

DATE: October 7, 2022
TO: Angela Cavillo, Clerk of the Board
FROM: Crezia Tano, Chief Operating Officer 
SUBJECT: Resolution to Approve Amendment to Mid-Market Foundation Grant

Enclosed please find a resolution authorizing an amendment to FSP Contract 1000026131 for the Mid-Market/Tenderloin Community-Based Safety Program, which deploys an average of 225 community ambassadors to approximately 80 block faces in a contiguous area from 7am to 7pm daily. Ambassadors engage with compassion and respect to support people in need, and improve the conditions of the area.

The proposed amendment is to extend the contract duration through this fiscal year (2022-2023) with an option to extend through 2023-2024, pending performance in this fiscal year and budget availability next year. Funding totaling \$20,490,000 was approved in OEWD's budget for FY22-23 and for \$12,400,000 in FY23-24.

This grant was awarded pursuant to a solicitation for services issued by OEWD in June 2021 and Mid Market Foundation was selected as the most responsive bidder. The original grant was awarded at \$9 million after budget approval. This resolution is needed to increase the grant amount to \$20,490,000.

Enclosures:

- Mid-Market Foundation Original Grant Agreement (FSP Contract ID 1000026131)
- Mid-Market Foundation Draft Grant Amendment
- Draft BOS Resolution
- SFEC Form 126
