

### **Battery-Electric Bus Procurement – New Flyer of America, Inc.**

The San Francisco Municipal Transportation Agency (SFMTA) proposes to authorize the Director of Transportation to execute a contract with New Flyer of America Inc., to procure four, 40-foot and three 60-foot, low floor, battery-electric buses, along with associated spare parts, training, manuals, and special tools, using a cooperative purchasing agreement through the California Department of General Services.

Not a “project” under CEQA pursuant to CEQA Guidelines Sections 15060(c) and 15378(b) because the action would not result in a direct or a reasonably foreseeable indirect physical change to the environment.
