22 Be it ordained by the People of the City and County of San Francisco:

23 Section 1. Findings.

24 (a) California Streets and Highways Code Sections 8300 et seq. and San Francisco  
25 Public Works Code Section 787(a) establish the process for the Board of Supervisors to  
vacate a street, highway, or public easement. Streets and Highways Code Sections 8334 and

1 8334.5 provide that the legislative body of a local agency may summarily vacate an excess  
2 right-of-way of a street, under certain circumstances. The actions contemplated in this  
3 ordinance are being taken in accordance with Streets and Highways Code Sections 8300 et  
4 seq. and Public Works Code Section 787(a).

5 (b) The location and extent of the area to be vacated is a portion of Michigan Street  
6 that is generally bounded by Assessor’s Parcel Block No. 4298 to the north and west,  
7 Assessor’s Parcel Block No. 4310 to the east, and Cesar Chavez Street to the south, as  
8 depicted on Department of Public Works ("Public Works") SUR Map No. 2021-006, dated May  
9 3, 2021 (the “Vacation Area”). A copy of this map is on file with the Clerk of the Board of  
10 Supervisors in File No. 220543 and is incorporated herein by reference.

11 (c) The Vacation Area is a paved portion of Michigan Street that terminates in front of  
12 the San Francisco Municipal Transportation Agency’s (“SFMTA”) MUNI Metro East  
13 maintenance facility (“MUNI Metro East”). The Vacation Area is not necessary for active  
14 street purposes now or in the future as: (1) the Vacation Area has been impassable and has  
15 not been maintained using public funds for five consecutive years; (2) all properties that abut  
16 the Vacation Area to the west and the north are already part of MUNI Metro East and are  
17 intended to be improved along with the Vacation Area after the Vacation Area is transferred  
18 from Public Works to SFMTA; (3) the Vacation Area has never been used, and is not useful,  
19 as a nonmotorized transportation facility under Streets and Highways Code Sections 892 and  
20 8314 as there are other such facilities available in close proximity; (4) MUNI Metro East is  
21 served by several roadways, so the Vacation Area is excess right-of-way; (5) there are no in-  
22 place functioning public utility facilities in the Vacation Area; and (6) Public Works sent notice  
23 of the proposed street vacation to the Department of Technology, SFMTA, the Fire  
24 Department, the San Francisco Public Utilities Commission, the San Francisco Planning  
25 Department, AT&T, Sprint, Comcast Cable Corp., Point to Point, Inc., XO Communications,

1 Verizon Communications, Inc., CenturyLink/Level Three Communications, Shasta Consulting  
2 Group, Inc., ExteNet Systems, Inc., and Pacific Gas and Electric. No City agency, utility  
3 company, or other notice recipient objected to the proposed vacation. Based on these  
4 factors, the Vacation Area may be summarily vacated in accordance with Streets and  
5 Highways Code Sections 8334 and 8334.5.

6 (d) The vacation of the Vacation Area, and the jurisdictional transfer of the Vacation  
7 Area from Public Works to SFMTA, would facilitate improvements and upgrades to and the  
8 expansion of MUNI Metro East.

9 (e) In Public Works Order No. 205457, the Interim Director of Public Works determined  
10 that: (1) the Vacation Area may be summarily vacated based on the factors identified in  
11 subsection (c) above and the other findings set forth below; (2) the Vacation Area is  
12 unnecessary for the City's present or prospective public street, sidewalk, and service  
13 easement purposes; (3) there will be no physical public or private utilities affected by the  
14 vacation of the Vacation Area, based on the absence of any objections from any utility  
15 company and notice recipient, and the fact that the public interest, convenience, and  
16 necessity do not require any easements or other rights be reserved for any public or private  
17 utility facilities that may be in place in the Vacation Area; (4) any rights based upon any public  
18 or private utility facilities shall be extinguished automatically upon the effectiveness of the  
19 vacation; and (5) it is a policy matter for the Board of Supervisors to approve the  
20 interdepartmental property transfer of the Vacation Area from Public Works to SFMTA. A  
21 copy of this Public Works Order is on file with the Clerk of the Board of Supervisors in File No.  
22 220543 and is incorporated herein by reference.

23 (f) In Order No. 205457, pursuant to California Streets and Highways Code Sections  
24 892 and 8314, the Interim Director of Public Works also found that the Vacation Area is  
25 currently not accessible to or necessary for non-motorized transportation because there are

1 adjacent streets available for such transportation, and because those members of the public  
2 availing themselves of non-motorized transportation will not be inconvenienced by the street  
3 vacation.

4 (g) The Interim Director of Public Works recommends that the Board of Supervisors  
5 adopt as its own the recommendations set forth in Public Works Order No. 205457 concerning  
6 the vacation of the Vacation Area and other actions in furtherance thereof. The Board hereby  
7 incorporates such recommendations and findings by reference as though fully set forth herein.

8 (h) In a letter dated March 31, 2021, (the "Planning Letter"), the Planning Department  
9 determined that the proposed vacation of the Vacation Area and other actions contemplated  
10 in this ordinance are consistent with the General Plan and priority policies of Planning Code  
11 Section 101.1. A copy of said letter is on file with the Clerk of the Board of Supervisors in File  
12 No. 220543 and is incorporated herein by reference. The Board of Supervisors adopts as its  
13 own the findings in the Planning Letter.

14 (i) In the Planning Letter, the Planning Department also determined that the Project is  
15 within the scope of the project evaluated under the Third Street Light Rail Project/Central  
16 Subway Final Supplemental Environmental Impact Statement/Final Supplemental  
17 Environmental Impact Report adopted in August 2008 (Planning Case No. 1996.281E) ("Third  
18 Street Light Rail Project/Central Subway FSEIS/FSEIR") pursuant to the California  
19 Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). A  
20 copy of the Third Street Light Rail Project/Central Subway FSEIS/FSEIR is on file with the  
21 Clerk of the Board of Supervisors in File No. 210548. The Board of Supervisors further finds  
22 that no substantial changes are proposed by the Project or the circumstances under which the  
23 Project is undertaken that would cause new significant environmental effects or any increase  
24 in the severity of previously identified significant effects. The Board further finds that there is  
25 no new information of substantial importance showing that the Project would have any

1 significant effects not discussed in the Third Street Light Rail Project/Central Subway  
2 FSEIS/FSEIR, or that significant effects would be substantially more severe, or that new or  
3 different mitigation measures or alternatives would substantially reduce one or more  
4 significant effects of the Project. Consequently, the Board hereby adopts the Planning  
5 Department's environmental findings in the Third Street Light Rail Project/Central Subway  
6 FSEIS/FSEIR as its own for purposes of this ordinance.

7

8 Section 2. Summary Street Vacation.

9 (a) The Vacation Area, as shown on SUR Map No. 2021-006, is hereby ordered  
10 summarily vacated pursuant to California Street and Highways Code Sections 8300 et seq.,  
11 including Sections 8334 and 8334.5, and San Francisco Public Works Code Section 787(a).  
12 The vacation of the Vacation Area shall not take effect until: (1) the SFMTA Board of Directors  
13 has approved the interdepartmental transfer of the Vacation Area to SFMTA, and (2) Public  
14 Works and SFMTA have provided written confirmation that they are prepared to have the  
15 Vacation Area transferred into the jurisdiction of SFMTA.

16 (b) The Board of Supervisors finds that the Vacation Area is unnecessary for present  
17 active public street use or prospective public street use.

18 (c) The public interest and convenience require that the vacation be done as declared  
19 in this ordinance.

20

21 Section 3. Interdepartmental Property Transfer from Public Works to SFMTA.

22 Notwithstanding the requirements of Administrative Code Chapter 23, the Board of  
23 Supervisors hereby approves the interdepartmental property transfer of the Vacation Area  
24 from Public Works to SFMTA subject to the SFMTA Board of Directors' approval of the  
25 transfer, and directs the Director of the Division of Real Estate to modify the City's records
