

Replanting what we've lost

**Board of Supervisors Land Use
and Transportation Committee**

December 4, 2023

We connect people with nature and each other by planting and caring for SF's trees and gardens.

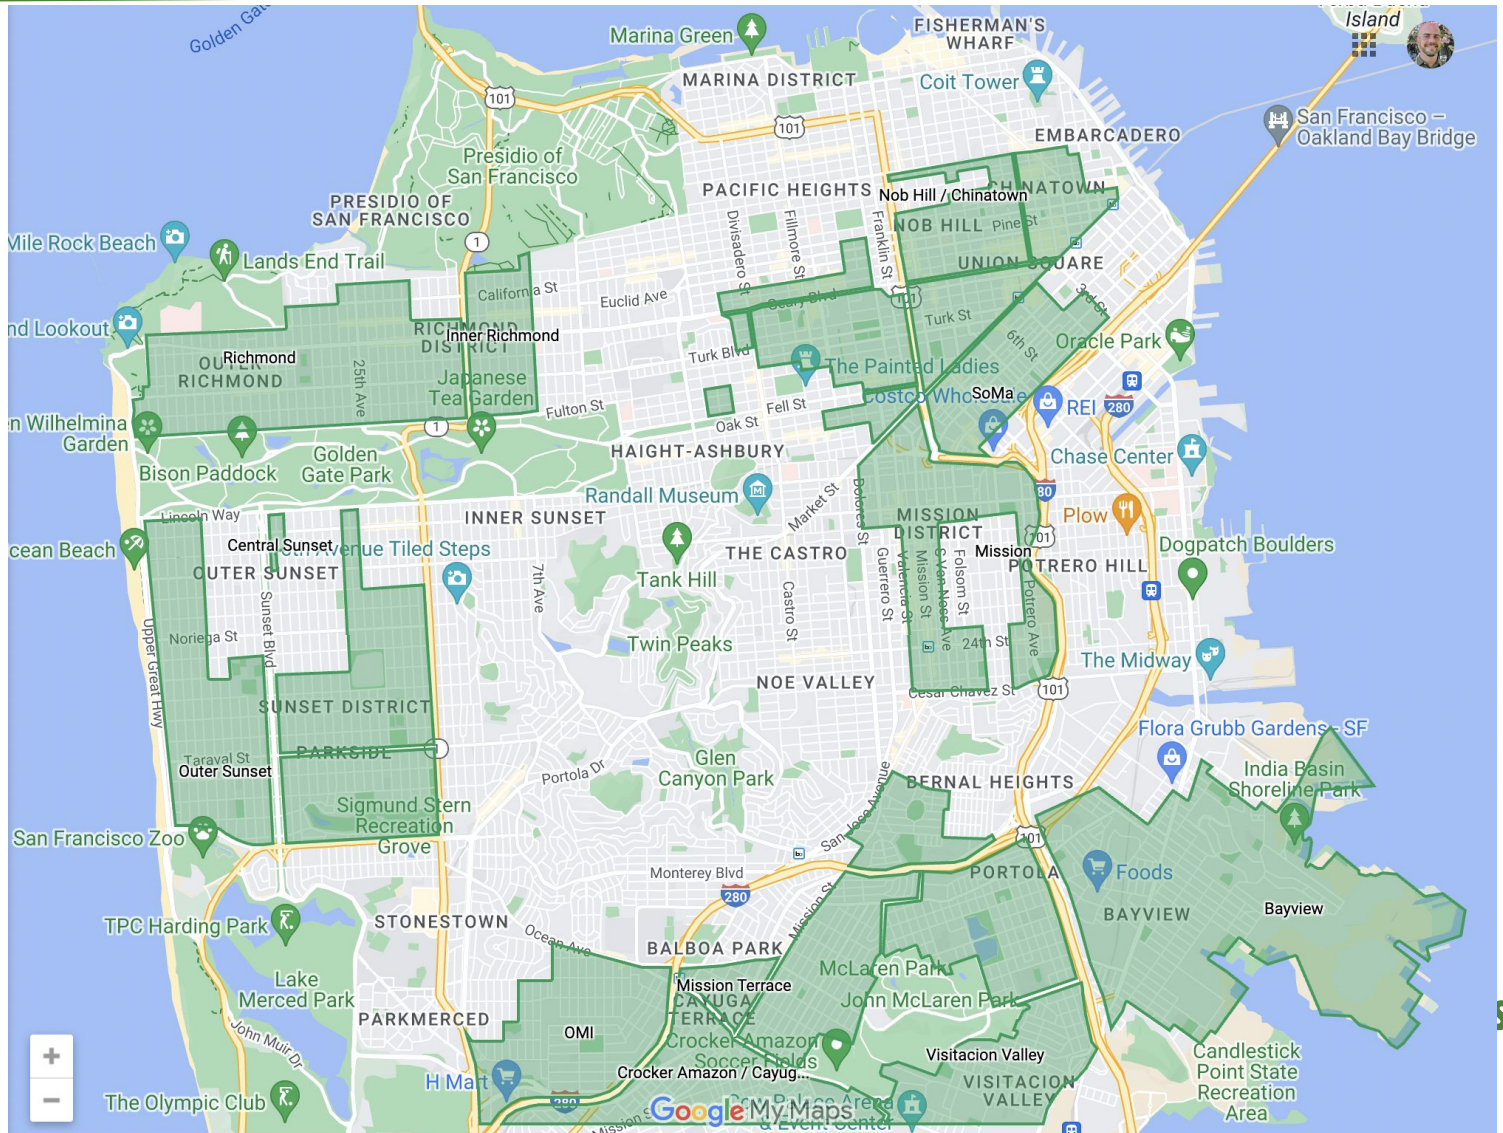

Our Goals

- 1,500 trees this fiscal year
- 7,500 trees over the next three years

Where we plant new trees

ST

Focus on replacement trees

Opportunities

**Inflation
Reduction Act**

**Green
Schoolyards**

**Street Tree
Nursery**

Challenges

**IRA funding
focuses on same
census tracts**

**Available
planting sites
pose difficulties**

**A permanent
source of
funding for tree
planting does
not exist.**

THANK
YOU!
