San Francisco CA 94110

Owner: Nicolette Beck (415) 798-7986
Mailing Address: 2435 Bryant St San Francisco CA 94110

The above applicant applied for a new Type 64 ABC License (Special On-Sale General for Nonprofit Theater Company) on 12/10/2019. The required mailing notifications were sent to the surrounding residents within 500ft of the premise on 12/23/2019.

The theatre will be operating under the name Teatro Tin Tan. The hours of operation will be from 10:00am – 12:00am Monday through Saturday and 10:00am – 5:00pm Sunday. The applicant plans to open an arts space, comprised of a theatre with a small cafe in the front. The cafe shall function as a lobby and concessions area for the theatre, as well as a community space. The café will also serve the arts community by acting as a gathering space for art events, classes and performances. The subject space will be used to offer inclusive, affordable classes and performances for the diverse and vibrant neighborhood. The premise will have 3 main aspects: the performances, the café, and the classes.

Performances will consist of both live theatrical performances and acoustic music. Some styles and types of entertainment will be short comedic pieces, short plays, improv and music such as folk, jazz and different world music styles like salsa, mariachi, Balkan music and string bands. Anticipated instruments will include strings: guitar, upright bass and violin, wind instruments, piano and percussion. All played acoustically or with minimal amplification with normally 5 or less musicians, but occasionally a 10 piece band. There will be no outdoor amplified music involved and plan to sound-proof the space to prevent any disruption to the surrounding neighbors. Performances plan to start around 8:00pm and will end no later than 11:00pm during the week and 12:00am during Friday and Saturdays.

The Café will serve as a lobby, box office, concessions stand and community space to relax and discuss topics between shows. The intention with the café is to hire within the community and provide affordable food options while using organic, local products, perhaps even giving local chefs, bakers and food artisans a platform to highlight their creations. It will operate throughout the performance shows offering food, drinks, and tickets. Alcoholic beverages will only be offered to ticketholders of the day's performance. With the Type 64 license, alcoholic beverages can only be sold and served during a performance and two hours prior to and one hour after said performance. This limitation promotes a use that is respectful and ancillary to the primary use of the space.

Classes at the location will be offered throughout the week for children and weekends for adults. Planned classes for children will primarily be during the weekday mornings and will consist of bilingual puppet shows and music classes. Adult classes will be offered between 9:00am-5:00pm on the weekends. Some options for our music classes will be songwriting and composition and our theatre classes include mime, mask theatre and improv in both English and Spanish.

This project will be an enriching addition to the surrounding community. Overall, it will employ at least 15 residents throughout the café, class and performance areas impacting the employment opportunities for the community, which is consistent with the General Plan to enhance future opportunities for residential employment and growth.

The location is not undergoing any changes to the structure's current footprint and will improve an existing building that has had a vacant ground level commercial space for a number of years. The improvements made will enhance the quality and general welfare of the neighborhood.

The request for an incidental alcohol license will provide a desirable service to the patrons when coming to enjoy a performance. The limitation of alcohol sales in conjunction with shows ensures a use that is respectful of the community and furthers the goals of the General Plan. The issuance of the license will create a positive experience for the patrons and community. Although the ABC has determined a Public Convenience and Necessary is required for the application process, there is not a nonprofit theatre currently in the area that provides the atmosphere Teatro Tin Tan is proposing.

It is respectfully requested that the Board of Supervisors supports and finds that a Public Convenience and Necessity would be served by the issuance of the Type 64 liquor license at the subject premise.

If you have any further questions or require any additional information, please do not hesitate to contact me directly.

Thank you for your assistance.

Sincerely,

Nicolette Beck
