Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Hi Victor,

Can you confirm that you received the three applications I sent over yesterday?

We would like to find a time for all to go in front of the Rules committee. I believe you shared some dates with Brian Cheu (for the CCCD); are those dates available for the SoMa CAC as well? If so, could you please send me the date options?

Thank you!

**RE: Letter of Support for Mike Chen's nomination to the SFMTA Board of Directors, File #240589**

Dear Board of Supervisors,

I am writing to express Walk San Francisco's support for Mike Chen's nomination to the SFMTA Board of Directors, File #240589.

Walk San Francisco works on behalf of everyone who walks, advocating for changes needed to make it truly safe for all ages and abilities.

We believe Mike Chen will be a leader that prioritizes the City's Vision Zero policy and efforts, and focused especially on vulnerable populations like seniors, children, and people with disabilities. He has a strong dedication to reliable and comfortable public transportation, which we believe is absolutely necessary to end severe and fatal traffic crashes.

Mike Chen also has a wealth of experience and a strong understanding of the SFMTA through his time on the Citizens' Advisory Council, where he has been a steady and strong advocate for pedestrian safety and Vision Zero.

Walk SF strongly urges you to vote in favor of Mike Chen's nomination.

Sincerely,

San Francisco Board of Supervisors,

Dear Members of the Board of Supervisors,

As someone who walks, bikes, and takes transit in the city, it's incredibly important to me that we have people who experience all of those modes serving on the SFMTA board of directors to help guide the agency's policies.

Mike Chen is that person, and I truly hope you will support his nomination.

Mike will be a leader in making our streets safer for all users, especially for vulnerable populations like seniors, children, and people with disabilities. While on the SFMTA Citizens' Advisory Council, Mike Chen has been a steady and strong advocate for pedestrian safety and achieving our goal of zero traffic deaths in San Francisco. San Francisco Board of Supervisors,

Dear Members of the Board of Supervisors,

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors. Muni is an essential service with over 400,000 weekday daily boardings. As a regular transit rider and a transit advocate, Mike Chen would be a tremendous voice for everyday San Franciscans who rely on Muni to go to work, to reach essential services, and to build community. Mike Chen would help San Francisco realize its transit-first policy and keep Muni running for everyone. I ask for your support for his nomination.

As a regular transit rider, cyclist, driver, and a transit advocate, Mike Chen would be a tremendous voice for every San Franciscan, people who ride transit to get to the grocery store or their job, people who walk to their corner pub, people who bike or drive to the Golden Gate bridge.

Mike Chen would enormously help San Francisco realize its transit-first policy. Especially in a year like this when transit at large needs vigorous champions to keep Muni running for all. We need someone who understands the need for transit and is extremely pragmatic. Mike Chen is that person.

Dear Board of Supervisors,

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors. I have known Mike personally for a number of years and cannot imagine a better person to serve in this role. He is thoughtful & kind, does his homework, has lots of relevant experience, and is focused on the best outcomes for San Franciscans - not on scoring political points. I am confident that Mike will work hard to make our streets & transit systems safer and more comfortable for all of us.

As a bike rider, I am especially excited that Mike Chen is among the 30% of San Franciscans who bike or roll every month. I believe Mike Chen will help make sustainable transportation options safer and more accessible, including biking. Please approve his nomination to the SFMTA Board.

San Francisco Board of Supervisors,

Dear Members of the Board of Supervisors,

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors.

The SFMTA Board needs dedicated leaders to help address looming funding issues and to be an advocate for users of our transportation system. I bought my house to specifically be within half a block of a MUNI rail line, so my family could take full advantage of being able to move around the city easily without driving. One of the big reasons I moved my parents to San Francisco from the suburbs was to reduce their need to drive to get around every day as they get older. Having an accessible, reliable and safe transit system is the backbone of a world class city. I trust Mike to be a voice in steering us towards a strong vision for the future of the SFMTA while addressing existing challenges (like ubiquitous real time arrival information, what is up with that?).

Mike Chen will be a leader in making our streets safer for all users, especially for vulnerable populations like seniors, children, and people with disabilities. While on the SFMTA Citizens' Advisory Council, Mike Chen has been a steady and strong advocate for pedestrian safety and achieving our goal of zero traffic deaths in San Francisco. Mike Chen's experience and knowledge of the agency will help San Francisco become the most pedestrian-friendly city in the nation.

I urge that you vote in favor of Mike Chen's nomination.

P.S. I am so excited that we have an opening date for the L-Taraval and the new trains are so quiet!

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors. Mike Chen will be a leader in making our streets safer for all users, especially for vulnerable populations like seniors, children, and people with disabilities. While on the SFMTA Citizens' Advisory Council, Mike Chen has been a steady and strong advocate for pedestrian safety and achieving our goal of zero traffic deaths in San Francisco. Mike Chen's experience and knowledge of the agency will help San Francisco become the most pedestrian-friendly city in the nation.

I urge that you vote in favor of Mike Chen's nomination.

San Francisco Board of Supervisors,

Dear Members of the Board of Supervisors,

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors. Muni is an essential service with over 400,000 weekday daily boardings. As a regular transit rider and a transit advocate, Mike Chen would be a tremendous voice for everyday San Franciscans who rely on Muni to go to work, to reach essential services, and to build community. Mike Chen would help San Francisco realize its transit-first policy and keep Muni running for everyone. I ask for your support for his nomination.

I have lived in San Francisco for over 13 years and feel lucky that I have never needed to own a car. Mike will help maintain this way of life for so many, and work with you all to open the doors for many more to achieve it. Please confirm Mike Chen to the Board!

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors. Muni is an essential service with over 400,000 weekday daily boardings. My parents also relied on transit for all of the time they lived in SF.

Dear Rules Committee Members and Supervisors,

The Outer Sunset Neighbors, a neighborhood association representing people of the Sunset District, write in support of Mayor Breed's nomination of Mike Chen to the SFMTA Board of Directors (File Number 240589).

Chen's work advocating for transportation options, including active transportation, makes him the right choice for our City's future. Hundreds of thousands of San Franciscans - and especially those with limited means - walk, bike, and take transit every day. Those San Franciscans deserve a voice at the SFMTA Board of Directors to ensure that their safety and convenience are prioritized regardless of the transportation choice they make for each trip. We believe Mike will be their voice.

We ask you to recommend Chen for the SFMTA Board of Directors to the rest of your colleagues on the Board of Supervisors.

Thank you for your time and consideration.

Best,

## **Northern Neighbors supports Mike Chen's Nomination to SFMTA Board**

San Francisco, September 7th 2024

Dear Members of the Board of Supervisors,

Northern Neighbors is thrilled about Mayor Breed's nomination of Mike Chen to the SFMTA Board of Directors. We kindly ask you to confirm his appointment as soon as possible.

Mike is a longtime volunteer organizer with Northern Neighbors and one of the founders of our organization. His work has been instrumental in making Northern Neighbors an important neighborhood organization and pro-housing voice in District 2, but also shaped our distinct urbanist orientation. Mike led Northern Neighbor's advocacy on active transportation and street safety, for example supporting bike sharing stations and Slow Streets in our neighborhood.

He has distinguished himself as our go-to expert on how government works, helping voters in our neighborhood understand ballot measures during our election explainer events. It speaks to Mike's character that he always tries to present the best arguments for both sides of a proposal and help voters form their own opinions. We know Mike to weigh his positions thoughtfully and we expect him to continue to do this with issues in front of him at the SFMTA Board.

Beyond his work with Northern Neighbors, Mike has done an excellent job representing District 2 on the SFMTA Citizens' Advisory Council for four years. He served as Chair of the SFMTA CAC, experience that we are sure will serve him well on the SFMTA Board. We would also like to highlight his citywide work as an San Francisco Lead at YIMBY Action, our parent organization.

Based in northern San Francisco and centered around District 2, Northern Neighbors is a neighborhood group that advocates for more neighbors, more housing, better transit, vibrant business, pedestrian & bike safety. We are long-time residents and newcomers, renters and homeowners, employees and business owners, artists and accountants, high-tech and no-tech, families and individuals, citizens and immigrants, commuters, bus riders, cyclists, pedestrians. We are an affiliated club of YIMBY Action.

Best regards,

Molly Alarcon, Jonathan Bünemann, Armand Domalewski, Gino Fortunato, Nicholas McNamara, Liz Miller, Arvind Ramesh, Michael Sacks, Stephen Sherrill - Northern Neighbors Volunteers

Re: Please approve Mike Chen's nomination to the SFMTA Board of Directors

Dear Acting Chair Walton, Supervisor Peskin and Supervisor Safai,

I am writing to urge you to approve the Mayor's nomination for the appointment of Mike Chen to the Municipal Transportation Agency Board of Directors at the upcoming September 16th Rules Committee meeting (Item 4, File # 240589).

Over the past several weeks, San Francisco Transit Riders staff and members have had the opportunity to meet with Mr. Chen to better understand his background and priorities. While we may not see exactly eye-to-eye on all issues, Mr. Chen clearly has an understanding of San Francisco's transit ecosystem that will be a tremendous asset to the SFMTA Board.

His tenure on the SFMTA Citizens' Advisory Council, including during the tumultuous height of the COVID-19 pandemic, as well as his own personal interest in transportation and mobility issues, has equipped him with the background knowledge necessary to help guide the agency towards a more sustainable and accessible future for our city. We believe that, as a multi-modal commuter, he will take a measured approach to understanding and addressing the transportation challenges that matter to San Franciscans.

San Francisco Transit Riders urges you to approve his nomination.

Sincerely,

Supervisors Peskin, Walton and Safai,

Recommend Mike Chen for the SFMTA Board of Directors at the Rules Committee meeting on September 16.

As a resident of San Francisco, I know Mike will bring experience and new ideas to the Board, while holding our priorities for transit, climate and Vision Zero. Mike has years of experience on the SFMTA's Citizens Advisory Council and has been an active advocate in the community for a long time. He's ready to immediately start running and take on challenges in the face of fiscal crisis.

As we are nearing the end of the Biking and Rolling Plan, we need the city to pass a visionary plan for the next 15 years and I believe that Mike will help us approve that plan with equity in mind.

Again, please recommend Mike Chen to the full Board of Supervisors to be approved as a member of the SFMTA Board of Directors.

San Francisco Board of Supervisors,

Dear Members of the Board of Supervisors,

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors.

The SFMTA Board needs dedicated leaders to help address looming funding issues and to be an advocate for users of our transportation system. I bought my house to specifically be within half a block of a MUNI rail line, so my family could take full advantage of being able to move around the city easily without driving. One of the big reasons I moved my parents to San Francisco from the suburbs was to reduce their need to drive to get around every day as they get older. Having an accessible, reliable and safe transit system is the backbone of a world class city. I trust Mike to be a voice in steering us towards a strong vision for the future of the SFMTA while addressing existing challenges (like ubiquitous real time arrival information, what is up with that?).

Mike Chen will be a leader in making our streets safer for all users, especially for vulnerable populations like seniors, children, and people with disabilities. While on the SFMTA Citizens' Advisory Council, Mike Chen has been a steady and strong advocate for pedestrian safety and achieving our goal of zero traffic deaths in San Francisco. Mike Chen's experience and knowledge of the agency will help San Francisco become the most pedestrian-friendly city in the nation.

I urge that you vote in favor of Mike Chen's nomination.

P.S. I am so excited that we have an opening date for the L-Taraval and the new trains are so quiet!

San Francisco Board of Supervisors,

Dear Members of the Board of Supervisors,

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors. Muni is an essential service with over 400,000 weekday daily boardings. As a regular transit rider and a transit advocate, Mike Chen would be a tremendous voice for everyday San Franciscans who rely on Muni to go to work, to reach essential services, and to build community. Mike Chen would help San Francisco realize its transit-first policy and keep Muni running for everyone. I ask for your support for his nomination.

I have lived in San Francisco for over 13 years and feel lucky that I have never needed to own a car. Mike will help maintain this way of life for so many, and work with you all to open the doors for many more to achieve it. Please confirm Mike Chen to the Board!

Dear Rules Committee Members and Supervisors,

The Outer Sunset Neighbors, a neighborhood association representing people of the Sunset District, write in support of Mayor Breed's nomination of Mike Chen to the SFMTA Board of Directors (File Number 240589).

Chen's work advocating for transportation options, including active transportation, makes him the right choice for our City's future. Hundreds of thousands of San Franciscans - and especially those with limited means - walk, bike, and take transit every day. Those San Franciscans deserve a voice at the SFMTA Board of Directors to ensure that their safety and convenience are prioritized regardless of the transportation choice they make for each trip. We believe Mike will be their voice.

We ask you to recommend Chen for the SFMTA Board of Directors to the rest of your colleagues on the Board of Supervisors.

Thank you for your time and consideration.

Best,

## **Northern Neighbors supports Mike Chen's Nomination to SFMTA Board**

San Francisco, September 7th 2024

Dear Members of the Board of Supervisors,

Northern Neighbors is thrilled about Mayor Breed's nomination of Mike Chen to the SFMTA Board of Directors. We kindly ask you to confirm his appointment as soon as possible.

Mike is a longtime volunteer organizer with Northern Neighbors and one of the founders of our organization. His work has been instrumental in making Northern Neighbors an important neighborhood organization and pro-housing voice in District 2, but also shaped our distinct urbanist orientation. Mike led Northern Neighbor's advocacy on active transportation and street safety, for example supporting bike sharing stations and Slow Streets in our neighborhood.

He has distinguished himself as our go-to expert on how government works, helping voters in our neighborhood understand ballot measures during our election explainer events. It speaks to Mike's character that he always tries to present the best arguments for both sides of a proposal and help voters form their own opinions. We know Mike to weigh his positions thoughtfully and we expect him to continue to do this with issues in front of him at the SFMTA Board.

Beyond his work with Northern Neighbors, Mike has done an excellent job representing District 2 on the SFMTA Citizens' Advisory Council for four years. He served as Chair of the SFMTA CAC, experience that we are sure will serve him well on the SFMTA Board. We would also like to highlight his citywide work as an San Francisco Lead at YIMBY Action, our parent organization.

Based in northern San Francisco and centered around District 2, Northern Neighbors is a neighborhood group that advocates for more neighbors, more housing, better transit, vibrant business, pedestrian & bike safety. We are long-time residents and newcomers, renters and homeowners, employees and business owners, artists and accountants, high-tech and no-tech, families and individuals, citizens and immigrants, commuters, bus riders, cyclists, pedestrians. We are an affiliated club of YIMBY Action.

Best regards,

Molly Alarcon, Jonathan Bünemann, Armand Domalewski, Gino Fortunato, Nicholas McNamara, Liz Miller, Arvind Ramesh, Michael Sacks, Stephen Sherrill - Northern Neighbors Volunteers

Re: Please approve Mike Chen's nomination to the SFMTA Board of Directors

Dear Acting Chair Walton, Supervisor Peskin and Supervisor Safai,

I am writing to urge you to approve the Mayor's nomination for the appointment of Mike Chen to the Municipal Transportation Agency Board of Directors at the upcoming September 16th Rules Committee meeting (Item 4, File # 240589).

Over the past several weeks, San Francisco Transit Riders staff and members have had the opportunity to meet with Mr. Chen to better understand his background and priorities. While we may not see exactly eye-to-eye on all issues, Mr. Chen clearly has an understanding of San Francisco's transit ecosystem that will be a tremendous asset to the SFMTA Board.

His tenure on the SFMTA Citizens' Advisory Council, including during the tumultuous height of the COVID-19 pandemic, as well as his own personal interest in transportation and mobility issues, has equipped him with the background knowledge necessary to help guide the agency towards a more sustainable and accessible future for our city. We believe that, as a multi-modal commuter, he will take a measured approach to understanding and addressing the transportation challenges that matter to San Franciscans.

San Francisco Transit Riders urges you to approve his nomination.

Sincerely,

Supervisors Peskin, Walton and Safai,

Recommend Mike Chen for the SFMTA Board of Directors at the Rules Committee meeting on September 16.

As a resident of San Francisco, I know Mike will bring experience and new ideas to the Board, while holding our priorities for transit, climate and Vision Zero. Mike has years of experience on the SFMTA's Citizens Advisory Council and has been an active advocate in the community for a long time. He's ready to immediately start running and take on challenges in the face of fiscal crisis.

As we are nearing the end of the Biking and Rolling Plan, we need the city to pass a visionary plan for the next 15 years and I believe that Mike will help us approve that plan with equity in mind.

Again, please recommend Mike Chen to the full Board of Supervisors to be approved as a member of the SFMTA Board of Directors.

President Peskin, Supervisors Safai and Walton,

I am writing regarding the motion to approve or reject Mike Chen to the SFMTA Board. I have known Mike for the past four years, working more closely with him over the last two as I organized around local, regional, and state transit funding.

While Mike and I do not agree about everything, transit or otherwise, I have come to deeply respect Mike's knowledge and willingness to work together on common aims. Mike is someone who looks to build broad alliances to get work done, and is not afraid to work with those he may not agree with broadly on issues of common concern. His record over five-years on the SFMTA CAC demonstrates this willingness, and his depth of knowledge and experience of MTA's affairs.

Thank you for considering Mike's nomination tomorrow in Rules. I urge you to move his nomination forward to the full Board.

Cheers,  
Cyrus Hall

*Re: File #240589 to be heard at the Rules Committee on July 22, 2024*

Dear Members of the San Francisco Board of Supervisors,

The parents and families of KidSafe SF are writing to express our enthusiastic support for Mike Chen's appointment to the Board of Directors of the San Francisco Municipal Transportation Agency. As an organization that is committed to making San Francisco's streets and transportation infrastructure safe enough for kids to walk and bike to their daily destinations, we believe that Mr. Chen's demonstrated track record of support for transit, biking, and pedestrian safety, and lived experience as someone who navigates San Francisco without a car is a valuable addition to the board of the agency.

As chair of the SFMTA Citizens' Advisory Committee, Mr. Chen has shown a strong commitment to working collaboratively with his fellow committee members and the community to uphold San Francisco's transit-first policy and move the city toward our climate and sustainability goals. This experience has also shown that he is well-prepared to help Muni tackle the challenges it faces in coming years.

Mr. Chen's experience riding the bus, walking and riding a bike in the city also gives him a deep understanding of the needs of everyday San Franciscans who rely on SFMTA.

We believe that Mr. Chen will bring a thoughtful and evidence-based approach to his work on the SFMTA Board, and that he will be a strong advocate for policies that prioritize safety, equity, and sustainability – exactly what our city needs in this challenging moment for the future of transportation.

We urge you to support Mike Chen's nomination to the SFMTA board, and look forward to working with him to create a safer and more sustainable transportation system for San Francisco.

San Francisco Board of Supervisors,

Dear Members of the Board of Supervisors,

I take keyboard in hand to express my hearty support for Mike Chen's nomination to the SFMTA Board of Directors. Now, it doesn't take a genius to see that Mike is the sort of fellow who fights for safer streets, especially for those who need it most—our seniors, children, and folks with disabilities. While serving on the SFMTA Citizens' Advisory Council, he's been a steadfast champion for pedestrian safety, pushing hard to make sure our city edges closer to the day when no one need fear for their life just crossing the street. Mike knows this agency inside and out, and I reckon he's just the man to help San Francisco become the finest pedestrian city in the nation.

I strongly urge you to cast your vote in favor of Mike Chen's nomination.

Yours sincerely,  
John Hamiga

Dear Board of Supervisors,

**I am a San Francisco voter and I am writing to demand that the city drop its lawsuit against the EPA which is on its way to Trump's Supreme Court.**

The EPA has tried to prevent San Francisco from releasing raw sewage into the ocean. Instead of changing our ways, **we are asking the Supreme Court to take away the EPA's power to keep our coastline safe and clean.** We need San Francisco to stop the lawsuit immediately and clean up its mess!

Despite San Francisco's reputation as an environmental leader, the SFPUC General Manager, the City Attorney, and the Mayor are continuing to carry forward a lawsuit that would harm our water and have **serious ramifications for how the EPA is able to regulate water quality across the country.**

Instead of leading with environmental organizations, we have joined forces with the National Mining Association, American Gas Association, and the American Fuel and Petrochemical Manufacturers—trade associations of polluting industries.

We need to put a stop to this and protect San Francisco's environment! Protect the Clean Water Act and work with the EPA to end the dumping of raw sewage into the San Francisco Bay and Pacific Ocean where our communities live and play.

If we want to remain a leader in justice and environmental protection, we need to stop this lawsuit that would lead to irreparable harm to communities here and **across the country.**

Sincerely,

Re: File # 240589 at the Rules Committee on July 22, 2024

Dear Members of the Rules Committee of the San Francisco Board of Supervisors,

The parents and families of KidSafe SF are writing to express our enthusiastic support for Mike Chen's appointment to the Board of Directors of the San Francisco Municipal Transportation Agency. As an organization that is committed to making San Francisco's streets and transportation infrastructure safe enough for kids to walk and bike to their daily destinations, we believe that Mr. Chen's demonstrated track record of support for transit, biking, and pedestrian safety, and lived experience as someone who navigates San Francisco without a car is a valuable addition to the board of the agency.

As chair of the SFMTA Citizens' Advisory Committee, Mr. Chen has shown a strong commitment to working collaboratively with his fellow committee members and the community to uphold San Francisco's transit-first policy and move the city toward our climate and sustainability goals. This experience has also shown that he is well-prepared to help Muni tackle the challenges it faces in coming years.

Mr. Chen's experience riding the bus, walking and riding a bike in the city also gives him a deep understanding of the needs of everyday San Franciscans who rely on SFMTA.

We believe that Mr. Chen will bring a thoughtful and evidence-based approach to his work on the SFMTA Board, and that he will be a strong advocate for policies that prioritize safety, equity, and sustainability – exactly what our city needs in this challenging moment for the future of transportation.

We urge you to support Mike Chen's nomination to the SFMTA board, and look forward to working with him to create a safer and more sustainable transportation system for San Francisco.

Thank you,  
Robin Pam

Dear Supervisors Peskin, Walton and Safai,

I implore you to recommend Mike Chen for the SFMTA Board of Directors at the Rules Committee meeting on September 16.

As a resident of San Francisco, I am confident that Mike will bring experience and new ideas to the Board, while also holding our priorities for transit, climate and Vision Zero. Mike has years of experience on the SFMTA's Citizens Advisory Council and has been an active advocate in the community for a long time. He's ready to hit the ground running and tackle challenges in the face of fiscal crisis.

As we are nearing the end of the Biking and Rolling Plan, we need the city to pass a visionary plan for the next 15 years and I believe that Mike will help us approve that plan with equity in mind.

Again, please recommend Mike Chen to the full Board of Supervisors to be approved as a member of the SFMTA Board of Directors.

Best, JT
