17 Be it ordained by the People of the City and County of San Francisco:

18 Section 1. Environmental and Land Use Findings.

19 (a) The Planning Department has determined that the actions contemplated in this
20 ordinance comply with the California Environmental Quality Act (California Public Resources
21 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
22 Supervisors in File No. 240411 and is incorporated herein by reference. The Board affirms
23 this determination.

24 (b) On June 13, 2024, the Planning Commission, in Resolution No. 21572, adopted
25 findings that the actions contemplated in this ordinance are consistent, on balance, with the
City’s General Plan and eight priority policies of Planning Code Section 101.1. The Board

1 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the
2 Board of Supervisors in File No. 240411, and is incorporated herein by reference.

3 (c) Pursuant to Planning Code Section 302, this Board finds that the Planning Code
4 amendments in this ordinance will serve the public necessity, convenience, and welfare for
5 the reasons set forth in Planning Commission Resolution No. 21572 and the Board
6 incorporates such reasons herein by reference.

7 (d) The Polk Street NC District (District) has an active, pedestrian-oriented, and
8 continuous commercial frontage along Polk Street that features small-scale commercial
9 business.

10 (e) The District has remained largely vibrant during a time when many brick and mortar
11 businesses have been impacted by economic difficulties.

12 (f) The Legacy Business Program helps preserve local small businesses by providing
13 assistance to businesses that have been long-standing pillars of our community through
14 marketing, business assistance, and specialized grants. Legacy Businesses do not need to
15 remain in their original location.

16 (g) It is reasonable to facilitate relocation of certain Legacy Businesses within the
17 District. Allowing certain Legacy Businesses allows the businesses to move to more
18 advantageous locations, and potentially expand their operations. Relaxing certain zoning
19 standards to permit the relocation of certain Legacy Businesses within the District also
20 provides assistance during challenging economic times.

21 (h) The District generally prohibits merging storefronts, and places limitations on use
22 sizes to preserve the district's small-scale, fine grain storefronts, however several narrowly
23 defined exemptions exist.

24 (i) This legislation adds an additional narrow exemption to the controls in the District to
25 facilitate the relocation of a Legacy Business. The exemption will allow a limited restaurant

1 Legacy Business to relocate and merge a storefront to continue as a neighborhood serving
2 business.

3
4 Section 2. Articles 1.2 and 7 of the Planning Code are hereby amended by revising
5 Sections 121.2 and 723, to read as follows:

6 **SEC. 121.2. NON-RESIDENTIAL USE SIZE LIMITS IN NEIGHBORHOOD**
7 **COMMERCIAL AND NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICTS.**

8 (a) In order to protect and maintain a scale of development appropriate to each
9 district, Non-Residential Uses of the same size or larger than the square footage stated in the
10 table below may be permitted only as Conditional Uses. The use area shall be measured as
11 the Gross Floor Area for each individual Non-Residential Use.

21 **SEC. 723. POLK STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

22 (a) **Background.** Sitting in the gulch between Nob and Russian Hills and Pacific
23 Heights, the Polk Street Neighborhood Commercial District extends for a mile as a north-
24 south linear strip, and includes a portion of Larkin Street between Post and California Streets.
25 Polk Street's dense mixed-use character consists of buildings with residential units above

1 ground-story commercial use. The district has an active, pedestrian-oriented, and continuous
2 commercial frontage along Polk Street for almost all of its length. Larkin Street and side
3 streets in the district have a greater proportion of residences than Polk Street itself. California
4 Street and Hyde Street also have active, pedestrian-oriented, and commercial frontage that is
5 small-scale. The district is well served by transit and includes the historic California Cable Car.
6 To preserve and maintain the district's small-scale, fine grain storefronts, the consolidation or
7 merger of existing retail or commercial spaces or storefronts is generally prohibited and lot
8 mergers are controlled. The district provides convenience goods and services to the
9 residential communities in the Polk Gulch neighborhood and to the residents on the west
10 slopes of Nob and Russian Hills. It has many apparel and specialty stores, as well as some
11 automobile uses, which serve a broader trade area. Commercial uses also include offices, as
12 well as movie theaters, restaurants, and bars which keep the district active into the evening.

13 (b) **Controls.**

15 (3) **Merger of Storefronts Prohibited.** To preserve and maintain the district's
16 small-scale, fine grain storefronts, the consolidation or merger of existing ground floor retail or
17 commercial spaces or storefronts shall be prohibited, except that two adjacent storefronts may
18 be consolidated or merged if: (A) the storefronts are for a Legacy Business on a corner lot
19 within the same building and Block and Lot number, and provided that the consolidation or
20 merger of storefronts would not result in a use size in excess of the principally permitted use
21 size within the Polk Street NCD, ~~or~~ (B) the storefronts are merged by a General Grocery use
22 in association with the replacement of a Legacy Business that is also a General Grocery use,
23 and the expansion of the General Grocery use is within a building on the same Lot, and is
24 consistent with the size limitations in Section 121.2, or (C) the storefronts are merged by a Limited
25

1 Restaurant use that relocates within the Polk Street NCD, and is designated as a Legacy Business as of
 2 the effective date of the ordinance in Board File No. 240411.
