RE: Mission Bay South-Stormwater Pump Station No. 5 Public Infrastructure
Improvements
Consistency Determination

Dear Ms. Moy:

OCII has received your request regarding the Stormwater Pump Station No. 5 public infrastructure improvements and their consistency with the Mission Bay South Redevelopment Plan and Plan Documents.

OCII has reviewed the documents and related materials concerning the acceptance of the Stormwater Pump Station No. 5 public infrastructure improvements and other related actions thereto, and finds these consistent with the Mission Bay South Redevelopment Plan and Plan Documents, and recommends that the Board of Supervisors accept the facilities on behalf of the City.
