EXECUTIVE SUMMARY

Legislative Objectives

- File 14-0840 authorizes the issuance \$400,000,000 in aggregate principal amount of Earthquake Safety and Emergency Response general obligation bonds that were approved by the voters on June 4, 2014;
- File 14-0811 allows for the sale of not-to-exceed \$106,095,000 of 2014 Earthquake Safety and Emergency Response general obligation bonds, Series 2014D;
- File 14-0812 allows for the sale of not-to-exceed \$57,840,000 of 2010 Earthquake Safety and Emergency Response general obligation bonds, Series 2014C;
- File 14-0801 appropriates \$106,095,000 in Series 2014D bond proceeds; and
- File 14-0802 appropriates \$57,840,000 in Series 2014C bond proceeds.

Key Points

- In June 2010, voters approved Proposition B, authorizing the issuance of not-to-exceed \$412,300,000 in general obligation bonds to finance earthquake safety and emergency response projects. Four series of the 2010 bonds, totaling \$332,135,000, have been issued to date. The sale of \$57,840,000 (Series 2014C) is the fifth series of the 2010 bonds.
- In June 2014, voters approved Proposition A, authorizing the issuance of up to \$400,000,000 in general obligation bonds to fund the completion of certain projects funded by the 2010 bonds as well as new earthquake safety and emergency response projects. The first series of bonds issued under Proposition A is 2014D.
- The projects funded through the two proposed bond sales, Series 2014C and Series 2014D include: repairs to the Public Safety Building, continued work on the Neighborhood Fire Station and Support Facilities, continuation of existing projects related to the Auxiliary Water Supply System, upgrades to District Police Stations, relocation of Medical Examiner Facility, and upgrades to the Traffic Company & Forensic Services Division.

Fiscal Impact

- The requested not-to-exceed total of \$163,935,000 in bonds is projected to be sold for a par amount of \$156,205,000, with \$154,299,784 in estimated project funds and \$1,905,216 in issuance and related oversight costs.
- The bonds are estimated to have an annual interest rate of 5.02 percent over the approximate 20-year life of the bonds, with interest on the bonds totaling \$91,900,000. The total principal and interest payment on the 20-year bonds is estimated to be \$248,105,000.
- Repayment of the annual debt service will be covered through increases in the annual Property Tax rate, and for properties with an assessed value of \$500,000, owners would pay average annual additional \$35.83 in Property Taxes to the City per year if the anticipated \$156,205,000 in bonds are sold.

Recommendation

- Approve the proposed resolutions and ordinances.

MANDATE STATEMENT / BACKGROUND

Mandate Statement

Charter Section 9.105 provides that the issuance and sale of General Obligation bonds are subject to approval by the Board of Supervisors. Charter Section 9.105 also provides that amendments to the appropriation ordinance, as finally adopted, are to be adopted in the same manner as other ordinances, subject to the Controller certifying the availability of funds.

Administrative Code Section 2.71 requires City departments to submit Bond Accountability Reports to the Clerk of the Board, Controller, Treasurer, Director of Public Finance and the Budget and Legislative Analyst 60 days prior to appropriation of bond funds.

Administrative Code Section 3.15 requires Board of Supervisors approval for supplemental budget requests subsequent to the adoption of the annual budget.

Background

In June 2010, two-thirds majority of voters of the City approved Proposition B, which authorized the issuance of not-to-exceed \$412,300,000 in general obligation bonds to finance the construction, acquisition, improvement, retrofitting, rehabilitation and completion of earthquake safety and emergency responsiveness facilities and infrastructure.

On November 2, 2010, the Board of Supervisors approved a resolution (File 10-1255) authorizing the issuance of up to \$412,300,000 Earthquake Safety and Emergency Response (ESER) General Obligation Bonds. The Board of Supervisors has previously authorized the following sale and appropriation of \$349,315,000 of the 2010 ESER Bonds.

Month	Amount	File
November 2010	85,000,000	Files 10-1256 and 10-1248
January 2012	192,000,000	Files 11-1344 and 11-1333
June 2012	40,410,000	Files 12-0533 and 12-0527
May 2013	31,905,000	Files 13-0382 and 13-3068
Total	349,315,000	

\$332,135,000 of the \$349,315,000 has been sold to date for projects related to ESER.

In June 2014, voters approved Proposition A, which authorized the issuance of up to \$400,000,000 in general obligation bonds for the completion of certain projects funded by the 2010 ESER bonds as well as new ESER projects. The first series of bonds has not yet been issued under Proposition A.

DETAILS OF PROPOSED LEGISLATION

The proposed three resolutions do the following:

- File 14-0840 authorizes the issuance \$400,000,000 in aggregate principal amount of City and County of San Francisco General Obligation Bonds that were approved by the voters in June 2014;
- File 14-0811 allows for the sale of not-to-exceed \$106,095,000 of City and County of San Francisco General Obligation Bonds (Earthquake Safety and Emergency Response Bonds, 2014), Series 2014D; and
- File 14-0812 allows for the sale of not-to-exceed \$57,840,000 of City and County of San Francisco General Obligation Bonds (Earthquake Safety and Emergency Response bonds, 2010), Series 2014C; and,

The proposed two ordinances appropriate \$163,935,000 as follows:

- File 14-0801 appropriates \$106,095,000 in Series 2014D bond proceeds; and
- File 14-0802 appropriates \$57,840,000 in Series 2014C bond proceeds.

The 2014C Bonds will be the fifth series of bonds to be issued under the 2010 Proposition B, and the 2014D Bonds will be the first series to be issued under the 2014 Proposition A. The two series authorized by the proposed resolutions represent a not to exceed aggregate principal amount of \$163,935,000. Table 1 below shows the total amount of the 2010 and 2014 Earthquake Safety and Emergency Response bonds that have been authorized and sold.

Table 1: Total Authorized and Sold Earthquake Safety and Emergency Response Bonds

Proceeds from the 2014C Bonds will fund the following project costs of \$54,385,966, as shown in Table 2 above:

- \$31,003,224 for renovation of the City's emergency firefighting water system (the Auxiliary Water Supply System or AWSS), which includes planning, design and construction of cisterns, pipelines, and tunnels.
- \$11,600,000 for Neighborhood Fire Station and Support Facilities, which includes design of Fire Station 5 improvements, construction of Fire Station 16 improvements, environmental review of the Station 35 fire boat, and other projects. As shown in Table

¹ The Reserve Pending Sale accounts for variations in interest rates prior to the sale of the proposed bonds.

3 below, \$21,885,235 in 2010 ESER bonds to fund Neighborhood Fire Station and Support Facilities projects remains unsold and unappropriated.

- \$11,782,742 to complete the Public Safety Building project. The project is scheduled for completion in November 2014.

Proceeds from the 2014D Bonds will fund the following project costs of \$99,605,834, as shown in Table 2 above:

- \$6,882,939 for the District Police Stations to fund the initial costs to rehabilitate and seismically upgrade selected police district stations throughout the City.
- \$34,252,621 for the Medical Examiner Facility, which funds the initial costs of relocating the Medical Examiner Facility from the seismically vulnerable Hall of Justice at 850 Bryant Street to a seismically safe facility.
- \$30,319,674 for the Traffic Company & Forensic Services Division to relocate the motorcycle police and crime lab from the seismically vulnerable Hall of Justice and the Hunters Point Shipyard to a safe facility.
- \$20,000,000 for Auxiliary Water Supply System projects funded by the 2014 ESER bonds for continued planning, design, and construction of pipeline, tunnel, and cistern projects.
- \$8,150,600 to fund the Neighborhood Fire Station and Support Facilities projects funded by the 2014 ESER bonds, which continues ongoing projects.

Table 3 below shows the 2010 Proposition B and 2014 Proposition A bond budgets, prior appropriations, and proposed appropriations for the sale of Series 2014C and 2014D bonds. As shown in Table 3, if the Board of Supervisors approves the proposed resolutions and ordinances, the balance of authorized and unsold 2010 Proposition B bonds is \$22,325,000 and 2014 Proposition A bonds is \$293,905,000.

FISCAL IMPACT

The requested not-to-exceed \$163,935,000 in Series 2014C and 2014D bonds (see Table 2 above) are projected to be sold for a par amount of \$156,205,000, which would result in project funds totaling \$154,299,784 and issuance and related oversight costs totaling \$1,905,216. Estimated bond proceeds of \$156,205,000 are projected to have an annual interest rate of 5.02 percent over the approximate 20-year life of the bonds. The Office of Public Finance estimates that average annual debt service on the bonds is \$12,415,000; and total interest payments over the life of the bonds are \$91,900,000. The total principal and interest payment on the 20-year bonds is estimated to be \$248,105,000.

The proposed resolution provides that the proposed bonds could be structured as a 25-year bond, instead of the anticipated 20-year term, if market conditions require a longer period of time, though a 20-year term is anticipated.

Repayment of the proposed bonds is outlined as follows and summarized in Table 4 below:

- For Series 2014C, repayment of the annual debt service will be recovered through increases in the annual Property Tax rate, which, according to the Controller's Office, would average \$0.0025 per \$100 or \$2.54 per \$100,000 of assessed valuation over the anticipated 20-year term of the bonds. The owner of a residence with an assessed value of \$500,000, assuming a homeowner's exemption of \$7,000, would pay average annual additional Property Taxes

to the City of \$12.54 per year if the anticipated \$55,170,000 Earthquake Safety and Emergency Response General Obligation Bonds are sold.²

- For Series 2014D, repayment of the annual debt service will be recovered through increases in the annual Property Tax rate, which, according to the Controller’s Office, would average \$0.0047 per \$100 or \$4.66 per \$100,000 of assessed valuation over the anticipated 20-year term of the bonds. The owner of a residence with an assessed value of \$500,000, assuming a homeowner’s exemption of \$7,000, would pay average annual additional Property Taxes to the City of \$22.96 per year if the anticipated \$101,035,000 Earthquake Safety and Emergency Response General Obligation Bonds are sold.³

RECOMMENDATION

Approve the proposed resolutions and ordinances.

² The difference between the authorized amount of \$57,840,000 and the expected par amount of \$55,170,000 is the \$2,670,000 Reserve Pending Sale shown in Table 2.

³ The difference between the authorized amount of \$106,095,000 and the expected par amount of \$101,035,000 is the \$5,060,000 Reserve Pending Sale shown in Table 2.
