1 (a) Purpose. The Redevelopment Agency proposes to establish a Redevelopment  
2 Project in the Visitacion Valley neighborhood, based on the Visitacion Valley Survey Area  
3 designated by Resolution No. 424-05 on June 07, 2005, and the Schlage Lock Strategic  
4 Concept Plan, endorsed by Resolution No. 425-06 on June 07, 2005. The Redevelopment  
5 Plan for the area calls for conversion of the vacant Schlage Lock site into a redevelopment of  
6 the long-vacant Schlage Lock site into a true part of its larger neighborhood, as a vibrant,  
7 transit-oriented mixed use development which will be a model of sustainability. It also calls for  
8 infill development on vacant and underdeveloped properties along Bayshore Boulevard and  
9 Leland Avenue.

10 The Redevelopment Plan Area includes two zones – Zone 1 and Zone 2 as defined  
11 below. Within Zone 1, an increase of height and allowable density via form-based  
12 development controls will be required in order to achieve sufficient intensities to support a  
13 transit-oriented development, to support certain neighborhood-commercial uses such as a  
14 moderate-sized supermarket, and to achieve the community's goals for a vibrant, well-  
15 designed model of sustainability. Within both Zones 1 and 2, in order to achieve a successful  
16 program, additional design guidelines will be required. Therefore, the *Design for*  
17 *Development* was developed to provide the specific Development Controls and Design  
18 Guidelines which, in cooperation with underlying San Francisco Planning Code requirements,  
19 will regulate development within the Special Use District and guide it towards the goals  
20 described above. As provided below, projects in Zone 1 shall be reviewed by all relevant  
21 agencies according to both the Development Controls and Design Guidelines as contained  
22 within the *Design for Development*. Projects in Zone 2 shall be reviewed according to only the  
23 Design Guidelines.

24 (b) Definitions.  
25

1 "Visitacion Valley/Schlage Lock Cooperation and Delegation Agreement" shall mean  
2 the Agreement between the Planning Department and the Redevelopment Agency to  
3 establish general responsibilities that the Department and the Agency will have for review and  
4 approval of specific project development proposals within the Redevelopment Project Area.

5 "*Visitacion Valle /Schlage Lock Design for Development*" shall mean the document  
6 adopted by the Planning Commission in Resolution No. \_\_\_\_\_ and found in Clerk of the Board  
7 File No. \_\_\_\_\_ which contains two parts: Part 1: Urban Design Framework, and  
8 Part 2: Development Controls and Design Guidelines.

9 "Visitacion Valley Redevelopment Plan" shall mean the Plan adopted by the Board of  
10 Supervisors in Ordinance No. \_\_\_\_\_ on \_\_\_\_\_.

11 "Zone 1" shall have the meaning set forth in the Visitacion Valley Redevelopment Plan,  
12 and shall generally mean the Schlage Lock industrial site, located at the southern border of  
13 San Francisco where Bayshore Boulevard converges with Tunnel Avenue.

14 "Zone 2" shall have the meaning set forth in the Visitacion Valley Redevelopment Plan,  
15 and shall generally mean the segments of Bayshore Boulevard and Leland Avenue adjacent  
16 to the Schlage Lock site.

17 (c) Controls. The following controls shall apply in the Special Use District:

18 (1) Controls in Zone 1. The Redevelopment Agency, in consultation with the  
19 Planning Department as specified in the Cooperation and Delegation Agreement, may  
20 approve a project within the Visitacion Valley/Schlage Lock Special Use District if:

21 (A) the project is consistent with the goals and objectives of the Redevelopment  
22 Plan and conforms to the Land Use Controls of the Redevelopment Plan; and

23  
24  
25

1 (B) the project is in conformity with the *Visitacion Valley/Schlage Lock Design for*  
2 *Development*, including the Urban Design Framework, Development Controls and Design  
3 Guidelines contained in that document.

4 (2) Controls in Zone 2. The Planning Department, in consultation with the  
5 Redevelopment Agency as specified in the Cooperation and Delegation Agreement, may  
6 approve a project within the Visitacion Valley/Schlage Lock Special Use District if:

7 (A) the project meets the relevant requirements of the Planning Code; and

8 (B) the project meets the affordable housing policies set forth in the Redevelopment  
9 Plan; and

10 (C) the project is in general conformity with the Design Guidelines contained within  
11 the *Visitacion Valle /Schlage Lock Design for Development*.

12 (3) To the extent that the *Visitacion Valle /Schlage Lock Design for Development*  
13 does not apply or is silent, the provisions of the San Francisco Planning Code shall apply.
