LEGISLATIVE DIGEST

[Administrative Code - Family Violence Council]

Ordinance amending the Administrative Code to change the composition of the Family Violence Council; and establishing a sunset date for the Council, unless it is reauthorized by an Ordinance.

Existing Law

The Family Violence Council is an advisory body that makes recommendations to the Board of Supervisors, the Mayor, the Superior Court, and City departments regarding prevention and treatment of child abuse, domestic violence, and elder/dependent adult abuse. Among other duties, the Council recommends strategies to serve survivors of family violence, recommends methods of educating the public about family violence, compiles relevant data, and facilitates communication and cooperation between public and private agencies.

The Council has 18 designated seats: 14 local government officials or their designees and the heads of four community-based organizations or their designees. Three of the members representing community-based organizations serve as the co-chairs of the Council and also serve as the members of the Steering Committee, a three-person committee that sets policy for the Council. The Steering Committee has discretion to appoint three additional members to the Council.

Amendments to Current Law

The proposed ordinance would add six seats to the Council, to be filled by the following City officials or their designees: Chief of Juvenile Probation; Public Defender; Director of the Department of Animal Care and Control; Superintendent of San Francisco Unified School District; Human Resources Director; and Chief of the Fire Department. The ordinance would also provide that the Board of Supervisors could temporarily appoint an individual to fill a seat whenever one of the seats designated for a non-City representative remains empty for 60 days or longer.

The ordinance would clarify that the co-chairs of the Council and members of the Steering Committee would be the representatives from the Domestic Violence Consortium, the Consortium for Elder Abuse Prevention, and the San Francisco Child Abuse Council.

The ordinance would set limits on the service of individuals representing community-based organizations on the Council. Starting in May 2015, no individual could serve as a Council member representing a community-based organization for more than six years out of any nine-year period.

FILE NO. 150083

The ordinance would also set general criteria for the appointees in the three additional Council seats appointed by the Steering Committee.

Under Board of Supervisors Rules of Order, Rule 2.21, the ordinance would also provide that the Council will automatically sunset on May 1, 2018 unless extended in a subsequent ordinance.

Re: Family Violence Council legislation (File #150083)

Dear Ms. Somera:

I am writing to express my enthusiastic support for the Family Violence Council legislation reflected in Board of Supervisors' file #150083. I believe the addition of the Juvenile Probation Department, Animal Care and Control, the Unified School District, Human Resources, and the Fire Department as members of the council, will enhance and expand the capacity of the council to address the broad and complex challenges associated with family violence in our community. As you may know, the Juvenile Probation Department has attended and participated in the Family Violence Council meetings for several years, even though we were not one of the identified member agencies. We know that the youth involved in the juvenile justice system often experience or witness family violence and suffer the devastating emotional and developmental impacts as a result of these traumatic events.

San Francisco has been a leader in its efforts to develop and implement policies to reduce the incidence of family violence in our community. I believe that this work has also influenced reductions in overall violence as well. We in the Juvenile Probation Department look forward to continued participation with the Family Violence Council and formal inclusion as a member agency. I respectfully urge the Board of Supervisors' (BOS) support for the amended legislation and stand ready to work with the BOS and the rest of the city family as we advance our efforts to tackle this important issue.

Respectfully,

Chief Allen A. Nance

RE: File No. 150083 Administrative Code, Family Violence Council – **SUPPORT**

Dear Supervisor Avalos:

I am writing to endorse File No. 150083, which would amend the Family Violence Council Ordinance. Updating the Ordinance was one of the recommendations contained in the Family Violence Council's 4th annual *Comprehensive Report on Family Violence in San Francisco*. The Department on the Status of Women staffs the Family Violence Council.

San Francisco is a model for the state in that it is the only county to join child abuse, domestic violence, and elder abuse in an interagency county-wide advisory council. File No. 150083 expands the Family Violence Ordinance to include new partners including the Public Defender, Juvenile Probation, Animal Care and Control, the San Francisco Unified School District, Human Resources, and the Fire Department, increasing the Family Violence Council's potential to collaborate across systems and widening the scope of information sharing and publishing on the status of violence in our community. I am enthusiastic about the potential this legislation holds to improve the capacity and quality of our tracking and analyzing of the status of family violence throughout the lifespan of San Francisco residents.

If you have any questions, you may contact me at (415) 553-9520.

Updating the Ordinance was one of the recommendations contained in the Family Violence Council's 4th annual *Comprehensive Report on Family Violence in San Francisco*. The Department on the Status of Women staffs the Family Violence Council.

San Francisco is a model for the state in that it is the only county to join child abuse, domestic violence, and elder abuse in an interagency county-wide advisory council. File No. 150083 expands the Family Violence Ordinance to include new partners, increasing the Family Violence Council's potential to collaborate across systems and widening the scope of information sharing and publishing on the status of violence in our community. The Department welcomes the Public Defender, Juvenile Probation, Animal Care and Control, the San Francisco Unified School District, Human Resources, and the Fire Department to join this innovative and unique collaboration. I am enthusiastic about the potential this legislation holds to improve the capacity and quality of our tracking and analyzing of the status of family violence throughout the lifespan of San Francisco residents.
