosecuting such correction.

#### 5. Additional Requirements of the City.

(a) Minimum Lease Term. The term of the lease for any Restricted Unit shall be not less than one (1) year.

(b) Limitation on Rent Increases. Annual rent increases on an occupied Restricted Unit shall be limited to the percentage of the annual increase in the lower of the City Median Income or the applicable Median Income for the Area for that Restricted Unit. Rent increases which are permitted but not made in a given year may not be carried forward and made in any subsequent year.

(c) Appointment of Program Administrator. The Owner acknowledges that the City may appoint a Program Administrator (other than the City), at the sole cost and expense of the City, to administer this Regulatory Agreement and to monitor performance by the Owner of the terms, provisions and requirements hereof. In such event, the Owner shall comply with any reasonable request by the City and the Program Administrator to deliver to any such Program Administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection during normal business hours with reasonable notice by the Program Administrator as an agent of the City. The City may change the Program Administrator at its sole and exclusive discretion. The Owner shall have the right to rely on any consent or direction given by the Program Administrator on the same basis as if given by the City.

(d) Management Agent. The Owner shall not enter into any agreement providing for the management or operation of the Project with any party other than Related Management Company, L.P., a New York limited partnership, without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed, except as contemplated by the Affordable Project Lease Agreement.

(e) Certificate of Preference Program. To the fullest extent permitted by law, the Owner shall comply with the City's Certificate of Preference Program pursuant to San Francisco Administrative Code Section 24.8, to the extent such compliance is not in conflict with any other requirements imposed on the Project pursuant to Section 42 and Section 142(d) of the Code, the Act, the CDLAC Resolution, or CTCAC.

(f) Nondiscrimination Based on Section 8, Household Size, or Source of Income. The Owner shall accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or any successor program or similar federal, State or local governmental assistance program. The Owner shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants and the Owner shall not refuse to rent to any tenant on the basis of household size as long as such household size does not exceed two (2) persons for a studio unit; three (3) persons for a one-bedroom unit; five (5) persons for a two-bedroom unit and seven (7) persons for a three-bedroom unit. The Owner shall not collect any additional fees or payments from such a tenant except security deposits or other deposits required of all tenants. The Owner shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of that allowed under the Section 8 program. The Owner shall not discriminate against tenant applicants on the basis of legal source of income (e.g., TANF, Section 8 or SSI), and the Owner shall consider a prospective tenant's previous rent history of at least one (1) year as evidence of the ability to pay the applicable rent (i.e., ability to pay shall be demonstrated if such a tenant can show that the same percentage or more of the tenant's income has been consistently paid on time for rent in the past as will be required to be paid for the rent applicable to the unit to be occupied, provided that such tenant's expenses have not increased materially). Further, Owner shall comply with all applicable notice provisions set forth in the Housing Act prior to terminating

any lease to which any Tenant previously certified by the Owner as a Very Low Income Tenant is a party. The Owner acknowledges that (i) federal notice requirements under the Housing Act are distinct from those under State law or City law and the Owner shall comply with all federal, State and local laws in connection with any such notice requirements, and (ii) compliance with the law of one jurisdiction shall not be deemed compliance with the laws of all jurisdictions.

(g) {Under Review.} [Overincome Provisions after Expiration of Qualified Project Period. Notwithstanding the provisions of Section 4(b), from and after the expiration of the Qualified Project Period, in the event that Owner's certification of a Very Low Income Tenant's income or a DRS Tenant's income, pursuant to Section 4(c), indicates that such Very Low Income Tenant's income exceeds one hundred twenty percent (120%) of the lower of the City Median Income or the Median Income for the Area (and in the case of a DRS Tenant, exceeds one hundred twenty percent (120%) of the Median Income for the Area), the Owner shall terminate such lease upon one hundred twenty (120) days prior written notice to the Tenant, and the lease for each Restricted Unit shall contain a statement to the foregoing effect. Notwithstanding the foregoing, the Owner shall not be required to terminate said Tenant's lease if any regulation or statute governing the Project or the financing thereof prohibits the termination of said Tenant's lease in this manner.]

(h) Consideration for Restrictions. It is hereby acknowledged and agreed that any restrictions imposed on the operation of the Project herein and which are in addition to those imposed pursuant to Section 142(d) of the Code or the Act are at the request of the Owner, and that the Owner has voluntarily agreed to such additional restrictions in order to obtain financial assistance from the City and an allocation of private activity bond volume cap from CDLAC.

(i) Marketing Plan. Owner will market the Restricted Units in accordance with the marketing plan, if any, approved by the City.

(j) Extension of Qualified Project Period. Notwithstanding any other provision herein, the Qualified Project Period shall not expire earlier than, and the requirements of this Section 5 shall be in effect until the date that is the later of (i) seventy-five (75) years after the Closing Date and (ii) the Life of the Project; [provided that certain provisions shall survive and remain in full force and effect following the end of the Qualified Project Period as specified in Section 12 hereof.]

(k) Amendment or Waiver by City; Conflicting Provisions. The requirements of Section 4(a)(i) and of Section 5 hereof may be amended, modified or waived (but not increased or made more onerous), at the City's sole discretion, by written amendment signed by the City and the Owner, or expressly waived by the City in writing, but no such waiver by the City shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City and the Trustee have received an opinion of Tax Counsel to the effect that any such provision is not required by the Code or the Act and may be waived without adversely affecting the Tax-Exempt status of interest on the Bonds. Any requirement of Subsection 4(a)(i) or Section 5 shall be void and of no force and effect if the City, the Mortgagee, the Trustee and the Owner receive a written opinion of Tax Counsel to the effect that compliance with such requirement would be in conflict with the Act or any other applicable state or federal law.

6. Additional Requirements of State Law. In addition to the requirements set forth above, the Owner hereby agrees that it shall also comply with each of the requirements of Section 52080 of the Housing Law, in each case, for the term of this Regulatory Agreement as set forth in Section 12 hereof, including the following:

(a) Tenants Under Section 8 of the Housing Act. The Owner shall accept as tenants, on the same basis as all other prospective tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, and shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(b) Availability on Priority Basis. The Restricted Units shall remain available on a priority basis for occupancy at all times by the Very Low Income Tenants and DRS Tenants.

(c) Binding Covenants and Conditions. The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Owner.

(d) Recordation of Regulatory Agreement. This Regulatory Agreement shall be recorded in the office of the county recorder of the City and County of San Francisco, California, and shall be recorded in the grantor-grantee index under the name of the Owner as grantor and to the name of the City as grantee.

(e) Restricted Income Units of Comparable Quality. The Restricted Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project.

(f) {Under Review.} [Availability Following Expiration of Qualified Project Period. Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure, redemption of the Bonds, assignment of the fee interest in the Project in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by Subsection 4(a)(iv) shall remain available to any eligible Tenant occupying a Restricted Unit at the date of such expiration or termination, at the rent determined by Subsection 4(a)(iv), until the earliest of: (1) the household's income exceeds one hundred twenty percent (120%) of the maximum eligible income specified therein, except as specified in Section 5(g); (2) the household voluntarily moves or is evicted for good cause, as provided in the Housing Law; (3) seventy-five (75) years after the date of the commencement of the Qualified Project Period; or (4) the Owner pays the relocation assistance and benefits to households if required by, and as provided in, Section 7264(b) of the California Government Code.]

(g) {Under Review.} [Availability Preceding Expiration of Qualified Project Period. During the three (3) years prior to the later of (i) the expiration of the Qualified Project Period or (ii) the date that is seventy-five (75) years after the date of commencement of the Qualified Project Period, the Owner shall continue to make available Restricted Units to eligible households that have been vacated to the same extent that non-Restricted Units, if any, are made available to non-eligible households.]

(h) Notice and Other Requirements. The Owner shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and shall comply with all applicable requirements of Section 65863.11 of the California Government Code.

(i) Syndication of the Affordable Project. Any syndication of tax credits with respect to all or a portion of the Project shall require the prior written approval of the Director of the Mayor's Office of Housing and Community Development of the City, which approval shall be granted only after the City determines that the terms and conditions of such syndication, including the Affordable Project Lease Agreement, (1) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (2) shall not cause any of the requirements of the City set forth in this Section 6 hereof to be subordinated to the syndication agreement, and (3) shall not result in the provision of fewer Restricted Units, or the reduction of any benefits or services, than were in existence prior to the proposed syndication.

7. CDLAC Requirements. The Owner hereby agrees that the acquisition, development, construction, equipping and operation of the Project and the financing thereof is and shall be in compliance with the conditions set forth in Exhibit A to CDLAC Resolution No. 17-\_\_\_\_, adopted on September 20, 2017, attached hereto as Exhibit F (the "**CDLAC Resolution**"), which conditions (the "**CDLAC Requirements**") are incorporated herein by reference and are made a part hereof. Annually on February 1, and as otherwise requested by CDLAC, the Owner shall prepare and submit to the City a Certificate of Compliance in substantially the form attached hereto as Exhibit G, executed by an Authorized Owner Representative.

8. Indemnification. The Owner hereby releases the City, the Trustee and their respective officers, members, directors, officials and employees from, and covenants and agrees to indemnify, hold harmless and defend the City and the Trustee and the officers, members, directors, officials, agents and employees of each of them (collectively, the "Indemnified Parties," and each an "**Indemnified Party**") from and against any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint and several (including, without limitation, costs of investigation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the Loan or the use thereof, or the execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project or the making of the Loan or otherwise, including without limitation, any advances of the Loan, or any failure by the Trustee to make any advance thereunder; (c) arising from any act or omission of the Owner or any of its agents, servants, employees or licensees, in connection with the Loan or the Project; (d) arising in connection with the issuance and sale, resale or reissuance of any note, bond, including any secondary market transaction with respect thereto, or any certifications or representations made by any person other than the City or the party seeking indemnification in connection therewith and the carrying out by the Owner of any of the transactions contemplated by the Loan Documents and this Regulatory Agreement; (e) arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, or construction of, the Project or any part thereof; and (f) arising out of or in connection with the exercise by the Trustee of its powers or duties under the Indenture, and this Regulatory Agreement or any other agreements in connection therewith to which either of them is a party; provided, however, that this provision shall not require the Owner to indemnify (i) the Trustee from any claims, costs, fees, expenses or liabilities arising from the negligence or willful misconduct of the Trustee, or (ii) the City for any claims, costs, fees, expenses or liabilities arising solely from the willful misconduct of the City. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the Indemnified Party, shall assume the investigation and

defense thereof, including the engagement of counsel selected by the Owner and reasonably approved by the Indemnified Party and the Owner shall assume the payment of all reasonable fees and expenses related thereto (provided however that if the Indemnified Party is the City, the selection of counsel is at the sole discretion of the City Attorney and the Owner shall assume the payment of all reasonable fees and expenses related thereto) with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Notwithstanding the foregoing, no indemnification obligation shall give rise to an obligation to pay principal and interest on the Loan, which is not otherwise set forth in the Loan Documents, the Bonds or any other agreement relating to the Bonds.

The Owner also shall pay and discharge and shall indemnify and hold harmless the City and the Trustee from (i) any lien or charge upon payments by the Owner to the City and the Trustee hereunder and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the City or the Trustee shall give prompt notice to the Owner, and the Owner shall have the sole right and duty to assume, and the Owner will assume, the defense thereof, including the engagement of counsel selected by Owner and reasonably approved by the Indemnified Party and the payment of all reasonable fees and expenses related thereto (provided that if the Indemnified Party is the City, the selection of counsel is at the sole discretion of the City Attorney and the Owner shall assume the payment of all reasonable fees and expenses related thereto), with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. If a potential conflict exists between the Owner's defense and the interests of an Indemnified Party, then such Indemnified Party shall have the right to engage separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Owner shall pay the reasonable fees and expenses of such separate counsel.

Notwithstanding any transfer of the Project to another Owner in accordance with the provisions of Section 11 of this Regulatory Agreement, the Owner shall remain obligated to indemnify the City pursuant to this Section 8 if such subsequent Owner fails to so indemnify the City, unless at the time of transfer the City has consented to the transfer to the extent such consent is required hereunder.

The provisions of this Section 8 shall survive the term of the Bonds and this Regulatory Agreement, including the termination of this Regulatory Agreement pursuant to the second paragraph of Section 12 hereof.

The obligations of the Owner under this Section are independent of any other contractual obligation of the Owner to provide indemnity to the Indemnified Parties or otherwise, and the obligation of the Owner to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Owner. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which they are entitled to indemnification.

In addition thereto, the Owner will pay upon demand all reasonable fees and expenses paid or incurred by the Indemnified Parties in enforcing the provisions hereof.

9. Consideration. The City has executed, issued and delivered the Bonds and made the Loan to provide funds for the purpose of financing the Project, all for the purpose, among others, of inducing the Owner to acquire, construct, equip and operate the Project. In consideration of the making of the Loan by the City, the Owner has entered into this Regulatory Agreement and has agreed to restrict the use of the Project on the terms and conditions set forth herein.

10. Reliance. The City and the Owner hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, and in the Tax-Exempt status of the interest on the Bonds. In performing its duties and obligations hereunder, the City may rely upon statements and certificates of the Owner and the Very Low Income Tenants, and upon audits of the books and records of the Owner pertaining to the Project. In addition, the City may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City hereunder in good faith and in conformity with such opinion.

11. Sale or Transfer of the Project. The Owner intends to hold its interest in the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project, except as otherwise expressly provided herein, hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder or by the Affordable Housing Project Lease or the leasing of the Commercial Space on terms acceptable to the City) or interest therein, including any direct interest in the Owner, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld, and receipt by the City of (i) evidence satisfactory to the City that the Owner's purchaser or transferee has assumed in writing and in full, the Owner's duties and obligations under this Regulatory Agreement, (ii) an opinion of counsel of the transferee that the transferee has duly assumed the obligations of the Owner under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) evidence acceptable to the City that either (A) the purchaser or assignee has experience in the ownership, operation and management of rental housing projects in the City such as the Project without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, or (B) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subparagraph (A) above or (alternatively if the purchaser or assignee does not have management experience, the City may cause the Program Administrator to provide on-site training in program compliance if the City determines such training is necessary, (iv) evidence satisfactory to the City that no event of default exists under this Regulatory Agreement, the Loan Documents or any document related to the Loan, beyond the expiration of any applicable notice and cure period, and that payment of all fees and expenses of the City and the Trustee due under any of such documents is current, and (v) an opinion of Tax Counsel to the effect that such transfer will not, in itself, cause interest on the Bonds to become includable in the gross income of the recipients thereof for federal income tax purposes, except to the extent held by a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 11 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Regulatory Agreement. Nothing in this Section 11 shall affect any provision of any other document or instrument between the Owner and any other party which requires the Owner to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Not less than sixty (60) days prior to consummating any sale, transfer or disposition of any interest in the Project, the Owner shall

deliver to the City a notice in writing explaining the nature of the proposed transfer. Notwithstanding the foregoing, the provisions of this Section 11 shall not apply to the transfer of all or any portion of (a) the Administrative General Partner's interest in the Owner to an affiliate of the Administrative General Partner in accordance with the Partnership Agreement, (b) the Managing General Partner's interest to an affiliate of the Managing General Partner in accordance with the Partnership Agreement, (c) the transfer of the interest of a limited partner of the Owner to the Administrative General Partner or an affiliate of the Administrative General Partner or (d) the Project or any partnership interest in the Owner by foreclosure, exercise of power of sale, transfer of title by deed in lieu of foreclosure, transfer of title by assignment in lieu of foreclosure of the fee interest in the Project or partners in the Owner in each case to the Trustee or an Affiliate thereof or a Mortgagee.

12. Term. Subject to the following paragraph of this Section 12, Section 8 hereof and to any other provision expressly agreed herein to survive the termination of this Regulatory Agreement, this Regulatory Agreement and all of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect for the Qualified Project Period.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement, except for the provisions of Section 8 hereof [and any other provision expressly agreed herein to survive the termination hereof] shall terminate and be of no further force and effect in the event of (i) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the City from enforcing such provisions, or (ii) foreclosure, exercise of power of sale, transfer of title by deed in lieu of foreclosure, transfer of title by assignment in lieu of foreclosure of the fee interest in the Project, or condemnation or a similar event, but only if, in case of the events described in either clause (i) or (ii) above, within a reasonable period, either the Bonds are paid in full or canceled or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure, exercise of power of sale, or the delivery of a deed in lieu of foreclosure, transfer of title by assignment in lieu of foreclosure of the fee interest in the Project or a similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Owner hereby agrees that, following any foreclosure, exercise of power of sale, transfer of title by deed in lieu of foreclosure or similar event, neither the Owner nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated upon agreement by the City and the Owner subject to compliance with any of the provisions contained in this Regulatory Agreement only if there shall have been received by the City an opinion of Tax Counsel that such termination will not adversely affect the Tax-Exempt status of the interest on the Bonds or the exemption from State personal income taxation of the interest on the Bonds. The Owner shall provide written notice to the City of the occurrence of any of the events described in (i) or (ii) above.

Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

13. [Reserved]

14. Covenants to Run With the Land. The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. No breach of any of the provisions of this Regulatory Agreement shall defeat or render invalid the lien of a mortgage made in good faith and for value encumbering the Site.

15. Burden and Benefit. The City and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the Project is rendered less valuable thereby. The City and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Very Low Income Tenants and DRS Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bonds were executed, issued and delivered.

16. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Site.

17. Enforcement. If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days (the "cure period") after written notice thereof shall have been given by the City to the Owner (and a copy of such notice shall also be given to the Trustee by the City, provided however that the failure of the City to provide such copy to the Trustee shall have no effect on the sufficiency of the notice to the Owner), the City may, at its sole option, extend the cure period if the default is of the nature which would reasonably require more than sixty (60) days to cure and if the Owner provides the City, if requested by the City, with an opinion of Tax Counsel to the effect that such extension will not adversely affect the Tax-Exempt status of interest on the Bonds. The Owner shall be responsible for promptly providing each Mortgagee with a copy of such notice, provided however that the failure of the Owner to provide a copy to any Mortgagee shall have no effect on the sufficiency of the notice. Upon the expiration of such cure period, as the same may be extended as aforesaid, then the City may declare an "event of default" to have occurred hereunder, and, subject to the provisions of the Indenture, may take any one or more of the following steps:

(a) by mandamus or other suit, action or proceeding at law or in equity, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder; or

(b) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the Project; or

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the occurrence of an event of default under this Regulatory Agreement shall not be deemed, under any circumstances whatsoever, to be a default under the Mortgage or the Loan Agreement, except as may be otherwise specified in the Mortgage or the Loan Agreement, respectively.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the City agrees that any cure of any default made or tendered by the investor limited partner of the Affordable Project Lessee shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, any action taken to enforce the provisions of the Regulatory Agreement shall be maintained against the Owner and no action shall be [maintained] or liability on recourse sought or obtained against any partner or partners, member or shareholder of any partner, and any officer, director, manager, employee or agent of any of the foregoing.

18. Recording and Filing. The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the City and County of San Francisco, California and in such other places as the City may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

19. Payment of Fees. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of any of the Loan Documents, the Owner shall continue to pay the City's annual administrative fee as calculated and described below. Upon the occurrence of an event of default hereunder, the Owner shall continue to pay to the City compensation for any services rendered by the City hereunder and reimbursement for all expenses incurred by it in connection therewith.

The Owner shall pay to the City (i) an initial issuance fee of \$\_\_\_\_\_ (which is equal to one quarter of one percent (0.25%) of the maximum principal amount of the Bonds (the "**Issuance Fee**"), and (ii) an annual administrative fee (the "**Annual Fee**"), and together these fees are referred to as "Issuer Fee" in the Indenture on the Closing Date and on each anniversary thereof through the remaining term of this Regulatory Agreement, one eighth of one percent (0.125%) of the principal amount of the Bonds outstanding on each such anniversary date, but no less than \$2,500. As applicable, amounts due shall be pro-rated for any partial period based on the actual number of days elapsed and the actual number of days in the period. The total amount payable to the City on the Closing Date shall be \$\_\_\_\_\_, consisting of the Issuance Fee plus the first installment of the Annual Fee. The next installment of the Annual Fee shall be payable commencing on the first anniversary of the Closing Date and thereafter on each anniversary date of the Closing Date during the term of this Regulatory Agreement.

In case any action at law or in equity, including an action for declaratory relief, is brought against the Owner to enforce the provisions of this Regulatory Agreement, the Owner agrees to pay reasonable attorney's fees and other reasonable expenses incurred by the City, CDLAC and/or the Program Administrator in connection with such action should such entities be the prevailing party in such action.

20. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California.

21. Amendments. To the extent any amendments to the Act, the Treasury Regulations or the Code shall, in the written opinion of Tax Counsel filed with the City, the Trustee and the Owner, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the Tax-Exempt status of interest on the Bonds, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements. Otherwise, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the City and County of San Francisco, California, provided that any amendment to the CDLAC Requirements shall also be subject to the consent of CDLAC, and provided further, that any amendment to Sections 3 and 4 hereof shall require an opinion of Tax Counsel filed with the City, the Trustee, and the Owner (with a copy to promptly provided by Borrower to each Mortgagee), to the effect that such amendment will not adversely affect the Tax-Exempt status of interest on the Bonds.

22. City Contracting Provisions. The Owner covenants and agrees to comply with the provisions set forth in Exhibit H to this Regulatory Agreement, which is incorporated in and made a part of this Regulatory Agreement by this reference.

23. Notice. All notices, certificates or other communications shall be sufficiently given and shall be deemed given on the date personally delivered or the business day after deposit with a reputable overnight carrier for overnight delivery, or on the second day following the date on which the same have been mailed by first class mail, postage prepaid, addressed as follows:

24. Interpretation; Severability. The parties to this Regulatory Agreement acknowledge that each party and their respective counsel have participated in the drafting of this Regulatory Agreement. Accordingly, the parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Regulatory Agreement or any supplement or exhibit hereto. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

25. Multiple Counterparts. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

26. Third-Party Beneficiaries. The parties to the Regulatory Agreement recognize and agree that the terms of the Regulatory Agreement and the enforcement of those terms are entered into for the benefit of various parties, including CDLAC. The parties hereto acknowledge that CDLAC and the Trustee, on behalf of the Holders of the Bonds, are third party beneficiaries of this Regulatory Agreement. CDLAC shall accordingly have contractual rights in this Regulatory Agreement and shall be entitled (but not obligated) to enforce, in accordance with Section 17 hereof, the terms hereof and the terms of the CDLAC Resolution. Notwithstanding the above, CDLAC shall be entitled solely to enforce the terms of the CDLAC Resolution, and any enforcement of the terms and provisions of the CDLAC Resolution by CDLAC shall not adversely affect the interests of the Holders of the Bonds, and shall otherwise be subject to the terms, conditions and limitations otherwise applicable to the enforcement of remedies under this Regulatory Agreement.

Pursuant to Section 52080(k) of the Housing Law, the provisions of Section 4(a)(iv) and Section 6 hereof may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Owner's failure to comply with that Section.

## EXHIBIT H

### CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Regulatory Agreement as if set forth in the body thereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Regulatory Agreement.

1. **Conflict of Interest.** Through its execution of this Agreement, Owner acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

2. **Proprietary or Confidential Information of City.** Owner understands and agrees that, in the performance of the work or services under this Agreement or in contemplation thereof, Owner may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. Owner agrees that all information disclosed by City to Owner shall be held in confidence and used only in performance of the Agreement. Owner shall exercise the same standard of care to protect such information as a reasonably prudent Owner would use to protect its own proprietary data.

3. **Local Business Enterprise Utilization; Liquidated Damages.**

a. **The LBE Ordinance.** Owner shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase Owner's obligations or liabilities, or materially diminish Owner's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Owner's willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Owner's obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, Owner shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

b. **Enforcement.** If Owner willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, Owner shall be liable for liquidated damages in an amount equal to Owner's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Contracts Monitoring Division or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of CMD") may also impose other sanctions against Owner authorized in the LBE Ordinance, including declaring the Owner to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Owner's LBE certification. The Director of CMD will determine the sanctions to be imposed, including the amount of liquidated

damages, after investigation pursuant to Administrative Code §14B.17. By entering into this Agreement, Owner acknowledges and agrees that any liquidated damages assessed by the Director of the CMD shall be payable to City upon demand. Owner further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Owner on any contract with City. Owner agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of CMD or the Controller upon request.

#### **4. Nondiscrimination; Penalties.**

a. **Owner Shall Not Discriminate.** In the performance of this Agreement, Owner agrees not to discriminate against any employee, City and County employee working with such Owner or Subcontractor, applicant for employment with such Owner or Subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

b. **Subcontracts.** Owner shall incorporate by reference in all subcontracts the provisions of §§12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code (copies of which are available from Purchasing) and shall require all Subcontractors to comply with such provisions. Owner's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

c. **Nondiscrimination in Benefits.** Owner does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.

d. **Condition to Contract.** As a condition to this Agreement, Owner shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contracts Monitoring Division (formerly 'Human Rights Commission').

e. **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Owner shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Owner understands that pursuant to §§12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Owner and/or deducted from any payments due Owner.

**5. MacBride Principles—Northern Ireland.** Pursuant to San Francisco Administrative Code §12F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Owner acknowledges and agrees that he or she has read and understood this section.

**6. Tropical Hardwood and Virgin Redwood Ban.** Pursuant to §804(b) of the San Francisco Environment Code, the City and County of San Francisco urges Owners not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

**7. Drug-Free Workplace Policy.** Owner acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Owner agrees that any violation of this prohibition by Owner, its employees, agents or assigns will be deemed a material breach of this Agreement.

**8. Resource Conservation.** Chapter 5 of the San Francisco Environment Code ("Resource Conservation") is incorporated herein by reference. Failure by Owner to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract.

**9. Compliance with Americans with Disabilities Act.** Owner acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through an Owner, must be accessible to the disabled public. Owner shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Owner agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Owner, its employees, agents or assigns will constitute a material breach of this Agreement.

**10. Sunshine Ordinance.** In accordance with San Francisco Administrative Code §67.24(e), contracts, Owners' bids, responses to solicitations and all other records of communications between City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

**11. Limitations on Contributions.** Through execution of this Agreement, Owner acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Owner acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in

a fiscal year have a total anticipated or actual value of \$50,000 or more. Owner further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Owner's board of directors; Owner's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Owner; any Subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Owner. Additionally, Owner acknowledges that Owner must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Owner further agrees to provide to City the names of each person, entity or committee described above.

## **12. Requiring Minimum Compensation for Covered Employees.**

a. Owner agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Sections 12P.5 and 12P.5.1 of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at [www.sfgov.org/olse/mco](http://www.sfgov.org/olse/mco). A partial listing of some of Owner's obligations under the MCO is set forth in this Section. Owner is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

b. The MCO requires Owner to pay Owner's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Owner is obligated to keep informed of the then-current requirements. Any subcontract entered into by Owner shall require the Subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Owner's obligation to ensure that any Subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any Subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Owner.

c. Owner shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

d. Owner shall maintain employee and payroll records as required by the MCO. If Owner fails to do so, it shall be presumed that the Owner paid no more than the minimum wage required under State law.

e. The City is authorized to inspect Owner's job sites and conduct interviews with employees and conduct audits of Owner.

f. Owner's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Owner fails to comply with these requirements. Owner agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Owner's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

g. Owner understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law.

If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Owner fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Owner fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

h. Owner represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

i. If Owner is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Owner later enters into an agreement or agreements that cause Owner to exceed that amount in a fiscal year, Owner shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Owner and this department to exceed \$25,000 in the fiscal year.

### **13. Requiring Health Benefits for Covered Employees.**

Owner agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of section 12Q.5.1 of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at [www.sfgov.org/olse](http://www.sfgov.org/olse). Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

a. For each Covered Employee, Owner shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Owner chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

b. Notwithstanding the above, if the Owner is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

c. Owner's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Owner if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Owner fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Owner fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

d. Any Subcontract entered into by Owner shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Owner shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Owner shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Owner based on the Subcontractor's failure to comply, provided that City has first provided Owner with notice and an opportunity to obtain a cure of the violation.

e. Owner shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Owner's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

f. Owner represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

g. Owner shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

h. Owner shall keep itself informed of the current requirements of the HCAO.

i. Owner shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

j. Owner shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

k. Owner shall allow City to inspect Owner's job sites and have access to Owner's employees in order to monitor and determine compliance with HCAO.

l. City may conduct random audits of Owner to ascertain its compliance with HCAO. Owner agrees to cooperate with City when it conducts such audits.

m. If Owner is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Owner later enters into an agreement or agreements that cause Owner's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Owner and the City to be equal to or greater than \$75,000 in the fiscal year.

**14. Prohibition on Political Activity with City Funds.** In accordance with San Francisco Administrative Code Chapter 12.G, Owner may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Agreement. Owner agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event Owner violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit Owner from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider Owner's use of profit as a violation of this section.

**15. Preservative-treated Wood Containing Arsenic.** Owner may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Owner may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted

by the Department of the Environment. This provision does not preclude Owner from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

**16. Compliance with Laws.** Owner shall keep itself fully informed of the City's Charter, codes, ordinances and regulations of the City and of all state, and federal laws in any manner affecting the performance of this Agreement, and must at all times comply with such local codes, ordinances, and regulations and all applicable laws as they may be amended from time to time.

**17. Protection of Private Information.** Owner has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Owner agrees that any failure of Owner to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Owner pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Owner.

**18. Food Service Waste Reduction Requirements.** Owner agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Owner agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Owner agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Owner's failure to comply with this provision

**19. Submitting False Claims; Monetary Penalties.** Pursuant to San Francisco Administrative Code §21.35, any Owner, Subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A Owner, Subcontractor or consultant will be deemed to have submitted a false claim to the City if the Owner, Subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

**20. Sugar-Sweetened Beverage Prohibition.** The Owner agrees that it will not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Agreement.

New York, New York time on \_\_\_\_\_, 2017 and will expire if not so accepted at or prior to such time (or such later time as the Initial Purchaser and the Purchaser may agree in writing).

Section 1. Definitions. The capitalized terms used in this Agreement have the meanings assigned to them in the Glossary of Terms attached as Exhibit A hereto.

Section 2. Issue, Purchase and Sale.

2.1 Subject to the terms and conditions set forth in this Agreement, the Initial Purchaser hereby agrees to purchase all (but not less than all) of the Bonds from the Issuer and the Issuer hereby agrees to sell to the Initial Purchaser when, as and if issued, all (but not less than all) of the Bonds identified in Item 1 in Exhibit B attached hereto for a total purchase price equal to the purchase price set forth as Item 3 on Exhibit B attached hereto. Pursuant to the Indenture, the Bonds will be issued and purchased by the Initial Purchaser in installments as draw-down Bonds in the amounts and on the dates set forth in Schedule I hereto except as otherwise agreed by the Initial Purchaser, the Purchaser and the Borrower. Subsequent to the initial purchase of the Bonds, the Initial Purchaser hereby agrees to sell all (but not less than all) of the Bonds to the Purchaser in the amounts and on the dates set forth in Schedule I hereto except as otherwise agreed by the Initial Purchaser, the Purchaser and the Borrower. For its services hereunder, on the Closing Date (defined below), the Initial Purchaser shall receive compensation, payable by the Borrower, equal to \$ \_\_\_\_\_.

2.2 The Bonds will (i) be issued in accordance with the Issuer’s enabling legislation and all applicable procedural and substantive requirements and the Indenture and (ii) have the payment related terms (that is, the dated date, maturity date, interest rates, interest payment dates and redemption provisions) set forth in Item 3 of Exhibit B attached hereto. As a condition to the sale of the Bonds, each of the Initial Purchaser and the Purchaser will execute and deliver an Investor Letter to the Trustee and the Issuer on the Closing Date.

2.3 The Project is required to be operated in compliance with a Regulatory Agreement and Declaration of Restrictive Covenants, dated as of November 1, 2017 (the “*Regulatory Agreement*”), among the Issuer, the Trustee and the Borrower. The Regulatory Agreement contains certain representations, warranties and covenants concerning the operation of the Project.

Section 3. Closing. The Closing will take place at the time and on the date set forth in Item 5 of Exhibit B attached hereto or at such other time or on such other date as may be mutually agreed upon

by the parties hereto. At or prior to the Closing, the Issuer will direct the Trustee to deliver the Bonds to or upon the order of the Initial Purchaser, pursuant to the DTC FAST System, in definitive form, duly executed and authenticated by the Trustee. Subject to the terms and conditions hereof, the Issuer will deliver or cause to be delivered at the Place of Closing as set forth in Item 5 of Exhibit B attached hereto, the other documents and instruments to be delivered pursuant to this Agreement (the "*Closing Documents*") and the Initial Purchaser will accept delivery of the Bonds and Closing Documents and pay the initial purchase price for the Bonds as set forth in Section 2.1 above by wire transfer, to the Trustee, in immediately available federal funds, for the account of the Issuer or as the Issuer directs. The Bonds will be prepared and delivered as fully registered Bonds without coupons in denominations of [\$316,800,000]. The Bonds will be registered by the Trustee in the name of Cede & Co., as nominee for DTC.

Section 4. Representations and Warranties of Issuer.

4.1 The Issuer, subject to the limitations provided herein, hereby makes the following representations and warranties to the Initial Purchaser and the Purchaser:

(a) The Issuer is duly organized and validly existing under the laws of the State, with full legal right, power and authority to issue, sell and deliver the Bonds to the Initial Purchaser pursuant to the Indenture, and execute, deliver and perform its obligations, as the case may be, under this Agreement, the Indenture, the Bonds, the Loan Agreement, the Tax Certificate and the Regulatory Agreement (collectively, the "*Issuer Documents*") and to perform and consummate all of its obligations and transactions required or described in each of the Issuer Documents;

(b) The Resolution approving and authorizing the execution and delivery by the Issuer of the Issuer Documents was duly adopted at a meeting of the Board of Supervisors of the Issuer called and held pursuant to law and with the public notice required by law and at which a quorum was present and acting throughout, was duly approved by the Mayor, and is in full force and effect and has not been amended or repealed;

(c) By official action of the Issuer prior to or concurrently with the acceptance hereof, the Issuer has authorized and approved the execution and delivery of the Issuer Documents and the consummation by the Issuer of the transactions on its part contemplated thereby;

(d) The Bonds, when duly issued and authenticated in accordance with the Indenture and delivered to and paid for by the Initial Purchaser as provided herein, assuming proper authentication by the Trustee, will be validly issued and outstanding limited obligations of the Issuer, entitled to the benefits of the Indenture and payable from the sources specified therein;

(e) The Issuer has executed and delivered, or will execute and deliver on or before the Closing Date, each of the Issuer Documents. Each of the Issuer Documents constitutes, or will, as of the Closing Date, constitute, a legal, valid and binding obligation of the Issuer enforceable in accordance with its terms, subject to any applicable bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium, or other laws affecting creditors' rights generally and by the application of equitable principles as the court having jurisdiction may impose, regardless of whether such proceeding is considered in a proceeding in equity or law, and to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against governmental entities in the State.;

(f) The Issuer is not in any respect in breach of or in default under any constitutional provision, law or administrative regulation of the State or of the United States or any agency or instrumentality of either, or of any other governmental agency, or any Material Judgment or Agreement

(as defined below), which breach or default would have a material adverse effect on the Issuer's ability to perform its obligations under the Issuer Documents, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a breach of or a default or an event of default under any such instrument which breach or default would have a material adverse effect on the Issuer's ability to perform its obligations under the Issuer Documents; provided that no representation is made regarding compliance with any federal or state securities or "blue sky" laws; and (ii) the issuance, delivery and sale of the Bonds and the execution and delivery of the Issuer Documents and compliance with and performance of the Issuer's obligations therein and herein will not in any material respect conflict with or constitute on the part of the Issuer a breach of or default under, any law, administrative regulation or any Material Judgment or Agreement, which breach or default would have a material adverse effect on the Issuer's ability to perform its obligations under the Issuer Documents. As used herein, the term "Material Judgment or Agreement" means any judgment or decree or any loan agreement, indenture, bond, note or resolution or any material agreement or other instrument to which the Issuer is a party or to which the Issuer or any of its property or assets is otherwise subject (including, without limitation, the Act, the Resolution and the Issuer Documents);

(g) All approvals, consents, orders, authorizations, filings or registrations of or with any governmental authority, board, agency, council, commission or other body having jurisdiction, on its part required, which would constitute a condition precedent to the execution and delivery by the Issuer of the Issuer Documents or issuance of the Bonds, or the performance by the Issuer of its obligations hereunder and under the Issuer Documents have been obtained, or will be obtained on or by the Closing Date (except for the filing of the IRS Form 8038 or the CDLAC Report of Action Taken, both of which will be filed after the Closing Date); provided that, the Issuer makes no representations as to any approvals, consents or other actions which may be necessary to qualify the Bonds for offer and sale under Blue Sky or other state securities laws or regulations;

(h) The Issuer has complied, and will at the Closing Date be in compliance, in all material respects with the Issuer Documents, and any immaterial noncompliance by the Issuer, if any, will not impair the ability of the Issuer to carry out, give effect to or consummate the transactions on its part contemplated by the foregoing. From and after the date of issuance of the Bonds, the Issuer will continue to comply with the covenants of the Issuer contained in the Issuer Documents.

(i) The Issuer will apply the proceeds of the Bonds in accordance with the Issuer Documents.

(j) No litigation, proceeding or official investigation of any governmental or judicial body is pending against the Issuer, with service of process having been accomplished, or, to the knowledge of the Issuer, after due inquiry, threatened against the Issuer by prospective party or their counsel in a writing addressed to and properly served on the Issuer: (i) seeking to restrain or enjoin the issuance, sale or delivery of any of the Bonds, or in any way contesting or affecting any proceedings of the Issuer taken concerning the sale thereof, or the pledge, collection, application or payment of any moneys or security provided for the payment of principal and interest on the Bonds, (ii) in any way contesting or affecting any authority for the issuance of the Bonds or the validity or binding effect of any of the Issuer Documents, (iii) which is in any way contesting the creation, existence, powers or jurisdiction of the Issuer or the entitlement of any officers of the Issuer to their respective offices or the validity or effect of the Indenture or the Act or any provision thereof or the application of the proceeds of the Bonds or (iv) which, if adversely determined, could materially adversely affect (A) the Project, (B) the transactions described in the Issuer Documents, (C) the validity or enforceability of the Bonds, the Resolution or the Issuer Documents, (D) the exclusion from gross income for federal income tax purposes of the interest on the Bonds or (E) the use of the proceeds of the Bonds to make the Loan.

4.2 Any certificate signed by any official of the Issuer and delivered to the Purchaser or the Initial Purchaser in connection with the delivery of the Bonds will be deemed to be a representation and warranty by the Issuer to the Initial Purchaser or the Purchaser, as appropriate, as to the statements made therein.

Section 5. Representations, Covenants and Agreements of the Initial Purchaser and the Purchaser.

The Initial Purchaser and the Purchaser represent to and covenant and agree with the Issuer, each as to itself only, that:

- (a) It has been duly authorized to enter into this Agreement.
- (b) The Initial Purchaser and the Purchaser shall comply with the San Francisco Business Tax Ordinance and shall, if not otherwise exempt from such ordinance, provide to the Commission a Business Tax Registration Certificate on or prior to the date hereof.
- (c) The Initial Purchaser and the Purchaser shall comply with Chapter 12B of the San Francisco Administrative Code, entitled "Nondiscrimination in Contracts," which is incorporated herein by this reference.
- (d) The Initial Purchaser and the Purchaser is not in material violation of, or in material breach of or in material default under, any applicable law, regulation, order or agreement to which it is a party or by which it is bound, which violation or breach would have a material adverse effect on its ability to execute, deliver and perform this Agreement.
- (e) This Agreement, assuming due and legal execution and delivery thereof by, and validity against, the Issuer, when executed by the Initial Purchaser and the Purchaser, will be a legal, valid and binding obligation of the Initial Purchaser and the Purchaser enforceable in accordance with its terms, subject to valid bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights generally.

Section 6. Representations and Warranties of Borrower.

6.1 The Borrower makes the following representations and warranties to the Issuer, the Initial Purchaser and the Purchaser, as of the date hereof, all of which will continue in effect subsequent to the purchase of the Bonds:

(a) The Borrower is, and at all times will be, a limited partnership, duly organized, validly existing and in good standing under the laws of the State of Delaware and duly qualified, authorized and licensed under the laws of the State to transact business as a limited partnership for the purpose of owning and operating a multifamily housing facility in the State. All partners and other entities that comprise the Borrower and are included on the Borrower's signature page hereto (collectively, the "Partners"), are, and at all times will be organized, existing and in good standing under the laws of the state in which they are formed and are in good standing and duly qualified, authorized and licensed under the laws of the State, to the extent required by applicable law. There are no general partners of the Borrower other than those reflected in the Borrower's signature block hereto.

(b) The Borrower has full legal right, power and authority to execute, deliver and perform its obligations, as the case may be, under the Borrower Documents and to perform and consummate all obligations and transactions required or described in each of the Borrower Documents.

The Partners have, and on the Closing Date will have, full legal right, power and authority to execute and deliver this Agreement and the other Loan Documents on behalf of the Borrower.

(c) By all necessary action, the Borrower has duly approved the execution and delivery of the Borrower Documents to which it is a party, and the performance by the Borrower of the obligations in connection with the issuance of the Bonds on its part contained in the Borrower Documents and the consummation by it of all other transactions to be performed by it contemplated by the Indenture and the Borrower Documents in connection with the issuance of the Bonds. The Loan Agreement, the Note and the Deed of Trust when assigned to the Trustee pursuant to the Indenture, will, to the extent of such assignment, constitute the legal, valid and binding agreement of the Borrower with the Trustee enforceable against the Borrower in accordance with their respective terms for the benefit of the Purchaser, and the Borrower Documents, to the extent that any rights of the Issuer and obligations of the Borrower thereunder are not so assigned to the Trustee, will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their respective terms, except as enforcement of each of the above-named documents may be limited by bankruptcy, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and by the application of such equitable principles as the court having jurisdiction may impose, regardless of whether such enforceability is considered in a proceeding in equity or at law and except as the indemnification provisions contained in any of the above-named documents may be found to be contrary to public policy.

(d) The Borrower has executed and delivered, or will execute and deliver on or before the Closing Date, each of the Borrower Documents, to which it is a party. Each of the Borrower Documents, to which it is a party, constitutes, or will, as of the Closing Date, constitute, a legal, valid and binding obligation of the Borrower enforceable in accordance with its terms, subject to any applicable bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium, or other laws affecting creditors' rights generally and by the application of equitable principles as a court having jurisdiction may impose, regardless of whether such proceeding is considered a proceeding in equity or law. No consent or approval of any trustee or holder of any indebtedness of the Borrower, and no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority (except in connection with Blue Sky proceedings as to which no representation is made), is necessary in connection with the approval and delivery of this Agreement.

(e) The Borrower will refrain from taking any action, or voluntarily permitting any action within its control to be taken, except as otherwise required by law, which will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(f) (i) The Borrower is not in any material respect in breach of or in default under any constitutional provision, law, order, rule or administrative regulation of the State or of the United States or any agency or instrumentality of either, or of any other governmental agency, or any Material Judgment or Agreement (as defined below), which breach or default would have a materially adverse effect on the Borrower's ability to perform its obligations under any Material Judgment or Agreement, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute, a default or event of default under any such instrument which breach or default would have a material adverse effect on the Borrower's ability to perform its obligations under any Material Judgment or Agreement; and (ii) the issuance, delivery and sale of the Bonds, and the execution and delivery of the Borrower Documents and compliance with and performance of the Borrower's obligations therein and herein will not conflict with, violate or result in a breach of or constitute on the part of Borrower a default under, any such constitutional provision, law, order, rule, administrative regulation or any Material Judgment or Agreement which breach or default would have a material adverse effect on the Borrower's ability to perform its obligations under any Material Judgment or Agreement, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security

interest or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower or under the terms of any such law, order, rule, administrative regulation or Material Judgment or Agreement. As used in this Section 6.1, the term "Material Judgment or Agreement" means any material judgment or decree or any loan agreement, indenture, bond, note or resolution or any material agreement or other instrument to which the Borrower is a party or to which the Borrower or any of its property or assets is otherwise subject (including, without limitation, the Borrower Documents).

(g) All approvals, consents, authorizations and orders of any governmental authority, board, agency, council, commission or other body having jurisdiction which would constitute a condition precedent to, or the absence of which would materially adversely affect, the execution and delivery by the Borrower of the Borrower Documents or the performance by the Borrower of its obligations thereunder have been obtained and are in full force and effect, or will be obtained and be in full force and effect prior to or by the Closing Date (except for certain building permits, some of which may be obtained post-Closing); provided that, the Borrower makes no representations as to any approvals, consents or other actions which may be necessary to qualify the Bonds for offer and sale under Blue Sky or other state securities laws or regulations. Additionally, the Borrower has obtained the necessary governmental agency approvals, all variances from applicable zoning ordinances and all building permits (except for certain building permits, some of which may be obtained post-Closing) and easements or licenses required to date for the acquisition, construction, improvement, installation and equipping of the Project, to the extent such governmental agency approvals, variances, permits, easements and licenses constitute all approvals required by the date hereof to acquire, construct, improve, install and equip the Project.

(h) The execution and delivery by the Borrower of this Agreement and the Loan Documents and the consummation by the Borrower of the transactions contemplated hereby and thereby are not prohibited by, do not violate any provision of, and will not result in a breach of or default under (i) the partnership agreement or operating agreement of the Borrower, as applicable, (ii) to the best of the Borrower's knowledge, any applicable law, rule, regulation, order, writ, injunction, judgment or decree of any court or governmental body or other requirement to which the Borrower is subject, or (iii) any contract, indenture, agreement, mortgage, lease, note, commitment or other obligation or instrument to which one or both of the Borrower is a party or by which the Borrower or its properties is bound.

(i) The Borrower has all necessary power and authority to conduct the business now being conducted by it and as contemplated by the Borrower Documents.

(j) No action, suit, inquiry, litigation, proceeding or investigation of any governmental or judicial body is pending (and, in the case of litigation, for which it has been served with process) against the Borrower or, to the knowledge of the Borrower, after due and diligent inquiry, threatened, in writing, against the Borrower (i) seeking to restrain or enjoin the issuance, sale or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, (ii) in any way contesting or affecting any authority for the issuance of the Bonds or the validity or binding effect of any of the Borrower Documents, or the execution and delivery or adoption by the Borrower thereof, or the consummation of the transactions contemplated thereby or hereby, (iii) which is in any way contesting the creation, existence, authority, powers or jurisdiction of the Borrower, or the authority of its authorized signatories executing this Agreement or the validity, enforceability or effect of the Indenture or the Act or any provision thereof or the application of the proceeds of the Bonds, or the exclusion from gross income for federal income tax purposes of the Bonds, or (iv) which, if adversely determined, could materially adversely affect the financial condition, assets, properties, or operations of the Borrower or any of the Borrower Documents; nor, to the Borrower's knowledge, after due and diligent inquiry, is there any basis for any such action, suit, inquiry, litigation, proceeding or investigation.

(k) No representation made, nor any information, exhibit or report furnished to the Issuer, the Initial Purchaser and the Purchaser by the Borrower in connection with the negotiation of this Agreement or any of the other Borrower Documents contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading in any material respect. There is no fact actually known to the Borrower, or that would have been known to the Borrower after the exercise of due diligence, that the Borrower has not disclosed to the Issuer, the Initial Purchaser and the Purchaser that materially and adversely affects the properties, business, assets or operations (financial or otherwise) of the Borrower or the ability of the Borrower to perform its obligations under this Agreement, any of the other Borrower Documents, or any documents or transactions contemplated hereby or thereby.

6.2 Each of the representations and warranties set forth in this Section will survive until the Maturity Date of the Bonds.

6.3 Any certificates executed by any authorized representative of the Borrower and delivered to the Initial Purchaser, the Purchaser or the Issuer pursuant hereto or in connection herewith shall be deemed a representation and warranty of the Borrower when made as to the accuracy of the statements therein made. Additionally, all information provided by the Borrower and all representations made by the Borrower in its application to Issuer and the California Debt Limit Allocation Committee relating to the Project are true and correct in all material respects [when made].

Section 7.      Covenants.

7.1 The Issuer hereby makes the following covenants with the Initial Purchaser and the Purchaser:

(a) Prior to the Closing, the Issuer will not amend, terminate or rescind, and will not agree to any amendment, termination or rescission of the Resolution or the Issuer Documents without prior written notice to the Initial Purchaser and the Purchaser.

(b) The Issuer will cause the Bonds to be delivered as provided herein.

(c) Prior to the Closing, the Issuer will obtain all governmental consents, approvals, orders or authorizations of any governmental authority or agency that would constitute a condition precedent to the performance by it of its obligations under the Resolution, this Agreement, the other Issuer Documents and the Bonds.

(d) The Issuer will not take or omit to take any action which will in any way cause the proceeds of the Bonds to be applied in a manner other than as provided in the Indenture or which would cause the interest on the Bonds to be includable in the gross income of the owners thereof for federal income tax purposes; provided however that a breach by Borrower of its covenant in Section 7.2(a) or a default by the Borrower in any of its covenants, representations and agreements in the Borrower Documents shall not be considered a breach hereof by the City.

7.2 The Borrower hereby makes the following covenants with the Issuer, the Initial Purchaser and the Purchaser:

(a) The Borrower will not take or omit to take any action which will in any way cause the proceeds of the Bonds to be applied in a manner other than as provided in the Indenture and the Loan Agreement or which would cause the interest on the Bonds to be includable in the gross income of the owners thereof for federal income tax purposes.

(b) Prior to the Closing, the Borrower will obtain all governmental consents, approvals, orders or authorizations of any governmental authority or agency that by their nature are obtainable prior to the Closing Date and would constitute a condition precedent to the performance by it of its obligations under the Loan Documents. After the Closing, the Borrower will use commercially reasonable efforts to obtain all governmental consents, approvals, orders or authorizations of any governmental authority or agency that would constitute a condition precedent to the performance by it of its obligations under the Loan Documents.

(c) The Borrower shall not violate or breach in any material respect any other covenants contained in the Loan Documents.

Section 8. Conditions of Closing.

8.1 The Initial Purchaser and the Purchaser have entered into this Agreement in reliance upon representations, covenants and agreements of the Issuer and the Borrower contained herein, in reliance upon the representations, covenants and agreements to be contained in the documents and instruments to be delivered at the Closing and upon the performance by the Issuer and the Borrower of their obligations hereunder, both as of the date hereof and as of the Closing Date. Accordingly, the Initial Purchaser's obligations under this Agreement to purchase, to accept delivery of and to pay for the Bonds and the Purchaser's subsequent purchase of the Bonds from the Initial Purchaser will be subject to the performance by the Issuer and the Borrower of their respective obligations to be performed by them hereunder at or prior to the Closing, and to the accuracy in all material respects of the representations, covenants and agreements of the Issuer and of the Borrower contained herein as of the date hereof and as of the Closing as if made on the Closing Date, and will also be subject to the following additional conditions:

(a) The Initial Purchaser and the Purchaser shall not have discovered any material error, misstatement or omission in the representations and warranties made by either the Issuer or the Borrower in this Agreement, which representations and warranties will be deemed to have been made again at and as of the time of the Closing and will then be true in all material respects.

(b) The Borrower and the Issuer shall have each performed and complied with all agreements and conditions required by this Agreement to be performed or complied with by them at or prior to Closing.

(c) This Agreement, the other Issuer Documents and the Loan Documents each shall have been executed and delivered by each of the parties thereto, shall be in full force and effect on and as of the Closing Date and shall be in form and substance reasonably satisfactory to the Initial Purchaser and the Purchaser and no event of default shall exist under any such documents.

8.2 In addition to the conditions set forth in Section 8.1, the obligations of the Initial Purchaser and the Purchaser to consummate at the Closing the transactions contemplated hereby are subject to receipt by the Initial Purchaser and the Purchaser of the following items:

(a) An approving opinion of Bond Counsel (with a reliance letter to the Initial Purchaser and to Purchaser), dated the Closing Date, in form and substance reasonably satisfactory to the Initial Purchaser and the Purchaser.

(b) An opinion of Bond Counsel, dated the Closing Date, and addressed to the Initial Purchaser, substantially in the form set forth in Exhibit C;

(c) An opinion of the Office of the City Attorney, counsel to the Issuer, (addressed to the Issuer) or a certificate of the Issuer, in form and substance reasonably satisfactory to the Initial Purchaser and the Purchaser, dated the Closing Date and covering the points identified in Exhibit D;

(d) An opinion or opinions of counsel to the Borrower, the Partners and the Guarantor, addressed to the Issuer, the Initial Purchaser and the Purchaser dated the Closing Date substantially in the form set forth in Exhibit F;

(e) A certificate or certificates of the Borrower, dated the Closing Date in form and substance reasonably satisfactory to the Initial Purchaser, the Purchaser and Bond Counsel, respecting certain tax matters as may be reasonably required by Bond Counsel to enable it to give its opinion, substantially in the form set forth in Exhibit E;

(f) An opinion of counsel to the Trustee or a Trustee's certificate addressed to the Initial Purchaser and the Purchaser, covering the points identified in Exhibit G;

(g) A certified copy of the Resolution and executed counterparts of each of the Issuer Documents and the Loan Documents; and

(h) Such additional financing statements, legal opinions, certificates and other documents as the Initial Purchaser, the Purchaser or Bond Counsel may reasonably deem necessary to evidence the truth and accuracy as of the Closing Date of the respective representations and warranties herein contained and to evidence compliance by the Issuer and the Borrower with this Agreement and all applicable legal requirements, and the due performance and satisfaction by the Issuer or the Borrower at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by the Issuer or the Borrower.

8.3 If any of the conditions set forth in Sections 8.1 or 8.2 have not been met on the Closing Date, the Initial Purchaser or the Purchaser may, at their sole option, terminate this Agreement, without any liability therefor, effective upon written notice to the Issuer, or proceed to Closing upon waiving any rights under this Agreement with respect to any such condition. If this Agreement is terminated pursuant to this Section or Section 10 below, no party will have any rights or obligations to any other party, except as provided in Section 11.

Section 9. Actions and Events at the Closing. The following events will take place at the Closing:

(a) The Issuer will deliver the Bonds to the Trustee for closing through DTC's book-entry only system. The Bonds so delivered will be in the form required by the Indenture, duly executed on behalf of the Issuer and authenticated by the Trustee, and will be fully registered in the name of Cede & Co., as nominee for DTC.

(b) The Issuer and the Borrower, as applicable, will deliver or cause to be delivered to the Initial Purchaser and the Purchaser at the place set forth in Item 5 in Exhibit B, or at such other place or places as the parties hereto may mutually agree upon, the materials described in Section 8.2.

(c) The Initial Purchaser will deliver to the Trustee, for the account of the Issuer, an amount equal to the purchase price of the initial installments of the Bonds as set forth in Item 3 of Exhibit B by wire transfer to the Trustee, in immediately available federal funds.

Section 10. Termination of Agreement. If the Borrower or the Issuer shall be unable to satisfy their respective covenants or obligations hereunder or upon the occurrence of any of the events listed below in this Section 10, then, after consultation with the Issuer and Borrower, this Agreement may be cancelled by the Initial Purchaser or the Purchaser at any time on or prior to the Closing Date, effective upon written notice to the Issuer and Borrower. If this Agreement is terminated pursuant to this Section or Section 8 above, no party will have any rights or obligations to any other party, except as provided in Section 11.

The Initial Purchaser or the Purchaser may terminate this Agreement as provided in the preceding paragraph, without any liability therefor, if:

(a) the market for the Bonds or the market prices of the Bonds or the ability of the Initial Purchaser to enforce contracts for the sale of the Bonds shall have been materially and adversely affected, in the reasonable professional judgment of the Initial Purchaser, by events (1) – (7) below:

1. An amendment to the Constitution of the United States or the State shall have been passed or legislation shall have been introduced in or enacted by the Congress of the United States or the legislature of any state having jurisdiction of the subject matter or legislation pending in the Congress of the United States shall have been amended or legislation shall have been recommended to the Congress of the United States or to any state having jurisdiction of the subject matter or otherwise endorsed for passage (by press release, other form of notice or otherwise) by the President of the United States, the Treasury Department of the United States, the IRS or the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, or legislation shall have been proposed for consideration by either such Committee by any member thereof or presented as an option for consideration by either such Committee by the staff of such Committee or by the staff of the Joint Committee on Taxation of the Congress of the United States, or legislation shall have been favorably reported for passage to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration, or a decision shall have been rendered by a court of the United States or of the State or the Tax Court of the United States, or a ruling shall have been made or a regulation or temporary regulation shall have been proposed or made or any other release or announcement

shall have been made by the Treasury Department of the United States, the Internal Revenue Service or other federal or State authority, with respect to federal or State taxation upon revenues or other income of the general character to be derived by the Issuer or upon interest received on obligations of the general character of the Bonds which, in the judgment of the Initial Purchaser, may have the purpose or effect, directly or, indirectly, of affecting the federal or State tax status of the Issuer, its property or income, its securities (including the Bonds) or the interest thereon, or any tax exemption granted or authorized by State legislation; or

2. The declaration of war by or against the United States, any major new escalation of military hostilities by the United States or the occurrence of any other national or international emergency or calamity or terrorism affecting the operation of the government of, or the financial community in, the United States; or

3. The declaration of a general banking moratorium by federal, New York or State authorities; or

4. The occurrence of a major financial crisis, a material disruption in municipal bond market securities settlement, payment or clearance services or any calamity or crisis in the financial markets of the United States, or a material disruption or deterioration in the fixed income or municipal securities market that, in the reasonable professional opinion of the Initial Purchaser and Purchaser, affects the sale of the Bonds; or

5. Additional material restrictions not in force or being enforced as of the date hereof shall have been imposed upon the trading of securities in general or on the Bonds, or with respect to the extension of credit by or the charge to the net capital requirements of underwriters or broker-dealers, by any governmental authority or by any national securities exchange; or

6. The general suspension of trading on, or other material restrictions on, any national securities exchange not in effect as of the date hereof; or

7. A downgrade of the sovereign debt rating of the United States by any major credit rating agency or payment default on United States Treasury obligations; or

(b) Legislation introduced in or enacted (or resolution passed) by the Congress, legislation recommended for passage by the President of the United States, or a decision rendered by a court established under Article III of the Constitution of the United States or by the Tax Court of the United States, or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission ("SEC"), or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds, including any or all underlying arrangements, are not exempt from registration under or other requirements of the 1933 Act, or that the Indenture is not exempt from qualification under or other requirements of the Trust Indenture Act or that the issuance, offering, or sale of obligations of the general character of the Bonds, including any or all underlying arrangements, as contemplated hereby or otherwise, is or would be in violation of the federal securities law then in effect; or

(c) An order, decree or injunction of any court of competent jurisdiction, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, including any or all underlying obligations, as contemplated hereby, is or would be in violation of any applicable law, rule or regulation, including (without limitation) any provision of applicable federal securities laws as amended and then in effect; or

(d) A stop order, ruling, regulation, proposed regulation or statement by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering, sale or distribution of obligations of the general character of the Bonds (including any related underlying obligations), or the execution and delivery of any Legal Documents, as contemplated hereby, is in violation or would be in violation of any applicable law, rule or regulation, including (without limitation) any provision of applicable federal securities laws, including the provisions of the 1933 Act, the Trust Indenture Act, or the Securities Exchange Act of 1934, as amended; or

(e) Any litigation shall have been filed against the Issuer or Borrower and pending with service of process accomplished as of the Closing Date to restrain or enjoin the issuance, sale or delivery of the Bonds, or in any way contesting or affecting any authority for or the validity of the proceedings authorizing and approving the Act, the Resolution, the Legal Documents or the existence of the powers of the Issuer or Borrower with respect to the obligations under the Legal Documents; or

(f) [Legislation shall have been introduced in or enacted by the legislature of the State that would, in the reasonable professional judgment of the Initial Purchaser or the Purchaser, adversely affect the security for the Bonds; or]

(g) [There shall have occurred any change that, in the reasonable professional judgment of the Initial Purchaser or the Purchaser, makes unreasonable or unreliable any of the assumptions upon which (i) yield on the Bonds for purposes of compliance with the Code, (ii) payment of debt service on the Bonds, or (iii) the basis for the exclusion from gross income for federal income tax purposes of interest on the Bonds, is predicated.]

Section 11. Fees and Expenses; Costs of Issuance. All costs, fees and expenses incident to the performance of the Issuer's, Initial Purchaser's, Purchaser's and Borrower's obligations in connection with the issuance and purchase of the Bonds, including the reasonable expenses of counsel, as well as expenses relating to the meals, transportation, lodging, and entertainment incidental to implementing this Agreement, shall be paid by the Borrower on the Closing Date.

Section 12. Indemnification by Borrower.

(a) The Borrower agrees to pay, defend, protect, indemnify, save and hold harmless the Issuer, the Initial Purchaser, the Purchaser and each affiliate, member, officer, director, official, employee and agent of the Issuer, the Initial Purchaser, the Purchaser and each person, if any, who controls any of the foregoing within the meaning of Section 15 of the Securities Act of 1933, as amended, or Section 20 of the Securities Exchange Act of 1934, as amended (referred to herein as an "Indemnified Party" and collectively as the "*Indemnified Parties*"), against any and all liabilities, losses, damages, costs, expenses (including reasonable attorneys' fees), causes of action (whether in contract, tort or otherwise), suits, claims, demands and judgments of any kind, character and nature (collectively referred to herein as the "*Liabilities*") caused by or directly or indirectly arising from or in any way relating to the Bonds, the Project, the Loan Agreement, the Indenture, this Agreement or any document related to the Bonds, the Project, the loan of the proceeds of the Bonds (the "*Transaction Documents*") or any transaction or

agreement, written or oral, pertaining to the foregoing; provided, however, that the Borrower shall not be required to indemnify, save or hold harmless (a) the Issuer from any claims, costs, fees, expenses or liabilities arising solely from the willful misconduct of the Issuer and (b) any other Indemnified Party for losses caused by the negligence or the willful misconduct of the Indemnified Party.

(b) The Borrower also agree to pay, defend, protect, indemnify, save and hold harmless the Initial Purchaser and the Purchaser and each affiliate, member, officer, director, official, employee and agent of the Initial Purchaser and the Purchaser from and against the Liabilities directly or indirectly arising from or relating to (i) any errors or omissions of any nature whatsoever contained in any legal proceedings or other official representation or inducement made by the Issuer pertaining to the Bonds, the Borrower or the Project [and (ii) any fraud or misrepresentations or omissions contained in the proceedings of the Issuer pertaining to the financial condition of the Borrower].

(c) The Indemnified Party shall, in the event of any claim, suit, action or proceeding against it with respect to which indemnity may be sought on account of any indemnity agreement by the Borrower contained herein, promptly give written notice thereof to the Borrower, [provided however, no indemnity shall be provided if notice is not timely given and such failure results in the forfeiture by the Borrower of substantial rights and defenses]. When such notice is given, the Borrower shall be entitled to participate, at their own expense, in the defense of, or if it so elects, to assume the defense of, such claim, suit, action or proceeding, in which event such defense shall be conducted by counsel chosen by the Borrower, provided that each Indemnified Party shall have the right to review and approve or disapprove any compromise or settlement which approval shall not be unreasonably withheld, conditioned or delayed. If the Borrower shall elect not to assume such defense, it shall assume the payment of all expenses related thereto. Notwithstanding the above, each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof, provided that the Borrower shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the Borrower to represent the Indemnified Party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the Indemnified Party and the Borrower and the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it and/or other Indemnified Parties that are materially different from or in addition to those available to the Borrower, (iii) the Borrower shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, or (iv) the Borrower shall authorize the Indemnified Party to employ separate counsel at the expense of the Borrower. Each and every Indemnified Party shall have the right to compromise, settle or conclude any claim, action or proceeding against it with the written consent of the Borrower, which consent shall not be unreasonably withheld. The foregoing notwithstanding, in the event that the Borrower shall assume such defense and any Indemnified Party or Parties shall be advised in writing by independent legal counsel in its reasonable opinion that counsel selected by the Borrower is not fully and adequately protecting such party or parties and representing the interests of such party or parties and the Borrower has been given written notice thereof and a reasonable opportunity to cure or find other counsel acceptable to the Indemnified Parties, any such Indemnified Party or Parties shall have the right to conduct its own defense against any such claim, suit, action or proceeding in addition to or in lieu of any defense conducted by the Borrower, and the Indemnifying Party shall indemnify and hold harmless such Indemnified Party or Parties against and from any and all suits, claims, damages, liabilities or expenses whatsoever, including reasonable fees and expenses of counsel selected by such Indemnified Party or Parties incurred by and arising out of or in connection with any such claim, suit, action or proceeding.

(d) In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in paragraph (a) or (b) of this Section 11 is for any reason held to be unavailable, the Borrower and the Indemnified Party shall contribute proportionately to the aggregate Liabilities to which the Borrower and the Indemnified Party may be subject, so that the Indemnified Party

is responsible for that portion represented by the percentage that the fees paid by the Borrower to the Indemnified Party in connection with the issuance and administration of the Bonds bear to the aggregate offering price of the Bonds, with the Borrower responsible for the balance; provided, however, that in no case shall the Indemnified Party be responsible for any amount in excess of the fees paid by the Borrower to the Indemnified Party in connection with the issuance and administration of the Bonds.

The Bonds shall be issuable as registered bonds without coupons. The Bonds shall be numbered consecutively from R1-1 upwards, and any Subordinate Bonds shall be numbered consecutively from S1-1 upwards.

(d) *Dated Date; Maturity*. The Bonds shall be dated the Closing Date, and shall mature on the Maturity Date.

(e) *Interest Rate; Accrual of Interest*. The Bonds shall bear interest at the Bond Coupon Rate. The Bond Coupon Rate for each Interest Rate Period while the Bonds bear interest in the SIFMA Index Rate Mode or the MMD Index Rate Mode shall be determined by the Indexing Agent on each Interest Rate Determination Date. The Indexing Agent will promptly after such determination notify the Trustee, the Borrower and the Bondholder Representative of the applicable Bond Coupon Rate. The Trustee can conclusively rely on the Bond Coupon Rate information provided to it by the Indexing Agent.

Interest shall be calculated on the basis of a 360 day year of twelve 30-day months so long as interest is payable at the MMD Index Rate, Term Rate or the Fixed Interest Rate. Interest on the Bonds shall be computed on the basis of a 365- or 366-day year, as applicable, for the actual number of days elapsed so long as interest is payable at the SIFMA Index Rate, Daily Interest Rate or Weekly Interest Rate.

Interest on the Bonds shall accrue on the outstanding Bonds as provided in the second paragraph of Section 3.02 from the date of their initial delivery; provided that interest on any Bond authenticated subsequent to the initial delivery date shall accrue from the Bond Payment Date next preceding the date of authentication, unless (i) authenticated prior to the first Bond Payment Date, in which event interest on such Bonds shall accrue from the initial delivery date, or (ii) authenticated on a Bond Payment Date, in which event interest on such Bonds shall accrue from the date of authentication. If, as shown by the records of the Trustee, interest on the Bonds is in default, interest on Bonds issued in exchange for Bonds surrendered for registration of transfer or exchange shall accrue from the date to which interest has been paid in full on the Bonds, or, if no interest has been paid on the Bonds, from the initial delivery date. The amount of interest payable on the Bonds on each Bond Payment Date shall be the amount of interest accrued thereon from the preceding Bond Payment Date (or other date as described above) to, but not including, the Bond Payment Date on which interest is being paid.

(f) *Initial Interest Rate.* The Bonds initially shall bear interest in the Fixed Interest Rate Mode.

(g) *Interest Payments.* Interest shall be due and payable on the Bonds, in arrears, on each applicable Bond Payment Date from Eligible Funds. Priority of interest payments shall be provided in Section 5.01(c). In any case where any Bond Payment Date is not a Business Day, then payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if such payment was made on the originally scheduled date and no interest shall accrue for the period after such Bond Payment Date through the date payment is actually made.

(h) *Principal Payments.* Principal of the Bonds shall be payable as provided in Section 2.03 on the applicable Maturity Date and upon redemption or acceleration thereof.

(i) *Usury.* The City intends to conform strictly to the usury laws applicable to this Indenture and the Bonds and all agreements made in the Bonds, this Indenture and the Bond Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid to the Bondholders as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto. If, from any circumstances whatsoever, the fulfillment of any provision of the Bonds, this Indenture or the other Bond Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Bondholders shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by

the Bondholders, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Bonds, this Indenture and all other Bond Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the City intends and agrees that (i) interest shall be computed upon the assumption that payments under the Loan Agreement and other Bond Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, to the extent permitted by applicable law shall be spread over the actual term of the Bonds.

Section 2.03. Payment of Bonds. Payment of the Bond Obligations with respect to any Bond shall be made in lawful money of the United States to the person appearing on the Bond registration books of the Trustee as the registered owner thereof on the Record Date immediately preceding such Interest Payment Date or other date for payment of the Bonds upon the redemption thereof, such principal and interest to be paid by check mailed on the Interest Payment Date by first class mail, postage prepaid, to the registered owner at its address as it appears on such registration books, except that the Trustee may, at the request of any registered owner of Bonds, make payments of principal and interest on such Bonds by wire transfer to the account within the United States designated by such owner to the Trustee in writing, any such designation to remain in effect until withdrawn in writing.

No presentation or surrender of Bonds shall be required in connection with any partial redemption of any Bond. The Trustee shall maintain a record of the remaining Outstanding of each maturity of Bonds and shall, upon any transfer or exchange, issue the replacement Bond in the principal amount Outstanding.

Section 2.04. Execution of Bonds. The Bonds shall be signed in the name and on behalf of the City with the manual or facsimile signature of its Mayor. The Bonds shall then be delivered to the Trustee for authentication by the Trustee. In case any officer who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been authenticated or delivered by the Trustee or issued by the City, such Bonds may nevertheless be authenticated, delivered and issued and, upon such authentication, delivery and issuance, shall be as binding upon the City as though the officer(s) who signed the same had continued to be such officer(s) of the City. Also, any Bond may be signed on behalf of the City by such person(s) as on the actual date of the execution of such Bond shall be the proper officer(s) although on the nominal date of such Bond any such person shall not have been such officer.

Only such of the Bonds as shall bear thereon a certificate of authentication in the form set forth in Exhibit A or Exhibit G, as applicable, manually executed by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture and such certificate of the Trustee shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

Section 2.05. Transfer of Bonds. (a) Bonds in Authorized Denominations may, in accordance with the terms of this Indenture but in any event subject to the provisions of Section

2.05(b) hereof, be transferred upon the books of the Trustee required to be kept pursuant to the provisions of Section 2.06, by the person in whose name the respective Bonds are registered, in person or by the Bondowner's duly authorized attorney, upon surrender of such Bonds for cancellation at the Principal Office of the Trustee, accompanied by a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever any Bonds shall be surrendered for transfer, the City shall execute and the Trustee shall authenticate and deliver new, fully registered Bonds in Authorized Denominations to the transferee thereof.

(b) The following shall apply to all transfers of the Bonds after the initial delivery of the Bonds:

(i) Unless the Bonds are rated "A," without regard to a modifier (or the equivalent) or better by a Rating Agency, the Bonds shall be sold and subsequently transferred only to purchasers that are Qualified Institutional Buyers (as defined in Rule 144A of the Securities Act, and referred to herein as a "QIB"), or "accredited investors" as defined in Rule 501 promulgated under the Securities Act (referred to herein as "Accredited Investors") that execute and deliver to the Trustee an Investor Letter in substantially the form attached hereto as EXHIBIT C. Notwithstanding the preceding sentence, no Investor Letter shall be required for the Bond Purchaser to sell or transfer Bonds to (A) an affiliate of a Bond Purchaser, (B) a QIB, or (C) a special purpose entity, a trust or custodial arrangement, from which the Bonds may not be sold except to (x) QIBs, or (y) Accredited Investors who will sign an investor letter to substantially the same effect as the Investor Letter.

(ii) Every Bond presented or surrendered for transfer or exchange shall contain, or be accompanied by, all necessary endorsements for transfer.

The Trustee shall not authenticate or register a Bond unless the foregoing conditions of this Section 2.05(b) have been satisfied. Failure to comply with this Section 2.05(b) shall cause any purported transfer to be null and void.

(c) The Trustee shall require the payment by the Bondholder requesting any such transfer of any tax, fee or other governmental charge required to be paid with respect to such transfer, but any such transfer shall otherwise be made without charge to the Bondholder requesting the same. The cost of printing any Bonds and any services rendered or any expenses incurred by the Trustee in connection therewith shall be paid by the Borrower.

(d) The Trustee shall not transfer the Bonds without prior written notice to the City (which may be in the form of transmittal of the executed Investor's Letter to the City, together with an indication of the date of the proposed transfer).

(e) The Trustee shall not be required (i) to transfer or exchange any Bonds during any period beginning at the opening of business fifteen (15) days before the day of the mailing of a notice of redemption of the Bonds and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bonds so selected for redemption, or (iii) to transfer any Bonds without receipt of a duly executed Investor Letter to the extent required by subsection (b) above, except as permitted by said subsection (b).

Section 2.06. Bond Register. The City hereby appoints the Trustee as registrar and authenticating agent for the Bonds. The Trustee will keep or cause to be kept at its Principal Office sufficient books (referred to herein as the "Bond Register") for the transfer of the Bonds, which shall at all reasonable times upon reasonable notice be open to inspection by the City, the Bondholder Representative and the Borrower; and, upon presentation for such purpose, the Trustee as registrar shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, Bonds as hereinbefore provided.

The ownership of registered Bonds shall be proved by the Bond Register held by the Trustee. The Trustee and the City may conclusively assume that such ownership continues until written notice to the contrary is served upon the Trustee. The fact and the date of execution of any request, consent or other instrument and the amount and distinguishing numbers of Bonds held by the person so executing such request, consent or other instrument may also be proved in any other manner which the Trustee may deem sufficient. The Trustee may nevertheless, in its discretion, require further proof in cases where it may deem further proof desirable.

Any request, consent, or other instrument or writing of the Holder of any Bond shall bind every future Holder of the same Bond and the Holder of every Bond issued in exchange thereof or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the City in accordance therewith or reliance thereon.

Section 2.07. Mutilated Destroyed, Lost and Stolen Bonds.

(a) If (i) any mutilated Bonds are surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Bonds, and (ii) there is delivered to the Trustee such security or indemnity as may be required by the Trustee or the City to save the City and the Trustee harmless, then, in the absence of notice to the Trustee that such Bonds have been acquired by a bona fide purchaser, the City shall execute and the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bonds, new Bonds of like series, tenor and principal amount, bearing numbers not contemporaneously outstanding. In the event any Bond shall have matured, instead of issuing a replacement Bond as provided above, the Trustee may pay the same upon receipt by the Trustee of indemnity satisfactory to it.

(b) Upon the issuance of any new Bonds under this Section, the Trustee shall require the payment by the Registered Holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses connected therewith.

(c) Every new Bond issued pursuant to this Section in lieu of any destroyed, lost or stolen Bonds shall constitute an original additional contractual obligation of the City, whether or not the destroyed, lost or stolen Bonds shall be at any time enforceable by anyone, and shall be entitled to all the security and benefits of this Indenture.

(d) The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed lost or stolen Bonds.

Section 2.08. Persons Deemed Owners. The City, the Trustee and any agent of the City or the Trustee may treat the person in whose name the Bonds are registered as the owner of the Bonds for the purpose of receiving payment of the Bond Obligations and for all other purposes whatsoever whether or not the Bonds are overdue, and, to the extent permitted by law, none of the City, the Trustee or any such agent shall be affected by notice to the contrary.

Section 2.09. Cancellation. Any Bonds surrendered for payment, redemption, transfer or exchange, shall be promptly canceled and retained or destroyed by the Trustee in accordance with its document retention policies. No Bonds shall be authenticated in lieu of or in exchange for any Bonds canceled as provided in this Section, except as expressly provided by this Indenture.

Section 2.10. Book-Entry System.

(a) The Bonds shall be issued pursuant to a Book-Entry System administered by the Securities Depository with no physical distribution of Bond certificates to be made except as provided in this Section 2.10.

(b) So long as a Book-Entry System is in effect for the Bonds, one Bond in the aggregate principal amount of each maturity of the Senior Bonds will be issued and deposited with the Securities Depository to be held in its custody. Such Bond or Bonds shall be registered in the name of the Securities Depository Nominee. The Book-Entry System will be maintained by the Securities Depository and the participants and indirect participants and will evidence beneficial ownership of the Bonds in Authorized Denominations, with transfers of ownership effected on the records of the Securities Depository, the participants and the indirect participants pursuant to rules and procedures established by the Securities Depository, the Participants and the Indirect Participants. The principal or purchase price of and any premium on each Bond shall be payable to the Securities Depository Nominee or any other person appearing on the Bond Register maintained by the Trustee as the registered Bondholder or his registered assigns or legal representative. So long as the Book-Entry System is in effect, the Securities Depository will be recognized as the sole Bondholder for all purposes. Transfers or exchanges, payments of principal, purchase price, interest and any premium and notices to Participants and Indirect Participants will be the responsibility of the Securities Depository, and transfers or exchanges, payments of principal, purchase price, interest and any premium and notices to Beneficial Owners will be the responsibility of the Participants and the Indirect Participants. No other party (including the Trustee and the City) will be responsible or liable for such transfers or exchanges, payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the Participants or the Indirect Participants. While the Book-Entry System is in effect, notwithstanding any other provisions set forth herein, payments of principal or purchase price of, redemption premium, if any, and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of such entity. Notwithstanding the provisions of this Section 2.10(b), Subordinate Bonds may

not be issued pursuant to a Book-Entry System administered by the Securities Depository with no physical distribution of Bond certificates to be made except as provided in this Section 2.10(b).

(c) The City, subject to the applicable rules of the Securities Depository, may at any time, at the written request of the Bondholder Representative or the Borrower (with the written consent of the Bondholder Representative), elect (i) to provide for the replacement of any Securities Depository as the depository for the Bonds with another qualified Securities Depository, or (ii) to discontinue the maintenance of the Bonds under a Book-Entry System. Upon written notice of such election from the City, the Trustee shall give 30 days' prior notice of such election to the Securities Depository (or such fewer number of days as shall be acceptable to such Securities Depository and the Trustee). The Bondholder Representative may elect from time to time to discontinue the Book-Entry System solely for purposes of the Bonds it beneficially owns by providing a written notice to the Trustee at least 30 days prior to the effective date of such election.

(d) Upon the discontinuance of the maintenance of the Bonds under a Book-Entry System, the City will cause Bonds to be issued directly to the Beneficial Owners of such Bonds, or their designees, as further described below. In such event, the Trustee shall make provisions to notify Participants and the Beneficial Owners, by mailing an appropriate notice to the Securities Depository, or by other means deemed appropriate by the Trustee, that Bonds will be directly issued to the Beneficial Owners thereof as of a date set forth in such notice, which shall be a date at least 10 days after the date of mailing of such notice (or such fewer number of days as shall be acceptable to the Securities Depository and the Trustee). Upon such event, the City, at the expense of the Borrower, or, if requested by the Bondholder Representative, at its expense, shall promptly have prepared Bonds in certificated form registered in the names of the Beneficial Owners thereof shown on the records of the Participants provided to the Trustee, as of the date set forth in the notice described above. Bonds issued to the Beneficial Owners, or their designees, shall be in fully registered form substantially in the forms set forth in EXHIBIT A or EXHIBIT G, as applicable. In such event, this Indenture may be amended as the parties deem necessary pursuant to Section 9.01(f) in order to reflect the use of certificated Bonds.

(e) If any Securities Depository is replaced as the depository for the Bonds with another qualified Securities Depository, the City, at the expense of the Borrower, will issue Bonds to the replacement Securities Depository Bonds substantially in the forms set forth in EXHIBIT A or EXHIBIT G, as applicable registered in the name of such replacement Securities Depository.

(f) The City, the Borrower and the Trustee shall have no liability for the failure of any Securities Depository to perform its obligation to any Participant, any Indirect Participant or any Beneficial Owner of any Bonds, and none of them shall be liable for the failure of any Participant, Indirect Participant or other nominee of any Beneficial Owner of any Bonds to perform any obligation that such Participant, Indirect Participant or other nominee may incur to any Beneficial Owner.

(g) The terms and provisions of the Letter of Representations are incorporated herein by reference and, in the event there shall exist any inconsistency between the substantive

provisions of the Letter of Representations and any provisions of this Indenture, then, for as long as the initial Securities Depository shall serve with respect to the Bonds, the terms of the Letter of Representations shall govern. The Trustee shall comply with all the rules, regulations, policies and procedures of the Securities Depository in order to effectuate the provisions and intent of this Indenture, the City and the Bondholder Representative, including, without limitation, the obligation to make all required elections to ensure the pro rata partial redemption payments required in Section 4.04.

(h) The City, the Borrower and the Trustee may rely conclusively upon (i) a certificate of the Securities Depository as to the identity of the Participants in the Book-Entry System; (ii) a certificate of any Participant as to the identity of any Indirect Participant and (iii) a certificate of any Participant or Indirect Participant as to the identity of, and the respective principal amount of Bonds beneficially owned by, the Beneficial Owners.

#### Section 2.11. Conversion of Interest Rate Modes.

(a) On any Interest Period Reset Date occurring [after the Bonds may first be optionally redeemed at a price of not greater than par plus accrued interest to the redemption date pursuant to Section 4.01(a)], Bonds bearing interest at one Interest Rate Mode (including but not limited to a Fixed Interest Rate Mode) may be converted to a different Interest Rate Mode upon receipt by the Trustee and the Remarketing Agent of a written Notice of Interest Rate Conversion substantially in the form as set forth in EXHIBIT E hereto from the Authorized Borrower Representative not less than 30 days prior to such Interest Period Reset Date. Such direction to convert the interest rate on the Bonds to a different Interest Rate Mode shall be accompanied by (i) a Bond Counsel No Adverse Effect Opinion delivered to the Trustee (with reliance letters to the Bondholder Representative, the Credit Facility Provider, the City and the Remarketing Agent) with respect to the conversion; (ii) either (1) an Opinion of Counsel delivered to the City, the Remarketing Agent and the Trustee stating that Securities and Exchange Commission Rule 15c2-12 provides an exemption with respect to the Bonds or (2) evidence satisfactory to the City delivered to the City that the requirements of such Rule are being complied with; (iii) evidence satisfactory to the Trustee that the interest component of the Credit Facility, if applicable, is equal to the amounts set forth in subsection (b) below; and (iv) written certificates of the Remarketing Agent and the City stating that they have received certifications, opinions or other evidence satisfactory to them that there has been or will be compliance with any applicable state or federal securities law requirements.

(b) If the Bonds bear interest at the Daily Interest Rate or the Weekly Interest Rate, the Borrower shall be required to provide a Credit Facility with an interest coverage period that shall be sufficient to maintain the rating on the Bonds as required and confirmed by the Rating Agency. If the Bonds bear interest at the MMD Index Rate, the SIFMA Index Rate, the Term Rate or the Fixed Interest Rate and are covered by a Credit Facility, the interest coverage period shall be sufficient to maintain the rating on the Bonds as required and confirmed by the Rating Agency. Notwithstanding any provision of this paragraph, no conversion of Interest Rate Modes shall be effective if (A) the Borrower makes an election on or prior to the day immediately succeeding any Interest Rate Determination Date not to proceed with the proposed conversion or (B) the Trustee has not received on the effective date of such conversion each of the items described in clauses (i) - (iv) of Section 2.11(a) above, to the extent applicable. In

either such event, the Interest Rate Mode for the Bonds will remain as the Interest Rate Mode then in effect for the Bonds without regard to any proposed conversion. The Bonds will continue to be subject to tender for purchase on the scheduled effective date of the proposed conversion without regard to the failure of such proposed conversion. If the Trustee shall have sent any notice to Holders regarding the proposed conversion, in the event of a failure of such conversion as specified above, the Trustee shall promptly notify all Holders and the City of such failure, of the reason for such failure, and of the continuation of the Interest Rate Mode then in effect.

(c) The determination of the interest rate for the Bonds upon a conversion shall be conclusive and binding upon the Borrower, the Trustee, the Credit Facility Provider and the respective Holders of the Bonds.

(d) On the related Interest Rate Determination Date, the Remarketing Agent or the Indexing Agent, as the case may be, shall give the Trustee, the Credit Facility Provider and the Borrower electronic notice of the interest rate to be borne by the Bonds for the following Interest Rate Period; provided that if the interest rate is determined pursuant to clause (b) of the definition of Daily Interest Rate, Weekly Interest Rate or Term Rate on the Interest Rate Determination Date, the Trustee shall give such notice to the Borrower and the Credit Facility Provider.

(e) If the interest rate on the Bonds is converted to a different Interest Rate Mode, at least 25 days prior to the Interest Period Reset Date the Trustee shall notify the Holders of all outstanding Bonds by first class mail that, upon such Interest Period Reset Date, the Bonds shall be converted to a different Interest Rate Mode, and that all Bonds shall be subject to a mandatory tender pursuant to Section 11.02.

Section 2.12. Delivery of Credit Facility. The Borrower may, on any Bond Payment Date or Interest Period Reset Date occurring after the Bonds may first be optionally redeemed at a price of not greater than par plus accrued interest to the redemption date pursuant to Section 4.01(a), arrange for the delivery to the Trustee of a Credit Facility. Any Credit Facility shall satisfy the following conditions, as applicable:

(a) The Credit Facility shall (i) be in an amount equal to the aggregate principal amount of the Bonds Outstanding from time to time plus the interest component necessary to provide coverage reasonably satisfactory to the Rating Agency; (ii) provide for payment in immediately available funds to the Trustee upon receipt of the Trustee's request for such payment with respect to any Bond Payment Date and Bond Purchase Date; (iii) if the Credit Facility is provided to secure Bonds during a Term Rate Mode, provide an expiration date no earlier than the earliest of (A) the day following the last day of such Interest Rate Period; (B) ten (10) days after the Trustee receives notice from the Credit Facility Provider of an Event of Default hereunder or a default under and as defined in the Reimbursement Agreement and a direction to redeem all Outstanding Bonds; (C) the date on which all Bonds are paid in full and this Indenture is discharged in accordance with its terms; and (D) the date on which the Bonds become secured by an alternate Credit Facility in accordance with the terms of the Reimbursement Agreement; (iv) unless waived by the City in its sole discretion, result in the Bonds receiving a long-term rating or short-term rating, or both, as applicable for the Interest

Rate Mode then in effect, for the long term rating in one of the two highest rating categories of the Rating Agency without regard to pluses or minuses, and for the short term rating in the highest rating category of the Rating Agency without regard to pluses or minuses; and (v) have a stated expiration or termination date not sooner than one year following its effective date.

(b) In connection with the delivery of a Credit Facility, the Trustee must receive (i) an opinion of counsel to the Credit Facility Provider issuing the Credit Facility, in form and substance reasonably satisfactory to the City and the Trustee, relating to the due authorization and issuance of the Credit Facility, its enforceability, that the statements made relating to the Credit Facility and Reimbursement Agreement contained in any disclosure document or supplement to the existing disclosure document related to the Bonds are true and correct in all material respects, that the Credit Facility and the Bonds enhanced by the Credit Facility are not required to be registered under the Securities Act of 1933, and, if required by the Rating Agency, that payments made by the Credit Facility Provider pursuant to the Credit Facility will not be voidable under Section 547 of the Bankruptcy Code and would not be prevented by the automatic stay provisions of Section 362(a) of the Bankruptcy Code, in the context of a case or proceeding by or against the Borrower, a Borrower Controlling Entity or by the City under the Bankruptcy Code; (ii) a Bond Counsel No Adverse Effect Opinion delivered to the Trustee with respect to the delivery of such Credit Facility; and (iii) such other opinions, certificates and agreements as the Bondholder Representative or its counsel and counsel to the Borrower, City and Trustee reasonably require.

### ARTICLE III

#### ISSUANCE OF BONDS; APPLICATION OF PROCEEDS

Section 3.01. Authentication and Delivery of the Bonds. Upon the execution and delivery of this Indenture, the City shall execute the Bonds and deliver them to the Trustee. Upon payment of the Issuer's Closing Fee described in Section 19 of the Regulatory Agreement and satisfaction of the conditions set forth in this Section 3.01, and without any further action on the part of the City, the Trustee shall authenticate the Bonds in an aggregate principal amount not exceeding the Authorized Amount, and shall deliver them pursuant to the Written Order of the City hereinafter mentioned. Prior to the authentication and delivery of any of the Bonds by the Trustee, there shall have been delivered to the Trustee each of the following:

- (a) Executed counterparts of this Indenture, the Loan Agreement, the Construction Funding Agreement, the Regulatory Agreement, the Bond Purchase Agreement, the Tax Certificate, the Continuing Disclosure Agreement, the Note, the Deed of Trust, the Swap Agreement, if any, and any UCC financing statement required by the Deed of Trust;
- (b) A certified copy of the Resolution;
- (c) The Initial Disbursement received from the Bond Purchaser;
- (d) An executed Investor Letter from the Bond Purchaser and from the Initial Purchaser;
- (e) The Initial Bond Fund Deposit;
- (f) A Bond Counsel Approving Opinion;
- (g) A written request and authorization by the City to the Trustee to authenticate and deliver the Bonds to or for the account of the Bond Purchaser upon receipt of the Initial Disbursement;
- (h) An Opinion of Counsel from Bond Counsel to the effect that the Bonds are exempt from registration under the Securities Act of 1933, as amended, and this Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended;
- (i) one or more opinions of counsel to the Borrower addressed to the City, the Bondholder Representative and the Trustee, in form and substance satisfactory to the City and the Bondholder Representative, regarding the enforceability against the Borrower of each of the documents to which the Borrower is a party; and
- (j) Any other documents or opinions that the Trustee, the City, the Bond Purchaser or Bond Counsel may reasonably require.

Section 3.02. Application of Proceeds of Bonds. The Initial Disbursement and subsequent disbursements of the proceeds received from the sale of the Bonds shall be disbursed in accordance with this Section 3.02 of this Indenture. The Bonds are issued as draw-down Bonds. The Bond Purchaser shall fund the purchase price of the Bonds from time to time, in accordance with the Bond Purchase Agreement, to provide funds for deposit in the Construction Fund for the payment of requisitions therefrom. The initial purchase of Bonds by the Bond Purchaser on the Closing Date will be in the amount of the Initial Disbursement, comprised of a purchase of Bonds by the Bond Purchaser in an amount equal to \$[55,000]. Amounts funded in such manner shall be noted on the principal draw-down schedule attached to each Bond, as applicable, and acknowledged thereon by the Trustee. In lieu of notation on the Bonds by the Trustee of the principal amount funded with respect to the Bonds, the Trustee may record such information in the Bond recordkeeping system maintained by the Trustee.

Upon deposit with the Trustee by the Bond Purchaser of each installment of the purchase price of each draw-down Bond and notation on the applicable Bond principal schedule by the Trustee, the aggregate amount of Bonds purchased shall be deemed Outstanding and shall begin to accrue interest. Notwithstanding anything herein to the contrary, the aggregate purchase price of the Bonds funded by the Bond Purchaser may not exceed the Authorized Amount and no additional amounts may be funded after the earlier of the Conversion Date or December 31, 2020, unless there is delivered to the Trustee and the City a Bond Counsel No Adverse Effect Opinion to the effect that such additional funding will not adversely affect the exclusion of interest on the Bonds from gross income for purposes of federal income taxation.

The City consents to the terms of the Contingency Draw-Down Agreement and agrees to take all actions requested in writing by the Bondholder Representative that are reasonably required of the City in connection with the conversion of the Bond issue to a fully funded Bond issue pursuant to the provisions of the Contingency Draw-Down Agreement in the event a Draw-Down Notice is filed by the Bondholder Representative or the Borrower, all at the expense of the Borrower. The City shall deliver and deposit with the Bondholder Representative such additional documents, financing statements, and instruments as the Bondholder Representative or Trustee may reasonably request in writing delivered to the City from time to time with respect to any amounts held under the Contingency Draw-Down Agreement for the better perfecting and assuring to the Trustee of its lien and security interest in and to the Trust Estate, at the expense of the Borrower.

Except at the written direction of the Bondholder Representative, which direction shall include instructions as to the accrual of interest, installment purchases of Bonds shall occur only on Bond Payment Dates pursuant to the schedule attached to the Bond Purchase Agreement.

Section 3.03. Disbursement of Bond Proceeds and Other Closing Funds; Establishment of Construction Fund. (a) There is hereby created and established with the Trustee a separate fund which shall be designated the "Construction Fund," and within such Construction Fund a Capitalized Interest Account, a Tax-Exempt Bonds Account and an Equity Account, which fund and accounts shall be applied only as provided in this Section 3.03. The Initial Disbursement on the Closing Date shall be deposited by the Trustee as follows: [\$\_\_\_\_\_] in the Capitalized

Interest Account of the Construction Fund, \$[\_\_\_\_\_] in the Tax-Exempt Bonds Account of the Construction Fund and \$[0.00] in the Equity Account of the Construction Fund.

Subsequent to the Closing Date, (i) advances of the purchase price of the Bonds shall be deposited by the Trustee in the Tax-Exempt Bonds Account of the Construction Fund; and (ii) amounts received from or on behalf of the Borrower (exclusive of Pledged Revenues) shall be deposited by the Trustee into the Equity Account of the Construction Fund.

(b) The Trustee shall use moneys in the Tax-Exempt Bonds Account and the Equity Account of the Construction Fund for Project Costs, as provided herein; provided, however, that any moneys on deposit in the Capitalized Interest Account of the Construction Fund shall only be used to make payments on the Note (including payments under the Swap Agreement, if applicable) pursuant to Section 5.1(a) of the Loan Agreement and as otherwise provided in Section 3.03(d) below. [The amounts on deposit in the Tax-Exempt Bonds Account shall not be applied to the payment of Costs of Issuance.] The amounts on deposit in the Equity Account of the Construction Fund shall be disbursed pursuant to the provisions of Section 3.03(h).

Not less than 95% of the Bond proceeds representing net proceeds of the Bonds, including Investment Income on moneys in the Tax-Exempt Bonds Account, will be expended for Qualified Project Costs (the "95% Requirement"). Except as provided in the next paragraph, amounts on deposit in the Tax-Exempt Bonds Account of the Construction Fund shall be allocated to, and disbursed from time to time by the Trustee, for the sole purpose of paying Qualified Project Costs and other costs that are the subject of a Written Requisition and approved in writing by the Servicer as provided in the next sentence, which Written Requisition shall include a certification of compliance with the 95% Requirement.

Notwithstanding any other provision of this Indenture, on the Closing Date the Trustee shall deposit the Initial Disbursement in the Tax-Exempt Bonds Account of the Construction Fund, and shall immediately disburse such amount from that account by wire transfer to Fidelity National Title Group, , Bank: [\_\_\_\_\_] , Address: 1430 Blue Oaks Blvd., Suite 110, Roseville, California 95678, Account No.: [\_\_\_\_\_] , Routing No.: [\_\_\_\_\_] , Reference: [\_\_\_\_\_] , File Number: [\_\_\_\_\_]. The Trustee has been advised that the amount so disbursed will be used to pay a portion of the Developer Fee (as defined in the Construction Funding Agreement) payable to Related California Residential Development Co., LLC, a Delaware limited liability company. The Trustee shall have no responsibility for the application by Fidelity National Title Group of the amount so wire transferred by the Trustee to it.

Except as provided in the preceding paragraph, before any payment shall be made from any account within the Construction Fund, there shall be filed with the Trustee a Written Requisition of the Borrower substantially in the form attached hereto as EXHIBIT B-1 and approved in writing by the Servicer for each such payment (upon which the Trustee may conclusively rely). Notwithstanding the foregoing, upon the use of all of the moneys in the Capitalized Interest Account, the Trustee may withdraw amounts, if any, from the Equity Account of the Construction Fund without a Written Requisition to pay interest on the Bonds.

In connection with a Written Requisition:

Only the signature of an authorized officer of the Servicer shall be required on a Written Requisition during any period in which an Event of Default by the Borrower has occurred and is then continuing under the Loan (notice of which default has been given in writing by an authorized officer of the Servicer to the Trustee and the City, and the Trustee shall be entitled to conclusively rely on any such Written Notice as to the occurrence and continuation of such a default).

The Trustee shall disburse amounts in the Construction Fund upon receipt of a Written Requisition signed only by the Servicer (and without any need for any signature by an Authorized Borrower Representative), so long as the amount to be disbursed is to be used solely to make payments of principal, interest and/or fees due under the Bond Documents.

The Trustee shall be entitled to conclusively rely upon any Written Requisition in determining whether to disburse amounts from the Construction Fund.

The Trustee may conclusively rely on all Written Requisitions, the execution of the Written Requisitions by the Authorized Borrower Representative and the approval of all Written Requisitions by the Servicer, as required by this Section, as conditions of payment from the Construction Fund (except as provided in the third paragraph of this Section 3.03(b) regarding the disbursement on the Closing Date, with respect to which no Written Requisition is required), which Written Requisitions constitute, as to the Trustee, irrevocable determinations that all conditions to payment of the specified amounts from the Construction Fund have been satisfied. These documents shall be retained by the Trustee, subject at all reasonable times to examination by the Borrower, the Investor Limited Partner, the City, the Servicer and the agents and representatives thereof. The Trustee is not required to inspect the Project or the construction work or to make any independent investigation with respect to the matters set forth in any Requisition or other statements, orders, certifications and approvals received by the Trustee. The Trustee is not required to obtain completion bonds, lien releases or otherwise supervise the acquisition, construction, renovation, equipping, improvement and installation of the Project.

(c) Upon receipt of each Written Requisition submitted by the Borrower and approved in writing by the Servicer, the Trustee shall within three (3) Business Days make payment from the appropriate account within the Construction Fund in accordance with such Written Requisition. The Trustee shall have no duty to determine whether any requested disbursement from the Construction Fund complies with the terms, conditions and provisions of the Bond Documents, constitute payment of Qualified Project Costs or complies with the 95% Requirement. The approval in writing of a Written Requisition by the Servicer shall be deemed a certification and, insofar as the Trustee and the City are concerned, shall constitute conclusive evidence that all of the terms, conditions and requirements of the Bond Documents applicable to such disbursement have been fully satisfied or waived and the Written Requisition from the Borrower shall, insofar as the Trustee and the City are concerned, constitute conclusive evidence that the costs described in the Written Requisition constitute Qualified Project Costs or other permitted Project costs. Each Written Requisition shall include an exhibit that allocates the requested disbursement among the Bonds and the funds received by the Trustee from the

Borrower, if any, and that provides the Trustee with the information described in Section 3.03(j) below. The Trustee shall, immediately upon each receipt of a completed Written Requisition of the Borrower and approved in writing by the Servicer, as provided in the Construction Funding Agreement, initiate procedures with the provider of the Investment Agreement, if any, to make withdrawals under any Investment Agreement as necessary to fund the Written Requisition.

The Trustee shall immediately notify the Borrower, the Servicer and the Bondholder Representative if there are not sufficient funds available to make the transfers as and when required by this subsection (b). Except as provided in the next sentence, all such payments shall be made by check or draft payable, or by wire transfer, either (i) directly to the person, firm or corporation to be paid, (ii) to the Borrower and such person, firm or corporation, or (iii) upon the Bondholder Representative's receipt of evidence that the Borrower has previously paid such amount and Written Direction to the Trustee as to such, to the Borrower. Upon the occurrence of an Event of Default of which the Trustee has knowledge as provided herein, which is continuing under the Bond Documents, with the Written Consent of the Bondholder Representative, the Trustee may apply amounts on deposit in the Construction Fund to the payment of principal of and interest on the Bonds. If a Written Requisition signed by the Authorized Borrower Representative and countersigned by an authorized officer of the Bondholder Representative is received by the Trustee, the requested disbursement shall be paid by the Trustee as soon as practicable, but in no event later than one (1) Business Day following receipt thereof by the Trustee. Upon final disbursement of all amounts on deposit in the Construction Fund, the Trustee shall close the Construction Fund.

(d) After the Closing Date, the Borrower, with the written consent of the Bondholder Representative, may deposit additional funds into the Capitalized Interest Account. Moneys on deposit in the Capitalized Interest Account of the Construction Fund, together with investment earnings thereon which shall be retained therein, shall be transferred to the Bond Fund and applied pursuant to Section 5.03 on each Loan Payment Date in an amount equal to the Loan Payments (excluding Third Party Fees) due on such date; provided that, upon receipt of a Written Direction of the Borrower, moneys on deposit in the Capitalized Interest Account of the Construction Fund shall be transferred to the Servicer on each Loan Payment Date in an amount as set forth in such Written Direction which amount shall represent Loan Payments (excluding Third Party Fees) due on such Loan Payment Date. Upon the request of the Trustee, the Servicer shall provide the Trustee with a schedule of the Loan Payment Dates and corresponding Loan Payment amounts. The transfer of moneys from the Capitalized Interest Account of the Construction Fund to the Bond Fund or the Servicer as set forth above shall occur automatically on each Loan Payment Date without the need for a Written Requisition of the Borrower, or consent of the Bondholder Representative.

(e) Immediately prior to any mandatory redemption of Bonds pursuant to Section 4.01(c) or (d), any amounts then remaining in the Construction Fund attributable to the proceeds of the Bonds (as determined by the Written Requisitions from the Construction Fund received by the Trustee from the Borrower and approved by the Servicer) shall, at the written direction of the Bondholder Representative, be transferred to the Bond Fund to be applied to the redemption of Bonds pursuant to Sections 4.01(c) or (d) or the purchase of Bonds in lieu of redemption pursuant to the provisions of Section 4.05 hereof.

(f) Amounts on deposit in the Construction Fund shall be invested as provided in Section 5.13. All Investment Income earned on amounts on deposit in each account of the Construction Fund shall be retained in and credited to and become a part of the amounts on deposit in that account of the Construction Fund.

(g) When the Project has been completed, the Borrower shall deliver a Certificate of Completion, which contains a certification regarding the "95% Requirement" referred to in subsection (b), to the Trustee, the City, the Servicer and the Bondholder Representative. On the date that is six months after the date on which the Trustee shall have received the Certificate of Completion, the Trustee shall transfer the balance of any moneys remaining in the Construction Fund attributable to the proceeds of the Bonds (as determined by the Written Requisitions from the Construction Fund received by the Trustee from the Borrower and approved by the Servicer) in excess of the amount to be reserved for payment of unpaid Project costs to the Bond Fund and apply such funds to the redemption of Bonds in accordance with Section 4.01(b).

(h) After the Closing Date, amounts on deposit in the Equity Account of the Construction Fund, if any, shall be disbursed from time to time by the Trustee to pay designated amounts as set forth in and upon receipt of a Written Requisition of the Borrower signed by an Authorized Borrower Representative, the Bondholder Representative and the Servicer. Upon written request of the Borrower accompanied by evidence of the filing of the certificate of completion for the Project, the Trustee shall return any balance in such Equity Account to the Borrower.

(i) None of the Trustee, the Bondholder Representative or the City shall be responsible for the application by the Borrower of monies disbursed to the Borrower in accordance with this Section 3.03.

(j) The Borrower has advised the City of the Borrower's intent that the proceeds of the Bonds be used exclusively to pay the Project Costs which are includable in the aggregate basis of any building (the "Allowable Costs"), in order to comply with Section 42(h)(4)(B) of the Internal Revenue Code of 1986, as amended. The City hereby authorizes and directs that the Trustee, in reliance solely of the representations of the Borrowers in clause (vii) of each Written Requisition of the Borrower, maintain such accounting and other records as shall be necessary to carry out the Borrower's intent with respect to tracing the use of the Bond proceeds, and the City shall have no responsibility whatsoever with respect thereto. Each Written Requisition of the Borrower shall identify: the respective amounts of proceeds of the Bonds and the other sources of funds comprising each respective disbursement, and shall represent that proceeds of the Bonds will only be expended for Allowable Costs or will be deposited in a specially designated account which can be used only to pay Allowable Costs, and that the proceeds of any other sources of funds will be deposited into another, separate account.

Section 3.04. City Administrative Fee. The Trustee shall collect the City's annual Issuer Ongoing Fee described in clause (ii) of the second paragraph of Section 19 of the Regulatory Agreement (and referred to in Section 5.1(h) of the Loan Agreement) and promptly upon receipt remit it to the City. The Trustee may establish a fund or account in its records to deposit and disburse the amounts collected by it for payment of the City's annual Issuer Ongoing Fee.

## ARTICLE IV

### REDEMPTION OF BONDS

Section 4.01. Redemption of Bonds. (a) *Optional Redemption.* On and after [November] 1, 20[ ], the Bonds may be redeemed in whole or in part, on any Bond Payment Date (and during any Fixed Interest Rate Mode or Term Rate Mode during which a Credit Facility enhances the Bonds, on the first Business Day of each month) or, upon satisfaction of the conditions set forth in Section 10.03, on any Business Day, in each case upon prepayment of the Note by the Borrower pursuant to Section 5.2 of the Loan Agreement at the applicable Redemption Price. The Bonds may be redeemed pursuant to this Section 4.01(a) upon notice to the Bondholders, given by the Trustee in accordance with Section 4.02. Except as otherwise provided under Section 10.03, no such optional redemption of Bonds shall be permitted unless the Trustee shall have received Eligible Funds in an amount that will be sufficient to pay the Redemption Price of the Bonds by 12:00 p.m. New York City time on the date that the Bonds are to be redeemed.

In connection with a prepayment pursuant to Section 10.03, the Borrower may exercise such option by giving Written Notice to the Trustee, Bondholder Representative and Servicer of its election to prepay the Note, not fewer than thirty (30) Days prior to the proposed redemption date; provided, however, if, at the time of such exercise, the Bonds are held in a Book-Entry System, the Borrower shall give any such greater notice as is required by the depository system then holding the Bonds. Any such notice shall specify the date fixed for optional redemption and contain a certification of the Borrower to the effect that all conditions precedent to such optional redemption have been (or will be, as of the optional redemption date) satisfied. The Trustee shall, not fewer than eight (8) Business Days prior to the date set for such optional redemption, deliver a Written Certificate to the Borrower setting forth the amount of accrued interest and Prepayment Premium, if any, that will be due and payable as of the date fixed for optional redemption.

(b) *Mandatory Redemption From Amounts Transferred From Construction Fund.* The Bonds shall be redeemed in whole or in part, at the Redemption Price, in the event and to the extent amounts remaining in the Construction Fund are transferred to the Bond Fund pursuant to Section 3.03(g) hereof, on the first Bond Payment Date for which notice of redemption can be given in accordance with Section 4.02 hereof.

(c) *Mandatory Redemption From Mandatory Prepayment of Note.* The Bonds shall be redeemed in whole or in part, at the Redemption Price, upon mandatory prepayment of the Note by the Borrower as required by Section 5.3 of the Loan Agreement on the earliest Business Day for which notice can be given in accordance with Section 4.02; provided that in the case of a prepayment pursuant to Section 5.3(e) of the Loan Agreement, such redemption date must occur within 90 days of the Determination of Taxability.

(d) *Mandatory Redemption For Loan Agreement Default.* The Bonds shall be redeemed in whole or in part, at the Redemption Price, upon the acceleration of the Note pursuant to Section 7.2 of the Loan Agreement and upon written direction of the Bondholder Representative to the Trustee, in the event of the occurrence of a Loan Agreement Default and the expiration of

the applicable grace period or notice and cure period, if any, specified therein, on the earliest Business Day for which notice can be given as required by Section 4.02.

In the case of a default under Section 7.1(j) of the Loan Agreement, the Bonds shall be redeemed in whole and the Trustee shall apply amounts on deposit in the Construction Fund, together with other amounts received from the Borrower pursuant to Section 5.1(d) or 5.3 of the Loan Agreement, to the payment of the Redemption Price.

(e) *Mandatory Redemption From Amounts Transferred From Principal Reserve Fund.* On each Bond Payment Date, Bonds shall be redeemed, in part, at the Redemption Price, in an amount equal to the amount which has been transferred from the Principal Reserve Fund to the Bond Fund pursuant to Section 5.10. If no Principal Reserve Fund Deposit Schedule is attached to the Note, no such redemption shall occur.

In the event of a conversion to semi-annual Bond Payment Dates pursuant to Article II, in lieu of the mandatory redemption of Bonds as set forth in the preceding paragraph of this Section 4.01(e), the Bondholder Representative shall provide the Trustee with a Mandatory Redemption Schedule to be attached hereto at such time as the Bonds shall be subject to mandatory sinking fund redemption, in part, at the Redemption Price pursuant to such schedule.

(f) *Mandatory Redemption From Pre-Conversion Loan Equalization Payment.* The Bonds shall be redeemed, in whole or in part, at the Redemption Price on the earliest Business Day for which notice can be given as required by Section 4.02 in the event that the Borrower makes a Pre-Conversion Loan Equalization Payment and the Trustee has received a written direction from the Bondholder Representative to redeem Bonds, in a principal amount equal to the amount of the Note prepaid by the Borrower.

(g) *Mandatory Sinking Fund Redemption.* The Bonds shall be subject to redemption in part on each Bond Payment Date in the amounts and on the dates set forth in the Mandatory Sinking Fund Redemption Schedule, if any, attached to the Note, at a redemption price equal to the principal amount of the Bonds to be redeemed plus accrued but unpaid interest to the date of redemption, from amounts paid by the Borrower as principal under the Note without regard to Authorized Denomination. A revised Mandatory Sinking Fund Redemption Schedule, calculated so as to maintain level payments of debt service on the Bonds, may be delivered to the Trustee at any time by agreement of the Borrower and the Bondholder Representative, accompanied by a Bond Counsel No Adverse Effect Opinion addressed to the Trustee.

If less than all of the Bonds have been redeemed other than from sinking fund installments applicable to such Bonds, the principal amount of the Bonds to be redeemed in each month from sinking fund installments shall be decreased pro rata among all sinking fund installments applicable to such Bonds. Any such proportional redemption shall be confirmed in writing by the Trustee to the Bondholder Representative and a new Mandatory Sinking Fund Redemption Schedule shall be provided by the Bondholder Representative to the Trustee, the City and the Borrower.

In the event of (i) a conversion to semi-annual Bond Payment Dates pursuant to Article XI hereof or (ii) a partial prepayment of the Note after the occurrence of such conversion, the Bondholder Representative will provide the Trustee, the City and the Borrower with a revised Mandatory Sinking Fund Schedule to be attached to the Note and the Bonds shall be subject to redemption pursuant to such revised schedule.

(h) *Mandatory Redemption Upon Sale of Project.* The Bonds shall be redeemed in whole but not in part at the Redemption Price upon the Written Direction of the Bondholder Representative no later than the day before (a) any sale of the Project, restructuring of the Borrower or any other event that would cause or be deemed to cause an assumption of obligations of an unrelated party for purposes of Treasury Regulation §1.150-1(d)(2) (any such event referred to herein as a "Transfer") which Transfer would occur within six months of a "refinancing" (as contemplated by such Treasury Regulation), or (b) any "refinancing" that would occur within six months of a Transfer. Any mandatory redemption pursuant to the foregoing sentence would occur following a mandatory prepayment of the Note pursuant to Section 5.3(d) of the Loan Agreement.

Section 4.02. Notice of Redemption. Not fewer than fifteen (15) days, nor more than thirty (30) days before the Redemption Date of any Bonds to be redeemed, or in the case of an optional redemption pursuant to Section 4.01(a) or a mandatory redemption pursuant to Section 4.01(h), not fewer than five (5) Business Days nor more than seven (7) Business Days before the Redemption Date, the Trustee shall cause a notice of any such redemption to be mailed by first class mail (but by certified mail to the Bondholder Representative), postage prepaid, to the Registered Owners of the Bonds (with a copy to the Borrower and the City), provided that no prior notice of redemption shall be required in the case of a redemption pursuant to Section 4.01(g). Such notice shall also be given by registered, certified or overnight mail, or by facsimile transmission promptly confirmed in writing, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

The redemption notice shall identify the Bonds or portions thereof to be redeemed and shall state: (a) the date of such notice and the redemption date; (b) the Redemption Price; (c) the original date of execution and delivery of the Bonds to be redeemed; (d) the interest borne by the Bonds to be redeemed; (e) the date of maturity of the Bonds; (f) the numbers and CUSIP numbers of the Bonds to be redeemed; (g) that the Redemption Price of any Bond is payable only upon the surrender of the Bond to the Trustee at the Office of Trustee; (h) the address at which the Bonds must be surrendered; and (i) that interest on the Bonds called for redemption ceases to accrue on the redemption date, provided that, subject to the last paragraph of this Section 4.02, on such redemption date Eligible Funds are on deposit in the Bond Fund sufficient to pay the Redemption Price of the Bonds in full.

Any notice mailed pursuant to this Section, except in connection with a defeasance under Section 10.02 or 10.03, may state that the scheduled redemption is conditional to the extent that Eligible Funds are not held by the Trustee on the redemption date; in which case, all Bonds shall be returned to the holders thereof and remain outstanding under the terms and conditions of this Indenture.

Section 4.03. Effect of Redemption. Notice of redemption having been given as aforesaid, the Bonds or portions thereof designated for redemption shall become due and payable on the Redemption Date at the Redemption Price and, from and after such date (unless the Borrower shall fail to make a payment of the Redemption Price with Eligible Funds), such Bonds or portions thereof shall cease to bear interest from and after the Redemption Date whether or not such Bonds are presented and surrendered for payment on such date. If any Bond or portion thereof called for redemption is not so paid upon presentation and surrender thereof on the Redemption Date, such Bond or portion thereof shall continue to bear interest at the rate or rates provided for thereon until paid and the Registered Owners thereof shall have all of the rights and be subject to the limitations set forth in Article VII hereof. Upon surrender of the Bonds for redemption in accordance with said notice, the Bonds shall be paid by the Trustee on behalf of the City at the Redemption Price to the extent of Eligible Funds held by the Trustee on such Redemption Date. Installments of interest due on or prior to the Redemption Date shall be payable to the Registered Owners as of the relevant Record Dates, without surrender thereof, according to the terms of the Bonds and the provisions of this Indenture.

Section 4.04. Partial Redemption; Selection of Bonds. Redemption of Bonds, in part, shall be made on a Proportionate Basis from all maturities and/or all CUSIPs of Senior Bonds then Outstanding, and once no Senior Bonds remain Outstanding, from all maturities and/or all CUSIPs of Subordinate Bonds. All partial redemptions of Bonds shall be made pro rata (or as nearly as practicable thereto, but in no event, in amounts less than \$5,000 except as provided in Section 4.01(g) hereof) within a maturity or CUSIP, as applicable, based on the principal amount of Outstanding Bonds held by such Holder and the aggregate principal amount of Outstanding Bonds within such maturity or CUSIP, as applicable; provided that, no Bond shall be in an amount less than an Authorized Denomination following such partial redemption unless a pro rata redemption would require all Outstanding Bonds to be in an amount less than an Authorized Denomination; provided further that, at no time shall a single entity owning a majority of the Bonds prior to such partial redemption lose its status as the Holder of a Majority Share solely because of such partial redemption. In the event such partial redemption inadvertently leads to the entity owning a majority of Bonds prior to such partial redemption owning less than a majority solely as a result of such partial redemption, such entity shall continue to exercise the rights provided hereunder for a beneficial owner of a majority of the Bonds, and the Trustee shall endeavor to remedy the relative proportions of ownership of Bonds as soon as possible but no later than the next date on which Bonds will be redeemed.

Upon surrender of any Bond for redemption in part, the City shall execute and the Trustee shall authenticate and deliver to the Registered Owner, at the expense of the Borrower, a new Bond or Bonds, in Authorized Denominations equal to the unredeemed portion of the Bond so surrendered.

Section 4.05. Purchase in Lieu of Redemption. The Borrower shall have the option to cause the Bonds to be purchased in whole but not in part by the Borrower or its designee in lieu of redemption pursuant to Section 4.01(a) and the Bondholder Representative or the Borrower shall have the option to cause the Bonds to be purchased in lieu of redemption pursuant to Sections 4.01(c) and 4.01(d). Such option may be exercised by delivery to the Trustee on or prior to the Business Day preceding the Redemption Date of a written notice of the Borrower or

Bondholder Representative, as applicable, specifying that the Bonds shall not be redeemed, but instead shall be subject to purchase pursuant to this Section. Upon delivery of such notice, the Bonds shall not be redeemed but shall instead be subject to mandatory tender at the Purchase Price on the date that would have been the Redemption Date; provided that payment of such Purchase Price shall be made only in Eligible Funds.

Section 4.06. Purchase of Subordinate Bonds in Lieu of Redemption. The Borrower shall have the option to cause the Bonds to be purchased by the Borrower or its designee in lieu of redemption pursuant to Section 4.01(f). Such option may be exercised by delivery to the Trustee on or prior to the Business Day preceding the Redemption Date of a written notice of the Borrower specifying that the Bonds shall not be redeemed, but instead shall be subject to purchase pursuant to this Section. Upon delivery of such notice, the Bonds shall not be redeemed but shall instead be subject to mandatory tender at the Purchase Price on the date that would have been the Redemption Date and such Bonds so purchased shall become Subordinate Bonds upon compliance with the provisions of Article XIII.

Section 4.07. Deposit of Redemption Price or Purchase Price. On (except as provided in Section 4.01(a) with respect to Section 10.03) or prior to any Redemption Date or date of purchase in lieu of redemption, and as a condition to such redemption or purchase, the Borrower shall, only to the extent of amounts due under the Note and the Loan Agreement, deposit or cause there to be deposited with the Trustee or applied in accordance with this Indenture, Eligible Funds in an amount sufficient to pay the Redemption Price or Purchase Price, as the case may be, of all of the Bonds to be redeemed or purchased on that date. Such money shall be held in trust for the benefit of the persons entitled to such Redemption Price or Purchase Price and shall not be deemed to be part of the Trust Estate.

## ARTICLE V

### PLEDGE; FUNDS

Section 5.01. Pledge. (a) *Pledge.* The pledge and assignment of and the security interest granted in the Trust Estate pursuant to the granting clauses hereof and of the Pledged Revenues for the payment of the principal of, premium, if any, and interest on the Bonds, in accordance with their terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the time of the delivery of the Bonds by the Trustee or by any person authorized by the Trustee to deliver the Bonds. The Trust Estate so pledged and then or thereafter received by the Trustee shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the City irrespective of whether such parties have notice thereof.

(b) *Money Held by Trustee.* All money required to be deposited with or paid to the Trustee for the account of any of the funds created by this Indenture shall be held by the Trustee in trust for the benefit of the Bondholders, and except for (i) money held in the Expense Fund and the Rebate Fund, and (ii) money deposited with or paid to the Trustee for the redemption of Bonds, notice of the redemption of which has been duly given, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien hereof.

(c) *Application of Pledged Revenues.* All money received by the Trustee from the Borrower (to the extent there is no Servicer) or the Servicer, or as a Cap Payment from the cap provider, if any, and all other Pledged Revenues shall be disbursed or transferred, as appropriate, when received by the Trustee, in the following order of priority:

- (i) To the Rebate Fund, an amount equal to the Rebate Amount, if any, then required to be deposited therein pursuant to the Loan Agreement;
  - (ii) To the Expense Fund, an amount needed to pay any Third Party Fees;
  - (iii) To the Bond Fund, the amount of any due and owing Bond Obligations;
- and
- (iv) To the Surplus Fund.

To the extent a Servicing Agreement is in effect from time to time, any sums received by the Trustee directly from the Borrower shall be remitted to the Servicer to be applied in accordance with the Servicing Agreement.

(d) *Limited Liability.* None of the City, the members of the Board of Supervisors, the directors, officers, officials, employees, attorneys or agents of the City, or any person executing the Bonds is liable personally on the Bonds or subject to any personal liability or accountability by reason of their issuance. The Bonds are limited obligations of the City, payable only as provided herein, and are not a general obligation, nor are they secured by a pledge of the faith

and credit, of the City, the State or any of its political subdivisions, nor are the Bonds payable out of any funds or properties other than those of the City expressly pledged for the payment thereof under this Indenture. The Bonds do not constitute indebtedness within the meaning of any constitutional or statutory debt limitation. The issuance of the Bonds shall not directly, indirectly, or contingently obligate the City, State of California or any political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment.

No recourse shall be had for the payment of the Bond Obligations against any past, present or future supervisor, officer, official, director, employee or agent of the City, or of any successor thereto, as such, either directly or through the City or any successor to the City, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such supervisors, officers, officials, directors, employees or agents, as such, is hereby expressly waived and released as a condition of, and consideration for, the execution and issuance of the Bonds.

The City shall not be liable for payment of the Bond Obligations or any other costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Indenture, the Bonds or any other documents, except only to the extent amounts are received for the payment thereof from the Borrower under the Loan Agreement.

Section 5.02. Establishment of Funds. There are established with the Trustee the following trust funds and accounts:

- (i) The Bond Fund;
- (ii) [intentionally omitted];
- (iii) The Construction Fund (and the Capitalized Interest Account, the Tax-Exempt Bonds Account and the Equity Account therein);
- (iv) The Rebate Fund;
- (v) The Expense Fund;
- (vi) The Costs of Issuance Fund;
- (vii) The Remarketing Proceeds Fund;

Section 5.03. Bond Fund. The City and the Borrower shall have no interest in the Bond Fund or the moneys therein, which shall always be maintained by the Trustee completely

separate and segregated from all other moneys held hereunder and from any other moneys of the City and the Borrower.

The Trustee shall deposit into the Bond Fund the amounts required by Section 5.01(c) together with any other amounts received by the Trustee that are subject to the lien and pledge of this Indenture, including any Pledged Revenues not otherwise specifically directed in writing to be deposited into other funds created by this Indenture.

On each Bond Payment Date the Trustee shall apply all amounts on deposit in the Bond Fund in the following order of priority:

First, to pay or provide for the payment of the interest due on the Senior Bonds on the next Bond Payment Date;

Second, to the Principal Reserve Fund in an amount equal to the Principal Reserve Fund Deposit as indicated in the Principal Reserve Fund Deposit Schedule;

Third, to pay or provide for the payment of the Redemption Price of Bonds pursuant to Sections 4.01(b), (c), (d), (e), (f), (g) or (h), provided moneys have been transferred or deposited into the Bond Fund for such purpose;

Sixth, all Pledged Revenues remaining after the foregoing shall be transferred to the Surplus Fund and held therein.

If the amounts held in the Bond Fund are insufficient to pay the principal of or interest on the Senior Bonds when due (together with any Third Party Fees), the Trustee shall charge the Surplus Fund to cover such deficiency. To the extent so directed by the Bondholder Representative, the Trustee shall also pay any other amounts owing the City or the Trustee under the Bond Documents from amounts on deposit in the Surplus Fund or transfer amounts in the Surplus Fund to the Servicer to be applied in accordance with the Servicing Agreement. The Trustee shall notify the Bondholder Representative of such deficiency only if amounts on deposit in the Surplus Fund are insufficient to make such payment. The Trustee shall obtain the prior written approval of the Bondholder Representative prior to accepting any additional collateral as part of the Trust Estate in the form of Pledged Revenues, Surplus Fund proceeds, or otherwise.

Section 5.04. Expense Fund. The Trustee shall deposit in the Expense Fund the amount referred to in Section 5.01(c)(ii). Amounts on deposit in the Expense Fund shall be used to pay

the Third Party Fees as and when the same become due. In the Loan Agreement, the Borrower has agreed to pay directly to the City or the Trustee any extraordinary fees and expenses of the City or the Trustee, as the case may be, that are not included within the Issuer's Ongoing Fee or the Trustee's Fee and not otherwise paid from the Surplus Fund.

Section 5.05. Costs of Issuance Fund. Amounts in the Costs of Issuance Fund shall be disbursed by the Trustee only to pay Costs of Issuance upon receipt of a written closing memorandum provided to the Trustee by or on behalf of the City on the date of initial execution and delivery of this Indenture and, thereafter, upon receipt of a Written Requisition of the Borrower which Requisition shall state the amount to be paid, the payee and the purpose for such payment. Upon the receipt of written direction from the Borrower indicating all costs of issuance have been paid or the date that is ninety (90) days following the Closing Date, whichever date is later, the Trustee shall transfer all amounts remaining in the Costs of Issuance Fund to the Equity Account of the Construction Fund and shall close the Costs of Issuance Fund.

Section 5.06. Rebate Fund. (a) The Trustee shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Trustee by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(b) Within 15 days after each receipt or transfer of funds to the Rebate Fund in accordance with Section 5.01(c) hereof, the Trustee shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

(c) All payments to the United States of America pursuant to this Section shall be made by the Trustee for the account and in the name of the City and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Trustee by the Borrower or the Rebate Analyst as set forth in the Loan Agreement).

(d) The Trustee shall preserve all statements, forms and explanations received from the Borrower and delivered to the Trustee pursuant to this Section 5.06, and all records of transactions in the Rebate Fund, until six years after the retirement of all of the Bonds.

(e) The Trustee may conclusively rely on the instructions of the Borrower or the Rebate Analyst with regard to any actions to be taken by it pursuant to this Section and shall have no liability for any consequences of any failure of the Borrower or the Rebate Analyst to perform its duties or obligations or to supply accurate or sufficient instructions. Except as specifically provided in Section 5.06(b) above, the Trustee shall have no duty or responsibility with respect to the Rebate Fund or the Borrower's duties and responsibilities with respect thereto except to follow the Borrower's or the Rebate Analyst's specific written instruction related thereto.

(f) If at any time during the term of this Indenture the City, the Trustee or the Borrower desire to take any action which would otherwise be prohibited by the terms of this Section, such person shall be permitted to take such action if it shall first obtain and provide to

the other persons named herein, a Bond Counsel No Adverse Effect Opinion addressed to the Trustee and the City and an opinion of Bond Counsel that such action shall be in compliance with the laws of the State and the terms of this Indenture.

(g) Moneys and securities held by the Trustee in the Rebate Fund shall not be deemed funds of the City and are not pledged or otherwise subject to any security interest in favor of the Owners to secure the Bonds or any other obligations.

(h) Moneys in the Rebate Fund may be separately invested and reinvested by the Trustee, at the request of and as directed in writing by the Borrower, in Investment Securities, subject to the Code. The Trustee shall sell and reduce to cash a sufficient amount of such Investment Securities whenever the cash balance in the Rebate Fund is insufficient for its purposes.

(i) Notwithstanding anything to the contrary in this Indenture, no payment shall be made by the Trustee to the United States if the Borrower shall furnish to the City and the Trustee an opinion of Bond Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Bond Counsel No Adverse Effect Opinion addressed to the City and the Trustee with respect to such withdrawal.

(j) The Trustee shall keep and make available to the City and the Borrower records concerning the investments of all funds held by the Trustee pursuant to this Indenture including date bought and sold, price and commission paid, and bids taken, if any, and shall keep all such records until six years after the date on which no Bonds are Outstanding in order to enable the Borrower or the Rebate Analyst to make the computations required under section 148(f) of the Code.

(k) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.06 need not be made to the extent that neither the City nor the Borrower will thereby fail to comply with any requirements of section 148(f) of the Code based on a Bond Counsel No Adverse Effect Opinion addressed to the City and the Borrower, a copy of which shall be provided to the Trustee.

Section 5.07. Surplus Fund. The Trustee shall disburse all amounts on deposit in the Surplus Fund as provided in Section 5.03. If (i) no amounts remain unpaid to the City, the Trustee or the Servicer pursuant to the Bond Documents and the Servicing Agreement, (ii) the Project has been completed, and (iii) the Bonds have been paid within the meaning of Article X of this Indenture, any funds remaining in the Surplus Fund shall be paid to the Borrower.

Section 5.08. Application of Funds and Accounts Upon Event of Default. Upon the occurrence of an Event of Default, the Trustee shall, unless otherwise directed in a written direction from the Bondholder Representative, apply all moneys in the funds and accounts established under this Indenture pursuant to Section 7.04.

Section 5.09. Remarketing Proceeds Fund. Amounts received from the Remarketing Agent on the Bond Purchase Date pursuant to Section 11.03(d) shall be deposited to the Remarketing Proceeds Fund and shall be used solely to purchase remarketed or deemed remarketed Bonds pursuant to Section 11.03(d).

Section 5.10. Principal Reserve Fund. (a) The Trustee shall deposit into the Principal Reserve Fund all of the monthly payments made by the Borrower in accordance with the Principal Reserve Fund Deposit Schedule (if applicable); provided, however, that such monthly payments may be deferred as such Schedule may be amended in writing by the Borrower and the Bondholder Representative and provided to the Trustee by the Bondholder Representative upon delivery of a Bond Counsel No-Adverse-Effect Opinion. Investment Income earned on amounts on deposit in the Principal Reserve Fund shall be retained in the Principal Reserve Fund.

(b) The Trustee shall pay, apply or transfer amounts on deposit in the Principal Reserve Fund as follows:

(1) if the aggregate amount on deposit in the Principal Reserve Fund on the tenth Business Day of any month is greater than the Principal Reserve Amount, then all amounts on deposit in the Principal Reserve Fund (rounded downward to the nearest minimum Authorized Denomination) in excess of the Principal Reserve Amount shall be applied to the redemption of Bonds pursuant to Section 4.01(e); and

(2) on the Bond Payment Date following receipt by the Trustee of Investment Income on moneys in the Principal Reserve Fund, pay such Investment Income to the Borrower; and

(3) if the aggregate amount on deposit in the Principal Reserve Fund on the tenth day of any month is equal to the principal amount of the Bonds outstanding then all amounts on deposit in the Principal Reserve Fund shall be applied to the redemption of Bonds pursuant to Section 4.01(e); and

(4) with the Written Consent of the Borrower and the Bondholder Representative, disbursed for any other purpose, including disbursement to the Borrower; provided that, upon the occurrence of an Event of Default, no such Written Consent of the Borrower shall be required for the Bondholder Representative to instruct the Trustee to disburse such funds as it so directs to cover any amounts due with respect to the Loan or the Bonds.

The Principal Reserve Fund Deposit Schedule may be revised from time to time by the Written Direction of the Bondholder Representative to reflect an unscheduled redemption of Bonds in part. The Trustee shall conclusively rely on such Written Direction when determining amounts to be redeemed pursuant to Section 4.01(e).

Section 5.11. [intentionally omitted].

Section 5.12. Additional Funds. The Trustee is hereby authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards) received by the Trustee pursuant to the terms hereof or of any of the other Bond Documents.

Section 5.13. Investment of Moneys. (a) Any money held as part of the funds and accounts shall be invested or reinvested by the Trustee solely pursuant to written direction from the Borrower in Investment Securities. The Borrower shall comply with all requirements of the Tax Certificate in directing such investments. All such Investment Securities shall mature or be subject to withdrawal or redemption without discount or penalty prior to the next Bond Payment Date. In addition, following receipt by a Responsible Officer of Written Notice of an Event of Default, Loan Agreement Default or Default, the Trustee shall invest and reinvest the money it holds as part of the funds and accounts in Investment Securities. Except as described below, any investment made with money on deposit in a fund or account shall be held by or under control of the Trustee and shall be deemed at all times a part of the fund or account where such money was on deposit, and the interest and profits realized from such investment shall be credited to such fund or account and any loss resulting from such investment shall be charged to such fund or account. In the absence of the receipt of any investment instructions as provided herein, the Trustee may invest all money under its control in investments described in clause (h) of the definition of Investment Securities. Notwithstanding the foregoing, amounts in the Construction Fund shall be invested in the Investment Agreement, if any.

(b) Any investment of money may be made by the Trustee through its own bond department, investment department or other commercial banking department or affiliate of the Trustee providing investment services. The Trustee, any such department or the Trustee's affiliates may receive reasonable and customary compensation in connection with any investment made under this Indenture.

(c) The Trustee shall have no liability or responsibility for any depreciation of the value of any investment made in accordance with the provisions of this Section or for any loss resulting from such investment or redemption, sale or maturity thereof, except to the extent any such loss has been caused by the negligence or misconduct of the Trustee.

(d) Unless otherwise confirmed in writing, an account statement delivered by the Trustee to the Borrower shall be deemed written confirmation by said party that the investment transactions identified therein accurately reflect the investment directions given to the Trustee by said party, unless said party notifies the Trustee in writing to the contrary within thirty (30) days of the date of receipt of such statement.

(e) The City (and the Borrower by virtue of its execution of the Loan Agreement) acknowledges that to the extent regulations of the Office of the Comptroller of the Currency or other applicable regulatory entity grant the City or the Borrower the right to receive brokerage confirmations of security transactions as they occur, the City and the Borrower specifically waive receipt of such confirmations to the extent permitted by law. The Trustee will furnish to the City, the Bondholder Representative and the Borrower periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

(f) Except as otherwise provided in subsection (g) of this Section, the City and the Borrower (by virtue of their execution of the Loan Agreement) covenant that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

(g) The City acknowledges (and the Borrower by virtue of its execution of the Loan Agreement) that investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in any reserve fund shall be valued at their present value (within the meaning of Section 148 of the Code).

(h) The Trustee shall be entitled to assume, absent receipt by the Trustee of written notice to the contrary, that any investment which at the time of purchase is an Investment Security remains an Investment Security. The Trustee may transfer investments from any fund or account to any other fund or account in lieu of cash when a transfer is required or permitted by the provisions of this Indenture.

Section 5.14. Assignment to Trustee; Enforcement of Obligations. The City hereby transfers, assigns and sets over to the Trustee, for the benefit of the Bondowner, and the Trustee hereby accepts, the Trust Estate including all rights and privileges the City has under the Loan Agreement and the other Loan Documents (except for the City's rights under Sections 2.3, 2.4, 5.1(d)(ii) and (iv), 5.1(e)(i), 5.1(h), 5.1(i), 6.2, 6.6, 6.11, 6.14, 6.15, 6.16, 6.17, 6.18, 6.19, 6.20, 6.21, 6.22, 6.42, 6.43, 6.44, 6.45, 7.4 and 8.2 of the Loan Agreement and except to amounts payable to the United States of America pursuant to Section 5.1(d)(i) of the Loan Agreement); and any Pledged Revenues which are collected or received by the City shall be deemed to be held, and to have been collected or received, by the City as the agent of the Trustee, and shall forthwith be paid by the City to the Trustee.

Upon the occurrence of an Event of Default, the Trustee shall proceed as provided in Article VII hereof.

Section 5.15. Swap or Cap Agreements. The Trustee shall only accept a Cap Agreement or Swap Agreement at the written direction of the Bondholder Representative. In the event the Trustee does not receive a subsequent Swap Agreement or Cap Agreement three (3) Business Days prior to expiration of the then current Swap Agreement or Cap Agreement, held by the Trustee, the Trustee shall immediately provide written notice to the Bondholder Representative that it has not received a subsequent Swap Agreement or Cap Agreement to be in effect following termination of the current Swap Agreement or Cap Agreement, as applicable.

It is acknowledged that, as of the Closing Date, there will be no Swap Agreement or Cap Agreement..

### COVENANTS OF THE CITY

Section 6.01. Payment of Principal and Interest. The City shall punctually pay, but only out of Pledged Revenues as herein provided, the Bond Obligations at the times and places and in the manner provided herein and in the Bonds, according to the true intent and meaning thereof. When and as paid in full, the Bonds shall be delivered to the Trustee and shall forthwith be destroyed by the Trustee.

Section 6.02. Preservation of Revenues; Amendment of Documents. The City shall not take any action to interfere with or impair the pledge and assignment hereunder of Pledged Revenues and the assignment to the Trustee of the Trust Estate, or the Trustee's enforcement of any rights hereunder or thereunder, shall not take any action to impair the validity or enforceability of the Loan Agreement, the Deed of Trust or the other Loan Documents, and shall not waive any of its rights under or any other provision of or permit any amendment of the Loan Agreement, the Deed of Trust or the other Loan Documents, without the prior written consent of the Bondholder Representative.

Section 6.03. Compliance with Indenture. The City shall not issue, or permit to be issued, any Bonds secured or payable in any manner out of Pledged Revenues other than in accordance with the provisions of this Indenture; it being understood that the City reserves the right to issue obligations payable from and secured by sources other than the Pledged Revenues and the Trust Estate assigned herein. The City shall faithfully observe and perform all the covenants, conditions and requirements hereof applicable to the City. So long as any Bonds are Outstanding, the City shall not create any pledge, lien or charge of any type whatsoever upon all or any part of the Pledged Revenues or the Trust Estate, other than the lien of this Indenture.

Section 6.04. Further Assurances. Whenever and so often as requested so to do by the Trustee, the City, at the expense of the Borrower, shall promptly execute and deliver or cause to be executed and delivered all such other and further instruments, documents or assurances, and promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the Bondholders all of the rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Indenture and to perfect and maintain as perfected such rights, interests, powers, benefits, privileges and advantages.

Section 6.05. No Arbitrage. The City shall not take, nor knowingly permit nor suffer to be taken by the Trustee or otherwise, any action with respect to the Gross Proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of the issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code and Regulations promulgated thereunder.

Section 6.06. Limitation of Expenditure of Proceeds. To the best knowledge of the City, not less than ninety-five percent (95%) of the amount advanced as the purchase price of the Bonds, plus premium (if any) paid on the purchase of the Bonds by the Bond Purchaser, less

original issue discount, will be used for Qualified Project Costs and less than twenty-five percent (25%) of such amount will be used for land or an interest in land.

Section 6.07. Rebate of Excess Investment Earnings to United States. The City hereby covenants to cause the Borrower (solely by the inclusion of Sections 5.1(d)(i) and 6.17(i) in the Loan Agreement) to calculate or cause to be calculated excess investment earnings to the extent required by Section 148(f) of the Code and the Borrower shall cause payment of an amount equal to excess investment earnings to the United States in accordance with the Regulations, all at the sole expense of the Borrower.

Section 6.08. Limitation on Issuance Costs. To the best knowledge of the City, an amount not in excess of two percent (2%) of the amount advanced as the purchase price of the Bonds will be used to pay for, or provide for the payment of, Issuance Costs.

Section 6.09. Federal Guarantee Prohibition. The City shall take no action if the result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of the Code.

Section 6.10. Prohibited Facilities. To the best knowledge of the City, no portion of the proceeds of the Bonds will be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. To the best knowledge of the City, no portion of the proceeds of the Bonds will be used for an office unless the office is located on the premises of the facilities constituting the Project and unless not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

Section 6.11. Use Covenant. The City shall not use any proceeds of Bonds or any other funds of the City, directly or indirectly, in any manner, and shall not take any other action or actions, which would result in any of the Bonds being treated as an obligation not described in Section 142(d) of the Code by reason of the Bonds not meeting the requirements of Section 142(d) of the Code.

Section 6.12. Status of City. The City is a municipal corporation duly organized, validly existing and in good standing under the laws of the State of California, has the power and authority to (a) enter into the Bond Documents to which it is a party and the transactions contemplated thereby, (b) issue the Bonds to finance the Project, and (c) carry out its other obligations under this Indenture and the Bonds, and by proper action has duly authorized the City's execution and delivery of, and its performance under, such Bond Documents and all other agreements and instruments relating thereto.

Section 6.13. No Default by City. The City is not in default under or in violation of, and the execution and delivery of the Bond Documents to which it is a party and its compliance with the terms and conditions thereof will not conflict or constitute a default under or a violation of, (a) the Act, (b) to its knowledge, any other existing laws, rules, regulations, judgments, decrees and orders applicable to it, or (c) to its knowledge, the provisions of any agreements and instruments to which the City is a party, a default under or violation of which

would prevent it from issuing and selling the Bonds, financing the Project, executing and delivering the Bond Documents to which it is a party or consummating the transactions contemplated thereby, and, to its knowledge, no event has occurred and is continuing under the provisions of any such agreement or instrument or otherwise that with the lapse of time or the giving of notice, or both, would constitute such a default or violation (it being understood, however, that the City is making no representations as to the necessity of registering the Bonds pursuant to any securities laws or complying with any other requirements of securities laws).

Section 6.14. No Known Litigation. To the City's knowledge, no litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending or, to the knowledge of the City, threatened against the City with respect to (a) the organization and existence of the City, (b) its authority to execute or deliver the Bond Documents to which it is a party, (c) the validity or enforceability of any such Bond Documents or the transactions contemplated thereby, (d) the title of any officer of the City who executed such Bond Documents or (e) any authority or proceedings relating to the execution and delivery of such Bond Documents on behalf of the City, and no such authority or proceedings have been repealed, revoked, rescinded or amended but are in full force and effect.

Section 6.15. Private Activity Bond Allocation. The California Debt Limit Allocation Committee has provided an allocation of the State's 2015, 2016 and 2017 private activity bond volume cap under section 146 of the Code to the City for the Bonds, the City has timely made any required carry forward election with respect to such allocation, and the City will comply with the requirements of the Code with respect to such allocation. The City hereby elects to apply the alternative option under clause (2) of the first paragraph of Section 3.01 of IRS Notice 2011-63 with respect to the issue date of the Bonds; and, in connection therewith, has directed Bond Counsel to include the information on Form 8038 filed for the Bonds that is required by section 3.03 of said Notice.

Section 6.16. Immunities and Limitations of Responsibility of City.

(a) The City shall be entitled to the advice of counsel (who, except as otherwise provided, may be counsel for any Bondholder), and the City shall be wholly protected as to action taken or omitted in good faith in reliance on such advice. The City may rely conclusively on any communication or other document furnished to it hereunder and reasonably believed by it to be genuine. The City shall not be liable for any action (a) taken by it in good faith and reasonably believed by it to be within its discretion or powers hereunder, or (b) in good faith omitted to be taken by it because such action was reasonably believed to be beyond its discretion or powers hereunder, or (c) taken by it pursuant to any direction or instruction by which it is governed hereunder, or (d) omitted to be taken by it by reason of the lack of any direction or instruction required hereby for such action; nor shall it be responsible for the consequences of any error of judgment reasonably made by it. The City shall in no event be liable for the application or misapplication of funds or for other acts or defaults by any person, except its own officers and employees. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof. The City shall not be required to take any remedial action (other than the giving of notice) unless indemnity in a form acceptable to the City is furnished for any expense or liability to be incurred in connection with such remedial action, other than liability

for failure to meet the standards set forth in this Section 6.12. The City shall be entitled to reimbursement from the Borrower for their expenses reasonably incurred or advances reasonably made, with interest at the rate of interest on the Bonds, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No permissive right or power to act which the City may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power.

(b) In furtherance of the covenants in Sections 6.05, 6.06, 6.07, 6.08, 6.09, 6.10, 6.11 and 6.15 hereof, the City, the Trustee and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Indenture and made a part of this Indenture as if set forth in this Indenture in full. In the event of a conflict between the terms of this Indenture and the Tax Certificate, the terms of the Tax Certificate shall control. In making the representations and agreements set forth in Sections 6.05, 6.06, 6.08, 6.09, 6.10 and 6.11, the City is relying solely upon the representations and warranties of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate. A default by the Borrower in any of its covenants, representations and agreements in the Loan Agreement, Regulatory Agreement or Tax Certificate upon which the City is relying in the various sections of this Article VI shall not be considered a default hereunder by the City.

(c) The Borrower has agreed to indemnify the City and the Trustee against certain acts and events as set forth in Section 8 of the Regulatory Agreement and Section 6.15 of the Loan Agreement. Such indemnities shall survive payment of the Bonds and discharge of the Indenture.

THE CITY MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE SALE OF THE BONDS OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

## ARTICLE VII

### DEFAULT

Section 7.01. Events of Default. Any one or more of the following shall constitute an event of default (an "Event of Default") under this Indenture (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) If any Senior Bonds are Outstanding, a default in the payment of any interest upon the Senior Bonds when such interest becomes due and payable; or

(b) If any Senior Bonds are Outstanding, a default in the payment of principal of, or premium on, the Senior Bonds when such Senior Bond principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory redemption, purchase or otherwise; or

(c) After no Senior Bonds remain Outstanding, a default in the payment of any interest upon the Subordinate Bonds when such interest becomes due and payable; or

(d) After no Senior Bonds remain Outstanding, a default in the payment of principal of, or premium on, the Subordinate Bonds when such Subordinate Bond principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for redemption, purchase or otherwise; or

(e) Default in the performance or breach of any material covenant or warranty of the City in this Indenture (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of thirty (30) days after there has been given written notice, as provided in Section 12.06, to the City and the Borrower by the Trustee or to the City, the Borrower and the Trustee, by the Bondholder Representative, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under this Indenture; provided that, so long as the City has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the City is diligently pursuing such cure to the Trustee's satisfaction, with the Bondholder Representative's Written Direction or Written Consent, then the City shall have an additional period of time as reasonably necessary (not to exceed thirty (30) days unless extended in writing by the Bondholder Representative) within which to cure such default; or

(f) A failure to pay any Third Party Fees after the thirtieth (30th) day after written notice of the failure to pay; or

(g) Receipt by the Trustee of a written notice from a Credit Facility Provider that a default or event of default has occurred and is continuing under the Reimbursement Agreement; or

(h) Failure of a Credit Facility Provider to honor any drawing in accordance with the terms of the Credit Facility; or

(i) A Credit Facility Provider shall (i) commence a proceeding under any federal or state insolvency, reorganization or similar law, or have such a proceeding commenced against it and either have an order of insolvency or reorganization entered against it or have the proceeding remain undismissed and unstayed for 90 days and such Credit Facility Provider is not replaced in such 90 day period; or (ii) have a receiver, conservator, liquidator or trustee appointed for it or for the whole or any substantial part of its property and such Credit Facility Provider is not replaced in a reasonable time thereafter; or

(j) Any other "Default" or "Event of Default" under any of the other Bond Documents (taking into account any applicable grace periods therein), other than the Continuing Disclosure Agreement.

The Trustee will promptly notify the City, the Borrower, the Servicer and the Bondholder Representative after a Responsible Officer obtains actual knowledge of the occurrence of an Event of Default.

Section 7.02. Acceleration of Maturity; Rescission and Annulment. (a) Subject to the provisions of Section 7.11, upon the occurrence of an Event of Default under Section 7.01, then and in every such case, the Trustee may (but only with the Written Consent of the Bondholder Representative) and, at the Written Direction of the Bondholder Representative, the Trustee shall declare the principal of all the Bonds and the interest accrued to be immediately due and payable, by notice to the City and the Borrower and upon any such declaration, all principal of and prepayment premium, if any, and interest on the Bonds shall become immediately due and payable.

(b) At any time after such a declaration of acceleration has been made pursuant to subsection (a), the Bondholder Representative (if it gave Written Consent or written direction pursuant to Section 7.02(a)) may by Written Notice to the City, the Borrower and the Trustee, rescind and annul such declaration and its consequences if:

(i) There has been deposited with the Trustee a sum sufficient to pay (1) all overdue installments of interest on the Bonds, (2) the principal of and redemption premium on the Bonds that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Bonds, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Bonds, (4) all sums paid or advanced by the Bondholder Representative and the reasonable compensation, expenses, disbursements and advances of the Bondholder Representative, its agents and counsel (but only to the extent not duplicative with subclauses (1)-(3) above), and (5) any

amounts owing to the City under any of the Bond Documents and any past due Third Party Fees have been paid in full;

(ii) All Events of Default, other than the non-payment of the principal of the Bonds which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 7.11; and

(iii) A Swap Agreement or Cap Agreement complying with the provisions of the Loan Agreement is in effect.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Trustee shall pursue no remedies against the Borrower, the Project or the Construction Fund if no Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Loan Agreement Default.

Section 7.03. Additional Remedies; Bondholder Representative Enforcement.

(a) Upon the occurrence of an Event of Default, the Trustee may, subject to the provisions of this Section 7.03 and the last paragraph of Section 7.12, proceed to protect and enforce its rights and the rights of the Bondholders by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Indenture upon or remedy reserved to the Trustee or to the Bondholders is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Bondholder Representative may proceed forthwith to protect and enforce its rights and the rights of the Bondholders, the Bonds and this Indenture by such suits, actions or proceedings as the Bondholder Representative, in its sole discretion, shall deem expedient.

(c) Notwithstanding anything to the contrary contained in this Indenture, the Trustee shall not exercise any of its rights or remedies under this Article VII or otherwise hereunder or under any of the other Bond Documents as a result of the occurrence of an Event of Default hereunder unless and until instructed by Written Direction to do so by the Bondholder Representative. The Trustee shall in such event exercise such rights and remedies as so instructed by the Bondholder Representative (if it gave Written Direction to the Trustee pursuant to this Section 7.03(c)); provided, that before taking any action requested by the Bondholder Representative (except for acceleration of the Bonds), the Trustee may require reasonably satisfactory security or an indemnity bond reasonably satisfactory to it from the Bondholder Representative for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its own negligence or willful misconduct by reason of any such action so taken.

(d) Whether or not an Event of Default has occurred, any and all consents and approvals of the Trustee required under the Deed of Trust, the Note or any other Bond Document shall be given only with the prior Written Consent of the Bondholder Representative, in its sole discretion.

(e) Whether or not an Event of Default has occurred, and except as provided in subsections 7.03(f) and (g), the Bondholder Representative, in its sole discretion, shall have the sole right to direct the Trustee to waive or forebear any term, condition, covenant or agreement of the Deed of Trust, the Loan Agreement, the Note or any other Bond Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the Bonds, and provided that the City may enforce specific performance with respect to the Reserved Rights.

(f) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such Default remains uncured for a period of 60 days after the Borrower and the Bondholder Representative receive Written Notice from the Trustee or the City stating that an Event of Default under the Regulatory Agreement has occurred and specifying the nature of the Event of Default, the Trustee shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder; provided, however, that any such forbearance by the Trustee in the exercise of its remedies under the Bond Documents shall not be construed as a waiver by the Trustee or the Bondholder Representative of any Conditions to Conversion.

(g) If the Borrower defaults in the performance of their obligations under the Loan Agreement to make rebate payments, to comply with continuing disclosure requirements or to make payments to the Trustee owed pursuant to Sections 5.1(d), 6.14 or 6.15 of the Loan Agreement for fees, expenses or indemnification, the Trustee shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 7.12); provided, however, that any such forbearance by the Trustee in the exercise of its remedies under the Bond Documents shall not be construed as a waiver by the Trustee or the Bondholder Representative of any Conditions to Conversion nor a waiver of any of the Trustee's rights.

Section 7.04. Application of Money Collected. Any money received by the Trustee from the Servicer for distribution hereunder shall be applied in the following order, at the date or dates fixed by the Trustee as directed by the Bondholder Representative and, in case of the distribution of such money on account of the Bond Obligations, upon presentation of the Bonds and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

(i) First, the amount of any Issuer's Ongoing Fee, Trustee Fee, Rebate Analyst Fee, and any other amounts due and owing to the City then due and payable under the Bond Documents, except to the extent of any funds then on deposit in the Expense Fund or otherwise held by the Trustee to pay the same;

(ii) Second, any amount due and payable under the Bonds; and

(iii) Third, the payment of the remainder, if any, to the Servicer to be applied according to the Servicing Agreement.

Any money collected by the Trustee pursuant to this Article, and any other sums then held by the Trustee as part of the Trust Estate following an Event of Default hereunder, shall be remitted to the Servicer to be applied in accordance with the Servicing Agreement.

Section 7.05. Remedies vested in Trustee and Bondholder Representative. All rights of action and claims under this Indenture or the Bonds may be prosecuted and enforced by the Trustee without the possession of the Bonds or the production thereof in any proceeding relating thereto. Subject to the rights of the Bondholder Representative to direct proceedings hereunder, any such proceeding instituted by the Trustee shall be brought in its own name as Trustee of an express trust. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the benefit of the Bondholders, in respect of whom such judgment has been recovered, subject to the provisions of Section 7.04.

Section 7.06. Limitation on Suits; Rights of Bondholders. Subject to the provisions of Section 7.12 of this Indenture and to rights specifically given to the Bondholder Representative, no Bondholder shall have any right to institute any proceeding, judicial or otherwise, under or with respect to this Indenture, or for the appointment of a receiver or Trustee or for any other remedy hereunder, unless:

(i) Such Bondholder previously has given Written Notice to the Trustee of a continuing Event of Default;

(ii) Such Bondholder shall have made Written Request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(iii) Such Bondholder (either alone or together with other Bondholders) has offered to the Trustee in writing reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; and the Trustee has thereafter failed or refused to exercise remedies hereunder; and

(iv) No remedies have been exercised by either the Bondholder Representative or the Trustee for a period of sixty (60) days from the date the Bondholder provided reasonable indemnity pursuant to clause (iii) above.

Section 7.07. Unconditional Right of Bondholders to Receive Principal, Premium and Interest. Notwithstanding any other provision in this Indenture, other than those set forth in Article III, to the contrary, the Bondholders shall have the right which is absolute and unconditional to receive payment of the Bond Obligations when due and, subject to Section 7.06, to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the Written Consent of all of the Bondholders.

Section 7.08. Restoration of Positions. If the Trustee, the Bondholder Representative or any of the Bondholders shall have instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, the Bondholder Representative or to the Bondholders, then and in every such case the City, the Trustee, the Bondholder Representative and the Bondholders shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the City, the Trustee, the Bondholder Representative and the Bondholders shall continue as though no such proceeding had been instituted.

Section 7.09. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee, the Bondholder Representative or the Bondholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 7.10. Delay or Omission Not Waiver. No delay or omission of the Trustee, the Bondholder Representative or of the Bondholders to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee, the Bondholder Representative or the Bondholders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, the Bondholder Representative or by the Bondholders, as the case may be. No waiver of any default or Event of Default pursuant to Section 7.11, whether by the Trustee, the Bondholder Representative or the Bondholders, shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 7.11. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Trustee, the Bondholder Representative (or, in the event of a monetary default, all of the Bondholders) may, subject to Section 7.06, by Written Notice to the Trustee, the City and the Borrower, waive any past default hereunder or under the Loan Agreement and its consequences except for default in obligations due the City pursuant to or under the Unassigned City's Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture and the Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 7.12. Remedies Under Loan Agreement or Note. As set forth in this Section 7.12 but subject to the last paragraph of this Section 7.12, the Trustee, at the Written Direction of the Bondholder Representative, shall have the right, in its own name or on behalf of the City, to declare any default and exercise any remedies under the Loan Agreement or the Note, whether or not the Bonds have been accelerated or declared due and payable by reason of an Event of Default. Any money collected by the Trustee pursuant to the exercise of any remedies under the Loan Agreement or the Note shall be applied as provided in Section 7.04.

If an Event of Default has occurred and is continuing, the Trustee, at the Written Direction of the Bondholder Representative, shall enforce the Bond Documents and pursue the rights and remedies thereunder whether or not the Bonds have been accelerated or declared due and payable.

Notwithstanding anything to the contrary contained in this Indenture, the Trustee shall not exercise any of its rights or remedies under the Loan Agreement, the Note or any of the other Bond Documents as a result of the occurrence of a Loan Agreement Default, or an Event of Default under the Deed of Trust or any default or event of default under any of the other Bond Documents and the expiration of the applicable grace period or notice and cure period, if any, specified therein, unless and until instructed to do so in writing by the Bondholder Representative. The Trustee shall in such event exercise such rights and remedies as so instructed by the Bondholder Representative; provided that the Bondholder Representative shall have offered to the Trustee in writing indemnity reasonably satisfactory to the Trustee against the costs and expenses to be incurred by the Trustee in compliance with any such instructions, provided, however, such indemnity need not protect the Trustee against losses caused by the Trustee's negligence or willful misconduct.

Section 7.13. Waiver of Appraisalment and Other Laws. (a) To the extent permitted by law, the City will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisalment, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Indenture; and the City, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The City, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Trust Estate marshaled upon any enforcement hereof.

(b) If any law in this Section referred to and now in force, of which the City or its successor or successors might take advantage despite this Section, shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section.

Section 7.14. Suits to Protect the Trust Estate. Subject to the provisions of Section 7.12, the Trustee, at the Written Direction of the Bondholder Representative, shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Trust Estate by any acts that may be unlawful or in violation of this Indenture and to protect its interests and the interests of the Bondholders in the Trust Estate and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Bondholders or the Trustee.

Section 7.15. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling

in the premises and to be limited to the extent necessary so that they will not render this Indenture invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 7.16. Assumption of Obligations. In the event that the Trustee, the Bondholder Representative, the Bondholders or its respective assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall have the right, to be exercised in its sole discretion, to succeed to the rights and the obligations of the Borrower under the Loan Agreement, the Note, the Regulatory Agreement and any other Bond Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

Section 7.17. Limitation of Liability to Pledged Revenues. Notwithstanding anything herein or in any other instrument to the contrary, the City shall not be required to advance any moneys derived from the proceeds of taxes collected by the City, by the State or by any political subdivision thereof or from any source of income of any of the foregoing other than the Pledged Revenues for any of the purposes mentioned in this Indenture, whether for the payment of the Bond Obligations or for any other purpose of this Indenture. The Bonds are limited obligations of the City, and are payable from and secured by the Pledged Revenues and the Trust Estate only.

## ARTICLE VIII

### THE TRUSTEE AND AGENTS

Section 8.01. Duties, Immunities and Liabilities of Trustee. In consideration of the recitals hereinabove set forth and for other valuable consideration, the City hereby agrees to employ the Trustee to receive, hold, invest and disburse the moneys received pursuant to the Loan Agreement for credit to the various funds and accounts established by this Indenture; to execute, deliver and transfer the Bonds; and to apply and disburse the payments received from the Borrower pursuant to the Loan Agreement to the Owners of Bonds; and to perform certain other functions; all as herein provided and subject to the terms and conditions of this Indenture. The Trustee shall perform such duties and only such duties as are specifically set forth in this Indenture and no additional covenants or duties of the Trustee shall be implied in this Indenture.

Subject to its rights to indemnification pursuant to Section 8.06, the Trustee is directed to enter into the Loan Documents to which it is a party and other related documents, solely in its capacity as Trustee.

The Trustee, on behalf of the City, may (but shall not be required or obligated) perform and observe any such agreement or covenant of the City under the Loan Agreement, all to the end that the City's rights under the Loan Agreement may be unimpaired and free from default.

The Trustee shall keep and maintain adequate records pertaining to the funds and accounts established hereunder, including all deposits to and disbursements from said funds and accounts. The Trustee shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Bonds, subject to the inspection of the Borrower, the City, the Bondholder Representative, the Servicer and their representatives at all reasonable times and upon reasonable prior notice.

The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as reasonable persons familiar with such matters would exercise or use under similar circumstances in the conduct of their own affairs.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action or its own negligent failure to act, except that:

(a) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee conforming to the requirements of this Indenture;

(b) At all times (1) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or officers or by any agent or attorney of the Trustee appointed with due care unless (except as otherwise provided in Section 8.02(e)) the Trustee was negligent in ascertaining the pertinent facts; and (2) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the City, accompanied by an opinion of Bond Counsel as provided herein or in accordance with the directions of the holders of not less than a majority, or such other percentage as may be required hereunder, in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture;

(c) The Trustee shall not be required to take notice or be deemed to have notice of (i) any default hereunder or under the Loan Agreement, except defaults under Section 7.01(a), (b), (c) or (d) hereof, unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the City or the owners of at least a majority in aggregate principal amount of all Bonds then Outstanding, or (ii) any default under the Regulatory Agreement unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the City;

Upon the occurrence of any Event of Default hereunder and provided that a responsible officer of the Trustee is aware of or has received Written Notice of the existence of such default, promptly, and in any event within fifteen (15) days, with respect to the City, the Borrower, the Servicer, the Bondholder Representative and within thirty (30) days with respect to any other Bondholder, the Trustee shall transmit to the City, the Bondholder Representative, the Borrower, the Investor Limited Partner and the Servicer in the manner and at the addresses for notices set forth in Section 12.06 and by mail to the Bondholders as their names and addresses appear in the Bond Register, notice of such Event of Default hereunder known to the Trustee pursuant to Section 8.01(c), unless such Event of Default shall have been cured or waived.

(d) Before taking any action under Article VII hereof or this Section 8.01 at the request or direction of the Bondholders, the Trustee may require that a satisfactory indemnity bond be furnished by the Bondholders, for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken;

(e) Upon any application or request by the City or the Bondowner to the Trustee to take any action under any provision of this Indenture, the City or Bondowner, as applicable, shall furnish to the Trustee a certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, and an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished;

(f) The Trustee may execute any of the powers hereunder or perform any duties hereunder either directly or through agents or attorneys;

(g) Neither the City nor the Borrower shall be deemed to be agents of the Trustee for any purpose, and the Trustee shall not be liable for any noncompliance of any of them in connection with their respective duties hereunder or in connection with the transactions contemplated hereby;

(h) The Trustee shall be entitled to rely upon telephonic notice for all purposes whatsoever so long as the Trustee reasonably believes such telephonic notice has been given by a person authorized to give such notice;

(i) The immunities extended to the Trustee also extend to its directors, officers and employees;

(j) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds, it being the obligation of the Trustee to administer, for the benefit of the Bondholders, the various funds and accounts established hereunder;

(k) No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy;

(l) The Trustee shall not be liable for any action taken or not taken by it in accordance with the direction of the Bondowner related to the exercise of any right, power or remedy available to the Trustee; and

(m) The Trustee shall have no duty to review any financial statements or budgets filed with it by the Borrower under the Loan Agreement.

(n) The Trustee acknowledges that Borrower has an obligation to pay certain fees to the City pursuant to Section 19 of the Regulatory Agreement. The Trustee further acknowledges that in order to preserve the tax-exempt status of the Bonds, the Borrower must comply with requirements for rebate of excess investment earnings to the federal government to the extent applicable. The Trustee agrees to send the Borrower a notification or reminder, with a copy to the City, of: (1) the Borrower's payment obligations under clause (ii) of the second paragraph of Section 19 of the Regulatory Agreement by [October] 1 of each year, commencing [October] 1, 2018, and ending on the earlier of the date on which the Bonds are paid or redeemed in full, and (2) the Borrower's obligation to rebate excess investment earnings by the date which is sixty (60) days after the earlier of the Bond maturity date or date the Bonds are paid in full, said notice to be given by the Trustee on the earlier of the maturity date or date of payment in full of the Bonds. However, in no event shall the Trustee be liable to the City, the Bondowner or the Borrower for the failure to so notify or remind the Borrower.

(o) Without limiting the duties of the Trustee expressly set forth in this Indenture, the Trustee shall have no obligation or responsibility whatsoever in connection with (i) any federal or state tax-exempt status of the Bonds or the interest thereon; (ii) the consequences of investment or non-investment of any funds or accounts relating to the Bonds under Section 148 of the Code; (iii) the calculation of any amount required to be rebated to the United States under Section 148 of the Code; or (iv) compliance by the City or the Borrower with the provisions of the Tax Certificate.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties as Trustee or in the exercise of any of its rights or powers as Trustee. Whether or not therein expressly so provided, every provision of this Indenture, the Loan Agreement, the Regulatory Agreement or any other document relating to the conduct, powers or duties of, or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Article VIII.

Section 8.02. Right of Trustee to Rely Upon Documents, Etc. Except as otherwise provided in Section 8.01:

(a) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond or other paper or document reasonably believed by it to be genuine and to have been signed and presented by the proper party or parties;

(b) Any consent, demand, direction, election, notice, order or request of the City mentioned herein shall be sufficiently evidenced by a Written Consent, Written Demand, Written Direction, Written Election, Written Notice, Written Order or Written Request of the City, and any resolution of the City may be evidenced to the Trustee by a Certified Resolution;

(c) The Trustee may consult with counsel (who may be counsel for the City, counsel for the Trustee or Bond Counsel) and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel;

(d) Whenever in the administration of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a Certificate of the City; and such Certificate of the City shall, in the absence of negligence or bad faith on the part of the Trustee, be full warrant to the Trustee for any action taken or suffered by it under the provisions of this Indenture upon the faith thereof; and

(e) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document,

but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.

Section 8.03. Trustee Not Responsible for Recitals. The recitals contained herein and in the Bonds shall be taken as the statements of the City, and the Trustee assumes no responsibility for the correctness of the same or for the correctness of the recitals in the Loan Agreement or the Regulatory Agreement. The Trustee shall have no responsibility with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the Bonds. The Trustee makes no representations as to the value or condition of any assets pledged or assigned as security for the Bonds, or as to the right, title or interest of the City therein, or as to the security provided thereby or by this Indenture, the Loan Agreement, the Deed of Trust or the other Loan Documents, or as to the compliance of the Project with the Act, or as to the tax-exempt status of the Bonds, or as to the technical or financial feasibility of the Project, or as to the validity or sufficiency of this Indenture as an instrument of the City or of the Bonds as obligations of the City. The Trustee shall not be accountable for the use or application by the City of any of the Bonds authenticated or delivered hereunder or of the use or application of the proceeds of such Bonds by the City or the Borrower or their agents.

Section 8.04. Intervention by Trustee. The Trustee may intervene on behalf of the owners of the Bonds in any judicial proceeding to which the City is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of owners of the Bonds and, subject to the provisions of Section 8.01(d), but shall do so only if requested in writing by the Bondowners.

Section 8.05. Moneys Received by Trustee to be Held in Trust. All moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law or as otherwise provided herein. The Trustee shall be under no liability for interest on any moneys received by it hereunder except such as it may agree with the City to pay thereon.

Section 8.06. Compensation and Indemnification of Trustee and Agents.

(a) The Trustee shall be entitled to receive compensation from the Borrower for its services as Trustee, as provided in Section 5.1(j) of the Loan Agreement, and shall be indemnified by the Borrower as provided in Section 6.15 of the Loan Agreement and Section 8 of the Regulatory Agreement. The Trustee acknowledges and agrees that, unless otherwise specifically agreed to in writing by the City (in the City's sole and absolute discretion), the City shall not be responsible for the fees and expenses of the Trustee, and is providing no indemnification to the Trustee.

(b) If any property, other than cash, shall at any time be held by the Trustee subject to this Indenture, or any supplemental indenture, as security for the Bonds, the Trustee, if and to the extent authorized by a receivership, bankruptcy or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Indenture as such security for the Bonds, shall be entitled to but not obligated to make advances for the purpose of

preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The rights of the Trustee to compensation for services and to payment or reimbursement for expenses, disbursements, liabilities and advances shall have and is hereby granted a lien and a security interest prior to the Bonds in respect of all property and funds held or collected by the Trustee as such, except funds held in trust by the Trustee in the Bond Fund, which amounts shall be held solely for the benefit of the Bondholders and used only for the payment of principal of and premium, if any, and interest on the Bonds. The Trustee's rights to immunities, indemnities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive the Trustee's resignation or removal and final payment of the Bonds.

Section 8.07. Qualifications of Trustee. There shall at all times be a trustee hereunder, which shall be a corporation, banking association or trust company, in each case having trust powers, doing business and having a principal corporate trust office in California and shall

(a) either (i) have a combined capital and surplus of at least \$100,000,000 and be subject to supervision or examination by federal or state authority, or (ii) be a wholly-owned subsidiary of a bank, trust company or bank holding company meeting on an aggregate basis the tests set out in clause (i); and

(b) be able to comply with the terms and conditions of this Indenture, including, without limitation, Section 8.11 and Exhibit D, and to comply with the terms of the Loan Agreement applicable thereto.

If such corporation, banking association, or trust company publishes reports of conditions at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section 8.07 the combined capital and surplus of such corporation, banking association or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 8.07, the Trustee shall resign immediately in the manner and with the effect specified in Section 8.08(b) below.

Section 8.08. Removal, Resignation and Appointment of Successor Trustee.

(a) *Removal of Trustee.* The City may remove the Trustee at any time, and shall remove the Trustee if at any time requested to do so by an instrument in writing signed by the Bondholder Representative or if at any time the Trustee shall cease to be eligible in accordance with Section 8.07 hereof, or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or any substantial portion thereof or affairs for the purpose of rehabilitation, conservation or liquidation, in each case by giving written notice of such removal to the Trustee and thereupon the City shall appoint a successor Trustee by an instrument in writing. Any successor Trustee appointed by the City under Section 8.08(c) of this Indenture shall be subject to the approval of the Bondholder Representative, which approval shall not unreasonably be withheld or delayed.

(b) *Resignation of Trustee.* The Trustee may at any time resign by giving written notice of such resignation by first class mail, postage prepaid, to the City, the Bondholder Representative, the Borrower, the Bondowners and to the Servicer. Upon receiving such notice of resignation, the City shall appoint a successor Trustee by an instrument in writing. The Trustee shall not be relieved of its duties until such successor Trustee has accepted appointment, other than pursuant to court order.

(c) *Appointment of Successor Trustee.* Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon the acceptance of appointment of the successor Trustee; provided, however, that under any circumstances the successor Trustee shall be qualified as provided in subsection (a) of this Section 8.08. If no qualified successor Trustee shall have been appointed and have accepted appointment within forty-five (45) calendar days following giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or the Bondholder may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the City and its predecessor Trustee a written acceptance thereof, and to the predecessor Trustee an instrument indemnifying the predecessor Trustee for any costs or claims arising during the time the successor Trustee serves as Trustee hereunder, and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the written request of the City or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance, including a quitclaim deed, and further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trust and conditions herein set forth. Upon request of the successor Trustee, the City shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the successor Trustee shall mail, by first class mail, postage prepaid, a notice of the succession of such Trustee to the trusts hereunder to the Bondholders at the addresses shown on the registration books.

Section 8.09. Merger or Consolidation of Trustee. Any corporation or association into which the Trustee may be merged or with which it may be consolidated, or any corporation or association resulting from any merger or consolidation to which the Trustee shall be a party, or any corporation or association succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided that such successor Trustee shall be eligible under the provisions of the first sentence of Section 8.07.

Section 8.10. Paying Agents. The Trustee, with the written approval of the City and the Bondowner, may appoint and at all times have one or more paying agents in such place or places as the Trustee may designate, for the payment of the principal of, and the interest (and premium, if any) on, the Bonds. It shall be the duty of the Trustee to make such arrangements with any such paying agent as may be necessary and feasible to assure, to the extent of the moneys held by the Trustee for such payment, the availability of funds for the prompt payment of the principal of and interest and premium, if any, on the Bonds presented at either place of payment. The paying agent initially appointed hereunder is the Trustee.

Section 8.11. City Contracting Provisions. The Trustee covenants and agrees to comply with the provisions set forth in Exhibit D to this Indenture.

Section 8.12. Requirements for Bondholder Representative Consent and Instruction to the Trustee. Notwithstanding anything to the contrary contained herein or in any of the other Bond Documents, except the provisions of Article IX hereof regarding the consent or approval of Bondholders to any supplement or amendment to this Indenture, the Loan Agreement, the Note or to any of the other Bond Documents, the following provisions shall govern and control with respect to any consents, determinations, elections, approvals, waivers, acceptances, satisfactions or expression of opinion of or the taking of any discretionary act or the giving of any instructions or the taking of actions by the Bondholder Representative or the other Bondholders hereunder or under any of the other Bond Documents.

(a) The City and Trustee acknowledge that, concurrently with the issuance of the Bonds, the Bond Purchaser has designated the Person identified in the definition of "Bondholder Representative" as the initial Bondholder Representative. The Bondholder Representative shall have the authority to bind the Bondholders for all purposes hereunder and under each of the other Bond Documents, including, without limitation, for purposes of exercising the rights of the Bondholder Representative under Section 12.16. The Trustee shall be entitled to rely upon the acts of any such Bondholder Representative as binding upon the Bondholder Representative and the Bondholders.

(b) The Bondholder Representative shall continue to act in such capacity and the Trustee shall continue to rely on the actions of such Bondholder Representative for all purposes hereunder and under each of the Bond Documents until such time as the Holders of a Majority Share designate a new Bondholder Representative.

Section 8.13. Loan Servicing. The City and the Trustee acknowledge that the Bondholder Representative shall have the right to appoint the Servicer to service and administer the Loan as set forth in the Servicing Agreement. The City and the Trustee shall not be responsible for monitoring the performance of the Servicer or for any acts or omissions of the Servicer. The Bondholder Representative may, in its sole discretion, terminate or replace the Servicer.

Section 8.14. Requests From Rating Agency. If the Bonds are at any time rated by a Rating Agency, the Trustee shall promptly, during such time, respond in writing, or in such other manner as may be reasonably requested, to requests from the Rating Agency for information deemed necessary by the Rating Agency in order to maintain the rating assigned thereby to the Bonds. The Trustee shall promptly furnish any such requested information in its

possession to the Rating Agency. During any period the Bonds are rated by a nationally recognized Rating Agency, the Trustee shall provide to any such Rating Agency with Written Notice upon the occurrence of: (a) the resignation or removal of the Trustee; (b) acceptance of appointment as successor Trustee hereunder; (c) the redemption or Mandatory Tender and purchase of all Bonds; (d) a material change in this Indenture or the Loan Agreement; (e) the expiration, termination, reduction, modification or amendment of the Credit Facility; (f) the defeasance in whole of the Bonds; (g) any conversion of Interest Rate Modes; and (h) any declaration by the Trustee of an acceleration of the payment of the principal of and interest on the Bonds pursuant to this Indenture. The Trustee shall also notify any Rating Agency of any material changes to any of the documents to which the Trustee is a party, upon its receipt of written notification of any such changes.

Section 8.15. Concerning the Remarketing Agent. Any Remarketing Agent shall be appointed by the Borrower with the consent of the City and the Credit Facility Provider, if any, or the Bondholder Representative (to the extent there is no Credit Facility Provider), and shall meet the qualifications set forth in this Section and Section 8.16. The Remarketing Agent shall designate to the Trustee its principal office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the City, the Credit Facility Provider, if any, the Borrower and the Trustee. In addition, the Remarketing Agent will agree particularly to:

(a) compute the Weekly Interest Rate, Daily Interest Rate, Term Rate and Fixed Interest Rate, as applicable, and give notices of such computations to the Trustee on each applicable Interest Rate Determination Date, all in accordance with this Indenture; and

(b) keep such records relating to its computations of interest rates for the Bonds as shall be consistent with prudent industry practice and to make such records available for inspection by the City, the Trustee, the Credit Facility Provider, if applicable, and the Borrower at all reasonable times.

The Remarketing Agent shall be entitled to advice of legal counsel on any matter relating to the Remarketing Agent's obligations hereunder and shall be entitled to act upon the opinion of such counsel in the exercise of reasonable care in fulfilling such obligations.

Section 8.16. Qualifications of Remarketing Agent. The Remarketing Agent shall be authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least thirty (30) days' notice of such resignation to the City, the Borrower, the Bondholder Representative, the Credit Facility Provider, if any, and the Trustee. The Remarketing Agent may be removed at any time by the Borrower, with the written consent of the Credit Facility Provider, if any, or, in the absence of a Credit Facility, the Bondholder Representative, which consent shall not be unreasonably withheld. To effect such removal, the Authorized Borrower Representative shall give at least thirty (30) days' notice of such removal to the Remarketing Agent, the City, the Credit Facility Provider, if any, the Bondholder Representative and the Trustee.

Upon any resignation of the Remarketing Agent, the departing Remarketing Agent shall pay over, assign and deliver any money and Bonds held by it in such capacity to its successor or, if there be no successor, to the Trustee.

In the event that the Remarketing Agent shall resign, or be removed or dissolved, or if the property or affairs of the Remarketing Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Borrower (with the consent of the City) shall not have appointed a successor Remarketing Agent, the Trustee, notwithstanding the provisions of the first paragraph of this Section, shall ipso facto be deemed to be the Remarketing Agent until the appointment by the Borrower (with the consent of the City) of a successor Remarketing Agent; however, the Trustee shall not remarket Bonds or fix the interest rate for the Bonds, but shall be required only to implement the purchase of Bonds pursuant to a draw on the Credit Facility as provided for in Section 5.3.

The Trustee, within thirty (30) days of the resignation or removal of the Remarketing Agent or the appointment of a successor Remarketing Agent, shall give notice thereof by registered or certified mail to the Rating Agency, if any, and to the registered Holders of the Bonds.

With respect to the Remarketing Agent, the term its "successors" shall include any entity to which its remarketing trading and sales activities are transferred.

Section 8.17. Tender Agent. (a) The Trustee, with the written consent of the Bondholder Representative, shall appoint the Tender Agent for the Bonds, subject to the conditions set forth in Section 8.18. The Trustee shall initially serve as the Tender Agent. The Tender Agent shall designate to the Trustee its principal office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the City, the Credit Facility Provider, if any, and the Trustee under which the Tender Agent acknowledges its qualifications and authority to act as Tender Agent under this Indenture and agrees, particularly, as follows:

(1) The Tender Agent shall, upon receipt of a tender notice from any Bondholder (or DTC Participant, with respect to a Bond in "book entry only" form), give prompt telephonic notice thereof to the Trustee, the Credit Facility Provider, if any, and the Remarketing Agent, specifying the amount of Bonds to be purchased and the Bond Purchase Date, and shall, not later than the following Business Day, confirm such telephonic notice in writing and deliver to the Remarketing Agent, the Credit Facility Provider and the Trustee and the a copy of such tender notice.

(2) On each Bond Purchase Date, the Tender Agent shall give the Remarketing Agent, the Credit Facility Provider, if any, and the Trustee telephonic notice, confirmed in writing by the following Business Day, of the principal amount of Bonds delivered pursuant to Section 11.01.

(3) The Tender Agent shall hold all Bonds delivered to it pursuant to Section 11.01 in trust for the benefit of the respective Bondholders which shall have so delivered

such Bonds until such Bonds are required by this Indenture to be delivered to the respective purchasers thereof.

(4) The Tender Agent shall cancel all Bonds for which it has received written notice of remarketing from the Remarketing Agent and shall authenticate new Bonds in a like aggregate principal amount in the names and in the denominations set forth in the written notice given to the Tender Agent by the Remarketing Agent pursuant to Section 11.01.

(5) The Tender Agent shall deliver Bonds to the purchasers thereof in accordance with Section 11.03 and shall establish the Bond Purchase Fund under Section 11.03(d). The Tender Agent shall remit the Purchase Price of tendered Bonds to the tendering Bondholders in accordance with Section 11.04.

(6) The Tender Agent shall deliver to the Trustee all tendered Bonds canceled.

(7) The Tender Agent shall keep such books and records as shall be consistent with prudent industry practice and shall make such books and records available for inspection by the City, the Trustee and the Credit Facility Provider at all reasonable times.

(8) The Tender Agent shall send to the Trustee a copy of its transfer journal evidencing all changes in registration of the Bonds within two (2) days of making such changes.

(b) The Tender Agent shall pay to tendering Bondholders the Purchase Price of any Bonds for which it has received a Tender Notice and which have not been remarketed pursuant to Section 11.03, but solely from the sources listed in Section 11.04; and the Tender Agent shall pay to tendering Bondholders the Purchase Price of any Bonds for which it has received a tender notice and which have been remarketed pursuant to Section 11.03, but solely from amounts received from the Remarketing Agent.

Section 8.18. Qualifications of Tender Agent. (a) The Tender Agent shall be a commercial bank, national banking association or trust company with a principal office, or with an affiliate with an office, in New York, New York; provided, however, that the Tender Agent, or an affiliate, shall only be required to have an office in New York, New York when the Bonds are physical, having a capitalization of at least \$10,000,000 and authorized by law to perform all the duties imposed upon it by this Indenture; provided that, in any event, the Trustee may serve as the Tender Agent so long as the Bonds are in "book entry only" form. The Tender Agent shall be an affiliate of the Trustee (unless the Tender Agent is the Trustee), unless the Trustee has no affiliate meeting the requirements of the first sentence of this Section, in which case the selection of the Tender Agent shall be an entity appointed by the Trustee with the written consent of the Credit Facility provider and the Borrower.

(b) The Tender Agent may at any time resign and be discharged by giving at least sixty (60) days' notice to the Trustee, the City, the Borrower, the Credit Facility Provider, if any,

and the Bondholder Representative. The Tender Agent may be removed at any time, with the written consent of the Credit Facility Provider, if any, or in the absence of a Credit Facility, the Bondholder Representative, by an instrument signed by the Trustee and filed with the Tender Agent, the Remarketing Agent and the City.

(c) In the event of the resignation or removal of the Tender Agent, the Tender Agent shall pay over, assign and deliver any moneys and Bonds held by it in such capacity, and shall deliver all books and records relating thereto, to its successor or, if there be no successor, to the Trustee.

(d) In the event that the Trustee shall fail to appoint a Tender Agent hereunder, or in the event that the Tender Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Tender Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Trustee shall not have appointed its successor as Tender Agent, the Trustee, notwithstanding the provisions of the first paragraph of this Section 8.18, shall be deemed to be the Tender Agent for all purposes of this Indenture until the appointment by the Trustee of the Tender Agent or a successor Tender Agent, as the case may be, notwithstanding the fact that the Trustee may not meet the qualifications set forth in the first paragraph of this Section 8.18.

(e) Insofar as such provisions may be applicable, the Tender Agent shall enjoy the same protective provisions in the performance of its duties hereunder as are specified in Sections 8.01 and 8.03 with respect to the Trustee. The Tender Agent shall perform such duties, and only such duties, as are specifically set forth in this Indenture and the Loan Agreement and no implied covenants shall be read into this Indenture or the Loan Agreement against the Tender Agent.

## ARTICLE IX

### MODIFICATION OF INDENTURE; AMENDMENTS TO LOAN AGREEMENT AND BOND DOCUMENTS

Section 9.01. Supplemental Trust Indentures Without Bondholders Consent. The City and the Trustee from time to time may enter into a Supplemental Indenture, without the consent of any Bondholders, but with the consent of the Bondholder Representative and the Borrower (to the extent such Supplemental Indenture materially affects the rights, duties, obligations or other interests of the Borrower and provided that if the Borrower is in default under the Bond Documents or the documents relating to the Loan, no consent of the Borrower shall be required unless such Supplemental Indenture has a material adverse effect on the rights, duties, obligations or other interests of the Borrower) as are necessary or desirable to:

(a) Cure any ambiguity or formal defect or omission or correct or supplement any provision herein that may be inconsistent with any other provision herein;

(b) Grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders or the Trustee;

(c) Amend any of the provisions of this Indenture to the extent required to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes;

(d) Add to the covenants and agreements of the City in this Indenture other covenants and agreements thereafter to be observed by the City or to surrender any right or power herein reserved to or conferred upon the City;

(e) Make any change herein that is required by any Rating Agency in order to obtain a rating by such Rating Agency on the Bonds;

(f) Amend, alter, modify or supplement this Indenture in a manner necessary or desirable in connection with either the use or maintenance of the Book-Entry System for the Bonds, or the issuance of certificated Bonds following the termination of the Book-Entry System for the Bonds;

(g) Make any other change, which is not materially adverse to the interests of the Bondholders;

(h) During a Daily Interest Rate Mode or a Weekly Interest Rate Mode, to modify, alter, amend or supplement this Indenture in any other respect, including amendments which would otherwise be described in Section 9.02, if notice of the proposed supplemental indenture is given to Bondholders (in the same manner as notices of redemption are given) at least fifteen (15) days before the effective date thereof

and, on or before such effective date, the Bondholders have the right to demand purchase of their Bonds pursuant to Section 11.01;

(i) Modify, alter, amend or supplement this Indenture in connection with the delivery of any Credit Facility, or upon the occurrence of any Interest Rate Adjustment Date; or

(j) Implement or modify any secondary market disclosure requirements.

The Trustee will provide the Borrower with at least ten Business Days Written Notice of any proposed Supplemental Indenture. Immediately after the execution of any Supplemental Indenture for any of the purposes of this Section, the Trustee shall cause a notice of the proposed execution of such Supplemental Indenture to be mailed, postage prepaid, to the Bondholders. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the designated Office of the Trustee for inspection by Bondholders. A failure on the part of the Trustee to mail the notice required by this Section shall not affect the validity of such Supplemental Indenture.

Notwithstanding the foregoing or the provisions of Section 9.02, the City and the Trustee may make amendments to Exhibit D hereto at any time, without any requirement for the consent of the Bondholder Representative, the Borrower, the Servicer or the Bondowners thereto.

Section 9.02. Supplemental Trust Indentures With Bondholders' Consent. Except as otherwise provided in Section 9.01, the Bondholder Representative shall have the right, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the City and the Trustee, of each Supplemental Indenture as shall be deemed necessary or desirable by the City, the Borrower or the Bondholder Representative for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any Supplemental Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of the Bondholders of all of the Bonds affected by such Supplemental Indenture, (a) an extension in the payment of any Bond Obligation with respect to any Bond issued hereunder, or (b) a reduction in any Bond Obligation payable under or with respect to any Bond, or the rate of interest on any Bond, or (c) the creation of a lien upon or pledge of the money or other assets pledged to the payment of the Bonds hereunder, or the release of any such assets from the lien of this Indenture, or (d) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture or to any amendment, change or modification to the Bond Documents as provided in this Article IX, or (f) an extension or reduction in the payment of any other amount payable on or in connection with any Bond issued hereunder. Nothing herein contained, however, shall be construed as making necessary the approval of Bondholders (other than the Bondholder Representative) of the execution of any Supplemental Indenture authorized in Section 9.01.

If at any time the City or the Borrower shall request the Trustee to enter into a Supplemental Indenture for any of the purposes of this Section, the Trustee shall, at the expense

of the Borrower, cause notice of the proposed execution of such Supplemental Indenture to be mailed, postage prepaid, to the Bondholders. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the designated Office of the Trustee for inspection by Bondholders. The Trustee shall not, however, be subject to any liability to any Bondholders by reason of its failure to mail the notice required by this Section 9.02, and any such failure shall not affect the validity of such Supplemental Indenture when consented to and approved as provided in this Section.

Whenever, at any time within one year after the date of mailing of such notice, the City delivers to the Trustee an instrument or instruments in writing purporting to be executed by the Bondholder Representative which instrument or instruments shall refer to the proposed Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon but not otherwise, the Trustee may, subject to the provisions of the first paragraph of this Section 9.02, execute such Supplemental Indenture in substantially such form.

Subject to the provisions of the first paragraph of this Section 9.02, if, at the time of the execution of such supplemental trust indenture, the Bondholder Representative shall have consented to and approved the execution thereof as herein provided, no Bondholder shall have any right to object to the execution of such supplemental trust indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the City from executing the same or from taking any action pursuant to the provisions thereof.

Section 9.03. Effect of Supplemental Indenture. Upon the execution of any supplemental indenture pursuant to the provisions of this Article IX, this Indenture shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the City, the Trustee, and all owners of Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.04. Opinion of Counsel as to Supplemental Indenture. Subject to the provisions of Section 8.01 or 8.02, as applicable, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant to the provisions of this Article IX is authorized and permitted by this Indenture.

Section 9.05. Notation of Modification on Bonds; Preparation of New Bonds. Bonds authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article IX may bear a notation, in form approved by the City as to any matter provided for in such supplemental indenture, and if such supplemental indenture shall so provide, new Bonds, so modified as to conform, in the opinion of the City, to any modification of this Indenture contained in any such supplemental indenture, may be prepared and executed by the City and authenticated by the Trustee and delivered without cost to the holders of the Bonds then Outstanding, upon surrender for cancellation of such Bonds in equal aggregate principal amounts.

Section 9.06. Amendments to Loan Agreement and Bond Documents Not Requiring Consent of Bondholders. The City shall not consent to any amendment, change or modification of the Loan Agreement or any other Bond Document (other than this Indenture) without the prior Written Consent of the Trustee, the Borrower and the Bondholder Representative. The City, the Bondholder Representative and the Trustee may, without the consent of or notice to any other Bondholders, but only with the consent of the Borrower, consent to any amendment, change or modification of any of the above-mentioned documents as are necessary or desirable to:

(a) Cure any ambiguity or formal defect or omission, correct or supplement any provision therein;

(b) Grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders or the Trustee;

(c) Amend any of the provisions therein to the extent required to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes;

(d) Add to the covenants and agreements of the City therein other covenants and agreements thereafter to be observed by the City or to surrender any right or power therein reserved to or conferred upon the City;

(e) Make any change that is required by any Rating Agency in order to obtain or maintain a rating by such Rating Agency on the Bonds;

(f) Amend, alter, modify or supplement such document in a manner required in connection with either the use or maintenance of the Book-Entry System for the Bonds, or the issuance of certificated Bonds following the termination of the Book-Entry System for the Bonds;

(g) Make any other change, which is not materially adverse to the interests of the Bondholders of the Bonds;

(h) During a Daily Interest Rate Mode or a Weekly Interest Rate Mode, to modify, alter, amend or supplement the Loan Agreement in any other respect including amendments which would otherwise be described in Section 9.07, if notice of the proposed amendments is given to Bondholders (in the same manner as notices of redemption are given) at least fifteen (15) days before the effective date thereof and, on or before such effective date, the Bondholders have the right to demand purchase of their Bonds pursuant to Section 11.01; or

(i) To modify, alter, amend or supplement the Loan Agreement in connection with the delivery of a Credit Facility to the extent such modification,

alteration, amendment or supplement will not materially adversely affect the interest of the Bondholders, or upon the occurrence of any Interest Rate Adjustment Date.

Section 9.07. Amendments to Loan Agreement and Bond Documents Requiring Consent of Bondholders. Except for the amendments, changes or modifications corresponding to those provided in Section 9.06, neither the City nor the Trustee shall consent to any other amendment, change or modification of the Loan Agreement or the other Bond Documents (other than this Indenture) without the consent of the Bondholder Representative; provided, however, that nothing herein shall permit or be construed as permitting, without the consent of the Bondholders of all of the Bonds, (a) an extension of the time of payment of any amounts payable under the Note, the Loan Agreement or the Bonds, or (b) a reduction in the amount of any payment to be made with respect to the Note, the Loan Agreement, or the Bonds, or the rate of interest on the Note or any Bond, or (c) the creation of a lien upon or pledge of the money or other assets pledged to the payment of the Note, Loan Agreement or the Bonds hereunder, or the release of any such assets from the lien of this Indenture, or (d) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to any such amendment, change or modification as provided herein, or (f) an extension or reduction in the payment of any other amount payable on or in connection with the Note, the Loan Agreement or any Bond issued hereunder. If at any time the City or the Borrower request consent to any such proposed amendment, change or modification of any of such documents, other than an amendment, change, or modification permitted by Section 9.06, the Trustee shall, at the expense of the Borrower, cause notice of such proposed amendment, change or modification to be mailed, postage prepaid, to Bondholders. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the amendment to such document embodying the same are on file at the designated Office of the Trustee for inspection by Bondholders. The Trustee shall not, however, be subject to any liability to any Bondholders by reason of its failure to mail the notice required by this Section, and any such failure shall not affect the validity of such supplement or amendment to such document when consented to and approved as provided in this Section.

Whenever, at any time within one year after the date of mailing such notice, the City delivers to the Trustee an instrument or instruments in writing purporting to be executed by the Bondholder Representative which instrument or instruments shall refer to the proposed amendment or supplement to the document described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon but not otherwise, the City and/or the Trustee may execute such amendment in substantially the form on file as provided above, without liability or responsibility to any Bondholder of any Bond, whether or not such Bondholder has consented thereto.

Section 9.08. Amendments to the Credit Facility. The Trustee may, without the consent of, or notice to, any of the Bondholders enter into any amendment, change or modification of the Credit Facility (a) as may be required by the provisions of the Credit Facility, (b) to cure any formal defect, omission, inconsistency or ambiguity in the Credit Facility, (c) in any manner which is not prejudicial to the interests of the Bondholders (which shall be conclusively evidenced by an Opinion of Counsel delivered to the Trustee, the City and the Credit Facility

Provider or by a written confirmation from the Rating Agency of the then existing rating on the Bonds delivered to the Trustee, the City and the Credit Facility Provider) or (d) as required by the Rating Agency to maintain the then current rating on the Bonds.

## ARTICLE X

### DEFEASANCE

Section 10.01. Discharge of Indenture. Whenever all Bond Obligations have been fully paid and the Bonds are no longer outstanding, and all fees, costs and expenses due and payable hereunder and under the other Bond Documents have been paid in full, then (a) this Indenture and the lien, rights and interests created hereby shall cease, determine and become null and void (except as to any surviving rights of transfer or exchange of the Bonds herein or therein provided for) and (b) the Trustee shall execute and deliver a termination statement and such instruments of satisfaction and discharge as may be necessary and pay, assign, transfer and deliver all cash and securities then held by it hereunder as a part of the Trust Estate in accordance with Section 10.05 hereof.

The City or the Borrower may at any time surrender to the Trustee for cancellation by it any Bonds previously authenticated and delivered which the City or the Borrower lawfully may have acquired in any manner whatsoever, and such Bonds upon such surrender and cancellation shall be deemed to be paid and retired.

Section 10.02. Trust for Payment of Debt Service. (a) The City shall, at the Written Request of the Borrower, and at the expense of the Borrower, on any date provide for the payment of any of the Bonds by establishing an escrow (at the sole expense of the Borrower) for such purpose with the Trustee and depositing therein cash and/or Government Obligations that (assuming the due and punctual payment of the principal of and interest on such Government Obligations, or, in connection with a defeasance for a period of no more than 35 days, Investment Securities described in clause (h) of the definition thereof or otherwise approved in writing by the Bondholder Representative (the "Special Defeasance Obligations"), but without reinvestment) will provide funds sufficient to pay the principal, premium, if any, and interest on the Bonds at the Defeasance Rate which may apply to the Bonds as the same become due and payable until the maturity or redemption of the Bonds; provided, however, that:

(i) Such Government Obligations or Special Defeasance Obligations must not be subject to redemption prior to their respective maturities at the option of the City of such Government Obligations or Special Defeasance Obligations,

(ii) If the Bonds are to be redeemed prior to their maturity, either (i) the Trustee shall receive evidence that irrevocable written notice of such redemption has been given in accordance with the provisions of this Indenture and the Bonds or (ii) the City shall confer on the Trustee irrevocable written authority for the giving of such notice on behalf of the City,

(iii) Prior to the establishment of such escrow the City, the Trustee and the Bondholder Representative must receive (1) an Opinion of Counsel stating in effect that upon the occurrence of an Act of Bankruptcy of the Borrower, its Borrower Controlling Entity or any Guarantor, money and investments in such trust will not be recoverable

from the Trustee or the Bondholders under provisions of the Bankruptcy Code relating to voidable preferences and (2) an Bond Counsel No Adverse Effect Opinion, and

(iv) Except in the case of a gross-funded cash defeasance, prior to the establishment of such escrow, the Trustee must receive a report by an independent certified public accountant stating in effect that the principal and interest payments on the Government Obligations in such escrow, without reinvestment, together with the cash initially deposited therein, will be sufficient to make the required payments from such trust.

(b) Notwithstanding subsection (a) above, if the Borrower deposits funds with the Trustee sufficient to effectuate an optional redemption of the Bonds pursuant to Section 4.01(a) one Business Day prior to the date on which the Bonds are to be redeemed, and all other fees, costs and expenses due and payable hereunder and under the other Bond Documents have been paid in full, then:

(i) The Trustee shall hold such funds in trust for the benefit of Bondholders,

(ii) The conditions set forth in clauses (ii) – (iv) in subsection (a) above shall not apply, and

(iii) The Trustee shall release on such day any liens created by this Indenture and any collateral held in the Trust Estate for the benefit of Bondholders (other than such deposited funds) including, but not limited to, the Deed of Trust, pursuant to the provisions of Section 10.01.

(c) Cash and/or Government Obligations or Special Defeasance Obligations deposited with the Trustee pursuant to this Section shall not be a part of the Trust Estate but shall constitute a separate, irrevocable trust fund for the benefit of the Bondholders to be paid from such fund. Such cash and the principal and interest payable on such Government Obligations or Special Defeasance Obligations shall be applied by the Trustee first to the payment of Bond principal, premium, if any, and interest on the Bonds and any other amounts due under this Indenture; any amounts not needed for such purpose shall be remitted to the Borrower.

(d) The obligations hereunder relating to paying agent, registrar and transfer agent functions and the provisions of Section 5.06 and Article VIII shall survive defeasance.

Section 10.03. Special Defeasance. The provisions of Section 10.02(a)(iii) and (iv) above shall not apply to any defeasance when:

(a) Ten (10) Business Days prior to the date set for redemption of all the Bonds, the Borrower gives Written Notice to the City, the Trustee and the Bondholder Representative of its intention to prepay the Note and redeem of the Bonds on a date ten (10) Business Days after the filing of such Written Notice;

(b) The Borrower deposits with the Trustee on the date seven (7) Business Days prior to the date fixed for redemption sufficient funds, to which may be invested only in Special Defeasance Obligations, in an amount sufficient, without need for reinvestment, to pay the Redemption Price of the Bonds and all other amounts due and owing under this Indenture on the date fixed for redemption; and

(c) At the time the Borrower deposits the funds described in subparagraph (ii) above, the Borrower instructs the Trustee to give irrevocable notice of redemption of the Bonds on the Redemption Date.

Section 10.04. Payment of Bonds after Discharge of Indenture. Notwithstanding any provisions of this Indenture, any moneys deposited with the Trustee or any paying agent in trust for the payment of the Bond Obligations with regard to any Bonds remaining unclaimed for two (2) years after the principal of all the Outstanding Bonds has become due and payable (whether at maturity or upon call for redemption or by declaration as provided in this Indenture), shall then be paid to the City, and the holders of such Bonds shall thereafter be entitled to look only to the City for payment thereof, and only to the extent of the amount so paid to the City, and all liability of the Trustee or any paying agent with respect to such moneys shall thereupon cease. In the event of the payment of any such moneys to the City as aforesaid, the holders of the Bonds in respect of which such moneys were deposited shall thereafter be deemed to be unsecured creditors of the City for amounts equivalent to the respective amounts deposited for the payment of such Bonds and so paid to the City (without interest thereon).

Section 10.05. Final Balances. Notwithstanding the person or persons that are the Registered Holders of the Bonds, any moneys remaining in any fund or account created under this Indenture after payment or provision for payment in full of all Bond Obligations, all fees, charges and expenses of the City, the Trustee, the Credit Facility Provider, the Swap Counterparty, the Rebate Analyst, the Servicer, the Bondholder Representative and the Bond Purchaser the payment of all parties to whom moneys are owed pursuant to Section 5.01(c) and all other amounts required to be paid hereunder or under the Bond Documents, and after payment of any other amounts due under any Servicing Agreement relating to the Loan, shall be paid to the Borrower.

### OPTIONAL AND MANDATORY TENDERS

#### Section 11.01. Optional Tenders.

(a) While the Bonds bear interest at the Daily Interest Rate or Weekly Interest Rate, on each Interest Rate Adjustment Date, each Holder of Bonds shall have the option to tender for purchase at 100% of the principal amount thereof plus accrued interest, if any, all of the Bonds owned by such Holder, or such lesser principal amount thereof (in denominations of \$100,000 or integral multiples of \$5,000 in excess thereof, provided that the untendered portion of any Bond shall be \$100,000 or more in principal amount) as such Holder may specify in accordance with the terms, conditions and limitations set forth below. The purchase price for each such Bond, or portion thereof, shall be payable in lawful money of the United States of America by check or draft, shall equal the principal amount, or such portion thereof, to be purchased and accrued interest, if any, and shall be paid in full on the applicable Bond Purchase Date by check or wire transfer at the direction of the Holder but only upon delivery and surrender of such Bond to the Trustee.

(b) To exercise the option granted in Section 11.01(at), the Holder shall (i) no later than seven (7) calendar days (or the next preceding Business Day if such seventh day is not a Business Day) prior to the Bond Purchase Date in the case of Bonds in the Weekly Interest Rate Mode and no later than 8:00 a.m., New York, New York time, on the Bond Purchase Date in the case of Bonds in the Daily Interest Rate Mode, give notice to the Trustee by telecopy or in writing, with a copy to the Remarketing Agent, which states (A) the name and address of the Holder, (B) the principal amount, CUSIP number and Bond numbers of the Bonds to be purchased, (C) that such Bonds are to be purchased on the related Bond Purchase Date pursuant to the terms hereof, and (D) that such notice is irrevocable; and (ii) deliver to the Office of the Trustee the Bonds to be purchased in proper form, or in the case of a Beneficial Owner, no later than 10:00 a.m. New York, New York time on the Bond Purchase Date, cause the transfer of the Beneficial Owner's interest on the records of the Depository, in accordance with the instructions of the Trustee. Upon receipt, the Trustee shall immediately forward such notice to the Remarketing Agent.

(c) Any Bonds for which a notice of tender has been given by the Holder shall be deemed to be tendered for remarketing notwithstanding any failure of delivery of such Bonds to the Trustee. Subject to the right of such non-delivering Holders to receive the Purchase Price of such Bonds and interest accrued thereon to the day preceding the applicable Bond Purchase Date, such Bonds shall be null and void and the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Bonds or the pledge of such Bonds to the Credit Facility Provider in lieu of remarketing such Bonds as described in Section 11.05. Any Beneficial Owners who have elected to tender their Beneficial Ownership interests pursuant to Section 11.01(b) shall be obligated to transfer such Beneficial Ownership interests on the record of the Securities Depository.

(d) Upon the giving of the notice pursuant to Section 11.01(a) with respect to Bonds or portions of Bonds, the Holder's tender of such Bonds or portions thereof shall be irrevocable.

If less than all of a Bond so delivered or deemed tendered is to be purchased, the Trustee shall, pursuant to this Indenture, authenticate one or more Bonds in exchange therefor, registered in the name of such Holder, having the aggregate principal amount being retained by such Holder, and shall deliver such authenticated Bond or Bonds to such Holder.

(e) While tendered Bonds are in the custody of the Trustee pending purchase pursuant hereto, the tendering Holders thereof shall be deemed the Owners thereof for all purposes, and interest accruing on tendered Bonds through the day preceding the applicable Bond Purchase Date is to be paid from the Bond Fund as if such Bonds had not been tendered for purchase.

(f) Notwithstanding anything herein to the contrary, any Bond or portion thereof tendered under this Section 11.01 will not be purchased if such Bond or portion thereof matures or is redeemed on or prior to the applicable Bond Purchase Date.

Section 11.02. Mandatory Tenders.

(a) Holders of Bonds shall be required to tender their Bonds to the Trustee on any Mandatory Tender Date. Any Bond required to be tendered on a Mandatory Tender Date that is not tendered as of such date shall be deemed to have been tendered to the Trustee on such date and shall thereafter cease to bear interest and no longer be considered to be Outstanding hereunder subject to the right of the Holders of such Bonds to receive the Purchase Price of such Bonds and interest accrued thereon to the Bond Purchase Date.

(b) At least 25 days prior to any Mandatory Tender Date, the Trustee shall notify the Remarketing Agent and the Holders of all Outstanding Bonds by first-class mail of the Mandatory Tender Date and advise the Holders that all Bonds shall be subject to mandatory tender on such Mandatory Tender Date from the sources available pursuant to Section 11.03, at a Purchase Price equal to the principal amount thereof plus accrued interest, if any.

Section 11.03. Remarketing of Bonds.

(a) Upon the receipt by the Remarketing Agent of any notice from the Trustee that any Bondholder (or Participant or Indirect Participant or any Beneficial Owner making an election pursuant to Section 11.01(b) with respect to any Bonds in "book entry only" form) has delivered a notice pursuant to Section 11.01(b), or upon receipt of any notice from the Trustee of Bonds deemed to have been tendered in accordance with the provisions of Section 11.02, the Remarketing Agent shall offer for sale and use its best efforts to market the Bonds referred to in such notice from a Bondholder or such notice from the Trustee at a price of par plus accrued interest to the Bond Purchase Date, in accordance with the Remarketing Agreement; provided, however, that the Remarketing Agent shall not knowingly offer for sale or sell such Bonds to the City, the Borrower or any Borrower Controlling Entity, member or any guarantor of the Borrower. The Remarketing Agent has no obligation to remarket Bonds registered in the name of the Borrower, the Credit Facility Provider or any Borrower Controlling Entity, member or guarantor of the Borrower unless the Credit Facility shall be in full force and effect after such remarketing.

(b) No Bond or portion thereof tendered pursuant to Section 11.01 or Section 11.02 shall be remarketed at a price less than 100% of the principal amount thereof plus accrued interest, if any. The Remarketing Agent shall have the right to purchase any Bond tendered or deemed tendered pursuant to Section 11.01 or Section 11.02 at 100% of the principal amount thereof, and to thereafter sell such Bond. Any such purchase shall constitute a remarketing hereunder.

(c) By 4:00 p.m., New York, New York time on the Business Day immediately prior to each Bond Purchase Date (other than in the case of the exercise of an optional tender right when the Bonds are in Daily Interest Rate Mode) or by 10:00 a.m., New York, New York time on the Bond Purchase Date (in the case of the exercise of an optional tender right when the Bonds are in Daily Interest Rate Mode), the Remarketing Agent shall give telephonic notice, promptly confirmed in writing and transmitted by facsimile, to the Trustee, the Borrower and the Credit Facility Provider stating the principal amount of Bonds that have been remarketed successfully, specifying the names, addresses, and taxpayer identification numbers of the purchasers of, and the principal amount and denominations of, such Bonds, if any, for which it has found purchasers as of such date, and the Purchase Price at which the Bonds are to be sold (which shall be par plus accrued interest to the Bond Purchase Date).

(d) The Remarketing Agent shall deliver to the Trustee, no later than 10:30 a.m., New York, New York time, on the Bond Purchase Date, in immediately available funds, the remarketing proceeds to the extent the Bonds have been successfully remarketed. Upon receipt by the Trustee of such amount from the Remarketing Agent, the Trustee, shall transfer the registered ownership of the Bonds to the respective new purchasers and deliver such Bonds to such purchasers upon deposit of the Purchase Price with the Trustee. The Trustee shall hold all Bonds delivered to it in trust for the benefit of the respective Bondholders which shall have so delivered such Bonds until money representing the Purchase Price of such Bonds shall have been delivered to or for the account of or to the order of such Bondholders. The Trustee shall remit the Purchase Price of such Bonds to the tendering Bondholder or Bondholders entitled to the same as provided in Sections 11.01 or 11.02. In the event that the Remarketing Agent or any purchaser that shall have been identified by the Remarketing Agent to the Trustee shall fail to pay the Purchase Price for any Bonds prior to 10:30 a.m., New York, New York time, on the Bond Purchase Date, the Trustee shall not be obligated to accept such amount after such time. The Trustee will immediately notify by telephone, the Credit Facility Provider, the Borrower and the Remarketing Agent of any such failure to receive the Purchase Price for such Bonds. On the Bond Purchase Date, the Trustee shall notify by telephone, the Credit Facility Provider, the Borrower and the Remarketing Agent of the amount of funds held by the Trustee as of 10:30 a.m., New York, New York time, on such date constituting the Purchase Price of the Bonds remarketed by the Remarketing Agent, promptly confirmed in writing and transmitted by facsimile. The Trustee shall hold all money delivered to it for the purchase of Bonds (including any remarketing proceeds, proceeds from the Borrower pursuant to Section 11.04(b)(ii) hereof or proceeds of draws on the Credit Facility) in trust in a non-commingled account to be known as the "Bond Purchase Fund" for the benefit of the person or entity which shall have so delivered such money until the Bonds purchased with such money shall have been delivered to or for the account of such person. Such money shall be held uninvited except as directed in writing by the Credit Facility Provider and then only in Investment Securities of the type

described in clauses (a) and (b) of the definition thereof. The City and the Borrower shall not have any right, title or interest in such money.

(e) If all of the Bonds shall have been called for redemption during any period when the Bonds bear interest at the Daily Interest Rate or Weekly Interest Rate, the Bonds may continue to be remarketed until the redemption date, provided the purchasers of such Bonds are given notice of the call for redemption prior to purchase of any Bonds.

(f) Anything herein to the contrary notwithstanding, no Bonds shall be purchased or remarketed pursuant to this Section if an Event of Default hereunder shall have occurred and be continuing and would not be cured as a result of such tender and remarketing of the Bonds or following a declaration of acceleration of the Bonds; nor shall any Bond be purchased pursuant to this Section if such Bond is registered in the name of the City, the Borrower or the Credit Facility Provider, or known by the Trustee (the Trustee shall have no duty to inquire as to any such nominees) to be registered in the name of any Borrower Controlling Entity, member or guarantor of the Borrower or any nominee of the City, the Borrower, the Credit Facility Provider, or any such Borrower Controlling Entity, member or guarantor of the Borrower unless the Credit Facility will be in full force and effect after such purchase with respect to such Bonds after such purchase, nor shall any Bond be purchased if, following a failed remarketing pursuant to the provisions of this Section, the Trustee does not have sufficient proceeds to pay the Purchase Price to tendering Holders of the Bonds, taking into account draws from any incoming or outgoing Credit Facility and Eligible Funds received from the Borrower pursuant to Section 11.04(b). In the event of such failed remarketing, the Bonds shall remain Outstanding in the Interest Rate Mode in effect immediately preceding the related Mandatory Tender Date.

#### Section 11.04. Trustee to Pay Purchase Price.

(a) In the event that either the Trustee shall not have received notice of successful remarketing of tendered Bonds by the day that is one (1) Business Day prior to the Bond Purchase Date (other than in the case of the exercise of an optional tender when the Bonds are in the Daily Interest Rate Mode) or by 10:00 a.m. New York, New York time on the Bond Purchase Date (in the case of the exercise of an optional tender when the Bonds are in the Daily Interest Rate Mode), or the proceeds of remarketing of any tendered Bond have not been received by the Trustee on or prior to 10:30 a.m., New York, New York time on the Bond Purchase Date, the Trustee shall, within the time required by the terms of the Credit Facility, draw on the then existing Credit Facility in an amount sufficient to enable the Trustee to pay the Purchase Price of each such Bond when due.

(b) On each Bond Purchase Date, the Borrower shall pay or cause to be paid to the Trustee the Purchase Price of any Bonds tendered pursuant to, and in accordance with, Section 11.01 or Section 11.02 and which have not been remarketed pursuant to this Section 11.04, but only from (i) money obtained by the Trustee pursuant to the Credit Facility then in effect to enable the Trustee to pay the Purchase Price of such tendered Bonds, which amounts shall be received by the Trustee at or before 12:00 p.m., New York, New York time, on the Bond Purchase Date; and (ii) Eligible Funds from the Borrower to the extent that money obtained pursuant to (i) above are insufficient on any date to pay the Purchase Price of tendered Bonds.

(c) Upon receipt of such Purchase Price and upon receipt of the Bonds tendered for purchase pursuant to Section 11.01 or Section 11.02, the Trustee shall pay such Purchase Price to the Registered Holders thereof; provided, that if the Purchase Price was theretofore paid from the proceeds of a draw on the Credit Facility, the Trustee shall pay such amount to the Credit Facility Provider. Any amounts drawn under the Credit Facility to purchase Bonds shall be used solely for such purpose. Any Bonds so purchased with amounts drawn under the Credit Facility by the Trustee shall be purchased for the account of the Borrower and registered as provided in the Reimbursement Agreement. Amounts drawn under the Credit Facility that are not used to purchase Bonds pursuant to this Section 11.04 shall be remitted by the Tender Agent or the Trustee to the Credit Facility Provider promptly upon payment of the Purchase Price of the Bonds.

(d) Except with respect to any Bonds purchased in lieu of redemption or acceleration pursuant to the provisions hereof, the City, the Borrower or any Borrower Controlling Entity, member or any guarantor of the Borrower may not purchase any Bonds, from the Remarketing Agent or otherwise.

Section 11.05. Delivery of Purchased Bonds and Remarketing of Pledged Bonds.

Bonds purchased by the Trustee on a Bond Purchase Date shall be delivered as follows:

(a) Bonds sold by the Remarketing Agent pursuant to Section 11.03 shall be delivered to the purchasers thereof. The Remarketing Agent and the Trustee shall take such actions as may be necessary to reflect the transfer of any beneficial ownership interests to the purchasers thereof in the Book-Entry System maintained by the Securities Depository.

(b) Bonds not sold by the Remarketing Agent pursuant to Section 11.03 shall be held as Pledged Bonds by the Trustee, as agent for the Credit Facility Provider or the Borrower, as the case may be, subject to any instructions from the Credit Facility Provider or the Borrower to deliver the Pledged Bonds to the Credit Facility Provider or the Borrower and to the pledge in favor of the Credit Facility Provider or the Borrower created pursuant to the provisions of the Reimbursement Agreement. Any Pledged Bonds held by the Trustee shall not be released or transferred except to the Credit Facility Provider, the Borrower or to the Remarketing Agent at the written direction of the Credit Facility Provider or the Borrower as provided in the last paragraph of this Section. Bonds not sold by the Remarketing Agent shall be deemed purchased by the Credit Facility Provider upon application of the proceeds of a draw on the Credit Facility to pay the Purchase Price thereof or by the Borrower upon receipt and application of Eligible Funds from the Borrower pursuant to Section 11.04(b)(ii) to pay the Purchase Price thereof.

(c) The Remarketing Agent shall use its best efforts to remarket Pledged Bonds. Upon the remarketing of the Pledged Bonds, the Remarketing Agent shall notify the Credit Facility Provider, the Trustee and the Borrower of such remarketing, the name, address and social security or other tax identification number of the purchaser, and the date (the "Pledged Bonds Remarketing Date") that the purchaser shall deliver

the Purchase Price to the Trustee by 11:00 a.m., New York, New York time. The Pledged Bonds Remarketing Date shall be at least two Business Days after the date the notice of the purchase is given by the Remarketing Agent.

(d) No later than 11:00 a.m., New York, New York time, on each Pledged Bonds Remarketing Date, the Remarketing Agent shall pay to the Trustee, in immediately available funds, the proceeds theretofore received by the Remarketing Agent from the remarketing of Pledged Bonds on such Pledged Bonds Remarketing Date; provided, that the Remarketing Agent may use its best efforts to cause the purchasers of the remarketed Pledged Bonds to pay the Purchase Price plus accrued interest, if any, to the Trustee in immediately available funds. The proceeds from the remarketing of the Pledged Bonds shall be segregated from any funds of the Borrower or the City and shall in no case be considered to be or be assets of the Borrower or the City. The Trustee shall deposit such funds in the Bond Purchase Fund and shall pay the Credit Facility Provider such funds by wire transfer on the Pledged Bonds Remarketing Date. The Credit Facility Provider shall deliver any Pledged Bonds held by the Credit Facility Provider (or evidence of book entry interests in such Pledged Bonds) which have been so remarketed to the Trustee against payment on the Pledged Bonds Remarketing Date. With respect to any Pledged Bonds not so held by the Credit Facility Provider, the Credit Facility Provider shall direct the Trustee to release such Pledged Bonds which have been so remarketed to the Remarketing Agent against payment therefor on the Pledged Bonds Remarketing Date. Notwithstanding the foregoing, no Pledged Bonds shall be released until the Trustee shall have received evidence that the Credit Facility Provider has reinstated amounts available to be drawn on the Credit Facility to an amount not less than 100% of the outstanding principal of, plus 35 days' interest (or such larger days' interest if the Rating Agency of the Bonds so requires) on the Bonds computed at the Maximum Rate. On the Pledged Bonds Remarketing Date, the Trustee shall authenticate and deliver, if applicable, new Bonds in replacement of the remarketed Pledged Bonds to the purchasers thereof.

(e) The Pledged Bonds are pledged to the Credit Facility Provider or the Borrower, as applicable, and are secured by the Trust Estate.

In case any one or more of the provisions contained in this Indenture or in the Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Indenture, but this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein.

The City, the Trustee, the Tender Agent, the Bondholder Representative, the Borrowers and the Investor Limited Partner may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent. Copies of all notices provided to Borrower under the Loan Documents shall also be provided to the Investor Limited Partner, if such Investor Limited Partner has provided the

party giving such notice the address, name, title and fax number of the contact person to receive such notice.

(b) Where this Indenture provides for giving of notice to the Trustee, such notice shall also be given to the Bondholder Representative and the Servicer. Failure to provide any such duplicate notice pursuant to the foregoing sentence, or any defect in any such duplicate notice so provided, shall not be treated as a failure to give the primary notice or affect the validity thereof or the effectiveness of any action taken pursuant thereto. Any notice required by this Indenture to be delivered by the City shall be delivered by it to the Trustee, which shall be responsible for delivering it to the other parties entitled to receive such notice. If such notice is timely provided by the City to the Trustee, it shall be deemed to be timely given to all parties entitled to receive such notice.

Section 12.07. Authorized Representatives. Whenever under the provisions of this Indenture the approval of the City or the Borrower is required for any action, and whenever the City or the Borrower are required to deliver any notice or other writing, such approval or such notice or other writing shall be given, respectively, on behalf of the City by the Authorized City Representative or on behalf of the Borrower by the Authorized Borrower Representative, and the City, the Trustee and the Borrower shall be authorized to act on any such approval or notice or other writing and neither party hereto nor the Borrower shall have any complaint against the others as a result of any such action taken.

Section 12.08. Evidence of Rights of Bondholders. (a) Any request, consent or other instrument required by this Indenture to be signed and executed by Bondholders may be in any number of concurrent writings of substantially similar tenor and may be signed or executed by such Bondholders in person or by agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, or of the ownership of any Bonds, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee and of the City if made in the manner provided in this Section 12.08.

(b) The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument or writing acknowledged to him the execution thereof.

(c) The ownership of the Bonds shall be proved by the Bond Register maintained pursuant to Section 2.06 hereof. The fact and the date of execution of any request, consent or other instrument and the amount and distinguishing numbers of Bonds held by the person so executing such request, consent or other instrument may also be proved in any other manner which the Trustee may deem sufficient. The Trustee may nevertheless, in its discretion, require further proof in cases where it may deem further proof desirable.

(d) Any request, consent or vote of the holder of any Bond shall bind every future holder of the same Bond and the holder of any Bond issued in exchange therefor or in lieu thereof, in

respect of anything done or suffered to be done by the Trustee or the City in pursuance of such request, consent or vote.

(e) In determining whether the holders of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned by the City or by any other direct or indirect obligor on the Bonds, or by any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the City or any other direct or indirect obligor on the Bonds, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, provided that, for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver, only Bonds which the Trustee, as applicable, knows to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this subsection (d) if the pledgee shall establish to the satisfaction of the Trustee and the City the pledgee's right to vote such Bonds and that the pledgee is not a person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the City or any other direct or indirect obligor on the Bonds. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Solely for purposes of the limitation expressed in this paragraph (d), the Borrower shall be deemed to be an indirect obligor on the Bonds.

(f) In lieu of obtaining any demand, request, direction, consent or waiver in writing, the Trustee may call and hold a meeting of the Bondholders upon such notice and in accordance with such rules and regulations as the Trustee considers fair and reasonable for the purpose of obtaining any such action.

Section 12.09. Waiver of Personal Liability. No officer, official, agent, member of the Board of Supervisors or employee of the City, and no officer, official, agent or employee of the State of California or any department, board or agency of any of the foregoing, shall be individually or personally liable for the payment of the principal of or premium or interest on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof; but nothing herein contained shall relieve any such person from the performance of any official duty provided by law or by this Indenture.

Section 12.10. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Indenture, is not a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day with the same force and effect as if done on the date provided therefor in this Indenture and, in the case of any payment, no interest shall accrue for the period from and after such date.

Section 12.11. Execution in Several Counterparts. This Indenture may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts shall together constitute but one and the same instrument.

Section 12.12. Governing Law, Venue. The formation, interpretation and performance of this Indenture shall be governed by the laws of the State of California. Venue for all litigation arising from or in connection with the Bonds or this Indenture shall be in San Francisco, California.

Section 12.13. Successors. Whenever in this Indenture either the City or the Trustee is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of the City or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 12.14. Non-Waiver of Rights. The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

Section 12.15. Assignment or Delegation by Trustee. The services to be performed by Trustee are personal in character and neither this Indenture nor any duties or obligations of the Trustee hereunder may be assigned or delegated by the Trustee unless first approved by City by written instrument executed and approved in the same manner as this Indenture.

Section 12.16. Bondholder Representative; Trustee's, Credit Facility Provider's and Servicer's Consents. (a) The entity designated in the definition of "Bondholder Representative" hereto shall be the initial Bondholder Representative. The Bondholder Representative may provide written notice to the Trustee designating particular individuals authorized to act as its representative in certain capacities, or to execute any consent, waiver, approval, direction or other instrument on behalf of the Bondholder Representative, provided that such designation is in writing, and any notice to the Trustee of such designation may be amended or rescinded by the Bondholder Representative at any time, provided that any such amendment or rescission shall be in writing. The Bondholder Representative may be removed and a successor appointed by a Written Notice given by the Holders of a Majority Share to the Trustee and the Borrower. The removal and reappointment shall be effective immediately upon receipt of such notice by the Trustee. The Holders of a Majority Share may appoint any Person to act as Bondholder Representative, including, without limitation, the Servicer. If, for any reason, no Bondholder Representative shall then be appointed, all references to Bondholder Representative herein and in the other Bond Documents shall be deemed to refer to the Holders of a Majority Share.

(b) In the event that for any reason, no Credit Facility Provider shall then exist, all references to Credit Facility Provider herein shall be treated as if null and void and of no effect.

(c) Whenever pursuant to this Indenture or any other Bond Document, the Bondholder Representative or the Credit Facility Provider, if any, exercises any right given to it to approve or disapprove, or any arrangement or term is to be satisfactory to Bondholder Representative or the Credit Facility Provider, if any, the decision of the Bondholder Representative or the Credit Facility Provider, if any, to approve or disapprove or to decide whether arrangements or terms are satisfactory or not satisfactory shall (except as is otherwise

## ARTICLE XIII

### SUBORDINATE BONDS

#### Section 13.01. Conversion Between Senior and Subordinate Bonds.

(a) Senior Bonds shall be converted to Subordinate Bonds and Subordinate Bonds shall be converted to Senior Bonds to the extent Senior Bonds are purchased in lieu of redemption pursuant to Section 4.05 and upon the election of the Bondholder Representative in its sole discretion transmitted in writing in the form attached as EXHIBIT F to the Trustee.

(b) In connection with such conversion, the Registered Holder of the Senior Bonds shall transmit the definitive Senior Bonds or Subordinate Bonds, as applicable, to the Trustee which shall then cancel such Senior Bonds or Subordinate Bonds, as applicable, and authenticate Senior Bonds or Subordinate Bonds, as applicable, in the amounts stipulated in Written Direction provided to the Trustee by the Bondholder Representative in the form attached as EXHIBIT F.

(c) Subordinate Bonds shall be subject and subordinate in all respects to the Bonds (other than Subordinate Bonds) and the Loan (including payments, if any, under the Note in respect of Bonds other than Subordinate Bonds) and to all terms, covenants, conditions and liens of the Bond Documents affecting the Bonds (other than Subordinate Bonds) and/or the Loan and the Loan Agreement. Payment of the indebtedness evidenced by the Subordinate Bonds is and shall be subject and subordinate in all respects, including in respect of the right to payment, to the prior payment in full of all amounts due and payable in respect of the (i) Bonds (other than Subordinate Bonds), and (ii) the Loan (including payments under the Note in respect of Bonds other than Subordinate Bonds). The owners of Subordinate Bonds expressly subject and subordinate all of their right, title and interest in and to the Subordinate Bonds in all respects to (1) the Trust Estate, (2) the payment in full of the Bonds other than Subordinate Bonds, (3) the payment in full of the Loan, and (4) the liens of the Deed of Trust and of the Trust Estate. In addition, notwithstanding anything contained in this Indenture, the Loan Agreement, the Note or the Deed of Trust to the contrary, the City and the Holders of the Subordinate Bonds agree, and the Trustee acknowledges, that:

(i) The sole source of funds available to the City for the payment of the principal of, premium, if any, and interest on, the Subordinate Bonds shall be the payments, if any, made by the Borrower under the Note in respect of the Subordinate Bonds, which payments, if any, may be made only out of, and to the extent of, excess cash flow (as defined in Section 13.01(f));

(ii) Payments, if any, of the principal of, and interest on, the Note in respect of Subordinate Bonds may be made only after all current and past due obligations (A) in respect of the Bonds (other than Subordinate Bonds) and the Loan (including payments under the Note in respect of Bonds other than Subordinate Bonds), (B) under the Loan Agreement, and (C) under the Swap Agreement, have been paid in full;

(iii) The obligation of the Borrower to make payments, if any, on the Note in respect of Subordinate Bonds is and shall be subject and subordinate in all respects to the obligations of the Borrower to pay all amounts due (A) in respect of the Bonds (other than Subordinate Bonds) and the Loan (including payments under the Note in respect of Bonds other than Subordinate Bonds), whether under the Bond Documents or otherwise, (B) under the Loan Agreement, and (C) under the Swap Agreement;

(iv) So long as any amounts remain currently due and owing (A) in respect of the Bonds (other than Subordinate Bonds) and the Loan, whether under the Bond Documents or otherwise, (B) under the Loan Agreement, or (C) under the Swap Agreement (as confirmed in the latter case by the Servicer), the Trustee shall not be entitled to make any payment in respect of Subordinate Bonds, notwithstanding a default or any arrearage in the payment of any amounts owing under or with respect to any Subordinate Bonds; and

(v) Unpaid interest on Subordinate Bonds stemming from insufficient Excess Cash Flow shall not accrue, and shall be deemed canceled.

Failure to make any payment in respect of Subordinate Bonds shall not constitute an Event of Default. The occurrence of any default with respect to the Bonds (other than Subordinate Bonds) or the Loan or under this Indenture or the Loan Agreement with respect to the Bonds (other than Subordinate Bonds) or to the Loan shall constitute a default under this Indenture or the Loan Agreement with respect to all Subordinate Bonds.

(d) The Trustee shall not, after the Trustee receives a Default Notice (as defined in Section 13.01(f)) or otherwise acquires knowledge of a default or an Event of Default by the Borrower with respect to the Bonds (other than Subordinate Bonds), the Loan or under any Bond Document, make any payments in respect of Subordinate Bonds unless and until such default or Event of Default has been cured or waived by the Bondholder Representative and the other Bondholders (other than the Holders of Subordinate Bonds). Upon the occurrence of any Event of Default attributable to any default or Event of Default (under and as defined in any Bond Document), all Subordinate Bonds shall, at the Written Direction of the Trustee, be cancelled and deemed satisfied for all purposes.

(e) Bonds purchased in lieu of redemption pursuant to Section 6.9 which become Subordinate Bonds registered in the name of the Borrower or its designee shall, if they remain registered in the name of the Borrower or its designee, be cancelled by the Trustee in accordance with the provisions of Section 2.09 on the fifth (5th) anniversary date of the registration of such Bonds in the name of the Borrower or its designee.

(f) For purposes of this Section 13.01, the following terms shall have the meanings set forth below:

"Excess Cash Flow" means, for any period, the excess of the gross revenues generated by the Deed of Trust Property from all sources for such period, excluding, however, the proceeds of casualty insurance (other than rent loss insurance), condemnation proceeds, capital contributions, loans or advances, rental income prepaid

more than one month in advance and other unusual or extraordinary cash items the use and application of which is restricted or encumbered by the Loan Documents or the Swap Agreement over the sum of: (i) all debt service, including interest expense and the amortization of all principal coming due in respect of the Loan and the Bonds (other than Subordinate Bonds) during such period (whether by maturity, mandatory sinking fund payment, redemption, acceleration or otherwise), and all debt service on subordinate debt encumbering the Deed of Trust Property and permitted by the Bondholder Representative, provided that such subordinate debt is not payable solely out of excess available cash flow, (ii) all payments coming due from the Borrower under the Swap Agreement during such period, (iii) operating, overhead, ownership and other expenditures (whether ordinary, capital or extraordinary expenditures (other than those paid from the proceeds of insurance or out of escrows or reserves to the extent not required to be replenished)), including, but not limited to, all direct and indirect costs, charges and expenses of owning, operating, maintaining and repairing the Deed of Trust Property, further including, without limitation, insurance, taxes, assessments and other public charges and all expenditures (capital or otherwise) required for the proper maintenance of the Deed of Trust Property in accordance with the Loan Documents (exclusive, at the option of the Borrower, of (A) payments made to affiliates in excess of market norms, (B) developer fees (however characterized) and (C) property management fees in excess of 4% of gross rent), (iv) all other obligations under the Loan Documents, including, but not limited to, the payment of all fees, costs and expenses and other expenditures (whether for capital expenditures, repairs or replacements (other than those paid from the proceeds of insurance or out of escrows or reserves to the extent not required to be replenished)), and the funding of any reserves or escrows required under the Loan Documents (including, but not limited to, replacement reserves, reserves for taxes, insurance, water and sewer charges and other similar impositions), operating reserves and interest rate hedge reserves, (v) all other obligations of the Borrower under the Swap Agreement (including, without limitation payments due upon early termination of the Swap Agreement) and the Bond Documents (other than in respect of the Subordinate Bonds), and (vi) all other amounts that the Borrower is required to pay or set aside pursuant to agreement, but excluding depreciation and amortization of intangibles.

"Default Notice" means a written notice from the Servicer or the Trustee to the Borrower stating that a Default or Event of Default by the Borrower has occurred with respect to the Bonds (other than Subordinate Bonds), the Loan or under any Bond Document.

The CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation and chartered city and county of the State of California, duly organized and existing under its charter and the laws of the State of California (herein called the "City"), for value received, hereby promises to pay (but only out of the revenues and other assets pledged under the Indenture (hereinafter defined)) to the Registered Owner specified above or registered assigns (subject to any right of prior redemption or tender), on the Maturity Date specified above, the Principal Amount specified above, and to pay interest thereon, at the Bond Coupon Rate (as defined in the Indenture defined below), payable on each Bond Payment Date, commencing [February] 1, 2018, to the person whose name appears on the registration books as of the Record Date and to pay any other amounts as specified in the Indenture; provided however, that if the Bond Payment Date is not also a Business Day, then payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if such payment was made on originally scheduled payment date. All capitalized terms not otherwise defined in this Bond shall have the meaning ascribed thereto in the Indenture (as hereinafter defined).

Principal of, and premium, if any, on this Bond are payable in such coin or currency of the United States as at time of payment is legal tender for payment of private and public debts,

at the designated payment office of U.S. Bank National Association (the "Trustee" and "Bond Registrar"), or its successor.

This is a draw-down Bond. The principal amount of this Bond as of any given date shall be equal to (i) the total amount of principal advanced by the applicable Bond Purchaser, less (ii) any payment of principal on the Bonds received by the Holders thereof. Principal amounts advanced by the applicable Bond Purchaser shall be noted on the principal draw-down schedule attached to this Bond and acknowledged thereon by the Trustee.

Interest on this Bond shall be calculated on the basis of a 360 day year comprised of twelve 30 day months, or a year of 365 or 366 days, as applicable, for the actual number of days elapsed, as provided in the Indenture. The amount of interest payable on the Bonds on each Bond Payment Date shall be the amount of interest accrued thereon from the preceding Bond Payment Date (or such other date as described in the Indenture) to, but not including, the Bond Payment Date on which interest is being paid. Interest on this Bond shall be payable in such coin or currency of the United States as at time of payment is legal tender for payment of private and public debts, at the designated payment office of the Trustee or its successor.

If a Bondholder so elects, any payment due to such Bondholder shall be made by wire transfer of federal reserve funds to any account in the United States of America designated by such Bondholder if such Bondholder, at its expense, (a) so directs by written notice delivered to the Trustee at least ten (10) Business Days before the date upon which such wire transfer or other arrangement is to be made and (b) otherwise complies with the reasonable requirements of the Trustee.

This Bond is one of a duly authorized issue of bonds of the City designated as "City and County of San Francisco, California Multifamily Housing Revenue Bonds, Series 2017E (1500 Mission Street Apartments)" (the "Bonds"), in the aggregate principal amount of up to \$316,800,000, authorized to be issued pursuant to and in accordance with Section 9.107 of the Charter of the City, Article I of Chapter 43 of the San Francisco Administrative Code of the City and, to the extent applicable, Chapter 7 of Part 5 of Division 31 of the California Health and Safety Code (collectively, the "Act"), and issued under and secured by an Indenture of Trust, dated as of November 1, 2017 (the "Indenture"), between the City and U.S. Bank National Association, as trustee (the "Trustee"). Reference is hereby made to the Indenture and all indentures supplemental thereto for a description of the rights thereunder of the owners of the Bonds, of the nature and extent of the security, of the rights, duties and immunities the Trustee, and of the rights and obligations of the City thereunder, to all of the provisions of which Indenture the holder of this Bond, by acceptance hereof, assents and agrees. The proceeds of the Bonds will be used to make a loan to 1500 Mission Urban Housing, LP, a Delaware limited partnership (the "Borrower") pursuant to a Loan Agreement, dated as of November 1, 2017 (the "Loan Agreement") between the City and the Borrower, and under the terms of a Construction Funding Agreement, dated as of November 1, 2017, among the Borrower, the Trustee, Deutsche Bank Securities, Inc., as Bondholder Representative, and Deutsche Bank Securities, Inc., as Servicer, all in order to finance the construction of a residential rental project in the City.

NONE OF THE CITY, THE MEMBERS OF ITS BOARD OF SUPERVISORS, THE OFFICERS, OFFICIALS, EMPLOYEES, ATTORNEYS OR AGENTS OF THE CITY, OR ANY

PERSON EXECUTING THE BONDS IS LIABLE PERSONALLY ON THE BONDS OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THEIR ISSUANCE. THE BONDS ARE LIMITED OBLIGATIONS OF THE CITY, PAYABLE ONLY AS PROVIDED IN THE INDENTURE, AND ARE NOT A GENERAL OBLIGATION, NOR ARE THEY SECURED BY A PLEDGE OF THE FAITH AND CREDIT, OF THE CITY OR THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF, AND NEITHER ARE THEY LIABLE ON THE BONDS, NOR ARE THE BONDS PAYABLE OUT OF ANY FUNDS OR PROPERTIES OTHER THAN THOSE OF THE CITY EXPRESSLY PLEDGED FOR THE PAYMENT THEREOF UNDER THE INDENTURE. THE BONDS DO NOT CONSTITUTE INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION. THE ISSUANCE OF THE BONDS SHALL NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE CITY OR THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT.

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR PREMIUM OR INTEREST ON THIS BOND AGAINST ANY PAST, PRESENT OR FUTURE OFFICER, OFFICIAL, DIRECTOR, EMPLOYEE, AGENT, OR MEMBER OF THE BOARD OF SUPERVISORS OF THE CITY, OR OF ANY SUCCESSOR THERETO, AS SUCH, EITHER DIRECTLY OR THROUGH THE CITY OR ANY SUCCESSOR TO THE CITY, UNDER ANY RULE OF LAW OR EQUITY, STATUTE OR CONSTITUTION OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, AND ALL SUCH LIABILITY OF ANY SUCH OFFICERS, OFFICIALS, DIRECTORS, EMPLOYEES, AGENTS OR MEMBERS, AS SUCH, IS HEREBY EXPRESSLY WAIVED AND RELEASED AS A CONDITION OF, AND CONSIDERATION FOR, THE EXECUTION AND ISSUANCE OF THIS BOND.

The Bonds are limited obligations of the City and, as and to the extent set forth in the Indenture, are payable solely from, and secured by a pledge of and lien on, the Pledged Revenues (as that term is defined in the Indenture), consisting primarily of amounts paid by the Borrower pursuant to the Loan Agreement. Reference is hereby made to the Indenture and to all amendments and supplements thereto for a description of the property pledged and assigned to the Trustee and of the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the City and the Trustee, the terms on which the Bonds are issued and secured, the manner in which interest is computed on this Bond, mandatory and optional tender rights and provisions, mandatory and optional redemption rights and tender provisions, acceleration, the rights of the Bondholders and the provisions for defeasance of such rights.

This Bond is subject to optional and mandatory redemption in whole or in part, on the dates, under the terms and conditions and at the redemption prices set forth in the Indenture, all of the provisions of which are, by this reference, incorporated into this Bond. Notice of redemption shall be given in the manner set forth in the Indenture.

The registered owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with

respect to any event of default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

By purchase of this Bond, the registered owner hereof authorizes the Bondholder Representative to exercise such rights and remedies afforded to it as provided in the Bond Documents.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

This Bond may be exchanged, and its transfer may be effected, only by the registered owner hereof in person or by his attorney duly authorized in writing at the designated corporate trust office of the Trustee, but only in the manner and subject to the limitations (including those in Section 2.05(b) of the Indenture) provided in the Indenture, including, without limitation, the delivery of an Investor Letter to the extent required under the Indenture. Upon exchange or registration of such transfer a new registered bond or bonds of the same series, maturity and interest rate and of Authorized Denomination or Authorized Denominations for the same aggregate principal amount will be issued in exchange therefor.

The City and the Trustee may treat the registered owner hereof as the absolute owner hereof for all purposes, and the City and the Trustee shall not be affected by any notice to the contrary.

The schedule of drawings attached as Exhibit A hereto shall be used by the Trustee to record the payment of the purchase price of the Bonds from time to time (such purchase price to be paid from time to time by the owners of the Bonds as provided in the Indenture), which shall evidence the principal amount of the Bonds purchased by the owners of the Bonds from time to time. The Trustee shall credit any advanced funds toward the purchase price of the Bonds on the schedule of drawings attached hereto as Exhibit A. The total amount outstanding under the Bonds may not exceed \$316,800,000 at any time and no portion of the purchase price therefor shall be accepted after the first to occur of (i) the Conversion Date (as defined in the Loan Agreement), or (ii) December 31, 2020.

The Indenture contains provisions permitting the City and the Trustee to execute supplemental indentures adding provisions to, or changing or eliminating any of the provisions of, the Indenture, subject to the limitations set forth in the Indenture.

The City hereby certifies that all of the conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of California (including the Act).

This Bond shall not be entitled to any benefit under the Indenture, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been manually signed by the Trustee.

In the event of any conflict between the terms of this Bond and the terms of the Indenture, the terms of the Indenture shall control.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Trustee for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

IT IS HEREBY CERTIFIED, RECITED AND REPRESENTED that the issuance of this Bond is duly authorized by law; that all acts, conditions and things required to exist and to be done precedent to and in the issuance of this bond to render the same lawful and valid have been properly done and performed and have happened in regular and due time, form and manner as required by law; and that all acts, conditions and things necessary to be done or performed by the City or to have happened precedent to or in the execution and delivery of the Indenture have been done and performed and have happened in regular and due form as required by law.

IN WITNESS WHEREOF, the City and County of San Francisco has caused this Bond to be executed in its name by the manual or facsimile signature of its Mayor and attested by the manual or facsimile signature of its Clerk, all as of the Closing Date, and the manual or facsimile seal of the City and County of San Francisco to be impressed or reproduced hereon.

Ladies and Gentlemen:

The undersigned (the "Investor") hereby represents and warrants to you as follows:

1. The Investor proposes to purchase the above-captioned bonds (the "Bonds") issued pursuant to that certain Indenture of Trust, dated as of November 1, 2017 (the "Indenture"), by and between the City and County of San Francisco, California (the "City") and U.S. Bank National Association, as trustee (the "Trustee"). The Investor understands that the Bonds are not rated by any securities rating agency, and will only be sold to the Investor with the above-addressed parties relying upon the representations and warranties of the Investor set forth herein. The Investor acknowledges that no offering document has been prepared in connection with the issuance and sale of the Bonds. The Investor has requested and received all materials which the Investor has deemed relevant in connection with its purchase of the Bonds (the "Offering Information"). The Investor has reviewed the documents executed in conjunction with the issuance of the Bonds, including, without limitation, the Indenture and the Loan Agreement. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Indenture.

2. The Investor hereby waives the requirement of any "due diligence investigation or inquiry" by the City, by each official of the City, by each employee of the City, by each member of the Board of Supervisors of the City, and by counsel to the City, the Trustee, counsel to the Trustee and Bond Counsel in connection with the authorization, execution and delivery of the Bonds and Investor's purchase of the Bonds. The Investor recognizes and agrees that the City, by each official of the City, each employee of the City, each member of the Board of Supervisors of the City, counsel to the City, the Trustee, counsel to the Trustee and Bond Counsel have made no representations or statements (expressed or implied) with respect to the

accuracy or completeness of any of the materials reviewed by the Investor in connection with the Investor's purchase of the Bonds. In making an investment decision, the Investor is relying upon its own examination of the City, the Borrower, the Project and the terms of the offering.

3. The Investor has been provided an opportunity to ask questions of, and the Investor has received answers from, representatives of the City and the Borrower regarding the terms and conditions of the Bonds, and the Investor has obtained all additional information requested by it in connection with the Bonds.

4. The Investor has sufficient knowledge and experience in business and financial matters in general, and investments such as the Bonds in particular, and is capable of evaluating the merits and risks involved in an investment in the Bonds. The Investor is able to bear the economic risk of, and an entire loss of, an investment in the Bonds.

5. The Investor is purchasing the Bonds solely for its own account for investment purposes and has no present intention to resell or distribute the Bonds, provided that the Investor reserves the right to transfer or dispose of the Bonds, at any time, and from time to time, in its complete and sole discretion, subject, however, to the restrictions described in paragraphs 6 through 8 of this Letter. The Investor hereby agrees that the Bonds may only be transferred in accordance with the Indenture, including Section 2.05 thereof.

6. The Investor agrees that it will only offer, sell, pledge, transfer or exchange the Bonds (or any legal or beneficial interest therein) (i) in accordance with an available exemption from the registration requirements of Section 5 of the Securities Act of 1933, as amended (the "1933 Act"), (ii) in accordance with any applicable state securities laws, and (iii) in accordance with the transfer restrictions set forth in the Bonds and the Indenture.

7. The Investor is a "qualified institutional buyer" as defined in Rule 144A promulgated under the Securities Act of 1933, as amended ("Rule 144A"), an "accredited investor" as defined in Rule 501 promulgated under the Securities Act of 1933, as amended, or other permitted transferee under Section 2.05 of the Indenture; it understands that the Bonds may be offered, resold or transferred only to a person who is a "qualified institutional buyer," an "accredited investor," or another entity permitted under the Indenture.

8. If the Investor sells the Bonds (or any legal or beneficial interest therein), the Investor or its agent will, to the extent required by the Indenture, obtain for the benefit of each of you from any subsequent purchaser an Investor Letter in the form of this Letter or such other materials as are required by the Bonds and the Indenture to effect such sale and purchase. The Investor understands and agrees that the Trustee is not authorized to register any transfer of the Bonds prior to receipt of such Investor Letter, to the extent required by the Indenture.

9. None of the Trustee, Bond Counsel, counsel to the City, the City, its Board of Supervisors, or any of its employees or agents will have any responsibility to the Investor for the accuracy or completeness of information obtained by the Purchaser from any source regarding the Project, the City, the Borrower or their financial conditions or regarding the Bonds, the provisions for payment thereof, or the sufficiency of any security therefor, including, without limitation, any information specifically provided by any of such parties contained in

the Offering Information. The Investor acknowledges that, as between Investor and all of such parties: (a) the Investor has assumed responsibility for obtaining such information and making such review as the Investor has deemed necessary or desirable in connection with its decision to purchase the Bonds and (b) the Offering Information and any additional information specifically requested from the City or the Borrower and provided to the Investor prior to closing constitute all the information and review, with the investigation made by Investor (including specifically the Investor's investigation of the City, the Project and the Borrower) prior to its purchase of the Bonds, that Investor has deemed necessary or desirable in connection with its decision to purchase the Bonds.

10. The Investor understands that (a) the Bonds have not been registered with any federal or state securities agency or commission, and (b) no credit rating has been sought or obtained with respect to the Bonds, and the Investor acknowledges that the Bonds are a speculative investment and that there is a high degree of risk in such investment.

11. The Investor acknowledges that the Bonds are a limited obligation of the City, payable solely from the revenues or other amounts provided by or at the direction of the Borrower, and is not an obligation payable from the general revenues or other funds of the City, the State of California or any political subdivision of the State of California. The Investor acknowledges that the City is issuing the Bonds on a conduit, nonrecourse basis, and has no continuing obligations with respect thereto except as expressly set forth in the Indenture.

12. The Investor has the authority to purchase the Bonds and to execute this letter and other documents and instruments required to be executed by the Investor in connection with its purchase of the Bonds. The individual who is executing this letter on behalf of the undersigned is a duly appointed, qualified and acting officer of the Investor and authorized to cause the Investor to make the certifications, representations and warranties contained herein by the execution of this letter on behalf of the Investor.

13. The Investor acknowledges that no offering document has been produced in connection with the issuance or sale of the Bonds.

14. The Investor agrees to indemnify and hold harmless the City, the City's officials, officers, employees and agents, and the members of the governing board of the City with respect to any claim asserted against any of them that is based upon the Investor's sale, transfer or other disposition of its interests in the Bonds in violation of the provisions hereof or of the Indenture or any inaccuracy in any statement made by the Investor in this letter.

15. The Investor acknowledges that interest on a Bond is not excludable from gross income of the owner thereof for federal income tax purposes for any period during which such Bond is owned by a person who is a substantial user of the facilities financed by the Bonds or any person considered to be related to such substantial user (within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended).

The Investor acknowledges that the sale of the Bonds to the Investor is made in reliance upon the certifications, representations and warranties herein by the addressees hereto.

Very truly yours,

(b) *Nondiscrimination in the Provision of Employee Benefits.* San Francisco Administrative Code 12B.2. The Trustee does not as of the date of this Indenture, and will not during the term of this Indenture, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.

(c) *Condition to Contract.* As a condition to the Indenture, the Trustee shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

Commission has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City's ability to maintain safe work facilities or to protect the health and well-being of City employees and the general public. The Commission shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the individual lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

6. Sunshine Ordinance. The Trustee acknowledges that this Indenture and all records related to its formation, such Trustee's performance of services provided under the Indenture, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.

7. Limitations on Contributions. By executing this Indenture, The Trustee acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The prohibition on contributions applies to each prospective party to the contract; each member of the Trustee's board of directors; the Trustee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in such Trustee; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by such Trustee. The Trustee must inform each such person of the limitation on contributions imposed by Section 1.126 and provide the names of the persons required to be informed to City.

8. Requiring Minimum Compensation for Covered Employees. The Trustee shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P. The Trustee is subject to the enforcement and penalty provisions in Chapter 12P. By entering into this Indenture, the Trustee certifies that it is in compliance with Chapter 12P.

9. Requiring Health Benefits for Covered Employees. The Trustee shall comply with San Francisco Administrative Code Chapter 12Q. The Trustee shall choose and perform one of the Health Care Accountability options set forth in San Francisco Administrative Code Chapter 12Q.3. The Trustee is subject to the enforcement and penalty provisions in Chapter 12Q.

10. Prohibition on Political Activity with City Funds. In performing the services provided under the Indenture, the Trustee shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Indenture from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Trustee is subject to the enforcement and penalty provisions in Chapter 12G.

11. Nondisclosure of Private, Proprietary or Confidential Information. If this Indenture requires the City to disclose "Private Information" to a Trustee within the meaning of San Francisco Administrative Code Chapter 12M, the Trustee shall use such information consistent with the restrictions stated in Chapter 12M and in this Indenture and only as necessary in performing the services provided under the Indenture. The Trustee is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under the Indenture, the Trustee may have access to the City's proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to a Trustee, such information must be held by such Trustee in confidence and used only in performing the Indenture. The Trustee shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

12. Consideration of Criminal History in Hiring and Employment Decisions. The Trustee agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Indenture. The text of Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. A partial listing of some of the Trustees' obligations under Chapter 12T is set forth in this Section. The Trustee is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Indenture shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to an Trustee's operations to the extent those operations are in furtherance of the performance of this Indenture, shall apply only to applicants and employees who would be or are performing work in furtherance of this Indenture, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco. Chapter 12T shall not apply when the application in a particular context would conflict with

federal or state law or with a requirement of a government agency implementing federal or state law.

13. Submitting False Claims; Monetary Penalties. The full text of San Francisco Administrative Code §§ 21.35, including the enforcement and penalty provisions, is incorporated into this Indenture. Under San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

14. Conflict of Interest. By entering into the Indenture, the Trustee certifies that it does not know of any fact which constitutes a violation of Section 15.103 of the City's Charter; Article III, Chapter 2 of City's Campaign and Governmental Conduct Code; Title 9, Chapter 7 of the California Government Code (Section 87100 et seq.), or Title 1, Division 4, Chapter 1, Article 4 of the California Government Code (Section 1090 et seq.), and further agrees promptly to notify the City if it becomes aware of any such fact during the term of this Indenture.

15. Assignment. The services provided under the Indenture to be performed by the Trustee are personal in character and neither this Indenture nor any duties or obligations may be assigned or delegated by a Trustee unless first approved by the City by written instrument executed and approved in the same manner as this Indenture. Any purported assignment made in violation of this provision shall be null and void.

16. Food Service Waste Reduction Requirements. The Trustee shall comply with the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including but not limited to the provided remedies for noncompliance.

17. Cooperative Drafting. This Indenture has been drafted through a cooperative effort of the City and the Trustee, and all parties have had an opportunity to have the Indenture reviewed and revised by legal counsel. No party shall be considered the drafter of this Indenture, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Indenture.

18. Laws Incorporated by Reference. The full text of the laws listed in this Appendix D, including enforcement and penalty provisions, are incorporated into this Indenture by reference. The full text of the San Francisco Municipal Code provisions incorporated by reference in this Appendix D are available at [www.sfgov.org](http://www.sfgov.org) under "Open Gov."
