(9/22/2020, Amended in Board)

[Health Code - Patient Rates for FYs 2020-2021 and 2021-2022]

Ordinance amending the Health Code to set patient rates and rates for other services provided by the Department of Public Health, for FYs 2020-2021 and 2021-2022, starting July 1, 2020, through June 30, 2022.

Existing Law

San Francisco Health Code Section 128 sets forth the amounts to be charged for patient care provided by the Department of Public Health. Currently, Section 128 sets the rates for services rendered in fiscal years 2017-2018, 2018-2019 and 2019-2020.

Amendments to Current Law

The proposed ordinance would set the amounts to be charged for patient care provided by the Department of Public Health in fiscal years 2020-2021 and 2021-2022.

Background Information

The proposed rates are consistent with health care industry standards, and the Zuckerberg San Francisco General Hospital and Trauma Center rates are based in part on a 2019 Benchmarking Study by Deloitte Consulting.
