Re: 2505 Noriega Street (Apothecarium)
Our File No. 33465.1

Dear Ms. Calvillo:

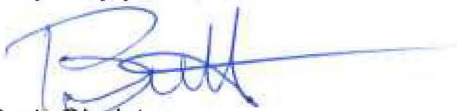

We represent PNB Noriega, the holder of the conditional use permit for the proposed Apothecarium at 2505 Noriega Street (Planning Case No. 2014-003153CUA). We respectfully request a two week continuance of the Motion on the Board's calendar as File No. 171083 for tomorrow's meeting to adopt findings related to the Conditional Use Authorization ("Findings").

We request this continuance for the following reasons:

1. The posting of the Findings were expected at the start or middle of last week, so we could have more of a chance to assess them. Instead, we viewed them Friday October 13, 2017 when the Agenda was posted. As a result, we were given about one and a half business days to review the Findings.
2. We would like to be given the time to review the video of the hearing to be able to assess whether the Findings are accurate.

Thank you for your consideration.

Very truly yours,

Brett Gladstone
