Dear Rules committee,

I write on behalf of 6 coalitions: API Council, Black Wall Street, Latino Task Force, Mega Black, SAALT Pacific Islander, and SF Latino Parity and Equity Coalition. We are in full support of Sup Stefani's ordinance, we have met with Sup Stefani and her team to review the resolution in front of you today.

Sup Stefani is committed to continuing to work with our six coalitions and will soon submit trailing legislation that details some of the solutions needed with city monitoring and non-profit oversight.

Our groups are committed to continued work on this important topic and ask for you to support this today.

Best regards,

Lucia Obregon
