Notwithstanding the foregoing, if any building in the [] Project contains five (5) or more residential dwelling units, this subsection shall not be construed to prohibit occupancy of residential dwelling units in such building by one or more resident managers or maintenance personnel any of whom may be the Owner; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of residential dwelling units in the [] Project.

(h) The Owner shall not discriminate on the basis of race, creed, religion, color, sex, source of income (*e.g.*, TANF, Section 8 or SSI), physical disability (including HIV/AIDS), age, national origin, ancestry, marital or domestic partner status, sexual preference or gender identity in the rental, lease, use or occupancy of the [] Project or in connection with the employment or application for employment of persons for the construction, operation and management of the [] Project, except to the extent required hereby.

(i) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by assignment of the leasehold interest in the [] Project in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Code and the Regulations, or condemnation or similar event, the Owner covenants that, within a “reasonable period” determined in accordance with the Regulations, it will either prepay the Note or, if permitted under the provisions of the Security Instrument and the Funding Loan Agreement, apply any proceeds received as a result of any of the preceding events to reconstruct the [] Project to meet the requirements of Section 142(d) of the Code and the Regulations.

(j) The Owner agrees to maintain the [] Project, or cause the [] Project to be maintained, during the term of this Regulatory Agreement (i) in a reasonably safe condition and (ii) in good repair and in good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof such that the [] Project shall be in substantially the same condition at all times as the condition it is in at the time of the completion of the construction of the [] Project with the proceeds of the Note. Notwithstanding the foregoing, the Owner’s obligation to repair or rebuild the [] Project in the event of casualty or condemnation shall be subject to the terms of the Project Loan Agreement and the Security Instrument.

(k) The [] Project will have and continue to have []([]) residential dwelling units[, one (1) of which will be a manager’s unit.]

(l) The Owner will not sell dwelling units within the [] Project.

4. Restricted Units. The Owner hereby represents, as of the date hereof, and warrants, covenants and agrees with respect to the Project as follows:

(a) Income and Rent Restrictions. In addition to the requirements of Section 5, hereof, the Owner with respect to the Project shall comply with the income and rent restrictions of this Section 4(a), and any conflict or overlap between any two (2) or more of such provisions shall be resolved in favor of the most restrictive of such provisions, that is, in favor of the lowest income and rent restriction.

(i) Low-Income Units. A total of [] ([]) of the Available Units [excluding ____ () manager's unit,] in the [] Project shall be rented to and continuously occupied by households who qualify as Low-Income Tenants. The monthly rent charged for all the Low-Income Units shall not exceed one-twelfth (1/12) of the amount obtained by multiplying thirty percent (30%) times sixty percent (60%) of the lower of City Median Income or Median Income for the Area, less the utility allowance, provided however that the monthly rent charged for the Low-Income Units receiving the Section 8 subsidy shall be as determined in accordance with the HAP Contract.

(ii) Very Low-Income Units. A total of [] ([]) Available Units, [excluding one (1) manager's unit,] in the [] Project shall be rented to and continuously occupied by households who qualify as Very Low-Income Tenants. The monthly rent charged for all the Very Low-Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the lower of City Median Income or the Median Income for the Area, less the utility allowance, provided however that the monthly rent charged for the Very Low-Income Units receiving the Section 8 subsidy shall be as determined in accordance with the HAP Contract.

(iii) Additional MOHCD Restrictions. In addition to the above paragraphs (a)(i) and (ii), all Restricted Units shall at all times be occupied, or held vacant and available for rental, as required by the Declaration of Restrictions – Gap Loan, except where otherwise expressly restricted or prohibited by any CDLAC Requirements.

(iv) Income Restrictions Pursuant to the Code. Pursuant to the requirements of Section 142(d) of the Code, for the Qualified Project Period, not less than forty (40%) of the total number of completed units in the [] Project or [] ([]) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the Median Income for the Area; provided, however, that if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code or who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be Qualified Tenants pursuant to this sentence. The Owner shall satisfy the requirements of this Subsection 4(a)(iv) by complying with the requirements of Subsection 4(a)(i) and Subsection 4(a)(ii), as applicable, to the extent such compliance meets the requirements of Section 142(d)(1)(B) of the Code.

(v) Income and Rent Restrictions Pursuant to the Housing Law.

Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, for the Qualified Project Period, not less than forty percent (40%) of the total number of completed units, excluding the one (1) manager's unit, in the [] Project, or [] ([]) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the lower City Median Income or Median Income for the Area; provided, however, that if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code or who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be Qualified Tenants pursuant to this sentence. Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, the monthly rent charged for such units shall not exceed (a) one-twelfth (1/12th) of the amount obtained by multiplying thirty percent (30%) times sixty percent (60%) of the Median Income for the Area (excluding any supplemental rental assistance from the State, the Federal government, or any other public agency to those occupants or on behalf of those units), (b) less the utility allowance. The Owner shall satisfy the requirements of this Subsection 4(a)(v) by complying with the requirements of Subsection 4(a)(i) and Subsection 4(a)(ii), as applicable, to the extent such compliance meets the requirements of Section 52080(a)(1)(B) of the Housing Law.

(vi) CDLAC Requirements. To the extent the income and rent restrictions contained in the CDLAC Requirements are more restrictive than any of the foregoing requirements, the Owner shall comply with the CDLAC Requirements.

(vii) Income and Rent Restrictions in Event of Loss of Subsidy. If any Section 8 rental subsidy related to the [] Project is terminated or substantially reduced, the occupancy and rent restrictions set forth in Subsections 4(a)(i) and (ii) may be altered, but only to the minimum extent required for the financial feasibility of the [] Project, as determined by the City in its reasonable discretion in accordance with substantially similar underwriting criteria used by the City to evaluate the [] Project's financial feasibility prior to the Closing Date, provided that, in any event, one hundred percent (100%) of the units formerly under the HAP Contract, as applicable, must at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed eighty percent (80%) of Median Income for the Area and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of Median Income for the Area, and provided, further, the Owner first obtains and delivers to the Fiscal Agent and the City an opinion of Tax Counsel, acceptable to the City in its sole discretion, to the effect that such alteration would not adversely affect any exclusion of interest on the Tax-Exempt Note from gross income for federal tax purposes. To the extent financially feasible, as mutually determined by the parties, any such rent increase will be limited to (or will be first implemented with) any vacant units. In such event, the City shall use good faith efforts to meet with Owner, within fifteen (15) business days after Owner's written request to meet, in order to determine the amount of any rent increase. The relief provided by this section shall not be construed as authorizing the Owner to exceed any income or rent restrictions imposed on the Project by CDLAC, CTCAC or other agreements, and the Owner represents and warrants that it shall have obtained any necessary approvals or relief from any other applicable income and rent limitations prior to implementing the relief provided by this Section.

(viii) Income and Rent Restrictions in Event of Foreclosure. In the event of foreclosure, the occupancy and rent restrictions set forth in Subsections 4(a)(i) and (ii) may be altered, but only to the minimum extent required for the financial feasibility of the Project, as determined by the City in its reasonable discretion in accordance with substantially similar underwriting criteria used by the City to evaluate the Project's financial feasibility prior to the Closing Date, provided that, in any event, one hundred percent (100%) of the units formerly restricted under this Regulatory Agreement, as applicable, must at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed sixty percent (60%) of Median Income for the Area and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of sixty percent (60%) of Median Income for the Area, and provided, further, the Owner first obtains and delivers to the Fiscal Agent and the City an opinion of Tax Counsel, acceptable to the City in its sole discretion, to the effect that such alteration would not adversely affect any exclusion of interest on the Tax-Exempt Note from gross income for federal tax purposes or the CDLAC Resolution, as applicable. To the extent financially feasible, as mutually determined by the parties, any such rent increase will be limited to (or will be first implemented with) any vacant units. In such event, the City shall use good faith efforts to meet with Owner, within fifteen (15) business days after Owner's written request to meet, in order to determine the amount of any rent increase. The relief provided by this section shall not be construed as authorizing the Owner to exceed any income or rent restrictions imposed on the Project by CDLAC, CTCAC or other agreements, and the Owner represents and warrants that it shall have obtained any necessary approvals or relief from any other applicable income and rent limitations (including without limitation the Declaration of Restrictions – OCII Loan) prior to implementing the relief provided by this Section 4(a)(viii).

(ix) Restricted Units. Because all of the units in the [] Project are required to be Restricted Units[, excluding the one (1) manager's unit,] pursuant to Section 4(a) hereof, any Available must be rented to or held vacant for a Very-Low Income or Low-Income Tenant, as applicable.

(b) Over-Income Tenants. Notwithstanding the foregoing provisions of Section 4(a), no Tenant who satisfies the applicable income limit for a Restricted Unit upon initial occupancy shall be denied continued occupancy of a Restricted Unit in the [] Project because, after admission, the aggregate Adjusted Income of all Tenants in the Restricted Unit increases to exceed the qualifying limit for such Restricted Unit.

(c) Income Certifications. The Owner will obtain, complete and maintain on file Income Certification Forms for each Tenant (i) immediately prior to the initial occupancy of a Restricted Unit by such Tenant, and (ii) thereafter, annually, in each case in the form attached hereto as Exhibit B, together with such information, documentation and certifications as are required therein or by the City, in its discretion, to substantiate the Tenant's income. In addition, the Owner will provide such further information as may be required in the future by the State, CDLAC, the City (on a reasonable basis), the Program Administrator and by the Act, Section 142(d) of the Code or the Regulations, as the same may be amended from time to time, and in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code.

(d) Certificate of Continuing Program Compliance. Upon the commencement of the Qualified Project Period, and on each February 1st thereafter (or such other date as shall be requested in writing by the City or the Program Administrator) during the term of this Regulatory Agreement, the Owner shall advise the Program Administrator of the status of the occupancy of the [] Project by delivering to the Program Administrator (with a copy to the Fiscal Agent) an executed Certificate of Continuing Program Compliance (in the form of that which is attached hereto as Exhibit D). The Owner shall also timely provide to the City such information as is requested by the City to comply with any reporting requirements applicable to it with respect to the Note or the [] Project under any federal or State law or regulation, including without limitation, CDLAC regulations (Division 9.5 of Title 4 of the California Code of Regulations).

(e) Recordkeeping. The Owner will maintain complete and accurate records pertaining to the Restricted Units, and will permit any duly authorized representative of the City, the Program Administrator (if other than the City), the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Owner pertaining to the [] Project upon reasonable notice during normal business hours, including those records pertaining to the occupancy of the Restricted Units, but specifically excluding any material which may be legally privileged.

(f) Annual Certification to Secretary of Treasury. The Owner shall submit to the Secretary of the Treasury annually on or before March 31 of each year, or such other date as is required by the Secretary of the Treasury, a completed Internal Revenue Service Form 8703, and shall provide a copy of each such form to the Program Administrator and the Fiscal Agent. Failure to comply with the provisions of this Subsection will subject the Owner to penalty, as provided in Section 6652(j) of the Code.

(g) Lease Provisions Regarding Income Certification Reliance. All leases pertaining to Restricted Units do and shall contain clauses, among others, wherein each Tenant who occupies a Restricted Unit: (i) certifies the accuracy of the statements made in the Income Certification Form, (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such Tenant, that such Tenant will comply promptly with all requests for information with respect thereto from the Owner or the Program Administrator on behalf of the City, and that the failure to provide accurate information in the Income Certification Form or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such Tenant; (iii) acknowledges that the Owner has relied on the Income Certification Form and supporting information supplied by the Tenant in determining qualification for occupancy of the Restricted Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the Tenant's income is subject to annual certification in accordance with Subsection 4(c) hereof and that failure to cooperate with the annual recertification process reasonably instituted by the Owner pursuant to Subsection 4(c) above may provide grounds for termination of the lease.

(h) Maintenance of Tenant Lists and Applications. All tenant lists, applications and waiting lists relating to the [] Project shall at all times be kept separate and identifiable from any other business which is unrelated to the [] Project and shall be maintained,

as required from time to time by the Program Administrator on behalf of the City, in a reasonable condition for proper audit and subject to examination during normal business hours by representatives of the City or the Fiscal Agent. Failure to keep such lists and applications or to make them available to the City or the Fiscal Agent shall be a default hereunder.

(i) Tenant Lease Subordination. All tenant leases or rental agreements shall be subordinate to this Regulatory Agreement.

(j) No Encumbrance, Demolition or Non-Rental Residential Use. The Owner shall not take any of the following actions:

(i) Except for the Permitted Encumbrances or as otherwise previously approved by the City, encumber any portion of the Project or grant commercial leases or subleases of any part thereof (except in connection with the Commercial Space), or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases), except (a) pursuant to the provisions of this Regulatory Agreement and on a basis subordinate to the provisions of this Regulatory Agreement, to the extent applicable, (b) upon receipt by the Owner, the Fiscal Agent and the City of an opinion of Tax Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note, or (c) upon a sale, transfer or other disposition of the [] Project in accordance with the terms of this Regulatory Agreement;

(ii) demolish any part of the [] Project or substantially subtract from any real or personal property of the [] Project (other than in the ordinary course of business); or

(iii) permit the use of the dwelling accommodations of the [] Project for any purpose except rental residences.

(k) Compliance with Regulatory Agreement. The Owner shall exercise reasonable diligence to comply, or cause compliance, with the requirements of this Regulatory Agreement and shall notify the City within fifteen (15) days and correct any noncompliance within sixty (60) days after such noncompliance is first discovered by the Owner or would have been discovered by the exercise of reasonable diligence, unless such noncompliance is not reasonably susceptible to correction within sixty (60) days and, in the opinion of Tax Counsel acceptable to the City, in its sole discretion, such noncompliance would not have an adverse effect on any exclusion of interest on the Tax-Exempt Note from gross income for federal income tax purposes, in which event the Owner shall have such additional time as the City determines to be reasonably necessary to effect such correction provided the Owner has commenced such correction after discovery, is diligently prosecuting such correction and is keeping the City updated on the progress.

5. Additional Requirements of the City.

(a) Minimum Lease Term. The term of the lease for any Restricted Unit shall not be less than one (1) year.

(b) Limitation on Rent Increases. Annual rent increases on a Restricted Unit shall be limited to the percentage of the annual increase in the lower of City Median Income or

Median Income for the Area, as applicable. Rent increases which are permitted but not made in a given year may not be carried forward and made in any subsequent year.

(c) Appointment of Program Administrator. The Owner acknowledges that the City may appoint a Program Administrator (other than the City), at the sole cost and expense of the City, to administer this Regulatory Agreement and to monitor performance by the Owner of the terms, provisions and requirements hereof. In such event, the Owner shall comply with any reasonable request by the City and the Program Administrator to deliver to any such Program Administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and to make the [] Project and the books and records with respect thereto available for inspection during normal business hours with reasonable notice by the Program Administrator as an agent of the City. The City may change the Program Administrator at its sole and exclusive discretion. The Owner shall have the right to rely on any consent or direction given by the Program Administrator on the same basis as if given by the City.

(d) Management Agent. The Owner shall not enter into any agreement providing for the management or operation of the [] Project with any party other than John Stewart Company without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

(e) Certificate of Preference Program. To the fullest extent permitted by law, the Owner shall comply with the City's Certificate of Preference Program pursuant to San Francisco Administrative Code Section 24.8 and the Operational Rules referenced in Exhibit I, to the extent such compliance is not in conflict with any other requirements imposed on the [] Project pursuant to Sections 42 and 142(d) of the Code, the Act, the Gap Loan, the CDLAC Resolution, CTCAC requirements or other applicable Federal or State law.

(f) Nondiscrimination Based on Section 8, Household Size, or Source of Income. The Owner shall accept as Tenants, on the same basis as all other prospective Tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or any successor program or similar federal State or local governmental assistance program. The Owner shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants and the Owner shall not refuse to rent to any tenant on the basis of household size as long as such household size does not exceed two (2) persons for a studio unit; three (3) persons for a one-bedroom unit; five (5) persons for a two-bedroom unit and seven (7) persons for a three-bedroom unit. The Owner shall not collect any additional fees or payments from such a tenant except security deposits or other deposits required of all Tenants. The Owner shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of that allowed under the Section 8 program. The Owner shall not discriminate against Tenant applicants on the basis of legal source of income (e.g., TANF, Section 8 or SSI). Further, Owner shall comply with all notice provisions set forth in the Housing Act prior to terminating any lease to which any Tenant is a party. The Owner acknowledges that (i) federal notice requirements under the Housing Act are distinct from those under State law or City law and the Owner shall comply with all Federal, State and local laws in connection with any such notice requirements, and (ii) compliance with the law of one jurisdiction shall not be deemed compliance with the laws of all jurisdictions.

(g) Income Provisions after Expiration of Qualified Project Period. Notwithstanding the provisions of Subsection 6(f), the parties agree, from and after the expiration of the Qualified Project Period, (i) that Subsection 6(f)(i) shall not apply and (ii) that units reserved for occupancy as required by Subsection 4(a)(v) shall remain available to any eligible Tenant occupying as Restricted Unit at the date of such expiration or termination, at the rent determined by Subsection 4(a)(v), and such expiration or termination shall not be the cause for termination of a Tenant's tenancy in a Restricted Unit except as expressly provided in Subsection 6(f)(ii), Subsection 6(f)(iii), except that the reference to 30 years shall be seventy-five (75) years, and Subsection 6(f)(iv).

(h) Consideration for Restrictions. It is hereby acknowledged and agreed that any restrictions imposed on the operation of the [] Project herein and which are in addition to those imposed pursuant to Section 142(d) of the Code or the Act are voluntarily agreed to by the Owner in consideration of financial assistance from the City and an allocation of private activity bond volume cap from CDLAC.

(i) Amendment or Waiver by City; Conflicting Provisions. The requirements of Subsection 4(a)(i), Subsection 4(a)(ii) and of Section 5 hereof may be amended, modified or waived (but not increased or made more onerous), at the City's sole discretion, by written amendment signed by the City and the Owner, or expressly waived by the City in writing, but no such waiver by the City shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City and the Fiscal Agent have received an opinion of Tax Counsel to the effect that any such provision is not required by the Code or the Act and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Note. Any requirement of Subsection 4(a)(i), Subsection 4(a)(ii) or Section 5 shall be void and of no force and effect if the City, the Fiscal Agent and the Owner receive a written opinion of Tax Counsel to the effect that compliance with such requirement would be in conflict with the Act or any other applicable state or federal law.

(j) Extension of Qualified Project Period. Notwithstanding any other provision herein, the Qualified Project Period shall not expire earlier than, and the requirements of this Section 5 shall be in effect until the date that is the later of (i) seventy-five (75) years from the Closing Date or (ii) the end of the Life of the Project, provided, however, that if the Life of the Project is less than 75 years due to casualty, then the term of the Life of the Project controls; provided that certain provisions of this Section 5 shall survive and remain in full force and effect following the end of the Qualified Project Period, as specified in Section 11 hereof.

(k) Marketing and Tenant Selection Plan. Owner will market the Restricted Units in accordance with the Marketing and Tenant Selection Plan approved by the City, which shall be substantially in the form referred to in Exhibit J, as may be updated by the City from time to time.

(l) Annual Reporting. Owner must file with the City annual reports (the "Annual Monitoring Report") no later than one hundred twenty (120) days after the end of Owner's fiscal year. The Annual Monitoring Report must be in substantially the form referenced in Exhibit H, as may be updated by the City from time to time. Thereafter and for the remainder

of the Life of the [] Project, the Owner shall maintain sufficient records of the information generally requested in the Annual Monitoring Report.

(m) Capital Needs Assessment. Owner must file with the City a CNA every five (5) years, with the initial CNA due 5 years from the Completion Date. The CNA must be in the form referenced in Exhibit H, as may be updated or revised by the City from time to time.

6. Additional Requirements of State Law. In addition to the requirements set forth herein, pursuant to Section 52080 of the Housing Law, the Owner hereby agrees that it shall also comply with each of the following requirements, in each case, for the Term of this Regulatory Agreement, including the following:

(a) Tenants Under Section 8 of the Housing Act. The Owner shall accept as Tenants, on the same basis as all other prospective Tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, and shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(b) Availability on Priority Basis. The Restricted Units shall remain available on a priority basis for occupancy at all times by Qualified Tenants.

(c) Binding Covenants and Conditions. The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Owner.

(d) Recordation of Regulatory Agreement. This Regulatory Agreement shall be recorded in the office of the county recorder of the City and County of San Francisco, California, and shall be recorded in the grantor-grantee index under the name of the Owner as grantor and to the name of the City as grantee.

(e) Restricted Income Units of Comparable Quality. The Restricted Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the [] Project. Notwithstanding the foregoing, the parties agree that this Section 6(e) shall have no practical effect because one hundred percent (100%) of the units in the [] Project [excluding the one (1) Manager's Unit,] are required to be Restricted Units pursuant to Section 4(a).

(f) Availability Following Expiration of Qualified Project Period. Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and redemption of the Note, assignment of the leasehold interest in the [] Project in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by Subsection 4(a)(v) shall remain available to any eligible Tenant occupying a Restricted Unit at the date of such expiration or termination, at the rent determined by Subsection 4(a)(v), until the earliest of (i) the household's income exceeds one hundred-forty percent (140%) of the maximum eligible income specified therein (except as otherwise specified in Subsection 5(g)), (ii) the household voluntarily moves or is evicted for good cause, as defined in the Housing Law, (iii) thirty (30) years after the date of the commencement of the Qualified Project Period (except as otherwise specified in Subsection 5(g)), and (iv) the Owner pays the

relocation assistance and benefits to households if required by, and as provided in, Section 7264(b) of the California Government Code.

(g) Availability Preceding Expiration of Qualified Project Period. During the three (3) years prior to the expiration of the Qualified Project Period, the Owner shall continue to make available to Qualified Tenants Restricted Units that have been vacated to the same extent that non-Restricted Units, if any, are made available to non-eligible households. Nothing in this Subsection 6(g) or 6(f) shall be interpreted to require the City to monitor Owner's compliance herewith or with Subsection 6(f).

(h) Notice and Other Requirements. The Owner shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and shall comply with all applicable requirements of Section 65863.11 of the California Government Code.

(i) Syndication of the [] Project. As provided in Section 52080(e) of the Housing Law, the City hereby approves the syndication of tax credits with respect to the [] Project, pursuant to Section 42 of the Code, to the Investor Limited Partner, or any affiliate thereof or successor thereto, pursuant to the terms of the Partnership Agreement. Any syndication of tax credits with respect to the [] Project to an affiliate of the Investor Limited Partner shall not require the prior written approval of the City if the Partnership Agreement will not be amended, modified or supplemented in connection with such syndication except to reflect such transfer of limited partnership interests; provided, however, that the Owner shall provide to the City, at least five (5) business days prior to the effective date of any such syndication, written notice of such syndication certifying that no other amendment, modification or supplement to the Partnership Agreement will be effected in connection with such syndication, together with copies of any assignments of limited partnership interests and any other syndication documents. Any other syndication of the [] Project shall be subject to the prior written approval of the Director of MOHCD, which approval shall be granted only after the City determines that the terms and conditions of such syndication (i) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (ii) shall not cause any of the requirements of the City set forth in this Section 6 to be subordinated to the syndication agreement, and (iii) shall not result in the provision of fewer Restricted Units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement.

7. Indemnification. The Owner hereby releases the City (which includes MOHCD), the Fiscal Agent and the Funding Lender and their respective officers, members, directors, officials and employees from, and covenants and agrees, to the fullest extent permitted by law, to indemnify, hold harmless and defend the City, the Fiscal Agent, the Funding Lender and the officers, members, directors, officials, agents and employees of each of them (collectively, the "Indemnified Parties," and each an "Indemnified Party") from and against any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint and several (including, without limitation, costs of investigation, reasonable attorneys' fees and expenses, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the [] Project, Project Loan or Note, or the execution or

amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the [] Project or the making of the Borrower Loan, the Funding Loan or otherwise, including without limitation, any advances of the Borrower Loan or Funding Loan or any failure of the Funding Lender to make any advance thereunder; (c) arising from any act or omission of the Owner or any of its agents, servants, employees or licensees, in connection with the Project Loan or the [] Project; (d) arising in connection with the issuance and sale, resale or reissuance of any note or bond, including any secondary market transaction with respect thereto, or any certifications or representations made by any person other than the City or the party seeking indemnification in connection therewith and the carrying out by the Owner of any of the transactions contemplated by the Project Loan Agreement, the Funding Loan Agreement and this Regulatory Agreement; (e) arising in connection with the operation and management of the [] Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, or construction of, the Project or any part thereof; and (f) arising out of or in connection with the exercise by the City, the Funding Lender or the Fiscal Agent of their powers or duties under the Project Loan Agreement, the Funding Loan Agreement, this Regulatory Agreement or any other agreements in connection therewith to which either of them is a party or assignee; provided, however, that this provision shall not require the Owner to indemnify (i) the Funding Lender from any claims, costs, fees, expenses or liabilities arising from the negligence or willful misconduct of the Funding Lender or (ii) the City for any claims, costs, fees, expenses or liabilities arising solely from the willful misconduct of the City. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the engagement of counsel selected by the Indemnified Party; and the Owner shall assume the payment of all reasonable fees and expenses related thereto (provided however that if the Indemnified Party is the City, the selection of the counsel rests in the sole discretion of the City Attorney and the Owner shall assume the payment of all attorneys' fees and expenses related thereto), with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Notwithstanding the foregoing, no indemnification obligation shall give rise to an obligation to pay principal and interest on the Loan, which is not otherwise set forth in the Funding Loan Agreement, the Project Loan Agreement, the Note or any other agreement relating to the Note.

Additionally, the Owner also shall, to the fullest extent permitted by law, pay and discharge and shall indemnify and hold harmless the City and the Funding Lender from (i) any lien or charge upon payments by the Owner to the City and the Funding Lender hereunder and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the [] Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the City or the Funding Lender shall give prompt notice to the Owner, and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, including the engagement of counsel approved by the Indemnified Party and the payments of all reasonable fees and expenses related thereto (provided that if the Indemnified Party is the City, the selection of counsel (which may be or include the City Attorney of the City) rests in the sole discretion of the City Attorney) and the Owner shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that

the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. If a potential conflict exists between the Owner's defense and the interests of an Indemnified Party, then such Indemnified Party shall have the right to engage separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Owner shall pay the reasonable fees and expenses (and in the case of the City, all such fees and expenses) of such separate counsel.

Notwithstanding any transfer of the [] Project to another Owner in accordance with the provisions of Section 10 of this Regulatory Agreement, the Owner shall remain obligated to indemnify the City pursuant to this Section 7 if such subsequent Owner fails to so indemnify the City, unless at the time of transfer the City has consented to the transfer to the extent such consent is required hereunder.

The provisions of this Section 7 shall survive the term of the Note and this Regulatory Agreement, including the termination of this Regulatory Agreement pursuant to the second paragraph of Section 11 hereof and the earlier removal or resignation of the Fiscal Agent.

The obligations of the Owner under this Section are independent of any other contractual obligation of the Owner to provide indemnity to the Indemnified Parties or otherwise, and the obligation of the Owner to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Owner. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which they are entitled to indemnification.

In addition thereto, the Owner will pay upon demand all of the fees and expenses paid or incurred by the Indemnified Parties in enforcing the provisions hereof.

8. Consideration. The City has issued the Note and made the Loan to provide funds for the purpose of financing the HV3-Vertical Project, all for the purpose, among others, of inducing the Owner to acquire, construct, equip and operate the HV3-Vertical Project. In consideration of the making of the Project Loan by the City, the Owner has entered into this Regulatory Agreement and has agreed to restrict the use of the Project on the terms and conditions set forth herein.

9. Reliance. The City and the Owner hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Note, and in the Tax-Exempt status of the interest on the Tax-Exempt Note. In performing its duties and obligations hereunder, the City may rely upon statements and certificates of the Owner and the Tenants, and upon audits of the books and records of the Owner pertaining to the [] Project. In addition, the City may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City hereunder in good faith and in conformity with such opinion

10. Sale or Transfer of the Project. The Owner intends to hold the [] Project for its own account, has no current plans to sell, transfer or otherwise dispose of the [] Project (except in accordance with the right of first refusal or the buy-out option described in the Partnership

Agreement), and, except as otherwise provided herein, hereby covenants and agrees not to sell, transfer or otherwise dispose of the [] Project, or any portion thereof (other than for individual tenant use and the leasing of the Commercial Space as contemplated hereunder and/or pursuant to the aforementioned right of first refusal) or interest therein, including any interest in the Owner, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld, and receipt by the City of (i) evidence satisfactory to the City that the Owner's purchaser or transferee has assumed in writing and in full, the Owner's duties and obligations under this Regulatory Agreement, (ii) an opinion of counsel of the transferee that the transferee has duly assumed the obligations of the Owner under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) evidence acceptable to the City that either (A) the purchaser or assignee has experience in the ownership, operation and management of rental housing projects in the City such as the [] Project without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, or (B) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subparagraph (A) above or (C) if the purchaser or assignee does not have management experience, the City may cause the Program Administrator to provide on-site training in program compliance if the City determines such training is necessary, (iv) evidence satisfactory to the City that no event of default exists under this Regulatory Agreement, the Project Loan Agreement or any document related to the Project Loan, and payment of all fees and expenses of the City and the Fiscal Agent due under any of such documents is current, and (v) an opinion of Tax Counsel to the effect that such transfer will not, in itself, cause interest on the Tax-Exempt Note to become includable in the gross income of the recipients thereof for federal income tax purposes except to the extent held by a "substantial user" of the [] Project or a "related person" within the meaning of Section 147(a) of the Code. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the [] Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Regulatory Agreement. Nothing in this Section 10 shall affect any provision of any other document or instrument between the Owner and any other party which requires the Owner to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the [] Project. Not less than sixty (60) days prior to consummating any sale, transfer or disposition of any interest in the [] Project, the Owner shall deliver to the City a notice in writing explaining the nature of the proposed transfer and providing relevant information regarding the proposed transfer.

Notwithstanding the foregoing, the provisions of this Section 10 shall not apply to the granting of the Security Instrument (or the exercise of remedies thereunder following an uncured event of default) or transfer of all or any portion of (a) the limited partner interest of the Investor Limited Partner in the Owner (which is instead subject to paragraph (i) of Section 6), (b) the General Partner interest to an affiliate of the General Partner or Investor Limited Partner if Investor Limited Partner has removed and replaced the General Partner for cause pursuant to the Partnership Agreement, or (c) the transfer of any non-managing member or limited partner interest in the Investor Limited Partner; provided however that such grant, exercise or transfer will not adversely affect the Tax-Exempt status of the interest on the Tax-Exempt Note or the exemption from State personal income taxation of the interest on the Note. Notwithstanding the foregoing sentence, promptly upon the occurrence of any of such transfer, grant, or exercise of remedies under the Security Interest (including, but not limited to a foreclosure), the transferee or subsequent

owner shall provide to the City evidence satisfactory to the City that such transferee or new owner has acknowledged in writing, and in full, that the duties and obligations of the “Owner” under Sections 3, 4 and 5 of this Regulatory Agreement and any provisions thereof relating to the enforcement of such provisions or remedies resulting from any breach thereof shall survive and continue to constitute an encumbrance on the HV3-Vertical Project.

11. Term. Subject to the following paragraph of this Section 11, Section 7 hereof and to any other provision expressly agreed herein to survive the termination of this Regulatory Agreement, this Regulatory Agreement and all of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect until the later of (a) the end of the Qualified Project Period or (b) seventy-five (75) years after the date on which at least fifty percent (50%) of the units in the [] Project are first occupied.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement shall terminate and be of no further force and effect in the event of (i) involuntary noncompliance with the provisions of this Regulatory Agreement caused by events such as fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the City from enforcing such provisions, or (ii) foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure, or condemnation or a similar event, but only if, in case of the events described in either clause (i) or (ii) above within a reasonable period, either the Note is paid in full or cancelled or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure, exercise of power of sale, or the delivery of an assignment of the leasehold interest in the Project in lieu of foreclosure or a similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Owner hereby agrees that, following any foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure or similar event, neither the Owner nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. The Owner shall provide written notice of any termination of this Regulatory Agreement to the City in the event of the occurrence of any of the events described herein above. Notwithstanding the preceding provisions of this Section, Owner agrees that Sections 3, 4 and 5 of this Regulatory Agreement (and any provisions relating to the enforcement of such provisions or remedies resulting from any breach thereof) shall survive the termination of this Regulatory Agreement pursuant to the preceding provisions of this paragraph and remain in full force and effect until the end of the Qualified Project Period.

Upon the expiration or termination of this Regulatory Agreement or certain terms hereof, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of said expired or terminated terms; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

12. Covenants to Run with the Land. The Owner hereby subjects the [] Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and

the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the [] Project; provided, however, that on the expiration or termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire except those terms which are expressly intended to survive expiration or termination. Each and every contract, deed or other instrument hereafter executed covering or conveying the [] Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. No breach of any of the provisions of this Regulatory Agreement shall defeat or render invalid the lien of a mortgage made in good faith and for value encumbering the Site.

13. Burden and Benefit. The City and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the [] Project is rendered less valuable thereby. The City and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the [] Project by Low-Income Tenants and Very Low-Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Note was issued.

14. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire [] Project in order to establish and carry out a common plan for the use, development and improvement of the Site.

15. Enforcement. If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days (the "Cure Period") after written notice thereof shall have been given by the City to the Owner and the Investor Limited Partner (and a copy of such notice shall also be given to the Fiscal Agent, provided however that the failure of the City to provide such copy to the Fiscal Agent shall have no effect on the sufficiency of the notice to the Owner), the City may, as its sole option, extend the Cure Period (provided, however, that the City may at its sole option extend such period if the default is of the nature which would reasonably require more than 60 days to cure and if the Owner provides the City, if requested by the City, with an opinion of Tax Counsel to the effect that such extension will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note). Upon the expiration of the Cure Period, as the same may be extended, then the City may declare an "event of default" to have occurred hereunder, and, subject to the provisions of the Funding Loan Agreement, may take any one or more of the following steps:

(a) by mandamus or other suit, action or proceeding at law or in equity, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder; or

(b) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the [] Project or the HV3-Vertical Project; or

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder, subject, however, to those limits on exercising remedies set forth in Section 7.02 of the Project Loan Agreement.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the occurrence of an event of default under this Regulatory Agreement shall not be deemed, under any circumstances whatsoever, to be a default under the Security Instrument except as may be otherwise specified in the Security Instrument.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the City agrees that any cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

16. Recording and Filing. The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the City and County of San Francisco, California and in such other places as the City may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

(a) Payment of Fees. The Owner shall pay to the City, or to the Fiscal Agent at the direction of the City, [on each anniversary date of the Closing Date during the term of this Regulatory Agreement one-eighth of one percent (0.125%) of the average outstanding aggregate issuance amount of the Note in the previous twelve (12) months, but no less than \$2,500]. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Funding Loan Agreement and/or Project Loan Agreement, the Owner shall continue to pay the City's Annual Fee as calculated and described above. Upon the occurrence of an event of default hereunder, the Owner shall continue to pay to the City compensation for any services rendered by it hereunder and reimbursement for all expenses incurred by it in connection therewith.

In case any action at law or in equity, including an action for declaratory relief, is brought against the Owner to enforce the provisions of this Regulatory Agreement, the Owner agrees to pay reasonable attorney's fees and other reasonable expenses incurred by the City, the Funding Lender, the Fiscal Agent, CDLAC and/or the Program Administrator in connection with such action.

Notwithstanding any other provision of this Section, the Annual Fee described in this Section are intended to constitute the Annual Fee for the entirety of the Note and both non-contiguous sites of the HV-3 Vertical Project. Notwithstanding the duplicate fee payment obligations contained in this Section 17 of the other regulatory agreement described in Recital D hereof, Owner shall only be liable for the payment of the Annual Fee under one such regulatory agreement, without the duplication of payment, and any such Annual Fee payment under any such regulatory agreement shall be deemed to be credited against the corresponding Annual Fee obligation due under the other regulatory agreement.

17. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California.

18. Amendments. To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the City, the Fiscal Agent and the Owner, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the Tax-Exempt status of interest on the Tax-Exempt Note, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements. Otherwise, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the City and County of San Francisco, California, provided that any amendment to the CDLAC Requirements shall also be subject to the consent of CDLAC, and provided further, that any amendment to Sections 3 and 4 thereof shall require an opinion of Tax Counsel filed with the City, the Fiscal Agent, the Funding Lender and the Owner, to the effect that such amendment will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note.

19. City Contracting Provisions. The Owner covenants and agrees to comply with the City Contracting Provisions set forth in Exhibit G to this Regulatory Agreement, which are incorporated in and made a part of this Regulatory Agreement by this reference.

20. Notice. All notices, certificates or other communications shall be sufficiently given and shall be deemed given (i) on the date personally delivered or (ii) on the second business day following the date on which the same have been mailed by first class mail, postage prepaid, or (iii) by telecopier or other electronic means (including email), and deemed given one business day after such facsimile or electronic transmission but only upon prompt receipt of such notice by first class or overnight mail, or (iv) the business day following delivery by a recognized overnight delivery service, addressed as follows:

Any of the foregoing parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, documents or other communications shall be sent.

21. Interpretation. The parties to this Regulatory Agreement acknowledge that each party and their respective counsel have participated in the drafting of this Regulatory Agreement. Accordingly, the parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Regulatory Agreement or any supplement or exhibit hereto.

22. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

23. Third-Party Beneficiaries. The parties to the Regulatory Agreement recognize and agree that the terms of this Regulatory Agreement and the enforcement of those terms are entered into for the benefit of various parties, and the parties hereto acknowledge that the Fiscal Agent and CDLAC are third party beneficiaries of this Regulatory Agreement. CDLAC shall accordingly have contractual rights in this Regulatory Agreement and shall be entitled (but not obligated) to enforce, in accordance with Section 15 hereof, the terms hereof and the terms of the CDLAC Resolution. Notwithstanding the above, CDLAC shall be entitled solely to enforce the terms of the CDLAC Resolution, and any enforcement of the terms and provisions of the CDLAC Resolution by CDLAC shall not adversely affect the interests of the Fiscal Agent, and shall otherwise be subject to the terms, conditions and limitations otherwise applicable to the enforcement of remedies under this Regulatory Agreement pursuant to Section 52080(k) of the Housing Law, the provisions of Subsection 4(a)(v) and Section 6 hereof may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Owner's failure to comply with that Section.

24. Multiple Counterparts. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

25. CDLAC Requirements. In addition to the other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Owner hereby agrees: i) to comply with the CDLAC Resolution; ii) that the acquisition, construction, and operation of the HV3-Vertical Project, and the financing thereof, is and shall be in compliance with the conditions set forth in Exhibit A ("CDLAC Requirements") to CDLAC Resolution No. 22-277 adopted on November 30, 2022 [as supplemented by _____, _____.] attached hereto as Exhibit F (together, the "CDLAC Resolution"), which CDLAC Requirements are incorporated herein by this reference; and iii) that the Owner will cooperate fully with the City in connection with the City's monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Requirements not contained within this Regulatory Agreement, but referred to in the CDLAC Requirements, is the responsibility of the Owner to report to the City.

After the Tax-Exempt Note is executed and delivered, the terms and conditions set forth in the CDLAC Resolution shall be enforceable by CDLAC (or in its sole discretion the City) through an action for specific performance or any other available remedy. In addition, after the Note is issued, a) changes to Items #1, #6, #7, #10 thru #12, #14 thru #16, #18 thru #26, and #37 of the CDLAC Requirements require CDLAC's Committee or Executive Director's approval (or as otherwise required by CDLAC); and b) items #2, #13, #17, and #27 of the CDLAC Requirements cannot be altered. Changes to Items #3 thru #5 of the CDLAC Resolution require no CDLAC Committee or Executive Director's approval but any alterations must be reported to CDLAC staff for the affordability period. Changes to Items #8 and #9 of the CDLAC Requirements require no CDLAC notification and changes to Items #28 thru #36 of the CDLAC Requirements require CDLAC Committee or Executive Director's approval only prior to the [] Project being placed in service by the CTCAC, if tax credits are received.

Compliance with the terms of the CDLAC Requirements not specifically set forth in this Regulatory Agreement are the responsibility of the Owner to report to the City.

In addition to its obligations to CDLAC set forth in the CDLAC Requirements, annually, on February 1st, until construction of the [] Project has been completed and the Owner has submitted to the City the Certificate of Completion, and thereafter on March 1st every three years, the Owner shall prepare and submit to the City a Certificate of Compliance II in the form required by CDLAC and referenced in the CDLAC Resolution, executed by an Authorized Owner Representative.

Any of the foregoing requirements of CDLAC contained in this Section 26 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver of CDLAC of any requirement of this Section 26 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, except to the extent that the City has received an opinion of Tax Counsel that any such provision is not required by the Act or the Code and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Note for federal income tax purposes; and (ii) any requirement of this Section 26 shall be void and of no force and effect if the City and the Owner receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Tax-Exempt Note to cease to be Tax-Exempt or to the effect that any compliance with such requirement would be in conflict with the Act, the Code or any other state or federal law.

26. California Debt and Investment Advisory Commission Reporting Requirements.

No later than January 31 of each calendar year (commencing January 31, 2024), the Owner, on behalf of the City, agrees to provide the California Debt and Investment Advisory Commission, by any method approved by such Commission, with a copy to the City, the annual report information required by Section 8855(k)(1) of the California Government Code. This covenant shall remain in effect until the later of the date (i) the Note is no longer outstanding or (ii) the proceeds of the Note and the Funding Loan have been fully spent.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the City and the Owner have executed this Regulatory Agreement by their duly authorized representatives, all as of the date first written hereinabove.

CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Regulatory Agreement as if set forth in the text thereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Regulatory Agreement (referred to herein as “Agreement”).

1. Nondiscrimination; Penalties.

(a) *Nondiscrimination in Contracts.* The Owner shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Owner shall incorporate by reference in any subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require any subcontractors to comply with such provisions. The Owner is subject to the enforcement and penalty provisions in Chapters 12B and 12C.

(b) *Nondiscrimination in the Provision of Employee Benefits. San Francisco Administrative Code 12B.2.* The Owner does not as of the date of this Agreement, and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.

2. MacBride Principles—Northern Ireland. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Agreement. By entering into this Agreement, the Owner confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

3. Tropical Hardwood and Virgin Redwood Ban. Pursuant to San Francisco Environment Code Section 804(b), the City urges the Owner not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

4. Alcohol and Drug-Free Workplace. The City reserves the right to deny access to, or require the Owner to remove from, City facilities personnel of the Owner who the City has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City’s ability to maintain safe work facilities or to protect the health and well-being of City employees and the general public. The City shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the individual

lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

5. Compliance with Americans with Disabilities Act. The Owner shall provide the services specified in this Agreement in a manner that complies with the Americans with Disabilities Act (ADA), including but not limited to Title II's program access requirements, and all other applicable federal, state and local disability rights legislation.

6. Sunshine Ordinance. The Owner acknowledges that this Agreement and all records related to its formation, the Owner's performance under this Agreement, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.

7. Limitations on Contributions. By executing this Agreement, the Owner acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of the Owner's board of directors; the Owner's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10% in the Owner; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Owner. The Owner certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

8. Requiring Minimum Compensation for Covered Employees. If Administrative Code Chapter 12P applies to this Agreement, the Owner shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. The Owner is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>. The Owner is required to comply with all of the applicable provisions of 12P, irrespective of the listing of obligations in this Section. By signing and executing this Agreement, the Owner certifies that it complies with Chapter 12P.

9. Requiring Health Benefits for Covered Employees. If Administrative Code Chapter 12Q applies to this Agreement, the Owner shall comply with the requirements of Chapter 12Q. For each Covered Employee, the Owner shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Owner chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission. Information about and the text of the Chapter 12Q, as well as the Health Commission’s minimum standards, is available on the web at <http://sfgov.org/olse/hcao>. The Owner is subject to the enforcement and penalty provisions in Chapter 12Q. Any subcontract entered into by the Owner shall require any subcontractor with 20 or more employees to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section.

10. Prohibition on Political Activity with City Funds. In performing under this Agreement, the Owner shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Owner is subject to the enforcement and penalty provisions in Chapter 12G.

11. Nondisclosure of Private, Proprietary or Confidential Information. If this Agreement requires the City to disclose “Private Information” to the Owner within the meaning of San Francisco Administrative Code Chapter 12M, the Owner shall use such information consistent with the restrictions stated in Chapter 12M and in this Agreement and only as necessary in performing the services provided under this Agreement. The Owner is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under this Agreement, the Owner may have access to the City’s proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Owner, such information must be held by the Owner in confidence and used only in performing this Agreement. The Owner shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

12. Consideration of Criminal History in Hiring and Employment Decisions. The Owner agrees to comply fully with and be bound by all of the provisions of Chapter 12T, “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (“Chapter 12T”), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement. The text of Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. A partial listing of some of the Owner’s obligations under Chapter 12T is set forth in this Section. The Owner is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to the Owner’s operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to

applicants and employees who would be or are performing work in furtherance of this Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco which excludes Airport property. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

this Agreement, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. (b) The Funding Lender Representative may appoint a Servicer to service the Loans for all or a portion of the term of the Loans. The initial Servicer of the Loans is Bank of America, N.A., which shall service the Loans as required by the Initial Funding Lender. On the Permanent Purchase Date, the Permanent Funding Lender shall become the Servicer and shall service the Loans. The Funding Lender Representative may remove a Servicer or appoint a replacement Servicer, in its discretion, by written notice provided to the Governmental Lender, the Fiscal Agent and the Borrower. Any successor Servicer shall signify its acceptance of the duties and obligations imposed upon it by the Funding Loan Agreement and this Project Loan Agreement by executing such instrument(s) as shall be acceptable to the Funding Lender Representative, a copy of which shall be provided to the parties hereto.

Section 3.03 *Deposits.*

On the Delivery Date, pursuant to section 2.11 of the Funding Loan Agreement, the Initial Installment shall be deposited in the Project Account of the Project Loan Fund. Thereafter, on each date of an advance of the proceeds of the Funding Loan, such proceeds shall be deposited in the Project Account of the Project Loan Fund. On the Delivery Date, the Borrower will cause to be transferred to the Fiscal Agent from the closing escrow, from Borrower funds, for credit to the Cost of Issuance Fund, the Cost of Issuance Deposit.

Section 3.04 *Pledge and Assignment to Fiscal Agent.* The parties hereto acknowledge, and the Borrower consents to, the pledge and assignment by the Governmental Lender to the Fiscal Agent pursuant to the Funding Loan Agreement of all of the Governmental Lender's right, title and interest in this Project Loan Agreement (excluding the Unassigned Rights), the Project Loan, the Project Notes, the Security Instrument, the other Project Loan Documents and the Revenues as security for the payment of the principal of, premium, if any, and interest on the Governmental Notes and the payment of any other amounts due under the Financing Documents.

Section 3.07 *Enforcement of Financing Documents.* The Fiscal Agent or the Funding Lender Representative may enforce and take all reasonable steps, actions and the proceedings necessary for the enforcement of all terms, covenants and conditions of the Funding Loan Agreement and the other Financing Documents as and to the extent set forth herein and therein.

ARTICLE IV

LOAN PAYMENTS

Section 4.01 *Payments Under the Project Notes; Independent Obligation of Borrower.*

(a) **Payment Obligations.** The Borrower agrees to repay the Project Loan on each Project Loan Payment Date as provided in the Project Notes, and in all instances at the times and in the amounts necessary to enable the Fiscal Agent, on behalf of the Governmental Lender, or the Servicer, to pay all amounts payable with respect to the Funding Loan, when due, whether at maturity or upon prepayment (with Prepayment Premium, if applicable), acceleration or otherwise. To ensure such timely payment during the Permanent Phase, the Servicer shall collect from the Borrower, and the Borrower shall provide to the Servicer the foregoing payments not less than two (2) Business Days prior to each respective Project Loan Payment Date.

The obligation of the Borrower to make the payments set forth in this Article IV shall be an independent obligation of the Borrower, separate from its obligation to make payments under the Project Notes, provided that in all events payments made by the Borrower under and pursuant to the Project Notes shall be credited against the Borrower's obligations hereunder on a dollar for dollar basis. If for any reason the Project Notes or any provision of the Project Notes shall be held invalid or unenforceable against the Borrower by any court of competent jurisdiction, the Project Notes or such provision of the Project Notes shall be deemed to be the obligation of the Borrower pursuant to this Project Loan Agreement to the full extent permitted by law and such holding shall not invalidate or render unenforceable any of the provisions of this Article IV and shall not serve to discharge any of the Borrower's payment obligations hereunder or eliminate the credit against such obligations to the extent of payments made under the Project Notes.

(b) **Obligations Unconditional; No Set-Off.** The obligation of the Borrower to repay the Project Loan, to perform all of its obligations under the Project Loan Documents, to provide indemnification pursuant to Section 6.01 hereof, to pay costs, expenses and charges pursuant to Section 4.02 hereof and to make any and all other payments required by this Project Loan Agreement, the Funding Loan Agreement or any other documents contemplated by this Project Loan Agreement or by the Project Loan Documents shall, subject to the limitations set forth in

Section 4.06 hereof, be absolute and unconditional, and shall be paid or performed without notice or demand (except as otherwise set forth herein or under any of the Project Loan Documents), and without abatement, deduction, set-off, counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether the Borrower's title to the Project or to any part thereof is defective or nonexistent, and notwithstanding any damage due to loss, theft or destruction of the Project or any part thereof, any failure of consideration or frustration of commercial purpose, the taking by eminent domain of title to or of the right of temporary use of all or any part of the Project, legal curtailment of the Borrower's use thereof, the eviction or constructive eviction of the Borrower, any change in the tax or other laws of the United States of America, the State or any political subdivision thereof, any change in the Governmental Lender's legal organization or status, or any default of the Governmental Lender or the Fiscal Agent hereunder or under any other Financing Document, and regardless of the invalidity of any action of the Governmental Lender or the invalidity of any portion of this Project Loan Agreement.

(c) **Payments from Borrower to Fiscal Agent or Servicer.** Each payment by the Borrower hereunder or under the Project Notes shall be made in immediately available funds to the Servicer on each Project Loan Payment Date or such other date when such payment is due; provided, however, such Project Loan Payment shall be made directly to the Fiscal Agent if there is no Servicer or if the Borrower is so directed in writing by the Funding Lender Representative. Each such payment shall be made to the Fiscal Agent or the Servicer, as applicable, by deposit to such account as the Fiscal Agent or the Servicer may designate by written notice to the Borrower. Whenever any Project Loan Payment or any other payment under this Project Loan Agreement or under the Project Notes shall be stated to be due on a day that is not a Business Day, such payment shall be made on the first Business Day immediately thereafter.

Section 4.02 *Additional Payments Under the Project Notes and this Project Loan Agreement.*

(a) In addition to the payments set forth in Section 4.01 hereof, payments to be made by the Borrower under the Project Notes include certain money to be paid in respect of, among others, the Fee Component, the Servicing Fee, and amounts required to be deposited pursuant to the Continuing Covenant Agreement and the other Project Loan Documents, as set forth in subsection (b) of this Section 4.02. To the extent that any portion of the Fee Component, the Servicing Fee, and amounts required to be deposited pursuant to the Continuing Covenant Agreement and the other Project Loan Documents remain due and owing at any time, such amounts remaining due and owing shall be payable from money on deposit in the Administration Fund as provided in Section 4.06 of the Funding Loan Agreement or from other money of the Borrower, to the extent that money in the Administration Fund is insufficient for such purposes. All other fees and expenses shall be payable from money of the Borrower as provided in subsection (b) of this Section 4.02.

(b) In addition to the funding of the initial deposits required of the Borrower described in Section 3.03, the Borrower shall pay (or cause to be paid by the Servicer or the Fiscal Agent (to the extent paid from money on deposit in the Administration Fund or the Cost of Issuance Fund, as applicable)), in consideration of the funding of the Project Loan, the following fees, expenses and other money payable in connection with the Loans:

Section 4.03 *Payments to Rebate Fund.* The Borrower shall pay when due to the Fiscal Agent at the Principal Office of the Fiscal Agent any amount required to be deposited in the Rebate Fund in accordance with Section 4.12 of the Funding Loan Agreement.

Section 4.04 *Prepayment.*

(a) **Optional Prepayment of the Project Loan.** The Borrower shall have the option to prepay the Project Loan in whole, together with all accrued and unpaid interest thereon, as provided in the Project Notes.

(b) **Mandatory Prepayment of the Project Loan.** The Borrower shall be required to prepay all or a portion of the outstanding principal balance of the Project Loan, together with accrued interest thereon, and together with any Prepayment Premium due under the Project Notes, as provided in the Project Notes. Additionally, the Borrower shall be required to prepay all or a portion of the outstanding principal balance of the Tax-Exempt Project Loan, together with accrued interest thereon, and together with any Prepayment Premium due under the Project Series A-1 Note, in connection with the following:

(i) in part, in the event the Borrower elects to make a Pre-Conversion Loan Equalization Payment; and

(ii) in whole, on or after the Forward Commitment Maturity Date, at the written direction of the Initial Funding Lender, if the Conversion Notice is not issued by the Permanent Lender prior to the Forward Commitment Maturity Date.

(c) **Defeasance of the Funding Loan.** In addition, after the Conversion Date and prior to the Window Period, the Borrower may cause a defeasance of the Funding Loan resulting in a release of the Pledged Security by satisfying the conditions set forth hereunder and in Article IX of the Funding Loan Agreement. In connection therewith, the Borrower will give written notice (a “**Defeasance Notice**”) to the Funding Lender Representative, the Servicer, the Governmental Lender and the Fiscal Agent of the date the Borrower desires to defease the Funding Loan (the “**Defeasance Date**”). The Defeasance Date may not be more than 60 calendar days, nor less than 30 calendar days, after the delivery of the Defeasance Notice. In connection with the delivery of the Defeasance Notice, the Borrower shall cause to be paid to the Funding Lender Representative

the Defeasance Fee set forth in the Continuing Covenant Agreement. In addition to, and not in limitation of any other provisions of this Project Loan Agreement, the Borrower shall pay all fees, costs and expenses in connection with any defeasance whether or not such defeasance occurs. Following such defeasance in accordance with the terms and conditions hereof and the Funding Loan Agreement, the Project Loan shall be deemed paid in full, and the Borrower shall be entitled to the release of the Security Instrument, the Pledged Security and other security provided by it for the Project Loan, subject to the terms and conditions hereof and the other Financing Documents.

Section 4.05 *Borrower's Obligations Upon Prepayment.* In the event of any prepayment, the Borrower will timely pay, or cause to be paid through the Servicer, an amount equal to the principal amount of the Funding Loan or portion thereof called for prepayment, together with interest accrued to the prepayment date and Prepayment Premium, if any. Section 4.06 *Limits on Personal Liability.*

(a) Except as otherwise set forth in the Project Notes and subsection 4.06(b) below, the obligations of the Borrower under this Project Loan Agreement and the other Financing Documents are non-recourse liabilities of the Borrower which shall be enforced only against the Project and other property of the Borrower encumbered by the Financing Documents and not personally against the Borrower or any partner of the Borrower or any successor or assign of the Borrower. However, nothing in this Section 4.06 shall limit the right of the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative to proceed against the Borrower to recover any fees owing to any of them or any actual out-of-pocket expenses (including but not limited to actual out-of-pocket attorneys' fees incurred by any of them) incurred by any of them in connection with the enforcement of any rights under this Project Loan Agreement or the other Financing Documents. Nothing in this Section 4.06 shall limit any right that the Servicer or the Funding Lender Representative may have to enforce the Project Notes, the Security Instrument, or any other Financing Document in accordance with their terms.

(b) Notwithstanding anything contained in any other provision of this Project Loan Agreement to the contrary (but subject to the provisions of Section 7.06 hereof), the following obligations of the Borrower shall be and remain the joint and several full recourse obligations of the Borrower and each of the Borrower's general partners: (i) the Borrower's obligations to the Governmental Lender and the Fiscal Agent under subsections (b)(iii), (b)(v), (b)(vi), and (b)(vii) of Section 4.02 hereof; (ii) the Borrower's obligations under Sections 2.05 and 6.01 of this Project Loan Agreement; (iii) the Borrower's obligation to pay any and all rebate amounts that may be or become owing with respect to the Tax-Exempt Funding Loan and fees and expenses of the Rebate Analyst as provided in Sections 2.04 and 4.03 of this Project Loan Agreement and the Tax Certificate; and (iv) the Borrower's obligation to pay legal fees and expenses under Section 7.04 hereof.

Section 5.03 *Funding Loan Agreement Provisions.* The execution of this Project Loan Agreement shall constitute conclusive evidence of approval of the Funding Loan Agreement by the Borrower. Whenever the Funding Loan Agreement by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Funding Loan Agreement, and the Borrower shall carry out and perform all of its obligations under the Funding Loan Agreement as fully as if the Borrower were a party to the Funding Loan Agreement.

Section 5.04 *Reserved.*

Section 5.05 *Borrower to Maintain Its Existence; Certification of No Default.*

(a) The Borrower agrees to maintain its existence and maintain its current legal status with authority to own and operate the Project.

(b) In addition to performing all other similar requirements under the Financing Documents to which the Borrower is a party, the Borrower shall, within 30 days after the end of each calendar year, render to the Fiscal Agent a certificate executed by an Authorized Officer of the Borrower to the effect that the Borrower is not, as of the date of such certificate, in default of any of its covenants, agreements, representations or warranties under any of the Financing Documents to which the Borrower is a party and that, to the best of the Borrower's knowledge, after reasonable investigation, there has occurred no default or Event of Default (as such terms are defined in each respective Financing Document) under any of the Financing Documents.

Section 5.06 *Borrower to Remain Qualified in State and Appoint Agent.* The Borrower will remain duly qualified to transact business in the State and will maintain an agent in the State on whom service of process may be made in connection with any actions against the Borrower.

Section 5.07 *Sale or Other Transfer of Project.* The Borrower may convey and transfer the Project only upon strict compliance with the provisions of the Financing Documents, and upon receipt of the prior written consent of the Governmental Lender and the Funding Lender Representative to the extent required by the Continuing Covenant Agreement.

Section 5.08 *Right to Perform Borrower's Obligations.* In the event the Borrower fails to perform any of its obligations under this Project Loan Agreement, the Governmental Lender, the Fiscal Agent, the Servicer and/or the Funding Lender Representative, after giving requisite notice and subject to any applicable cure period, if any, and subject to Section 5.05 of the Funding Loan Agreement, may, but shall be under no obligation to, perform such obligation and pay all costs related thereto, and all such costs so advanced shall become an additional obligation of the Borrower hereunder, payable on demand and if not paid on demand with interest thereon at the default rate of interest payable under the Project Loan Documents.

Section 5.09 *Notice of Certain Events.* The Borrower shall promptly advise the Governmental Lender, the Fiscal Agent, the Funding Lender Representative and the Servicer in writing of the occurrence of any Event of Default hereunder or any event which, with the passage of time or service of notice or both, would constitute an Event of Default, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

Section 5.10 *Survival of Covenants.* The provisions of Sections 2.04, 2.05, 4.02, 4.03, 6.01 and 7.04 hereof shall survive the expiration or earlier termination of this Project Loan Agreement and, with regard to the Fiscal Agent, the resignation or removal of the Fiscal Agent.

Section 5.11 *Access to Project; Records.* Subject to reasonable notice and the rights of tenants at the Project, the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, and the respective duly authorized agents of each, shall have the right (but not any duty or obligation) at all reasonable times and during normal business hours: (a) to enter the Project and any other location containing the records relating to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and conditions of the Financing Documents; (b) to inspect and audit any and all of the Borrower's records or accounts pertaining to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and conditions of the Financing Documents; and (c) to require the Borrower, at the Borrower's sole expense, (i) to furnish such documents to the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, as the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative, as the case may be, from time to time, deems reasonably necessary in order to determine that the provisions of the Financing Documents have been complied with and (ii) to make copies of any records that the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative or the respective duly authorized agents of each, may reasonably require. The Borrower shall make available to the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, such information concerning the Project, the Security Instrument and the Financing Documents as any of them may reasonably request.

Section 5.12 *Tax Regulatory Agreement.* The covenants of the Borrower in the Tax Regulatory Agreement shall be deemed to constitute covenants of the Borrower running with the land and an equitable servitude for the benefit of the Governmental Lender and the Funding Lender and shall be binding upon any owners of the Project until such time as such restrictions expire as provided in the Tax Regulatory Agreement. The Borrower covenants to file of record the Tax Regulatory Agreement and such other documents, and to take such other steps as are necessary in order to assure that the restrictions contained in the Tax Regulatory Agreement will, subject to the

terms of the Tax Regulatory Agreement, be binding upon all owners of the Project. The Borrower covenants to include such restrictions or a reference to such restrictions in any documents transferring any interest in the Project to another to the end that such transferee has notice of, and is bound by, the Tax Regulatory Agreement. Subject to the provisions of Section 7.06 of this Project Loan Agreement, the Governmental Lender and the Fiscal Agent shall have the right to seek specific performance of or injunctive relief to enforce the requirements of any covenants of the Borrower contained in the Tax Regulatory Agreement.

Section 5.13 *Damage, Destruction and Condemnation.* If prior to full payment of the Funding Loan (or provision for payment of the Funding Loan in accordance with the provisions of the Funding Loan Agreement) the Project or any portion of it is destroyed (in whole or in part) or is damaged by fire or other casualty, or title to, or the temporary use of, the Project or any portion of it shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, or shall be transferred pursuant to an agreement or settlement in lieu of eminent domain proceedings, the Borrower shall nevertheless be obligated to continue to pay the amounts specified in this Project Loan Agreement and in the Project Notes to the extent the Project Loan is not prepaid in full in accordance with the terms of the Project Loan Documents.

Section 5.14 *Obligation of the Borrower To Construct the Project.* The Borrower shall proceed with reasonable dispatch (and in no event later than required under the Financing Documents) to complete the construction, development and equipping of the Project as required by the Financing Documents. If amounts on deposit in the Project Loan Fund designated for the Project and available to be disbursed to the Borrower are not sufficient to pay the costs of the construction, development and equipping thereof, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender Representative or the Funding Lender in respect of any such additional costs or to any diminution or abatement in the repayment of the Project Loan. None of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer makes any representation or warranty, either express or implied, that money, if any, which will be paid into the Project Loan Fund or otherwise made available to the Borrower will be sufficient to complete the Project, and none of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer shall be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.15 *Filing of Financing Statements.* The Borrower shall file or record or cause to be filed or recorded on or prior to the Delivery Date all UCC financing statements which are required to be filed or recorded in order fully to protect and preserve the security interests relating to the priority of the Project Loan, the Funding Loan, the Pledged Security and the Security Instrument, and the rights and powers of the Governmental Lender, the Fiscal Agent and the Funding Lender in connection with such security interests. The Borrower shall cooperate with the Fiscal Agent in connection with the filing of any continuation statements for the purpose of continuing without lapse the effectiveness of such financing statements.

ARTICLE VI

(a) **Indemnified Losses.** To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender and each of their respective officers, governing commissioners, members, directors, officials, employees, attorneys and agents (collectively, the “**Indemnified Parties**”), against any and all losses, damages (including, but not limited to, consequential and punitive damages), claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise (collectively, “**Losses**”), to the extent arising, directly or indirectly, out of or based upon or in any way relating to:

(viii) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower's applying for the Project loan or contained in any of the Financing Documents to which the Borrower is a party or any untrue statement of a material fact or alleged untrue statement of a material fact by the Borrower contained in any offering statement or document for the Governmental Notes or any of the Financing Documents to which the Borrower is a party, or any omission or alleged omission by the Borrower of a material fact from any offering statement or document for the Governmental Notes necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading;

(ix) any declaration of taxability of interest on the Series A-1 Governmental Note or allegations (or regulatory inquiry) that interest on the Series A-1 Governmental Note is includable in gross income for federal income tax purposes;

(x) any audit or inquiry by the Internal Revenue Service with respect to the Project and/or the tax-exempt status of the Series A-1 Governmental Note; or

(xi) the Fiscal Agent's acceptance or administration of the trust of the Funding Loan Agreement, or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Governmental Notes to which it is a party, including all amounts owed under Section 7.06 of the Funding Loan Agreement;

(xii) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Project Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, General Partner, Guarantor or their Affiliates to Governmental Lender, the Fiscal Agent, the Funding Lender, Servicer or any other Person in connection with Borrower's application for the Project Loan (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement, if applicable);

(xiii) Any failure (or alleged failure) by Borrower to comply with applicable federal and state laws and regulations pertaining to the making of the Project Loan and the Funding Loan;

(xiv) The Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof; or

(xv) The use of the proceeds of the Project Loan and the Funding Loan.

except (A) in the case of the foregoing indemnification of the Fiscal Agent, or any of its respective officers, commissioners, members, directors, officials, employees, attorneys and agents, to the extent such Losses are caused by the negligence, unlawful acts or willful misconduct of such Indemnified Party; or (B) in the case of the foregoing indemnification of the Servicer, or the Funding Lender or any of their respective officers, commissioners, members, directors, officials, employees, attorneys and agents, to the extent such Losses are caused by the gross negligence or

willful misconduct of such Indemnified Party; or (C) in the case of the foregoing indemnification of the Governmental Lender or any related Indemnified Party, to the extent such damages are caused by the willful misconduct of such Indemnified Party.

(b) **Procedures.** In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from such Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected or approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that such Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may employ separate counsel at the expense of the Borrower only if, in such Indemnified Party's good faith judgment, a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel. In addition thereto, the Borrower will pay upon demand all of the fees and expenses paid or incurred by the Fiscal Agent and/or the Governmental Lender in enforcing the provisions hereof, as more fully set forth in this Project Loan Agreement.

(c) **Borrower to Remain Obligated.** Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Project Loan Agreement, the Security Instrument and the Tax Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 6.01 for Losses with respect to any claims based on actions or events occurring prior to the date of such transfer unless (i) such subsequent owner assumed in writing at the time of such transfer all obligations of the Borrower under this Section 6.01 (including obligations under this Section 6.01 for Losses with respect to any claims based on actions or events occurring prior to the date of such transfer) and (ii) any such transfer is in compliance with the requirements of the Financing Documents.

(d) **Survival.** The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses pursuant to this Project Loan Agreement shall survive the final payment or defeasance of the Governmental Notes and, in the case of the Fiscal Agent, any resignation or removal. The provisions of this Section 6.01 shall survive the termination of this Project Loan Agreement. Nothing contained in this Section 6.01 shall in any way be construed to limit the indemnification rights of the Governmental Lender contained in Section [7] of the Tax Regulatory Agreement. With respect to the Governmental Lender, the Tax Regulatory Agreement shall control in any conflicts between this Section 6.01 and Section [7] of the Tax Regulatory Agreement.

Section 6.02 *Limitation With Respect to the Funding Lender.* Notwithstanding anything in this Project Loan Agreement to the contrary, in the event that the Funding Lender (or its nominee) shall become the owner of the Project as a result of a foreclosure or a deed in lieu of foreclosure, or comparable conversion of the Project Loan, the Funding Lender (or its nominee) shall not be liable for any breach or default of any prior owner of the Project under this Project Loan Agreement and shall only be responsible for defaults and obligations incurred or occurring

during the period that the Funding Lender (or its nominee) is the owner of the Project. Accordingly, during any period that the Funding Lender (or its nominee) owns the Project and that this Article VI is applicable to the Funding Lender (or its nominee), the Funding Lender's (or its nominee's) obligations under this Article VI shall be limited to acts and omissions of the Funding Lender (or its nominee) occurring during the period of the Funding Lender's (or its nominee's) ownership of the Project.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.01 *Events of Default.* The following shall be “**Events of Default**” under this Project Loan Agreement, and the term “Event of Default” shall mean, whenever it is used in this Project Loan Agreement, one or all of the following events:

(a) Any representation or warranty made by the Borrower in the Financing Documents or any certificate, statement, data or information furnished by the Borrower in connection therewith or included by the Borrower in its application to the Governmental Lender for assistance proves at any time to have been incorrect when made in any material respect;

(b) Failure by the Borrower to pay any amounts due under this Project Loan Agreement, the Project Notes, the Financing Documents or the Security Instrument at the times and in the amounts required by this Project Loan Agreement, the Project Notes, the Financing Documents, and the Security Instrument, as applicable, subject to any applicable cure periods expressly granted to Borrower hereunder;

(c) The Borrower shall fail to observe or perform any other term, covenant, condition or agreement (after taking into account any applicable notice and cure period) set forth in this Project Loan Agreement, which failure continues for a period of 30 days after notice of such failure by the Governmental Lender, the Fiscal Agent or the Funding Lender Representative to the Borrower (with the Governmental Lender, the Fiscal Agent or the Funding Lender Representative providing a courtesy copy of any notice given to the Borrower to the Investor Limited Partner), (unless such default cannot with due diligence be cured within 30 days but can be cured within a reasonable period and will not, in the Funding Lender Representative's sole discretion, adversely affect the Funding Lender or result in impairment of this Project Loan Agreement or any other Financing Document, in which case no Event of Default shall be deemed to exist so long as Borrower and/or the Investor Limited Partner shall have commenced to cure the default or Event of Default within 30 days after the Borrower's receipt of notice, and thereafter diligently and continuously prosecutes such cure to completion); provided, however, no such notice or grace periods shall apply in the case of any such failure which could, in the Funding Lender Representative's judgment, absent immediate exercise by the Funding Lender Representative of a right or remedy under this Agreement, result in harm to the Funding Lender, impairment of this Project Loan Agreement or any other Financing Document;

(d) The occurrence of a default under the Continuing Covenant Agreement, the Financing Documents or the Security Instrument (after taking into account any applicable cure period thereunder) shall at the discretion of the Funding Lender Representative constitute an Event of Default under this Project Loan Agreement but only if the Fiscal Agent is provided written notice by the Funding Lender Representative that an Event of Default has occurred under such Financing Document and the Fiscal Agent is instructed by the Funding Lender Representative that such default constitutes an Event of Default hereunder. The occurrence of an Event of Default hereunder shall in the discretion of the Funding Lender Representative constitute a default under the other Financing Documents.

The Investor Limited Partner shall be entitled to cure on behalf of the Borrower any Event of Default with respect to which a cure by the Borrower is expressly permitted, but only to the extent and subject to the same terms and conditions applicable to the Borrower. Any cure of an Event of Default tendered by the Investor Limited Partner shall be treated as a cure tendered by Borrower and shall be accepted or rejected on the same terms as if the cure had been directly tendered by Borrower.

Nothing contained in this Section 7.01 is intended to amend or modify any of the provisions of the Financing Documents or to bind the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative to any notice and cure periods other than as expressly set forth in the Financing Documents.

Section 7.02 Remedies on Default. Subject to Section 7.06 hereof, whenever any Event of Default hereunder shall have occurred and be continuing, the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender), may take any one or more of the following remedial steps:

(a) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may take such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Project Loan to be immediately due and payable (including, without limitation, declaring the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Project Notes to be immediately due and payable).

(b) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may, without being required to give any notice (other than to the Governmental Lender or the Fiscal Agent, as applicable), except as provided herein, pursue all remedies of a creditor under the laws of the State, as supplemented and amended, or any other applicable laws.

(c) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may take whatever action at law or in equity may appear necessary or desirable to collect the payments under this Project Loan Agreement then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Project Loan Agreement.

In addition, subject to Section 7.06 hereof, the Governmental Lender and the Fiscal Agent may pursue remedies with respect to the Unassigned Rights.

Any amounts collected pursuant to Article IV hereof and any other amounts which would be applicable to payment of principal of and interest and any Prepayment Premium on the Funding Loan collected pursuant to action taken under this Section 7.02 shall be applied in accordance with the provisions of the Funding Loan Agreement.

Section 7.03 *No Remedy Exclusive.* Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available against the Borrower hereunder or under the Financing Documents or otherwise at law or in equity may be exercised by the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender), at any time and from time to time, whether or not the Funding Lender has accelerated the Project Loan, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Financing Documents. No remedy conferred upon or reserved to the Funding Lender or the Fiscal Agent by this Project Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Project Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be expressly required by this Project Loan Agreement.

Section 7.04 *Agreement to Pay Attorneys' Fees and Expenses.* In the event the Borrower shall default under any of the provisions of this Project Loan Agreement and the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative shall employ attorneys or incur other expenses for the collection of loan payments or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained in this Project Loan Agreement or in the Project Notes, the Borrower shall on demand therefor reimburse the reasonable fees of such attorneys and such other expenses so incurred.

Section 7.05 *No Additional Waiver Implied by One Waiver.* In the event any agreement contained in this Project Loan Agreement shall be breached by any party and thereafter waived by the other parties, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 7.06 *Control of Proceedings.*

(a) If an Event of Default has occurred and is continuing, notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Project Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Project Loan Agreement. In addition, the Funding Lender

Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of the Fiscal Agent or the Governmental Lender. In no event shall the exercise of any of the foregoing rights result in an acceleration of the Project Loan without the express direction of the Funding Lender Representative.

(b) The Governmental Lender and the Fiscal Agent covenant that they will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

(i) prosecute any action with respect to a lien on the Project; or

(ii) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due under, the Project Loan; or

(iii) interfere with or attempt to influence the exercise by the Funding Lender Representative of any of its rights under the Financing Documents upon the occurrence of any event of default by the Borrower under the Financing Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Project Loan or the Funding Loan.

(c) Notwithstanding Sections 7.06(a) and 7.06(b) hereof, the Governmental Lender or the Fiscal Agent may:

(i) specifically enforce the tax covenants of the Borrower specified in Section 2.04 and 2.05 hereof and the Tax Certificate or seek injunctive relief against acts which may be in violation thereof; and

(ii) specifically enforce the Tax Regulatory Agreement or seek injunctive relief against acts which may be in violation of the Tax Regulatory Agreement or are otherwise inconsistent with the operation of the Project in accordance with applicable requirements of the Code and state and local law (but in neither the case of subsection (c)(i) above or this subsection (c)(ii) may the Governmental Lender or the Fiscal Agent seek any form of monetary damages from the Borrower in connection with such enforcement except against Excess Revenues (defined below), if any, of the Borrower, unless Funding Lender Representative otherwise specifically consents in writing to the use of other funds).

(d) In addition, notwithstanding Section 7.06(a) and 7.06(b) hereof, the Governmental Lender and the Fiscal Agent may seek specific performance of the other Unassigned Rights (provided no monetary damages are sought except against Excess Revenues, if any, of the Borrower, unless Funding Lender Representative otherwise specifically consents in writing to the use of other funds), and nothing herein shall be construed to limit the rights of the Governmental Lender, the Fiscal Agent or the Indemnified Parties related to the Governmental Lender or the Fiscal Agent under Section 6.01 (each a "Related Indemnified Party") to enforce their respective rights against the Borrower under Sections 4.02, 4.03, 6.01 and 7.04 hereof, provided that no obligation of the Borrower to the Governmental Lender, the Fiscal Agent or any Related Indemnified Party under such sections shall be secured by or in any manner constitute a lien on,

or security interest in, the Project, whether in favor of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party, and all such obligations are and shall be subordinate in priority, in right to payment and in all other respects to all other obligations, liens, rights (including without limitation the right to payment) and interests arising or created under the Financing Documents (except for the Fiscal Agent's right to receive payment of reasonable fees and expenses pursuant to Section 6.05(a) of the Funding Loan Agreement after an event of default with respect to the Funding Loan, which reasonable fees and expenses of the Fiscal Agent shall be payable as provided thereunder). Accordingly, none of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party shall have the right to enforce any monetary obligation arising under such sections other than directly against the Borrower, without recourse to the Project. In addition, any such enforcement must not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, rehabilitation, composition, reorganization, conservation or other similar law in effect now or in the future.

(e) As used in this Section 7.06, the term “Excess Revenues” means, for any period, the net cash flow of the Borrower available for distribution or payment to shareholders, members or partners (as the case may be) for such period, after the payment of all interest expenses, the amortization of all principal of all indebtedness coming due during such period (whether by maturity, mandatory sinking fund payment, acceleration or otherwise) with respect to the Project, the payment of all fees, costs and expenses on an occasional or recurring basis in connection with the Project Loan or the Funding Loan under any Financing Document or any other indebtedness of the Borrower, the payment of all operating, overhead, ownership and other expenditures of the Borrower directly or indirectly in connection with the Project (whether any such expenditures are current, capital or extraordinary expenditures), and the setting aside of all reserves for taxes, insurance, water and sewer charges or other similar impositions, capital expenditures, repairs and replacements and all other amounts which the Borrower is required to set aside pursuant to agreement, but excluding depreciation and amortization of intangibles.

Section 7.07 Assumption of Obligations. In the event that the Fiscal Agent or the Funding Lender or their respective assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Project Loan Agreement, the Project Notes, the Tax Regulatory Agreement, and any other Financing Documents to which the Borrower is a party or with respect to which it is a third-party beneficiary. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

ARTICLE VIII

MISCELLANEOUS

Section 8.01 Notices.

(a) Whenever in this Project Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive

such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice, request, complaint, demand, communication or other paper required or permitted to be delivered to the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer shall be sufficiently given and shall be deemed given (unless another form of notice shall be specifically set forth herein) if by hand on the date of such delivery and otherwise on the Business Day following the date on which such notice or other communication shall have been delivered to a national overnight delivery service (in each case, receipt of which to be evidenced by a signed receipt from such hand or overnight delivery service or by the recipient party) addressed to the appropriate party at the addresses set forth in Section 11.04 of the Funding Loan Agreement or as required or permitted by this Project Loan Agreement by Electronic Notice. The Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer may, by notice given as provided in this paragraph, designate any further or different address to which subsequent notices or other communication shall be sent.

A duplicate copy of each notice or other communication given hereunder by any party to the Servicer shall also be given to the Funding Lender Representative and a duplicate copy of each notice or other communication given hereunder by any party to the Funding Lender Representative shall be given to the Servicer.

The Fiscal Agent is authorized and agrees to accept and act upon Electronic Notice of written instructions and/or directions pursuant to this Project Loan Agreement.

(b) The Fiscal Agent shall provide to the Funding Lender Representative and the Servicer (i) prompt notice of the occurrence of any Event of Default hereunder and (ii) any written information or other communication received by the Fiscal Agent hereunder within ten (10) Business Days of receiving a written request from the Funding Lender Representative for any such information or other communication.

Section 8.02 *Concerning Successors and Assigns.* All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the financing herein contemplated and shall continue in full force and effect so long as the obligations hereunder are outstanding. Whenever in this Project Loan Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower which are contained in this Project Loan Agreement shall bind its successors and assigns and inure to the benefit of the successors and assigns of the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender and the Funding Lender Representative, as applicable.

Section 8.03 *Governing Law.* This Project Loan Agreement and the Exhibits attached hereto shall be construed in accordance with and governed by the internal laws of the State without regard to conflicts of laws principles.

Section 8.04 *Entire Agreement, Modifications in Writing.* This Project Loan Agreement contains the complete and entire understanding of the parties with respect to the matters

covered. Modification or the waiver of any provisions of this Project Loan Agreement or consent to any departure by the parties therefrom, shall in no event be effective unless the same shall be in writing approved by the parties hereto and shall require the prior written consent of the Funding Lender Representative and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Borrower in any case shall entitle it to any other or further notice or demand in the same circumstances.

Section 8.05 *Further Assurances and Corrective Instruments.* The Governmental Lender (at the expense of the Borrower), the Fiscal Agent and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required (including such supplements or further instruments requested by the Funding Lender Representative) for correcting any inadequate or incorrect description of the performance of this Project Loan Agreement; provided, however, that no such supplement or further instruction shall change the essential economic terms of the Project Loan or impose on the Borrower greater liability in connection with the Project Loan Documents without the written consent of the Borrower.

Section 8.06 *Captions.* The section headings contained herein are for reference purposes only and shall not in any way affect the meaning or interpretation of this Project Loan Agreement.

Section 8.07 *Severability.* The invalidity or unenforceability of any provision of this Project Loan Agreement shall not affect the validity of any other provision, and all other provisions shall remain in full force and effect.

Section 8.08 *Counterparts.* This Project Loan Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

Section 8.09 *Amounts Remaining in Loan Payment Fund or Other Funds.* It is agreed by the parties hereto that any amounts remaining in the Loan Payment Fund or other funds and accounts established under the Funding Loan Agreement upon expiration or sooner termination of the term hereof (and the repayment in full of the Project Loan and all other amounts owing under the Project Loan Documents), shall be paid in accordance with the Funding Loan Agreement.

Section 8.10 *Effective Date and Term.* This Project Loan Agreement shall become effective upon its execution and delivery by the parties hereto, shall be effective and remain in full force from the date hereof, and, subject to the provisions hereof, shall expire on such date as the Funding Loan Agreement shall terminate.

Section 8.11 *Cross References.* Any reference in this Project Loan Agreement to an “Exhibit,” an “Article,” a “Section,” a “Subsection” or a “Paragraph” shall, unless otherwise explicitly provided, be construed as referring, respectively, to an exhibit attached to this Project Loan Agreement, an article of this Project Loan Agreement, a section of this Project Loan Agreement, a subsection of the section of this Project Loan Agreement in which the reference appears and a paragraph of the subsection within this Project Loan Agreement in which the

reference appears. All exhibits attached to or referred to in this Project Loan Agreement are incorporated by reference into this Project Loan Agreement.

Section 8.12 *No Third-Party Beneficiaries.* The Financing Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Funding Lender Representative, the Servicer, the Fiscal Agent and the Borrower, and nothing contained in any Financing Document shall be deemed to confer upon anyone other than the foregoing parties any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 8.13 *Additional Loans.* The Governmental Lender and the Fiscal Agent each acknowledges that the Initial Funding Lender or the Permanent Funding Lender may make additional loans to the Borrower secured by additional mortgages on the Project (“Additional Loans”), provided however that no such Additional Loans may be made without the prior written consent of the Governmental Lender. Additional Loans must be subordinate to the repayment of the Project Loan by the Borrower.

Section 8.14 *Non-Liability of Governmental Lender.* Notwithstanding anything to the contrary herein or in any other instrument to the contrary, the Governmental Lender shall not be obligated to pay the principal (or Prepayment Premium) of or interest on the Funding Loan, except from Revenues and other money and assets received by the Fiscal Agent on behalf of the Governmental Lender pursuant to this Project Loan Agreement. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Governmental Lender or any member is pledged to the payment of the principal (or prepayment premium) or interest on the Funding Loan. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Project Loan Agreement, the Funding Loan, the Governmental Notes or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Project Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender's sole source of money to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Project Loan Agreement, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or prepayment premium) and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration or otherwise), then upon notice from the Fiscal Agent, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or prepayment premium) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender or any such third party, as the case may be, therefor.

Section 8.15 *No Liability of Officers.* Notwithstanding anything to the contrary herein or in any other instrument to the contrary, no recourse under or upon any obligation, covenant, or agreement or in the Governmental Notes, or under any judgment obtained against the Governmental Lender, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall

be had against any incorporator, member, director, commissioner, employee, agent or officer, as such, past, present, or future, of the Governmental Lender, either directly or through the Governmental Lender, or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the Governmental Lender upon the Funding Loan. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director, commissioner, employee, agent or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loan, is hereby expressly waived and released as a condition of and consideration for the execution of this Project Loan Agreement and the issuance of the Governmental Notes.

Section 8.16 *Capacity of the Fiscal Agent.* The Fiscal Agent is entering into this Project Loan Agreement solely in its capacity as Fiscal Agent and shall be entitled to the rights, protections, and limitations from liability and immunities afforded it as Fiscal Agent under the Funding Loan Agreement. The Fiscal Agent shall be responsible only for the duties of the Fiscal Agent expressly set forth herein and in the Funding Loan Agreement.

Section 8.17 *Reliance.* The representations, covenants, agreements and warranties set forth in this Project Loan Agreement may be relied upon by the Governmental Lender, the Fiscal Agent, Bond Counsel, the Servicer, the Funding Lender and the Funding Lender Representative. In performing their duties and obligations under this Project Loan Agreement and under the Funding Loan Agreement, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Borrower, upon certificates of tenants believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Borrower pertaining to occupancy of the Project. In addition, the Governmental Lender and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender or the Fiscal Agent under this Project Loan Agreement and under the Funding Loan Agreement in good faith and in conformity with the opinion of such counsel. It is expressly understood and agreed by the parties to this Project Loan Agreement (other than the Governmental Lender) that:

(a) the Governmental Lender may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Funding Lender or the Borrower as to the existence of a fact or state of affairs required under this Project Loan Agreement to be noticed by the Governmental Lender;

(b) the Governmental Lender shall not be under any obligation to perform any record keeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent, the Funding Lender Representative, the Servicer or the Borrower, as applicable; and

(c) none of the provisions of this Project Loan Agreement shall require the Governmental Lender or the Fiscal Agent to expend or risk its own funds (apart from the

proceeds of Funding Loan issued under the Funding Loan Agreement) or otherwise endure financial liability in the performance of any of its duties or in the exercise of any of its rights under this Project Loan Agreement, unless it shall first have been adequately indemnified to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

Section 8.18 Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Financing Documents and that the Financing Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 8.19 Assignment. The Project Loan Agreement, the Security Instrument, the Project Notes and the Project Loan Documents and all Funding Lender's or Fiscal Agent's rights, title, obligations and interests therein may be assigned by the Funding Lender or the Fiscal Agent, as appropriate, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, provided that neither the Funding Lender nor the Fiscal Agent may assign or transfer its interest in the Project Loan Documents separately from its interest in the Funding Loan Agreement and the Governmental Notes, any assignment or transfer of which must be in conformity with the requirements of Section 2.08 of the Funding Loan Agreement. Upon such assignment, all references to Funding Lender or the Fiscal Agent, as appropriate, in this Project Loan Agreement and in any Project Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender or the Fiscal Agent, as appropriate. The Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lender before such assignment. In connection with any proposed assignment, Funding Lender may disclose to the proposed assignee any information that the Borrower has delivered, or caused to be delivered, to Funding Lender with reference to the Borrower, General Partner, any Affiliate of either of them, or the Project, including information that the Borrower is required to deliver to Funding Lender pursuant to this Project Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Project Loan Agreement or under any of the Project Loan Documents or Financing Documents, or the Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 8.20 Governmental Lender, Funding Lender and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Project Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer being limited to the rights to exercise the remedies referred to in the Project Loan Documents and the Financing Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer is, and at all times shall remain, solely that of debtor and creditor. (iii) interfere with the exercise by the Funding Lender, the Fiscal Agent or the Servicer of any of their rights under the Project Loan Documents upon the occurrence of an event of default by the Borrower under the Project Loan Documents or the Funding Loan Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Project Loan or the Funding Loan.

4.1.41 ***Intention To Hold Project.*** The Borrower intends to hold the Project for its own account and has no current plans, except as contemplated in the Partnership Agreement, and has not entered into any agreement, to sell the Project or any part of it; and the Borrower intends to occupy the Project or cause the Project to be occupied and to operate it or cause it to be operated at all times during the term of this Project Loan Agreement in compliance with the terms of this Project Loan Agreement and the Regulatory Agreement and does not know of any reason why the Project will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

4.1.42 ***Concerning the Managing General Partners.*** The managing general partner of the Borrower is a limited liability company wholly owned by a nonprofit public benefit corporation and is duly organized and validly existing under the laws of the State of California. Such General Partner has all requisite power and authority, rights and

franchises to enter into and perform its obligations under the Project Loan Documents and the Funding Loan Documents to be executed by the General Partner for its own account and on behalf of the Borrower, as general partner of the Borrower, under this Project Loan Agreement and the other Project Loan Documents and the Funding Loan Documents.

Each General Partner has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, condition (financial or otherwise) or prospects of such General Partner.

Each General Partner is duly authorized to do business in the State.

The execution, delivery and performance by the Borrower of the Project Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of each General Partner on behalf of the Borrower, and by all necessary action on behalf of such General Partner.

The execution, delivery and performance by each General Partner, on behalf of the Borrower, of the Project Loan Documents and the Funding Loan Documents will not violate (a) such General Partner's organizational documents; (b) any other Legal Requirement affecting such General Partner or any of its properties; or (c) any agreement to which such General Partner is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Project Loan Agreement) of any Lien upon any of such properties, any of the Collateral or any of the property or funds pledged or delivered to the Funding Lender pursuant to the Security Documents.

4.1.43 ***Government and Private Approvals.*** All governmental or regulatory orders, consents, permits, authorizations and approvals required for the construction, rehabilitation, use, occupancy and operation of the Improvements, that may be granted or denied in the discretion of any Governmental Authority, have been obtained and are in full force and effect (or, in the case of any of the foregoing that the Borrower is not required to have as of the Conversion Date, will be obtained), and will be maintained in full force and effect at all times during the construction and/or rehabilitation of the Improvements. All such orders, consents, permits, authorizations and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work for which such orders, consents, permits, authorizations or approvals are required, and, once obtained, such orders, consents, permits, authorizations and approvals will be maintained in full force and effect at all times during the construction and/or rehabilitation of the Improvements. Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of any trustee or holder of any indebtedness or obligation of the Borrower, are required for the due execution, delivery and performance by the Borrower or the General Partner of any of the Project Loan Documents or the Funding Loan Documents or the Related Documents executed by the

Borrower or the General Partner, as applicable. All required zoning approvals have been obtained, and the zoning of the Land for the Project is not conditional upon the happening of any further event.

4.1.44 **Concerning the Guarantor.** The Project Loan Documents and the Funding Loan Documents to which the Guarantor is a party or a signatory executed simultaneously with this Project Loan Agreement have been duly executed and delivered by the Guarantor and are legally valid and binding obligations of the Guarantor, enforceable against the Guarantor in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity.

4.1.45 **No Material Defaults.** Except as previously disclosed to the Funding Lender in writing, there exists no material violation of or material default by the Borrower under, and, to the best knowledge of the Borrower, no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default with respect to: (a) the terms of any instrument evidencing, securing or guaranteeing any indebtedness secured by the Project or any portion or interest thereof or therein; (b) any lease or other agreement affecting the Project or to which the Borrower is a party; (c) any license, permit, statute, ordinance, law, judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority, or any determination or award of any arbitrator to which the Borrower or the Project may be bound; or (d) any mortgage, instrument, agreement or document by which the Borrower or any of its respective properties is bound; in the case of any of the foregoing: (i) which involves any Project Loan Document or Funding Loan Document; (ii) which involves the Project and is not adequately covered by insurance; (iii) that might materially and adversely affect the ability of the Borrower, the General Partner or the Guarantor to perform any of its respective obligations under any of the Project Loan Documents or the Funding Loan Documents or any other material instrument, agreement or document to which it is a party; or (iv) which might adversely affect the priority of the Liens created by this Project Loan Agreement or any of the Project Loan Documents or the Funding Loan Documents.

4.1.46 **Payment of Taxes.** Except as previously disclosed to the Funding Lender in writing: (a) all tax returns and reports of the Borrower, the General Partner and the Guarantor required to be filed have been timely filed, and all taxes, assessments, fees and other governmental charges upon the Borrower, the General Partner and the Guarantor, and upon their respective properties, assets, income and franchises, which are due and payable have been paid when due and payable; and (b) the Borrower knows of no proposed tax assessment against it or against the General Partner or the Guarantor that would be material to the condition (financial or otherwise) of the Borrower, the General Partner or the Guarantor, and neither the Borrower nor the General Partner have contracted with any Governmental Authority in connection with such taxes.

4.1.47 **Rights to Project Agreements and Licenses.** Except for pledges of the Project Agreements and Licenses to the Funding Lender and the Subordinate Lenders, the Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and

beneficial owner of all rights in and to all future Project Agreements and Licenses. The Borrower's interest in the Plans and Specifications and all Project Agreements and Licenses is not subject to any present claim (other than under the Project Loan Documents, the Funding Loan Documents and the Subordinate Loan Documents or as otherwise approved by the Funding Lender in its sole discretion), set-off or deduction other than in the ordinary course of business.

4.1.48 ***Patriot Act Compliance.*** The Borrower is not now, nor has ever been (a) listed on any Government Lists (as defined below), (b) a person who has been determined by a Governmental Authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC or in any enabling legislation or other Presidential Executive Orders in respect thereof, (c) indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense, or (iv) under investigation by any Governmental Authority for alleged criminal activity. 4.1.49 ***Rent Schedule.*** The Borrower has prepared a prospective unit absorption and rent collection schedule with respect to the Project substantially in the form attached as an exhibit to the [Construction Disbursement Agreement], which schedule takes into account, among other relevant factors (a) a schedule of minimum monthly rentals for the Units, and (b) any and all concessions including free rent periods, and on the basis of such schedule, the Borrower believes it will collect rents with respect to the Project in amounts greater than or equal to debt service on the Project Loan.

4.1.50 ***Other Documents.*** Each of the representations and warranties of the Borrower or the General Partner contained in any of the other Project Loan Documents or the Funding Loan Documents or Related Documents is true and correct in all material respects (or, in the case of representations or warranties contained in any of the other Project Loan Documents or Funding Loan Documents or Related Documents that speak as

of a particular date, were true and correct in all material respects as of such date). All of such representations and warranties are incorporated herein for the benefit of the Funding Lender.

4.1.51 ***Subordinate Loan Documents.*** The Subordinate Loan Documents are in full force and effect and the Borrower has paid all commitment fees and other amounts due and payable to the Subordinate Lender(s) thereunder. There exists no material violation of or material default by the Borrower under, and no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default under the Subordinate Loan Documents.

4.1.52 ***Ground Lease.*** The Ground Lease is in full force and effect and the Borrower has paid all rent and other amounts due and payable to the ground lessor thereunder. There exists no material violation of or material default by the Borrower under the Ground Lease, and no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default by any other party under the Ground Lease.

Section 4.2. Survival of Representations and Covenants. All of the representations and warranties in Section 4.1 hereof and elsewhere in the Project Loan Documents (a) shall survive for so long as any portion of the Borrower Payment Obligations remains due and owing and (b) shall be deemed to have been relied upon by the Governmental Lender and the Servicer notwithstanding any investigation heretofore or hereafter made by the Governmental Lender or the Servicer or on its or their behalf, provided, however, that the representations, warranties and covenants set forth in Section 4.1.31 hereof shall survive in perpetuity and shall not be subject to the exculpation provisions of Section 11.1 hereof.

This obligation shall remain valid and in effect notwithstanding repayment of the Project Loan hereunder or termination of this Project Loan Agreement.

Section 5.3. Repairs; Maintenance and Compliance; Physical Condition. The Borrower shall cause the Project to be maintained in a good, habitable and safe (so as to not threaten the health or safety of the Project's tenants or their invited guests) condition and repair (reasonable wear and tear excepted) as set forth in the Security Instrument and shall not remove, demolish or materially alter the Improvements or Equipment (except for removal of aging or obsolete equipment or furnishings in the normal course of business), except as provided in the Security Instrument.

Section 5.4. Litigation. If the Borrower becomes subject to federal or state securities law filing requirements, the Borrower shall cause to be delivered to the Governmental Lender, the Funding Lender and the Servicer any Securities and Exchange Commission or other public filings, if any, of the Borrower within two Business Days of such filing.

Section 5.8. Further Assurances. The Borrower shall, at the Borrower's sole cost and expense (except as provided in Section 9.1 hereof), (a) furnish to the Servicer, the Fiscal Agent and the Funding Lender all instruments, documents, boundary surveys, footing or foundation surveys (to the extent that the Borrower's construction and/or rehabilitation of the Project alters any existing building foundations or footprints), certificates, plans and specifications, appraisals, title and other insurance reports and agreements, reasonably requested by the Servicer, the Fiscal Agent or the Funding Lender for the better and more efficient carrying out of the intents and purposes of the Project Loan Documents and the Funding Loan Documents; (b) execute and deliver to the Servicer and the Funding Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the Project Loan, as the Servicer, the Fiscal Agent and the Funding Lender may reasonably require from time to time; (c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of the Project Loan Documents and the Funding Loan Documents, as the Servicer, the Fiscal Agent or the Funding Lender shall reasonably require from time to time; provided, however, with respect to clauses (a) through (c) above, the Borrower shall not be required to do anything that has the effect of (i) changing the essential economic terms of the Project Loan or (ii) imposing upon the Borrower greater personal liability under the Project Loan Documents and the Funding Loan Documents; and (d) upon the Servicer's, the Fiscal Agent's or the Funding Lender's request therefor given from time to time after the occurrence of any Potential Default or Event of Default for so long as such Potential Default or Event of Default, as applicable, is continuing pay for (i) reports of UCC, federal tax lien, state tax lien, judgment and pending litigation searches with respect to the Borrower and (ii) searches of title to the Project, each such search to be conducted by search firms reasonably designated by the Servicer, the Fiscal Agent or the Funding Lender in each of the locations reasonably designated by the Servicer, the Fiscal Agent or the Funding Lender.

Section 5.10. Environmental Matters. So long as the Borrower owns or is in possession of the Project, the Borrower shall (a) keep the Project in compliance with all Hazardous Materials Laws (as defined in the Security Instrument), (b) promptly notify the Funding Lender, the Fiscal Agent, the Governmental Lender and the Servicer if the Borrower shall become aware that any Hazardous Materials (as defined in the Security Instrument) are on or near the Project in violation of Hazardous Materials Laws, and (c) commence and thereafter diligently prosecute to completion all remedial work necessary with respect to the Project required under any Hazardous Material Laws, in each case as set forth in the Security Instrument or the Agreement of Environmental Indemnification.

Section 5.11. Governmental Lender's, Fiscal Agent's and Funding Lender's Fees.

The Borrower covenants to pay the reasonable fees and expenses of the Governmental Lender (including the Ongoing Governmental Lender Fee), the Fiscal Agent and the Funding Lender or any agents, attorneys, accountants, consultants selected by the Governmental Lender, the Fiscal Agent or the Funding Lender to act on its behalf in connection with this Project Loan Agreement and the other Project Loan Documents, the Regulatory Agreement and the Funding Loan Documents, and any and all reasonable expenses incurred in connection with the making of the Project Loan or in connection with any examinations, audits or litigation which may at any time be instituted involving the Project Loan, this Project Loan Agreement, the other Project Loan Documents, the Regulatory Agreement and the Funding Loan Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing. This obligation shall survive, and remain valid and in effect notwithstanding, repayment of the Project Loan hereunder or termination of this Project Loan Agreement.

Section 5.12. Estoppel Statement. The Borrower shall furnish to the Funding Lender, the Fiscal Agent or the Servicer for the benefit of the Funding Lender or the Servicer within 10 days after request by the Funding Lender and the Servicer, with a statement, duly acknowledged and certified, setting forth, as applicable, with respect to the Project Note (a) the unpaid principal of the Project Note, (b) the applicable Interest Rate, (c) the date installments of interest and/or principal were last paid, (d) any offsets or defenses to the payment of the Borrower Payment Obligations, and (e) that the Project Loan Documents and the Funding Loan Documents to which the Borrower is a party are valid, legal and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. The Borrower shall use commercially reasonable efforts to furnish to the Funding Lender or the Servicer, within 30 days of a request by the Funding Lender or the Servicer, tenant estoppel certificates from each commercial tenant at the Project in form and substance reasonably satisfactory to the Funding Lender and the Servicer; provided that the Funding Lender and the Servicer shall not make such requests more frequently than twice in any year.

Section 5.13. Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Project Loan Agreement hereunder or under the Project Loan Documents and the Funding Loan Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which the Governmental Lender or the Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Project Loan Agreement or any other Project Loan Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Funding Lender's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Funding Lender may make such appearances, disburse such sums and take such action as the Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of any encumbrance, charge or lien which in the judgment of the Funding Lender

appears to be prior or superior to the Project Loan Documents or the Funding Loan Documents. Neither the Governmental Lender nor the Funding Lender shall have any obligation to do any of the above. The Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Project Loan Agreement or any of the other Project Loan Documents or Funding Loan Documents. In the event (a) that the Security Instrument is foreclosed in whole or in part or that any Project Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (b) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Project Loan Document in which proceeding the Governmental Lender or the Funding Lender is made a party or (c) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14. Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the Project Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Fiscal Agent's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of the Project Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Project Loan and the Funding Loan, including audit or examination costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer to collect the Project Note, or to enforce the rights of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under this Project Loan Agreement or any other Project Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under the Project Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the date of disbursement until the date of reimbursement to the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer, all of which shall constitute part of the Project Loan and the Funding Loan and shall be secured by the Project Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Project Loan Agreement and the exercise by the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, of any of its rights or remedies under the Project Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower

shall not be obligated to pay amounts incurred as a result, in the case of the Governmental Lender, its willful misconduct, and in the case of any other party, its gross negligence or willful misconduct, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Section 18(i) and 43(i) of the Security Instrument.

The Governmental Lender shall not be responsible for any costs associated with any securitization of the Project Loan or the Funding Loan. The Borrower shall not be responsible for any costs associated with any securitization of the Project Loan or the Funding Loan, except to the extent provided in Article IX hereof or Section 5.15 below.

Section 5.15. Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of the Governmental Lender, the Fiscal Agent or the Funding Lender pursuant hereto and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, the Beneficiary Parties, Citigroup, Inc. and each of their respective officers, governing commissioners, member, directors, officials, employees, attorneys and agents (each an “Indemnified Party”), against any and all losses, damages (including, but not limited to consequential and punitive damages), claims, actions, liabilities, costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the “Liabilities”) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising, directly or indirectly, out of or based upon or in any way relating to:

(a) The Project Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Project Loan or the Funding Loan, except with respect to any Secondary Market Disclosure Document (other than any of the Borrower’s obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a Permitted Encumbrance) or charge upon payments by the Borrower to the Governmental Lender, the Fiscal Agent or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender, the Fiscal Agent or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project;

(e) The enforcement of, or any action taken by the Governmental Lender, the Fiscal Agent or the Funding Lender related to remedies under, this Project Loan Agreement and the other Project Loan Documents and the Funding Loan Documents;

(f) Any accident, injury to, or death of persons or loss of or damage to property occurring in, on or about the Project or any part thereof;

(g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of the Borrower's applying for the Project Loan or the Funding Loan or contained in any of the Project Loan Documents or Funding Loan Documents to which the Borrower is a party;

(h) Any Determination of Taxability;

(i) Any audit or inquiry by the Internal Revenue Service with respect to the Project and/or the tax-exempt status of the Tax-Exempt Governmental Lender Note;

(j) The Fiscal Agent's acceptance or administration of the Funding Loan Agreement or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Governmental Lender Note to which it is a party;

(k) Any breach (or alleged breach) by the Borrower of any representation, warranty or covenant made in or pursuant to this Project Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by the Borrower, the General Partner, the Guarantor or their affiliates to the Governmental Lender, the Fiscal Agent, the Funding Lender, the Servicer or any other Person in connection with the Borrower's application for the Project Loan and the Funding Loan (including, without limitation, any breach or alleged breach by the Borrower of any agreement with respect to the provision of any substitute credit enhancement, if applicable);

(l) Any failure (or alleged failure) by the Borrower, the Funding Lender or the Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Project Loan and the Funding Loan;

(m) The Project, the operation of the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction or rehabilitation of, the Project or any part thereof; or

(n) The use of the proceeds of the Project Loan and the Funding Loan,

except, in the case of the foregoing indemnification of the Governmental Lender or any related Indemnified Party, to the extent such damages are caused by the willful misconduct of such

Indemnified Party and, in the case of foregoing indemnification of the Fiscal Agent, the Funding Lender, the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion, except in all respects to the Governmental Lender, where the City Attorney shall retain sole and absolute discretion in the selection of the Governmental Lender's counsel; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation. In addition thereto, the Borrower will pay on demand all of the fees and expenses paid or incurred by the Fiscal Agent and/or the Governmental Lender in enforcing the provisions hereof, as more fully set forth in this Project Loan Agreement.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Project Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lender have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity hereunder shall survive the final payment or defeasance of the Project Loan and the Funding Loan and termination of the Funding Loan Documents and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.15 shall remain valid and in full effect notwithstanding repayment of the Project Loan hereunder and shall survive the termination of this Project Loan Agreement and the resignation or removal of the Fiscal Agent.

Nothing in this Section is intended to limit the Borrower's obligations contained in Sections 2.4 and 2.5 hereof or the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement.

Section 5.16. No Warranty of Condition or Suitability by the Governmental Lender or the Funding Lender. Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17. Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations or the rights of Tenants under their tenant leases and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Project Loan Agreement. The Governmental Lender, the Fiscal Agent, the Funding Lender, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18. Notice of Default. The Borrower will provide the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer as soon as possible, and in any event not later than five Business Days after the occurrence of any Potential Default or Event of Default with a statement of an Authorized Borrower Representative describing the details of such Potential Default or Event of Default and any curative action the Borrower proposes to take.

Section 5.19. Covenant With the Governmental Lender, the Fiscal Agent and the Funding Lender. The Borrower agrees that this Project Loan Agreement is executed and delivered in part to induce the Governmental Lender to execute and the Funding Lender to fund the Governmental Lender Note and, accordingly, all covenants and agreements of the Borrower contained in this Project Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Fiscal Agent, the Funding Lender and any lawful owner, holder or pledgee of the Project Note or the Governmental Lender Note from time to time.

Section 5.20. [Reserved].

Section 5.22. Information; Statements and Reports. The Borrower shall furnish or cause to be furnished to the Governmental Lender and the Funding Lender:

(e) ***Notices; Certificates or Communications.*** Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to the Borrower or the General Partner naming the Governmental Lender or the Funding Lender as addressee or which could reasonably be deemed to affect the structural integrity of the Project or the ability of the Borrower to perform its obligations under the Project Loan Documents and the Funding Loan Documents;

(f) ***Certification of Non-Foreign Status.*** Promptly upon request of the Funding Lender from time to time, a Certification of Non-Foreign Status (as such term is used in Section 1445 of the Code), executed on or after the date of such request by the Funding Lender;

(g) ***Compliance Certificates.*** Together with each of the documents required pursuant to Section 5.22(b) hereof submitted by or on behalf of the Borrower, a statement, in form and substance satisfactory to the Funding Lender and certified by an Authorized Borrower Representative, to the effect that the Borrower is in compliance with all covenants, terms and conditions applicable to the Borrower, under or pursuant to the Project Loan Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by the Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of the Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

(h) ***Other Items and Information.*** Such other information concerning the assets, business, financial condition, operations, property, prospects and results of operations of the Borrower, the General Partner, the Guarantor or the Project, as the Funding Lender or the Governmental Lender reasonably requests from time to time.

Section 5.23. Additional Notices. The Borrower will, promptly after becoming aware thereof, give notice to the Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Project Loan Agreement;

(b) any Legal Action which is instituted by or against the Borrower, the General Partner or the Guarantor, or any Legal Action which is threatened against the Borrower, the General Partner or the Guarantor which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, prospects, assets, management, ownership or condition (financial or otherwise) of the Borrower, the General Partner, the Guarantor or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which the Borrower, the General Partner or the Guarantor is a party or by or to which the Borrower, the General Partner or the Guarantor, or any of their respective properties or assets, may be bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of the Borrower, the General Partner or the Guarantor, as applicable;

(d) any default, alleged default or potential default on the part of the Borrower under any of the CC&Rs (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

(e) any notice of default, alleged default or potential default on the part of the Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least 15% of the tenants at the Project have been received by the Borrower with respect to, or alleging, the same default, alleged default or potential default;

(f) any change or contemplated change in (i) the location of the Borrower's or the General Partner's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by the Borrower or the General Partner; or (iii) the nature of the trade or business of the Borrower; and

(g) any default, alleged default or potential default on the part of any general or limited partner (including, without limitation, the General Partner and the Equity Investor) under the Partnership Agreement.

Section 5.24. Compliance With Other Agreements; Legal Requirements.

(a) The Borrower shall timely perform and comply with, and shall cause the General Partner to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Partnership Agreement, and the Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) The Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction and/or rehabilitation of the Improvements, and will furnish the Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. The Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&Rs and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of very low, low, or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all

or any portion of the Project. The Governmental Lender and the Funding Lender shall at all times have the right to audit, at the Borrower's expense, the Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of very low, low, or moderate income, and the Borrower shall supply all such information with respect thereto as the Governmental Lender or the Funding Lender, as applicable, may request and otherwise cooperate with the Funding Lender in any such audit. Without limiting the generality of the foregoing, the Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to the Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to acquire, construct, occupy, operate, market and lease the Project.

Section 5.25. Maintenance of Project. The Borrower shall maintain the Project as a residential apartment complex in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continued operation of the Project in good order and condition, ordinary wear and tear excepted.

Section 5.26. Fixtures. The Borrower shall deliver to the Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which the Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27. Income From Project. The Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Project Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement, before using or applying such Gross Income for any other purpose.

Section 5.28. Leases and Occupancy Agreements.

(a) The Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without the Funding Lender's prior Written Consent if:

(i) The lease is a Permitted Lease;

(ii) The Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&Rs and is financially capable of performing all of its obligations under the lease; and

(iii) The lease conforms to the Rent Schedule attached as an exhibit to the [Construction Disbursement Agreement] and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&Rs.

(b) If any Event of Default has occurred and is continuing, the Funding Lender may make written demand on the Borrower to submit all future leases for the Funding

Lender's approval prior to execution. The Borrower shall comply with any such demand by the Funding Lender.

(c) No approval of any lease by the Funding Lender shall be for any purpose other than to protect the Funding Lender's security for the Project Loan and to preserve the Funding Lender's rights under the Project Loan Documents and the Funding Loan Documents. No approval by the Funding Lender shall result in a waiver of any default of the Borrower. In no event shall any approval by the Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or guarantor.

(d) **Landlord's Obligations.** The Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(e) **Leasing and Marketing Agreements.** Except as may be contemplated in the Management Agreement with the Borrower's Manager, the Borrower shall not without the approval of the Funding Lender enter into any leasing or marketing agreement and the Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

[(f) Notwithstanding paragraph (a) of this Section, the Funding Lender hereby approves the [Literacy Center Lease] and the Borrower may enter into such lease.]

Section 5.29. Project Agreements and Licenses. To the extent not heretofore delivered to the Funding Lender, the Borrower will furnish to the Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to the Funding Lender and consents to such assignments where required by the Funding Lender, all in form and substance acceptable to the Funding Lender. Neither the Borrower nor the General Partner has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to the Funding Lender and the Subordinate Lender.

Section 5.30. Payment of Debt Payments. In addition to its obligations under the Project Note, the Borrower will (a) duly and punctually pay or cause to be paid all principal of and interest on any Debt of the Borrower as and when the same become due on or before the due date; (b) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (c) promptly inform the Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (d) forward to the Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Project Loan Agreement).

Section 5.31. ERISA. The Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA to the extent applicable to the Borrower.

Section 5.32. Patriot Act Compliance. The Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over the Borrower and/or the Project, including those relating to money laundering and terrorism. The Funding Lender shall have the right to audit the Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over the Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that the Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then the Funding Lender may, at its option, cause the Borrower to comply therewith and any and all costs and expenses incurred by the Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

The Borrower covenants that it shall comply with all Legal Requirements and internal requirements of the Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect. Without limiting the foregoing, the Borrower shall not take any action, or permit any action to be taken, that would cause the Borrower's representations and warranties in Section 4.1.48 and this Section 5.32 become untrue or inaccurate at any time during the term of the Funding Loan. Upon any Beneficiary Party's request from time to time during the term of the Funding Loan, the Borrower shall certify in writing to such Beneficiary Party that the Borrower's representations, warranties and obligations under Section 4.1.48 and this Section 5.32 remain true and correct and have not been breached, and in addition, upon request of any Beneficiary Party, Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of the Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect, during the term of the Funding Loan. The Borrower shall immediately notify the Funding Lender in writing of (a) the Borrower's actual knowledge that any of such representations, warranties or covenants are no longer true and have been breached, (b) the Borrower has a reasonable basis to believe that they may no longer be true and have been breached or (c) the Borrower becomes the subject of an investigation by Governmental Authorities related to money laundering, anti-terrorism, trade embargos and economic sanctions. The Borrower shall also reimburse the Funding Lender for any expense incurred by the Funding Lender in evaluating the effect of an investigation by Governmental Authorities on the Funding Loan and the Funding Lender's interest in the collateral for the Funding Loan, in obtaining necessary license from Governmental Authorities as may be necessary for the Funding Lender to enforce its rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of the Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect applicable to the Funding Lender as a result of the existence of such an event and for any penalties or fines imposed upon the Funding Lender as a result thereof.

Section 5.33. [Reserved].

Section 5.34. Tax Covenants. The Borrower further represents, warrants and covenants that:

(a) **General.** The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on

the Tax-Exempt Governmental Lender Note from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Project Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Tax-Exempt Governmental Lender Note, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Tax-Exempt Governmental Lender Note, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Tax-Exempt Governmental Lender Note for a period during which such portion of the Tax-Exempt Governmental Lender Note is held by a “substantial user” of any facility financed with the proceeds of the Tax-Exempt Governmental Lender Note or a “related person,” as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) *Use of Proceeds.* The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

(i) *Limitation on Net Proceeds.* At least 95% of the net proceeds (within the meaning of the Code) of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note actually expended shall be used to pay Qualified Project Costs that are costs of a “qualified residential rental project” (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is “functionally related and subordinate” thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) *[Reserved]*.

(iii) *Prohibited Facilities.* The Borrower shall not use or permit the use of any proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) *Limitation on Land.* Less than 25% of the net proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note be

used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) *Accuracy of Information.* The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower's information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan.

(vi) *Limitation of Project Expenditures.* The acquisition, construction and equipping of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the provision of an inducement resolution from the Governmental Lender with respect to the Project on [OFFICIAL ACTION DATE], and no obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition, construction or equipping of the Project was paid or incurred prior to 60 days prior to such date, except for permissible "preliminary expenditures," which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of construction, rehabilitation or acquisition of the Project.

(vii) *Qualified Costs.* The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note shall be used or deemed used exclusively to pay costs which are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that for the greatest number of buildings the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed 50% or more by the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note for the purpose of complying with Section 42(h)(4)(B) of the Code; provided however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lender nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other Borrower Affiliate or the holders or payees of the Funding Loan and the Project Note for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or event of default under this Project Loan Agreement or the Funding Loan Agreement.

(c) *Limitation on Maturity.* The average maturity of the Tax-Exempt Governmental Lender Note does not exceed 120% of the average reasonably expected economic life of the Project to be financed by the Funding Loan funded with proceeds of

the Tax-Exempt Governmental Lender Note, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds of the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (i) the Closing Date for the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note or (ii) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) **No Arbitrage.** The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Funding Loan or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Tax-Exempt Governmental Lender Note to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Project Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Project Loan Agreement or the Project Note relating to the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Funding Loan and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender at all times from and after the Closing Date for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter and not later than forty-five days after the final Computation Date and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) **No Federal Guarantee.** Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit

to take any action which would cause the Tax-Exempt Governmental Lender Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) **Representations.** The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Tax-Exempt Governmental Lender Note for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) **Qualified Residential Rental Project.** The Borrower hereby covenants and agrees that the Project will be operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Tax-Exempt Governmental Lender Note remains outstanding, to the end that the interest on the Tax-Exempt Governmental Lender Note shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all provisions of the Regulatory Agreement.

(h) **Information Reporting Requirements.** The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Tax-Exempt Governmental Lender Note to be filed with the Internal Revenue Service within prescribed time limits.

(i) **Funding Loan Not a Hedge Bond.** The Borrower covenants and agrees that not more than 50% of the proceeds of the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(f)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note will be used to carry out the governmental purposes of the Funding Loan within the three year period beginning on the Closing Date.

(j) **Termination of Restrictions.** Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Project Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) **Public Approval.** The Borrower covenants and agrees that the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note will not be used in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Tax-Exempt Governmental Lender Note.

(l) **40/60 Test Election.** The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) **Modification of Tax Covenants.** Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Project Loan Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender and the Borrower hereby agree to amend this Project Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Tax-Exempt Governmental Lender Note to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Project Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Tax-Exempt Governmental Lender Note in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney in fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

The Borrower irrevocably authorizes and directs the Funding Lender, the Fiscal Agent and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Fiscal Agent, the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Funding Loan in an amount related to the amount of the Project Loan.

(n) ***Compliance With Tax Certificate.*** In furtherance of the covenants in this Section 5.34, the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Project Loan Agreement and made a part of this Project Loan Agreement as if set forth in this Project Loan Agreement in full. In the event of a conflict between the terms of this Project Loan Agreement and the Tax Certificate, the terms of the Tax Certificate shall control.

Section 5.35. Payment of Rebate.

(a) ***Arbitrage Rebate.*** The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Tax-Exempt Governmental Lender Note in accordance with Section 148(f) of the Code including:

(i) ***Delivery of Documents and Money on Computation Dates.*** The Borrower will deliver to the Servicer, or, if there is no Servicer, to the Funding Lender, with a copy to the Fiscal Agent, within 55 days after each Computation Date:

(A) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) (1) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less [the future value of] any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less [the future value of] any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) ***Correction of Underpayments.*** If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(A) or (B) above

shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (A) pay to the Fiscal Agent (for deposit to the Rebate Fund) and cause the Fiscal Agent to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (B) deliver to the Servicer an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Tax-Exempt Governmental Lender Note from becoming an arbitrage bond within the meaning of Section 148 of the Code.

(iii) *Records.* The Borrower shall retain all of its accounting records relating to the funds established under this Project Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after: the later of the final maturity of the Tax-Exempt Governmental Lender Note; or the date the Funding Loan is retired in full.

(iv) *Costs.* The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst, a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) *No Diversion of Rebatable Arbitrage.* The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note were not subject to Section 148(f) of the Code.

(vi) *Modification of Requirements.* If at any time during the term of this Project Loan Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

(b) *Rebate Fund.* The Fiscal Agent shall establish and hold a separate fund designated as the "Rebate Fund." The Fiscal Agent shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(c) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Fiscal Agent shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund, and the Fiscal Agent shall advise the Governmental Lender and the Servicer in writing of the date and amount of any payment so made.

(d) All payments to the United States of America pursuant to this Section 5.35 shall be made by the Fiscal Agent for the account and in the name of the Governmental Lender and shall be paid through the United States mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Fiscal Agent by the Borrower or the Rebate Analyst as set forth in this Section 5.35).

(e) The Borrower shall preserve all statements, forms and explanations received and delivered pursuant this Section 5.35 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loan.

(f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Fiscal Agent, the Funding Lender or the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lender to secure the Funding Loan or any other obligations.

(g) Notwithstanding anything to the contrary in this Project Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender and the Funding Lender an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Governmental Lender Note. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender with respect to such withdrawal.

(h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.35 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lender.

Section 5.36. Covenants Under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

Section 5.37. Continuing Disclosure Agreement. In connection with the purchase of the Tax-Exempt Governmental Lender Note by Citibank on the Conversion Date, the Borrower and Citibank shall enter into the Continuing Disclosure Agreement to provide for the continuing disclosure of information about the Funding Loan, the Borrower and other matters as specifically provided for in such agreement. The duties and obligations of the Borrower under the Continuing Disclosure Agreement shall be as set forth in the Continuing Disclosure Agreement.

Section 5.38. Annual CDIAC Reporting. No later than September 30 of each calendar year (commencing September 30, 2023), the Borrower agrees to provide to the Governmental Lender the information required by Section 8855(k)(1) of the California Government Code so that the Governmental Lender can file the annual report required thereby with the California Debt and Investment Advisory Commission. This covenant shall remain in effect until the later of the date (i) the Governmental Lender Note is no longer outstanding or (ii) the proceeds of the Governmental Lender Note have been fully spent.

Section 6.11. ERISA. Maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of the Borrower to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan, or permit the assets of the Borrower to become "plan assets," whether by operation of law or under regulations promulgated under ERISA.

Section 6.13. Loans and Investments; Distributions; Related Party Payments.

(a) Without the prior Written Consent of the Funding Lender in each instance, the Borrower shall not (i) lend money, make investments, or extend credit, other than in the ordinary course of its business as presently conducted; or (ii) repurchase, redeem or otherwise acquire any interest in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower, or make any distribution, in cash or in kind, in respect of interests in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower (except to the extent permitted by the Partnership Agreement, Section 5.27 hereof and subject to the limitations set forth in the Security Instrument).

or the General Partner are required to do so by disclosure requirements applicable to publicly held companies or any Governmental Authority). The Borrower and the General Partner agree that no sign shall be posted on the Project in connection with the construction and/or rehabilitation of the Improvements unless such sign identifies Citigroup and its affiliates as the source of the financing provided for herein or the Funding Lender consents to not being identified on any such sign.

(w) [Reserved]; or

(x) any failure by the Borrower to perform or comply with any of its obligations under this Project Loan Agreement (other than those specified in this Section 9.1), as and when required, which continues for a period of 30 days after written notice of such failure

by the Funding Lender or the Servicer on its behalf to the Borrower (with a copy to the Governmental Lender and the Equity Investor); provided, however, if such failure is susceptible of cure but cannot reasonably be cured within such 30-day period, and the Borrower shall have commenced to cure such failure within such 30-day period and thereafter diligently and expeditiously proceeds to cure the same, such 30-day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period not to exceed 60 days, for a total of 90 days. However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender's judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Project Loan Agreement, result in harm to the Funding Lender, impairment of the Project Note or this Project Loan Agreement or any security given under any other Project Loan Document.

Section 8.2. Remedies.

8.2.1 ***Acceleration.*** Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Project Loan Documents or at law or in equity, the Funding Lender may, take such action (whether directly or by directing the actions of the Fiscal Agent), without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Project Note to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by the Funding Lender, in the Funding Lender's sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Project Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

8.2.2 ***Remedies Cumulative.*** Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender against the Borrower under the Project Loan Documents or at law or in equity may be exercised by the Funding Lender or the Fiscal Agent, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Project Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender

permitted by law, equity or contract or as set forth in the Project Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and effect until the Funding Lender has exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations have been paid in full. To the extent permitted by applicable law, nothing contained in any Project Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the Governmental Lender and the Funding Lender agree that any cure of any default made or tendered by the Equity Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

8.2.3 **Delay.** No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender or the Fiscal Agent shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Project Loan Agreement, the Funding Lender and the Fiscal Agent reserve the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

8.2.4 **Waiver of Set Off.** Upon the occurrence of an Event of Default, the Funding Lender may, at any time and from time to time, without notice to the Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of the Borrower to the Funding Lender or the Fiscal Agent arising under or connected with this Project Loan Agreement and the other Project Loan Documents and the Funding Loan Documents, irrespective of whether or not the Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and the Borrower hereby grants to the Funding Lender, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by the Funding Lender to or for the credit or the account of the Borrower.

8.2.5 **Assumption of Obligations.** In the event that the Funding Lender, the Fiscal Agent or its assignee or designee shall become the legal or beneficial owner of the

Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Project Loan Agreement, the Project Note, the Regulatory Agreement, and any other Project Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

8.2.6 **Accounts Receivable.** Upon the occurrence of an Event of Default, the Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, Note and other documents evidencing the Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of the Funding Lender.

8.2.7 **Defaults Under Other Documents.** The Funding Lender shall have the right to cure any default under any of the Related Documents and the Subordinate Loan Documents, but shall have no obligation to do so.

8.2.8 **[Reserved].**

8.2.9 **[Reserved].**

8.2.10 **Right To Directly Enforce.** Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender or the Fiscal Agent, provided that only the Governmental Lender may enforce the Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

8.2.11 **Power of Attorney.** Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, the Borrower hereby constitutes and appoints the Funding Lender, or an independent contractor selected by the Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes performance of the Borrower's obligations under this Project Loan Agreement in the name of the BorrowerProject LoanProject Loan

Project LoanIt is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Project Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Project and assume the obligations identified above, and the Project Note, the Project Loan and the other Project Loan Documents and Funding Loan Documents remain outstanding.

ARTICLE IX

SPECIAL PROVISIONS

Section 9.1. Sale of Note and Secondary Market Transaction.

9.1.1 **Cooperation.** Subject to the restrictions of Section 2.4 of the Funding Loan Agreement, at the Funding Lender's or the Servicer's request (to the extent not already required to be provided by the Borrower under this Project Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lender or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lender or the Servicer in connection with one or more sales or assignments of all or a portion of the Governmental Lender Note or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Note (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that neither the Borrower nor the Governmental Lender shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lender or the Servicer, and shall not materially modify the Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Project Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Project Loan, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward-looking statements or lack of audit, and (iii) at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase Is and, if appropriate, Phase IIs), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this subparagraph (a) being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents (including, without limitation, auditor consents) to include or incorporate by reference the Provided Information in an offering document or otherwise provide the Provided Information to investors or potential investors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Project Loan Documents and the Funding Loan Documents reasonably acceptable

to the Funding Lender or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Project Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Project Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

9.1.2 ***Use of Information.*** The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a “Secondary Market Disclosure Document”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

9.1.3 ***Borrower Obligations Regarding Secondary Market Disclosure Documents.*** In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender, the Governmental Lender and the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender, the Governmental Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document.

The Borrower and the Funding Lender agree and acknowledge that the Governmental Lender undertakes no obligation hereunder or in the Funding Loan

Agreement to participate in the preparation of, or to approve, any Secondary Market Disclosure Document and the parties hereto agree that any Secondary Market Disclosure Document will, unless approved in advance by the Governmental Lender in writing, disclose no more regarding the Governmental Lender than its name and status as a political subdivision of the State of California and that the Governmental Lender Note are limited obligations of the Governmental Lender secured solely by the payments made by the Borrower under the corresponding Project Note and the Project Loan Agreement.

9.1.4 ***Borrower Indemnity Regarding Filings.*** In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (a) indemnify the Funding Lender, the Fiscal Agent, the Governmental Lender and the underwriter group for any securities (the “Underwriter Group”) for any Liabilities to which the Funding Lender, the Fiscal Agent, the Governmental Lender, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (b) reimburse the Funding Lender, the Fiscal Agent, the Governmental Lender, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, the Fiscal Agent, the Governmental Lender, the Servicer or the Underwriter Group in connection with defending or investigating the Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

9.1.5 ***Indemnification Procedure.*** Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

9.1.6 ***Contribution.*** In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable

under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (a) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (b) the opportunity to correct and prevent any statement or omission; and (c) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Any party may change such party's address for the notice or demands required under this Project Loan Agreement by providing written notice of such change of address to the other parties as provided herein.

Section 10.2. Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Project Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Project Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3. Survival. This Project Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Project Loan and the execution and delivery to the Governmental Lender of the Project Note and the assignment of the Project Note to the Fiscal Agent, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Project Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer.

Section 10.4. Preferences. To the extent the Borrower makes a payment to the Governmental Lender, the Fiscal Agent or the Servicer, or the Governmental Lender, the Fiscal Agent or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer. In furtherance of the preceding sentence, the Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations.

Section 10.5. Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender, the Fiscal Agent or the Servicer except with respect to matters for which this Project Loan Agreement or any other Project Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, with respect to any matter for which no Project Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer to the Borrower.

Section 10.6. Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender, the Fiscal Agent or the Servicer with respect to a Project Loan Payment. Any assignee of the Funding Lender's or the Fiscal Agent's interest in and to the Project Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Project Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7. Publicity. The Funding Lender and the Servicer (and any affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Project Loan or the Project Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lender or the Servicer or one of its or their affiliates. All news releases, publicity or advertising by the Borrower or any Borrower Affiliate through any media intended to reach the general public, which refers to the Project Loan Documents or the Funding Loan Documents, the Project Loan, the Funding Lender or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Governmental Lender, the Funding Lender or the Servicer, as applicable.

Section 10.8. Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Project Loan

Documents and the Funding Loan Documents and that the Project Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9. No Third Party Beneficiaries. The Project Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Project Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10. Assignment. The Project Loan, the Security Instrument, the Project Loan Documents and the Funding Loan Documents and all the Funding Lender's or the Fiscal Agent's rights, title, obligations and interests therein may be assigned by the Funding Lender or the Fiscal Agent, as appropriate, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, including an assignment by Bank of America, N.A. to Citibank, N.A. on the Conversion Date, subject to the requirements of Article IV of the Funding Loan Agreement. Upon such assignment, all references to the Funding Lender or the Fiscal Agent, as appropriate, in this Project Loan Agreement and in any Project Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender or the Fiscal Agent, as appropriate. The Borrower shall accord full recognition to any such assignment, and all rights and remedies of the Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by the Funding Lender before such assignment. In connection with any proposed assignment, the Funding Lender may disclose to the proposed assignee any information that the Borrower has delivered, or caused to be delivered, to Funding Lender with reference to the Borrower, the General Partner, the Guarantor or any Borrower Affiliate, or the Project, including information that the Borrower is required to deliver to Funding Lender pursuant to this Project Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Project Loan Agreement or under any of the Project Loan Documents or Funding Loan Documents, or the Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 10.11. Intentionally Omitted.

Section 10.12. Governmental Lender, Funding Lender, Fiscal Agent and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Project Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer being limited to the rights to exercise the remedies referred to in the Project Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Project Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or

construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer or to create an equity in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer. Neither the Governmental Lender, the Funding Lender, the Fiscal Agent nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Project Loan, except as expressly provided in the Project Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of the Project Loan Documents and the Funding Loan Documents: (a) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer do not intend to ever assume such status; (b) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall in no event be liable for any of the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (c) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lender, the Servicer, the Fiscal Agent and the Borrower, or to create an equity in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13. Release. The Borrower hereby acknowledges that it is executing this Project Loan Agreement and each of the Project Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14. Term of Project Loan Agreement. This Project Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Project Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Project Note, this Project Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11, 5.14, 5.15, 5.34, 5.35, 9.1.3, 9.1.4, 9.1.5, 9.1.6 and 10.15, as well as under Section __ of the Covenant Agreement, shall survive the termination of this Project Loan Agreement.

Section 10.15. Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for fees of such attorneys and such other expenses so incurred.

From and after the Conversion Date, the Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Project Note.

Section 10.16. Permitted Contests. Notwithstanding anything to the contrary contained in this Project Loan Agreement, the Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of the Borrower under any Project Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to the Governmental Lender's or the Funding Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to the Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless the Borrower shall have given prior Written Notice to the Governmental Lender and the Funding Lender of the Borrower's intent to so contest or object thereto, and unless (a) the Borrower has, in the Governmental Lender's and the Funding Lender's judgment, a reasonable basis for such contest, (b) the Borrower pays when due any portion of the claim, demand, levy or assessment to which the Borrower does not object, (c) the Borrower demonstrates to the Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (d) the Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to the Funding Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to the Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (e) the Borrower at all times prosecutes the contest with due diligence, and (f) the Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by the Borrower, the amount so determined to be due and owing by the Borrower. In the event that the Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by the Borrower, any payment required to be made pursuant to clause (f) of the preceding sentence, an Event of Default shall have occurred, and the Funding Lender may draw or realize upon any bond or other security delivered to the Funding Lender in connection with the contest by the Borrower, in order to make such payment.

Section 10.17. Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Project Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by the Funding Lender. The Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of the Funding Lender. No such approval shall result in a waiver of any default of the Borrower. In no event shall the Funding Lender's approval be a representation of any kind with regard to the matter being approved.

Section 10.18. Funding Lender Determination of Facts. The Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Project Loan Agreement.

Section 10.19. Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.20. Determinations by Lender. Except to the extent expressly set forth in this Project Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Project Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lender, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21. Governing Law. This Project Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22. Consent to Jurisdiction and Venue. The Borrower agrees that any controversy arising under or in relation to this Project Loan Agreement shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Project Loan Agreement. The Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Project Loan Agreement against the Borrower or any of the Borrower's assets in any court of any other jurisdiction.

Section 10.23. Successors and Assigns. This Project Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. References to a "person" or "persons" shall be deemed to include individuals and entities.

Section 10.24. Severability. The invalidity, illegality or unenforceability of any provision of this Project Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.25. Entire Agreement; Amendment and Waiver. This Project Loan Agreement contains the complete and entire understanding of the parties with respect to the matters

covered herein. This Project Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Project Loan Agreement shall be considered as a general waiver.

Section 10.26. Counterparts. This Project Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.27. Captions. The captions of the sections of this Project Loan Agreement are for convenience only and shall be disregarded in construing this Project Loan Agreement.

Section 10.28. Servicer. The Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Project Note, this Project Loan Agreement or the other Project Loan Documents, and to otherwise service the Project Loan and (b) unless the Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.29. Beneficiary Parties as Third Party Beneficiary. Each of the Beneficiary Parties shall be a third party beneficiary of this Project Loan Agreement for all purposes.

Section 10.30. Waiver of Trial by Jury. The Governmental Lender does not agree to not elect a trial by jury or to waive any jury trial and does not consent to any resolution by judicial reference. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW AND ONLY TO THE EXTENT ENFORCEMENT OF SUCH AGREEMENT WOULD NOT ADVERSELY AFFECT THE FISCAL AGENT AND THE ABILITY OF THE GOVERNMENTAL LENDER TO ELECT A TRIAL BY JURY, THE BORROWER (a) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS PROJECT LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE BY A JURY AND (b) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN BY THE BORROWER, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL. IF FOR ANY REASON THIS WAIVER IS DETERMINED TO BE UNENFORCEABLE, THE BORROWER AGREES TO THE RESOLUTION OF ALL DISPUTES BY JUDICIAL REFERENCE PURSUANT TO THE PROCEDURES SET FORTH IN THE SECURITY INSTRUMENT.

Section 10.32. Reference Date. This Project Loan Agreement is dated for referenced purposes only as of _____ 1, 20__ and will not be effective and binding on the parties hereto unless and until the Conversion Date (as defined herein) occurs.

ARTICLE XI

LIMITATIONS ON LIABILITY

Section 11.1. Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Project Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Project Note.

Section 11.2. Limitation on Liability of Lender. Notwithstanding anything to the contrary herein or in any other instrument to the contrary, the Governmental Lender shall not be obligated to pay the principal (or prepayment price) of or interest on the Funding Loan, except from Revenues and other money and assets received by the Fiscal Agent on behalf of the Governmental Lender pursuant to this Project Loan Agreement. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Governmental Lender or any member is pledged to the payment of the principal (any prepayment premium) or interest on the Funding Loan. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Project Loan Agreement, the Funding Loan, the Governmental Note or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Project Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender's sole source of money to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Project Loan Agreement, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (any prepayment premium) and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration or otherwise), then upon notice from the Fiscal Agent, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or prepayment premium) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender or any such third party, as the case may be, therefor.

Section 11.3. Waiver of Personal Liability. Notwithstanding anything to the contrary herein or in any other instrument to the contrary, no recourse under or upon any obligation, covenant, or agreement or in the Governmental Note, or under any judgment obtained against the Governmental Lender, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director, commissioner, employee, agent or officer, as such, past, present, or future, of the Governmental Lender, either directly or through the Governmental Lender, or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the

Governmental Lender upon the Funding Loan. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director, commissioner, employee, agent or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loan, is hereby expressly waived and released as a condition of and consideration for the execution of this Project Loan Agreement and the issuance of the Governmental Note.

Section 11.4. Limitation on Liability of the Funding Lender's Officers, Employees, Etc.

(a) The Borrower assumes all risks of the acts or omissions of the Governmental Lender and the Funding Lender, provided, however, this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the Governmental Lender and the Funding Lender at law or under any other agreement. None of the Governmental Lender, the Fiscal Agent and the Funding Lender, nor any of its commissioners, officers, directors, employees or agents shall be liable or responsible for (i) any acts or omissions of the Governmental Lender and the Funding Lender; or (ii) the validity, sufficiency or genuineness of any documents, or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged. In furtherance and not in limitation of the foregoing, the Governmental Lender and the Funding Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, unless acceptance in light of such notice or information constitutes willful misconduct on the part of the Governmental Lender, or gross negligence or willful misconduct on the part of the Funding Lender.

(b) None of the Governmental Lender, the Fiscal Agent, the Funding Lender, the other Beneficiary Parties or any of their respective officers, directors, employees or agents shall be liable to any contractor, subcontractor, supplier, laborer, architect, engineer or any other party for services performed or materials supplied in connection with the Project. The Governmental Lender and the Funding Lender shall not be liable for any debts or claims accruing in favor of any such parties against the Borrower or others or against the Project or the Mortgaged Property. The Borrower is not and shall not be an agent of the Governmental Lender and the Funding Lender for any purpose. The Governmental Lender and the Funding Lender are not joint venture partners with the Borrower or with each other in any manner whatsoever. Prior to default by the Borrower under this Project Loan Agreement and the exercise of remedies granted herein, the Governmental Lender and the Funding Lender shall not be deemed to be in privity of contract with any contractor or provider of services to the Project, nor shall any payment of funds directly to a contractor, subcontractor or provider of services be deemed to create any third party beneficiary status or recognition of same by the Governmental Lender and the Funding Lender. Approvals granted by the Governmental Lender and the Funding Lender for any matters covered under this Project Loan Agreement shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of the Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender and the Funding Lender that may arise at any time under this Project Loan Agreement or any other Project Loan Document shall be satisfied, if at all, out of the Funding Lender's assets only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the Project or any of the Governmental Lender's or the Funding Lender's shareholders (if any), directors, officers, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise.

Section 11.5. Delivery of Reports, Etc. The delivery of reports, information and documents to the Governmental Lender and the Funding Lender as provided herein is for informational purposes only and the Governmental Lender's and the Funding Lender's receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein. The Governmental Lender and the Funding Lender shall have no duties or responsibilities except those that are specifically set forth herein, and no other duties or obligations shall be implied in this Project Loan Agreement against the Governmental Lender and the Funding Lender.

Section 11.6. City Contracting Provisions. The Borrower covenants and agrees to comply with the provisions set forth in Section 21 of the Regulatory Agreement as if fully set forth herein.

EXHIBIT B

MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Project Loan Agreement as if set forth in the body thereof. Capitalized terms used but not defined in this Exhibit B shall have the meanings given in the Project Loan Agreement. As used herein, the Borrower shall be known as the “Obligated Party”.

1. Nondiscrimination; Penalties.

(a) *Non Discrimination in Contracts.* The Obligated Party shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Obligated Party shall incorporate by reference in any subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require any subcontractors to comply with such provisions. The Obligated Party is subject to the enforcement and penalty provisions in Chapters 12B and 12C.

(b) *Nondiscrimination in the Provision of Employee Benefits. San Francisco Administrative Code 12B.2.* The Obligated Party does not as of the date of this Indenture, and will not during the term of this Indenture, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.

2. MacBride Principles—Northern Ireland. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Indenture. By entering into this Indenture, the Obligated Party confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

3. Tropical Hardwood and Virgin Redwood Ban. Pursuant to San Francisco Environment Code Section 804(b), the City urges the Obligated Party not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

4. Alcohol and Drug-Free Workplace. The City reserves the right to deny access to, or require the Obligated Party to remove from, City facilities personnel of such Obligated Party who the City has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City’s ability to maintain safe work facilities or to protect the health and well-being of City employees and the general public. The City shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the

individual lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

5. Compliance with Americans with Disabilities Act. The Obligated Party shall provide the services specified in the Indenture in a manner that complies with the Americans with Disabilities Act (ADA), including but not limited to Title II's program access requirements, and all other applicable federal, state and local disability rights legislation.

6. Sunshine Ordinance. The Obligated Party acknowledges that the Indenture and all records related to its formation, such Obligated Party's performance of services provided under the Indenture, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.

7. Limitations on Contributions. By executing the Indenture, the Obligated Party acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of the Obligated Party's board of directors; the Obligated Party's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10% in such Obligated Party; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by such Obligated Party. The Obligated Party certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

8. Requiring Minimum Compensation for Covered Employees. If Administrative Code Chapter 12P applies to the Indenture, the Obligated Party shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>. The Obligated Party is required to comply with all of the applicable provisions of 12P, irrespective of the listing of obligations in this Section. By signing and executing the Indenture, the Obligated Party certifies that it complies with Chapter 12P.

9. Requiring Health Benefits for Covered Employees. If Administrative Code Chapter 12Q applies to the Indenture, the Obligated Party shall comply with the requirements of Chapter 12Q. For each Covered Employee, the Obligated Party shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Obligated Party chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission. Information about and the text of the Chapter 12Q, as well as the Health Commission's minimum standards, is available on the web at <http://sfgov.org/olse/hcao>. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12Q. Any subcontract entered into by the Obligated Party shall require any subcontractor with 20 or more employees to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section.

10. Prohibition on Political Activity with City Funds. In performing under the Indenture, the Obligated Party shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for the Indenture from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12G.

11. Nondisclosure of Private, Proprietary or Confidential Information. If the Indenture requires the City to disclose "Private Information" to the Obligated Party within the meaning of San Francisco Administrative Code Chapter 12M, the Obligated Party shall use such information consistent with the restrictions stated in Chapter 12M and in this Indenture and only as necessary in performing the services provided under the Indenture. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under the Indenture, the Obligated Party may have access to the City's proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Obligated Party, such information must be held by such Obligated Party in confidence and used only in performing the Indenture. The Obligated Party shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

12. Consideration of Criminal History in Hiring and Employment Decisions. The Obligated Party agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Indenture. The text of Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. A partial listing of some of the Obligated Party's obligations under Chapter 12T is set forth in this Section. The Obligated Party is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Indenture shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to the Obligated Party's operations to the extent those operations are in furtherance of the performance of this Indenture, shall apply only

to applicants and employees who would be or are performing work in furtherance of this Indenture, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco which excludes City property. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

13. Reserved.

14. Submitting False Claims; Monetary Penalties. The full text of San Francisco Administrative Code §§ 21.35, including the enforcement and penalty provisions, is incorporated into the Indenture. Under San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

15. Conflict of Interest. By entering into the Indenture, the Obligated Party certifies that it does not know of any fact which constitutes a violation of Section 15.103 of the City's Charter; Article III, Chapter 2 of City's Campaign and Governmental Conduct Code; Title 9, Chapter 7 of the California Government Code (Section 87100 *et seq.*), or Title 1, Division 4, Chapter 1, Article 4 of the California Government Code (Section 1090 *et seq.*), and further agrees promptly to notify the City if it becomes aware of any such fact during the term of this Indenture.

16. Food Service Waste Reduction Requirements. The Obligated Party shall comply with the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including but not limited to the provided remedies for noncompliance.

17. Distribution of Beverages and Water. The Obligated Party agrees that it will not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of the Indenture. The Obligated Party agrees that it shall not sell, provide or otherwise distribute Packaged Water, as defined by San Francisco Environment Code Chapter 24, as part of its performance of the Indenture.

18. Consideration of Salary History. The Obligated Party shall comply with San Francisco Administrative Code Chapter 12K, the Consideration of Salary History Ordinance or "Pay Parity Act." The Obligated Party is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on the Indenture or in furtherance of the Indenture, and whose application, in whole or part, will be solicited, received,

processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. The Obligated Party is required to comply with all of the applicable provisions of 12K, irrespective of the listing of obligations in this Section.

19. Laws Incorporated by Reference. The full text of the laws listed in this Exhibit D, including enforcement and penalty provisions, are incorporated into the Indenture by reference. The full text of the San Francisco Municipal Code provisions incorporated by reference in this Exhibit D are available at http://www.amlegal.com/codes/client/san-francisco_ca/

20. First Source Hiring Program. The Obligated Party must comply with all of the provisions of the First Source Hiring Program, Chapter 83 of the San Francisco Administrative Code, that apply to this Indenture, and the Obligated Party is subject to the enforcement and penalty provisions in Chapter 83.

21. Prevailing Wages. Services to be performed by the Obligated Party under this the Indenture Agreement may involve the performance of trade work covered by the provisions of Section 6.22(e) or Section 21C of the Administrative Code (collectively, "Covered Services"). 22. Contractor Vaccination Policy.

(a) The Obligated Party acknowledges that it has read the requirements of the 38th Supplement to Mayoral Proclamation Declaring the Existence of a Local Emergency ("Emergency Declaration"), dated February 25, 2020, and the Contractor Vaccination Policy for City Contractors issued by the City Administrator ("Contractor Vaccination Policy"), as those documents may be amended from time to time. ARTICLE II

THE FUNDING LOAN

Section 2.01 Terms.

(a) The total principal amount of the Funding Loan is hereby expressly limited to the Authorized Amount. The Funding Loan shall be originated and funded by the Initial Funding Lender to the Governmental Lender in accordance with Section 2.01(b) below. The proceeds of the Funding Loan shall be deposited with the Fiscal Agent and disbursed in accordance with this Funding Loan Agreement. The Funding Loan shall be evidenced by the Governmental Notes and shall bear interest and be paid in accordance with the payment terms set forth in the Governmental Notes and this Funding Loan Agreement.

(b) The Funding Loan shall be originated by the Initial Funding Lender on a draw-down basis. The proceeds of the Funding Loan shall be advanced by the Initial Funding Lender in installments directly to the Fiscal Agent for deposit to the Project Account upon receipt of an Advance Request and the satisfaction of the conditions to such advance set forth in the Construction Continuing Covenant Agreement and the form of requisition attached as Exhibit E hereto. Upon the advancement of the proceeds of the Funding Loan in accordance with the terms hereof, the principal amount of the Governmental Notes in a principal amount equal to the amount so advanced shall be deemed to be increased automatically and without further acts on the part of the Governmental Lender or the Fiscal Agent. The Initial Installment of the Funding Loan shall be advanced by the Initial Funding Lender on the Series A-1 Governmental Note and deposited in the Project Loan Fund on the Delivery Date for application as provided in Section 2.11.

Thereafter, all remaining disbursements of the Funding Loan shall be drawn first on the Series A-1 Governmental Note, until the available credit thereunder is exhausted, and then upon the Series A-2 Governmental Note until the available credit thereunder is exhausted, but in no event shall the total of draws on the Governmental Notes in aggregate exceed the Authorized Amount; provided, however, that after the initial draw on the Series A-1 Governmental Note, at the request of the Borrower, the Series A-2 Governmental Note may be drawn on in any amount or amounts from time to time before the credit available under the Series A-1 Governmental Note is exhausted but in each such case only with the Servicer's approval and subject to the provisions of the Tax Certificate and the Code. Notwithstanding anything in this Funding Loan Agreement to the contrary, no additional amounts of the Funding Loan may be drawn down and funded hereunder after the Advance Termination Date. Any extension of the Advance Termination Date shall be subject to the receipt by the Fiscal Agent of (i) the prior written consent of the Initial Funding Lender and the Permanent Funding Lender and (ii) an opinion of Bond Counsel (which shall also be addressed to the Funding Lender Representative) to the effect that such extension will not adversely affect the tax-exempt status of the Series A-1 Governmental Note.

(c) The Fiscal Agent shall maintain in its books a log which shall reflect the principal amount of the Funding Loan advanced by the Initial Funding Lender from time to time in accordance with the provisions of Section 2.01(b) above (the "**Record of Advances**"). The principal amount due on the Governmental Notes shall be only such amount as has been advanced by the Initial Funding Lender as reflected in the Record of Advances and not otherwise prepaid pursuant to the terms of this Funding Loan Agreement. The records maintained by the Fiscal Agent in such regard will be conclusive evidence of the principal amount of the Funding Loan (absent manifest error). The Fiscal Agent shall notify the Governmental Lender, the Permanent Funding Lender and the Borrower if any advance of the proceeds of the Funding Loan is not made by the Initial Funding Lender when due hereunder pursuant to Section 2.01(b) above.

(d) The Funding Loan shall bear interest payable on each Interest Payment Date (i) with respect to the Series A-1 Governmental Note at (A) the applicable Construction Phase Interest Rate during the Construction Phase and (B) the Permanent Phase Interest Rate during the Permanent Phase, and (ii) with respect to the Series A-2 Governmental Note, at the applicable Construction Phase Interest Rate. Interest shall accrue on the principal amount of the Funding Loan which has been advanced hereunder and is outstanding as reflected on the Record of Advances.

(e) The Funding Loan shall mature on the Maturity Date, subject to optional and mandatory prepayment prior to maturity as provided in Article III hereof. All unpaid principal and all accrued and unpaid interest outstanding under the Funding Loan shall be due and payable on the Maturity Date. If the Permanent Lender purchases the Funding Loan upon Conversion, principal and interest shall be paid as provided in the Permanent Loan Documents.

(f) Payment of principal of, premium, if any, and interest on the Funding Loan shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by the Funding Lender (unless otherwise directed by the Funding Lender).

(g) Subject to Section 2.12 hereof, on or before the date fixed for payment, money shall be deposited with the Fiscal Agent to pay, and the Fiscal Agent is hereby authorized and directed

to apply such money to the payment of, the Funding Loan, together with accrued interest thereon to the date of payment.

(h) In no contingency or event whatsoever shall the aggregate of all amounts deemed interest hereunder and charged or collected pursuant to the terms of this Funding Loan Agreement exceed the highest rate permissible under any law which a court of competent jurisdiction shall, in a final determination, deem applicable hereto. In the event that such court determines the Funding Lender has charged or received interest hereunder in excess of the highest applicable rate, the Funding Lender shall apply, in its sole discretion, and set off such excess interest received by the Funding Lender against other obligations due or to become due under the Financing Documents and such rate shall automatically be reduced to the maximum rate permitted by such law.

In no event will a payment be due and payable on the Funding Loan or the Governmental Notes except to the extent such amount is due and payable under the Project Loan Agreement and the Project Notes. In the event of any conflict as to the payment terms of the Governmental Notes and the Project Notes, the terms of the Project Notes shall control and the terms of the Governmental Notes shall be deemed to be a product of scrivener's error to the extent of such conflict and shall be deemed without further action to be reformed to the extent necessary to correct such error. Any writing duly executed by the parties to memorialize the reformation of the Governmental Notes shall be deemed to express the original mutual intent of the parties for the payment terms of the Governmental Notes to match those of the Project Notes, rather than as a modification or amendment of such original intent. Notwithstanding the foregoing provisions of this paragraph, no such reformation shall increase the obligations of the Governmental Lender under the Funding Loan or the Governmental Notes except to the extent payable solely from the Pledged Security. Further, no such reformation shall cause the Governmental Lender's obligations hereunder and under the Governmental Notes to be other than limited obligations as set forth in Section 2.03 below.

Section 2.02 Pledged Security. To secure the payment of the principal of, premium, if any, and interest on the Funding Loan according to its tenor and effect, and the performance and observance by the Governmental Lender of all the covenants expressed or implied herein and in the Governmental Notes, and the payment and performance of all amounts and obligations of the Borrower under the Continuing Covenant Agreement, the Governmental Lender does hereby grant, bargain, sell, convey, pledge and assign a security interest, unto the Fiscal Agent, and its successors in such capacity and its and their assigns in and to the following (excepting, however, in each case, the Unassigned Rights) (said property being herein referred to as the "**Pledged Security**") for the benefit of the Funding Lender:

(a) All right, title and interest of the Governmental Lender in and to all Revenues;

(b) All right, title and interest of the Governmental Lender in and to the Project Loan Agreement, the Project Notes, the Security Instrument and the other Project Loan Documents, including all extensions and renewals of the terms thereof, if any, including, but without limiting the generality of the foregoing, the present and continuing right to receive, receipt for, collect or make claim for any of the money, income, revenues, issues, profits and other amounts payable or receivable thereunder (including all casualty insurance benefits or condemnation awards), whether payable under the above referenced

documents or otherwise, to bring actions and proceedings thereunder or for the enforcement thereof, and to do any and all things which the Governmental Lender or any other Person is or may become entitled to do under said documents; and

The pledge and assignment of and the security interest granted in the Pledged Security pursuant to this Section 2.02 for the payment of the principal of, premium, if any, and interest on the Governmental Notes, in accordance with its terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the Delivery Date. The Pledged Security so pledged and then or thereafter received by the Fiscal Agent shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof. The Funding Lender shall have, in connection with the security interest granted hereunder, all rights and remedies available to a secured party under the Uniform Commercial Code as enacted in the State.

The foregoing notwithstanding, if the Governmental Lender or its successors or assigns shall pay or cause to be paid to the Funding Lender in full the principal, interest and premium, if any, to become due with respect to the Funding Loan at the times and in the manner provided in Article IX hereof, and if the Governmental Lender shall keep, perform and observe, or cause to be kept, performed and observed, all of its covenants, warranties and agreements contained herein, then these presents and the estate and rights hereby granted shall, at the option of the Governmental Lender, cease, terminate and be void, and thereupon the Fiscal Agent shall cancel and discharge the lien of this Funding Loan Agreement and execute and deliver to the Governmental Lender such instruments in writing as shall be requisite to satisfy the lien hereof, and, subject to the provisions of Sections 4.11 and 4.12 hereof and Article IX hereof, reconvey to the Governmental Lender the estate hereby conveyed, and assign and deliver to the Governmental Lender any property at the time subject to the lien of this Funding Loan Agreement which may then be in its possession, except for the Rebate Fund and cash held by the Fiscal Agent for the payment of interest on and principal of the Governmental Notes; otherwise this Funding Loan Agreement to be and shall remain in full force and effect.

Section 2.03 *Limited Obligations.* Notwithstanding anything to the contrary herein or to the contrary in any Financing Document:

limited extent authorized by the Act and set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on the Funding Loan or the Governmental Notes or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and, notwithstanding anything herein or in any other instrument to the contrary, none of the Funding Loan or the Governmental Notes or any of the Governmental Lender's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

(b) The Funding Loan and the Governmental Notes, together with the interest and premium, if any, thereon and the purchase price thereof, shall not be deemed to constitute a debt or liability of the Governmental Lender, the State or of any political subdivision or public agency thereof or a pledge of the faith and credit of the Governmental Lender, the State or any political subdivision or public agency thereof, but, notwithstanding anything herein or in any other instrument to the contrary, shall be payable solely from the Pledged Security provided therefor pursuant to this Funding Loan Agreement. The Funding Loan and the Governmental Notes are only limited obligations of the Governmental Lender as provided by the Act, and, notwithstanding anything herein or in any other instrument to the contrary, neither the Governmental Lender nor any public agency shall under any circumstances be obligated to pay the Funding Loan or the Governmental Notes except from the Pledged Security.

(c) Neither the faith and credit nor the taxing power of the State, the Governmental Lender, any public agency or any political subdivision of the State is pledged to the payment of the principal of, premium, if any, purchase price of or interest on the Funding Loan or the Governmental Notes, nor is the State, the Governmental Lender, any public agency or any political subdivision of the State, in any manner obligated to make any appropriation for such payment.

(d) Notwithstanding anything herein or in any other instrument to the contrary, no recourse shall be had for the payment of the principal of, premium, if any, or interest on the Funding Loan or the Governmental Notes or for any claim based thereon or upon any obligation, covenant or agreement in this Funding Loan Agreement contained (except from the Pledged Security), against the Governmental Lender, any past, present or future member of its governing body, its officers, attorneys, accountants, financial advisors, agents or staff, or the officers, attorneys, accountants, financial advisors, agents or staff of any successor public entity, as such, either directly or through the Governmental Lender or any successor public entity, under any rule of law or penalty or otherwise, and all such liability of the Governmental Lender, any member of its governing body and its officers, attorneys, accountants, financial advisors, agents and staff is hereby expressly waived and released as a condition of, and in consideration for, the execution of this Funding Loan Agreement.

of the Governmental Lender by the manual signature of an Authorized Officer of the Governmental Lender. The signatures of individuals who were the proper officers of the Governmental Lender at the time of execution shall bind the Governmental Lender, notwithstanding that such individuals or any of them shall have ceased to hold such offices prior to the delivery of the Governmental Notes or shall not have held such offices at the date of the Governmental Notes.

Section 2.06 *Authentication.* The Governmental Notes shall not be valid or obligatory for any purpose or entitled to any security or benefit under this Funding Loan Agreement unless a certificate of authentication on the Governmental Notes, substantially in the form set forth in Exhibit A-1 and Exhibit A-2, shall have been duly executed by an Authorized Officer of the Fiscal Agent; and such executed certificate of authentication upon the Governmental Notes shall be conclusive evidence that the Governmental Notes have been duly executed, registered, authenticated and delivered under this Funding Loan Agreement.

Section 2.07 *Mutilated, Lost, Stolen or Destroyed Governmental Note.* In the event a Governmental Note is mutilated, lost, stolen or destroyed, the Governmental Lender shall execute and the Fiscal Agent shall authenticate a new Governmental Note substantially in the form set forth in Exhibit A-1 and Exhibit A-2, as applicable in exchange and substitution for and upon cancellation of the mutilated Governmental Note or in lieu of and in substitution for such lost, stolen or destroyed Governmental Note, upon payment by the Funding Lender of any applicable tax or governmental charge and the reasonable expenses and charges of the Governmental Lender and the Fiscal Agent in connection therewith, and in the case where a Governmental Note is lost, stolen or destroyed, the filing with the Fiscal Agent of evidence satisfactory to it that the Governmental Note was lost, stolen or destroyed, and of the ownership thereof, and furnishing the Governmental Lender and the Fiscal Agent with indemnity satisfactory to each of them. In the event where a Governmental Note shall have matured, instead of delivering a new Governmental Note the Governmental Lender may pay the same without surrender thereof.

Section 2.08 *Registration; Transfer of Funding Loan; Transferee Representations Letter.*

(a) The Funding Loan, as evidenced by the Governmental Notes, shall be fully registered as to principal and interest in the manner and with any additional designation as the Fiscal Agent deems necessary for the purpose of identifying the registered owner thereof. The Funding Loan, as evidenced by the Governmental Notes, shall be transferable only on the registration books of the Fiscal Agent. The Fiscal Agent shall maintain books or other records showing the name and date of registration, address and employer identification number of the registered owner of the Funding Loan, as evidenced by the Governmental Notes, and any transfers of the Funding Loan, as evidenced by the Governmental Notes, as provided herein, which books shall be maintained by the Fiscal Agent for such purpose consistent with the registration requirements of the Code applicable to tax-exempt obligations and which shall be open to inspection by the Governmental Lender. The Funding Loan, as evidenced by the Governmental Notes, shall initially be registered to the Initial Funding Lender. Upon the Conversion Date the Tax-Exempt Governmental Note shall be amended and restated as provided in the Construction Phase Financing Agreement, and shall be registered to the Permanent Funding Lender.

(b) The Funding Lender may not sell or assign the Funding Loan and the Governmental Notes, except in whole to a transferee who agrees to become the "Funding Lender" under the

Financing Documents and assume all of the obligations and perform all of the duties of the Funding Lender thereunder, but the Funding Lender shall have the right to sell participation interests in the Funding Loan or to grant a participation interest in the Funding Loan in a percentage of not less than twenty-five percent (25%) of the outstanding principal amount of the Funding Loan; provided that the Funding Loan may be transferred, or any participation interest therein granted, only to an “accredited investor” as that term is defined in Rule 501 of Regulation D under the Securities Act or a “qualified institutional buyer” as that term is defined under Rule 144A of the Securities Act (such “accredited investor” or “qualified institutional buyer” a “Qualified Transferee”) that delivers a letter to the Governmental Lender and the Fiscal Agent substantially in the form attached hereto as Exhibit C setting forth certain representations with respect to such Qualified Transferee (the “Transferee Representations Letter”). Notwithstanding the preceding sentence, no Transferee Representations Letter shall be required for the Funding Lender Representative to (i) transfer the Funding Loan to any affiliate or other party related to the Funding Lender that is a Qualified Transferee or (ii) sell or transfer the Funding Loan to a special purpose entity, a trust or a custodial or similar pooling arrangement from which the Funding Loan or securitized interests therein are not expected to be sold or transferred except to (x) owners or beneficial owners thereof that are Qualified Transferees or (y) in circumstances where secondary market credit enhancement is provided for such securitized interests resulting in a rating thereof of at least “A” or better. In connection with any sale, assignment or transfer of the Funding Loan, the Funding Lender shall give notice of such sale, assignment or transfer to the Fiscal Agent and the Fiscal Agent shall record such sale, assignment or transfer on its books or other records maintained for the registration of transfer of the Funding Loan, as evidenced by the Governmental Notes.

(c) No service charge shall be made for any sale or assignment of any portion of the Funding Loan or the Governmental Notes, but the Governmental Lender may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such sale or assignment. Such sums shall be paid in every instance by the purchaser or assignee of the Funding Loan or portion thereof.

Section 2.09 .Securitization; Allocation of Funding Loan Interest. In accordance with the provisions of Section 2.08 hereof, the Funding Lender may transfer the Funding Loan to a Qualified Transferee in connection with the securitization of the Funding Loan, in which event the Funding Lender Representative may direct the Fiscal Agent to make all future payments with respect to the Funding Loan to the appointed master servicer for that securitization (or an account designated by such master servicer), and the Fiscal Agent shall accept such direction from the Funding Lender Representative. In the event that the Funding Lender transfers the Funding Loan to a Qualified Transferee in accordance with the provisions of Section 2.08 hereof, the Funding Lender Representative may also give notice to the Fiscal Agent that the Funding Lender has agreed to allow the Servicer to retain a portion of the monthly interest payable on the Funding Loan as additional compensation for the servicing of the Funding Loan (“**Additional Servicing Fee**”), which Additional Servicing Fee will equal no more than an annual 2 basis points with respect to the unpaid principal balance of the Governmental Notes, in which event the Fiscal Agent shall accept and pay to the Funding Lender such lesser amount of interest received from the Servicer and shall consider such payment to be in full compliance with the terms of the Governmental Notes, the Project Notes and all other Financing Documents with regard to the interest owed on the Funding Loan.

Section 2.10 *Funding Loan Closing Conditions; Delivery of Governmental Notes.*

Closing of the Funding Loan on the Delivery Date shall be conditioned upon, and the Governmental Lender shall only execute and deliver to the Fiscal Agent, and the Fiscal Agent shall only authenticate the Governmental Notes and deliver the Governmental Notes to the Initial Funding Lender upon satisfaction of the following conditions, in the sole discretion of the Governmental Lender or the Funding Lender, as applicable:

(a) Receipt by the Funding Lender and the Governmental Lender of executed counterparts of this Funding Loan Agreement, the Project Loan Agreement, the Tax Regulatory Agreement and the Tax Certificate;

(b) Receipt by the Funding Lender and the Governmental Lender of an opinion of counsel to the Governmental Lender to the effect that the Governmental Lender is duly organized and existing under the laws of the State and has duly authorized, executed and delivered this Funding Loan Agreement, the Governmental Notes and the other Financing Documents to which it is a party, and such documents are valid and binding special, limited obligations of the Governmental Lender enforceable in accordance with their terms subject to customary exceptions;

(c) Receipt by the Fiscal Agent of the initial advance of the proceeds of the Funding Loan by the Initial Funding Lender in the amount of the Initial Installment set forth in Section 2.01(b) hereof;

(g) Receipt by the Funding Lender and the Governmental Lender of a customary approving opinion of Bond Counsel, including but not limited to an opinion to the effect that the Governmental Notes have been executed and delivered by the Governmental Lender and constitute a valid and binding special limited obligation of the Governmental Lender, that the Funding Loan Agreement has been executed and delivered by the Governmental Lender and constitutes a valid and binding obligation of the

(l) Delivery into escrow of all amounts required to be paid in connection with the origination of the Project Loan and the Funding Loan and any underlying real estate transfers or transactions, including the Costs of Issuance Deposit, in accordance with Section 3.03 of the Project Loan Agreement, and delivery of the Borrower Equity Deposit into the Borrower Equity Account pursuant to Section 2.11(c) hereof; and

(m) Receipt by the Funding Lender and the Governmental Lender of any other documents or opinions that Funding Lender or Bond Counsel may require.

Section 2.11 *Establishment of Project Loan Fund; Application of Funding Loan Proceeds and Other Money.*

(a) The Fiscal Agent shall establish, maintain and hold in trust and there is hereby established with the Fiscal Agent a Project Loan Fund and therein a Project Account (with a Tax-Exempt Project Subaccount and a Taxable Project Subaccount therein) and a Borrower Equity Account. No amount shall be charged against the Project Loan Fund except as expressly provided in this Section 2.11 and Section 4.02 hereof.

(b) The proceeds of the Funding Loan shall be delivered by the Initial Funding Lender to the Fiscal Agent on behalf of the Governmental Lender in the Initial Installment on the Delivery Date and thereafter on a drawdown basis as provided for in Section 2.01(b) hereof. Upon receipt, the Fiscal Agent shall deposit such proceeds to the credit of the applicable subaccount of the Project Account of the Project Loan Fund. Amounts in the Project Loan Fund shall be disbursed as provided in subparagraph (d) below, subject to the conditions set forth in Section 3.01 of the Project Loan Agreement. Upon the disbursement of all amounts in the Project Loan Fund, the Fiscal Agent shall close the Project Loan Fund.

(c) The Governmental Lender shall cause the Borrower to deliver from sources other than the Loans, (i) to the Fiscal Agent, on or prior to the Delivery Date, the Costs of Issuance Deposit for deposit to the credit of the Cost of Issuance Fund and the Borrower Equity Deposit for

deposit to the credit of the Borrower Equity Account, and (ii) to the Servicer the Initial Debt Service Deposit. The Fiscal Agent shall also deposit in the Borrower Equity Account any additional amounts delivered from time to time to the Fiscal Agent and directed by the Borrower or Servicer to be deposited therein, excluding any proceeds of the Loans.

(d) Upon the making of the initial deposits described above in this Section 2.11, the Governmental Lender shall originate the Project Loan pursuant to the Project Loan Agreement and the Fiscal Agent shall make the initial disbursements of amounts in the Project Loan Fund to the Borrower or otherwise as provided in Section 4.02 hereof.

Section 2.12 Direct Loan Payments to Funding Lender; Servicer Disbursement of Fees.

(a) Notwithstanding any provision in this Funding Loan Agreement to the contrary (but subject to the last two sentences of this paragraph (a), during any period that a Servicer is engaged with respect to the Loans, the Governmental Lender and the Fiscal Agent agree that all payments of principal of, Prepayment Premium, if any, and interest on the Project Notes and all fees due under the Project Loan Agreement shall be paid by the Borrower to the Servicer; provided, however, the Fiscal Agent shall be responsible for making the debt service and fee payments out of the Project Loan Fund as required under Section 4.02 hereof during the Construction Phase. The Servicer shall remit all payments collected from the Borrower of principal of, Prepayment Premium, if any, and interest on the Project Loan, to the Fiscal Agent. The Fiscal Agent shall remit to the Funding Lender Representative payments of principal of, Prepayment Premiums, if any, and interest on the Governmental Notes and all fees due under the Funding Loan Agreement, using funds collected from the Borrower by the Servicer and remitted to the Fiscal Agent. The Servicer shall be entitled to retain its Servicing Fee (if any) collected from the Borrower and shall remit the Governmental Lender Fee to the Governmental Lender and shall remit the Ordinary Fiscal Agent's Fees and Expenses to the Fiscal Agent, together with any other amounts due to the Governmental Lender and the Fiscal Agent collected by the Servicer from the Borrower, in each case in accordance with their respective instructions and pursuant to invoices issued by the Servicer for the Governmental Lender Fee and the Ordinary Fees and Expenses of the Fiscal Agent. Any payment made in accordance with the provisions of this Section shall be accompanied by sufficient information to identify the source and proper application of such payment. The Servicer shall promptly notify the Fiscal Agent, the Funding Lender Representative and the Governmental Lender in writing of any failure of the Borrower to make any payment of principal of, Prepayment Premium, if any, and interest on the Funding Loan when due or to pay any fees due hereunder or under the Project Loan Agreement, and the Fiscal Agent and the Governmental Lender shall not be deemed to have any notice of such failure unless it has received such notice in writing. Notwithstanding any provision in this paragraph (a) to the contrary, during the Construction Phase, the Initial Funding Lender may direct from time to time draws on any Governmental Note to pay accrued but unpaid interest with respect to such Governmental Note, and such draws shall be deemed to constitute corresponding draws on the related Project Note for the payment of the corresponding interest on the Project Loan. Any such draw for the payment of interest during the Construction Phase shall be remitted directly to the payee of the applicable Governmental Note without direction from the Borrower and without collection or remittance of such draw by the Servicer or the Fiscal Agent.

(b) If the Governmental Notes are sold or transferred as provided in Section 2.08, the Funding Lender Representative shall notify the Fiscal Agent and the Borrower in writing of the name and address of the transferee.

(c) So long as payments of principal of, Prepayment Premium, if any, and interest on the Project Notes and all fees due hereunder and under the Project Loan Agreement are being made by or for the account of the Borrower to the Servicer in accordance with this Section 2.12 and no Event of Default has occurred of which the Fiscal Agent has been given, or been deemed to have, notice thereof pursuant to this Funding Loan Agreement, the Fiscal Agent shall have no obligations to collect from the Borrower loan payments or fee payments pursuant to the Project Loan Agreement, except at the express written direction of the Funding Lender Representative; provided, however, the Fiscal Agent shall be responsible for making the debt service and fee payments out of the Project Loan Fund as required under Section 4.02 hereof during the Construction Phase. Notwithstanding the foregoing, the Funding Lender Representative may elect to have the Fiscal Agent collect from the Borrower loan payments and fee payments under the Project Loan Agreement and remit such payments in accordance with this Funding Loan Agreement upon written notice of such election to the Fiscal Agent, the Borrower and the Governmental Lender.

Section 2.13 Conversion. If the Notice of Conversion is issued in the timeframe required under the Construction Phase Financing Agreement, Conversion will occur on the Conversion Date indicated in such Notice of Conversion and, notwithstanding any other provision of this Funding Loan Agreement including without limitation all provisions of this Funding Loan Agreement relating to the Permanent Phase, the Permanent Loan Documents shall be executed, delivered and assigned to the Permanent Lender in accordance with the Forward Purchase Agreement. If the Notice of Conversion is not so issued, Conversion will not occur, and the Permanent Funding Lender will have no obligations with respect to the purchase of the Funding Loan or otherwise with respect to the Loans or the Project, and the Permanent Lender Documents shall have no force or effect.

Section 2.14 Recycling Transactions. Notwithstanding any provision of this Funding Loan Agreement or the Governmental Lender Notes to the contrary, the Governmental Lender shall be permitted to direct any Project Note prepayments to be transferred to a custodian or trustee selected by the Governmental Lender, in lieu of application to prepay a like portion of the Governmental Lender Notes, so long as the Governmental Lender simultaneously causes other funds to be applied to prepay such portion of the Governmental Lender Notes. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

ARTICLE III

PREPAYMENT OF THE FUNDING LOAN

Section 3.01 *Prepayment of the Funding Loan Prior to Maturity.*

(a) **Optional Prepayment.** The Funding Loan, together with accrued interest thereon, is subject to optional prepayment by the Governmental Lender in whole or in part from the funds that the Governmental Lender received from or on behalf of the Borrower upon optional prepayment of the Project Loan in accordance with the notice and other prepayment provisions set forth in the Project Notes.

(b) **Mandatory Prepayment.** The Funding Loan, together with accrued interest thereon, and together with Prepayment Premium (to the extent payable under the Project Notes), is subject to mandatory prepayment on any Business Day, in whole or in part as indicated below, at the earliest practicable date upon the occurrence of any of the following:

(i) in whole or in part, upon the occurrence of a mandatory payment or prepayment of the Project Loan pursuant to the Project Notes;

(ii) in part, on the Interest Payment Date next following the completion of the construction of the Project, to the extent amounts remaining in the Project Account of the Project Loan Fund are transferred to the Loan Prepayment Fund pursuant to Section 4.02(e) hereof;

(iii) in part, in the event the Borrower elects to make a Pre-Conversion Loan Equalization Payment, in the amount of such Payment; or

(iv) in whole, on or after the Forward Commitment Maturity Date, at the written direction of the Initial Funding Lender, if the Conversion Notice is not issued by the Permanent Funding Lender prior to the Forward Commitment Maturity Date.

Section 3.02 *Notice of Prepayment.* Notice of the intended prepayment of the Funding Loan shall be given by the Fiscal Agent by first class mail, postage prepaid, or by overnight delivery service, to the Funding Lender. All such prepayment notices shall be given not less than ten (10) days (not less than thirty (30) days in the case of optional prepayment) nor more than sixty (60) days prior to the date fixed for prepayment. Notices of prepayment shall state (i) the prepayment date, (ii) the prepayment amount, and (iii) the place or places where amounts due upon such prepayment will be payable.

Notice of such prepayment shall also be sent by first class mail, postage prepaid, or by overnight delivery service, to the Servicer, not later than the time of mailing of notices required by the first paragraph above, and in any event no later than simultaneously with the mailing of notices required by the first paragraph above; provided, that neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the prepayment of the Funding Loan.

ARTICLE IV

REVENUES AND FUNDS

Section 4.01 *Pledge of Revenues and Assets; Establishment of Funds.*

The pledge and assignment of and the security interest granted in the Pledged Security pursuant to Section 2.02 hereof shall attach, be perfected and be valid and binding from and after

the time of the closing of the Funding Loan and delivery of the Governmental Notes by the Fiscal Agent or by any Person authorized by the Fiscal Agent to deliver the Governmental Notes. The Pledged Security so pledged and then or thereafter received by the Fiscal Agent shall immediately be subject to the lien of such pledge and security interest without any physical delivery thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

In addition to the Project Loan Fund established pursuant to Section 2.11 hereof, the Fiscal Agent shall establish, maintain and hold in trust the following funds and accounts, each of which is hereby established and each of which shall be disbursed and applied only as herein authorized:

- (a) Revenue Fund;
- (b) Loan Payment Fund;
- (c) Loan Prepayment Fund;
- (d) Administration Fund;
- (e) Cost of Issuance Fund; and
- (f) Rebate Fund.

The funds and accounts established pursuant to Section 2.11 and this Section 4.01 shall be maintained in the corporate trust department of the Fiscal Agent as segregated trust accounts, separate and identifiable from all other funds held by the Fiscal Agent. The Fiscal Agent shall, at the written direction of an Authorized Officer of the Governmental Lender, and may, in its discretion, establish such additional accounts within any Fund, and subaccounts within any of the accounts, as the Governmental Lender or the Fiscal Agent may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that Fund and its accounts, or for the purpose of complying with the requirements of the Code relating to arbitrage, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of this Funding Loan Agreement with respect to a deposit or use of money in the funds established hereunder, or result in commingling of funds not permitted hereunder.

All money required to be deposited with or paid to the Fiscal Agent for the account of any of the funds or accounts created by this Funding Loan Agreement shall be held by the Fiscal Agent for the benefit of the Funding Lender, and, except for money held in the Cost of Issuance Fund, the Administration Fund or the Rebate Fund, shall, while held by the Fiscal Agent, constitute part of the Pledged Security and be subject to the lien hereof.

Section 4.02 *Project Loan Fund.*

(a) Deposit. The Fiscal Agent shall deposit the proceeds of the Funding Loan into the applicable subaccount of the Project Account of the Project Loan Fund upon receipt of each advance thereof as provided in Section 2.11(b) hereof. The Fiscal Agent shall deposit the Borrower Equity Deposit into the Borrower Equity Account of the Project Loan Fund, as well as any additional amounts delivered from time to time to the Fiscal Agent and directed by the Borrower or Servicer to be deposited therein (excluding any proceeds of the Governmental Notes), as provided in Section 2.11(c) hereof.

(b) Disbursements. Amounts on deposit in the Project Loan Fund shall be disbursed from time to time by the Fiscal Agent for the purpose of paying Costs of the Project, and will be disbursed pursuant to a Requisition, except as otherwise set forth in Section 4.02(c) below. In addition, amounts in the Project Loan Fund shall be transferred to the Loan Prepayment Fund, the Rebate Fund and the Borrower at the times and in the manner provided in subsection (e) of this Section 4.02.

(c) Transfers and Requisitions. Unless the Fiscal Agent is instructed otherwise by the Funding Lender Representative, the Fiscal Agent shall automatically transfer amounts from the Borrower Equity Account of the Project Loan Fund to the Administration Fund to pay to the appropriate party its accrued fees that are included in the Fee Component that are due and payable as set forth herein or upon receipt of an invoice, without any need for a Requisition or other written direction. Unless the Fiscal Agent is instructed otherwise by the Initial Funding Lender, the Fiscal Agent shall automatically transfer amounts in the Borrower Equity Account of the Project Loan Fund to the Loan Payment Fund to pay interest on the Project Loan and Funding Loan without any need for a Requisition or other written direction. Except for the foregoing transfers, the Fiscal Agent shall make disbursements from the respective accounts of the Project Loan Fund only upon the receipt of Requisitions signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer (signifying the consent to the Requisition by the Servicer). The Fiscal Agent shall have no right or duty to determine whether any requested disbursement from the Project Loan Fund complies with the terms, conditions and provisions of the Construction Continuing Covenant Agreement. The countersignature of the Authorized Officer of the Servicer on a Requisition shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, constitute conclusive evidence, that all of the terms, conditions and requirements of the Construction Continuing Covenant Agreement applicable to such disbursement have been fully satisfied or waived. The Fiscal Agent shall, immediately upon each receipt of a completed Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer, initiate procedures with the provider of a Qualified Investment to make withdrawals as necessary to fund the Requisition.

Notwithstanding anything to the contrary contained herein, no signature of an Authorized Officer of the Borrower shall be required during any period in which a default has occurred and is then continuing under the Loans or any Financing Document (notice of which default has been given in writing by the Funding Lender Representative or the Servicer to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such written notice as to the occurrence and continuation of such a default).

(d) If a Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer or (as permitted hereunder) solely by an Authorized Officer of the Servicer, is received by the Fiscal Agent, the requested disbursement shall be paid

by the Fiscal Agent as soon as practicable, but in no event later than three (3) Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all amounts on deposit in the Project Loan Fund, including all interest accrued therein, the Fiscal Agent shall close the Project Loan Fund.

(e) Immediately prior to any mandatory prepayment of the Funding Loan pursuant to Section 3.01(b)(i) hereof, any amount then remaining in the Project Loan Fund shall, at the written direction of the Funding Lender Representative, be transferred to the Loan Prepayment Fund to pay amounts due on the Funding Loan, if any. In addition, any amount remaining in the Project Account of the Project Loan Fund following completion of the construction of the Project in accordance with the Construction Continuing Covenant Agreement, evidenced by an instrument signed by the Funding Lender Representative or the Servicer, shall be transferred to the Loan Prepayment Fund and used to prepay the Funding Loan in accordance with Section 3.01(b)(ii) hereof, unless the Fiscal Agent receives an opinion of Bond Counsel (which shall also be addressed to the Funding Lender Representative) to the effect that a use of such money for other than prepayment of the Funding Loan will not adversely affect the tax-exempt status of the Series A-1 Governmental Note; provided, that any amounts in the Project Account of the Project Loan Fund in excess of the amount needed to fund the related prepayment of the Funding Loan shall be transferred to the Rebate Fund to the extent required by the Tax Certificate. In the event there are funds remaining in the Borrower Equity Account following completion of the construction of the Project in accordance with the Construction Continuing Covenant Agreement and the Conversion Date has occurred, and provided no default by the Borrower exists under this Funding Loan Agreement or any Project Loan Document, such funds shall be paid by the Fiscal Agent to the Borrower at the written direction of the Funding Lender Representative or the Servicer and the Borrower Equity Account shall be closed.

(f) Amounts on deposit in the Project Loan Fund shall be invested as provided in Section 4.08 hereof. All Investment Income on amounts on deposit in the Project Loan Fund shall be retained in and credited to and become a part of the amounts on deposit in the Project Loan Fund, and shall constitute part of any transfers required by subsection (b) or (e) of this Section 4.02.

(g) There is hereby created within the Borrower Equity Account a Deferred Fee Subaccount. Notwithstanding any other provision of this Funding Loan Agreement, the Fiscal Agent shall deposit any amounts delivered to the Fiscal Agent by or for the account of the Servicer or the Borrower with written instructions to deposit such amounts in the Deferred Fee Subaccount. If a Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Governmental Lender is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three (3) Business Days following receipt thereof by the Fiscal Agent.

Section 4.03 *Application of Revenues.*

(a) All Revenues received by the Fiscal Agent shall be deposited by the Fiscal Agent, promptly upon receipt thereof, to the Revenue Fund, except (i) the proceeds of the Funding Loan received by the Fiscal Agent pursuant to Section 2.01(b), which shall be applied in accordance with the provisions of Section 2.11 hereof; (ii) as otherwise specifically provided in subsection (c) of this Section 4.03 with respect to certain deposits into the Loan Prepayment Fund; (iii) with

respect to Investment Income to the extent required under the terms hereof to be retained in the funds and accounts to which they are attributable; and (iv) with respect to amounts required to be transferred between funds and accounts as provided in this Article IV.

(b) Subject to Section 2.12 hereof, on each Interest Payment Date or any other date on which payment of principal of or interest on the Funding Loan becomes due and payable, the Fiscal Agent, out of money in the Revenue Fund, shall credit the following amounts to the following funds, but in the order and within the limitations hereinafter indicated with respect thereto, as follows:

FIRST: to the Loan Payment Fund, an amount equal to the principal of and interest due on the Funding Loan on such date (including scheduled principal pursuant to the Funding Loan Amortization Schedule after Conversion); and

SECOND: to the Loan Prepayment Fund, an amount equal to the principal and interest due on the Funding Loan on such date with respect to a mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b) hereof (other any extraordinary mandatory prepayment as described in Section 4.03(c)(i) or (iii) below).

(c) Promptly upon receipt, the Fiscal Agent shall deposit directly to the Loan Prepayment Fund (i) Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Project Loan, such amount to be applied to provide for the extraordinary mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b)(i) hereof; (ii) funds paid to the Fiscal Agent to be applied to the optional prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(a); and (iii) amounts transferred from the Project Loan Fund pursuant to Section 4.02(e) hereof.

(d) Subject to Section 2.12 hereof, should the amount in the Loan Payment Fund be insufficient to pay the amount due on the Funding Loan on any given Interest Payment Date, the Fiscal Agent shall credit to the Loan Payment Fund the amount of such deficiency by charging the following funds and accounts in the following order of priority: (1) the Revenue Fund; and (2) the Loan Prepayment Fund, except no such charge to the Loan Prepayment Fund shall be made from money to be used to effect a prepayment for which notice of prepayment has been provided for hereunder.

Section 4.04 *Application of Loan Payment Fund.* Subject to Section 2.12 hereof, the Fiscal Agent shall charge the Loan Payment Fund, on each Interest Payment Date, an amount equal to the unpaid interest and principal due on the Funding Loan on such Interest Payment Date as provided in Section 4.03(a) and (b), and shall cause the same to be applied to the payment of such interest and principal when due. Any money remaining in the Loan Payment Fund on any Interest Payment Date after application as provided in the preceding sentence may, to the extent there shall exist any deficiency in the Loan Prepayment Fund to prepay the Funding Loan if called for prepayment on such Interest Payment Date, be transferred to the Loan Prepayment Fund to be applied for such purpose.

Any Investment Income on amounts on deposit in the Loan Payment Fund shall be deposited by the Fiscal Agent upon receipt thereof in the Revenue Fund.

No amount shall be charged against the Loan Payment Fund except as expressly provided in this Article IV and in Section 6.05 hereof.

Section 4.05 *Application of Loan Prepayment Fund.* Any money credited to the Loan Prepayment Fund shall be applied as set forth in Sections 4.03(b) and 4.03(c) hereof; provided, however, that to the extent any money credited to the Loan Prepayment Fund is in excess of the amount necessary to effect the prepayments described in Sections 4.03(b) and 4.03(c) hereof it shall be applied to make up any deficiency in the Loan Payment Fund on any Interest Payment Date, to the extent money then available in accordance with Section 4.03(d) hereof in the Revenue Fund is insufficient to make up such deficiency; provided that no money to be used to effect a prepayment for which a notice of prepayment has been provided shall be so transferred to the Loan Payment Fund.

On or before each Interest Payment Date, any Investment Income on amounts on deposit in the Loan Prepayment Fund shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Loan Prepayment Fund except as expressly provided in this Article IV and in Section 6.05 hereof.

Section 4.06 *Administration Fund.* Subject to Section 2.12 hereof, the Fiscal Agent shall deposit into the Administration Fund, promptly upon receipt thereof, all amounts received from the Servicer (or the Borrower if no Servicer exists for the Loans) designated for deposit into such fund, together with amounts transferred by the Fiscal Agent from the Project Loan Fund for deposit to the Administration Fund pursuant to Section 4.02. Amounts in the Administration Fund shall be withdrawn or maintained, as appropriate, by the Fiscal Agent and used **FIRST**, to pay to the Fiscal Agent when due the Ordinary Fiscal Agent's Fees and Expenses; **SECOND**, to pay to the Governmental Lender when due the Governmental Lender Fee; **THIRD**, to pay when due the reasonable fees and expenses of a Rebate Analyst in connection with the computations relating to arbitrage rebate required under this Funding Loan Agreement and the Project Loan Agreement, upon receipt of an invoice from the Rebate Analyst; **FOURTH**, to pay to the Fiscal Agent any Extraordinary Fiscal Agent's Fees and Expenses due and payable from time to time, as set forth in an invoice submitted to the Borrower and the Servicer; **FIFTH**, to pay to the Governmental Lender any extraordinary expenses it may incur in connection with the Loans or this Funding Loan Agreement from time to time, as set forth in an invoice submitted to the Fiscal Agent and the Servicer; **SIXTH**, to pay to the Funding Lender Representative any unpaid amounts due under the Continuing Covenant Agreement, as certified in writing by the Funding Lender Representative to the Fiscal Agent; **SEVENTH**, to make up any deficiency in the Loan Prepayment Fund on any prepayment date of the Funding Loan, to the extent money then available in accordance with Section 4.03(d) hereof in the Loan Prepayment Fund is insufficient to prepay the Funding Loan scheduled for prepayment on such prepayment date; and **EIGHTH**, to transfer any remaining balance after application as aforesaid to the Revenue Fund.

In the event that the amounts on deposit in the Administration Fund are not equal to the amounts payable from the Administration Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Fiscal Agent shall give notice to the Borrower and the Servicer of such deficiency and of the amount of such deficiency and request payment within two (2) Business Days to the Fiscal Agent of the amount of such deficiency. Upon payment

by the Borrower or the Servicer of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

Written notice of any insufficiency, which results in the Governmental Lender not receiving the Governmental Lender Fee on the applicable due date, shall be provided by the Fiscal Agent to the Governmental Lender (with a copy to the Borrower and the Funding Lender) within 10 days of the respective due date.

If there is no Servicer (or if the Funding Lender Representative elects to have the Fiscal Agent collect loan payments and fee payments due under the Project Loan Agreement as set forth in Section 2.12 hereof), the Fiscal Agent, on behalf of the Governmental Lender, shall prepare and submit a written invoice to the Borrower for payment of the Governmental Lender Fee not later than 30 days prior to the due date for payment of the Governmental Lender Fee, and shall remit moneys received by the Borrower to the Governmental Lender for payment of such fee.

On or before each Interest Payment Date, any Investment Income on amounts on deposit in the Administration Fund not needed to pay the foregoing amounts shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Administration Fund except as expressly provided in this Article IV and Section 6.05 hereof.

Section 4.07 [Reserved].

Section 4.08 *Investment of Funds.* The money held by the Fiscal Agent shall constitute trust funds for the purposes hereof. Any money attributable to each of the funds and accounts hereunder shall be, except as otherwise expressly provided herein, invested by the Fiscal Agent, at the written direction of the Borrower (or, in the case of the Rebate Fund, as provided in Section 5.07(b)), in Qualified Investments which mature or shall be subject to prepayment or withdrawal at par without penalty on or prior to the earlier of (i) six months from the date of investment and (ii) the date such money is needed; provided, that if the Fiscal Agent shall have entered into any investment agreement requiring investment of money in any fund or account hereunder in accordance with such investment agreement and if such investment agreement constitutes a Qualified Investment, such money shall be invested in accordance with such requirements. In the absence of written direction from the Borrower, the Fiscal Agent shall invest amounts on deposit in the funds and accounts established under this Funding Loan Agreement in investments of the type described in subparagraph (g) of the definition of Qualified Investments which shall have the same maturity and other restrictions as set forth above. Such investments may be made through the investment or securities department of the Fiscal Agent. The Fiscal Agent may purchase from or sell to itself or an affiliate, as principal or agent, securities herein authorized. The Fiscal Agent shall be entitled to assume, absent receipt by the Fiscal Agent of written notice to the contrary, that any investment which at the time of purchase is a Qualified Investment remains a Qualified Investment thereafter.

Qualified Investments representing an investment of money attributable to any fund or account shall be deemed at all times to be a part of said fund or account, and, except as otherwise may be provided expressly in other Sections hereof, the interest thereon and any profit arising on the sale thereof shall be credited to the Revenue Fund, and any loss resulting on the sale thereof

shall be charged against the Revenue Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary so to do in order to provide money to make any transfer, withdrawal, payment or disbursement from said fund or account. In the case of any required transfer of money to another such fund or account, such investments may be transferred to that fund or account in lieu of the required money if permitted hereby as an investment of money in that fund or account. The Fiscal Agent shall not be liable or responsible for any loss resulting from any investment made in accordance herewith.

The Governmental Lender acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the Governmental Lender the right to receive brokerage confirmations of the security transactions as they occur, to the extent permitted by law, the Governmental Lender specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Fiscal Agent hereunder, that no brokerage confirmations need be provided relating to the security transactions as they occur.

Except as otherwise provided in the following paragraph of this Section, the Governmental Lender and the Borrower (by their execution of the Project Loan Agreement) each covenant that all investments of amounts deposited in any fund or account created by or pursuant to this Funding Loan Agreement, or otherwise containing Gross Proceeds of the Tax-Exempt Funding Loan or the Series A-1 Governmental Note (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Funding Loan Agreement or the Code) at Fair Market Value.

The Governmental Lender and the Borrower (by their execution of the Project Loan Agreement) each covenant that investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in any reserve fund shall be valued at their present value (within the meaning of Section 148 of the Code).

Section 4.09 *[Reserved]*.

Section 4.10 *Accounting Records.* The Fiscal Agent shall maintain accurate books and records for all funds and accounts established by the Fiscal Agent hereunder.

Section 4.11 *Amounts Remaining in Funds.* After full payment of the Funding Loan (or provision for payment thereof having been made in accordance with Section 9.01 hereof) and full payment of the fees, charges and expenses of the Governmental Lender, the Fiscal Agent, the Rebate Analyst, the Funding Lender and the Servicer and other amounts required to be paid hereunder or under any Project Loan Document, including, but not limited to, the Continuing Covenant Agreement (as certified in writing to the Fiscal Agent by the Governmental Lender with respect to amounts due to the Governmental Lender and by the Funding Lender Representative or the Servicer on its behalf with respect to amounts owed under the Continuing Covenant Agreement and by the Rebate Analyst with respect to amounts due to the Rebate Analyst), any amounts remaining in any fund or account hereunder other than the Rebate Fund shall be paid to the Borrower.

Section 4.12 *Rebate Fund; Compliance with Tax Certificate.* The Rebate Fund shall be established by the Fiscal Agent and held and applied as provided in this Section 4.12. On any date

on which any amounts are required by applicable federal tax law to be rebated to the federal government, amounts shall be deposited into the Rebate Fund by the Borrower for such purpose. All money at any time deposited in the Rebate Fund shall be held by the Fiscal Agent in trust, to the extent required to satisfy the rebate requirement (as set forth in the Tax Certificate) and as calculated by the Rebate Analyst, for payment to the government of the United States of America, and neither the Governmental Lender, the Borrower nor the Funding Lender shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section 4.12 and by the Tax Certificate. The Fiscal Agent shall conclusively be deemed to have complied with such provisions if it follows the written instructions of the Governmental Lender, Bond Counsel or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate, and shall not be required to take any actions under the Tax Certificate in the absence of written instructions from the Governmental Lender, Bond Counsel or the Rebate Analyst.

Within 55 days of the end of each fifth Rebate Year, the Borrower shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g., the temporary investments exceptions of Sections 148(f)(4)(B) and (C) of the Code)), for this purpose treating the last day of the applicable Rebate Year as a (computation) date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the “**Rebatable Arbitrage**”). Pursuant to Section 2.04 of the Project Loan Agreement, the Borrower shall cause the Rebate Analyst to provide such calculations to the Fiscal Agent and the Governmental Lender. In the event that the Borrower fails to provide such information to the Fiscal Agent and the Governmental Lender within 55 days of the end of each fifth Rebate Year, the Fiscal Agent, at the expense of the Borrower, shall select the Rebate Analyst, with the prior written approval of the Governmental Lender, and shall cause the Rebate Analyst to calculate the amount of Rebatable Arbitrage as required herein.

Within 55 days of the end of each fifth Rebate Year, upon the written direction of the Governmental Lender, Bond Counsel or the Rebate Analyst, an amount shall be deposited to the Rebate Fund by the Fiscal Agent from amounts provided by the Borrower, if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with the preceding paragraph.

The Fiscal Agent shall pay, as directed by the Governmental Lender, Bond Counsel or the Rebate Analyst, to the United States Department of the Treasury, out of amounts in the Rebate Fund:

- (i) Not later than 60 days after the end of (A) the fifth Rebate Year, and (B) each applicable fifth Rebate Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Rebate Year; and
- (ii) Not later than 60 days after the payment in whole of the Tax-Exempt Funding Loan, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Rebate Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

Each payment required to be made under this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 (or such other address provided in such direction), on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, which shall be prepared by the Rebate Analyst and provided to the Fiscal Agent.

Notwithstanding any provision of this Funding Loan Agreement to the contrary, the obligation to remit payment of the Rebatable Arbitrage to the United States of America and to comply with all other requirements of Sections 2.04 and 4.03 of the Project Loan Agreement and this Section 4.12, and the requirements of the Tax Certificate shall survive the defeasance or payment in full of the Tax-Exempt Funding Loan corresponding to the Series A-1 Governmental Note.

Any funds remaining in the Rebate Fund after payment in full of Tax-Exempt Funding Loan corresponding to the Series A-1 Governmental Note and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Fiscal Agent, shall be withdrawn and remitted to the Borrower.

The Fiscal Agent shall obtain and keep such records of the computations made pursuant to this Section 4.12 as are required under Section 148(f) of the Code to the extent furnished to the Fiscal Agent. The Borrower shall or shall cause the Rebate Analyst to provide to the Governmental Lender and the Fiscal Agent copies of all rebate computations made pursuant to this Section 4.12. The Fiscal Agent shall keep and make available to the Borrower and the Governmental Lender, until six years after the date on which the Series A-1 Governmental Note is no longer outstanding, such records concerning the investments of the gross proceeds of that portion of the Funding Loan corresponding to the Series A-1 Governmental Note and the investments of earnings from those investments made by the Fiscal Agent as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

Notwithstanding the foregoing, the computations and payments of Rebatable Arbitrage need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on an opinion of Bond Counsel, to the effect that such failure will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Series A-1 Governmental Note, a copy of which shall be provided to the Fiscal Agent and the Funding Lender Representative, at the expense of the Borrower.

Section 4.13 *Cost of Issuance Fund.* The Fiscal Agent shall use money on deposit to the credit of the Cost of Issuance Fund to pay the costs of issuance on the Delivery Date or as soon as practicable thereafter in accordance with a Requisition in the form of Exhibit D to be given to the Fiscal Agent by the Borrower on the Delivery Date, along with appropriate invoices for such expenses, provided that no requisition shall be required for the payment of Costs of Issuance set forth on the closing memorandum delivered to the Fiscal Agent on the Delivery Date. Amounts in the Cost of Issuance Fund funded with proceeds of the Funding Loan, if any, shall be expended prior to the application of the Costs of Issuance Deposit. Investment Income on amounts on deposit in the Cost of Issuance Fund shall be retained in such fund. Amounts remaining on deposit

in the Cost of Issuance Fund six (6) months after the Delivery Date shall be transferred to the Borrower. Upon such final disbursement, the Fiscal Agent shall close the Cost of Issuance Fund.

Section 4.14 *Reports From the Fiscal Agent.* The Fiscal Agent shall, on or before the fifteenth (15th) day of each month, file with the Funding Lender Representative, the Servicer, the Governmental Lender (at its written request) and the Borrower a statement setting forth in respect of the preceding calendar month:

- (i) the amount withdrawn or transferred by it, and the amount deposited within or on account of each fund and account held by it under the provisions of this Funding Loan Agreement, including the amount of investment income on each fund and account;
- (ii) the amount on deposit with it at the end of such month to the credit of each fund and account;
- (iii) a brief description of all obligations held by it as an investment of money in each such fund and account; and
- (iv) any other information which the Funding Lender Representative or the Governmental Lender may reasonably request and to which the Fiscal Agent has access in the ordinary course of its operations.

Upon the written request of the Funding Lender, the Fiscal Agent, at the cost of the Borrower, shall provide a copy of such statement to Funding Lender. All records and files pertaining to the Pledged Security shall be open at all reasonable times to the inspection of the Governmental Lender and the Funding Lender Representative or the Servicer and their agents and representatives upon reasonable prior notice during normal business hours.

ARTICLE V

GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01 *Payment of Principal and Interest.* Subject to the provisions of Section 2.03 and Article III hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, the Funding Loan, as evidenced by the Governmental Notes, as and when the same shall become due, all in accordance with the terms of the Governmental Notes and this Funding Loan Agreement, to the extent of repayments and prepayments received by the Governmental Lender with respect to the Project Loan.

Section 5.02 *Performance of Covenants.* The Governmental Lender covenants that it will faithfully perform at all times any and all of its covenants, undertakings, stipulations and provisions contained in this Funding Loan Agreement, in the Governmental Notes and in all proceedings pertaining thereto.

Section 5.03 *Instruments of Further Assurance.* The Governmental Lender covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such supplements hereto, and such further acts, instruments and transfers as may be reasonably required for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Fiscal Agent all and singular its interest in the property herein described and

the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Funding Loan, at the expense of the Borrower, provided, however, that no such act or instrument shall change the essential economic terms of the Funding Loan. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Governmental Lender or the Fiscal Agent, become and be subject to the lien of this Funding Loan Agreement as fully and completely as though specifically described herein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Governmental Lender under this Section 5.03. The Governmental Lender covenants and agrees that, except as herein otherwise expressly provided, it has not and will not sell, convey, mortgage, encumber or otherwise dispose of any part of its interest in the Pledged Security or the revenues or receipts therefrom.

The Governmental Lender will promptly notify the Fiscal Agent, the Funding Lender Representative and the Servicer in writing of the occurrence of any of the following:

- (i) the submission of any claim or the initiation of any legal process, litigation or administrative or judicial investigation against the Governmental Lender with respect to the Loans of which it has received written notice;
- (ii) any change in the location of the Governmental Lender's principal office or any change in the location of the Governmental Lender's books and records relating to the transactions contemplated hereby;
- (iii) the occurrence of any default or Event of Default of which the Governmental Lender has received written notice;
- (iv) the commencement of any proceedings or any proceedings instituted by or against the Governmental Lender in any federal, state or local court or before any governmental body or agency, or before any arbitration board, relating to the Notes, of which it has received written notice; or
- (v) the commencement of any proceedings by or against the Governmental Lender under any applicable bankruptcy, reorganization, liquidation, rehabilitation, insolvency or other similar law now or hereafter in effect or of any proceeding in which a receiver, liquidator, conservator, trustee or similar official shall have been, or may be, appointed or requested for the Governmental Lender or any of its assets relating to the Loans.

Section 5.04 *Inspection of Books and Records* The Governmental Lender covenants and agrees that all books and documents in its possession relating to the Project shall, upon reasonable prior notice, during normal business hours, be open to inspection and copying by such accountants or other agents as the Servicer, Fiscal Agent or the Funding Lender Representative may from time to time reasonably designate, provided that the Fiscal Agent shall have no duty to so designate.

Section 5.05 *No Modification of Security; Additional Indebtedness*. The Governmental Lender covenants to and for the benefit of the Funding Lender that it will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

- (i) alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement to which the Governmental Lender is a party, or which has been assigned to the Governmental Lender, and which relates to or affects the security for the Loans or the payment of any amount owed under the Financing Documents; or
- (ii) create or suffer to be created any lien upon the Pledged Security or any part thereof other than the lien created hereby and by the Security Instrument.

Section 5.06 *Damage, Destruction or Condemnation.* Net Proceeds resulting from casualty to or condemnation of the Project shall be applied as provided in the Continuing Covenant Agreement and, to the extent consistent therewith, Section 3.01(b)(i) hereof.

Section 5.07 *Tax Covenants.*

(a) *Governmental Lender's Covenants.* The Governmental Lender covenants to and for the benefit of the Funding Lender that it will:

(i) enforce or cause to be enforced all obligations of the Borrower requiring that the proceeds of the Series A-1 Governmental Note are used in a manner such that the Series A-1 Governmental Note will satisfy the requirements of section 142(d) of the Code relating to qualified residential rental projects;

(ii) shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Series A-1 Governmental Note which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Series A-1 Governmental Note would have caused the Series A-1 Governmental Note to be an "arbitrage bond" within the meaning of section 148 of the Code and regulations promulgated under the Code (the "**Regulations**");

(iii) enforce or cause to be enforced all obligations of the Borrower under the Tax Regulatory Agreement in accordance with its terms and seek to cause the Borrower to correct any violation of the Tax Regulatory Agreement within a reasonable period after it first receives written notice of any such violation;

(iv) not take or cause to be taken any other action or actions, or fail to take any action or actions, if the same would cause the interest payable on the Series A-1 Governmental Note to be includable in gross income for federal income tax purposes;

(v) whenever and so often as requested by the Funding Lender, do and perform all acts and things permitted by law and necessary in order to assure that interest paid by the Governmental Lender on the Series A-1 Governmental Note will be excluded from the gross income of the holders of the Series A-1 Governmental Note, for federal income tax purposes;

(vi) assure that the California Debt Limit Allocation Committee has transferred a portion of the State of California's private activity bond allocation (within the meaning of section 146 of the Code) equal to the principal amount of the Series A-1 Governmental Note;

(vii) not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series A-1 Governmental Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations.

(viii) require that, from the proceeds of the Series A-1 Governmental Note and investment earnings thereon, an amount not in excess of exceed two percent (2%) of the proceeds of the Series A-1 Governmental Note, will be used for costs of issuance of the Series A-1 Governmental Note, all within the meaning of section 147(g)(1) of the Code (for this purpose, if the fees of the Initial Funding Lender are retained as a discount on the purchase of the Series A-1 Governmental Note, such retention shall be deemed to be an expenditure of proceeds of the Series A-1 Governmental Note for said fees;

(ix) require that not less than 95 percent of the net proceeds of the Series A-1 Governmental Note (within the meaning of section 150(a)(3) of the Code) are paid for Qualified Project Costs;

(x) require that less than twenty-five percent (25%) of the proceeds of the Series A-1 Governmental Note shall be used, directly or indirectly, for the acquisition of land;

(xi) require that no proceeds of the Series A-1 Governmental Note shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in section 145(d) of the Code) with respect to such building equal or exceed 15 percent of the portion of the cost of acquiring such building (and equipment) financed with Proceeds; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed 100 percent of the portion of the cost of acquiring such structure financed with the proceeds of the Series A-1 Governmental Note;

(xii) not permit any proceeds of the Series A-1 Governmental Note to be used directly or indirectly to provide any airplane, skybox or other private luxury box, health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises, nor permit any portion of the proceeds of the Series A-1 Governmental Note to be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project; and

(xiii) elect, and hereby does elect, to have the Project meet the requirements of section 142(d)(1)(B) of the Code in that forty percent (40%) or more of the residential units in the Project shall be occupied by persons or families whose Adjusted Income (as defined in the Tax Regulatory Agreement) is sixty percent (60%) or less of Median Income for the Area (as defined in the Tax Regulatory Agreement), adjusted for household size.

In furtherance of the covenants in this Section 5.07, the Governmental Lender and the Borrower shall each execute, deliver and comply with the applicable provisions of the Tax Certificate, which is by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan

Agreement in full, and by its acceptance of this Funding Loan Agreement the Fiscal Agent acknowledges receipt of the Tax Certificate and acknowledges its incorporation into this Funding Loan Agreement by this reference and agrees to comply with the terms specifically applicable to it.

For purposes of this Section 5.07(a): (1) the Governmental Lender is assuming, with the consent of the parties hereto, the truth of the covenants and representations of the Borrower in the Project Loan Agreement, the Tax Regulatory Agreement and the Tax Certificate, and the Borrower's compliance therewith; (2) the Governmental Lender's compliance shall be based solely on matters within the Governmental Lender's knowledge and control; (3) no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender; and (4) in complying with the foregoing covenants, the Governmental Lender may rely on an opinion of Bond Counsel.

(b) *Fiscal Agent's Covenants.* The Fiscal Agent agrees that it will invest funds held under this Funding Loan Agreement in accordance with the covenants and terms of this Funding Loan Agreement and the Tax Certificate (this covenant shall extend through the term of the Tax-Exempt Funding Loan, to all funds and accounts created under this Funding Loan Agreement and all money on deposit to the credit of any such fund or account). The Fiscal Agent covenants to and for the benefit of the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other Financing Document, it will not knowingly make or cause to be made any investment or other use of the money in the funds or accounts created hereunder which would cause the Series A-1 Governmental Note to be classified as an "arbitrage bond" within the meaning of Sections 103(b) and 148 of the Code or would cause the interest on the Series A-1 Governmental Note to be includable in gross income for federal income tax purposes; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, the Funding Lender Representative, Bond Counsel or the Rebate Analyst. This covenant shall extend, throughout the term of the Tax-Exempt Funding Loan, to all funds created under this Funding Loan Agreement and all money on deposit to the credit of any such fund. Pursuant to this covenant, with respect to the investments of the funds and accounts under this Funding Loan Agreement, the Fiscal Agent obligates itself to comply throughout the term of the Tax-Exempt Funding Loan with the requirements of Sections 103(b) and 148 of the Code; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, Bond Counsel or the Rebate Analyst. The Fiscal Agent further covenants that should the Governmental Lender or the Borrower file with the Fiscal Agent (it being understood that neither the Governmental Lender nor the Borrower has an obligation to so file), or should the Fiscal Agent receive, an opinion of Bond Counsel to the effect that any proposed investment or other use of proceeds of the Tax-Exempt Funding Loan would cause the Series A-1 Governmental Note to become an "arbitrage bond," then the Fiscal Agent will comply with any written instructions of the Governmental Lender, the Borrower, the Funding Lender Representative or Bond Counsel regarding such investment (which shall, in any event, be a Qualified Investment) or use so as to prevent the Series A-1 Governmental Note from becoming an "arbitrage bond," and the Fiscal Agent will bear no liability to the Governmental Lender, the Borrower, the Funding Lender or the Funding Lender Representative for investments made in accordance with such instructions.

In the event of any conflict between this Section 5.07 and the Tax Certificate, the terms of the Tax Certificate shall control.

Section 5.08 *Representations and Warranties of the Governmental Lender.* The Governmental Lender hereby represents and warrants as follows:

(a) The Governmental Lender is a municipal corporation duly organized, validly existing and in good standing under the laws of the State.

(b) The Governmental Lender has all necessary power and authority to execute and deliver the Governmental Notes and to execute and deliver this Funding Loan Agreement, the Project Loan Agreement and the other Financing Documents to which it is a party, and to perform its duties and discharge its obligations hereunder and thereunder.

(c) The revenues and assets pledged for the repayment of the Funding Loan are and will be free and clear of any pledge, lien or encumbrance prior to, or equal with, the pledge created by this Funding Loan Agreement, and all action on the part of the Governmental Lender to that end has been duly and validly taken.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 5.09 *Performance by the Borrower.* Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may perform any such agreement or covenant so long as the Borrower is not in default (beyond any applicable notice and cure period) under the Project Loan Agreement.

Section 5.10 *Immunities and Limitations of Responsibility of Governmental Lender.*

(a) The Governmental Lender shall be entitled to the advice of counsel, and the Governmental Lender shall be wholly protected as to action taken or omitted in reliance on such advice. The Governmental Lender may rely conclusively on any written notice or other document furnished to it hereunder or under the Project Loan Agreement and reasonably believed by it to be genuine. The Governmental Lender shall in no event be liable for the application or misapplication of funds or for other acts or defaults by any person, except its own officers and employees. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof. The Governmental Lender shall not be required to take any remedial action (other than the giving of notice) hereunder or under any of the other Financing Documents unless indemnity in a form acceptable to the Governmental Lender is furnished for any expense or liability to be incurred in connection with such remedial action. The Governmental Lender shall be entitled to reimbursement from the Borrower for its expenses reasonably incurred or advances reasonably made, with interest at the maximum rate of interest permitted under applicable law, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No

permissive right or power to act which the Governmental Lender may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power.

(b) A default by the Borrower in any of its covenants, representations and agreements in the Project Loan Agreement, Tax Regulatory Agreement or Tax Certificate on which the Governmental Lender is relying in the various sections of this Article V shall not be considered a default hereunder by the Governmental Lender.

(c) The Borrower has indemnified the Governmental Lender against certain acts and events as set forth in Section 6.01 of the Project Loan Agreement and Section 8 of the Tax Regulatory Agreement. Such indemnities shall survive payment of the Funding Loan and discharge of this Funding Loan Agreement.

ARTICLE VI

DEFAULT PROVISIONS AND REMEDIES OF FISCAL AGENT AND FUNDING LENDER

Section 6.01 *Events of Default.* Each of the following shall be an event of default with respect to the Funding Loan (an “Event of Default”) under this Funding Loan Agreement:

(a) failure to pay the principal of, premium, if any, or interest on the Funding Loan, as evidenced by the Governmental Notes, when due, whether on an Interest Payment Date, at the stated maturity thereof, by proceedings for prepayment thereof, by acceleration or otherwise; or

(b) failure to observe the covenants set forth in Section 5.05 hereof; or

(c) Subject to Section 5.09, failure to observe or perform any of the covenants, agreements or conditions on the part of the Governmental Lender (other than those set forth in Sections 5.01 and 5.05 hereof) set forth in this Funding Loan Agreement or in the Governmental Notes and the continuance thereof for a period of thirty (30) days (or such longer period, if any, as is specified herein for particular defaults) after written notice thereof to the Governmental Lender from the Fiscal Agent or the Funding Lender Representative specifying such default and requiring the same to be remedied; provided that if such default cannot be cured within such thirty (30) day period through the exercise of diligence and the Governmental Lender commences the required cure within such thirty (30) day period and continues the cure with diligence and the Governmental Lender reasonably anticipates that the default could be cured within sixty (60) days, the Governmental Lender shall have sixty (60) days following receipt of such notice to effect the cure; or

(d) receipt by the Fiscal Agent of written notice from the Funding Lender Representative of the occurrence of an “Event of Default” under the Project Loan Agreement or the Continuing Covenant Agreement.

The Fiscal Agent or the Funding Loan Representative will endeavor to provide a courtesy copy of any notice given to the Governmental Lender to the Borrower. However, the failure to provide such courtesy copy will not affect the validity or sufficiency of any notice provided to the Governmental Lender.

The Fiscal Agent will promptly notify the Governmental Lender, the Servicer and the Funding Lender Representative after a Responsible Officer obtains actual knowledge of the occurrence of an Event of Default or obtains actual knowledge of the occurrence of an event which would become an Event of Default with the passage of time or the giving of notice or both.

Section 6.02 *Acceleration; Other Remedies Upon Event of Default.*

Upon the occurrence of an Event of Default, the Fiscal Agent shall, upon the written request of the Funding Lender Representative, by notice in writing delivered to the Governmental Lender (with a courtesy notice given to the Borrower), declare the principal of the Funding Loan, as evidenced by the Governmental Notes, and the interest accrued thereon immediately due and payable, and interest shall continue to accrue thereon until such amounts are paid.

At any time after the Funding Loan shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Fiscal Agent may, but only if directed in writing by the Funding Lender Representative, by written notice to the Governmental Lender, the Borrower, and the Fiscal Agent, rescind and annul such declaration and its consequences if the Governmental Lender or the Borrower shall pay to or deposit with the Fiscal Agent a sum sufficient to pay all principal on the Funding Loan then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on the Funding Loan then due, with interest at the rate borne by the Funding Loan on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable fees and expenses of the Fiscal Agent (including its counsel) shall have been made good or cured or adequate provision shall have been made therefor, and all outstanding amounts then due and unpaid under the Financing Documents (collectively, the “**Cure Amount**”) shall have been paid in full, and all other defaults hereunder shall have been made good or cured or waived in writing by the Funding Lender Representative; but no such rescission and annulment shall extend to or shall affect any subsequent default, nor shall it impair or exhaust any right or power consequent thereon.

Upon the occurrence and during the continuance of an Event of Default, the Fiscal Agent in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the Funding Lender, may also proceed to protect and enforce any rights of the Fiscal Agent and, to the full extent that the Funding Lender itself might do, the rights of the Funding Lender under the laws of the State or under this Funding Loan Agreement by such of the following remedies as the Fiscal Agent shall deem most effectual to protect and enforce such rights; provided that, the Fiscal Agent may undertake any such remedy only upon the receipt of the prior written consent of the Funding Lender Representative (which consent may be given in the sole discretion of the Funding Lender Representative):

- (i) by mandamus or other suit, action or proceeding at law or in equity, to enforce the payment of the principal of, premium, if any, or interest on the Funding Loan and to require the Governmental Lender to carry out any covenants or agreements with or for the benefit

of the Funding Lender and to perform its duties under the Act, this Funding Loan Agreement, the Project Loan Agreement or the Tax Regulatory Agreement (as applicable) to the extent permitted under the applicable provisions thereof;

(ii) by pursuing any available remedies under the Project Loan Agreement, the Tax Regulatory Agreement or any other Financing Document;

(iii) by realizing or causing to be realized through sale or otherwise upon the security pledged hereunder; and

(iv) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Funding Lender and execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Fiscal Agent in order to have the claim of the Funding Lender against the Governmental Lender allowed in any bankruptcy or other proceeding.

No remedy by the terms of this Funding Loan Agreement conferred upon or reserved to the Fiscal Agent or to the Funding Lender is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Fiscal Agent or the Funding Lender hereunder or under the Project Loan Agreement, the Tax Regulatory Agreement, the Continuing Covenant Agreement or any other Financing Document, as applicable, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default hereunder, whether by the Fiscal Agent or the Funding Lender, shall extend to or shall affect any subsequent default or event of default or shall impair any rights or remedies consequent thereto.

Section 6.03 *Funding Lender Representative Control of Proceedings.* If an Event of Default has occurred and is continuing, notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Funding Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Funding Loan Agreement. In addition, the Funding Lender Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of the Fiscal Agent or the Governmental Lender (and in connection therewith the Fiscal Agent shall transfer or assign to the Funding Lender Representative all of its interest in the Pledged Security at the request of the Funding Lender Representative). In no event shall the exercise of any of the foregoing rights result in an acceleration of the Funding Loan without the express direction of the Funding Lender Representative.

Section 6.04 *Waiver by Governmental Lender.* Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Governmental Lender nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or prepayment laws now or hereinafter in force, in order

to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisal and prepayment to which it may be entitled under the laws of the State and the United States of America.

Section 6.05 *Application of Money After Default.* All money collected by the Fiscal Agent at any time pursuant to this Article shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Fiscal Agent to the Revenue Fund. Such money so credited to the Revenue Fund and all other money from time to time credited to the Revenue Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of Article IV hereof and this Section 6.05.

In the event that at any time the money credited to the Revenue Fund, the Loan Payment Fund and the Loan Prepayment Fund available for the payment of interest or principal then due with respect to the Governmental Notes shall be insufficient for such payment, such money shall be applied as follows and in the following order of priority:

(a) For payment of all amounts due to the Fiscal Agent incurred in performance of its duties under this Funding Loan Agreement, including, without limitation, the payment of all reasonable fees and expenses of the Fiscal Agent incurred in exercising any remedies under this Funding Loan Agreement.

(b) To the extent directed in writing by the Funding Lender Representative, to the reimbursement of any unreimbursed advances made by or on behalf of the Funding Lender pursuant to the Continuing Covenant Agreement or the Security Instrument.

(c) Unless the full principal amount of the Funding Loan shall have become or have been declared due and payable:

FIRST: to the Funding Lender, all installments of interest then due on the Funding Loan in the order of the maturity of such installments; and

SECOND: to the Funding Lender, unpaid principal of and premium, if any, on the Funding Loan which shall have become due, whether at maturity or by call for prepayment, in the order in which they became due and payable.

(d) If the full principal amount of the Governmental Notes shall have become or have been declared due and payable, to the Funding Lender for the payment of the principal of, premium, if any, and interest then due and unpaid on the Funding Loan without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest.

(e) To the payment of any and all amounts due under the Financing Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Servicer and the Rebate Analyst.

(f) The remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Section 6.06 Remedies Not Exclusive. No right or remedy conferred upon or reserved to the Fiscal Agent, the Funding Lender or the Funding Lender Representative by the terms of this Funding Loan Agreement is intended to be exclusive of any other right or remedy, but each and every such remedy shall be cumulative and shall be in addition to every other right or remedy given to the Fiscal Agent, the Funding Lender or the Funding Lender Representative under this Funding Loan Agreement or existing at law or in equity or by statute (including the Act).

Section 6.07 Fiscal Agent May Enforce Rights Without Governmental Notes. All rights of action and claims, including the right to file proof of claims, under this Funding Loan Agreement may be prosecuted and enforced by the Fiscal Agent at the written direction of the Funding Lender Representative without the possession of the Governmental Notes or the production thereof in any trial or other proceedings relating thereto. Subject to the rights of the Funding Lender Representative to direct proceedings hereunder, any such suit or proceeding instituted by the Fiscal Agent shall be brought in its name as Fiscal Agent without the necessity of joining as plaintiffs or defendants any Funding Lender, and any recovery or judgment shall be for the benefit as provided herein of the Funding Lender.

Section 6.08 [Reserved].

Section 6.09 Termination of Proceedings. In case the Fiscal Agent (at the written direction of the Funding Lender Representative) or the Funding Lender Representative shall have proceeded to enforce any right under this Funding Loan Agreement by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower and the Funding Lender shall be restored to their former positions and rights hereunder with respect to the Pledged Security herein conveyed, and all rights, remedies and powers of the Fiscal Agent and the Funding Lender Representative shall continue as if no such proceedings had been taken.

Section 6.10 Waivers of Events of Default. The Fiscal Agent shall waive any Event of Default hereunder and its consequences (except with respect to Unassigned Rights) and rescind any declaration of maturity of principal of and interest on the Funding Loan upon the written direction of the Funding Lender Representative. In case of any such waiver or rescission, or in case any proceeding taken by the Fiscal Agent on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Governmental Lender, the Fiscal Agent, the Borrower, the Servicer, the Funding Lender Representative and the Funding Lender shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

Section 6.11 Interest on Unpaid Amounts and Default Rate for Nonpayment. In the event that principal of or interest payable on the Funding Loan is not paid when due, there shall be payable on the amount not timely paid, on each Interest Payment Date, interest at the Default Rate, to the extent permitted by law. Interest on the Funding Loan shall accrue at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full.

Section 6.12 Assignment of Project Loan; Remedies Under the Project Loan.

(a) The Funding Lender Representative shall have the right, with respect to the Project Loan, in its sole and absolute discretion, without directing the Fiscal Agent to effect an acceleration of the Funding Loan, to instruct the Fiscal Agent in writing to assign the Project Notes, the Security Instrument and the other Financing Documents to the Funding Lender Representative, in which event the Fiscal Agent shall (a) endorse and deliver the Project Notes to the Funding Lender Representative and assign (in recordable form) the Security Instrument, (b) execute and deliver to the Funding Lender Representative all documents prepared by the Funding Lender Representative necessary to assign (in recordable form) all other Project Loan Documents to the Funding Lender Representative and (c) execute all such documents prepared by the Funding Lender Representative as are necessary to legally and validly effectuate the assignments provided for in the preceding clauses (a) and (b). The Fiscal Agent's assignments to the Funding Lender Representative pursuant to this Section 6.12 shall be without recourse or warranty except that the Fiscal Agent shall represent and warrant in connection therewith (A) that the Fiscal Agent has not previously endorsed or assigned any such documents or instruments and (B) that the Fiscal Agent has the corporate authority to endorse and assign such documents and instruments and such endorsements and assignments have been duly authorized. Prior to making such an assignment, the Fiscal Agent shall have received a No Adverse Effect Opinion with respect to such assignment of Pledged Security.

(b) The Funding Lender Representative shall have the right, in its own name or on behalf of the Governmental Lender or the Fiscal Agent, to declare any default and exercise any remedies under the Project Loan Agreement, the Project Notes or the Security Instrument, whether or not the Governmental Notes have been accelerated or declared due and payable by reason of an Event of Default or the occurrence of a mandatory prepayment.

Section 6.13 *Substitution.* Upon receipt of written notice from the Funding Lender Representative and the written approval of the Governmental Lender as and to the extent permitted under the Tax Regulatory Agreement in connection with a transfer of the Project, the Fiscal Agent shall exchange the Project Notes and the Security Instrument for new Project Notes and a new Security Instrument, evidencing and securing a new loan (the "New Project Loan"), which may be executed by a person other than the Borrower (the "New Borrower"), provided that if the Fiscal Agent, the Funding Lender or a nominee of the Fiscal Agent or the Funding Lender has acquired the Project through foreclosure, by accepting a deed in lieu of foreclosure or by comparable conversion of the Project, no approval from the Governmental Lender of such exchange shall be required. Prior to accepting a New Project Loan, the Fiscal Agent shall have received (i) written evidence that the New Borrower shall have executed and recorded a document substantially in the form of the Tax Regulatory Agreement (or executed and recorded an assumption of all of the Borrower's obligations under the Tax Regulatory Agreement) and that the Security Instrument has been modified as necessary to be applicable to the New Project Loan, and (ii) a No Adverse Effect Opinion with respect to such exchange and modification.

ARTICLE VII

CONCERNING THE FISCAL AGENT

Section 7.01 *Standard of Care.* The Fiscal Agent, prior to an Event of Default as defined in Section 6.01 hereof and after the curing or waiver of all such events which may have occurred, shall perform such duties and only such duties as are specifically set forth in this Funding Loan

Agreement. The Fiscal Agent, during the existence of any such Event of Default (which shall not have been cured or waived), shall exercise such rights and powers vested in it by this Funding Loan Agreement and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under similar circumstances in the conduct of such Person's own affairs.

No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its breach of trust, own negligence or willful misconduct, except that:

(a) prior to an Event of Default hereunder, and after the curing or waiver of all such Events of Default which may have occurred:

(i) the duties and obligations of the Fiscal Agent shall be determined solely by the express provisions of this Funding Loan Agreement, and the Fiscal Agent shall not be liable except with regard to the performance of such duties and obligations as are specifically set forth in this Funding Loan Agreement; and

(ii) in the absence of bad faith on the part of the Fiscal Agent, the Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Fiscal Agent by the Person or Persons authorized to furnish the same;

(b) at all times, regardless of whether or not any such Event of Default shall exist:

(i) the Fiscal Agent shall not be liable for any error of judgment made in good faith by an officer or employee of the Fiscal Agent except for willful misconduct or negligence by the officer or employee of the Fiscal Agent as the case may be; and

(ii) the Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the written direction of the Funding Lender Representative relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any duty or power conferred upon the Fiscal Agent under this Funding Loan Agreement.

Section 7.02 *Reliance Upon Documents.* Except as otherwise provided in Section 7.01 hereof:

(a) the Fiscal Agent may rely upon the authenticity or truth of the statements and the correctness of the opinions expressed in, and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, notarial seal, stamp, acknowledgment, verification, request, consent, order, bond, or other paper or document of the proper party or parties, including any Electronic Notice as permitted hereunder or under the Project Loan Agreement;

(b) any notice, request, direction, election, order or demand of the Governmental Lender mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Governmental Lender by an Authorized Officer of the

Governmental Lender (unless other evidence in respect thereof be herein specifically prescribed), and any resolution of the Governmental Lender may be evidenced to the Fiscal Agent by a copy of such resolution duly certified by an Authorized Officer of the Governmental Lender;

(c) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by any Authorized Officer of the Borrower (unless other evidence in respect thereof be herein specifically prescribed), and any resolution or certification of the Borrower may be evidenced to the Fiscal Agent by a copy of such resolution duly certified by a secretary or other authorized representative of the Borrower;

(d) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Servicer mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Servicer by an Authorized Officer of the Servicer (unless other evidence in respect thereof be herein specifically prescribed);

(e) any notice, request, direction, election, order or demand of the Funding Lender Representative mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Funding Lender Representative by any Authorized Officer of the Funding Lender Representative (unless other evidence in respect thereof be herein specifically prescribed);

(f) [Intentionally Omitted];

(g) [Intentionally Omitted];

(h) in the administration of the trusts of this Funding Loan Agreement, the Fiscal Agent may execute any of the trusts or powers hereby granted directly or through its agents, receivers or attorneys, and the Fiscal Agent may consult with counsel (who may be counsel for the Governmental Lender, the Servicer or the Funding Lender Representative) and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or permitted by it hereunder in good faith and in accordance with the opinion of such counsel;

(i) whenever in the administration of the trusts of this Funding Loan Agreement, the Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or permitting any action hereunder, such matters (unless other evidence in respect thereof be herein specifically prescribed), may in the absence of negligence or willful misconduct on the part of the Fiscal Agent, be deemed to be conclusively proved and established by a certificate of an officer or authorized agent of the Governmental Lender or the Borrower and such certificate shall in the absence of bad faith on the part of the Fiscal Agent be full warrant to the Fiscal Agent for any action taken or permitted by it under the provisions of this Funding Loan Agreement, but in its discretion the Fiscal Agent may in lieu thereof accept other evidence of such matter or may require such further or additional evidence as it may deem reasonable;

(j) the recitals herein and in the Governmental Notes (except the Fiscal Agent's certificate of authentication thereon) shall not be considered as made by or imposing any obligation or liability upon the Fiscal Agent. The Fiscal Agent makes no representations as to the value or condition of the Pledged Security or any part thereof, or as to the title of the Governmental Lender or the Borrower to the Pledged Security, or as to the security of this Funding Loan Agreement, or of the Governmental Notes issued hereunder, and the Fiscal Agent shall incur no liability or responsibility in respect of any of such matters;

(k) the Fiscal Agent shall not be personally liable for debts contracted or liability for damages incurred in the management or operation of the Pledged Security except for its own willful misconduct or negligence; and every provision of this Funding Loan Agreement relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section 7.02(k);

(l) the Fiscal Agent shall not be required to ascertain or inquire as to the performance or observance of any of the covenants or agreements (except to the extent they obligate the Fiscal Agent) herein or in any contracts or securities assigned or conveyed to or pledged with the Fiscal Agent hereunder, except Events of Default that are evident under Section 6.01(a) hereof. The Fiscal Agent shall not be required to take notice or be deemed to have notice or actual knowledge of any default or Event of Default specified in Section 6.01 hereof (except defaults under Section 6.01(a) hereof to the extent they are collecting loan payments hereunder) unless the Fiscal Agent shall receive from the Governmental Lender or the Funding Lender Representative written notice stating that a default or Event of Default has occurred and specifying the same, and in the absence of such notice the Fiscal Agent may conclusively assume that there is no such default. Every provision contained in this Funding Loan Agreement or related instruments or in any such contract or security wherein the duty of the Fiscal Agent depends on the occurrence and continuance of such default shall be subject to the provisions of this Section 7.02(l);

(m) the Fiscal Agent shall be under no duty to confirm or verify any financial or other statements or reports or certificates furnished pursuant to any provisions hereof, except to the extent such statement or reports are furnished by or under the direction of the Fiscal Agent, and shall be under no other duty in respect of the same except to retain the same in its files and permit the inspection of the same at reasonable times by the Funding Lender; and

(n) the Fiscal Agent shall be under no obligation to exercise those rights or powers vested in it by this Funding Loan Agreement, other than such rights and powers which it shall be obliged to exercise in the ordinary course of acting as Fiscal Agent under the terms and provisions of this Funding Loan Agreement and as required by law, at the request or direction of the Funding Lender Representative pursuant to Sections 6.03 and 6.08 hereof, unless the Funding Lender Representative shall have offered to the Fiscal Agent reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in the compliance with such request or direction.

None of the provisions contained in this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

The Fiscal Agent is authorized and directed to execute in its capacity as Fiscal Agent, the Project Loan Agreement and the Tax Regulatory Agreement and shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the delivery of the Governmental Notes.

The Fiscal Agent or any of its affiliates may act as advisor or sponsor with respect to any Qualified Investments.

The Fiscal Agent agrees to accept and act upon Electronic Notice of written instructions and/or directions pursuant to this Funding Loan Agreement.

Any resolution, certification, notice, request, direction, election, order or demand delivered to the Fiscal Agent pursuant to this Section 7.02 shall remain in effect until the Fiscal Agent receives written notice to the contrary from the party that delivered such instrument accompanied by revised information for such party.

The Fiscal Agent shall have no responsibility for the value of any collateral or with respect to the perfection or priority of any security interest in any collateral except as otherwise provided in Section 7.17 hereof.

Section 7.03 *Use of Proceeds.* The Fiscal Agent shall not be accountable for the use or application of the Governmental Notes authenticated or delivered hereunder or of the proceeds of the Funding Loan except as provided herein.

Section 7.04 *[Reserved]*.

Section 7.05 *Trust Imposed.* All money received by the Fiscal Agent shall, until used or applied as herein provided, be held in trust for the purposes for which it was received.

Section 7.06 *Compensation of Fiscal Agent.* The Fiscal Agent shall be entitled to its Ordinary Fiscal Agent's Fees and Expenses in connection with the services rendered by it in the execution of the trusts hereby created and in the exercise and performance of any of the powers and duties of the Fiscal Agent hereunder or under any Financing Document to the extent money is available therefor, in accordance with Section 4.06 hereof, exclusive of Extraordinary Services. The Fiscal Agent shall be entitled to Extraordinary Fiscal Agent's Fees and Expenses in connection with any Extraordinary Services performed consistent with the duties hereunder or under any of the Financing Documents; provided the Fiscal Agent shall not incur any Extraordinary Fiscal Agent's Fees and Expenses without the consent of the Funding Lender Representative. If any property, other than cash, shall at any time be held by the Fiscal Agent subject to this Funding Loan Agreement, or any supplement hereto, as security for the Funding Loan, the Fiscal Agent, if and to the extent authorized by a receivership, bankruptcy, or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Funding Loan Agreement as such security for the Funding Loan, shall be entitled to make advances for the purpose of preserving such property or of discharging tax liens or other liens or encumbrances thereon. Payment to the Fiscal Agent for its services and reimbursement to the Fiscal Agent for its expenses, disbursements, liabilities and advances, shall be limited to the sources described in the Project Loan Agreement and in Sections 4.06, 4.11 and 6.05 hereof. The Governmental Lender shall have no liability for Fiscal Agent's fees, costs or expenses. Subject to the provisions of Section 7.09 hereof, the Fiscal Agent agrees that it shall continue to perform its duties hereunder and under the

Financing Documents even in the event that money designated for payment of its fees shall be insufficient for such purposes or in the event that the Borrower fails to pay the Ordinary Fiscal Agent's Fees and Expenses or, if applicable, the Extraordinary Fiscal Agent's Fees and Expenses as required by the Project Loan Agreement.

The Borrower shall indemnify and hold harmless the Fiscal Agent and its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants and servants, past, present or future, from and against (a) any and all claims by or on behalf of any person arising from any cause whatsoever in connection with the Project Loan Documents, this Funding Loan Agreement or transactions contemplated hereby, the Project, or the delivery of the Governmental Notes or the Loans; (b) any and all claims arising from any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project, or the delivery of the Governmental Notes or the Loans; and (c) all costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought thereon; except that the Borrower shall not be required to indemnify any person for damages caused by the gross negligence, willful misconduct or unlawful acts of such person or which arise from events occurring after the Borrower ceases to own the Project. In the event that any action or proceeding is brought or claim made against the Fiscal Agent, or any of its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants or servants, with respect to which indemnity may be sought hereunder, the Borrower, upon written notice thereof from the indemnified party, shall assume the investigation and defense thereof, including the employment of counsel and the payment of all expenses. The indemnified party shall have the right to approve a settlement to which it is a party and to employ separate counsel in any such action or proceedings and to participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel. The provisions of this Section 7.06 shall survive the termination of this Funding Loan Agreement.

Section 7.07 *Qualifications of Fiscal Agent.* There shall at all times be a Fiscal Agent hereunder which shall be an association or a corporation organized and doing business under the laws of the United States of America or any state thereof, authorized under such laws to exercise corporate trust powers in the State and approved in writing by the Governmental Lender. Any successor Fiscal Agent shall have a combined capital and surplus of at least \$50,000,000 (or shall be a wholly-owned subsidiary of an association or corporation that has such combined capital and surplus), and be subject to supervision or examination by federal or state authority, or shall have been appointed by a court of competent jurisdiction pursuant to Section 7.11 hereof. If such association or corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority referred to above, then for the purposes of this Section 7.07, the combined capital and surplus of such association or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Fiscal Agent shall cease to be eligible in accordance with the provisions of this Section 7.07 and another association or corporation is eligible, the Fiscal Agent shall resign immediately in the manner and with the effect specified in Section 7.09 hereof.

Section 7.08 *Merger of Fiscal Agent.* Any association or corporation into which the Fiscal Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any association or corporation resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, ipso facto, be and become successor Fiscal Agent hereunder

and vested with all the title to the whole property or Pledged Security and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding, and shall also be and become successor Fiscal Agent in respect of the legal interest of the Fiscal Agent in the Loans. Notwithstanding the foregoing, any such successor Fiscal Agent shall cause written notice of such succession to be delivered to the Funding Lender within 10 days of such succession.

Section 7.09 *Resignation by the Fiscal Agent.* The Fiscal Agent may at any time resign from the trusts hereby created by giving written notice to the Governmental Lender, the Borrower, the Servicer and the Funding Lender Representative. Such notice to the Governmental Lender, the Borrower, the Servicer and the Funding Lender Representative may be served personally or sent by certified mail or overnight delivery service. The resignation of the Fiscal Agent shall not be effective until a successor Fiscal Agent has been appointed as provided herein and such successor Fiscal Agent shall have agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder.

Section 7.10 *Removal of the Fiscal Agent.* The Fiscal Agent may be removed at any time, either with or without cause, with the written consent of the Funding Lender Representative (which consent of the Funding Lender Representative shall not be unreasonably withheld), by a written instrument signed by the Governmental Lender and delivered to the Fiscal Agent, the Servicer and the Borrower. The Fiscal Agent may also be removed by a written instrument signed by the Funding Lender Representative, with the written consent of the Governmental Lender, and delivered to the Fiscal Agent, the Servicer, the Governmental Lender and the Borrower. In each case written notice of such removal shall be given to the Servicer, the Borrower and to the Funding Lender. Any such removal shall take effect on the day specified in such written instrument(s), but the Fiscal Agent shall not be discharged from the duties of the Fiscal Agent hereby created until a successor Fiscal Agent has been appointed and has accepted such appointment and has agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder.

Section 7.11 *Appointment of Successor Fiscal Agent.*

(a) In case at any time the Fiscal Agent shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Fiscal Agent or of its property shall be appointed, or if a public supervisory office shall take charge or control of the Fiscal Agent or of its property or affairs, a vacancy shall forthwith and ipso facto be created in the office of such Fiscal Agent hereunder, and the Governmental Lender, with the written consent of the Funding Lender Representative, shall promptly appoint a successor Fiscal Agent. Any such appointment shall be made by a written instrument executed by an Authorized Officer of the Governmental Lender. If the Governmental Lender fails to appoint a successor Fiscal Agent within ten (10) days following the resignation or removal of the Fiscal Agent pursuant to Section 7.09 or Section 7.10 hereunder, as applicable, the Funding Lender Representative may appoint a successor Fiscal Agent (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent or trustee) with written notice thereof delivered to the Governmental Lender, the Borrower, the Servicer, if any, and if applicable, the retiring Fiscal Agent.

(b) If, in a proper case, no appointment of a successor Fiscal Agent shall be made pursuant to subsection (a) of this Section 7.11 within sixty (60) days following delivery of all required notices of resignation given pursuant to Section 7.09 hereof or of removal of the Fiscal Agent pursuant to Section 7.10 hereof, the retiring Fiscal Agent may apply to any court of competent jurisdiction, at the expense of the Borrower, to appoint a successor Fiscal Agent. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Fiscal Agent.

Section 7.12 *Concerning Any Successor Fiscal Agent.* Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Governmental Lender a written instrument accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the Pledged Security and the rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Governmental Lender, the Borrower or the Funding Lender Representative, or of its successor, and upon payment of all amounts due such predecessor, including but not limited to fees and expenses of counsel, execute and deliver such instruments as may be appropriate to transfer to such successor Fiscal Agent all the Pledged Security and the rights, powers and trusts of such predecessor hereunder; and every predecessor Fiscal Agent shall deliver all securities and money held by it as Fiscal Agent hereunder to its successor. Should any instrument in writing from the Governmental Lender be required by a successor Fiscal Agent for more fully and certainly vesting in such successor the Pledged Security and all rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Governmental Lender. The resignation of any Fiscal Agent and the instrument or instruments removing any Fiscal Agent and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Fiscal Agent in each recording office where this Funding Loan Agreement shall have been filed and/or recorded. Each successor Fiscal Agent shall mail notice by first class mail, postage prepaid, at least once within 30 days of such appointment, to the Funding Lender. No successor Fiscal Agent shall accept its appointment unless at the time of such acceptance such successor Fiscal Agent shall be qualified and eligible under this Article, to the extent operative.

Section 7.13 *[Reserved]*.

Section 7.14 *Appointment of Co-Fiscal Agent or Separate Fiscal Agent.* It is the intent of the Governmental Lender and the Fiscal Agent that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Fiscal Agent in such jurisdiction. It is recognized that in case of litigation under or connected with this Funding Loan Agreement, the Project Loan Agreement or any of the other Financing Documents, and, in particular, in case of the enforcement of any remedies on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein or therein granted to the Fiscal Agent or hold title to the properties in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary, and the Fiscal Agent is hereby authorized upon written notice to the Governmental Lender, Funding Lender Representative and the Borrower, and with the consent of the Governmental Lender and the Funding Lender Representative, to appoint an additional individual or institution as a co-fiscal agent or separate fiscal agent.

In the event that the Fiscal Agent appoints an additional individual or institution as a co-fiscal agent or separate fiscal agent, in the event of the incapacity or lack of authority of the Fiscal Agent, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers, trusts and remedies granted to the Fiscal Agent herein or to hold title to the Pledged Security or to take any other action that may be necessary or desirable in connection therewith, each and every remedy, power, right, obligation, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement to be imposed upon, exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be imposed upon, exercisable by and vest in such separate fiscal agent or co-fiscal agent, but only to the extent necessary to enable such co-fiscal agent or separate fiscal agent to exercise such powers, rights, trusts and remedies, and every covenant and obligation necessary to the exercise thereof by such co-fiscal agent or separate fiscal agent shall run to and be enforceable by either of them, subject to the remaining provisions of this Section 7.14. Such co-fiscal agent or separate fiscal agent shall deliver an instrument in writing acknowledging and accepting its appointment hereunder to the Governmental Lender and the Fiscal Agent.

Should any instrument in writing from the Governmental Lender be required by the co-fiscal agent or separate fiscal agent so appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Governmental Lender, the Fiscal Agent and the Borrower. If the Governmental Lender shall fail to deliver the same within thirty (30) days of such request, the Fiscal Agent is hereby appointed attorney-in-fact for the Governmental Lender to execute, acknowledge and deliver such instruments in the Governmental Lender's name and stead. In case any co-fiscal agent or separate fiscal agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such co-fiscal agent or separate fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a new Fiscal Agent or successor to such co-fiscal agent or separate fiscal agent.

Every co-fiscal agent or separate fiscal agent shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

(a) the Governmental Notes shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations by this Funding Loan Agreement conferred upon the Fiscal Agent in respect of the custody, control or management of money, papers, securities and other personal property shall be exercised solely by the Fiscal Agent;

(b) all rights, powers, trusts, duties and obligations conferred or imposed upon the Fiscal Agent shall be conferred or imposed upon or exercised or performed by the Fiscal Agent, or by the Fiscal Agent and such co-fiscal agent, or separate fiscal agent jointly, as shall be provided in the instrument appointing such co-fiscal agent or separate fiscal agent, except to the extent that under the law of any jurisdiction in which any particular act or acts are to be performed the Fiscal Agent shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-fiscal agent or separate fiscal agent;

(c) any request in writing by the Fiscal Agent to any co-fiscal agent or separate fiscal agent to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking or the refraining from taking of such action by such co-fiscal agent or separate fiscal agent;

(d) any co-fiscal agent or separate fiscal agent to the extent permitted by law shall delegate to the Fiscal Agent the exercise of any right, power, trust, duty or obligation, discretionary or otherwise;

(e) the Fiscal Agent, at any time by an instrument in writing with the written concurrence of the Governmental Lender by an Authorized Officer, may accept the resignation of or remove any co-fiscal agent or separate fiscal agent appointed under this Section 7.14 and in case an Event of Default shall have occurred and be continuing, the Fiscal Agent shall have power to accept the resignation of or remove any such co-fiscal agent or separate fiscal agent without the concurrence of the Governmental Lender, and upon the request of the Fiscal Agent, the Governmental Lender shall join with the Fiscal Agent in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-fiscal agent or separate fiscal agent so resigned or removed may be appointed in the manner provided in this Section 7.14;

(f) no Fiscal Agent or co-fiscal agent hereunder shall be personally liable by reason of any act or omission of any other Fiscal Agent hereunder;

(g) any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing executed by the Funding Lender Representative and delivered to the Fiscal Agent shall be deemed to have been delivered to each such co-fiscal agent or separate fiscal agent; and

(h) any money, papers, securities or other items of personal property received by any such co-fiscal agent or separate fiscal agent hereunder shall forthwith, so far as may be permitted by law, be turned over to the Fiscal Agent.

The total compensation of the Fiscal Agent and any co-fiscal agent or separate fiscal agent shall be as, and may not exceed the amount, provided in Section 7.06 hereof.

Section 7.15 *Notice of Certain Events.* The Fiscal Agent shall give written notice to the Governmental Lender, the Servicer and the Funding Lender Representative of any failure by the Borrower to comply with the terms of the Tax Regulatory Agreement or any Determination of Taxability of which a Responsible Officer has actual knowledge.

Section 7.16 *[Reserved].*

Section 7.17 *Filing of Financing Statements.* The Fiscal Agent shall, at the expense of the Borrower, at the direction of the Servicer, file or record or cause to be filed or recorded all UCC continuation statements for the purpose of continuing without lapse the effectiveness of those financing statements which have been filed on or approximately on the Delivery Date in connection with the security for the Funding Loan pursuant to the authority of the UCC. Upon the filing of any such continuation statement the Fiscal Agent shall immediately notify the

Governmental Lender, the Borrower, the Funding Lender Representative and the Servicer that the same has been done. If direction is given by the Servicer or the Funding Lender Representative, the Fiscal Agent shall file all continuation statements in accordance with such directions.

Section 7.18 *USA Patriot Act Requirements of the Fiscal Agent.* To help the government of the United States of America fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual Person such as a business entity, a charity, a trust, or other legal entity, the Fiscal Agent may request documentation to verify such Person's formation and existence as a legal entity. The Fiscal Agent may also request financial statements, licenses, identification and authorization documents from individuals claiming authority to represent such Person or other relevant documentation.

ARTICLE VIII

AMENDMENTS OF CERTAIN DOCUMENTS

Section 8.01 *Amendments to this Funding Loan Agreement.* Any of the terms of this Funding Loan Agreement and the Governmental Notes may be amended or waived only by an instrument signed by the Fiscal Agent and the Governmental Lender, and with the prior written consent of the Funding Lender Representative.

Section 8.02 *Amendments to Financing Documents Require Consent of Funding Lender Representative.* Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change or modification of any Financing Document without the prior written consent of the Funding Lender Representative. The Fiscal Agent shall enter into such amendments to the Financing Documents as shall be directed by the Funding Lender Representative, including entering into the amendments attached as exhibits to the Construction Phase Financing Agreement on the Conversion Date.

Section 8.03 *Opinion of Bond Counsel Required.* No amendment to this Funding Loan Agreement, the Governmental Notes, the Project Loan Agreement, the Project Notes, the Security Instrument or the Tax Regulatory Agreement shall become effective unless and until (i) the Funding Lender Representative shall have consented to the same in writing in its sole discretion and (ii) the Funding Lender Representative, the Governmental Lender and the Fiscal Agent shall have received, at the expense of the Borrower, (A) a No Adverse Effect Opinion with respect to such amendment, change or modification, and (B) an opinion of counsel acceptable to the Funding Lender Representative and the Governmental Lender to the effect that any such proposed such amendment, change or modification is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

ARTICLE IX

SATISFACTION AND DISCHARGE OF FUNDING LOAN AGREEMENT

Section 9.01 *Discharge of Lien.* If the Governmental Lender shall pay or cause to be paid to the Funding Lender the principal, interest and premium, if any, to become due with respect

to the Funding Loan at the times and in the manner stipulated herein and in the Governmental Notes, in any one or more of the following ways:

(a) by the payment of all unpaid principal of (including Prepayment Premium, if any) and interest on the Funding Loan; or

(b) after the Conversion Date (or, if the Conversion Date does not occur, the latest date on which Conversion was permitted to occur under the Construction Phase Financing Agreement) and prior to the Window Period, by the deposit to the account of the Fiscal Agent, in trust, of money or securities in the necessary amount to pay the principal, Prepayment Premium and interest to the Maturity Date; or

(c) by the delivery of the Governmental Notes by the Funding Lender to the Fiscal Agent for cancellation;

and shall have paid all amounts due and owing under the other Financing Documents, and shall have paid, or caused to be paid, all fees and expenses of and any other amounts due to the Fiscal Agent, the Servicer and the Rebate Analyst, and if the Governmental Lender shall keep, perform and observe all and singular the covenants and promises in the Governmental Notes and in this Funding Loan Agreement expressed as to be kept, performed and observed by it or on its part, then these presents and the estates and rights hereby granted shall cease, determine and be void, and thereupon the Fiscal Agent shall cancel and discharge the lien of this Funding Loan Agreement and execute and deliver to the Governmental Lender such instruments in writing as shall be requisite to satisfy the lien hereof, and reconvey to the Governmental Lender the estate hereby conveyed, and assign and deliver to the Governmental Lender any interest in property at the time subject to the lien of this Funding Loan Agreement which may then be in its possession, except amounts held by the Fiscal Agent for the payment of principal of, interest and premium, if any, on the Governmental Notes, and the payment of any amounts owed to the United States of America pursuant to Section 4.12 hereof.

After the Conversion Date (or, if the Conversion Date does not occur, the latest date on which Conversion was permitted to occur under the Construction Phase Financing Agreement) and prior to the Window Period and subject to the satisfaction of the conditions set forth in Section 4.04(c) of the Project Loan Agreement, the Funding Loan shall, prior to the Maturity Date, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section 9.01 based on a deposit of moneys or securities with the Fiscal Agent pursuant to Section 9.01(b) if, under circumstances which do not cause interest on the Series A-1 Governmental Note to become includable in the holders' gross income for purposes of federal income taxation, the following conditions shall have been fulfilled: (a) there shall be on deposit with the Fiscal Agent either money or noncallable and nonprepayable direct obligations of the United States of America (or other defeasance securities constituting Qualified Investments approved in writing by the Funding Lender Representative) in an amount, together with anticipated earnings thereon (but not including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal and interest due and to become due on the Funding Loan up to and on the Maturity Date; (b) the Fiscal Agent shall have received a verification report of a firm of certified public accountants or financial analyst reasonably acceptable to the Fiscal Agent and the Funding Lender Representative as to the adequacy of the amounts or securities so deposited to fully pay the Funding Loan; (c) the Fiscal Agent and the Funding Lender Representative shall have

received a written opinion of nationally recognized counsel experienced in bankruptcy matters to the effect that if the Borrower, any general partner, member or guarantor of the Borrower, or the Governmental Lender were to become a debtor in a proceeding under the Bankruptcy Code (x) payment of such money to the Funding Lender would not constitute a voidable preference under Section 547 of the Bankruptcy Code and (y) the automatic stay provisions of Section 362(a) of the Bankruptcy Code would not prevent application of such money to the payment of the Funding Loan; (d) the Fiscal Agent and the Funding Lender Representative shall have received an opinion of Bond Counsel to the effect that the defeasance of the Funding Loan is in accordance with the provisions of the Funding Loan Agreement and that such defeasance will not adversely affect the exclusion of interest on the Series A-1 Governmental Note from gross income for federal income tax purposes; (e) the Fiscal Agent shall have received written confirmation that all fees, expenses or reimbursement of any advances due to the Funding Lender and the Servicer under the Financing Documents have been fully paid; and (f) all fees and expenses of the Fiscal Agent have been paid.

Section 9.02 *Discharge of Liability on Funding Loan.* Upon the deposit with the Fiscal Agent, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.01 above) to pay or prepay the Funding Loan (whether upon or prior to the Maturity Date or the prepayment date of the Funding Loan) provided that, if the Funding Loan is to be prepaid prior to the maturity thereof, notice of such prepayment shall have been given as in Article III provided or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, all liability of the Governmental Lender in respect of the Funding Loan shall cease, terminate and be completely discharged, except only that thereafter the Funding Lender shall be entitled to payment by the Governmental Lender, and the Governmental Lender shall remain liable for such payment, but only out of the money or securities deposited with the Fiscal Agent as aforesaid for their payment, subject, however, to the provisions of Section 9.03 hereof.

Section 9.03 *Payment of Funding Loan After Discharge of Funding Loan Agreement.* Notwithstanding any provisions of this Funding Loan Agreement, and subject to applicable unclaimed property laws of the State, any money deposited with the Fiscal Agent or any paying agent in trust for the payment of the principal of, interest or premium on the Governmental Notes remaining unclaimed for two years after the Maturity Date or earlier payment date to the extent permitted by applicable law, shall be paid to the Borrower, whereupon all liability of the Governmental Lender and the Fiscal Agent with respect to such money shall cease, and the Funding Lender shall thereafter look solely to the Borrower for payment of any amounts then due. All money held by the Fiscal Agent and subject to this Section 9.03 shall be held uninvested and without liability for interest thereon.

ARTICLE XI

MISCELLANEOUS

Section 11.01 *Servicing of the Loans.* The Funding Lender Representative may appoint a Servicer (which may be the Funding Lender Representative if the Funding Lender Representative elects to service the Loans) to service the Loans as provided in Section 3.02 of the Project Loan

Section 11.02 *Limitation of Rights.* With the exception of rights herein expressly conferred, nothing expressed or to be implied from this Funding Loan Agreement or the Governmental Notes is intended or shall be construed to give to any Person other than the Parties hereto, the Funding Lender, the Funding Lender Representative, the Servicer and the Borrower, any legal or equitable right, remedy or claim under or in respect to this Funding Loan Agreement or any covenants, conditions and provisions hereof.

Section 11.03 *Construction of Conflicts; Severability.* Notwithstanding anything provided herein, or in any of the documents referred to herein, in the event that any contracts or other documents executed by the Borrower or any other arrangements agreed to by the Borrower in order to finance or refinance the Project with the proceeds of the Funding Loan are inconsistent with the Project Loan Documents, then the Project Loan Documents shall be controlling in all respects. If any provision of this Funding Loan Agreement shall be held or deemed to be, or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Funding Loan Agreement contained, shall not affect the remaining portions of this Funding Loan Agreement, or any part thereof.

Section 11.04 *Notices.*

(a) Whenever in this Funding Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the Person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 11.05 Funding Lender Representative.

(a) The Initial Funding Lender is the initial Funding Lender Representative with respect to the Governmental Notes. Upon the Conversion Date, the Permanent Funding Lender shall become the Funding Lender Representative. The Funding Lender Representative shall be

entitled to all the rights and privileges of the Funding Lender hereunder and under the other Financing Documents.

(b) The Funding Lender Representative may provide written notice to the Fiscal Agent designating particular individuals or Persons authorized to execute any consent, waiver, approval, direction or other instrument on behalf of the Funding Lender Representative, and such notice may be amended or rescinded by the Funding Lender Representative at any time by subsequent written notice. The Funding Lender Representative may be removed and a successor appointed by a written notice in the form of Exhibit B hereto given by the Funding Lender to the Fiscal Agent, the Governmental Lender, the Servicer and the Borrower. The removal and reappointment shall be effective immediately upon receipt of such notice by the Fiscal Agent. The Funding Lender may appoint any Person to act as Funding Lender Representative, including, without limitation, the Servicer. If, for any reason, a Funding Lender Representative resigns by written notice provided to the Fiscal Agent, the Funding Lender, the Governmental Lender, the Servicer and the Borrower, all references to Funding Lender Representative herein and in the other Financing Documents shall be deemed to refer to the Funding Lender until a successor Funding Lender Representative is appointed by the Funding Lender.

(d) Each Funding Lender, by their purchase or other acquisition of the Funding Loan, shall be deemed to have acknowledged and agreed to the provisions of this Funding Loan Agreement and the other Financing Documents with respect to the Funding Lender Representative and the rights and privileges thereof, including but not limited to the right to control all remedies in respect of the Governmental Notes and the Loans, subject to the Unassigned Rights.

Section 11.06 *Payments Due on Non-Business Days.* In any case where a date of payment with respect to the Funding Loan shall be a day other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest shall accrue for the period after such date provided that payment is made on such next succeeding Business Day.

Section 11.07 *Counterparts.* This Funding Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.08 *Laws Governing Funding Loan Agreement.* The effect and meanings of this Funding Loan Agreement and the rights of all parties hereunder shall be governed by, and construed according to, the internal laws of the State without regard to conflicts of laws principles.

Section 11.09 *No Recourse with Respect to Governmental Lender.* Notwithstanding anything to the contrary herein or to the contrary in any Financing Document, no recourse under or upon any obligation, covenant or agreement contained in this Funding Loan Agreement or in

The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) the outstanding principal of this Governmental Note in full on [_____] 1, 20__] (the “**Maturity Date**”) or at such earlier times and in such amounts as may be required, in the event of an optional or mandatory prepayment or acceleration of the Funding Loan pursuant to the Funding Loan Agreement. The outstanding principal hereof is subject to acceleration at the time or times and under the terms and conditions, and with notice, if any, as provided under the Funding Loan Agreement.

3. **Manner of Payment.** All payments under this Governmental Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Funding Loan Agreement.

4. **Application of Payments.** If at any time the Funding Lender receives any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, the Funding Lender may apply that payment to amounts then due and payable in any manner and in any order determined by the Funding Lender, in the Funding Lender’s discretion. Neither the Funding Lender’s acceptance of a payment in an amount that is less than all amounts then due and payable nor the Funding Lender’s application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. **Security.** The Indebtedness is secured by the Pledged Security pledged pursuant to the Funding Loan Agreement.

6. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, and all other amounts payable under this Governmental Note shall at once become due and payable, at the option of the Funding Lender, as governed by the Funding Loan Agreement, without any prior notice to the Obligor (unless required by applicable law). The Funding Lender may exercise this option to accelerate regardless of any prior forbearance.

7. **Prepayment; Prepayment Premium.** This Governmental Note is subject to prepayment as specified in the Funding Loan Agreement. Prepayment Premium shall be payable as specified in the Funding Loan Agreement.

8. **Forbearance.** Any forbearance by the Funding Lender in exercising any right or remedy under this Governmental Note any other document evidencing or securing the Funding Loan or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by the Funding Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of the Funding Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by the Funding Lender of any security for the obligations under this Governmental Note shall not constitute an election by the Funding Lender of remedies so as to preclude the exercise of any other right or remedy available to the Funding Lender.

9. **Waivers.** Presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness are waived by the Obligor and all endorsers and guarantors of this Governmental Note and all other third-party obligors.

10. **Default Rate.** So long as (a) any monthly installment under this Governmental Note remains past due, (b) any other Event of Default has occurred and is continuing, or (c) a Determination of Taxability has occurred and is continuing, interest under this Governmental Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment, the occurrence of any other Event of Default, or the occurrence of a Determination of Taxability, as applicable, at the Default Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Maturity Date at the Default Rate.

11. **Loan Charges.** Neither this Governmental Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the rate of interest which results in the maximum amount of interest allowed by applicable law (the "**Maximum Interest Rate**"). If any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor in connection with the Funding Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Obligor is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Funding Lender in excess of the permitted amounts will be applied by Funding Lender to reduce the unpaid principal balance of this Governmental Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor has been violated, all indebtedness that constitutes interest, as well as all other charges made in connection with the indebtedness that constitute interest, will be deemed to be allocated and spread ratably over the stated term of this Governmental Note. Unless otherwise required by applicable law, such allocation and spreading will be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Governmental Note.

12. **Governing Law.** This Governmental Note shall be governed by the internal laws of the State of California without regard to conflicts of laws principles.

13. **Captions.** The captions of the paragraphs of this Governmental Note are for convenience only and shall be disregarded in construing this Governmental Note.

14. **Address for Payment.** All payments due under this Governmental Note shall be payable at the principal office of the Funding Lender as designated by the Funding Lender in writing to the Fiscal Agent and the Servicer.

15. **Series A-1 Project Note.** Anything herein or in the Funding Loan Agreement to the contrary notwithstanding, amounts shall not be due and payable hereunder except at the rates, in the amounts, and at the times due and payable under the Series A-1 Project Note. In the event of any conflict between the payment terms of the Series A-1 Project Note and this Governmental Note, the terms of the Series A-1 Project Note shall control, provided, however, that the Governmental Lender's obligation hereunder shall be limited as set forth herein and payable solely from the Pledged Security.

16. **Limited Obligation.** This Governmental Note is a limited obligation of the Obligor, payable solely from the Pledged Security pledged and assigned under the Funding Loan Agreement. None of the Obligor, the State, or any political subdivision thereof (except the Obligor, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on the Note or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and neither this Governmental Note or any of the Obligor's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

17. **Registration and Transfer.** The Funding Loan, or any interest therein, and this Governmental Note, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Fiscal Agent for such purpose and which shall be open to inspection by the Governmental Lender. The Funding Loan, or any interest therein, and this Governmental Note, is only transferable subject to and in accordance with the limitations set forth in the Funding Loan Agreement.

18. **Recycling Transactions.** Notwithstanding any provision of this Governmental Lender Note or the Funding Loan Agreement to the contrary, the Governmental Lender shall be permitted to direct Project Note prepayments to be transferred to a custodian or trustee selected by the Governmental Lender, in lieu of application to prepay a like portion of this Governmental Lender Note, so long as the Governmental Lender simultaneously causes other funds to be applied to prepay such portion of this Governmental Lender Note. The preceding provisions shall apply only for purposes of preserving or "recycling" private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

This Governmental Note may not be changed orally.

FOR VALUE RECEIVED, the undersigned, CITY AND COUNTY OF SAN FRANCISCO (the “**Obligor**”), promises to pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement referenced below) to the order of _____ (the “**Funding Lender**”), and its assigns, the maximum principal sum of _____ Dollars (US \$ _____), plus premium, if any, and interest thereon and to pay the other amounts owing from time to time hereunder, all as set forth below.

This Governmental Note (this “**Governmental Note**”) is being delivered pursuant to that certain Funding Loan Agreement dated as of May 1, 2023 (together with any and all amendments, modifications, supplements and restatements, the “**Funding Loan Agreement**”), among the Funding Lender, the Obligor and U.S. Bank National Association (the “**Fiscal Agent**”), pursuant to which the Obligor has incurred a loan in the maximum aggregate principal amount of \$[7,500,000] (the “**Funding Loan**”), and this Governmental Note is entitled to the benefits of the Funding Loan Agreement and is subject to the terms, conditions and provisions thereof. The Obligor is using the proceeds of the Funding Loan to make a loan to HV Partners 3, LP (the “**Borrower**”) pursuant to the Project Loan Agreement dated as of May 1, 2023 (the “**Project Loan Agreement**”), among the Obligor, the Borrower and the Fiscal Agent. The outstanding principal balance of this Governmental Note at any time shall be an amount equal to the portion of the proceeds of the Funding Loan advanced by the Funding Lender under the Funding Loan Agreement corresponding to the Series A-2 Project Note, and not otherwise paid or prepaid.

This Governmental Note is one of two Governmental Notes evidencing the obligation of the Obligor to repay the Funding Loan to the Funding Lender (collectively, the “**Governmental Notes**”). The other Governmental Note is designated the “City and County of San Francisco, California Multifamily Housing Revenue Note (Hunters View Phase 3 - Vertical) Series 2023A-1,” and is dated and delivered concurrently herewith in the aggregate principal amount of \$[68,500,000]. Such other Governmental Note corresponds to and evidences the obligation of the Governmental Lender to repay the remaining balance of the Funding Loan with interest thereon and any premium with respect thereto, and corresponds to the Series A-1 Project Note in the same principal amount and bearing the same series designation as such other Governmental Note.

1. **Defined Terms.** As used in this Governmental Note, (i) the term “**Funding Lender**” means the holder of this Governmental Note, and (ii) the term “**Indebtedness**” means the principal of, premium, if any, and interest on or any other amounts due at any time under this Governmental Note or the Funding Loan Agreement. “**Event of Default**” and other capitalized terms used but

not defined in this Governmental Note shall have the meanings given to such terms in the Funding Loan Agreement.

2. **Payments of Principal and Interest.** The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) on the first calendar day of each month commencing [June] 1, 2023, interest on this Governmental Note at the applicable Construction Phase Interest Rate, and shall also pay interest on this Governmental Note at the foregoing rates on the date of any optional or mandatory prepayment or acceleration of all or part of the Funding Loan pursuant to the Funding Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Governmental Note subject to prepayment (each such date for payment an “**Interest Payment Date**”). Interest shall accrue on the principal amount of the Funding Loan which has been advanced under the Funding Loan Agreement and is outstanding as reflected on the Record of Advances corresponding to the Series A-2 Project Note.

The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) the outstanding principal of this Governmental Note in full on [_____] 1, 20__] (the “**Maturity Date**”) or at such earlier times and in such amounts as may be required, in the event of an optional or mandatory prepayment or acceleration of the Funding Loan pursuant to the Funding Loan Agreement. The outstanding principal hereof is subject to acceleration at the time or times and under the terms and conditions, and with notice, if any, as provided under the Funding Loan Agreement.

3. **Manner of Payment.** All payments under this Governmental Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Funding Loan Agreement.

4. **Application of Payments.** If at any time the Funding Lender receives any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, the Funding Lender may apply that payment to amounts then due and payable in any manner and in any order determined by the Funding Lender, in the Funding Lender’s discretion. Neither the Funding Lender’s acceptance of a payment in an amount that is less than all amounts then due and payable nor the Funding Lender’s application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. **Security.** The Indebtedness is secured by the Pledged Security pledged pursuant to the Funding Loan Agreement.

6. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, and all other amounts payable under this Governmental Note shall at once become due and payable, at the option of the Funding Lender, as governed by the Funding Loan Agreement, without any prior notice to the Obligor (unless required by applicable law). The Funding Lender may exercise this option to accelerate regardless of any prior forbearance.

7. **Prepayment; Prepayment Premium.** This Governmental Note is subject to prepayment as specified in the Funding Loan Agreement. Prepayment Premium shall be payable as specified in the Funding Loan Agreement.

8. **Forbearance.** Any forbearance by the Funding Lender in exercising any right or remedy under this Governmental Note any other document evidencing or securing the Funding Loan or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by the Funding Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of the Funding Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by the Funding Lender of any security for the obligations under this Governmental Note shall not constitute an election by the Funding Lender of remedies so as to preclude the exercise of any other right or remedy available to the Funding Lender.

9. **Waivers.** Presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness are waived by the Obligor and all endorsers and guarantors of this Governmental Note and all other third-party obligors.

10. **Default Rate.** So long as (a) any monthly installment under this Governmental Note remains past due, or (b) any other Event of Default has occurred and is continuing, interest under this Governmental Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment, or the occurrence of any other Event of Default, as applicable, at the Default Rate. 11. **Loan Charges.** Neither this Governmental Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the rate of interest which results in the maximum amount of interest allowed by applicable law (the "**Maximum Interest Rate**"). If any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor in connection with the Funding Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Obligor is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. 15. **Series A-2 Project Note.** Anything herein or in the Funding Loan Agreement to the contrary notwithstanding, amounts shall not be due and payable hereunder except at the rates, in the amounts, and at the times due and payable under the Series A-2 Project Note. In the event of any conflict between the payment terms of the Series A-2 Project Note and this Governmental Note, the terms of the Series A-2 Project Note shall control, provided, however, that the Governmental Lender's obligation hereunder shall be limited as set forth herein and payable solely from the Pledged Security.

16. **Limited Obligation.** This Governmental Note is a limited obligation of the Obligor, payable solely from the Pledged Security pledged and assigned under the Funding Loan Agreement. None of the Obligor, the State, or any political subdivision thereof (except the Obligor, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on this Note or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and neither this Governmental Note or any of the Obligor's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

17. **Registration and Transfer.** The Funding Loan, or any interest therein, and this Governmental Note, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Fiscal Agent for such purpose and which shall be open to inspection by the Governmental Lender. CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Funding Loan Agreement as if set forth in the text hereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Funding Loan Agreement. As used herein, the Funding Lender and Fiscal Agent shall together be known as the “Obligated Party”.

1. Nondiscrimination; Penalties.

(a) *Non Discrimination in Contracts.* The Obligated Party shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Obligated Party shall incorporate by reference in any subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require any subcontractors to comply with such provisions. The Obligated Party is subject to the enforcement and penalty provisions in Chapters 12B and 12C.

(b) *Nondiscrimination in the Provision of Employee Benefits.* *San Francisco Administrative Code 12B.2.* The Obligated Party does not as of the date of this Indenture, and will not during the term of this Indenture, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.

2. MacBride Principles—Northern Ireland. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Indenture. By entering into this Indenture, the Obligated Party confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

3. Tropical Hardwood and Virgin Redwood Ban. Pursuant to San Francisco Environment Code Section 804(b), the City urges the Obligated Party not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

4. Alcohol and Drug-Free Workplace. The City reserves the right to deny access to, or require the Obligated Party to remove from, City facilities personnel of such Obligated Party who the City has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City’s ability to maintain safe work facilities or to protect the health and well-being of City employees and the general public. The City shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the

individual lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

5. Compliance with Americans with Disabilities Act. The Obligated Party shall provide the services specified in the Indenture in a manner that complies with the Americans with Disabilities Act (ADA), including but not limited to Title II's program access requirements, and all other applicable federal, state and local disability rights legislation.

6. Sunshine Ordinance. The Obligated Party acknowledges that the Indenture and all records related to its formation, such Obligated Party's performance of services provided under the Indenture, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.

7. Limitations on Contributions. By executing the Indenture, the Obligated Party acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of the Obligated Party's board of directors; the Obligated Party's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10% in such Obligated Party; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by such Obligated Party. The Obligated Party certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

8. Requiring Minimum Compensation for Covered Employees. If Administrative Code Chapter 12P applies to the Indenture, the Obligated Party shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>. The Obligated Party is required to comply with all of the applicable provisions of 12P, irrespective of the listing of obligations in this Section. By signing and executing the Indenture, the Obligated Party certifies that it complies with Chapter 12P.

9. Requiring Health Benefits for Covered Employees. If Administrative Code Chapter 12Q applies to the Indenture, the Obligated Party shall comply with the requirements of Chapter

12Q. For each Covered Employee, the Obligated Party shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Obligated Party chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission. Information about and the text of the Chapter 12Q, as well as the Health Commission's minimum standards, is available on the web at <http://sfgov.org/olse/hcao>. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12Q. Any subcontract entered into by the Obligated Party shall require any subcontractor with 20 or more employees to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section.

10. Prohibition on Political Activity with City Funds. In performing under the Indenture, the Obligated Party shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for the Indenture from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12G.

11. Nondisclosure of Private, Proprietary or Confidential Information. If the Indenture requires the City to disclose "Private Information" to the Obligated Party within the meaning of San Francisco Administrative Code Chapter 12M, the Obligated Party shall use such information consistent with the restrictions stated in Chapter 12M and in this Indenture and only as necessary in performing the services provided under the Indenture. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under the Indenture, the Obligated Party may have access to the City's proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Obligated Party, such information must be held by such Obligated Party in confidence and used only in performing the Indenture. The Obligated Party shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

Notwithstanding anything to the contrary herein or in San Francisco Administrative Code Chapter 12M, the foregoing shall not be construed to prohibit (i) disclosure of any and all information that is or becomes publicly known, or other public information obtained by Trustee from sources other than the other parties hereto, (ii) disclosure of any and all information (A) if required to do so by any applicable rule or regulation, (B) to any government agency or regulatory body having or claiming authority to regulate or oversee any aspects of Trustee's business or that of its affiliates, (C) pursuant to any subpoena, civil investigative demand or similar demand or request of any court, regulatory authority, arbitrator or arbitration to which Trustee or any affiliate or an officer, director, employee or shareholder thereof is a party or (D) to any affiliate, independent or internal auditor, agent, employee or attorney of Trustee having a need to know the same, provided that Trustee advises such recipient of the confidential nature of the information being disclosed, or (iii) any other disclosure authorized by the City, the Indenture and the Loan Agreement.

12. Consideration of Criminal History in Hiring and Employment Decisions. The Obligated Party agrees to comply fully with and be bound by all of the provisions of Chapter 12T, “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (“Chapter 12T”), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Indenture. The text of Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. A partial listing of some of the Obligated Party’s obligations under Chapter 12T is set forth in this Section. The Obligated Party is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Indenture shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to the Obligated Party’s operations to the extent those operations are in furtherance of the performance of this Indenture, shall apply only to applicants and employees who would be or are performing work in furtherance of this Indenture, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco which excludes City property. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

13. Reserved.

14. Submitting False Claims; Monetary Penalties. The full text of San Francisco Administrative Code §§ 21.35, including the enforcement and penalty provisions, is incorporated into the Indenture. Under San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

15. Conflict of Interest. By entering into the Indenture, the Obligated Party certifies that it does not know of any fact which constitutes a violation of Section 15.103 of the City’s Charter; Article III, Chapter 2 of City’s Campaign and Governmental Conduct Code; Title 9, Chapter 7 of the California Government Code (Section 87100 *et seq.*), or Title 1, Division 4, Chapter 1, Article 4 of the California Government Code (Section 1090 *et seq.*), and further agrees promptly to notify the City if it becomes aware of any such fact during the term of this Indenture.

18. Consideration of Salary History. The Obligated Party shall comply with San Francisco Administrative Code Chapter 12K, the Consideration of Salary History Ordinance or "Pay Parity Act." The Obligated Party is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on the Indenture or in furtherance of the Indenture, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. WHEREAS, HV Partners 3, LP, a California limited partnership (the “Borrower”), previously requested that the Governmental Lender enter into a Funding Loan Agreement dated as of [May] 1, 2023 (the “Construction Funding Loan Agreement”), among Bank of America, N.A., a national banking association (the “Initial Funding Lender”), the Governmental Lender and the Fiscal Agent, under which the Initial Funding Lender (a) advanced funds (the “Funding Loan”) to or for the account of the Governmental Lender, and (b) applied the proceeds of the Funding Loan to make a loan (the “Project Loan”) to the Borrower to finance the acquisition, construction, rehabilitation and development of a multifamily rental housing development located in the City known as “Hunters View Phase 3 – Vertical” (the “Project”); and

(b) All right, title and interest of the Governmental Lender in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Funding Loan Documents;

The Security so pledged and then or thereafter received by the Fiscal Agent or the Funding Lender shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof. The Funding Lender shall have, in connection with the security interest granted hereunder, all rights and remedies available to a secured party under the Uniform Commercial Code as enacted in the State.

In the event that the amounts on deposit in the Expense Fund are not equal to the amounts payable from the Expense Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Fiscal Agent shall give notice to the Borrower of such deficiency and of the amount of such deficiency and request payment within five Business Days to the Fiscal Agent of the amount of such deficiency.

Written notice of any insufficiency, which results in the Governmental Lender not receiving the Ongoing Governmental Lender Fee on the applicable due date, shall be provided by the Fiscal Agent to the Governmental Lender (with a copy to the Borrower and the Funding Lender) within 10 days of the respective due date.

Upon payment by the Borrower of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

ARTICLE VIII

REPRESENTATIONS AND COVENANTS

Section 8.1. General Representations. The Governmental Lender makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Governmental Lender is a municipal corporation organized and existing under the laws of the State of California, has the power and authority to (i) enter into the Funding Loan Documents to which it is a party and the transactions contemplated thereby, (ii) incur the limited obligation represented by the Governmental Lender Note and the Funding Loan and apply the proceeds of such obligation or loan to finance the Project and (iii) carry out its other obligations under this Funding Loan Agreement and the Governmental Lender Note, and by proper action has duly authorized the Governmental Lender's execution and delivery of, and its performance under, such Funding Loan Documents and all other agreements and instruments relating thereto.

(b) The Governmental Lender is not in default under or in violation of, and the execution and delivery of the Funding Loan Documents to which it is a party and its compliance with the terms and conditions thereof will not conflict or constitute a default under or a violation of (i) the Act, (ii) to its knowledge, any other existing laws, rules, regulations, judgments, decrees and orders applicable to it, or (iii) to its knowledge, the provisions of any agreements and instruments to which the Governmental Lender is a party, a default under or violation of which would prevent it from entering into the Funding Loan Agreement, executing and delivering the Governmental Lender Note, financing the Project, executing and delivering the other Funding Loan Documents to which it is a party or consummating the transactions contemplated thereby, and, to its knowledge, no event has occurred and is continuing under the provisions of any such agreement or instrument or otherwise that with the lapse of time or the giving of notice, or both, would constitute such a default or violation (it being understood, however, that the Governmental Lender is

making no representations as to the necessity of registering the Governmental Lender Note or the Project Note pursuant to any securities laws or complying with any other requirements of securities laws). For purposes of this Section 8.1(b), “to its knowledge” means the current, actual knowledge of any Authorized Governmental Lender Representative.

(c) To its knowledge, no litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending or, to the knowledge of the Governmental Lender, threatened against the Governmental Lender with respect to (i) the organization and existence of the Governmental Lender, (ii) its authority to execute or deliver the Funding Loan Documents to which it is a party, (iii) the validity or enforceability of any such Funding Loan Documents or the transactions contemplated thereby, (iv) the title of any officer of the Governmental Lender who executed such Funding Loan Documents or (v) any authority or proceedings relating to the execution and delivery of such Funding Loan Documents on behalf of the Governmental Lender, and no such authority or proceedings have been repealed, revoked, rescinded or amended but are in full force and effect.

The Governmental Lender elected to apply the alternative option under clause (2) of the first paragraph of Section 3.01 of IRS Notice 2011-63 with respect to the issue date of the Governmental Lender Note; and, in connection therewith, previously directed Tax Counsel to include the information on Form 8038 filed for the Governmental Lender Note that is required by Section 3.03 of said Notice.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR THE PROJECT LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2. No Encumbrance on Security. The Governmental Lender will not knowingly create or knowingly permit the creation of any mortgage, pledge, lien, charge or encumbrance of any kind on the Security or any part thereof prior to or on a parity with the lien of this Funding Loan Agreement, except as expressly permitted or contemplated by the Funding Loan Documents.

Section 8.3. Repayment of Funding Loan. Subject to the provisions of Articles III and V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, the Funding Loan, as evidenced by the Governmental Lender Note, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Note and this Funding Loan Agreement, to the extent of repayments and prepayments received by the Governmental Lender with respect to the Project Loan.

Section 8.4. Servicer. The Funding Lender may appoint a Servicer to service and administer the Funding Loan and/or the Project Loan on behalf of the Funding Lender and the Fiscal Agent, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to the Funding Lender pursuant to Section 2.1 of the Project Loan Agreement.

Section 8.5. Project Loan Agreement Performance.

(a) The Funding Lender, the Fiscal Agent and the Servicer, if any, on behalf of the Governmental Lender, may (but shall not be required or obligated to) perform and observe any such agreement or covenant of the Governmental Lender under the Project Loan Agreement, all to the end that the Governmental Lender's rights under the Project Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify, or cause to be notified, the Borrower, the Fiscal Agent, the Servicer, if any, and the Funding Lender in writing of the occurrence of any Project Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has knowledge of such event.

Section 8.6. Maintenance of Records; Inspection of Records.

(a) The Fiscal Agent shall keep and maintain records pertaining to any funds and accounts established hereunder by the Fiscal Agent, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Governmental Lender Note and interests therein. The Fiscal Agent shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Funding Loan, subject to the inspection of the Funding Lender and the Governmental Lender and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender and the Funding Lender will at any and all times, upon the reasonable request of the Servicer, if any, the Borrower, the Fiscal Agent, the Governmental Lender or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender or the Funding Lender, as appropriate, relating to the Project and the Funding Loan, if any, and to make copies thereof.

Section 8.7. Tax Covenants. The Governmental Lender covenants to and for the benefit of the Fiscal Agent and the Funding Lender that, notwithstanding any other provisions of this

Funding Loan Agreement or of any other instrument, it will (subject to the limited liability provisions hereof):

(a) Enforce or cause to be enforced all obligations of the Borrower under the Regulatory Agreement in accordance with its terms and seek to cause the Borrower to correct any violation of the Regulatory Agreement within a reasonable period after any such violation is first discovered by the Governmental Lender, to the extent necessary in order to assure that interest paid by the Governmental Lender on the Tax-Exempt Governmental Lender Note will be excluded from the gross income of the holders of the Tax-Exempt Governmental Lender Note, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any holder of the Tax-Exempt Governmental Lender Note or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(b) Solely in reliance upon the covenants and representations of the Borrower in the Project Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, not knowingly take or cause to be taken any action or actions, or knowingly fail to take any action or actions, which would cause the interest payable on the Tax-Exempt Governmental Lender Note to be includable in gross income of the holders of the Tax-Exempt Governmental Lender Note, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any holder of the Tax-Exempt Governmental Lender Note or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(c) Whenever and so often as requested by the Funding Lender (at the sole cost and expense of the Borrower), do and perform all acts and things permitted by law and necessary in order to assure that interest paid by the Governmental Lender on the Tax-Exempt Governmental Lender Note will be excluded from the gross income of the holders of the Tax-Exempt Governmental Lender Note, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any holder of the Tax-Exempt Governmental Lender Note or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(d) Solely in reliance upon the covenants and representations of the Borrower in the Project Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, not knowingly take any action, or knowingly permit or suffer any action to be taken, if the result of the same would be to cause the Governmental Lender Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations; and

(e) Require the Borrower to agree, solely by causing the Borrower to execute and deliver the Project Loan Agreement, not to commit any act and not to make any use of the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note, or any other moneys which may be deemed to be proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note pursuant to the Code, which would cause the Tax-Exempt Governmental Lender Note to

be an “arbitrage bond” within the meaning of Sections 103(b) and 148 of the Code, and to comply with the requirements of the Code throughout the term of the Tax-Exempt Governmental Lender Note; and

(f) Require the Borrower, solely by causing the Borrower to execute and deliver the Project Loan Agreement, to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code.

In furtherance of the covenants in this Section 8.7, the Governmental Lender and the Borrower executed, delivered and will comply with the provisions of the Tax Certificate and Section ___ (Tax Covenants) in the Regulatory Agreement, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. In the event of any conflict between this Section 8.7 and the requirements of the Tax Certificate, the Tax Certificate shall control.

For purposes of this Section 8.7 the Governmental Lender’s compliance shall be based solely on matters within the Governmental Lender’s knowledge and control and no acts, omissions or directions of the Borrower, the Fiscal Agent, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.8. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may perform any such agreement or covenant if no Project Loan Agreement Default or Potential Default under the Project Loan Agreement exists.

Section 8.9. Maintenance of Records. The Funding Lender shall keep and maintain adequate records pertaining to funds and accounts relative to the Project Loan established with the Funding Lender, if any, including all deposits to and disbursements from said funds and accounts and will provide information and records relating thereto to the Fiscal Agent or the Governmental Lender upon request.

Section 8.10. Immunities and Limitations of Responsibility of Governmental Lender.

(a) The Governmental Lender shall be entitled to the advice of counsel, and the Governmental Lender shall be wholly protected as to action taken or omitted in reliance on such advice. The Governmental Lender may rely conclusively on any written notice or other document furnished to it hereunder or under the Project Loan Agreement and reasonably believed by it to be genuine. The Governmental Lender shall in no event be liable for the application or misapplication of funds or for other acts or defaults by any person, except its own officers and employees. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof (excluding the payment of any principal, interest or Prepayment Premium on the Governmental Lender Note to the extent the Borrower has properly paid such amounts to the Governmental Lender). The Governmental Lender shall not be required to take any remedial action (other than the giving of notice) hereunder

or under any of the other Funding Loan Documents unless indemnity in a form acceptable to the Governmental Lender is furnished for any expense or liability to be incurred in connection with such remedial action. The Governmental Lender shall be entitled to reimbursement from the Borrower for its expenses reasonably incurred or advances reasonably made, with interest at the maximum rate of interest permitted under applicable law, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No permissive right or power to act which the Governmental Lender may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power.

(b) A default by the Borrower in any of its covenants, representations and agreements in the Project Loan Agreement, Regulatory Agreement or Tax Certificate on which the Governmental Lender is relying in the various sections of this Article VIII shall not be considered a default hereunder by the Governmental Lender.

(c) The Borrower has indemnified the Governmental Lender against certain acts and events as set forth in the Project Loan Agreement and Section [] of the Regulatory Agreement. Such indemnities shall survive payment of the Funding Loans and discharge of this Funding Loan Agreement.

ARTICLE IX

DEFAULT; REMEDIES

Section 9.1. Events of Default. Any one or more of the following shall constitute an event of default (an “Event of Default”) under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) A default in the payment of any interest upon the Governmental Lender Note when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Note when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 12.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe

or perform within the 30-day cure period and the subject matter of the default is not capable of cure within said 30-day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender's satisfaction, with the Funding Lender's Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payment; or

(e) Any other "Default" or "Event of Default" under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2. Acceleration of Maturity; Rescission and Annulment; Discharge of Funding Loan.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender or the Fiscal Agent at the direction of the Funding Lender may declare the outstanding principal of the Funding Loan and the Governmental Lender Note and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Note shall (subject to Section 9.15 hereof) become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender and the Fiscal Agent rescind and annul such declaration and its consequences if:

(i) There has been deposited with the Funding Lender a sum sufficient to pay (A) all overdue installments of interest on the Funding Loan, (B) the principal of and Prepayment Premium on the Funding Loan that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Funding Loan, (C) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Funding Loan, and (D) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (A) and (C) above); and

(ii) All Events of Default, other than the nonpayment of the principal of the Funding Loan which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) At any time following the third anniversary of the occurrence of an Event of Default and acceleration of the Funding Loan, the Governmental Lender may elect to pay the Funding Loan and the Governmental Lender Note by transferring and assigning the Security to the Funding Lender, and upon such transfer the Funding Lender shall have no further rights against the Governmental Lender hereunder and such payment shall constitute payment in full of the Funding Loan and the Governmental Lender Note.

The Funding Lender hereby agrees that upon such transfer and assignment the Funding Lender shall no longer look to the Governmental Lender to receive payment of the principal and interest and all other sums, if any, which are due under the Governmental Lender Note, but shall look solely to the Security, the rights under the Security to enforce the indebtedness and other obligations of the Borrower and the other parties, and the funds and other assets transferred to the Funding Lender hereunder.

(d) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that neither the Fiscal Agent nor the Funding Lender shall pursue any remedies against the Borrower or the Project if no Project Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Project Loan Agreement Default.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, may, subject to the provisions of Section 9.2(c) hereof, this Section 9.3, Section 9.9 hereof and Section 9.15 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender or the Fiscal Agent is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender or the Fiscal Agent hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. The Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Project Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Fiscal Agent as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Project Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents, or the Project Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in its sole discretion, or the Fiscal Agent at the direction of the Funding Lender, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Project Loan Agreement, the Project Note or any other Project Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax exempt status of the interest on the Tax-Exempt Governmental Lender Note, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights.

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower, the Fiscal Agent and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default (with a copy of such Written Notice provided to the Equity Investor), the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

(e) If the Borrower defaults in the performance of its obligations under the Project Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Project Loan Agreement for fees, expenses or indemnification, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

(f) Equity Investor to have the right to cure within any applicable cure period any default of the Borrower as described in Sections 9.3(d) and (e) above, and the Funding Lender shall accept any such cure as if performed by Borrower.

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender or the Fiscal Agent at the direction of the Funding Lender:

(a) First, to the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Rebate Analyst;

(b) Second, to the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Note, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Funding Loan; provided, however, that partial interests in any portion of the Funding Loan shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion or the Fiscal Agent at the direction of the Funding Lender;

(c) Third, to the payment of the amounts required to reimburse the Governmental Lender and the Funding Lender for any legal or other out-of-pocket costs incurred by them in connection with exercising their remedies hereunder; and

(d) Fourth, the payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(e) If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Note may be prosecuted and enforced by the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, without the possession of the Governmental Lender Note or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender or the

Fiscal Agent, then and in every such case the Governmental Lender and the Funding Lender or the Fiscal Agent shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender and the Fiscal Agent shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender or the Fiscal Agent is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender or the Fiscal Agent to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender or the Fiscal Agent may be exercised from time to time, and as often as may be deemed expedient, by the Funding Lender or the Fiscal Agent at the direction of the Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, the Funding Lender or the Fiscal Agent at the direction of the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Project Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Project Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Project Loan Agreement or Project Note. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Project Loan Agreement or the Project Note, whether or not the Governmental Lender Note have been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisal and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent

or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits To Protect the Security. The Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. From and after the Conversion Date, in the event that the Funding Lender or any assignee or designee of the Funding Lender shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall have the right, to be exercised in its sole discretion, to succeed to the rights and the obligations of the Borrower under the Project Loan Agreement, the Project Note, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such an assumption, if elected, would be effective from and after the effective date of such acquisition and would be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

Section 9.15. Limited Liability of Governmental Lender. Notwithstanding anything herein or in any other instrument to the contrary, the liability of the Governmental Lender for the payment of the principal of and interest on the Funding Loan, whether upon maturity or acceleration of maturity, or for the payment of any other amounts due with respect thereto shall be

strictly limited as provided in Article V hereof. Without limiting the generality of the foregoing, the obligations of the Governmental Lender to make any payments on the Governmental Lender Note shall be solely from the Pledged Revenues and other moneys and Security and from no other source. Furthermore, upon written notice by the Governmental Lender to the Funding Lender, the Funding Lender shall assume all responsibilities for enforcement of remedies under the Project Loan Documents, and the sole responsibility of the Governmental Lender shall be to reasonably cooperate with the Funding Lender in the Funding Lender's enforcement efforts, but at no material cost or risk to the Governmental Lender.

ARTICLE X

AMENDMENT; AMENDMENT OF PROJECT LOAN AGREEMENT AND OTHER DOCUMENTS

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Note may be amended or waived only by an instrument signed by the Funding Lender, the Fiscal Agent and the Governmental Lender; provided, however, no such amendment which materially adversely affects the rights, duties, or obligations of the Borrower shall be made without the consent of the Borrower and, provided further, that if the Borrower is in default under any Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender, the Fiscal Agent or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender, the Governmental Lender, and the Fiscal Agent.

Section 10.2. Amendments Require Funding Lender Consent. Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change or modification of the Project Loan Agreement or any other Project Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender or the Fiscal Agent at the direction of the Funding Lender.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (a) the Funding Lender shall have approved the same in writing in its sole discretion and (b) to the extent requested by the Funding Lender or the Governmental Lender, the Funding Lender, the Governmental Lender, and the Fiscal Agent shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and/or an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

ARTICLE XI

THE FISCAL AGENT

Section 11.1. Appointment of Fiscal Agent; Acceptance. The Governmental Lender hereby appoints U.S. Bank Trust Company, National Association as Fiscal Agent hereunder. The Fiscal Agent shall signify its acceptance of the duties and obligations imposed upon it by this Funding Loan Agreement by executing this Funding Loan Agreement.

Section 11.2. Certain Duties and Responsibilities of Fiscal Agent.

(a) The Fiscal Agent undertakes to perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and no implied covenants or obligations shall be read into this Funding Loan Agreement against the Fiscal Agent.

(b) No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) This subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Fiscal Agent shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Fiscal Agent was negligent in ascertaining the pertinent facts;

(iii) The Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Funding Lender relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any duty or power conferred upon the Fiscal Agent under this Funding Loan Agreement; and

(iv) No provision of this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

Subject to its rights to indemnification pursuant to Section 11.4 hereof, the Fiscal Agent is directed to enter into any Project Loan Documents to which it is a party and any other related documents, solely in its capacity as Fiscal Agent.

(c) Whether or not therein expressly so provided, every provision of this Funding Loan Agreement and the other Funding Loan Documents relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section.

(d) The Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions

furnished to the Fiscal Agent and conforming to the requirements of this Funding Loan Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Funding Loan Agreement.

(e) The permissive rights of the Fiscal Agent to do things enumerated in this Funding Loan Agreement shall not be construed as a duty.

(f) The rights of the Fiscal Agent and limitations of liability enumerated herein and in Section 11.4 shall extend to actions taken or omitted in its role as assignee of the Governmental Lender under the Project Loan Agreement and the other Funding Loan Documents.

Section 11.3. Notice of Defaults. Upon the occurrence of any default hereunder or under any Project Loan Document, and provided that a Responsible Officer of the Fiscal Agent has actual knowledge of or has received Written Notice of the existence of such default, promptly, and in any event within 15 days, the Fiscal Agent shall transmit to the Governmental Lender, the Borrower, the Equity Investor, the Servicer, if any, and the Funding Lender, in the manner and at the addresses for notices set forth in Section 12.1 hereof, notice of such default hereunder known to the Fiscal Agent pursuant to Section 11.4(g) hereof, unless such default shall have been cured or waived.

Section 11.4. Certain Rights of Fiscal Agent. Except as otherwise provided in Section 11.1 hereof:

(a) The Fiscal Agent may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) Any request or direction of the Governmental Lender mentioned herein shall be sufficiently evidenced by a certificate or order executed by an Authorized Governmental Lender Representative;

(c) Whenever in the administration of this Funding Loan Agreement or any Project Loan Document the Fiscal Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Fiscal Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Written Certificate of the Governmental Lender, the Funding Lender, the Servicer or the Borrower, as appropriate;

(d) The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Funding Loan Agreement or any Project Loan Document at the request or direction of the Funding Lender, pursuant to this Funding Loan Agreement, unless the Funding Lender shall have offered to the Fiscal Agent in writing security or indemnity reasonably satisfactory to the Fiscal Agent against the costs, expenses and

liabilities which might be incurred by it in compliance with such request or direction, except costs, expenses and liabilities which are adjudicated to have resulted from its own negligence or willful misconduct, provided, that nothing contained in this subparagraph (d) shall be construed to require such security or indemnity for the performance by the Fiscal Agent of its obligations under Article VIII hereof;

(e) The Fiscal Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document but the Fiscal Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Fiscal Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books and records of the Governmental Lender, if any, and of the Borrower, in either case personally or by agent or attorney after reasonable notice and during normal business hours;

(f) The Fiscal Agent may execute any of the duties or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and pay reasonable compensation thereto and the Fiscal Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The Fiscal Agent may act upon the advice of counsel of its choice concerning all matters hereof and the Fiscal Agent shall not be responsible for any loss or damage resulting from any action or inaction taken in good faith reliance upon said advice; and

(g) The Fiscal Agent shall not be required to take notice or be deemed to have notice of any default hereunder or under any Project Loan Document except for failure by the Borrower to make payments of principal, interest, premium, if any, or Governmental Lender Fee when due, unless a Responsible Officer of the Fiscal Agent shall be specifically notified by a Written Direction of such default by the Governmental Lender, the Servicer or the Funding Lender, and all notices or other instruments required by this Funding Loan Agreement or under any Project Loan Document to be delivered to the Fiscal Agent, must, in order to be effective, be delivered in writing to a Responsible Officer of the Fiscal Agent at the Office of the Fiscal Agent, and in the absence of such Written Notice so delivered the Fiscal Agent may conclusively assume there is no default as aforesaid.

(h) The Fiscal Agent will not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, acts of God or of the public enemy or terrorists, acts of a government, acts of the other parties, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to any project financed with the proceeds of the Governmental Lender Note, malicious mischief, condemnation, and unusually severe weather or any similar event and/or occurrences beyond the control of the Fiscal Agent.

Section 11.5. Not Responsible for Recitals. The recitals contained herein and in the Governmental Lender Note shall be taken as the statements of the Governmental Lender, and the Fiscal Agent assumes no responsibility for their correctness. The Fiscal Agent makes no representations as to the value or condition of the Pledged Revenues, the Security or any part thereof, or as to the title of the Governmental Lender thereto or as to the security afforded thereby or hereby, or as to the validity or sufficiency of this Funding Loan Agreement or of the Funding Loan.

The Fiscal Agent shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the funding of the Funding Loan.

The Fiscal Agent shall not be required to monitor the financial condition of the Borrower or the physical condition of the Project. Unless otherwise expressly provided, the Fiscal Agent shall be under no obligation to analyze, review or make any credit decisions with respect to any financial statements, reports, notices, certificates or documents received hereunder but shall hold such financial statements reports, notices, certificates and documents solely for the benefit of, and review by, the Funding Lender and such other parties to whom the Fiscal Agent may provide such information pursuant to this Funding Loan Agreement.

The Fiscal Agent makes no representations as to and shall have no responsibility for the sufficiency of the insurance required under any of the Project Loan Documents.

Section 11.6. May Hold Funding Loan and the Governmental Lender Note. The Fiscal Agent in its individual or any other capacity may become the owner or pledgee of the Funding Loan and the Governmental Lender Note and may otherwise deal with the Governmental Lender, the Funding Lender and the Borrower with the same rights it would have if it were not Fiscal Agent.

Section 11.7. Moneys Held by the Fiscal Agent. Moneys held by the Fiscal Agent hereunder need not be segregated from other funds except to the extent required by law. The Fiscal Agent shall be under no liability for interest on any moneys received by it hereunder except as otherwise provided herein.

Section 11.8. Compensation and Reimbursement. Under the Project Loan Agreement, the Borrower has agreed to, except as otherwise expressly provided herein, reimburse the Fiscal Agent as provided in this Funding Loan Agreement or the Project Loan Agreement, upon its request for all reasonable expenses, disbursements and advances incurred or made by the Fiscal Agent in accordance with any provision of this Funding Loan Agreement (including the reasonable fees, expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Fiscal Agent's negligence or willful misconduct.

When the Fiscal Agent incurs expenses or renders service in connection with any bankruptcy or insolvency proceeding, such expenses (including the reasonable fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally.

(a) The Governmental Lender has no obligation to pay the Fiscal Agent for services rendered.

(b) As security for the performance of the obligations of the Borrower under this Section and for the payment of such compensation, expenses, reimbursements and indemnity, the Fiscal Agent shall have the right to use and apply any moneys held by it as Pledged Revenues.

(c) The Fiscal Agent's rights to compensation and reimbursement for services rendered prior to its resignation or removal shall survive its resignation or removal, the payment of the Funding Loan or the Project Loan or the release of this Funding Loan Agreement.

Section 11.9. Fiscal Agent Required; Eligibility. Any successor Fiscal Agent shall at all times be a trust company, a state banking corporation or a national banking association with the authority to accept trusts in the State approved in writing by the Governmental Lender and either (a) have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, (b) be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, having a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, have at least \$500,000,000 of trust assets under management and have a combined capital and surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition, or (c) be otherwise acceptable to the Funding Lender and the Governmental Lender in their sole and absolute discretion.

Section 11.10. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Fiscal Agent hereunder and no appointment of a successor Fiscal Agent pursuant to this Article shall become effective until the written acceptance by the successor Fiscal Agent of such appointment.

(b) The Fiscal Agent may resign at any time by giving 60 days' Written Notice thereof to the Governmental Lender, the Borrower, the Servicer, if any, and the Funding Lender. If an instrument of acceptance by a successor Fiscal Agent shall not have been delivered to the Fiscal Agent within 30 days after the giving of such notice of resignation, the resigning Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(c) The Fiscal Agent may be removed at any time with 30 days' notice by (i) the Governmental Lender, with the Written Consent of the Funding Lender (which consent of the Funding Lender shall not be unreasonably withheld), (ii) the Borrower (unless the Borrower is in default under any of the Project Loan Documents), subject to applicable notice and cure periods, with the Written Consent of the Funding Lender and the Governmental Lender, or (iii) the Funding Lender with the Written Consent of the Governmental Lender and Written Notice delivered to the Fiscal Agent and the Borrower.

(d) If the Fiscal Agent shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the Office of the Fiscal Agent for any cause, the Governmental

Lender shall promptly appoint a successor Fiscal Agent, with the consent of the Funding Lender. In case all or substantially all of the Pledged Revenues and Security shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee may similarly appoint a successor to fill such vacancy until a new Fiscal Agent shall be so appointed by the Governmental Lender. If, within 60 days after the later of such resignation, removal or incapability or the occurrence of such vacancy and receipt of written notice of such by the Governmental Lender, the Governmental Lender has failed to so appoint a successor Fiscal Agent, then a successor Fiscal Agent shall be appointed by the Funding Lender (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent or trustee) with Written Notice thereof delivered to the Governmental Lender, the Borrower, the Servicer, if any, and the retiring Fiscal Agent, and the successor Fiscal Agent so appointed shall, forthwith upon its acceptance of such appointment, become the successor Fiscal Agent and supersede the successor Fiscal Agent appointed by such receiver or Fiscal Agent. If no successor Fiscal Agent shall have been appointed by the Governmental Lender or the Funding Lender and accepted appointment in the manner hereinafter provided, the Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(e) The retiring Fiscal Agent shall cause Written Notice of each resignation and each removal of the Fiscal Agent and each appointment of a successor Fiscal Agent to be provided to the Funding Lender. Each notice shall include the name of the successor Fiscal Agent and the address of the office of the successor Fiscal Agent.

Section 11.11. Acceptance of Appointment by Successor.

(a) Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to the Governmental Lender and to the retiring Fiscal Agent an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Fiscal Agent shall become effective and such successor Fiscal Agent, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers, and duties of the retiring Fiscal Agent; notwithstanding the foregoing, on request of the Governmental Lender or the successor Fiscal Agent, such retiring Fiscal Agent shall, upon payment of its charges, execute and deliver an instrument conveying and transferring to such successor Fiscal Agent all the estates, properties, rights, powers and duties of the retiring Fiscal Agent, and shall duly assign, transfer and deliver to such successor Fiscal Agent all property and money held by such retiring Fiscal Agent hereunder. Upon request of any such successor Fiscal Agent, the Governmental Lender shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Fiscal Agent all such estates, properties, rights and powers.

(b) No successor Fiscal Agent shall accept its appointment unless at the time of such acceptance such successor Fiscal Agent shall be qualified and eligible under this Article, to the extent operative.

Section 11.12. Merger, Conversion, Consolidation or Succession to Business. Any entity into which the Fiscal Agent may be merged or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Fiscal Agent shall be a

party, or any entity succeeding to all or substantially all of the corporate trust business of the Fiscal Agent, shall be the successor of the Fiscal Agent hereunder, provided such entity shall be otherwise qualified and eligible under this Article, to the extent operative, without the execution or filing of any paper or any further act on the part of any of the parties hereto. Notwithstanding the foregoing, any such successor Fiscal Agent shall cause Written Notice of such succession to be delivered to the Governmental Lender and the Funding Lender within 30 days of such succession.

Section 11.13. Appointment of Co-Fiscal Agent. It is recognized that in case of litigation under this Funding Loan Agreement, the Project Loan Agreement, any other Project Loan Document or the Regulatory Agreement, and in particular in case of the enforcement of any of them on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Fiscal Agent or hold title to the properties, as herein provided, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent appoint an additional individual or institution as a separate or co-fiscal agent. The following provisions of this Section are adopted to these ends.

The Fiscal Agent is hereby authorized to appoint an additional individual or institution as a separate or co-fiscal agent hereunder, upon Written Notice to the Governmental Lender, the Funding Lender and the Borrower, and with the consent of the Governmental Lender and the Funding Lender, but without the necessity of further authorization or consent, in which event each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement, any Project Loan Document, the Regulatory Agreement or the Project Loan Agreement to be exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be exercisable by and vest in such separate or co-fiscal agent but only to the extent necessary to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-fiscal agent shall run to and be enforceable by either of them.

Should any instrument in writing from the Governmental Lender be required by the separate fiscal agent or co-fiscal agent appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to it such properties, rights, powers, duties and obligations, any and all such instruments in writing shall, on request of the Fiscal Agent, be executed, acknowledged and delivered by the Governmental Lender. In case any separate fiscal agent or co-Fiscal Agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, duties and obligations of such separate fiscal agent or co-fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a successor to such separate fiscal agent or co-fiscal agent.

Section 11.14. Loan Servicing. The Governmental Lender and the Fiscal Agent acknowledge that the Funding Lender shall have the right to appoint a Servicer to service and administer the Funding Loan and the Project Loan as set forth in a Servicing Agreement. The Governmental Lender and the Fiscal Agent shall not be responsible for monitoring the performance of any Servicer or for any acts or omissions of such Servicer. The Funding Lender may, in its sole discretion, terminate or replace the Servicer.

Section 11.15. No Recourse With Respect to Governmental Lender. Notwithstanding anything to the contrary herein or to the contrary in any Funding Loan Document, no recourse under or upon any obligation, covenant or agreement contained in this Funding Loan Agreement or in the Governmental Lender Note shall be had against any member, officer, commissioner, director or employee (past, present or future) of the Governmental Lender, either directly or through the Governmental Lender or its governing body or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, or otherwise, of any sum that may be due and unpaid by the Governmental Lender or its governing body upon the Governmental Lender Note. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of any such member, officer, commissioner, director or employee, as such, to respond by reason of any act of omission on his/her part or otherwise, for the payment for or to the Funding Lender or otherwise of any sum that may remain due and unpaid with respect to the Funding Loans hereby secured is, by the acceptance hereof, expressly waived and released as a condition of and in consideration for the execution of this Funding Loan Agreement and the delivery of the Governmental Lender Note. The Funding Lender's remedies in the event of a default under the Funding Loans shall be limited to those remedies set forth herein and, if an Event of Default also exists under the Project Loan Agreement or the Project Note, to commence foreclosure under the Security Instrument and the other Project Loan Documents and to exercise of the power of sale or other rights granted thereunder. In the event of a default hereunder or under the Governmental Lender Note, the Funding Lender shall not have the right to proceed directly against the Governmental Lender or the right to obtain a deficiency judgment from the Governmental Lender after foreclosure. Nothing contained in the foregoing shall limit any rights or remedies the Governmental Lender, the Funding Lender or the Servicer may have against the Borrower.

FOR VALUE RECEIVED, the undersigned City and County of San Francisco (“Obligor”) promises to pay to the order of CITIBANK, N.A. (together with its successors and assigns, “Holder”) solely from the amounts pledged therefore under the below-defined Funding Loan Agreement, the maximum principal sum of _____ MILLION _____ HUNDRED _____ THOUSAND DOLLARS (\$ _____) on _____ 1, 20__, or earlier as provided herein, together with interest thereon at the rates, at the times and in the amounts provided below.

Obligor shall pay to the Holder on or before each date on which payment is due under that certain Funding Loan Agreement, dated as of _____ 1, 20__ (the “Funding Loan Agreement”), among Obligor, U.S. Bank Trust Company, National Association, as fiscal agent (the “Fiscal Agent”) and Holder, an amount in immediately available funds sufficient to pay the principal amount of the Funding Loan then due and payable, whether by maturity, acceleration, prepayment or otherwise. In the event that amounts are derived from proceeds of the Project Loan, condemnation awards or insurance proceeds or investment earnings thereon are applied to the payment of principal due on this Governmental Lender Note in accordance with the Funding Loan Agreement, the principal amount due hereunder shall be reduced to the extent of the principal amount of the Funding Loan so paid.

Obligor shall pay to the Holder on or before each date on which interest on the Funding Loan is payable interest on the unpaid balance hereof in an amount in immediately available funds sufficient to pay the interest on this Governmental Lender Note then due and payable in the amounts and at the rate or rates set forth in the Funding Loan Agreement.

The Funding Loan and this Governmental Lender Note are pass-through obligations relating to a permanent loan (the “Project Loan”) made by Obligor from proceeds of the Funding

Loan to HV Partners 3, LP, a California limited partnership, as borrower (the “Borrower”), under that certain Project Loan Agreement, dated as of _____ 1, 20__ (as the same may be modified, amended or supplemented from time to time, the “Project Loan Agreement”), between the Obligor and the Borrower. The Project Loan is evidenced by the Project Note (as defined in the Project Loan Agreement). Reference is made to the Project Loan Agreement and to the Project Note for complete payment and prepayment terms of the Project Note, payments on which are passed-through under this Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned under the Funding Loan Agreement. None of the Obligor, the State, or any political subdivision thereof (except the Obligor, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on this Governmental Lender Note or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and neither this Governmental Lender Note or any of the Obligor’s agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever. Neither the faith and credit nor the taxing power of the Obligor is pledged to the payment of the principal of or premium or interest on this Governmental Lender Note.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Project Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or pursuant to the Funding Loan Agreement at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity.

If there is an Event of Default under the Funding Loan Agreement, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Subject to the limits on liability set forth herein and in the Funding Loan Agreement, and solely from the collateral pledged therefor, Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement.

This Governmental Lender Note may not be changed orally and any changes hereto must be made in writing signed by the Obligor. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

The Funding Loan, or any interest therein, and this Governmental Lender Note, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Funding Lender for such purpose and which shall be open to inspection by the Governmental Lender. The Funding Loan, or any interest therein, and this Governmental Lender Note, is only transferable subject to and in accordance with the limitations set forth in the Funding Loan Agreement.

7. Limitations on Contributions. By executing the Indenture, the Obligated Party acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The Obligated Party certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

8. Requiring Minimum Compensation for Covered Employees. If Administrative Code Chapter 12P applies to the Indenture, the Obligated Party shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. WHEREAS, the Project Sponsor has represented and the Applicant has confirmed in the Application certain facts and information concerning the Project; and

WHEREAS, in evaluating the Project and allocating a portion of the State Ceiling on Qualified Private Activity Bonds to the Applicant for the benefit of the Project, the Committee has relied upon the written facts and information represented in the Application by the Project Sponsor and the Applicant; and

WHEREAS, it is appropriate for the Committee to make a transfer of a portion of the 2022 State Ceiling on Qualified Private Activity Bonds ("Allocation") in order to benefit such Project described in the Application.

NOW, THEREFORE, the California Debt Limit Allocation Committee resolves as follows:

Section 1. There is hereby transferred to the Applicant an amount of the 2022 State Ceiling on Qualified Private Activity Bonds equal to \$65,000,000. Such Allocation may be used only by the Applicant and only for the issuance of Bonds for the Project, as specifically described in Exhibit A. All of the terms and conditions of Exhibit A are incorporated herein as though set forth in full (this resolution, together with Exhibit A are hereafter referred to collectively as this "Resolution").

Section 2. The terms and conditions of this Resolution shall be incorporated in appropriate documents relating to the Bonds. The Project Sponsor and the Applicant, and all of their respective successors and assignees, will be bound by such terms and conditions. The Applicant shall monitor the Project for compliance with the terms and conditions of this Resolution. In addition, the Project shall be subject to the monitoring provisions of the California Code of Regulations, Title 4, Section 10337(c) and Section 5220 of the Committee's Regulations.

Section 3. Any modification to the Project made prior to the issuance of the Bonds that impacts the Resolution must be reported to the Executive Director and, if the Executive Director determines such modification to be material in light of the Committee's Regulations, shall require reconsideration by the Committee before the Allocation may be used for the Project. After Bonds are issued, the terms and conditions set forth in this Resolution shall be enforceable by the Committee through an action for specific performance or any other available remedy.

Section 4. Any material changes in the structure of the bond sale prior to the issuance of the Bonds and not previously approved by the Committee shall require approval of the Committee Chair or the Executive Director.

Section 5. The transfer of proceeds from the sale of bonds to a project other than the Project subject to this Resolution is allowable only with the prior approval of the Executive Director in consultation with the Chair.

Section 6. The Applicant is authorized to use the Allocation transferred hereby to make a carryforward election with respect to the Project. The Applicant is not authorized to transfer the Allocation to any governmental unit in the State except this Committee.

Section 7. If the Allocation transferred herein to the Applicant has not issued bonds by the close of business on June 12, 2023, the Applicant shall notify the Committee and carryforward the Allocation to the next approved project to be awarded a bond allocation in accordance with Section 5133 of the Committee's Regulations. In a case of extreme hardship, the Executive Director may extend this date by up to five (5) business days.

Furthermore, the Applicant and the Project Sponsor expressly agree that the terms and conditions of this Resolution may be enforced by the Committee through an action for specific performance or any other available remedy, provided however, that the Committee agrees not to take such action or enforce any such remedy that would be materially adverse to the interests of Bondholders. In addition, the Applicant and the Project Sponsor shall ensure that the Bond documents, as appropriate, expressly provide that the Committee is a third party beneficiary of the terms and conditions set forth in this Resolution.

RE: RESOLUTION ATTESTING TO THE TRANSFER OF PRIVATE ACTIVITY BOND ALLOCATION

Dear Eric D. Shaw:

Enclosed is a copy of Resolution No. 23-119, approved by the Interim Executive Director under authority delegated by the Committee on July 20, 2022, transferring \$3,500,000.00 of the 2023 State Ceiling on Qualified Private Activity Bonds to Hunters View Phase 3 ("the Project"). This allocation is supplemental to the allocation awarded to the Project in Resolution No. 22-277, adopted on November 30, 2022. The Resolutions established the terms and conditions under which the allocation has been granted. Please read it carefully and keep a copy in your permanent files.

The following is additional information pertaining to the use of the allocation for this Project:

1. Performance Deposit: Pursuant to Section 5050 of the Committee's Regulations, a performance deposit to one-half of one percent (0.5%) of the Allocation requested, not to exceed \$100,000, made payable to the Applicant, shall be evidenced within 20 calendar days following an award of an Allocation.

The performance deposit certified in support of this project (\$17,500) is to remain on deposit until you receive authorization from the Committee that it may be released. This written release will be provided once the Committee receives: the "Report of Action Taken" template indicating that the allocation transferred was used for the Project's issuance of bonds, a copy of the conformed regulatory agreement, and the payment of the second installment of the CDLAC filing fee. A copy of the conformed regulatory agreement should be sent electronically to CDLAC@treasurer.ca.gov. The full amount of the deposit will be released upon the Executive Director's approval if at least 80% of the allocation to this project is used for the issuance of bonds. If an amount less than 80% of the allocation is used to issue bonds, a proportionate amount of the deposit will be subject to forfeiture.

2. IRS Certification: The IRS-required certification (Certificate pursuant to Section 149(e)(2)(F) Internal Revenue Code of 1986, As Amended) will be prepared by CDLAC staff and sent to the Applicant's bond counsel once the Committee receives the Report of Action Taken template from the Applicant.

Project Description
Multifamily Securities Program
City and County of San Francisco

Hunters View Phase III-Vertical

Overview

The funds described in the “Financing Structure” section below will be used to finance the development of Hunters View Phase III, a 118-unit affordable multifamily housing project located at 1151 Fairfax Avenue (address on the site permit), San Francisco, CA 94124 in the City and County of San Francisco (the “Project”). This is the fourth and final affordable project in the Hunters View redevelopment project.

Upon completion, the Project will include approximately 144,640 square feet of gross floor area, comprised of 141,290 square feet of residential area and 3,350 square feet of non-residential area. Plans for non-residential spaces include a community education space featuring a self-serve San Francisco Public Library kiosk, space for a cafe/commercial kitchen, lobbies and lounges, property management and services offices, a community room, a meeting room, bike rooms, and laundry rooms.

Total project costs, including the cost to acquire the land and construct new buildings, will be approximately \$140,695,022, or \$1,192,331 per dwelling unit.

The residential unit distribution, which will include 1 2-bedroom superintendent unit, is:

<u>Unit type</u>	<u>Number of units</u>
Studio	0
1-Bedroom	49
2-Bedroom	14
3-Bedroom	16
4-Bedroom	34
5-Bedroom	5

100% percent of the residential units will serve households earning less than 50% percent of the San Francisco County Area Median Income (AMI).

Residents

No residents will be displaced as the site is currently a vacant lot.

Site Description and Scope of Work

Address: 1151 Fairfax Avenue/201-237 West Point Road
Block/Lot: Block 14, Lot 3
Block 17, Lot 4

The scope of work for the Property amenities will include:

- Community learning hub including a self-serve San Francisco Public Library kiosk and Internet access available to all residents of the neighborhood on the ground floor of Block 14. HOPE SF residents experience disproportionately less access to library and learning facilities. The ground floor of Block 17 will include space for a future cafe and commercial kitchen , which fulfills a critical gap in a neighborhood with limited access to markets or healthy foods.

Narrative Description of Project Sponsor Experience

The development team (Ridge Point Non-Profit Housing Corp, the John Stewart Company, and Devine & Gong) have successfully completed 3 prior phases of Hunters View, completing 286 affordable apartments and re-housing 70% of the residents that lived onsite in 2012 at the establishment of the San Francisco Housing Authority’s right-to-return processing order.

Ridge Point Nonprofit Housing Corporation, is a nonprofit housing corporation founded in 1968 for the purpose of developing and operating low and moderate-income housing and community facilities for the residents of Bayview Hunters Point. Ridge Point recently completed renovations of two large multi-family housing projects in Hunters Point. Ridge Point developed Ridgeview Terrace in 1968, which is a 100-unit HUD-financed affordable housing development. In 2012, Ridge Point refinanced the property and as of late 2013 has completed renovations to prolong the useful life of the property. Also in 2002, Ridgeview acquired Jackie Robinson Apartments, which is an At-Risk HUD-financed affordable housing development. Ridgeview renovated the property and has preserved it as affordable housing. Jackie Robinson Apartments is adjacent to Hunters View. Ridge Point places special emphasis on resident and community involvement and generating training and employment opportunities in all of its development efforts. Since 1968 Ridge Point has had a presence in the Hunters Point community and is notably one of the few nonprofit development partners to buy-out its for-profit partner, helping to ensure long-term affordability of housing in the Bayview neighborhood.

The John Stewart Company (JSCo), was founded in 1978, and is a for-profit company that provides property management, construction management, financial consulting services and develops affordable communities in the Bay Area and throughout California. As a developer in San Francisco, JSCo has developed numerous residential, mixed-use and transit-oriented projects over the past 30 years using all relevant affordable housing financing sources. JSCo has built or rehabilitated over 4,000 units, serving very low-income seniors, families and individuals. JSCo brings significant HOPE VI and other public housing revitalization and management experience to Hunters View. In addition to leading the redevelopment of Phase I of Hunters View, JSCo co-developed North Beach Place in partnership with BRIDGE Housing Corporation and Em Johnson Interest (a local minority-owned development company). JSCo provides property management for multiple Housing Authority properties in California (including the Housing Authorities of Richmond, Oakland, Benicia, Los Angeles, Monterey County and Santa Clara County) and five HOPE VI/Mixed Finance sites, including North Beach Place (341 units) and Valencia Gardens (260 units) in San Francisco and Mandela Gateway (174 units), Chestnut-Linden Court (151 units), Acorn Apartments (294 units) and Tassafioranga Village (157 units) in Oakland. JSCo is the largest manager of affordable housing in California and currently oversees over 30,000 multifamily units across the state.

Devine & Gong, Inc. is a for-profit Oakland-based real estate finance and development services firm formed in 1985 which specializes in government-subsidized affordable housing. DGI has expertise in securing permanent financing and raising equity capital through low-income housing tax credits as well as all other relevant affordable housing financing services. DGI is an expert in the financing of public housing revitalizations, including HOPE VI funding, and has been a consultant to housing authorities on numerous HOPE VI and other public housing revitalization projects, including projects with housing authorities in Los Angeles; Oakland, CA, and; King County, WA. DGI has a long-term financial consulting relationship with the Seattle Housing Authority (SHA) and has been the financial consultant for three of its nationally recognized HOPE VI developments: New Holly, High Point, and Rainier Vista.
