Dear San Francisco Board of Supervisors,

It is my pleasure to recommend Rishi Chopra as the New America Media representative to serve on the Sunshine Ordinance Task Force for Seat 4, replacing outgoing member Suzanne Manneh.

I first came to know Rishi when he began working with the San Leandro-based newspaper India West—one of the most prominent and nationally read South Asian newspapers – in 2011, where his responsibilities have included covering events and managing website content relevant to the Indian American community in the San Francisco Bay Area, as well as playing a key role in marketing and business development for the newspaper and his community. He has experience reporting on such issues as South Asians in politics, domestic violence, housing rights, and was featured on Comcast Newsmakers TV, highlighting his role of the Political Awareness Chair for the Network of Indian Professionals.

Last year, Rishi demonstrated a deep interest in representing New America Media and the ethnic media sector on the SOTF, but NAM had already renominated Suzanne Manneh at the time. Still, it was clear to me that were Suzanne unavailable to continue serving, Rishi would be a strong and qualified candidate to represent the ethnic media sector.

A resident of San Francisco, Rishi is extremely committed to serving the city and mobilizing his peers and South Asian community members to become more civically engaged. He has experience as a grassroots organizer in the city, as well as volunteering to help San Francisco parents improving afterschool programs, and Glide Memorial Church's homeless assistance program.

In addition to his current role as a contributor and representative for India West and the South Asian community, Rishi is also practicing his commitment to advocating for strengthening education opportunities, as a Program Coordinator at the Wadhwani Foundation, where he conducts research on U.S. community college vocational training programs and assists in building partnerships with various community college systems on a city, state and national level to build more vocational training and computer-based learning programs. Rishi is fluent in English and Hindi and has volunteered to help many South Asian senior citizens living in convalescent centers but lack English language skills.

Rishi is responsible and diligent, friendly and resourceful, and I have full confidence that he will serve the Task Force well. I urge you to make his appointment swiftly.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Sincerely,

Sandy Close Executive Director New America Media

As a wheelchair- bound person with a disability, and speaking as an advocate for traditionally marginalized and underserved communities, I have dedicated my life to insuring citizens have access to services in the community and local government. As a Legislative Intern for California Assemblywoman Fiona Ma, I worked at her District Office here in San Francisco. As a student at Stanford University, I founded a disability advocacy group in student government. Currently, as the Systems Change Coordinator/ Community Organizer at the Independent Living Resource Center San Francisco (ILRCSF), I am at the forefront of promoting the advocacy agenda for all people with disabilities in San Francisco. In my previous role as the Community Activities Coordinator at ILRCSF I planned and promoted community events for adults with disabilities. Additionally, as an intern for ILRCSF, I advocated to advance disability rights through participation in the In-Home Support Services Task Force, Youth Organizing, Disabled and Proud, and the Disability Organizing Network. I also organized activities for youth with disabilities, facilitating an advocacy club at Mission High School and organizing, promoting, and facilitating meetings and events for the ILRCSF youth advocacy group.

Working with persons with disabilities has allowed me to make meaningful change in the community. I firmly believe that my professional experience and my passion for assisting persons with disabilities makes me a perfect candidate for the

To Whom It May Concern:

I am pleased to recommend Fiona Hinze for a position on the Sunshine Ordinance Task Force for the City of San Francisco.

Fiona has worked at the Independent Living Resource Center San Francisco since October 2013, first under my supervision as a volunteer advocate, and currently as a fellow staff member as our agency's community organizer. I have had the pleasure of working with her on various youth programming efforts and youth outreach activities.

Fiona has proven to be an invaluable resource when it comes to brainstorming and reviewing best practices in our work with the disability community. In working with me to create curriculum and teach Special Education students at Mission High School, she made sure that our materials were accessible and easy to follow. This skill has proven especially valuable in explaining existing disability law to students and teachers. Her ability to discern the important little details in meetings and reports and call attention to what other advocates may overlook makes me confident in her appointment to the Sunshine Task Force.

In regards to her work with contacting other agencies in the City, she has displayed a warm personality and fostered relationships that have helped us in our outreach. As a member of the Sunshine Ordinance Task Force, I believe that Flona would carry these qualities well into working with requests from citizens and local advocacy groups. With her understanding of local government policy and keen attention to detail, Fiona Hinze would be a valuable asset in ensuring that the general community is being best served by its City officials.

Sincerely,

Derek Zarda,

Assistive Technology Educator

Dear Ms. Ausberry,

Thanks for your quick and thoughtful reply. I would love to fill Seat 11 on the SOTF. And I would be more than happy to continue serving on the committee past April 27, if this option exists.

Attached is my professional resume/cv for your review. And below, in the link attached to my signature, is some more information about my qualifications. In addition to the areas of expertise I mentioned in my first note -- public culture, censorship, and local American civic life — I should also mention that the central topic of my second book project, "Elementary Republics: Neighbors and Citizens in Local American Civic Life," is citizen access and citizen participation in local government, which lines up perfectly with the description Seat 11!

So, as you might imagine, I am VERY excited about the prospect of joining the SOTF. And I would welcome an opportunity to discuss my interest, my qualifications, or anything else with the group. I'm available anytime at 812-606-1768 (my cell).

Thanks again for your consideration, and I hope to hear from you soon,

Hello,

I'm an assistant professor of Communication Studies at San Francisco State University, with expertise in public culture, censorship, and local American civic life, and I am wondering if there's anyway for me to lend a hand with the Sunshine Ordinance Task Force. Are there any open — or soon to be open — seats on the task force? Or any other ways that I might be of service?

Thanks for considering this request, and I hope to hear from you soon,

Rules Committee SF Board of Supervisors 1 Dr. Carlton B. Goodlett Place San Francisco, CA 94102-4689

Dear Supervisors Yee, Tang, Campos --

My name is Bruce Wolfe. I appreciate the opportunity of your consideration for appointment to the Sunshine Ordinance Task Force in Seat 6, 7, 8, 9, 10 or 11 as a person with a mobility disability. I have served on our Sunshine Ordinance Task Force since 2005 with a one year hiatus in 2008, through 2012. I returned to the SOTF at the behest of a former Ethics Commissioner and long-time open government advocate, Joe Lynn, and my dedication to maintaining that transparency as our means to balance democracy. My experience, enjoyment and civic duty continues to interest me as I learn new aspects of this area of policy and law, and continued collaboration with my colleagues on the SOTF on how to best optimize the process, create consistency, use innovation and increase efficiency.

I am a person with a mobility disability for over the past 20 years after a work injury. Perhaps you knew or had been visited by my service dog, Charlie, over the past decade as we sadly lost him at the ripe old age of fourteen and a half years old last June. He is sorely missed but a new member of the team, Lady, will carry his legacy under the dome. That said, his presence along with over 30 of disability advocacy has given me the confidence to serve on the SOTF not just as eligible for the appointment and seat but with the added value of bringing my experience along.

Additionally, my interest in open government equally spans my lifetime from the east coast to west over 30 years ago. Here in San Francisco, my interest was piqued through my attendance at City College as a student managing its Shared Governance program for student participation. While the Sunshine Ordinance did not apply then, the thrust of my interest was towards getting all state agencies that operate and elected locally to abide by it. And, we have been successful on many including City College which agreed to apply some of its elements.

My full-time job over the past seven years has been with a consumer advocacy and protection organization.

Currently, as you know there has been a great increase in complaints coming to the SOTF despite that all Sunshine Ordinance compliance results in less than 5% through the complaint process of the SOTF. The SOTF offers the public a number of services with a single person staff supplied by the Clerk of the Board and one legal counsel supplied by the City Attorney's office. The rest of the services are provided by the all volunteer membership of the body most of whom hold full-time jobs. With an additional staffer, much more expedited services could be provided to reduce the number of complaints on a daily basis.

In addition, with the advent of information technology and now the commitment through Dept of IT and SFData.org, more and more public information is being made accessible through the web and other applications. I am an IT professional across the broad spectrum of information/technology/security/social media who has brought a modicum of necessary expertise to the SOTF.

The Sunshine Ordinance is based in state law of the CA Public Records Act and Ralph M. Brown Open Meetings Act. Much work still needs to be done by the SOTF.

1. <u>Training:</u> Of its many charges, I hope to increase the amount of training to the city family. As a martial arts instructor of over 35 years, a social worker, college level instructor, life coach and trained hundreds in computing, I have some sense how to guide folks towards understanding at their level. I would plan on

- identifying problem areas of departments and agencies with repeat violations and work with department heads to help curb and get things under control. Compliance is mandatory. I am interested in bringing the full force of my expertise in this area which is why I decided to re-apply to the SOTF.
- 2. Streamlining the hearing process: One of the many areas of concern is the time and hour of SOTF hearings and meetings. The hearing process was overhauled some years ago which help create a much fairer process and did reduce the time spent on each case. But cases were not as plentiful as they are today as all areas of government from federal to our little city are being challenged for information by the public. Of a few areas in question:
  - 1. Hearing timeframe needs to be annually reviewed and optimized as necessary without losing any respect for either party.
  - 2. Multiple complaints should be considered co-joined when focused on the same respondent regarding the same set of issues so there will be one hearing covering multiple complaints on the same respondent unless specifically distinct from each other.
- 3. <u>Information Technology:</u> There is ample opportunity to help increase the availability of public information and records through new efforts to centralize data and make available on the web. I have attended COIT meetings regularly as representative of SOTF since its inception where this subject was under consideration as the contract was being awarded to Microsoft.

Additionally, to increase the role of the SOTF administrative department to help the general public and to intervene as necessary to expedite and acquire the public information they seek to reduce the amount of complaints coming before the SOTF.

I am a staunch, unbiased open government advocate and experienced in Gov2.0 information technology which also lends to the ever-increasing nature of transparency in government. My aim is to be fair, reasonable and adhere to the principle of bringing greater Sunshine and more expedited access of public information and meetings as possible.

Again, I appreciate the opportunity of your consideration for appointment to the Sunshine Ordinance Task Force.

Yours Truly,

# Bruce M. Wolfe, M.S.W.
