Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am uniquely qualified to serve on the Board. I was raised in the Sunset District (34th and Lawton) and went to school in the district. As a biracial person (my mother was born in El Salvador and my father is Irish-American), I understand and embrace the diversity and cultures of San Francisco. I have also worked in government - after law school, I worked for over a year for the San Francisco Superior Court, and my position was part of Local 21. I have also volunteered as a Young Ambassador to fundraise for the Pomeroy Recreation Center, which works to provide opportunities for the disabled of all ages. I would be honored to work for one of the world's best-known landmarks, and I believe my first-hand knowledge of public entity law - and history of representing public entites and transportation districts - would be an asset to the board. My skills will help with legal issues, budgeting and strategic planning.

Business and/or professional experience:

I have knowledge of business and the law. I graduated from the University of San Francisco with a degree in Business Administration, and recieved my law degree from Western State with a certificate in business law. Since 2009, I have worked as an attorney in private practice in San Francisco.

Over the past six years I have represented multiple public entities (including a multi-county Bay Area Transit District) and understand the complex legal and business issues facing public entities.

Civic Activities:

St. Dominic's Catholic Church (San Francisco) - Parishoner
Pomeroy Recreation Center for the Handicapped - Young Ambassador (past)

Since moving here in 1972, I have lived in the Haight, Noe Valley, Western Addition, Western SOMA, and West of Twin Peaks. Throughout that time, I have primarily traveled as a MUNI rider, pedestrian and bicyclist, striving to promote healthy transportation and lifestyle choices that serve people of all economic classes, ages, ethnicities, and gender/sexual orientation. While I arrived in SF with no assets, and grew up sometimes homeless, San Francisco has served as a place of great opportunity. I continue feel a responsibility to give back, and to that end, have served in a wide range of volunteer positions. In my role as chair of the Bicycle Advisory Committee for a decade, I have used the position to balance this advocacy with the concerns and desires of others who share our streets, especially seniors like me, my interracial children and grandchildren, the disabled and transportation challenged, and women who have suffered from discrimination and cultural exclusion in their home cultures.

Bicycle Commuter Services - 12 years Certified instructor teaching 'Urban Street Skills' to over 4,000, including 450 Learn-to-Ride adults, primarily Asian and Middle Eastern women culturally discouraged from cycling; 4 years teaching MUNI operators about safety with bicyclists; wrote and produced safety videos for Presidio GO and MUNI relating to bicycling; serve as Expert Witness in bicycle-related civil litigation; lectures on bicycle safety.

John Avalos, SF Board of Supervisors

Dear Supervisor Avalos;

I recently applied for appointment to the Golden Gate Bridge, Highway, and Transportation District Board of Directors. I believe the Board needs a qualified and respected advocate for bicyclists, pedestrians and transit users.

Today, we live in an enlightened period, where our population increasingly understands the environmental, economic, reliable, efficient, and healthy benefits associated with human-powered transportation and public transit. The growth in use of these transportation modes will require fundamental changes in the way the District funds, encourages and accommodates demand.

I believe I am uniquely qualified to serve on this board, given my extensive experience and leadership as a public transportation advocate, former engineering/construction cost management professional, and appointed SF Gov. committee member, with an understanding of how public agencies operate.

Background

Moving to SF in 1972, I was dependent on transit until 1992, when I began bicycle commuting. All together, I have bicycled over sixty years. I began active advocacy first through the *SF Bicycle Coalition* (SFBC), expanding to include *WalkSF* and *Transportation for a Livable City* (now *Livable City*) as a founding board member. I am a recipient of the SFBC's *Golden Wheel Award*, and the League of American Bicyclists' *2009 Education Award*.

In 1999, I began a bike sharing & storage company (*Bike Tree*); followed in 2003 with *Bicycle Commuter Services* (BCS), teaching *Urban Street Skills* as a certified cycling instructor, with over four thousand attendees in SF. I also produced two safety videos for professional drivers, and serve as an expert witness in civil litigation involving bicycle use.

As a public service, I have chaired the *SF Bicycle Advisory Committee* (10 years), and have served on a number of working groups, task forces and projects, including the *Caltrans District 4 BAC*, representing SF.

In 2010 I was a candidate for the BART Board, endorsed by a majority of City Supervisors.

I hope you will consider my application for appointment to the Golden Gate Bridge Board.

Regards,

Bert Hill

The Excelsior, where I have lived almost thirty years now, is one of the last working-class neighborhoods in the City, and one that has relatively little representation on boards and commissions. I lead also an organization that has stood for the rights of working people in the City for 119 years. While I am Caucasian, my family is as diverse as imaginable. My wife is American-born Chinese, my two sons half Chinese. My late stepfather was Mexican, from Mexico City. I have a brother-in-law from Puerto Rico, and had another from Togo, who gave me a half Togolese niece. I recently officiated the wedding of my older sister to her long-time lesbian partner, a Uruguayan Jew. I have Arab and Vietnamese nieces-in-law. These are the people I love, and our family is the future of the nation and the present of the City.

Candidate: Sabrina Hernandez, Business Representative/Compliance Officer, IBEW Local Union 6

Candidate statement of qualifications relative to demographic qualities of the City and County of San Francisco pursuant to Charter section 4.101(a)1:

In advocacy for women and minorities; increased diversity in the organized trades; economic justice for women, minorities and youth; pathways to high-skill/high-pay careers:

As a minority woman in an industry dominated by white men (electrical construction) I am both fortunate to have achieved my level of professional success and challenged to create new ways in which I can assist other San Francisco women, minorities and youth to enter and succeed in high-skill, high-pay careers in the organized trades. This is why, throughout my career, I have maintained an active role in community based organizations such as Tradeswomen Inc, and in AFL-CIO constituency organizations such as the Electrical Workers Minority Caucus (EWMC), Pride @ Work, and the Coalition of Labor Union Women (CLUW), all of which advocate for the rights of women and minorities at work. I am particularly excited about IBEW Local 6 plans to partner with the San Francisco Unified School District in creating a pre-apprenticeship program for San Francisco high school students interested in exploring industrial careers.

In efforts to defend the rights of the San Francisco immigrant worker community:

As a business representative and public works contract compliance officer for IBEW Local Union 6, I represent the interests of IBEW members and our management partners; however, much of my work benefits non-unionized immigrant workers primarily from China, Korea, Mexico and Central America. As immigrants, many of whom have limited English language skills, these workers are vulnerable and often taken advantage of; paid less than the wages required by law, asked to perform work in unsafe conditions, not compensated for overtime and otherwise abused of their rights. As I monitor public works projects in San Francisco, I often come across workers experiencing these unfortunate and illegal conditions. My position and training allow me to educate them on their rights under the law and assist them in seeking remedies through the San Francisco Office of Labor Standards Enforcement and other authorities having jurisdiction.
