### Re: SFMTA Parking Meter Procurement Agreement

Honorable Chair Haney and Supervisors Mar and Safai,

We at Teamsters Local 665 write this letter in support of the pending agreement to be awarded to MacKay Meters, Inc. for parking meter procurement and maintenance services. We have discussed the impact of the agreement with the SFMTA, and have reviewed the information that was sent to us as part of the Civil Service Committee evaluation process.

Under the new agreement, union members will continue to perform their current duties. In addition, SFMTA will be adding positions to support the installation and maintenance of the new meters.

During these challenging times, it is important to keep our members active and to create new positions when necessary to supporting infrastructure projects that benefit the City and the public.

We enthusiastically urge your approval of the item, and thank you for your consideration.

If you have any questions, please contact me directly at 650.255.0848

Sincerely,

*Tony Delorio*
