Victor, thanks for coordinating Monday's meeting. I'm writing to officially notify the Rules Committee and the Board President that I am officially withdrawing my name from the nomination process to the Homelessness Oversight Commission.

I'm forever grateful to the many community advocates and organizations in SoMa and the Tenderloin who asked Mayor Breed to nominate me to the Commission based on the work I've done and I look forward to continuing to partner with them and the City, in the road ahead.

Respectfully,
Vikrum

Please provide your response by replying to this email.

You will be expected to attend the hearing (in-person or remotely), speak on your qualifications, and respond to any questions from the Supervisors. Supervisors will have been provided your application, resume (if provided), and any letters of support—please expect that they have reviewed them—however, in preparing your remarks, provide a brief background (2-3 minutes) of your qualifications.

You should contact Rules Committee Supervisors (Dorsey, Walton, and Safai), if you

have not done so already, to introduce yourself. If a Supervisor is not available, ask to speak with or meet with a legislative aide. Contact information is provided below.

What to expect at Committee

1. Anticipate item(s) before yours. Barring any complications or questions, you can estimate when your hearing item should be called.
2. The Chair will call upon applicants to speak in the same order as listed on the agenda.
3. Limit concise comments to 2 minutes or less.
4. Provide a brief overview of your qualifications; speak specifically to how your experience matches the requirements of the seat(s) to which you are applying.
5. Speak to your goals, should you be appointed: why do you want to be appointed? what do you hope to accomplish?
6. (For reappointments: The Supervisors will also be interested in hearing your perspective on the work that the body has done and why you want to serve: what are your goals and plans for the future of the body? What else could the body be doing?)
7. Supervisors may ask whether or not you have previously attended meetings and whether or not you have participated in the body's work.
8. Following your presentation, Supervisors may ask additional questions, but do not always do so. If so, you will be provided additional time to respond as necessary.
9. After all applicants have spoken, speakers may testify on applicants' qualifications during public comment. This can be in addition to their letters of recommendation.

Letters of support or other documentation may also be given to me prior to the hearing, and I will distribute those to the Supervisors and include them with your application packet.

Rules Committee Supervisors will be recommending appointment(s) to the full Board of Supervisors for consideration. You may contact them directly with information provided below:
